Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and so did the rest of us as we unholstered our weapons and transformed, and we went at Bolhofner, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, stars, rainbow flames, and rainbow crystals, and they exploded with incredible power as they hit him.

Then, Lincoln fired powerful blasts of water, as they sprayed Bolhofner and cleaned him up, and he also fired mouth wash into his mouth and cleaned out the alcohol and cat food he's been consuming for years. When Bolhofner saw it, he freaked out greatly. Then, Lincoln punched him hard in the face and knocked out his teeth, and I kicked him hard in the stomach, and Nico kicked him hard right in the crotch, as he screamed like a little girl, and everyone else piled on and pummeled him badly. Then, we powered down and we tied him up with a rainbow energy straitjacket and rainbow energy chains, so he can't escape again.

Lincoln: This time, we're not going to kill you again, no, this time, you're going right back to prison for all eternity, but this time, with a curse that'll plague you for eternity.

Suddenly, Lincoln was surrounded by a green energy aura with plants and leaves, and we knew what he was going to do: he's going to use his new curse on Bolhofner.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Bernard Bolhofner. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song, then, Lincoln fired powerful blasts of green energy from his massive deep sapphire blue angel wings, and as they hit Bolhofner, he was then ensnared by vines and put into a pod, where he'll be trapped in eternal nightmares and he'll be tormented by the spirits of all those he's tormented and abused for all eternity. Then, the cops came and they saw who it was in the pod.

Cop: Well, well, if it isn't old Stank Breath Bolhofner. We knew it wouldn't be long before you reared your ugly head yet again. Thanks for catching him yet again, guys.

Nico: No problem, officers.

The officers took Bolhofner who was still ranting and raving at us, and he was immediately returned to prison for eternity, and with that curse that Lincoln put on him.

Nico: Linc, what was that new curse you used on Stank Breath Bolhofner?

Lincoln: That was my new curse that I call Dionysus' Floral Vengeance Curse, it's activated by the same song, and I fire green energy blasts from my massive deep sapphire blue angel wings with stars in the feathers, and once they hit a bad breath alcoholic abuser like Bolhofner, he'll be ensnared by vines and he'll be put into an isolation pod, where he'll be trapped in eternal nightmares and he'll be tormented by the spirits of all those he's tormented and abused for all eternity.

Me: Perfect for an alcoholic abuser with bad breath, nice one, big guy.

Lynn: We've already killed him twice, so this time, we've decided to return him back to prison for all eternity, and with that curse Lincoln put on him.

Principal Huggins came out.

Principal Huggins: Guys, thank you all so much for what you did. I just can't believe Bolhofner came back yet again.

Nico: He was stubborn, but Lincoln put that new curse on him before the cops hauled him back to prison, which reminds us.

Principal Huggins: I've already called a meeting with Superintendent Chen, and we're going to review and add changes to how we hire new teachers. I don't want to hire another person who's just like Bolhofner ever again.

We then returned to the World Tree Estate, and we finally got rid of Bolhofner, who was sent back to prison for eternity, and he was put into Maximum Security Solitary Confinement, far from the guards and far from the general population of the inmates, and with that curse Lincoln put on him, he's never getting out ever again to torment others ever.

---

After getting rid of Bolhofner once again, Lincoln, his harem, and his kids were getting ready for their date, and this time, it's at Blooper Beach in the world of Mario.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered, in case of trouble, Lincoln's harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble, and Lincoln's kids were all dressed in swimsuits in their favorite colors, sandals, along with their jewelry, and they had their weapons holstered in case of trouble.

Lincoln: Alright, everyone, are we ready?

Thunder Sparkle: We're ready, Dad.

Lincoln, his harem, and his kids left the World Tree Estate, and they arrive at Blooper Beach in the world of Mario.

Sadie "Soundwave" the Wolf: Wow, what is this place, Dad?

Lincoln: This, Sadie, is Blooper Beach in the world of Mario. We've been here before, and it was really awesome.

Lincoln, his harem, and his kids dived right into the waters, and they really enjoyed it. Plus, Lincoln got a deep tissue massage from the girls in his harem, and he returned the favor and he gave the girls a deep tissue massage in return, and he also helped out the kids as well. Then, they had some lunch that Lincoln packed, and they sat in a picnic area that Lincoln made. Then, as the sun was about to set, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion, and his kids cheered for them. Then, they came back home to the Estate, and they were in their original clothes.

Nico: Nico: Hey, Lincoln, how was your beach date?

Lincoln: Awesome, Nico. We went to Blooper Beach in the world of Mario.

Twilight Sparkle: And we had a lot of fun there.

Nico: Awesome, and we heard from Huggins that he's going to hire another teacher, but one who's not like old Stank Breath or Mr. Shu.

Lincoln: Awesome.

Lynn: Plus, I heard from some of the kids that if the next teacher's anything like Stank Breath or Mr. Shu, then, they're going to be carted off to prison, but not without getting cursed by The Dark World Goth Girls.

Nicholette Torrington: That's right, any who dare hurt our man, along with his family and everyone here, they're going to get cursed for all eternity.

Lincoln: And since many of you have talents in dark magic and the dark arts, the next bad teacher's going to get hit with a pretty nasty curse, especially with any curses from the Dark World Grimoire you have, Nicholette.

Zelda Spellman: That Grimoire is one of the most scary and dangerous artifacts in the Duel Monsters world and in The Netherworld, it contains some of the darkest spells known to all.

Hilda Spellman: And in the wrong hands, it'll lead to catastrophe.

Sabrina Spellman: But, in Nicholette's hands, the dark spells from that Grimoire will ultimately lead to total pain for criminals. Speaking of, Damian Alaister and his Church of Necrom goons better not be planning to escape.

Lincoln: That's not going to happen, the second they do, they'll also get electrocuted by the seals on the door.

Salem Saberhagen: I'd be satisfied if they got turned into toads.

Lincoln: No, Salem, we're going to bring them to justice.

TLPS Mr. Wolf: Speaking of, what's going to happen to them once you and the Dark World Goth Girls who face off against them one at a time defeat them?

Lincoln: I was hoping someone would ask: Once a member of The Church of Necrom has been knocked down and defeated, we'll imprison them in separate Containment Cards, and once Damian Alaister has been defeated, we'll hand the Containment Cards with the imprisoned Church of Necrom members to the police in a lockbox, and once they've been found guilty, they'll be sent to a new prison that I built for black magic-using heretics and demon Goths like them, but I'm not going to reveal it.

Me: He's right, it's going to be a surprise.

TLPS Mr. Wolf: Okay.

Later it was time for Musa's first ever ambassador mission. Her mission was in Atlanta, Georgia and she was going to meet Sunny Bridges who is a famous musician and music teacher and his class.

William: Anyone else wanna go with Musa? Besides 2 Rabbids and the Leo on this Earth?

Me: How about Rainbow Dash, Carol and Varie go with?

Musa: Good idea!

Nico: This will be awesome.

Me: Yep. We can show off our singing talents in these missions.

Nico: Not a bad idea.

Musa: Lets head out then.

We were off to Atlanta.

We later arrived and went into Sunny's class.

Sunny Bridges: Hey, there. You guys must be new students.

Musa: Oh actually we aren't new. My name is Musa and I'm Musa and I'm the Fairy of Music and princess of Planet Melody.

Me: And we're with her.

Sunny Bridge: Wow! Team Loud Phoenix Storm is in the house!

Me: Rockin to meet you Sunny.

Nico: Same to you.

Rainbow Dash: We're with her too. My name is Rainbow Dash, Princess of The Wonderbolts, The Air Skylanders and the element of Loyalty. Also I'm the Guitarist for the Rainbooms.

Carol: My name is Carol Pusateri. Awesome to meet you

Varie: My name is Varie. One of J.D.'s many awesome fiancées.

2003 Leonardo: And my name is Leonardo but you can call me Leo.

Sunny Bridges: Rockin and an honor to meet you all.

Nico: Same here.

Sunny Bridges: And this is my class.

Nico: What's up guys!? Team Loud Phoenix Storm is in the house!

We were introduced to the class.

Lil' D

Lil' Dwight "D Evil" the Devil proclaims himself as the unofficial/ bumbling leader of the Westley School's music class, whether they like it or not. He is bright, talented, confident to a fault, and is incredibly tenacious when it comes to music. Through sheer determination (as well as breaking and entering), he manages to recruit Sunny Bridges as the class's new music teacher. Although Li'l D considers himself remarkably streetwise, his overconfidence often leads him into trouble. He is considered the shortest member of the class (despite being taller than Kim and Eddie if not for his hair), standing about 4'6".

Lil' D has never met his father, although he doesn't seem bothered by it. He likes to say, "Then it's settled." after he thinks that a plan was agreed upon (whether or not it actually was) which usually results in something horrible happening, and on occasion he will say "Let's crank this thang up!" His instrument is the drums. In some songs, he plays a different instrument like in "The Hunt for Red Blobtober". Although he has never revealed his actual name, no one seems to notice. He is 12 years old. He is voiced by Sylvia "Small Fire" Holloway.

Madison Spaghettini Papadopoulos

She wears a colorful dress, pink bracelet, necklace and white headband. She is an extremely optimistic child with a semi-Southern accent and a hippie-child appearance. She is perpetually happy, no matter true circumstance, though she is occasionally shown to reach a breaking point and cry as shown in the episode "Am I Blue?". She enjoys the company of animals and baby creatures. She has a secret crush on Lil D. Her parents are never shown like all the other children. She constantly displays a bubbly personality. She claims her hair has the special ability of getting frizzy whenever love is in the air. In the pilot episode, she mentions that she has a grandmother who is of Colombian descent. However, her last name suggests she is of Greek descent. Her instrument is the high-pitched violin, but in the game Funk Box, she also plays a cello. She is 12 years old. The character is voiced by Jennifer Hale.

Tamika Jones

Aloof Tamika makes it her business to keep the other students in line, giving her the title of "Toughest Girl in School". She is also extremely stubborn; the slightest misstep is grounds for a threatening fist. "Prove it or move it" is her trademark phrase, but she is not sure what to do if someone chooses "prove it." Despite her sharp tongue and cold disposition, Tamika shares a close bond with her classmates and will protect them as often as she teases them. Eddie is in love with her. Her instrument is the harp. In the song "Throwdown", she also says she plays the guitar. But in the episode "Tamika and the Beast" she shows a soft and sensitive side. She is usually disgusted by Eddie's attempts for her affection, although she showed feelings to him in the show's Christmas special after he paid Santa Claus to visit her. She is 12 years old. She is voiced by Crystal Scales.

Edward "Eddie" Phillip James Lawrence III

The richest kid in the school, being the heir to the Lawrence fortune (according to the first episode, his father is the head of the Earth division of Cola Cola). A cultured aristocrat, he has something of a high-and-mighty attitude concerning the other students, naively believing that all problems can be solved with money; he uses his wealth to help his friends. He is not completely spoiled, either. When Philly Phil's machine tells him he should never have a job because his dad is rich, Eddie says, "But I want to get a job!" He is the only character to have ten fingers at any time (he will usually have eight, but for at least one scene he has had 10. Eddie's explanation for his 10 fingers is that it is due to his wealth). He is in love with Tamika, as suggested in Home and Westley Side Story and confirmed by Tamika in Love is in the Hair… Net. Eddie has spoken of having Swiss ancestry. His instrument is the clarinet, but in the game funkbox he also plays a trumpet. He also plays many horns and woodwinds such as the trombone seen in The Devil and Lil'D. He is 12 years old. He speaks in a Cajun accent. Once he said that his dad owns all of the stations on TV. He is voiced by Tom Kenny.

Phillip "Philly" P. Phil

Brilliant and imaginative, tends to stand out for his unusual fashion sense. Philly Phil can invent useful devices on the spot, although they often end in malfunction. Though Li'l D and the other students do not fully understand Philly Phil's many eccentricities, they are willing to accept him as one of their own. He also might have a crush on Kim as shown in Nothin To it But to Do it. Philly Phil has an appetite for any type of food, particularly sweets such as chocolate. His height didn't seem to be consistent from episode to episode (He was about as tall as Principal Luna in The Hunt for Red Blobtober and only a few inches taller than Madison in Funky Monkey). In Eddie's Money, he is shown to have a decent singing voice. His instrument is the double bass, also with the bass guitar. In Free Philly, it is revealed that he is very weak and needs the help of technology (Although he does save all of his classmates and Sunny at the end of the episode without any help), though in Big Robot on Campus it shows that he is fairly strong and can use his own physical strength. He is 13-years-old. He is voiced by Phil LaMarr.

Kim Chin

She is Kam's twin sister and his polar opposite down to even their instruments. She and Kam are the youngest of the Westley Side School First Years and she is the shortest, despite Li'l D's reputation as the "shortest member of the class". Kim sometimes feels that fashion is more of a concern than music and loves to follow fashion trends. She is very energetic, free-spirited, sometimes to the point of mischief, sleeps with a stuffed rabbit due to her fear of the dark, and loves to torment her more old-fashioned sibling. Kim and Kam's parents are never shown. She was born in Columbus, Ohio and is of Cantonese-Chinese descent. Her instrument is the xylophone, also with other percussion instruments. She is presumably 12 years old. Voiced by Janice Kawaye.

Kam Chin

He is Kim's twin brother and her polar opposite, born in Columbus, Ohio and is of Chinese descent. He and his sister are the youngest of the Westley Side School First Years and he is considered to be the smartest in school. He generally projects an air of refinement and class. Unlike the other kids, Kam has common sense and maturity and is the voice of reason, besides Sunny (but he was oblivious to Santa in the Christmas episode). However, the kids don't listen to him and do what they want instead. Kam tends to be interested in many dull things such as high-grade bread. He is very eager about learning to the point that if Sunny is late to class, his brain is hurting from not learning. Kam has an irrational fear of hang gliding into a flock of angry mallards. Kam appears to have comically terrible things happen to him at the time where he resents these things. He does not have any sweat glands (and doesn't take showers because of this, yet he always appears clean) and he goes insane whenever he is too hot, as shown in Study Buddies. His instrument is the keyboard or the piano. In "Love Is in the Hair… Net", he plays the accordion. He is presumably 12 years old. Voiced by Janice Kawaye.

Musa: Wow! Awesome to meet you guys.

Kam Chin: Same here and it's awesome to meet you.

Tamika Jones: We're some of your biggest fans.

Nico: (to Madison) I don't know why but I feel like you'll get along with Leni.

Madison: I sure would and her clothes are so awesome!

Nico: Leni makes awesome clothes.

Musa: Boy she sure does.

2003 Leo: (sighs) And these 2 are Rabbids.

Me: Rabbids are cute but they are as stupid as braindead monkeys.

Sunny Bridges: Oh I see.

The Rabbids gabbed some drumsticks and started using them against each other as if they were swords.

Sunny Bridges: Hey, I don't mind if you 2 use that to kill scumbags. But you do NOT use those against each other!

Nico: Yeah they aren't very bright but they are really funny.

Me: And they do make a lot of people laugh. Especially when they burp.

Sunny Bridges: We heard you guys are awesome singers too.

Me: We sure are. Whenever we have babysitting adventures we always have an awesome karaoke group.

Nico: Yep.

Rainbow Dash: It's so awesome.

Nico: You guys have bad guys that we should be aware of?

Lil D: Well, there's Big D from Soul Stack Records. Does that count?

Me: What can you tell us about him?

Lil D: He's not a nice guy.

He told us about him.

---

Big D is a major character who appears in the episode "The Devil and Lil' D". He made a deal with Li'l D where he would sign a contract to become a music star. As Li'l D sign the contract, he gave his soul to Big D in the contract. Big D also participated in the song "We Want Your Soul". Towards the end of the episode, Li'l D managed to break out of the contract with the help of Sunny Bridges and because of this he lost the deal.

---

When he was done we were shocked!

Me: Whoa! The Music devil. Not a good sign.

Nico: We'll have to watch out for him on the big day.

Me: Yeah. That's when we all come here to help you all out.

Sunny Bridges: That is gonna be awesome.

Me: It sure will be rockin.

Musa: If you guys don't mind, I'd like to sing a song to you guys. It's in honor of two detectives who become one Kamen Rider.

Sunny Bridges: Go for it!

Tamika: Rock on!

Me: Just to tell you it's a Japanese song.

Tamika: Awesome!

Kam Chin: Looking forward to this one.

Me: Yep.

The song played and the room turned into Tokyo, Japan.

Musa: (Singing in Japanese)

2003 Leo: I recorded all that on video to show Shotaro and Philip on Nuju's first mission.

Musa: It's true.

Nico: That is for sure.

Me: You guys want to hear one of my songs?

Sunny Bridges: Lets hear it.

Me: This song I sang during the 2017 Total Solar Eclipse. It's called The Night Begins To Shine by B.E.R.

Lil' D: Awesome!

The song played and the room showed the 2017 Total Solar Eclipse in the background.

Me: (Singing divinely)

I saw you dance

From the corner

I caught your name

In a conversation

Playing hard-to-get

But I can understand

When I look at you

I see the story in your eyes

When we're dancing

Talk 'til dawn

My heart was racing

I took you home

When the song was done everyone cheered wildly and it was awesome!

Sunny Bridges: Wow! That was awesome!

Nico: Yeah!

Sunny Bridges: We might not have that many enemies compared to you guys. But we'll let you know if one of them makes a move.

Nico: Thanks Sunny.

Me: But they will all be going to prison if we ever seen any of them since they don't have any powers and pose that much of a threat.

Nico: Yeah they aren't that dangerous like many enemies we know.

Lil' D: Yeah.

We later came back.

May: How did it go guys?

Me: Really awesome and rocking dudes.

Nico: Leo got a video of Musa doing the Kamen Rider W Theme song.

2003 Leo: It was so awesome.

We told everyone everything and it was awesome.

Eli: Boy that was awesome!

Varie: Yeah it was.

May: Next time, Aurico should come with you.

Nico: Good idea.

Me: And Luna Loud and all the Rainbooms can go next time too.

Laney: Yeah that would be awesome!

---

We were responding to a 2-11 at the bank yet again.

POW BLAM SMASH BIFF!

I was beating up a bunch of robbers.

Me: Take that you robber douchebags!

ZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPP!

Stormy Weather zapped them with lightning.

Stormy Weather: Nothing like busting a few bank robbers, huh, Lincoln?

Lincoln: (coldly) Let's just get this over with already.

Me: Okay okay.

Nico punched and kicked a bunch of them all over.

Nico: You dirtbag robbers have failed this city!

We then heard a roar and then 4 new monsters appeared!

Mermaid Monster: Time to take you guys to the cleaners!

Werewolf Monster: (Russian Accent) You guys are bad comrade!

Wood Monster: You make us trees look bad!

Carnage Monster: Yeah it's not funny!

Sydney Burlington: Those voices! Kita, Natalia, Evelyn and Julie!

Werewolf Monster: Comrade Sydney! Everyone! Wow.

Spike: Wait. Are you girls Underground monsters?

Carnage Monster: We sure are. My name is Julie Carolina and these are my friends.

Kita Raimundo: I'm Kita Birmingham.

Natalia Somonmenchikov: Natalia Somonmenchikov.

Evelyn Burmingham: Evelyn Burmingham.

Julie Carolina: And I'm Julie Carolina.

They reverted back to human.

Kita's a girl with blue hair and had blue clothes and her monster form looks like a mermaid, Natalia's a black hair girl with red eyes and black clothes and she has a werewolf form, Evelyn has green hair and green eyes and green clothes and her monster form looks like that of a wood creature and Julie has red hair and red eyes and her monster form looks reminiscent of Carnage.

Girl Jordan: Wow! You girls are great doing that.

Nico: You all have the power to change at will now!

Lincoln: You think I'm gonna fall for your tricks?!

Lincoln shot some lightning at Julie but Ransack got her out of the way.

Ransack: Lincoln, the fuck's wrong with you?!

Lincoln: Oh, please! This is just an act to steal the spotlight from us and make us look bad! Just like Albedo's former Team Buktu pals!

Me: What!?

I saw that his eyes are droopy and he had bags under them like he hasn't had any sleep for days. And I saw in his eyes and his paranoia was being caused by bottled up feelings.

Me: Lincoln! Stand down! They are on our side! I sense no ill feelings in them.

Eli: Yeah and I do too!

Me: Lincoln just calm down! Tell us what's wrong.

Nico: Lincoln are you paranoid because of Team Buktu?

Windcharger: Lincoln, is that why you've been off? Because of you being paranoid of new heroes?

Lincoln: (starts crying) YES! AND BECAUSE OF THE PEOPLE WE FAILED TO SAVE! WE COULDN'T EVEN STOP TEAM BUKTU FROM ALMOST SUCCEEDING IN THEIR PLAN!

Maria: But we stopped them, didn't we?

Lincoln: (still crying) IT'S NOT JUST THAT! WE COULDN'T PREVENT ALEJANDRO FROM BUSTING THE REST OF THE SORE LOSERS OUT OF PRISON! WE COULDN'T SAVE PRESIDENT WHITMORE! WE COULDN'T STOP GENERAL MORSHOWER FROM SACRIFICING HIMSELF! WE COULDN'T STOP ANIMATED SENTINEL FROM KILLING ANIMATED SHOCKWAVE! AND MOST OF ALL, WE COULDN'T STOP TREVELYAN FROM USING GOLDENEYE TO KILL ALL THOSE PEOPLE!

Maria: (to Nico) J.D., this is not an invitation to visit Animated Sentinel and kill him! Him being banished to Arachna 7 is punishment enough!

May: And Max is actually behaving himself since we got drafted into the Masters of Evil!

Me: No I don't sense anything at all. Lincoln is being paranoid because he hasn't had very much sleep. I sense that these adventures we've been having are taking a toll on him and causing sleep deprivation.

Nico: Yeah he's right.

Natilee: Worse than that dad. Lincoln is like this because he was having really bad nightmares about all our adventures. He hasn't gotten any sleep for 13 days.

Lincoln: Why do you try so hard!?

Me: LINCOLN LISTEN TO YOURSELF! Do you honestly think that I formed Team Loud Phoenix Storm just so we can kill innocent people to destroy evil!? ABSOLUTELY NO FUCKING WAY NOT! I formed Team Loud Phoenix Storm to defend the world and the entirety of the multiverse and our universe from the very threat of evil and save all those that are in its line of fire!

Lincoln: But what about those that died? Don't you care about them at all!? They are being forgotten because of you!

POW!

I punched Lincoln in the gut.

Me: LINCOLN DON'T YOU DARE SAY ANYTHING LIKE THAT AGAIN! We have not forgotten what they were like back then! I learned from my mistakes when they died! When I was leader of the team I would always try and get things done fast hence why I was so reckless and brutal and I won't deny that! But you need to realize Lincoln that life deals you many bad hands in life. We lose those that are precious to us and they taught us so many things that make us closer to them than ever! But the point is Lincoln that we have to learn from the past and make sure that we don't make the same mistakes again.

Nico: J.D. is right Lincoln! You have to let it go and learn from the past.

Lincoln then had tears streaming down his face and then he collapsed and hugged me tight and cried hard and he was wailing too.

Me: I know Lincoln. I know.

Then Mojo Jojo, Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Private HIVE, and Hank Scorpio appeared.

Mojo: Can me, Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Private HIVE, and Hank Scorpio go with you guys this time? (sees Lincoln's tearstained face) Or should we wait for you guys at the bus?

Nico: Guys wait on the bus for us.

Mojo Jojo: Okay.

RD Lucy: Nico, this might be a bad time. But which Gene Slammer do you think you'll meet on your next rescue?

Nico: No, RD Lucy. I know that kind of question is mandatory.

RD Lucy: Oh.

Nico: I'm hoping to meet a gene-slammer for the Moltensteel Dragon of Magic The Gathering.

Me: Awesome choice.

Laney: Yeah no kidding.

Nico: Yep.

We went onto the bus.

Deker: Feeling better, Lincoln?

Lincoln: So tired.

Me: He hasn't gotten any sleep for a long time so we're letting him sleep for a while till we get there.

Rainbow Dash: Pickle and Barley Barrel you two stay with Lincoln while he sleeps.

Pickle Barrel: (Salutes) Yes ma'am Captain Rainbow Dash.

We put Lincoln on a bed and he was sleeping. Pickle and Barley Barrel were watching over him.

Nico: Also guys to answer your question yes you can come with. We're going on a field trip to Folsom Prison.

Gizmo: In California. Wow.

Lincoln: Hey, Chicken. Mind if I sit with you?

Chicken: (glares at him) Why? You gonna try and zap me too?

Tyrone McGee: (holds us back) Lincoln, maybe you should sit somewhere else.

Lincoln: Yeah

He went and sat somewhere else with Pickle & Barley Barrel watching.

Me: Chicken that was totally uncalled for.

Chicken: Well he was..

Me: (GLARES AT HIM) QUIET. Lincoln is going through hard times right now. So let him rest.

Chicken: (sighs) You're right. Maybe I should go apologize to him.

Chicken went and did so.

Abis Mal: Nice, J.D. Now, Chicken feels bad!

Nico: Abis that's enough. J.D. was right to do that.

Me: Lets not make things worse guys. Lincoln is going through some big time stress now.

Nico: Yeah.

Abis Mal: Oh you're right.

We were then off to California.

Chicken: Hey, Lincoln. Sorry about that comment.

Eret: It's fine, Chicken. And honestly, given that Lincoln tried to hurt fellow heroes, there was going to be some negative comment towards him about that anyway.

Chicken: Yeah.

Lincoln: It's all right Chicken. But I am just so upset.

Chicken: We know Lincoln.

We were still on the bus driving to Folsom.

Nico: It's gonna be a while before we get there so we might as well enjoy our scenic trip.

Me: Yeah.

Radioactive Man: Be honest. Is this prison just as worse as Alcatraz?

Me: Well Folsom is home to some of the state of California's worst criminals. It's also the state's second oldest prison.

I went over Folsom's history.

---

Folsom State Prison (FSP) is a California State Prison in Folsom, California, U.S., approximately 20 mi (30 km) northeast of the state capital of Sacramento. It is one of 34 adult institutions operated by the California Department of Corrections and Rehabilitation.

Opened in 1880, Folsom is the state's second-oldest prison, after San Quentin, and the first in the United States to have electricity. Folsom was also one of the first maximum security prisons. It has been the execution site of 93 condemned prisoners.

Musician Johnny Cash put on two live performances at the prison on January 13, 1968. These were recorded and released as a live album titled At Folsom Prison. He had written and recorded the song "Folsom Prison Blues" more than a decade earlier.

FSP is California's second-oldest prison, long known for its harsh conditions in the decades following the California Gold Rush. Although FSP now houses primarily medium security prisoners, it was one of America's first maximum-security prisons.

Construction of the facility began in 1857 on the site of the Stony Bar mining camp along the American River. The prison officially opened in 1880 with a capacity of 1,800 inmates. They spent most of their time in the dark, behind solid boiler plate doors in stone cells measuring 4 by 8 ft (1.2 by 2.4 m) with 6-inch (15 cm) eye slots. Air holes were drilled into the cell doors in the 1940s, and the cell doors are still in use today.

FSP was the first prison in the world to have electric power, which was provided by the first hydroelectric powerhouse in California.

After the state of California took sole control of the death penalty in 1891, executions were held at Folsom and San Quentin. A total of 93 prisoners were hanged at FSP between December 13, 1895, and December 3, 1937. Subsequent executions were carried out in the gas chamber at San Quentin. Due to an incorrect record, it is often mistaken that there were 92 executions, but there were in fact 93.

The prison's first hanging occurred on 13 December 1895 when Chen Hane was "hanged by the neck until dead" at 10:00 am. The public was invited to witness the execution. In 1892 Hane was accused of murdering Lee Gong, even though a witness stated they saw Lee Sam shoot Gong; another said they thought Gong had been shot through a window while sitting at a desk.

FSP industries include metal fabrication and a print shop, and the quarry at FSP provided granite for the foundation of the state capitol building and much of the gravel used in the early construction of California's roads. Additionally, California's vehicle license plates have been manufactured at FSP since the 1930s.

In 1968, Johnny Cash played a concert at the prison. Each attending prisoner lived in his own cell and nearly all were in an education program or learning a trade. Most of the attending prisoners who were released did not return to prison after being released.

Laura Sullivan of National Public Radio said that the costs of housing prisoners "barely registered" in the state's budget. In 2009, Folsom was overcrowded, with 4,427 inmates. Around that year most of its prisoners who were released returned to prison after being released.

When I was done everyone was amazed.

Nico: Wow since 1880. This prison is 142 years old.

Me: Yep. And also it had some of the most dangerous criminals ever known.

I told everyone who they were.

Joseph Barboza, former New England Mafia associate and enforcer turned government witness. He served 5 years at Folsom for second-degree murder in 1971, while in the Witness Protection Program.

Sonny Barger, former leader of the Hells Angels.

Edward Bunker, author of crime fiction, a screenwriter, and an actor.

Thor Nis Christiansen, was a serial killer and necrophile active in California in the mid-to-late 1970s. He was killed by a stab wound in the exercise yard in 1981.

Eldridge Cleaver, early leader of the Black Panther Party.

Alfred Leonard Cline, suspected serial killer

George Contant, train robber; later lectured against crime, brother of John Sontag.

Craig Coley, Wrongfully convicted of the 1978 murder of his ex girlfriend and her son before being pardoned and exonerated by CA governor Jerry Brown in 2017.

Chris Evans, train robber, partner of John Sontag.

Joseph Gamsky, aka Joe Hunt, of the Billionaire Boys Club.

Glen Stewart Godwin, whose escape from Folsom earned him a spot on the FBI Ten Most Wanted Fugitives list.[39]

Cameron Hooker, convicted of the Kidnapping of Colleen Stan.

Charles Jackson, serial killer

Rick James, musician.

Edmund Kemper, the "Co-Ed Killer"; was a serial killer and necrophile active in California in the early 1970s.

Suge Knight, former owner of Death Row Records.

Timothy Leary, psychologist and writer.

Charles Manson, murderer, conspirator

Erik Menendez, convicted with his brother Lyle of murdering his parents.

James Mitose, Japanese-American martial artist who brought the art of Kempo to the United States.

Ed Morrell, accomplice to the Evans-Sontag railroad robbers of the 1890s.

Ricky Murdock, rapper known by the stage name Askari X.

Bobby Purify, original singer of "I'm Your Puppet".

Shorty Rossi, star of the Animal Planet show Pit Boss.

Leo Ryan, U.S. Congressman who while an Assemblyman had posed as a prisoner to investigate conditions.

Glen Sherley, musician.

Danny Trejo, actor.

Jack Black (author), hobo, professional burglar and author of "You Can't Win", in which he describes his almost eight years at the prison.

Nico: Ohh yeah. I know some of those guys. Saw them on TV.

Me: Yep.

Chicken: Boy the last time we went to Folsom Prison was where I swapped places with a criminal.

Cow: I remember that big brother. That was crazy.

Laney: No kidding.

Me: And Prison is Hell on Earth.

Carly Atlas: So, Shanan. Can you identify the species that are the monster forms of Kita, Natalia, Evelyn and Julie?

Shanan: I sure can. Kita is what's called a Flekmornikan Merfolk. They come from the planet Flekmorn in the Cigar Galaxy. Natalia is a Lunanian Werewolf. They are werewolves from the planet Lunan XII in the Sombrero Galaxy. Evelyn is a Celtician Dryad from the planet Celtica in the Unknown Zone and they are wood creatures that have the power to control nature and plants and even communicate with animals. And Julie is a Symbiote relative called a Nombyiote from the planet Elintiar. They are in every way like Symbiotes except they are much more benevolent.

Nico: That is really cool.

Julie Carolina: It sure is.

Motor Ed: Guess you girls managed to tame your beasts back then. Seriously.

Kita Raimundo: Yes we sure have.

Venom: Yes we have heard about the planet Elintiar and our fellow Nombyiotes. Like us they are living costumes.

Nico: That is really awesome.

Lola: It sure is.

Lincoln was in his bed sleeping. But he was having a really interesting dream. Princess Luna came to him and told him the same things I told him and learn from the past and don't let it ruin him.

He was gonna be asleep for a while though.

---

French Narrator: (French Accent) 18 hours later

---

We woke up and cooked breakfast and Lincoln came.

Me: Hey buddy. Feeling better?

Lincoln: Yeah and you were right J.D. I was paranoid because of lack of sleep.

Me: Well at least you're rested up now.

Lincoln: I'm sorry I tried to attack you girls.

Julie Carolina: It's okay, Lincoln. You just met us. So, you had every right to be suspicious. And it probably doesn't help that my monster form looks like the Prime version of one of your enemies.

St Patricia: But we have nothing against you. (to Girl Jordan) Right, Girl Jordan?

Girl Jordan: No I know this is not like the version of Carnage that I know and hate.

Julie Carolina: How come you hate Carnage?

Me: Long and really ugly story.

I told Julie everything and it was horrible.

Julie Carolina: Oh man! That's horrible! I don't blame you one bit for hating this worlds Carnage like that.

Me: Yeah any version of Carnage minus the U.A. Carnage and the S.H.S. Carnage is her big time enemy. She killed the Yost Universe one and our prime universe version.

Nico: One time she got word that Carnage was back and she mistook him for Cletus Kasady when it was actually Gwen Stacy.

Me: Yeah it was the one from the Ultimate Spiderman Comic Books.

Julie Carolina: Oh wow! I know that one.

Girl Jordan: And I had no idea it was Gwen in that one.

Nico: Yeah.

Girl Jordan: Your monster form isn't even a symbiote. And you're actually cooler then Kasady.

Hank Scorpio: And this was forced on you. Kasady willingly used the Carnage symbiote for evil.

Julie Carolina: And that is true but I'm glad you like it.

Nico: The Yost version of Kasady wasn't even Carnage. But Girl Jordan killed him.

Me: And I threw up all over Nico after Girl Jordan ate his brain.

Sheila: I'm glad you 4 and Irena managed to get your monster forms under control.

Chaor: You sound jealous.

Sheila: A little bit but not that much.

Sydney: Yeah it took a long time for us to control ours.

Nico: That was a while huh.

Nergal: Why do I have a feeling Red Guy's gonna be involved? Again?

Me: He will be involved like always. When it comes to Cow and

Chicken he is practically everywhere.

Nergal: Oh right. He is a comical version of the Devil.

Me: Yep.

Dahlia Newton made Lincoln a huge pancake breakfast with sausages, bacon, steak, ham, hashbrowns, eggs and French Toast.

Dahlia Newton: Here Lincoln.

Lincoln: Oh wow! What a feast.

Dahlia Newton: Yep. As a lumberjack and Vermont Maple Syrup cultivator I make awesome breakfasts fit for jacks.

Nico: Boy you are gonna eat today buddy.

Me: Wow that is a feast fit for a Lumberjack. Lincoln uh I'm sorry I slapped you and punched you.

Lincoln: You had every right to do so J.D. I was a little overreactive.

Me: A Little?

Lincoln: Okay A LOT overreactive and I'm sorry.

Me: Apology accepted Lincoln.

Arixam: (to the Loud Sisters) You girls stay near us. There's no doubt the inmates will have bad thoughts in their minds.

They nodded. Lincoln got to eating and man was he hungry.

Nico: Wow he is really hungry.

Laney: Yeah.

Lincoln finished and he was stuffed.

Me: We should be just about there.

Clyde: Thanks for having our entire school class go with you guys on this field trip.

Me: No Problem Clyde. It's always an honor to take the school on someplace fun.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than Cygnus. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Geo, you're not going to like it one bit: the dark energy signal I sensed belongs to Cygnus.

Geo Stelar and his friends gasped in shock.

Geo Stelar: Cygnus? But, how?

Me: Oh, don't tell me we're going to have to kill him.

Lincoln: No, if I remember correctly, he redeemed himself. That means we got to separate his dark side from him.

Nico: Good idea, and then, we got to destroy him once and for all.

Lincoln: That's right, Nico.

Casandia the Air Faerie: That's what you and I are going to do, Lincoln.

Lincoln: That's right, Casandia, and just like what happened with Geo's other enemies, you all know what I'm going to do to Dark Cygnus.

Me: Big time.

Nico: Yep.

Me: We're here.

We arrived at Folsom Prison.

Me: Folsom Prison, Sacramento, California. Dirtbag Criminals, Lowlife Murderers, Conning Thieves and Infernal Arsonists.

We laughed.

We got out and everyone was present.

We went into the prison.

Nico: May, if any inmate tries touching you inappropriately, I'm gonna use Bagua Zhang on their asses!

Gizmo:… well, that's one way of dealing with those barfbrains.

Nico: Yep.

May: Thanks guys.

Me: Look at all these douchebags.

Eli: Yep.

Inmate 1: You got something to say to me?

Me: Your mother is a whore that knows how to screw many men at once.

Inmate 1: NO ONE TALKS ABOUT MY MOTHER THAT WAY!

He punched at me and I blocked his punch and then kicked him in the face and knocked him unconscious.

Me: What a wuss.

Disk Wars Deadpool: Alright, if I know the format of the recent chapters, Red Guy should definitely be making some kind of move right now.

The Red Guy came out and we hid.

Red Guy: HEEELLO It's me the Warden.

Nico: There he is.

Po Kong: What's he up to?

Red Guy: I have a treat for you all… (FWOMP) It's an Inmate FIGHT TO THE DEATH!

Laney: Whoa.

Me: Just like I figured he was gonna do.

Nico: An inmate fight to the death.

Tayuya: As much as I like some of these dumbasses dying, it's time to do our entrance!

Me: That's the kind of fucking talk I like.

Nico: Me too. Lets get them.

We went at them…

Red Guy: (LAUGHS)

The Spirits of the Defenders of Remnant then appeared and they swirled around the Red Guy and smashed and pulverized him and a bunch of inmates all over the place. Then they converged and then…

NUMEROUS PUNCHES FLYING!

They pulverized the living shit out of the Inmates and the Red Guy and really mashed them up and then we came out.

Me: That is how you make a punchy entrance.

Nico: Yep.

Private HIVE: You oughta be court martialed for causing this riot!

Red Guy: I'll have you know that I own this prison!

CHOMP!

Blitz bit him in the butt and ripped off a chunk of his butt!

Blitz: (Arnold Schwarzenegger Accent) You are just as repulsive as many prisoners here. Ja.

Nico: Well said Blitz.

Colleen: (British Accent) Fluffy Pants.

Inmate 2: GET THEM!

The inmates all came at us and then I punched the ground and smashed them down.

Nico: YEAH!

Then Magma, Black Lance, Marionette Shadow, Samon Shakekisutanchin, Manta Bayarsh, General Schwarz, Chillyfish, Kerbero Gangan, Hydrax and Fireor Appeared.

Nico: Magma, Black Lance, Marionette Shadow, Samon Shakekisutanchin, Manta Bayarsh, General Schwarz, Chillyfish, Kerbero Gangan, Hydrax and Fireor

Me: Wow a Power Rangers Monster Slugfest.

Marionette Shadow: Yep.

Black Lance: Man, this prison really is nasty.

Maria: No kidding!

Magma: (to Lori) Did any of them slap your asses?

Lori: I stayed close to Boo Boo Bear the entire time.

Manta Bayarsh: That's good.

Me: If they did that I would snip their hands off.

Manta Bayarsh: Well said.

Marionette Shadow: (to Nico) We heard you dealt with Leena Klammer.

Nico: We sure did and J.D. did an awesome daring rescue.

Marionette Shadow: Wow!

General Schwarz: How'd she escape?

Me: Found a dark orb on her that teleported her to the city. Small one no bigger than the point of a pencil.

General Schwarz: Whoa.

?: That was crazy.

A figure came out and it was LUMBIACO from episode 31 of Go-Ongers!

* * *

After the Sound World was destroyed by Kireizky, Lumbiaco somehow found its way to the Human World, where it began feeding on noises to grow giant. Its arrival triggered an alliance between the Go-ongers and the Gaiark to stop it from destroying the world.

Lumbiaco manages to feed on enough sounds to grow giant, but is shrunk by a beautiful melody produced by the G3 Princess idol group formed by Saki Rouyama, Miu Sutou and Kegalesia. Angered by the noise, Lumbiaco goes on a rampage until it is eventually destroyed.

* * *

Eli: Lumbiaco! I remember you! You got sent to our world after Kireizky destroyed the sound world and you went on a rampage because of all the noise.

Lumbiaco: Very awesome memory Eli.

Me: We haven't faced an unadapted monster in a while.

Lumbiaco: No we sure haven't. Darn shame I wasn't part of the fray.

Me: What a ripoff.

Lumbiaco: I'm glad the group I worked for isn't like Venjix at all.

Scott Truman: I honestly envy the world you came from.

Me: That's true. Same with me.

Nico: Yeah.

We got the usual battles underway.

---

Jimmy, Princess Luna, Moondust, Snowdrop, Children of The Night, Dark Skylanders, Slinkman and Smithers VS Black Lance (Mystic Force)

---

Black Lance was first.

Black Lance: (to Jimmy) Nico rescued two people today! Who was the second girl?

Jimmy (EENE): It's actually J.D. that rescued the first girl. But the second girl is Dahlia Newton and she is an amazing Lumberjack and has an awesome appetite for pancakes and big breakfasts.

Princess Luna: You should see how many pancakes she eats.

Moondust: Lincoln was given a pancake breakfast fit for a lumberjack and he was hungry.

Snowdrop: Boy he sure was.

Gari: Yeah he sure was.

Black Lance: I heard he was lashing out because of paranoia. Poor guy.

Blackout: Yeah he is better now.

Black Lance: Good. Lets do it!

They fired waves of darkness and smashed him down!

---

Koji, Princess Celestia, Amber Morning, Light Skylanders, RD Luan and RD Lucy VS Magma

---

Magma was next.

Magma: (to Koji) I heard Lincoln's rescue was in Arnold's neighborhood. How was it?

Koji: It was awesome and they took down Wolfgang and his friends yet again. Those blockheads just will never learn.

Princess Celestia: What a bunch of prunefaced sleezeballs!

Amber Morning: I think that's putting it mildly mom.

Spotlight: Yeah I agree there.

Magma: But Prunefaced Sleezeball. I like that. Lets do it!

They fired waves of light and smashed him down!

---

Taylor (Loud House), Sunset Shimmer, Pipsqueak, Fire Skylanders, Tyrone McGee, and Terrence vs Manta Bayarsh

---

Manta Bayarsh was next.

Manta Bayarsh: (to Taylor) I heard you guys met a Fire Princess Gene Slammer. What's her name?

Taylor: Her name is Catherine Windsor and she is a direct descendant of Mary, Queen of Scots.

Manta Bayarsh: Wow! Wasn't she deposed and beheaded a long time ago?

Sunset Shimmer: Yes in 1567 she was deposed and in 1587 she was beheaded.

Pipsqueak: (British Accent) But Mary was called Bloody Mary because of her killing of hundreds of Protestant Heretics back during her reign in the 16th Century.

Manta Bayarsh: That's right! I remember reading about that one.

Sunburn: Yeah no kidding and she brought back the Catholic Religion.

Manta Bayarsh: That is true. And that was back almost 500 years ago. Lets do it!

They fired waves of fire and smashed him down.

---

Style Queen, Chloe Bourgeois, Anne Marie, Rarity, Sweetie Belle, Water Skylanders, Lois Griffin, and Eret (How to Train Your Dragon) vs Marionette Shadow

---

Marionette Shadow was next.

Marionette Shadow: (to Style Queen) So, not only was Lincoln paranoid as a result of Albedo's former teammates. But he also held in a lot of feelings regarding to the people we failed to save.

Style Queen: Yeah he was really upset because of that.

Marionette Shadow: Poor kid. I don't blame him one bit for having those feelings. But it's not right for him to bottle up his feelings like that.

Chloe Bourgeois: Yeah no kidding. Poor guy was holding it in for so long ever since President Whitmore died and beyond. I guess General Morshower's sacrifice was the breaking point.

Anne Marie: Yeah no kidding.

Rarity: Oh Poor Linky Winky. After today me and the girls will gladly stay with him to make him better.

Marionette Shadow: That's very sweet of you Rarity.

Sweetie Belle: That sure is sis.

Gill Grunt: Yeah Lincoln is one lucky guy to have awesome girls.

Marionette Shadow: Yes he sure is lucky. Lets do it!

They fired waves of water, ice and jewels and smashed him down.

---

Ink Rose, Starlight Glimmer, Cozy Glow, Undead Skylanders, Konan and Carly Atlas VS General Schwarz

---

General Schwarz was next.

General Schwarz: (to Ink Rose) There are many Prisoners in Folsom. But all of them are very vile.

Ink Rose: Yeah no kidding and for 140 years and counting Folsom has been home to many dangerous people.

Starlight Glimmer: No kidding. These people are pure evil.

Cozy Glow: They sure are. What a bunch of nutbags.

Hex: Yeah they are monsters too.

Carly Atlas: Yeah no kidding! What a bunch of evil dirtbags! I read all about Folsom Prison and it is a nightmare.

General Schwarz: They don't call prison hell on Earth for nothing. Lets do it!

They fired waves of stars, magic, lightning, darkness and darkness and smashed him down.

---

Konan, Trixie Lulamoon, Triple Berry, Flynn, Tessa, Cali, Mags, RD Lily and Byleth VS Goldar

---

Goldar was next.

Goldar: Is this your first time ever seeing what Folsom Prison is like?

Konan: It sure is and it is a dangerous place. But with all our experiences in taking down bad guys we're ready for anything.

Trixie Lulamoon: We sure are and we learned that Folsom is much older than Alcatraz.

Goldar: Folsom has been around longer than Alcatraz hasn't it?

Triple Berry: Yes Folsom was built in 1880 whereas Alcatraz was built in 1934.

Flynn: Alcatraz shut down in 1962 however due to money.

Tessa: And it's now a very popular Tourist Attraction.

Cali: That is true.

Mags: But this is our first time ever seeing Folsom Prison like this.

Byleth: It's really amazing and I'm honored to face you Goldar.

Goldar: Thank you Byleth and welcome to the team. Lets do it!

They fired waves paper, magic and energy and smashed him down.

---

Riley Anderson, J.D. Knudson as Wolf Moon, Lincoln, Pickle & Barley Barrel, Merrick and Misao VS Zen-Aku

---

Zen-Aku was next.

Zen-Aku: Do you guys ever send criminals to Folsom?

Riley Anderson: You know that's a really good question.

Me: We usually have a hard time with keeping track of where we send the people we defeat to prisons. I need to start making a log book for that.

Lincoln: That's not a bad idea.

Zen-Aku: It sure is. Lincoln, I'm sorry you lashed out at everyone because of bottled up feelings.

Lincoln: It's all right Zen-Aku but thank you for your concern.

Pickle Barrel: Me and my brother looked out for him as he was sleeping. He was asleep the entire day we were on our way to Folsom.

Barley Barrel: Yeah we kept an eye on him the entire time by meditating.

Zen-Aku: Wow! You two really learned a lot under Rainbow Dash.

Pickle Barrel: That is right! She is our mentor and hero.

Merrick: That is strong admiration right there too.

Misao: It sure is and beating myself up is usually my thing.

Zen-Aku: Well other people have feelings too. Lets get it on!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

We fired waves of blue fire and moonlight and smashed him down.

---

Gaz Membrane, Pinkie Pie, Featherweight, Tech Skylanders, Mandy and St. Patricia VS Kerbero Gangan

---

Kerbero Gangan was next.

Kerbero Gangan: (to Gaz) You think the way J.D. told Lincoln to pull himself together was harsh? Because Nico probably would've chosen a peaceful approach.

Gaz Membrane: I don't think it was harsh at all. J.D. did have a heartfelt point there.

Pinkie Pie: That is true. But I'm glad J.D. was able to talk some sense into Lincoln like that.

Featherweight: Yeah even the bank robbers we busted felt sorry for him.

Sprocket: It's true.

---

Nico: Lincoln are you paranoid because of Team Buktu?

Windcharger: Lincoln, is that why you've been off? Because of you being paranoid of new heroes?

Lincoln: (starts crying) YES! AND BECAUSE OF THE PEOPLE WE FAILED TO SAVE! WE COULDN'T EVEN STOP TEAM BUKTU FROM ALMOST SUCCEEDING IN THEIR PLAN!

Maria: But we stopped them, didn't we?

Lincoln: (still crying) IT'S NOT JUST THAT! WE COULDN'T PREVENT ALEJANDRO FROM BUSTING THE REST OF THE

SORE LOSERS OUT OF PRISON! WE COULDN'T SAVE PRESIDENT WHITMORE! WE COULDN'T STOP GENERAL MORSHOWER FROM SACRIFICING HIMSELF! WE COULDN'T STOP ANIMATED SENTINEL FROM KILLING ANIMATED SHOCKWAVE! AND MOST OF ALL, WE COULDN'T STOP TREVELYAN FROM USING GOLDENEYE TO KILL ALL THOSE PEOPLE!

Maria: (to Nico) J.D., this is not an invitation to visit Animated Sentinel and kill him! Him being banished to Arachna 7 is punishment enough!

May: And Max is actually behaving himself since we got drafted into the Masters of Evil!

Me: No I don't sense anything at all. Lincoln is being paranoid because he hasn't had very much sleep. I sense that these adventures we've been having are taking a toll on him and causing sleep deprivation.

Nico: Yeah he's right.

Natilee: Worse than that dad. Lincoln is like this because he was having really bad nightmares about all our adventures. He hasn't gotten any sleep for 13 days.

Slinkman: Lincoln, you think we're not sad about Morshower and Whitmore? We are! But they would want us to move on!

Nico: Yeah Lincoln. They risked their lives for us and everyone we care about.

Me: Yeah Lincoln! They will always be a part of our team in spirit and throughout all of history. They gave their lives for us.

Lincoln then came at me and pounded on my chest!

Lincoln: YOU DON'T UNDERSTAND! (CRYING) SO MANY PEOPLE ARE DYING! ALL BECAUSE OF US!

Me: Lincoln…

Lincoln: HOW MANY MORE HAVE TO SUFFER!?

Me: Lincoln!

Lincoln: HOW MANY!? HUH!? HOW MANY!?

Me: LINCOLN!

SLAP!

I slapped him across his face and everyone gasped!

Me: Pull yourself together Lincoln! That all happened in the past and you have to realize that there are times when not everyone can be saved! It's not just about you Lincoln! It's about all of those we care about! We're in this for them! Just like you are doing your best to help so many people too! When I first met you in 2016 you love your sisters more than anything and you told me that you wouldn't trade it for the world or anything! You and I became like brothers and we formed Team Loud Phoenix Storm together as time went on. We are all in this together!

Lincoln: Why do you try so hard!?

Me: LINCOLN LISTEN TO YOURSELF! Do you honestly think that I formed Team Loud Phoenix Storm just so we can kill innocent people to destroy evil!? ABSOLUTELY NO FUCKING WAY NOT! I formed Team Loud Phoenix Storm to defend the world and the entirety of the multiverse and our universe from the very threat of evil and save all those that are in its line of fire!

Lincoln: But what about those that died? Don't you care about them at all!? They are being forgotten because of you!

POW!

I punched Lincoln in the gut.

Me: LINCOLN DON'T YOU DARE SAY ANYTHING LIKE THAT AGAIN! We have not forgotten what they were like back then! I learned from my mistakes when they died! When I was leader of the team I would always try and get things done fast hence why I was so reckless and brutal and I won't deny that! But you need to realize Lincoln that life deals you many bad hands in life. We lose those that are precious to us and they taught us so many things that make us closer to them than ever! But the point is Lincoln that we have to learn from the past and make sure that we don't make the same mistakes again.

Nico: J.D. is right Lincoln! You have to let it go and learn from the past.

Lincoln then had tears streaming down his face and then he collapsed and hugged me tight and cried hard and he was wailing too.

Me: I know Lincoln. I know.

Then Mojo Jojo, Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Private HIVE, and Hank Scorpio appeared.

Mojo: Can me, Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Private HIVE, and Hank Scorpio go with you guys this time? (sees Lincoln's tearstained face) Or should we wait for you guys at the bus?

Nico: Guys wait on the bus for us.

Mojo Jojo: Okay.

Robber 1: (Sympathetic) Oh man. Poor kid.

Robber 2: I didn't know Lincoln was going through all that.

Robber 3: Yeah. I may be a criminal but even I know what it feels like to lose someone we know.

Tom Lair: Yeah we all feel that same thing too.

Sheila Loud: It's part of what we have to go through every day.

Robber 1: That's true. But maybe after our time in prison we can at least try and start over.

Robber 2: Yeah we'll start over.

Robber 3: We need to make things right instead of going through a life of crime.

Tom Lair: We're happy to hear that.

The officers took them away.

FLASHBACK ENDS

Kerbero Gangan: That's amazing that those robbers were sympathetic to Lincoln.

Sprocket: It sure was. Something J.D. and Lincoln said must've gotten through to them.

Kerbero Gangan: Yeah. Lets do it!

They fired waves of metal, gears, lightning and energy and smashed him down.

---

Wheeler (Captain Planet), Twilight Sparkle, Starshine Sparkle, Sunny Starscout, Magic Skylanders, Chaor and Takinom VS Fireor

---

Fireor was next.

Fireor: (to Wheeler) I can't believe poor Lincoln would get mad like that. But I also can't believe he tried to attack 4 fellow heroes!

Wheeler: It's not his fault. He was bottling up his feelings because of people that we have known over the years dying.

Twilight Sparkle: Yeah poor Linky was just holding it all in and the death of Morshower was the breaking point.

Starshine Sparkle: That is true.

Me: I've got a bad feeling about this.

But then that feeling came true when we saw her get pushed off! EVERYONE GASPED!

(IMPERATRIX MUNDI PLAYS AT 1:55 TO 2:33)

Me: OH NO!

I ran fast and knew I had to save her from plummeting to her death and I ran passed everyone.

Nico: J.D. COME BACK!

I ran and I saw a rope with flags and I fired a beam of energy and it hit the rope and cut it and I jumped and grabbed it and swung on it like how Tarzan would and then I went for the girl and just as she was about to almost hit the ground I held out my hand and caught her and we swung back and everyone cheered wildly in a thunderous roar of applause! I jumped and landed back with everyone.

Nico: WAY TO GO J.D.! THAT WAS AWESOME!

Eli: AWESOME BRO!

A bowling ball crushes a bunch of criminals feet. They get slapped in the face by a bunch of robotic arms. The Criminals get electrocuted by lightning bolts. Then they got crushed by a piano followed by a spiked-ball and a boat that resembles Titanic.

KRASMASH! HOOOOOONNNNNKKKKK!

I was looking around the prison halls for anything out of the ordinary.

Inmate: It's J.D.! KILL THAT SON OF A BITCH!

I punched and kicked and disemboweled a bunch of inmates and shoved their intestines down their throats!

I then heard something coming from the broom closet.

Me: Huh?

I opened the door and found a man tied up and gagged in the closet.

Me: Oh man.

I went over and freed him.

Everyone came and glared at him and he was in a lot of trouble!

THEN THEY BEAT THE LIVING SHIT OUT OF HIM SOME MORE! He was really mangled up. Then he was tied up and thrown into a pot of soup! OUCH!

Lincoln: Guys, I really am sorry about how I acted earlier.

Kerbero Gangan: It's fine, Lincoln.

Fireor: The only thing you're really guilty of is keeping all of that bottled up.

Chillyfish: Next time, you should still talk to us about what you're feeling.

Samon Shakekisutanchin: Now, what do you think J.D. found?

Hydrax: I hope it's a big secret.

Me: It sure is.

The Warden was without his shirt.

Nico: Whoa!

We gasped!

Nico: WHOA!

Geo Stelar: There's no mistaking that voice from anywhere. You can come out now, Cygnus.

A figure came out and it was none other than Cygnus, but he was struggling with something inside him.

Nico: So, that's Cygnus. Oh man, he's struggling with his dark side.

Lincoln: Not for long.

Me: Alright, big guy, you know what to do.

Lincoln: You read my mind, J.D.

Lincoln fired a powerful blast of light mixed with his Dark Side Eternal Purification technique, and it hit Cygnus, and it permanently severed him from his dark side, as a black mass was separated from him, and it transformed into Dark Cygnus, and Lincoln got Cygnus to safety.

Dark Cygnus: Finally, I'm free.

Casandia the Air Faerie: But, not for much longer.

Suddenly, Casandia the Air Faerie's sky blue eyes turned neon pale blue, and she was surrounded by a sky blue energy aura with winds, clouds, and air faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Dark Cygnus, she left sky blue energy, winds, clouds, and air faeries with every step.

Casandia the Air Faerie: Dark Cygnus, I will never forgive you for what you've done in tormenting Cygnus, and now, we'll see to it that you never leave here alive.

Suddenly, Casandia the Air Faerie was surrounded by a massive vortex of sky blue energy with winds and clouds surrounding the vortex, there's an air faerie flying around the vortex, and in the vortex is a pale blue phoenix. Then, as the vortex faded, Casandia the Air Faerie emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Casandia the Air Faerie grew to 6'5" in height, she had the body of a goddess and she has sky blue highlights in the bangs of her long flowing blonde hair, she has neon pale blue eyes and a sky blue energy aura with winds, clouds, and air faeries surrounding her, she has an air faerie with the Wind Kanji in its hands emblazoned on her forehead, she has on faerie earrings with sky blue gems for eyes and holding the Air Kanji in its hands, she has an air faerie with sky blue gems for the eyes and the Air Kanji in its hands for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with sky blue crystal links from her merged Crystal Necklace of the Buddha and sky blue gems on the gold lightning bolt links. Casandia the Air Faerie has on a long purple long-sleeved dress with cloud-shaped collar and clouds on it and a sky blue phoenix on it, purple ankle-high boots with fur, and a long sky blue sleeveless trenchcoat with clouds, winds, and air faeries on the coattails, and on the back is an Air faerie with winds and clouds surrounding it. Casandia the Air Faerie's sky blue fairy wings with grew much bigger for her new body, and they have an Air faerie, a Thunderbird, a Phoenix, and an Angel in them, Casandia the Air Faerie has on a Ring of The Phoenix with sky blue gem on her right ring finger and a Star Sapphire ring on her left ring finger.

Casandia the Air Faerie the Water Faerie has her massive Neopia's Magic Staff of Magical Justice in her right hand, she has on her new large gold cuff Bracelets of the Champions of The Universe with sky blue gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with sky blue gems for eyes and a large sky blue gem in its open mouth for the belt buckle, large sky blue Spellbook of The Gods and The Universe and large sky blue Spellbook of The Elemental Gods on her left hip and Eater of Sins revolver holstered on her right hip. There's a white kanji below the Air faerie that said, "Casandia the Air Faerie, Resident Air Faerie of Mystery Island, Vanquisher of The Darkest Faerie, Dear Friend of Queen Fyora, Neopia's Many Heroes, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Air and Air Faeries."

カザンディア・ザ・エア・フェアリー、ミステリー・アイランドのレジデント・エア・フェアリー、最も暗いフェアリーのヴァンキッシャー、フィオラ女王の親愛なる友人、ネオピアの多くの英雄、リンカーン・ラウドの愛する未来の妻、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、素晴らしい驚くべき強力な教師の強力な学生、そして空気と空気の妖精のマスター

Casandia the Air Faerie has transformed into SUPER ANGEL INFINITY HURRICANE FORCE AIR FAERIE OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Casandia the Air Faerie's Super Angel Infinity transformation, when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Dark Cygnus saw it, he tried to blast her with an energy blast, but Casandia the Air Faerie fired a powerful sky blue energy blast with winds and air faeries at Dark Cygnus, hitting him, and he hit the wall.

Nico: Whoa, Casandia the Air Faerie's transformed, this is going to be one windy battle.

Lori: You said it.

Lincoln: Wow, Casandia, you look beautiful. How do you feel?

Casandia the Air Faerie: (Divine Echoing Cosmic Voice of The Hurricane Air Faerie and Divine Love) **I feel incredible, Linky. Now, shall we administer this electric monster his punishment?**

Lincoln: (Smiles) With pleasure, Casandia.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Casandia the Air Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's get that monster.**

Lincoln and Casandia the Air Faerie went after Dark Cygnus, who fired blasts of energy at them, but they absorbed the blasts and it made them stronger than ever, and they fired powerful blasts of rainbow energy, sky blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Air Faeries at Dark Cygnus, and they exploded with incredible power as they hit him. Then, Lincoln attacked him with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and left painful scars on him and Briana the Air Faerie fired powerful sky blue energy blasts from her staff, and it hit him.

Then, Lincoln grabbed Dark Cygnus by the neck, and hoisted him up with his immense and brute superhuman strength, and Lincoln began sucking out and absorbing all of Dark Cygnus' powers and abilities, along with Dark Cygnus's weapons, and Lincoln's rainbow energy aura with elemental forces, Thunderbirds, Angels, Phoenixes, and Buffalo flared up extremely, as he gained a massive power boost as he made them his own. Then, Lincoln tossed Dark Cygnus into the air, and he and Briana the Air Faerie fired powerful beams of energy, and as they hit Dark Cygnus, it exploded with incredible power, killing him and we also made his powers and weapons our own. Then, as his spirit appeared, Casandia marked his forehead with a kanji and he was erased by The Black Gates forever. We cheered wildly for what Casandia the Air Faerie and Lincoln did as they holster their weapons and power down, and Casandia the Air Faerie's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Casandia the Air Faerie: That's it for the dark side of Cygnus, and he's never coming back. Thank you for helping me with taking care of Dark Cygnus, Linky.

Lincoln: (Smiles Warmly) You're welcome, Casandia.

Suddenly, Casandia the Air Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Casandia the Air Faerie's face, they kissed passionately as Casandia the Air Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Air Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with a gentle breeze blowing and clouds forming right behind them and the display of the elemental forces behind them, and we cheered for them.

Nico: Wow, that's so awesome, and the breeze that blew in from their display feels so nice.

Me: You said it, this sure feels amazing.

Lori: Literally.

Geo Stelar: And we saved Cygnus from his dark side. I hope Cygnus is going to be okay.

Lincoln: He'll be okay, Geo. We just need to get him to our infirmary, so that way, he can recover, just like what happened with Count Bleck. But, this is also the first time The Red Guy hasn't shown up to cause mayhem this time.

Nico: Don't count him out just yet, big guy. He'll be up to something tomorrow, and we'll be ready for him when he shows himself.

Me: You got that right, Nico.

Nico: Yep. Well everyone how did you all like this field trip to Folsom Prison?

Everyone in Lincoln's class cheered wildly!

Girl Jordan: BEST FIELD TRIP EVER!

Laney: We had a lot of fun!

Lana: YEAH THIS WAS AWESOME!

Me: We all had a lot of fun. But the best reward out of all this was thrashing numerous criminals and the Red Guy for impersonating a warden.

Nico: Yep. He's going to be in a lot of trouble at M.O.E. HQ.

Chillyfish: Boy you said it. And when Vypra gets mad, you better start writing your will.

Me: Yep.

Nico: But great job today everyone.

Lincoln: Thanks. (To the viewers) This was an awesome adventure and it was one that will be awesome to remember. I learned to not keep your emotions bottled up.

Nico: That is for sure. Lets go home guys.

We went back to the bus and we went home.

The Red Guy in the pot of soup and he was pissed!

Red Guy: (SPITS OUT BLOOD, TEETH AND BONES) (GROWLS) I HATE THAT WRETCHED TEAM LOUD PHOENIX STORM! (GROANS)

Twilight Sparkle and the girls stayed with Lincoln for the night. They were cuddling with him all over. Aww.

END!

Part 4 done.

This was a funny one and it was for the first ever episode of the Cow and Chicken show. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Boy Lynn, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lori Loud, Anastasia Nikolaevna, Lincoln, Lana, Lola, Lisa and Lily are gonna go to a volcanic planet after we found out that the Red Guy hired a massive army of bounty hunters to try and kill us. He put a huge bounty on our heads and it was a lot. We are also going to meet a Moltensteel Dragon Gene-slammer named Nathalie Nikolaevna. A direct descendant of Tsar Nikolas II and the Grand Duchess Anastasia, Nathalie is one of Nico's Friends from Russia and she is a great chef as well as an amazing dancer. She is now the gene-slammer of Moltensteel Dragon. The next rescue for Lincoln is gonna be in Los Angeles as we go up against Deacon Frost and we're going to take him and his vampire followers down for good. Also we're going to see Lincoln use the Blood God's Curse on the vampires. We're also going to meet a Gem Knight Lady Lapis Lazuli gene-slammer named Sidney Ford. Sidney Ford is the gene-slammer of Gem Knight Lady Lapis Lazuli and she is also a powerful guardian angel of Lincoln Loud and an awesome sword master. She stopped Lori from going on a nasty rampage at school when she had her phone taken away by a teacher that was mean and hated her guts. Lori went on a rampage to kill Lincoln. She also got the teacher that did it fired. But Sidney stopped her. For part 5 of the saga we're going camping and we're going to be told an awesome story about a legendary Sailcat, a cat that was squished flatter than a pancake and is sharper than a razor blade and he can slice through a whole semi-truck. After Sailcat is proven real, The

Red Guy will appear after I find a Credit Card on the ground. It'll be worth $827,392,342,574,734,346,465,347,363,000.00.

See you all tomorrow.

# Cow and Chicken 5: The Legend of Sailcat

This chapter is based on the Cow and Chicken episode called The Legend of Sailcat

---

Flying over the scorching hot surface of the volcanic planet of Valmorg 214 million light-years away from Earth was Nico, Boy Lynn, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lori Loud, Anastasia Nikolaevna, Lincoln, Lana, Lola, Lisa and Lily and the planet was extremely hot!

Nico: WHOA! So the next rescue is on Valmorg.

Camie: Whew! It's really hot.

Me: Valmorg has a surface temperature of 1,931˚Fahrenheit and it's another version of Venus.

Tsuyu: Wow! It's hot.

Lana: Yeah.

Lori: But is there literally any reason why you wanted me and Anastasia to come too?

Nico: I just have this feeling for some reason that we're going to meet another relative of Anastasia.

Anastasia: I see.

Nico: Thanks for coming with me, Lynn.

Boy Lynn: No problem Nico. This is gonna be so awesome going on one of your rescues.

Himiko: I actually like this planet though.

Eli: It's really hot but awesome.

Nico: Is it okay if I call you Boy Lynn?

Boy Lynn: That's fine. It's perfect for me since there's a girl version of me and we share the same name.

Me: That is confusing isn't it.

Boy Lynn: Yeah it sure is.

Eli: So what's going on here on Valmorg?

Nico: Well King Kai told us that the Red Guy is up to something huge and it's right here on the planet Valmorg.

Camie: What could he be planning?

Tsuyu: No idea but it's not good.

Sirius: We better stop him.

Me: Boy after taking so many beatings for 4 days in a row you think he would take a hint.

Eli: He sure is a glutton for punishment though.

Nico: We'll see him again on the upcoming mission.

Me: That's not until later tonight. We're going camping.

Camie: Awesome. I'm looking forward to this one.

Nico: I know.

Lincoln: I still feel bad that I lashed out at you guys like that though.

Lana: It's all right bro.

Me: Yeah Lincoln we forgave you for that.

Nico: Like we said before, you're not the only ones who feel the pain losing Whitmore and Morshower.

Lincoln: I know. We all felt it.

Nico: Yeah.

Sirius then heard really faint voices.

Sirius: Guys I hear something. They are coming from that cave in that mountain there.

She pointed to a far mountain.

Nico: Then lets check it out.

We flew to the mountain and went into the cave and it was cooler as we went down into the cave. Then in a huge room we saw a MASSIVE ARMY OF BOUNTY HUNTERS!

Nico: Whoa.

Me: It's a Bounty Hunter Convention.

Nico: Lets listen.

We couldn't understand what the bounty hunters were saying.

Nico: Is this what Red Guy was up to?

Me: Lets listen.

The Red Guy came out.

Red Guy: HELLLLOO! It's me the Red Guy! I called you all together from all the corners of the universe because you all are the worst assortment of lowlife mercenaries ever known. You're mean, you're malicious, you're nasty, you're my kind of amazing people!

They cheered.

Red Guy: Now for the past 4 days I've had to endure a massive beating from one of the most despicable team ever to terrorize the universe! To destroy all evil! BLECH! And because of them they are driving me bonkers! I HATE THEM SO MUCH!

He showed our symbol.

Bounty Hunters: BOOOOOOO!

Red Guy: You took the words right out of my mouth! I FUCKING HATE THAT STUPID TEAM LOUD PHOENIX STORM!

Our auras flared up as he said that and he had the word HATE in his teeth.

Red Guy: THEY RUINS MY SCHEMES, (CROWD BOOS) THEY DESTROY MY FELLOW BAD GUYS, (CROWD BOOS AND SOMEONE THROWS A TOMATO AT OUR SYMBOL) THEY HELP THE INNOCENT AND THE NICE! BLECH! (CROWD BOOS) BUT NO MORE! NO MORE! I am hereby declaring Team Loud Phoenix Storm as the entire universes most wanted fugitives. To ensure their immediate demise, I am offering you the biggest reward in Bounty Hunter History: $878,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 DEAD!

Lola: That's a lot of zeroes!

Nico: That's a lot of money!

Me: That's 90 zeroes. Now we're talking.

Nico: Yep. But we won't stand for this.

We went over behind the hunters.

Nico: Question from the crowd?

Red Guy: Yes?

Me: We're worth far much more than that.

The Red Guy saw us and then he growled and then…

Red Guy: (GROWLS AND BLOWS HIS STACK) AAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHH!

He got so mad that his head exploded right off his body!

Red Guy: GET THEM! KILL THEM ALL!

I fired a massive energy blast and obliterated all the Bounty Hunters in one fell swoop!

Nico: Worthless piles of dung!

Boy Lynn: Yeah! Now it's your turn!

Boy Lynn went over and poked him in the eyes and grabbed his tail and smashed him all over the place and threw him into the wall.

Red Guy got up and he was madder than ever.

Boy Lynn: We're actually worth 920 Millinillion dollars.

Red Guy: I was in a hurry to get the bounty out, okay?!

Nico: Well use your head next time dingus!

I kicked him in his butt!

Then a roar was heard.

Me: Whoa!

Out of a cave in the other side of the room came a pair of red eyes and out came a Moltensteel Dragon!

It roared ferociously!

Nico: Now you're in for it.

Me: A Moltensteel Dragon! Awesome!

Eli: Yeah!

Nico: Better surrender or you are chow for a dragon buttchewer.

Boy Lynn: I take it you two know each other?

Red Guy: No I don't!

Moltensteel Dragon: (In A Girls Voice) (Russian Accent) No we don't know each other but I do know comrade Nico.

Nico: Nathalie Nikolaevna! Wow!

Anastasia: Wow! Are you…

Moltensteel Dragon: Yes Anastasia I am your descendant. I am the great great granddaughter of Tsar Nikolas II of Russia.

Nico: Yep.

Moltensteel Dragon fired a blast of fire from her mouth and it burned the Red Guy in his butt and he screamed in pain like a little girl!

Nathalie reverted back and she was a girl in red clothes and had red angel wings, red eyes and the kanji for Volcano emblazoned in the middle of her forehead.

Nico: Wow!

Rachel Stavenport: Nathalie!

Nathalie: Rachel!

They went and hugged.

Nathalie: It's awesome to see you again comrade Rachel.

Rachel Stavenport: Same to you.

Boy Lynn: What's your favorite memory of Nico?

Nathalie: Well I have many. But my favorite is where me and Nico were in cooking class and we had this mean teacher and we did a funny prank on him. We gave him laxative spiked stew and he released explosive diarrhea all over his office and he was so humiliated. Everyone loved that one.

Nico: That was a funny one.

Me: That serves him right.

Lana: Yeah!

Camie: That was funny.

Eli: Yeah.

Nico and Nathalie hugged.

Nico: I really missed you.

Nathalie: Me too Comrade Nico.

Red Guy: Get a room you two!

Nathalie blasted him on his butt with fire and burned him all over.

We later went back home to Earth. Vypra was gonna be giving the Red Guy one nasty reprimanding.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, Blade, Buffy Summers and the Scooby Gang, Angel and The Angel Investigations group, Alucard (HELLSING), Seras Victoria, Selene, Eve, Michael Corvin, David (Underworld), and Boy Lynn are heading to Los Angeles, and not only is Lincoln going to rescue the eight girls there, but we got word that Deacon Frost and his vampire followers have returned from the dead yet again, but we're going to take them down and this time for good.

Lincoln also invited The Masters of Evil to join us on the rescue, and he would also have Frost's lover, Mercury, captured and put into

The Masters of Evil.

Lincoln: Wow, so my rescue's taking place in Los Angeles, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we got word that Deacon Frost and his vampire followers have returned from the dead yet again, but we're going to take them down and this time for good.

Me: That's right, big guy. We've just about had it with Deacon Frost and his vampire followers coming back yet again.

Nico: It's like they're gluttons for punishment, especially Quinn.

TLPS Mr. Wolf: And like I said long ago, I hope Lincoln uses the Blood God's Vengeance Curse on that prick and his vampire followers.

Nico: And that's exactly what he's going to use on them, and we're also glad you're now doing much better, Lincoln.

Lincoln: Yeah, I am, and after our talk yesterday and Twilight and the girls spending the night with me after our trip, I found out they did expansions to my room, and they also added in a gym to my room, and here's some news that really stunned me: I found out they linked their rooms with mine, along with the rest of the girls in my harem.

Nico: Really?!

Lincoln: That's right. The news shocked me at first, but it turned to happiness, and I'm glad for that little arrangement.

Me: Now, that's really awesome, big guy.

Lincoln: Thanks, J.D., and I want to thank you, Blade, Buffy Summers and the Scooby Gang, Angel and The Angel Investigations group, Alucard (HELLSING), Seras Victoria, Selene, Eve, Michael Corvin, and David for joining us, Lynn Jr.

Lynn Jr.: No problem, Lincoln. Plus, we're glad to be okay after what happened today during Nico's rescue.

Lincoln: Yeah, I can't believe The Red Guy hired a massive army of bounty hunters to try and kill us and putting a huge bounty on our heads, now, he's really gone too far.

Vypra: I would've thought that beating we gave him yesterday would mean he learned his lesson, but he refused to learn, and now, he's gone too far hiring an army of bounty hunters to kill you all. If he keeps this up, he's going to regret ever angering me.

?: HELP!

Suddenly, Lincoln heard the sound of eight girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they've been cornered by Deacon Frost and his vampire followers, and they're going to kill them.

Lincoln: Guys, I found the eight girls, but they've been cornered by Deacon Frost and his vampire followers, and they're going to kill them.

?: Those good-for-nothing evil vampires, let's get them!

Suddenly, we saw the Gem Knight Lady Lapis Lazuli appear before us.

Nico: Whoa, the Gem Knight Lady Lapis Lazuli, awesome.

Lincoln: And I recognized that voice from anywhere, I knew it was you, Sidney Ford. But, we'll have to talk later, we got a group of evil vampires to destroy.

We rushed on over, and Lincoln fired powerful rainbow energy balls at Deacon Frost and his vampire followers, and that allowed the eight girls to get to safety. When Deacon Frost and his vampire followers saw us, they were really pissed off, but so were we.

Lincoln: You've really pissed us off for the last time, Deacon Frost, and this is the last and final time we ever have to deal with you.

Me: Same with you, Quinn, because you have no idea who you are

FUCKING WITH!

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Lynn Jr., Blade, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Selene and her group got out their guns, The Masters of Evil got out their weapons, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Deacon Frost and his vampire followers, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, stars, rainbow flames, and rainbow crystals, and they exploded with incredible power as they hit them.

Vypra tied up Deacon Frost's lover, Mercury, and she forced her to watch, as we tore right through the thugs of Deacon Frost and they turned to ashes, and we pulverized Deacon Frost and his vampire followers, who were already on their last legs.

Lincoln powered down, but we then saw him transform into Blood

Lincoln as the 17-year-old 7'5" tall, handsome, and extremely muscular man's long, white hair that reached the bottom of his neck turned blood red except for the rainbow lightning bolts on the bangs, his deep sapphire blue eyes turned deep blood red, the eight large orange orbs orbiting around his legs turned blood red, his large blue pants turned black, but the rainbow colored lightning bolts on them remained the same, his massive orange bands with silver phoenixes on his abnormally massive and powerful biceps and thighs turned blood red, his orange version of He-Man 2002's loincloth and long orange trenchcoat coattails with elemental forces, thunderbirds, buffalo, phoenixes, and angels with hanging small silver lightning bolts turned blood red, and his massive deep sapphire blue angel wings with stars turned deep blood red, and his canine teeth grew into fangs.

Suddenly, we saw blood spiraling around Lincoln, and we knew what Lincoln was going to: he was going to use his Blood God's Vengeance Curse on Deacon Frost and his vampire followers.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Deacon Frost. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song, then, Lincoln fired powerful blasts of blood red energy and blood from his massive deep blood red angel wings with stars in the feathers, and as they hit Deacon Frost and his vampire followers, we saw that blood came flowing out of the mouths of Deacon Frost and his vampire followers, and as soon as Lincoln opened his mouth, the blood of Deacon Frost and his vampire followers went flowing into him, and he also had gained the blood memories of Deacon Frost and his vampire followers, along with the godly powers Frost gained from the ritual to summon La Magra. As soon as Lincoln was done, Deacon Frost and the rest of his vampire followers except for Mercury were completely drained of blood and reduced to lifeless husks, and their spirits were erased by

The Black Gates forever.

Mercury was already pissed off, but before she could try anything, Vypra had her beamed to their prison, where she'll cool off, and the rest of us holstered our weapons and powered down, and Lincoln changed back.

Lincoln: That's it at long last for Deacon Frost and the rest of his vampire flunkies. (To Sidney Ford) And it's so good to see you again, Sidney Ford.

Sidney Ford reverted back to normal, and she's a beautiful 17-year-old girl with long flowing lapis lazuli-colored hair, lapis lazuli-colored eyes, she's tall at 6'5" in height, she had the body of a goddess, she has a lapis lazuli gem embedded on her forehead, she has massive lapis lazuli-colored angel wings, thanks to reigning in the power of Gem Knight Lady Lapis Lazuli, and she's dressed in a sleeveless dark blue vest, sleeveless dark blue midriff top, dark blue frilly skirt, dark blue pants, dark blue knee-high high-heeled boots, and dark blue sleeveless trenchcoat with gems on the coattails, and Gem Knight Lady Lapis Lazuli on the back, and holstered on her back is a large lapis lazuli-colored sword with a 6'10" massive, wide, double-edged blue blade, longer black handle, and large lapis lazuli gem for the pommel.

Sidney Ford: You too, Lincoln, it's been a long time.

Lincoln went up to Sidney Ford and they hugged, and Sidney Ford's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Sidney Ford: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Sidney Ford, she's not only another powerful Guardian Angel of mine, but she's also an awesome sword master.

Me: Awesome.

Sidney Ford: And there's also something you all should know: long ago, I stopped Lori from going on a nasty rampage at school when she had her phone taken away by a teacher that was really mean and hated her guts, and she also wanted to kill Lincoln, which she falsely blamed him for, and after I stopped Lori, I also got the teacher that did it fired.

We gasped in shock.

Nico: Whoa, we're really going to hear about that one later.

Lincoln: Trust me, Nico, it's really, really nasty. (Shudders)

Suddenly, Thunderbird Necklace of Eternal Love appeared around Sidney Ford's neck with lapis lazuli gems on the gold lightning bolts links and lapis lazuli crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Sidney Ford: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Sidney.

Sidney Ford had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Sidney Ford on the lips, and she returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Arisaka Mashiro, Ichinose Rika, Kurashina Asuka, Tobisawa Misaki, Aoyagi Madoka, Hosaka Minori, Kagami Aoi, and Satouin Reiko from Aokana: Four

Rhythm Across the Blue.

Lincoln: Oh wow, it's Arisaka Mashiro, Ichinose Rika, Kurashina Asuka, Tobisawa Misaki, Aoyagi Madoka, Hosaka Minori, Kagami Aoi, and Satouin Reiko.

Me: From Aokana: For Rhythm Across the Blue, awesome.

Lincoln: Are you girls okay?

Arisaka Mashiro: Yes, we're okay, thanks to you.

Then, when Arisaka Mashiro and the other seven girls saw who it was that saved them from Deacon Frost and his vampire followers, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to

The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large

Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Arisaka Mashiro: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Arisaka Mashiro: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Arisaka Mashiro, Ichinose Rika, Kurashina Asuka, Tobisawa Misaki, Aoyagi Madoka, Hosaka Minori, Kagami Aoi, and Satouin Reiko with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone about the rescue, and they were shocked when they found out that the villains we went after were Deacon Frost and his vampire followers, who came back from the dead, and they still wanted revenge on us.

But, when Lincoln showed what he did in transforming into Blood

Lincoln and using The Blood God's Vengeance Curse on those evil vampires, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Sidney Ford have a lot of catching up to do, now that she's back in town, and now, at long last, we were finally rid of Deacon Frost and his vampire followers, and they were never going to come back for more.

TLPS Mr. Wolf: Lincoln, did any of those blood memories of Deacon Frost or any of his vampire followers make any mention of any sort of dealings they had with The Red Guy?

Lincoln: Hmm, that's a good question.

Lincoln took a look through the blood memories of Deacon Frost and his vampire followers, and he did find out something: they were indeed hired by The Red Guy to kill us all, and even worse, he'd used a Dark Orb to bring them back from the dead again.

Lincoln: And to answer your question, I did find out something from the blood memories of Frost and his vampire followers: they were indeed hired by The Red Guy to kill us all, and even worse, he used a Dark Orb to bring them back from the dead again.

We gasped in shock.

Nico: Oh man, when Vypra hears about this, The Red Guy's dog meat.

Me: Big time, remember when Quimby resurrected Slade behind Vypra's back using the Dark Orb?

Nico: Yeah, and look at what happened to him. That was pretty impressive work, Lincoln, how did you learn how to do that?

Selene (Underworld): Allow me to explain, Nico. The vampire elders of my former coven held the power to sort through a person's blood memories, and this technique has been used to find out some important information.

Eli: That's right, and now, Lincoln has another way of obtaining information, along with sucking out a person's brain or using the absorption methods of Cell and Majin Buu.

TLPS Mr. Wolf: And now, we know that they were also hired by The Red Guy to kill us all. When Vypra hears about this, she's going to be mad.

Nico: Try pissed big time.

Lincoln: Wait, let me handle his beatdown after we pulverize him today, Nico.

Nico: Okay, you got it, big guy.

After we finally got rid of Deacon Frost and his vampire followers and this time for good, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Sidney Ford saw Lincoln working out like crazy, she had an atomic red blush on her face.

Sidney Ford: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sidney, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sidney Ford: That's incredible.

Nico: It sure is. So, Sidney, how did you stop Lori when she went on a rampage to kill Lincoln after she had her phone was taken away by that teacher who was mean and hated her guts?

Sidney Ford: You won't like it one bit, Nico. One day, I was guiding Lincoln through Royal Woods High School, since he and his class were here on a field trip, and I was assigned as his high school buddy, and the others got their buddies. But, as we were travelling through the school, something really bad happened: something burst out from one of the classrooms, and we saw who it was, it was Lori, and she was really pissed off, her eyes were blood red and her teeth turned into that of a shark's, and she had murder on her mind. She immediately blamed Lincoln for getting her phone taken away, but the real person who did was Mr. Adrian Smith, he was the meanest teacher in Royal Woods High School, and he hated Lori's guts. When he took Lori's phone away just to spite her, her anger turned towards her favorite victim, her own little brother, but now, she was going to kill him in a fit of rage and anger. But, I wasn't going to let Lori do that, I punched Lori hard in the gut and knocked her down with one punch to the face, and then, I got Mr. Smith to confess that he took Lori's phone just to spite her and that not only did he always hate her guts, but he also hated everyone. Furious at what Mr. Smith did, Principal Rivers fired him and his teaching license was revoked permanently, but Lori wasn't getting out of it easily, even though it was Mr. Smith who caused Lori to go a nasty rampage, she still caused a lot of damage to the school, and Principal Rivers had to give her detention for six weeks, but thank goodness I stopped Lori and got Mr. Smith fired, and not Mrs. Loud, because of her reputation.

We gasped at the revelation.

Me: Jeez, that guy was serious bad news.

Nico: And to take Lori's phone away just to spite her and the fact that he was mean and hated her guys, he sure was one mean teacher. I don't know what Principal Rivers was thinking when she hired him.

Luna: True, but the blame for that one actually falls on Principal Rivers' assistant, Oliver, and he just made the bad decision to hire that jerk of a teacher, Mr. Smith.

Rita: When I found out, I was about to head on down there and not only was I going to rip Mr. Smith a new one, but I was going to chew out Principal Rivers and that assistant of hers. But, Sidney had stopped Lori's rampage and got that miserable bad teacher fired.

Nico: (To those who hadn't joined long ago) And before any of you ask, Ms. Rita has a reputation as The Terror of The Michigan Board of Education, and any teacher who messes with her kids, she will attack them with unrelenting and merciless fury.

The recruits who hadn't joined gasped in shock.

Lincoln: Yeah, Mom's had that reputation for years, and to this day, no teacher would dare to make her mad by messing with her kids, and if any student dares to mess with my kids, they're not going to like me when I get mad.

Thunder Sparkle: Yeah, and trust us, if Dad sees any of us getting bullied by the other kids, or even worse, by a mean teacher, he'll go Papa Bear on them and rip them a new one.

Nico: Yikes!

We then got a shower afterwards, and then, Lincoln, his harem, and his kids were getting ready for an exploration date, this time, it's at Space Land in the world of Mario, and everyone had their weapons holstered, in case of trouble, especially with any bounty hunters The Red Guy's hired to kill them and get his revenge.

Lincoln: Alright, everyone, are we ready?

Phoenix Shimmer: We're ready, Dad.

Lincoln, his harem, and his kids left The World Tree Estate, and when they arrive at Space Land, it was an awesome space station, and their powers allow them to breath in space.

Storm Rainbow: Wow, what is this place, Dad?

Lincoln: This, Storm Rainbow, is Space Land, Mario told me about this place, and I figured this would be a perfect place for our exploration date.

Lincoln, his harem, and his kids started exploring the place, and they were also having some fun here as well. Then, Lincoln sensed something with his energy signal tracking and the Force, and with his superhuman sight, deep sapphire blue eyes, and his Third Eye, he sensed who it was coming after them: more bounty hunters, no doubt hired by The Red Guy. Lincoln, his harem, and his kids fired powerful energy blasts and elemental forces and wasted them, and then, they went back to having fun. Then, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and they passionately kissed and hugged with supercharged and intense passion, and his kids cheered for them. Then, they came back home to the Estate, and they were in their original clothes.

Nico: Nico: Hey, Lincoln, how was your exploration date?

Lincoln: It was really awesome, Nico. We went to Space Land in the world of Mario.

Me: Space Land, the space stationed-themed world in the world of Mario? That's awesome, I bet you all had a lot of fun there.

Lincoln: We did, but we then ran into trouble, more bounty hunters came after us, no doubt hired by The Red Guy to kill us all.

We gasped in shock.

Nico: What the hell?!

Lincoln: Now, before you get mad, Nico, we took care of them and wasted them for good.

Nico cooled down.

Nico: That's good, but The Red Guy's getting his big red ass kicked when we get after him again. He just never gives up on causing mayhem.

Lincoln: No, he doesn't.

Chicken: Now, he's really gone too far, and I'm hoping Lincoln beats him up by hanging him upside down like a punching bag.

Lincoln: Hey, now that's an awesome idea, Chicken. (Smirks) And I think I know how to do just that.

Later it was time for Applejack's 3rd Ambassador mission.

William: Anyone else wanna go with Applejack? Besides the Vreedle Brothers, Dudley Puppy, and 1 Rabbid?

Squirrel Girl: I would like to go.

Me: Awesome.

Nico: I think that's everyone for this one. Next time all of Applejack's friends can go.

Me: Cool.

Nico: Lets head out.

We were off to the Southwestern Side of the city.

We arrived.

Andy Johnson: Hey guys!

Applejack: Andy, these are my archenemies.

Octagon: Awesome to meet you. We're the Vreedle Brothers. I'm Octagon.

Rhomboid: And I'm Rhomboid.

Dudley: Awesome to meet you too. I'm Dudley Puppy.

Squirrel Girl: And my name is Doreen Allene Green but everyone calls me Squirrel Girl.

Andy Johnson: Wow! Awesome to meet you all.

Nico: Yep. Squirrel Girl is one of the Avengers.

Andy Johnson: Wow! It's such an honor.

Rodney: Squirrel Girl it's awesome that you are a squirrel.

Squirrel Girl: Thank you.

Andy: Today, I was thinking we can put up a lemonade stand.

Nico: Cool! Just as long as no one spikes the Lemonade with Vodka.

Me: We had an incident a while back where a brainless moronic idiot thought it would be a good idea to give kids lemonade spiked with Vodka.

Rodney: Ouch.

Rhomboid: And Applejack had a good idea for lemonade a few days ago.

Me: She sure did. Apple Lemonade.

Nico: Which is a really cool idea.

Me: I agree there.

Squirrel Girl: Apple Lemonade sounds awesome.

Octagon: Oh, and if Kyle and Salty Mike try to spike the lemonade, (chuckles) well, you get the idea.

Nico: Yeah.

Me: We'll make sure they regret it.

Squirrel Girl: Don't worry, My squirrels will watch for them and let us know what is happening.

Mr. J: Hey, guys. Making a lemonade stand?

Nico: We sure are.

Me: Yep. And if Kyle and Salty Mike come we'll be ready for them.

Rodney: Apple Lemonade. Get your fresh apple lemonade!

Everyone came far and wide from all over the city.

The money kept pouring in.

Andy: Thanks for coming, Oscar.

Oscar (Squirrel Boy): Same here and it's an honor to meet you Team Loud Phoenix Storm.

Me: You too Oscar.

Applejack: Same to you.

Me: Want to try some Apple Lemonade?

Oscar (Squirrel Boy): Sure.

I gave him a free glass.

Me: On the house.

Oscar drank some and it was delicious!

Oscar (Squirrel Boy): Wow! This is delicious!

Rodney: Leon! Thanks for coming!

Leon: Anytime Rodney. And it's an honor to meet the famous Team Loud Phoenix Storm.

Nico: Pleasure is ours.

Me: Same here Leon. (Hears a song in my head) Huh?

Nico: What is it J.D.?

Me: I thought I heard something. It sounded like a song.

Nico: I don't hear anything.

Me: Probably nothing.

But little did I know that a bubble and a boy was watching.

Martha: Hey, Andy!

Applejack: So, is she your girlfriend?

Andy Johnson: Yep.

Me: Awesome to meet you Martha.

Martha: Thanks. Same to you J.D. And Applejack it's a great honor to meet you.

Applejack: Pleasure is mine youngun.

Martha: Do you guys think I'm ugly?

Me: What? Why would you think that?

Martha: Because everyone thought I looked ugly because of how I look?

Me: No way Martha.

Andy Johnson: You are not ugly at all.

Applejack: Yeah don't ever say that about yourself. Why you are as beautiful as a diamond.

Nico: Martha, you can look ugly all you want but you'll always be beautiful as long as you fight for good.

Martha: Wow thanks.

Me: Yep.

Applejack: How about having some Lemonade? Apple Lemonade.

Martha: Sure.

She gave us $5.00 and we gave her a glass and she drank it and loved it.

Martha: Wow this is awesome!

Me: Made with Sweet Apple Acres Apples.

Nico: Yep.

Kyle: Perfect. When those losers aren't looking, we'll spike their lemonade with sour milk!

Salty Mike: (notices something coming for them) We won't get that chance! A Kamen Rider has spotted us!

It was really the boy and the bubble that was watching us and they pulverized Kyle and Salty Mike! They smashed them down with awesome parkour moves! The Sour Milk went flying into the air.

Boy: You better think twice before messing with the great hero.

They left.

Salty Mike and Kyle were mangled up bad. But then…

SPLAT!

The Sour Milk exploded out all over them and drenched Kyle and Salty Mike.

Nico: What the?

We saw that Salty Mike and Kyle were beaten up.

Me: Whoa man.

Nico: Okay, J.D.. I know that you didn't beat up Salty Mike and Kyle just now. So, who did?

Me: In all honesty I don't have any idea.

Applejack: What in all of apple pie happened to them?

Me: They were really beaten up.

Andy Johnson: But by who?

Me: Good question. (Hears the song again in my head) There's that song again.

Nico: Hmm.

Rhomboid: How much money did we get?

Me: Lets get counting.

We got to counting and we got $716,293,235,235.00!

Me: WHOA! $716,293,235,235.00!

CLANG!

Andy and Rodney's jaws dropped!

Nico: Wow.

Octagon: We'll give you half the money.

Andy Johnson: Awesome! WE'RE RICH!

Rodney: YEAH!

Nico: Yep.

Me: To quote Muscle Man: "You know who else likes to pulverize Kyle and Salty Mike? My Mom!"

Nico and Squirrel Girl: OOOOOOHHH!

They high five.

We laughed.

Applejack: That was funny.

Later we came back.

May: Hey guys. How did it go?

Me: Really awesome.

We told everyone everything and it was awesome!

May: That is cool!

Muscle Man: You know who else things that is awesome?

Octane: We know what's coming here.

Muscle Man: MY MOM!

Me and Muscle Man: OOOOOOOOOOHHHHH!

We laughed at that one.

May: Next time, Charlie Brown should go with you.

Nico: Good idea. And Applejack's friends can come too.

Me: And so can Muscle Man. I have something awesome planned for this.

Nico: Oh…

Me: (Winks)

Later it was time to get ready to head out on an awesome camping adventure.

Time Force Dash: I'll pack the marshmallows.

Me: And don't forget the chocolate, graham crackers and all that.

Nico: And we have the food for it too.

Eli: Where are we going for the camping trip?

Me: You'll like it bro. We're going to Glacier National Park in Montana.

Nico: Cool!

Aylene C.: This will be awesome.

Smolder: Something wrong, Nico?

Nico: Did any of you guys stop Kyle and Salty Mike from spiking the apple lemonade?

Everyone looked at each other and shook their heads for no.

Smolder: No we didn't.

Eli: Yeah but I did sense a really fast force. And there was a water spirit energy power there too.

Nico: Whoa.

Me: That is unusual.

Laney: Yeah wonder what could cause that.

Lana: No idea.

Tidal Wave: Tidal Wave thinks we're dealing with a wild card.

Nico: Maybe.

Me: It's a mystery.

Nico: Yep.

Gears: If that's the case, this mystery player will be targeting both heroes and villains alike.

Nico: We'll have to find out soon.

Me: Yeah but whoever it is really did a number on Kyle and Salty Mike. Those two had it coming.

Nico: Yep.

Eli: Those two jerks really asked for it big time.

Tuddrussel: That does it! You are so reduced to scrap Larry!

Larry 3000: (Tauntingly) OOH I'm so scared!

Tuddrussel: Well you should be "maestro" when I tell everyone what a lousy and pathetic artist you are!

Larry 3000: That REALLY hurts especially coming from a braindead monkey that sleeps with a nightlight and a teddy bear!

Tuddrussel: (GROWLS) HEY! YOU LEAVE MR. BINKY OUT OF THIS!

Eli: Oh boy they are at it again!

Tuddrussel: How about the time I caught you putting on makeup1

Larry 3000: HA! That's not nearly as bad as when you were getting a drink and you got your head stuck in the toilet!

Tuddrussel growled!

Tuddrussel: I checked your bluebook value Larry and it said YOU. WERE. WORTHLESS!

Larry 3000: I tried to check your IQ but numbers don't go that low!

Tuddrussel growled furiously!

Tuddrussel: YOUR MOTHER'S A BLIMP!

Larry 3000: YOUR MOTHER'S A SHAVED APE!

WHOA THAT IS REALLY CRUEL!

Tuddrussel and Larry then were pulverizing each other all over!

Eli then grabbed them both.

Eli: Excuse me guys but I must discipline the nanny-goats!

BLANG!

He bashed their heads together!

Me: What a couple of babies. But I wonder who that mystery friend is.

Indigo Zap: (sighs) Well, there's nothing we can do about it now.

Nico: Yeah lets just get ready for a fun camping trip.

Me: Besides we're going to have a lot of fun.

Eli: I can't wait to go fishing.

Laney: I hope we can see a lot of beautiful animals.

Fluttershy: Oh me too Laney.

Lincoln: You guys will love Glacier National Park.

Chicken: We all will.

Then Chillyfish, Magma, Black Lance, Marionette Shadow, Samon Shakekisutanchin, Manta Bayarsh, General Schwarz, Kerbero Gangan, Hydrax appeared.

Chillyfish: Can me, Magma, Black Lance, Marionette Shadow, Samon Shakekisutanchin, Manta Bayarsh, General Schwarz, Kerbero Gangan, Hydrax and Fireor go with you guys?

Nico: Yes you all can. This is gonna be an awesome camping trip for all of us.

Laney: Looking forward to it.

Black Lance: We heard about what Red Guy was gonna do with that bounty hunter party and it was not good.

Me: Well it's stopped now.

Nico: Thanks to me.

Me: Hey! What am I chopped liver?

Man: No that's what I am.

I turned and saw a jar full of chopped liver as a Rimshot was heard.

Crystal Man: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to meet one that is of a Rabbid next.

Me: A Rabbid Gene-Slammer? Whoa this should be interesting.

Leni: Oh that one is totes gonna be amazing.

Eli: Yeah.

Laney: It sure will.

Manta Bayarsh: Ace Bunny's coming with you next rescue. It's a no brainer!

Nico: Yep.

Ace Bunny: This is gonna be fun.

Pumbaa: It sure will be fun!

Timon: Yeah it sure will.

Nico: Well lets head out to Glacier National Park!

We cheered.

* * *

We were flying to Glacier National Park.

Lemon Zest: (thinks) Who IS our mysterious new player?

Maria: That's the question of the day, isn't it?

Nico: Yeah it sure is a mystery.

Lola: What a big mystery.

Lana: No kidding.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed

a dark energy signal, and he saw who the figure was in the vision: it was none other than Cornelia Arnim, a powerful mage in the service of the royal family of the Holy Kingdom of Faerghus, and she's here to cause havoc. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Lucina, you and the others from your world aren't going to like it one bit: the dark energy signal I sensed belongs to Cornelia Arnim, a powerful mage in the service of the royal family of the Holy Kingdom of Faerghus, and she's here to cause havoc.

Lucina and the other Fire Emblem girls gasped in shock.

Lucina: Cornelia Arnim, I should've known that power-hungry traitor and witch would be here.

Celica (Fire Emblem): I thought she vanished after Edelgard's defeat and death, which lead to her abandoning Faerghus altogether, disappearing to parts unknown.

Lincoln: Lucina, what can you tell us about Cornelia Arnim?

Lucina: You won't like her, Lincoln.

Lucina proceeded to tell us about Cornelia Arnim, and as expected, we weren't going to like it.

---

Cornelia Arnim

Cornelia Arnim is a major antagonist in Fire Emblem: Three Houses. She is a powerful mage in the service of the royal family of the Holy Kingdom of Faerghus.

She was voiced by Akemi Okamura in the Japanese version, and by Jessica Gee-George in the English version.

Appearance

Cornelia herself is a rather well-endowed woman with a nice bust and a pink shoulder length hair and a rather seductive eyes with light green irises. Her attire mirrors those of the nobles of Holy Roman Empire or at the very least, an eccentric radio personality who presented the Eurovision or a wicked witch of the forest.

She wears a golden crown-like headband with light green gems, a maroon red collar with little hexagonal gems tied together like a circle and a key like necklace attached to said collar, a dark red strapless form fitting dress with a maroon red lace-trimming, a combination of maroon red and orange feather boa as her dress shows a ridiculous deep cleavage.

In addition, she also wears a golden triangular like belt with 4 hearts hanging to said belt and to top off her very beautiful yet stunning appearance like a goddess from fantasy world, she sometimes reveals a smooth like legs beneath her skirt and wears a black heel shoes.

## Personality

Cornelia was once a kind woman, who was willing to cure the plague of the Kingdom.

Currently, she is a power-hungry person who is more than willing to claim the throne for herself, even if it means murdering Dimitri's uncle and framing the former for her crimes. Furthermore, she is a self-serving tyrant, as she is willing to give her territory to the Empire.

However, it is strongly implied that the real Cornelia was killed and replaced by an agent of Those Who Slither in the Dark, as several people note how her personality and behavior changed quite suddenly, and at one point after the time skip, a merchant wonders about why she has imposed ridiculous levels of taxation on the parts of the Kingdom she rules over, pointing out that it makes no sense to drain a region so completely if they intend to keep making use of it as a conquered land.

She's also considerably pragmatic, as when Dimitri's return inspires uprisings among the Kingdom citizens, Cornelia refuses to send troops to suppress them, not out of any sense of mercy to the people, but rather because she knows she has to confront Dimitri with every soldier she has and can't afford to send any elsewhere if she is to have any chance of winning.

---

When Lucina was finished, we were disgusted by Cornelia Arnim's actions.

Lincoln: So, she's not only a traitor, but also, a murderess as well. That's it, she's going to die a horrible death for her misdeeds.

Psellia the Air Faerie: Indeed she will, Lincoln, and you and I are going to do so.

Lincoln: That's right, Psellia, and that'll be right after we pulverize The Red Guy for what he did this morning and even now during our date.

Me: I'll get the chairs.

Nico: And we'll get the popcorn, this is going to be one crazy fight.

We arrived in Glacier National Park, Montana.

Nico: Here we are guys.

Fireor: Good old Glacier National Park.

Nico: Yep. So pretty.

Me: Shall we find a spot and get everything set up?

Nico: Good idea.

We went to a spot and we were by the lake.

Centaur Man: I hope our mysterious wildcard shows himself here.

Nico: I have a feeling they will. Lets set up the tent.

Laney: I'll make some firewood.

Time Force Dash: And I got the food.

Nico: Awesome.

We got the tent set up and we made a fire and everything.

Samon Shakekisutanchin: Anyone want Salmon?

Cow: I do.

Me: We got all sorts of meats and more.

Laney: I also have cans of beans and weenies too.

Nico: Awesome.

Lana and Lola got to catching fish and we catch big salmon from the lake.

We then got to making garlic salmon stew.

Me: Well while our dinner cooks who wants to tell ghost stories?

Brawl: I've got one. There's this tale about a Cybertronian who died so many years ago. Even before Vector Prime's days.

Chicken: Cool!

Nico: Lets hear it Brawl.

Brawl: Okay.

Brawl: This Cybertronian was said to have killed the Megatronous Prime of this world but lost his life in the process. Since then, his spirit has wandered Kaon looking to haunt evil souls.

General Schwarz: That was short. But also, interesting.

Nico: Whoa. That was cool.

Chicken: I've got one. It's called The Curse of The Witch's Uvula.

Cow: What's a Uvula?

Me: It's this thing.

I opened my mouth and pointed to my uvula in the very back of my mouth.

Cow: Ooh.

Nico: It's a flap that prevents food from going into your nose.

Cow: That makes sense.

Nico: Yep. Lets hear your story Chicken.

Chicken got to telling the ghost story.

Chicken: And so the witch starts walking up the stairs saying "Who took my Uvula? How dare yas touch my uvula?!" The witch is standing right ourside the bedroom door. The kids hiding in the bathroom can smell stinky, garlicy, oniony, manure breath seeping through the keyhole. "Who took my uvula?" She says again. And then suddenly…

Nico: (GHOST ROAR)

EVERYONE SCREAMED IN FRIGHT!

Itasis: That's another scary one!

Nico: Yeah!

Eli: But it was a cool one.

Lynn Sr.: But I've got one.

He pulled out a guitar.

Lynn Sr.: I've got a great story for you all. It's a good one.

He tuned it up.

Lynn Sr.: I'm going to tell you all about the Legend of Sailcat.

All of us: COOL!

Lynn Sr. got to playing.

Lynn Sr.: (Singing)

There′s danger out on the nation's roads

They′re paved with snakes and flatened toads

And truckers driving rigs so big

They can flatten a cow

Or a horse

Or a manatee *honk honk honk*

And those who survive are a lucky few

But there's one brave cat who made it through

And I'm here to tell the tale to you

Of Sailcat

Sailcat? Sailcat!

(THIS STORY WAS ABOUT SAILCAT! A LEGENDARY CAT THAT IS AS FLAT AS A PANCAKE AND SHARPER THAN A RAZOR BLADE)

He was huntin′ for mouse to feed his face

When strange radiation from outer space

Turned him into a super invincible cat

When a truck ran him down with a hideous splat

Now, he couldn′t be killed but he still could be squished

And he lay in the passing lane shaking his fist

Then some kids helped him fly with a flick of the wrist

And that was the birth

Of Sailcat

Sailcat! Sailcat!

He rolled after that truck like a buzz saw unleashed

And he sliced it in two like a knife through a peach

One truck half took the high road, the other the low

And the message went out on CB radio

"Breaker breaker look out, watch your back, be afraid

There's a Frisbee-like cat who′s a mighty sharp blade!"

So the feared and revered reputation was made

Of Sailcat

Sailcat! Sailcat!

He's been known to cut redwoods and stop a whole fleet

When a family of tapeworms was crossing the street

And when mom′s having trouble with Thanksgiving plans

He's even dropped by to help open some cans

And when someone′s depressed or has had a bad day

He inherently knows just the right things to say

"Don't be depressed Cow,

People love you BECAUSE because you're big and fat and ugly.

Go with it!"

Then he′ll ask for a toss and be on his way

He′s Sailcat!

The song was done.

Me: Wow!

Nico: That is really cool!

Eli: Wow!

Krillin: Oh that is really cool! A cat that can cut through anything like a sawblade.

Me: Like your Destructo Disk.

Krillin: Yeah.

Black Lance: I wonder if Sailcat really exists.

Nico: I'm sure he does exist just like our mysterious wildcard.

Eli: Yeah but Sailcat is just as awesome as Bigfoot.

Laney: Yeah.

Lana: Is our dinner ready?

Nico: Yep.

We got to eating.

Me: (Eating) Mmm! Delicious.

But then we heard a buzzsaw noise followed by a cat meow.

Kickback: Anyone hear something?

Me: Whoa is that?

MEOW!

Nico: It sure is! That's Sailcat!

Eli: He's here! And he's coming this way! DUCK!

We ducked and he zoomed over us and he curved and landed in front of us and we saw that he was real! He was a cat that was flatter than a pancake.

Me: Whoa!

Eli: Jumping Catfish!

Nico: He sure as hell is real!

Fluttershy: Oh you are so cute!

Fluttershy picked him up.

Sailcat: Yep awesome to meet you guys.

Cow: Oh wow!

Marionette Shadow: You're real?!

Sailcat: Yep I sure am.

Me: Wow!

Lynn Sr.: The legend is so true.

Nico: Awesome!

Sailcat: It's an honor to meet you all. I saw all your battles here on Earth and you all did amazingly well. Lincoln just so you know I never bought any of that bunk Team Buktu said and you guys are the only and true Team Loud Phoenix Storm.

Lincoln: That means a lot to me.

Sailcat: Also I'm sorry you guys lost great people and you have my sympathies.

Varie: Thanks Sailcat.

Veon: Thanks for helping to stop Kyle and Salty Mike.

Sailcat: That wasn't me that did that. I would have sliced and diced them.

Nico: He's right. We found them brutally beaten up and covered in sour milk.

Then we heard a song.

Me: There's the song I heard.

Nico: Is that it? Wow. It's magnificent.

Then a light appeared and out of the light came a boy with black hair and an aqua blue shirt and track shorts and blue shoes and with him was a glowing aqua blue bubble.

Nico: Wow.

Hibiki: I'm sorry to bother you all. But it's good we found you. My name is Hibiki.

The bubble glowed and took form and it was a blue hair girl with red and blue sailor clothes.

Uta: And my name is Uta.

Me: Wow.

Nico: Are you the ones that beat up Kyle and Salty Mike?

Hibiki: That's right.

Magma: Uta, how are you able to do all that with a bubble?

Uta: It's a long story.

Hibiki: We should tell you what happened and how we met.

Me: Sure.

Hibiki: It was over in Japan.

He told us what happened and all because of how bubbles flooded the planet.

*SPOILER ALERT*

---

In the near future, the world is overcome by bubbles that break the laws of reality. An explosion at Tokyo Tower concentrates all the bubbles in Tokyo, but makes the city uninhabitable. Various young folk defy the restrictions, and live there anyway, using parkour tournaments as a means to barter and trade supplies. In one parkour team, the Blue Blazes, a young man, Hibiki, is an exceptional parkour talent, but he avoids others due to a hearing ultrasensitivity. Tokyo Tower continues to be an impossible location to get to because of gravity anomalies. One day, Hibiki attempts to climb the tower because he hears a woman's song, and believes he sees a boy there. He almost makes it, but ends up falling into the ocean, where his final exhale combines with some of the bubbles to make a mysterious young woman. She is clearly new to being a human, but learns quickly from others. Hibiki names her "Uta" ("Song") because she knows the song he hears in his head. Uta and Hibiki train parkour together, beating a team called the Morticians / Undertakers, however, in one final catch, when Uta touches Hibiki, her arm fades away into bubbles. Bubble activity starts up again, so the Tokyo residents need to flee. Uta goes to Tokyo Tower to stop it. Hibiki goes to save her. In the final scene they save each other, but Uta fades into bubbles as in the original fairy tale from Hans Christian Andersen: "The Little Mermaid." In her final breath, she tells Hibiki that he made it worth it for her to be human. With the bubbles gone, the citizens of Tokyo return and start to rebuild. The parkour teams continue their lives too. Whether real or imagined, Hibiki feels that Uta is never far away from him.

---

When he was done we were shocked!

Nico: My god.

Eli: Wow! All of Japan was enveloped in a massive bubble?

Me: And it turned it into an apocalyptic wasteland with water? That is incredible.

Mutio: That is like what happened in the world I came from.

Me: Yeah.

Nico: That is amazing.

Lynn: And you two are really awesome at Parkour? That is so awesome.

Uta: It sure is.

Aqua: I like your hair Uta. It's as blue and beautiful as mine.

Uta: Thanks Aqua.

Octane: We should probably look for Red Guy. Knowing him, he's probably about to make a move right now.

Nico: Yeah. Good idea.

Me: Yeah. (Sees something) Huh?

I saw a gold object by my feet and I picked it up and it was a Credit Card!

Me: A credit card?

Nico: What is that doing here?

Me: Lets see how much is on it.

I used my scanner and it showed that it had a balance of $827,392,342,574,734,346,465,347,363,000.00 on it!

Nico: WHOA! That's a lot of money!

Chicken: Wow!

Eli: I sense that Red Guy is here. He's on the other side of the lake.

Kerbero Gangan: Uta, you, Sailcat, and Hibiki wanna come with us?

Sailcat: We would be honored.

Uta: Yeah we would be glad to help.

Hibiki: Same here.

Nico: Awesome.

Marah: Time for our entrance.

Nico: Lets go.

We flew at the Red Guy. He was in a campsite of his own waiting for the right moment to attack.

Suddenly the spirits of the Power Rangers Monsters from Lost Galaxy to LupinRangers VS PatRangers appeared and they swirled around and blasted him all over the place with incredible force and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and we came out.

Nico: Didn't like the buttkicking we gave you on Valmorg didn't you?

Red Guy: YOU ARE IN A LOT OF TROUBLE WITH ME FOR HUMILIATING ME!

Me: Bite my shiny fucking metal ass!

Bender: What is it with people saying my catchphrase?

Nico: Well it's very popular Bender.

Bender: Oh right.

Nico: (To the Red Guy) Also you go suck on a doorknob Cheddar Butt!

Hydrax: (Nico takes out an elemental sword) Nice sword.

Nico: Thanks. Made it this morning.

Me: Awesome craftsmanship. Those blacksmithing skills we learned came in handy.

Nico: Yep.

Nico fired blades of lightning, fire, wind and water and slashed and burned Red Guy all over.

Himiko Toga: Awesome!

Then Stinky Butt, Anti-Wanda, Cavalier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff appeared.

Nico: Stinky Butt, Anti-Wanda, Cavalier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff.

Stinky Butt: Hey guys. Having a nice camping trip?

Eli: We sure are.

Stinky Butt: I guess that answers the question of our mystery player.

Nico: Of course it does.

Me: Yep.

Anti Wanda: I think using bubbles like that is perfect.

Cavalier: Almost like Bubble Man.

Bubble Man: Very much like it.

Eris: Also, didn't you already fight Red Guy this morning?

Nico: We sure did and this is twice in 1 day that we faced him.

Mammoth: Please tell me his ass got whipped!

Nico: He sure did.

Eli: On Valmorg and now here in Montana.

Mammoth: Wow! And we're 20 miles from the base too.

Nico: Coincidental that your usual battles are close to home.

?: That is cool.

A figure came out and it was AZEMIDORO from episode 31 of Shinkenger!

---

Azemidoro (アゼミドロ, 31) is the last surviving member of the Kusare Gedoshu, armed with the Suitetsu Shibyōkon (水蛭支鋲棍, Water Fluke Branched-Rivet Staff) and having the ability to shoot a purple spit attack.

Intent on succeeding where Manpuku failed, Azemidoro sets up a trap for the Shinkengers, taking advantage of humans' selfless actions. In the end, he underestimates the Shinkengers and is defeated by Hyper Shinken Red before being destroyed by a combination of Kyoryu Shinken-Oh's Heaven and Earth Flash and Daikai-Oh South Mode's Lobster Sword Daimyo Fillet (海老刀大名おろし Ebigatana Daimyō Oroshi) attack.

---

Eli: Azemidoro! I remember you! You were the last surviving member of the Kusare Gedoshu and you were going to destroy the Shinkenger by taking advantage of their selfless deeds. You set up a trap for them.

Azemidoro: That's right Eli. Good memory.

Me: This is twice in a row that we faced a Japanese Sentai monster. How cool!

Mike: Man, we would've loved fighting you.

Me: Yeah what a ripoff!

Azemidoro: I know. But I'm not complaining right now.

Nico: Yeah but at least we can make up for it.

We got the usual battles underway.

## Loki Loud, Rainbow Dash, Scootaloo, Air Skylanders, Ripping Friends, Luna, Lincoln Gloriosa Daisy and Indigo Zap VS Stinky Butt - Nico's Rescue

Stinky Butt was first.

Stinky Butt: (to Loki) Don't worry. We'll make sure Red Guy gets a funny punishment for what he pulled on Nico's rescue.

Loki: But it was literally coincidental how this happened. Sonic and Tails went through this before and it was where Dr. Robotnik amassed a bounty hunters convention and he put a 1,000,000,000 Mobium Bounty on Sonic.

Rainbow Dash: But the Red Guy put a much more massive bounty on Team Loud Phoenix Storm.

Scootaloo: Yeah no kidding.

Whirlwind: It'll take more than a bunch of dumb bounty hunters to kill us.

Crag: You got that right guys.

Rip: Yeah and we'll rip them apart!

Chunk: That will be always fun.

Slab: Yeah it sure will!

Luna: It will be awesome to face them dudes!

Lincoln: Yeah it sure will.

Gloriosa Daisy: The Red Guy maybe will think twice before sending bounty hunters after us.

Indigo Zap: You got that right.

Stinky Butt: I agree there. Lets do it!

Crag: Lets go guys!

Ripping Friends, Luna and Lincoln: (Echoing) IT'S RIPPING TIME!

They fired waves of wind, rainbows, lightning and energy and smashed him down.

Loni, Rarity, Sweetie Belle, Water Skylanders, Timmy Turner, Cosmo, Wanda, Poof, Trixie, Napalm Man and Crystal Man VS Anti-Wanda - Lincoln's Rescue and trying out the Blood God's Vengeance Curse

---

Anti-Wanda was next.

Anti Wanda: (to Loni) I heard Lincoln's rescue was again Deacon Frost and his goons. Did he also get to try out the Blood God's Vengeance Curse too?

Loni Loud: He sure did and it was really totes awesome to see!

Rarity: Oh indeed it was darlings and it was amazing to see!

Sweetie Belle: Look what Lincoln did. I posted it on Social Media.

Sweetie Belle showed the curse in action.

---

Lincoln powered down, but we then saw him transform into Blood Lincoln as the 17-year-old 7'5" tall, handsome, and extremely muscular man's long, white hair that reached the bottom of his neck turned blood red except for the rainbow lightning bolts on the bangs, his deep sapphire blue eyes turned deep blood red, the eight large orange orbs orbiting around his legs turned blood red, his large blue pants turned black, but the rainbow colored lightning bolts on them remained the same, his massive orange bands with silver phoenixes on his abnormally massive and powerful biceps and thighs turned blood red, his orange version of He-Man 2002's loincloth and long orange trenchcoat coattails with elemental forces, thunderbirds, buffalo, phoenixes, and angels with hanging small silver lightning bolts turned blood red, and his massive deep sapphire blue angel wings with stars turned deep blood red, and his canine teeth grew into fangs.

Suddenly, we saw blood spiraling around Lincoln, and we knew what Lincoln was going to: he was going to use his Blood God's Vengeance Curse on Deacon Frost and his vampire followers.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Deacon Frost. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song, then, Lincoln fired powerful blasts of blood red energy and blood from his massive deep blood red angel wings with stars in the feathers, and as they hit Deacon Frost and his vampire followers, we saw that blood came flowing out of the mouths of Deacon Frost and his vampire followers, and as soon as Lincoln opened his mouth, the blood of Deacon Frost and his vampire followers went flowing into him, and he also had gained the blood memories of Deacon Frost and his vampire followers, along with the godly powers Frost gained from the ritual to summon La Magra. As soon as Lincoln was done, Deacon Frost and the rest of his vampire followers except for Mercury were completely drained of blood and reduced to lifeless husks, and their spirits were erased by The Black Gates forever.

Mercury was already pissed off, but before she could try anything, Vypra had her beamed to their prison, where she'll cool off, and the rest of us holstered our weapons and powered down, and Lincoln changed back.

Lincoln: That's it at long last for Deacon Frost and the rest of his vampire flunkies!

---

Anti-Wanda: Wow! That is amazing!

Gill Grunt: Yeah and it was scary seeing that too!

Timmy Turner: That curse was really cool though.

Wanda: Yeah it sure was awesome. If only there was a curse for people like Denzel Crocker.

Cosmo: Or for Wanda's nagging.

CLANG!

Wanda hit Cosmo on the head with a frying pan.

Poof: Dad is a brainless idiot.

Trixie Tang: Yeah but he's funny.

Anti-Wanda: That is true. Lets do it!

They fired waves of gravity, water, ice, Jewels and energy and smashed her down.

Luke Loud, Starlight Glimmer, Cozy Glow, Undead Skylanders, Nico, Cobalion, Terrakion, Virizion, Keldeo, Sugarcoat and Lemon Zest VS Cavalier - Meeting a Gem Knight Lady Lapis Lazuli Gene-Slammer

---

Cavalier

Cavalier: (to Luke) I heard you guys met a Gem Knight Lady Lapis Lazuli Gene-Slammer. What's her name?

Luke Loud: Her name is Sidney Ford and she is Lincoln's High School Guide buddy from when his class was there on a field trip to know what High School is like.

Starlight Glimmer: That is awesome and she stopped Lori from going on a rampage after her phone got taken away.

Cozy Glow: Yeah it was crazy.

---

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sidney, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sidney Ford: That's incredible.

Nico: It sure is. So, Sidney, how did you stop Lori when she went on a rampage to kill Lincoln after she had her phone was taken away by that teacher who was mean and hated her guts?

Sidney Ford: You won't like it one bit, Nico. One day, I was guiding Lincoln through Royal Woods High School, since he and his class were here on a field trip, and I was assigned as his high school buddy, and the others got their buddies. But, as we were travelling through the school, something really bad happened: something burst out from one of the classrooms, and we saw who it was, it was Lori, and she was really pissed off, her eyes were blood red and her teeth turned into that of a shark's, and she had murder on her mind. She immediately blamed Lincoln for getting her phone taken away, but the real person who did was Mr. Adrian Smith, he was the meanest teacher in Royal Woods High School, and he hated Lori's guts. When he took Lori's phone away just to spite her, her anger turned towards her favorite victim, her own little brother, but now, she was going to kill him in a fit of rage and anger. But, I wasn't going to let Lori do that, I punched Lori hard in the gut and knocked her down with one punch to the face, and then, I got Mr. Smith to confess that he took Lori's phone just to spite her and that not only did he always hate her guts, but he also hated everyone. Furious at what Mr. Smith did, Principal Rivers fired him and his teaching license was revoked permanently, but Lori wasn't getting out of it easily, even though it was Mr. Smith who caused Lori to go a nasty rampage, she still caused a lot of damage to the school, and Principal Rivers had to give her detention for six weeks, but thank goodness I stopped Lori and got Mr. Smith fired, and not Mrs. Loud, because of her reputation.

We gasped at the revelation.

Me: Jeez, that guy was serious bad news.

Nico: And to take Lori's phone away just to spite her and the fact that he was mean and hated her guys, he sure was one mean teacher. I don't know what Principal Rivers was thinking when she hired him.

Luna: True, but the blame for that one actually falls on Principal Rivers' assistant, Oliver, and he just made the bad decision to hire that jerk of a teacher, Mr. Smith.

Rita: When I found out, I was about to head on down there and not only was I going to rip Mr. Smith a new one, but I was going to chew out Principal Rivers and that assistant of hers. But, Sidney had stopped Lori's rampage and got that miserable bad teacher fired.

Nico: (To those who hadn't joined long ago) And before any of you ask, Ms. Rita has a reputation as The Terror of The Michigan Board of Education, and any teacher who messes with her kids, she will attack them with unrelenting and merciless fury.

The recruits who hadn't joined gasped in shock.

Lincoln: Yeah, Mom's had that reputation for years, and to this day, no teacher would dare to make her mad by messing with her kids, and if any student dares to mess with my kids, they're not going to like me when I get mad.

Thunder Sparkle: Yeah, and trust us, if Dad sees any of us getting bullied by the other kids, or even worse, by a mean teacher, he'll go Papa Bear on them and rip them a new one.

Nico: Yikes!

FLASHBACK ENDS

Cavalier: My goodness! Sidney is a hero not only to Lincoln but to the school too.

Hex: Yeah that teacher was bad news.

Nico: He has failed the city as a teacher.

Cobalion: I agree there Nico.

Terrakion: What a jerk and a clod.

Virizion: He had no honor.

Keldeo: I agree there too.

Sugarcoat: Indeed. He had no logical reason at all.

Lemon Zest: I agree there myself as well.

Cavalier: Same with me too. Shall we dance?

Cavalier pulled out a white glove and slapped Luke across the face.

SLAP!

Luke Loud: I accept your challenge!

They clashed and then fired waves of stars, lightning, bones and water and smashed him down.

Lincoln sprouted out one of his eleven massive, long, and powerful white werewolf tails, and they wrapped around The Red Guy's legs, and he screamed as Lincoln held him upside down.

Lincoln: And now, you're going to get a very vicious beatdown from me for hiring that massive army of bounty hunters to try and kill us, and for putting a bounty on our heads!

Lincoln put on brass knuckles and he proceeded with punching The Red Guy brutally and painfully, as we sat in chairs and ate some popcorn. But, we also began flinching when Lincoln started breaking The Red Guy's bones.

Me: (Winces) Ooh, that's not going to heal that easily.

Then, Lincoln grabbed and broke The Red Guy's spine by smashing him on his knee, and he screams in excruciating pain.

Nico: (Winces) Neither is getting his spine broken like that.

Luna: Dang, that's brutal.

Hunter (Road Rovers): Ooh, that's even more brutal than us letting Muzzle loose on any villain.

Colette: (British Accent) But, this one's even more brutal.

Then, when Lincoln was done, he body slammed The Red Guy onto the ground, and Lincoln stood on the Red Guy's mangled and broken body, as he raised his fists and arms up in victory, and we cheer wildly for him.

Nico: (Laughs) Oh man, Linc, that was one brutal beatdown you gave The Red Guy.

Lincoln: Thanks, Nico, and I also got yet another intense workout and I really let out my emotions on that buttwalking, sleazy, two-faced jerk.

Me: Not going to lie, that beatdown you gave him was even worse than the punishment Vypra gave him yesterday.

Lincoln wrapped his abnormally massive and powerful muscular arms around the girls of his harem and he leaned down to their faces and kissed on the lips, and we cheered for them, but that really repulsed The Red Guy.

Red Guy: Ugh, get a room!

But, he eventually got his butt chomped on by Blitz yet again, as he screamed in excruciating pain, and then, Vypra appeared and Lincoln tied The Red Guy up in a rainbow energy straitjacket and rainbow energy chains, so he can't escape, and he handed him over to Vypra.

Lincoln: Here you go, Vypra, and this time, make his punishment twice as agonizing than yesterday.

Vypra: Trust me, I've got some ways to make it even more painful than yesterday.

This caused The Red Guy to gulp in dread, as Vypra teleported back with The Red Guy now panicking and pleading for mercy, but Vypra wasn't going to show him none.

Raven Brawnwen: Aside from Red Guy, this was a fun camping trip.

Condiment King: You said it!

2016 Morbucks: And I really hope J.D. treats us to breakfast with his new credit card.

Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Psellia the Air Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's get that traitorous witch.**

Lincoln and Psellia the Air Faerie went after Cornelia Arnim, who fired blasts of energy at them, but they absorbed the blasts and it made them stronger than ever, and they fired powerful blasts of rainbow energy, sky blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Air Faeries at Cornelia Arnim, and they exploded with incredible power as they hit him. Then, Lincoln attacked her with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and left painful scars on him and Briana the Air Faerie fired powerful sky blue energy blasts from her staff, and it hit her.

Then, Lincoln used a power and magic stripping curse on Cornelia Arnim, and he stripped her of her magic, and he also destroyed her wand for good. Then, Lincoln tossed Cornelia Arnim into the air, and he and Psellia the Air Faerie fired powerful beams of energy, and as they hit Cornelia Arnim, the two energy beams exploded with incredible power, killing the traitorous mage. Then, as her spirit appears, Psellia marked her forehead with a kanji and Cornelia Arnim was erased by The Black Gates forever. We cheered wildly for what Psellia the Air Faerie and Lincoln did as they holster their weapons and power down, and Psellia the Air Faerie's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Psellia the Air Faerie: That's it for that evil traitorous mage. Thank you for helping me take down and kill Cornelia Arnim, Linky.

Lincoln: (Smiles Warmly) You're welcome, Psellia.

Suddenly, Psellia the Air Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Psellia the Air Faerie's face, they kissed passionately as Psellia the Air Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Air Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with a gentle breeze blowing and clouds forming right behind them and the display of the elemental forces behind them, and we cheered for them.

Nico: Wow, that's so awesome, and the breeze that blew in from their display feels so nice.

Me: You said it, this sure feels amazing.

Lori: Literally.

Celica (Fire Emblem): And we got rid of yet another one of our enemies, but there's bound to be more of them out there.

Me: But, we'll be ready for them, Celica.

Lincoln: You said it, and who knows, maybe your world will merge with ours, and we'll also meet with your many allies.

Lucina: That'll be something I want to see, and it'll be good to reunite with our friends yet again.

Nico: Yep. But this was a fun Camping Trip.

Sailcat: It sure was. (To the viewers) Hope you all had a great time with this one.

Nico: I did. Great job everyone. Hopefully the Red Guy learned a huge lesson after all this one. Lets head back to camp and head to sleep. I'm pooped.

Me: Me too.

We went back to camp and went to sleep and then later in the morning I treated everyone out to breakfast as promised. Then we went back home.

END!

Part 5 done.

The Legend of Sailcat is one of my favorites for Cow and Chicken and it was awesome how a cat can turn into a buzzsaw warrior. The episode aired on September 30, 1997 and it was awesome and funny. The first part was based on the 1st episode of The Adventures of Sonic the Hedgehog and that was funny. The Second part was for the movie Blade and we finally destroyed Deacon Frost. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Ace Bunny, Applejack, Apple Bloom, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Lana, Lola, Lisa and Lily are gonna be at Lynn's Table and this time we're going to be facing PIZZA THE KID! Who is back from the dead to get revenge on us for destroying his restaurant and ruining his life! And we're going to meet a Rabbid Gene-slammer named Selena Rabbittin. Selena Rabbittin is a gene-slammer for a Rabbid and things are about to get silly. She is a comedian and is one of close friends of Nico and has done a massive number of funny pranks that make people laugh all over. the next rescue for Lincoln is gonna be where we take down Turles from Dragonball Z: Tree of Might and we're going to use the Cosmos' Vengeance Curse on him for destroying lots of planets. We're also going to meet 6 gene-slammers for the 6 Elemental Charmers:

Aussa the Earth Charmer

Eria the Water Charmer

Hiita the Fire Charmer

Wynn the Wind Charmer

Dharc the Dark Charmer

Lyna the Light Charmer

and a gene-slammer for Elemental Mistress Doriado. They are as follows:

Genene Tsuchidoro - Aussa The Earth Charmer

Erica Mizusama - Eria the Water Charmer

Honika Honouka - Hiita the Fire Charmer

Kazika Kaziyama - Wynn the Wind Charmer

Noir Wendoma - Dharc the Dark Charmer

Hikari Raindom - Lyna the Light Charmer

Wendy Dorington - Elemental Mistress Doriado

They are all Lincoln's Guardian Angels and they are born each with Cosmic Elemental Powers and they are really powerful too. They also ABSOLUTE HATE Flip, Scoots, Bolhofner, Hank & Hank, Lewis Travolta, Pablo and Anderson with a merciless vengeance. AND I have an awesome challenge for the guest reviewer. Your challenge is to come up with 3 revelations each for said people they hate. So that's 21 Revelations for them. 3 each. Now for an awesome non-combat chapter we're going to close out the Cow and Chicken saga with us going to the Gotham Royal York Observatory and were going to see a comet coming and it'll be a small comet no bigger than a golf ball and it'll SMASH THE RED GUY RIGHT IN HIS FACE! Think of this as an act of karma for everything he put us through for 5 days in a row. The chapter is gonna be based on the Cow and Chicken episode called COMET!

See you all tomorrow

# Cow and Chicken Final - COMET!

This chapter is based on the Cow and Chicken Episode called COMET!

HAPPY STAR WARS DAY EVERYONE! MAY THE FORCE BE WITH YOU ALL!

At Lynn's Table having an awesome lunch was Nico, Ace Bunny, Applejack, Apple Bloom, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Lana, Lola, Lisa and Lily. We were having a great meal after coming back from an awesome camping trip.

Nico: Thanks for treating us to lunch J.D.

Me: Anytime Nico. This credit card I found is awesome.

Camie: It sure is.

Sirius: And because you're filthy rich you don't have to worry about the Red Guy pestering you for money to owe.

Nico: Yeah no kidding there.

Me: Yep.

Nico: Thanks for coming with me, Ace.

Ace Bunny: No problem Nico. Besides I've always wanted to go with you guys on a great rescue.

Lola: It's always fun doing them.

Applejack: Yeah they sure are awesome.

Nico: Ace, there are still several of your enemies still out there?

Ace Bunny: There are but the major ones have already been taken care of.

Me: So it's the minor ones that we have to take care of.

Eli: Then we'll be ready for them.

Momo: I hope we face them soon.

Lily: Yeah those jerks will rue the day they mess with us.

Nico: Yep. They sure will.

Me: I agree.

Nico: With any luck, they'll be the futuristic versions of the Looney Tunes that we all know and love.

Me: That would be awesome. I would love to face off against the future Yosemite Sam.

Eli: Yeah same with me for Elmer Fudd's descendant.

Nico: Now you're talking.

Ace Bunny: That is Ophiuchus Sam and Electro J. Fudd.

Nico: Cool.

Applejack: I would love to face off against Ophiuchus Sam myself.

Nico: A showdown like that would be awesome. Especially since we go help Rango later this week.

Eli: It sure will be awesome.

Nico: And let's not forget Pinkster Pig.

Me: That's Porky Pig's descendant no doubt.

Ace Bunny: But unlike his ancestor he doesn't have the trademark stutter.

Me: That is a big difference. Melvin the Martian from what I heard is descended from Marvin the Martian.

Nico: Yep.

Eli: That is true.

Nico: And Pinkster's a bad guy. Porky's a hero.

Me: Huge difference in sides. Also there's one thing that will never change amongst the great Looney Tunes characters past, present or future. That they are awesome tricksters.

Nico: That is for sure.

Eli: Absolutely.

Tsuyu: They always know how to make us laugh too.

Nico: I like the piano bomb parts.

Me: Those are funny. I think all the gags all the great characters of Looney Tunes were and always will be funny.

Eli: Yep. Especially with Foghorn Leghorn.

Ace Bunny: Yeah and one day we'll meet Foghorn Leghorn's descendant Mr. Leghorn.

Nico: And I'll bet he is beating up the descendant of Barnyard Dawg.

Nico then got a feeling.

Nico: You guys get the feeling we're being… watched?

Me: Now that you mention it…

Eli: (Senses something) J.D. look out!

BANG!

He used the Force and stopped a Cactus Ball in mid air!

Me: A Cactus Ball? Oh no! Not him! I'm still feeling a lot of pain from the last time we faced him.

I fired a wind blast and I hit a figure on a beam in the ceiling and it was PIZZA THE KID!

Nico: Pizza the Kid!?

Eli: I thought he was dead!

Camie: Who was he?

Tsuyu: He looks like Pizza Steve.

Me: His name is Pizza the Kid. He's as ruthless as the notorious Old West outlaw Billy the Kid. We were in Tucson, Arizona and we fought him. But Applejack was the true hero of that mission. Pizza pelted many of us with cactus balls that hurt like a son of a bitch!

Nico: Yeah! Nailed me RIGHT IN MY GODDAMN CROTCH!

May: And hurt my arm!

Lola: Me too!

Me: And he took over a spaghetti restaurant that Uncle Grandpa knows and he will kill anyone that insults his food! Which TOTALLY SUCKS AND FUCKS EGGS!

Pizza the Kid: (ENRAGED) WHAT THE HELL DID YOU SAY ABOUT MY FOOD!?

Me: You heard me cheese face!

Nico: Although, I could eat you right now.

Me: Me too!

Pizza the Kid: Come and try it!

BANG BANG BANG!

Eli used the Force and threw the Cactus Balls he fired at us back at him and they hit him in the face.

Me: Not this time Pizza breath.

Applejack: Yeah! Now you will soon see why Apples and Cactuses and Pizza don't mix!

Applejack fired a barrage of Apples and pulverized Pizza the Kid all over the place.

Me: And another thing Pizza the Kid, your food is so terrible that it belongs in a toxic waste dump!

Pizza the Kid: (ENRAGED) I WILL STAB YOU IN YOUR HEART FOR SAYING THAT!

Me: Bring it on PIZZA BUTT!

Nico: Let me eat some of your pepperonis!

Pizza the Kid: Come and get me then!

Pizza the Kid fired a barrage of Cactus Balls and Nico dodged them and Eli used the Force and sent them over to Flip and Scoots and they hit them in their heads and they screamed in pain!

Nico: Nice one.

Me: Sniff on this Pizza Freak!

I pointed my butt at him and then…

FFFFFFFAAAAAAAAAAAAAAAAAAAAAAAARRRRRRRRRTTTTTTTT!

I farted a jet of white fire and burned him all over. He was REALLY MAD NOW!

Then Pizza jumped Nico and latched onto his face! Pizza then punched him all over but his punches were only covering Nico's head with grease and cheese!

Nico: (licks the cheese off) Delicious!

Nico then bit a pepperoni off of Pizza the Kid and he screamed in pain.

Pizza the Kid: WHY YOU LITTLE!?

Pizza the Kid then put his hands around Nico's neck and tried to strangle him. But his hands wouldn't fit around his neck.

Nico: Hey leave the strangling to Homer.

But then…

MASSIVE MONSTROUS BELCH!

A huge belch blew Pizza the Kid right into the kitchen and into a fryer and then Lynn Sr. fell back and catapulted the fried Pizza the Kid into a slicer and sent him into a vat of spaghetti sauce and then he was turned into a new dish!

Lynn Sr.: What the?

Me: Wow! Nice one Nico.

Nico: I didn't do that.

?: That was from me.

It was from a Rabbid! That talked!?

Rabbid: (In a girls voice) Looks like I got here just in time.

Nico: Selena Rabbittin? Wow awesome to see you again!

The Rabbid reverted back and she was a girl with neon blue hair and had 2 different color eyes, one was red and the other was blue. She had purple and pink clothes on too.

Applejack: Well fancy that!

Ace Bunny: Wow!

Lynn Sr.: Hey guys! Your new pizza bite pasta is a great idea!

Lynn Sr. came out and he had a huge bowl of spaghetti and it had spaghetti sauce covered pizza bites on it with meatballs.

Nico: Whoa! That looks delicious.

We got to eating it.

Me: (SLURPS) Mmm! Pizza Bite Spaghetti and Meatballs.

Eli: Delicious.

Camie: It sure is. (Slurps) Mmm!

Kaina Tsutsumi: (Slurps) It's delicious.

Lynn Sr.: This accidental dish turned out to be really good.

Me: Thanks to Pizza the Kid. He pelted us with cactus balls the first time and now…

Nico: He is lunch.

Selena Rabbittin: A Cheesy and Pizzazz Filled Victory.

We laughed.

Nico: Man I missed your funny jokes Selena.

Ace Bunny: What's your favorite memory of Nico?

Selena Rabbittin: My favorite is where me and Nico did a really awesome prank on a bully at a restaurant and he ran home crying to his mommy.

Nico: I remember that.

---

Nico and Selena had a burger on the floor for the bully and it was a girl bully that Selena and Nico hated. She went over and picked it up.

Nico and Selena: APRIL FOOLS!

Bully: [the rope sends her into some bags of flour. Nico and Selena are laughing through all of this and rolling on the floor. Then the Bully girl is taken around a bar] Whoa! Blblblblblblbl… [screams as she is sent slamming face-first into the wall]

CRASH!

Customers: Oh, no!

[Nico and Selena's eyes pop out as they both laugh hysterically. The Bully screams and flies into Lewis Travolta's rear]

Bully Girl: Whoooaa! [Cut to Nico and Selena cheerleading, laughing, and jumping into the air. Then the Bully smashes into the ceiling]

SMASH!

OOH OUCH!

Nico and Selena: [runs and holds out their arms to catch her] I'll catch you, Henrietta! [They both giggle to themselves. Henrietta screams as she plummets toward Nico and Selena, who quickly sets out a garbage can in front of them, and Henrietta falls into the goop in the can]

SPLAT!

Nico and Selena: Oops. [dumps Henrietta, who is now the shape of the can, out of the garbage can] April Fools, you little sausage! [They laugh)

Henrietta: WHY YOU WRETCHED FUCKER BASTARDS I WILL KILL YOU FOR THIS! I… I… (CRYING) MOMMY!

She ran away crying and everyone cheered wildly!

FLASHBACK ENDS

Nico: That was so funny.

Me: Yeah!

Lily: That was too coincidental. SpongeBob had that happen to him because of Squidward.

Nico: Wow.

Nico and Selena hugged.

Nico: I really missed you.

Selena: Me too Nico.

KROW!

Nico got kicked in the butt.

Nico: OW!

Me: Sorry Nico but you had this sign put on you.

I showed it to him.

Nico: "Kick Me, I'm a stoopy poopy cheese sucking buttface." Selena!

Selena: Sorry Nico. I missed doing that to you.

Nico: Oh Selena.

They hugged again.

Me: The Old kick me sign prank. Always a classic.

Apple Bloom: Looks like Luan is gonna have fun.

We later went back home.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS

Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Z-Fighters and Saiyans, and Ben 10,000 are heading out to The Manistee National Forest in Michigan, and not only is Lincoln going to rescue the ten girls there, but we're also going to take down Turles, and Lincoln's going to use the Cosmos' Vengeance Curse on him for destroying lots of planets.

Lincoln: Wow, so, my rescue's taking place in The Manistee National Forest, and I know what we're going to do here, not only am I going to rescue the ten girls there, but we're also going to take down Turles, and I'm going to use the Universes' Eternal Vengeance Curse on him for destroying lots of planets.

Nico: That's right, Linc. I should've known that traitor would one day return from the dead once again.

Bardock: And we've known about Turles' crimes for years, he's destroyed lots of planets because of that accursed Tree of Might, which was used to spawn the fruit of the Tree of Might after enough energy and life force is absorbed through the tree's roots, but like a regular plant, it needs a suitable atmosphere to survive.

Me: As such, large amounts of energy are required to supply the fruit's growth, and the tree's roots essentially sucks the planet that the seed was planted on dry.

King Vegeta: And as a result, so many planets were destroyed because of him.

Vegeta: Yes, and this is also the perfect opportunity for you to use the Universes' Eternal Vengeance Curse on him, Lincoln.

Lincoln: That's right, Master Vegeta, and I also want to thank you for joining us, Ben 10,000.

Ben 10,000: You're welcome, Lincoln. I can't wait for you to use that Universes' Eternal Vengeance Curse on him. But, we'll just look at what this curse is going to do to him, just for a quick reminder.

Lincoln took out the list of the curses he'd made, and we read what the Universes' Eternal Vengeance Curse is, Cosmic Lincoln - Universes' Eternal Vengeance Curse, let me give you a warning for this one: this powerful curse is only reserved for those who've committed the darkest and most serious of crimes against the universe. Lincoln fires powerful blasts of dark purple energy with stars, and once it hits those who've committed serious crimes against the universe, the victim is then drained of all their energy, and their souls are then torn apart by the stars, thus erasing them from existence forever.

We gasped in shock at the curse.

Nico: Whoa, this curse sure is very powerful, and it's also perfect for those who've committed the darkest and most serious of crimes against the universe.

Goku: And Turles is the perfect match for this curse.

Lincoln: Right, Master Goku.

We then saw a massive tree towering above us, and we knew what it was: The Tree of Might.

Lincoln: So, that's the Tree of Might, looks like Turles had gotten a headstart. No matter, shall we?

We formed Destructo Disks and we fired them, and they cut the tree's roots, and it fell to the ground, and as it shriveled up, the energy that was sucked up from the Earth by the roots flowed right back into the Earth, and it was revitalized once more.

Nico: Nice one, but now, all that's left is to deal with Turles.

?: HELP!

Suddenly, Lincoln heard the sound of ten girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the ten girls, but they've been cornered by Turles, and he's going to kill them.

Lincoln: Guys, I found the ten girls, but they've been cornered by Turles, and he's going to kill them.

?: (Seven girls' voices) That heartless, planet-destroying monster, let's get him!

Suddenly, we saw Aussa The Earth Charmer, Eria the Water Charmer, Hiita the Fire Charmer, Dharc the Dark Charmer, Lyna the Light Charmer, and Elemental Mistress Doriado appear before us.

Me: Whoa, the Six Elemental Charmers and Elemental Mistress Doriado, awesome.

Lincoln: And I'd recognize those seven voices from anywhere, I knew it was you, Genene Tsuchidoro, Erica, Mizusama, Honika Honouka, Kazika Kaziyama, Noir Wendoma, Hikari Raindom, and Wendy Dorington, but we'll have to talk later, we've got a planet-destroying traitorous Saiyan to destroy.

We rushed on over, and Lincoln fired powerful rainbow energy balls at Turles, and that allowed the ten girls to get to safety. When Turles saw us, he was really pissed off, but so were we.

Turles: So, the famous Team Loud Phoenix Storm has arrived, and you were the ones who cut down The Tree of Might?!

Lincoln: That accursed tree's destroyed one too many planets for the last time, Turles.

Bardock: And so have you, traitor.

Suddenly, Turles saw the other Saiyans who've since returned from the dead, and he was shocked.

Turles: What the? No, that's impossible!

Vegeta: (Smirks) What's wrong, Turles? You look like you've seen a ghost.

Lincoln: I guess we should explain to you before we destroy you. J.D. brought back the Saiyans last year, but they weren't killed by a freak asteroid, it was due to Frieza, and he already paid the price for his crimes, and now, it's your turn.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Z-Fighters and Saiyans powered up, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Turles, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, stars, rainbow flames, and rainbow crystals, and they exploded with incredible power as they hit him.

And we also showed him no mercy as we brutally pummeled him into the ground for everything he's done in destroying so many planets over the years. Then, Lincoln slashed off Turles' tail and he screamed in agonizing pain, and he was already on his last legs.

Lincoln powered down, but we then saw a massive vortex of dark purple energy and stars surround him, and as he emerged, the 17-year-old 7'5" tall, handsome, and extremely muscular man's long, white hair that reached the bottom of his neck turned dark purple with stars except for the rainbow lightning bolts on the bangs, his deep sapphire blue eyes turned deep dark purple, the eight large orange orbs orbiting around his legs turned dark purple, his large deep sapphire blue pants turned dark purple, but the rainbow colored lightning bolts on them remained the same, his massive orange bands with silver phoenixes on his abnormally massive and powerful biceps and thighs turned dark purple, his orange version of He-Man 2002's loincloth and long orange trenchcoat coattails with elemental forces, thunderbirds, buffalo, phoenixes, and angels with hanging small silver lightning bolts turned dark purple, and his massive deep sapphire blue angel wings with stars turned deep dark purple. Lincoln's transformed into COSMIC LINCOLN, The Elemental Hero of The Cosmos and The Universe.

Lincoln: And now, this is the end for you, Turles.

Suddenly, we saw stars and dark purple nebulae appear around Lincoln, and the skies turn dark with stars gleaming in the skies.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Turles. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song, then, Lincoln fired powerful blasts of dark purple energy with stars, and as they hit Turles, all of his energy was suddenly sucked out of him and it flowed into Lincoln, as he gained a massive power and energy boost. Then, as soon as Lincoln was done sucking out all of Turles' energy, his body suddenly turned to dust, and as his soul appeared, it was then torn apart by the stars, and he was erased from existence forever. We cheered wildly for what Lincoln did, as we holster our weapons and powered down, and Lincoln changed back and the skies changed back too.

Nico: Whoa, so that was The Universes' Eternal Vengeance Curse, big guy?

Lincoln: Yep, and now you see why it's called a very powerful curse, and it's only reserved for those who committed the darkest and most serious of crimes against the universe.

Me: We sure did, that was awesome.

Lincoln: And another traitorous Saiyan has been silenced forever. (To the girls) And it's so good to see you again, Genene Tsuchidoro, Erica Mizusama, Honika Honouka, Kazika Kaziyama, Noir Wendoma, Hikari Raindom, and Wendy Dorington.

Genene Tsuchidoro: You too, Lincoln, it's been a long time.

Lincoln went up to Genene Tsuchidoro, Erica Mizusama, Honika Honouka, Kazika Kaziyama, Noir Wendoma, Hikari Raindom, and Wendy Dorington, and they hugged, and the girls were also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen any of you when you were sixteen, and as you can see, I really grew a lot since then.

Wendy Dorington: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know these seven girls?

Lincoln: Indeed I do, Nico. The Aussa the Earth Charmer is Genene Tsuchidoro, the Eria the Water Charmer is Erica Mizusama, the Hiita the Fire Charmer is Honika Honouka, the Wynn the Wind Charmer is Kazika Kaziyama, the Dharc the Dark Charmer is Noir Wendoma, the Lyna the Light Charmer is Hikari Raindom, and the Elemental Mistress Doraido, they're my Guardian Angels from Michigan and they were each born with Cosmic Elemental Powers.

Me: That's awesome.

Lincoln: And there's something you all should know, they absolutely hate Flip, Scoots, Bolhofner, Hawk and Hank, Lewis Travolta, Pablo, and Anderson with a merciless vengeance.

We gasped in shock.

Wendy Dorington: And we have three revelations each for these seven jerks, which means we have 21 revelations for these seven jerks.

We gasped even more in shock.

Nico: Whoa, 21 revelations?!

Goku: Three revelations from the seven worst jerks in all of Royal Woods, Michigan. This is going to be something we're definitely going to enjoy hearing.

Lincoln: You're right about that one, Master Goku, and I'll stand ready to start dropping pianos on Flip, Scoots, and Lewis Travolta.

Suddenly, seven Thunderbird Necklaces of Eternal Love appeared around the necks of Genene Tsuchidoro, Erica Mizusama, Honika Honouka, Kazika Kaziyama, Noir Wendoma, Hikari Raindom, and Wendy Dorington with colored gems on the on the gold lightning bolts links and colored crystal links from their brand-new Crystal Necklaces of the Buddha which merged with their Thunderbird Necklaces of Eternal Love.

Genene Tsuchidoro: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you, Erica, Honika, Kazika, Noir, Hikari, and Wendy are now part of my harem and one of my many future wives, Genene.

The girls had a smile on their faces and tears coming from their eyes, as they wrapped their arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waists, and he leaned down and kissed them each on the lips, and they returned it, and we cheered for them. Then, we went up to the ten girls, and when Lincoln saw them, he immediately recognized them. The ten girls are Yatorishino Igsem, Haroma Becker, Shamiyu Kitra Katjvanmaninik, and Suya Mitcalif from Alderamin on the Sky, Rit, Ruti, Theodora Dephilo, Tisse Garland, Yarandrala and Megria from Banished from the Heros Party, I Decided to Live a Quiet Life in the Countryside.

Lincoln: Oh wow, it's Yatorishino Igsem, Haroma Becker, Shamiyu Kitra Katjvanmaninik, Suya Mitcalif, Theodora Dephilo, Tisse Garland, Yarandrala, and Megria.

Nico: From Alderamin on the Sky and Banished from the Heros Party, I Decided to Live a Quiet Life in the Countryside, awesome.

Lincoln: Are you girls okay?

Yatorishino Igsem: Yes, we're okay, thanks to you.

Then, when Yatorishino Igsem and the other nine girls saw who it was that saved them from Turles, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Yatorishino Igsem: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made nine clones of himself, and he and the nine clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the

necks of Lincoln and his clones, and we cheered wildly at the scene.

Yatorishino Igsem: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, ten Thunderbird Necklaces of Eternal Love appeared on the necks of Yatorishino Igsem, Haroma Becker, Shamiyu Kitra Katjvanmaninik, Suya Mitcalif, Rit, Ruti, Theodora Dephilo, Tisse Garland, Yarandrala, and Megria with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone about the rescue, and they were shocked when they found out that the villain we went after was Turles, another traitorous Saiyan who tried to destroy the Earth by planting The Seed of Might, which would grow into The Tree of Might by sucking out the energy from Earth.

But, when Lincoln showed what we did in cutting down The Tree of Might and what Lincoln did in using The Universes' Eternal Vengeance Curse on the traitorous Saiyan, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln, Genene Tsuchidoro, Erica Mizusama, Honika Honouka, Kazika Kaziyama, Noir Wendoma, Hikari Raindom, and Wendy Dorington have a lot of catching up to do, now that they're back in town, and we got rid of Turles and saved the Earth from his wrath.

* * *

After we got rid of Turles and this time for good, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Genene Tsuchidoro, Erica Mizusama, Honika Honouka, Kazika Kaziyama, Noir Wendoma, Hikari Raindom, and Wendy Dorington saw Lincoln working out like crazy, they had an atomic red blush on their faces.

Genene Tsuchidoro: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Erica Mizusama: That's incredible.

Nico: It sure is. So, girls, what are the 21 revelations that you have about the seven worst jerks in all of Royal Woods, Michigan?

Genene Tsuchidoro: Allow me to go first, and these three are for Flip. The first revelation is that after Flip's previous schemes to kill Lincoln, his family and friends, and J.D. failed, I found out he tried to use arsenic to poison them, but when I found out about it, I blasted the arsenic out of his hands, but Flip ran off before he could be arrested. The second revelation is that he tried to destroy Lynn's Table and kill everyone there with bombs full of you-know-what, but I used those bombs against him, and he now smelled even worse than ever, and the last revelation is that he tried to use a bulldozer to run over Lincoln, his family and friends, and J.D., but I pummeled him and he ran off before the cops could arrest him again.

Erica Mizusama: If you think Flip was bad, you're not going to like hearing about Scoots. The first is that ever since Sue was sent to prison, Scoots has still been causing trouble in Sunset Canyon, and it was driving Varie nuts, so after the restaurant incident, I decided to get Scoots kicked out of Sunset Canyon by sending the evidence of Scoots' troublemaking to the cops and after Mr. Loud kicked Mrs. Bernado, Huggins, and Scoots, Scoots got arrested and she was also kicked out of Sunset Canyon for life and got her sent to The Lansing Maximum Security Insane Asylum, the second revelation is that Scoots tried to run Varie over for kicking her out of Sunset Canyon, but I fired a blast of fire at that crazy old and sent her flying back to the nuthouse, and the third revelation is that she tried to get the local bikers to bust her out, but I busted their heads in and then, I punched Scoots hard in the face and broke her dentures.

Honika Honouka: And now for Bolhofner, I found out that in addition to all the other horrible stuff the other Guardian Angels told you about him along with what you found out on the news, I found out he stole billions of dollars from banks all over from Colorado to Michigan and it was buried somewhere in Detroit, Michigan, the second revelation is that he's also killed a lot more people than just his ex-wife in a fit of rage, but no one knows where their unmarked graves are, and the third is that he used a lot of intimidation tactics to get a teaching job in both Colorado and Michigan, and any who dared to expose his lie would also get killed by him.

Kazika Kaziyama: And now for Hawk and Hank, if you thought all the other stuff you heard about the bullies of Hazeltucky were bad, here's what I heard. The first revelation is that after you guys ruined their Halloween rampage, they tried to get the rest of their thugs to kill you all, but I went down to Hazeltucky and busted their thugs in their heads and got them sent to jail, the second revelation is that they've actually been in prison before, and they've busted out of prison numerous times mainly by inciting some pretty crazy riots or beating up the guards, and the third revelation is that they've caused millions of dollars in property damage not only in Royal Woods, but also in Hazeltucky, but no one has been able to stand up to them, because they were that dangerous.

Noir Wendoma: And now for Lewis Travolta, if you thought the stuff you heard about that fat tub of lard was bad, wait until you hear this. I first found out that fat tub of lard had tried to extort other restaurants here in Michigan in exchange for free food, but I sent the info to the police, but before he could be arrested, he ran off. The second revelation was that he tried to throw stink bombs at Lynn's Table, but I'd used a hose at full blast and drenched him head to toe in water, and when Mr. Loud found out that fat tub of lard tried to throw stink bombs at his restaurant, he ran after him with a frying pan and gave him a strong hit to the head. The third revelation is that he tried to throw bombs at some of the restaurants to destroy them, but his plan was foiled when I called the cops, but before the police could arrest him, he ran off again.

Hikari Raindom: And now for Pablo, if you thought the stuff you heard about that glasses-wearing heartless psychopathic nerd were bad, wait until you hear this. The first thing I found out that he'd bullied a lot of kids in other schools around Michigan before he came to Royal Woods, the second thing I found out that he'd also committed a ton of crimes such as destruction of property, and he ran off from the cops numerous times, and the third thing I found out was that he also helped out his rotten scumbag dad with some robberies, but I stopped them, and they got sent to jail for what they did.

Wendy Dorington: And finally Anderson, if you thought the stuff you heard about that hard-headed heartless psychopathic dumbass were bad, just wait until you hear this. The first thing I found out that he, like Pablo, bullied a lot of kids in other schools around Michigan, and he got expelled from those schools numerous times, the second thing I found out he also destroyed some properties on a little rampage and he burned a lot of those buildings, and the third thing I found out was really bad, I found out he killed someone, and I had him arrested, but he got away from the cops, thanks to his scumbag dad.

When the girls were finished, we were really shocked and horrified at the revelations at the seven worst jerks in Royal Woods.

Nico: Holy crap!

Me: Jeez, I knew those seven jerks were bad, but those 21 revelations are truly the worst. Linc, you got those pianos levitating over the heads of Flip, Scoots, and Lewis Travolta?

Lincoln: Oh, I think I know what you're about to say.

Lincoln dropped the pianos on the heads of Flip, Scoots, and Lewis Travolta, and they screamed in agonizing pain.

Lincoln: That'll teach them.

TLPS Mr. Wolf: What a bunch of ungrateful, good-for-nothing, insane, greedy, stupid jerks.

Me: You said it, and the crimes they committed could've led to them getting sentenced to death, but since Michigan abolished the death penalty in 1846, humiliations are more than perfect for them.

Lincoln: Along with the curse I put on Scoots.

We then got a shower afterwards, but then, the alarm sounded and when Lincoln checked it, he found out who it was that triggered the alarm: it was the 7 E.M.M.I, the very powerful Galactic Federation operative research robots, and they're out for revenge on Samus Aran for what happened to Raven Beak.

Lincoln: Oh boy, guys, we got trouble, seven E.M.M.I robots are here, and they want revenge on Samus Aran for what happened to Raven Beak.

Samus gasped in shock.

Samus Aran: I thought I was rid of them for good. But, it looks like they've come back.

Lincoln: Don't worry, Samus, we'll get rid of them. Let's go.

We flew out of the World Tree Estate, and Lincoln fired a barrage of rainbow energy balls at the seven E.M.M.I. robots, and when they saw us, they were ready to fight us.

Lincoln: You evil robots aren't going to hurt anyone else ever again.

Milfeulle Sakuraba: Yeah, let's get them.

Lincoln, Milfeulle Sakuraba, Ranpha Franboise, Mint Blancmanche, Forte Stollen, Vanilla H, Chitose Karasumaru and Yamato Nadeshiko went after the 7 E.M.M.I. robots, and they fired powerful blasts of rainbow energy, colored energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Air Faeries at Cornelia Arnim, and they exploded with incredible power as they hit them. Then, Lincoln attacked them with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and left painful tears on the robots.

Then, Lincoln, Milfeulle Sakuraba, Ranpha Franboise, Mint Blancmanche, Forte Stollen, Vanilla H, Chitose Karasumaru and Yamato Nadeshiko fired powerful energy beams and they hit the seven E.M.M.I. robots and obliterated them for good, and Lincoln shared a kiss with Milfeulle Sakuraba, Ranpha Franboise, Mint Blancmanche, Forte Stollen, Vanilla H, Chitose Karasumaru and Yamato Nadeshiko as we cheered wildly for them.

Nico: Whew, those crazy robots have finally been scrapped for good, nice work, guys.

Me: You said it, Nico.

Lincoln: And we've also acquired the abilities of the seven E.M.M.I. robots, along with the ability to extract DNA from organic life, and combined with the absorption method of Cell, it also enhanced that ability infinite-fold.

Nico: You got that right, big guy. And you guys really did an awesome job in getting rid of those pieces of scrap metal.

We then return to the World Tree Estate, and we got rid of another of Samus Aran's most dangerous enemies once again, but there's bound to be more waiting for us, but we'll be ready for them.

---

Later it was time for Musa's 2nd Ambassador Mission.

William: Anyone else wanna come with Musa? Besides Aurico and 2 Rabbids?

Rainbow Dash: Well all the Rainbooms are gonna come.

Eli: And I'll go too.

Eli: And I'm Eli Winston Bullock, J.D.'s little brother and awesome powerhouse.

Me: We're not related by blood. I've looked after him for a while.

Nico: Yep.

Musa: Are any of your enemies acting up since my first visit?

Sunny Bridges: Well lets see. Petunia Squatenchowder Is still serving her gross food.

Me: Oh boy must taste really bad.

Nico: No kidding.

Eli: She must have cooked in a garbage dump.

Aurico: Cruel but funny.

Nico: Yeah.

Aurico: How about you guys see me morph?

Tamika: Sure!

Sunny Bridges: And then you all can show us a good song or two.

Me: Awesome.

Aurico: Here goes! RED AQUITAR RANGER POWER!

He transformed and he was ready!

Tamika: AWESOME!

Me: Yep.

Musa: Speaking of which, this song first appeared in the first time the Power Rangers came together to fight evil. Which started a trend that made several teams of Rangers. So, this song is dedicated to them!

We got the song playing and it showed the Mighty Morphin Power Rangers battling Rita Repulsa and her monsters!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off in the background!

Musa: (SiNGING)

They've got a power and a force that you've never seen before

They've got the ability to morph and to even up the score

No one will ever take them down

The power lies on their side

Go, go, Power Rangers

Go, go, Power Rangers

Go, go, Power Rangers

You, Mighty Morphin' Power Rangers

They know the fate of the world is lying in their hands

They know to only use their weapons for defense

You, Mighty Morphin' Power Rangers

No one will ever take them down

The power lies on their side

Go, go, Power Rangers

Go, go, Power Rangers

Go, go, Power Rangers

Go, go, Power Rangers

Go, go, Power Rangers

Go, go, Power Rangers

Go, go, Power Rangers

When the song was done we cheered wildly!

Nico: Power Rangers forever, bitches!

Me: 47+ YEARS AND COUNTING GUYS! WOOO!

Little did we know that a certain class from Eastley was near the sprinkler system.

But Eli wasn't fooled.

Eli: Uh oh. I sense trouble brewing!

Me: Where bro?

Eli: By the sprinkler system!

Aurico: Everyone out! Now!

Madison: What about you?!

Aurico: Don't worry. I'll be fine!

Nico: Come on!

We ran fast.

Me: Good thing I got an umbrella for this.

We later were outside.

Aurico came out unharmed.

Aurico: Told you I would be fine.

Nico: Aurico and his people like water.

Me: Yep.

Sunny Bridges: And I know who's behind this. Eastley.

Musa: They must be a rival school that is out to destroy you all.

Madison: Yes they are.

Eli: Those rotten fiends! They ruined the school here.

Nico: Don't worry. I'll fix this up.

Nico snapped his fingers and fixed the whole building.

Me: Cool.

Musa: Now it's personal.

Sunny Bridges: They went too far this time. Messing around with the sprinkler system is a crime.

Me: Federal crime actually.

Musa: Should we call the cops on them?

Then sirens were heard.

Musa: Oh spoke too soon.

Me: I called them 5 minutes ago.

Eli: That was fast.

Nico: Yeah.

The Eastley Students were expelled and arrested and sent to juvie.

Philly Phil: Well, that's one of our enemies down.

Nico: Yep. Serves them right.

Me: Rivalries like that lead only to terrible consequences.

Rainbow Dash: What they did was not awesome.

Rarity: Bunch of rotten monsters.

Nico: Yeah no kidding.

Nico: I think we still have time for one more song.

Me: Yep.

Musa: And I got just the one. Bad Romance by Lady Gaga.

Madison: I love Lady Gaga!

Nico: Yeah!

We got the song underway.

Musa: (Singing)

Oh-oh-oh-oh-oh, oh-oh-oh-oh, oh-oh-oh

(Want your bad romance)

Caught in a bad romance

Ra-ra-ah-ah-ah

Roma, Roma-ma

Gaga, "Ooh la-la"

Want your bad romance

When the song was done we cheered wildly!

Sunny Bridges: That was awesome singing!

Me: LADY GAGA ROCKS! She and Katy Perry are both awesome and great.

Nico: Yeah. Lady Gaga is awesome. Especially those costumes and dresses.

Eli: Those are awesome.

Rainbow Dash: Boy they sure are.

Rarity: Lady Gaga is really amazing. Especially with her amazing sense of fashion.

Nico: Yep.

Me: One time during one of the Grammy Awards she wore a dress made entirely out of meat.

Eli: Whoa! A Meat Dress? That is cool.

Me: Yep. (Sees something) Huh?

I looked at my fingernails and I saw that they were mirror ball nails.

Me: Whoa! Look at my fingernails.

Nico: Did you put on nail polish J.D.?

Me: No this was not my doing. I think it's the work of a train that I saw before.

We went outside and sure enough we saw the great train of LADY GAGA! The Lady Gaga Express! (Season 23 Episode 22)

Nico: WHOA!

Me: Awesome! The Lady Gaga Express!

Eli: I never saw that train before!

Me: That train is owned by the great Lady Gaga herself.

Musa: She is so amazing.

We later came back.

May: Hey guys. How did it go?

Me: Really awesome and you will not believe what happened.

We told everyone everything and it was awesome.

Lisa Simpson: Wow! You guys saw the Lady Gaga Express? That is amazing!

Me: It sure was.

Lisa Simpson: Lady Gaga herself taught me a lot of great things. She taught me how to be myself and not like anyone else.

Me: That is amazing Lisa.

May: Wow! Lisa I didn't know you actually met Lady Gaga.

Nico: That is so awesome!

Marge: Boy I'll never forget that.

Me: That was awesome.

May: Next time, Diabolico and Otto Rocket should go with you.

Musa: Good idea May.

Nico: Yeah.

Luna Loud: But Lisa that is rocking that you met Lady Gaga. She is amazing.

Sam S.L.: It sure is.

Lisa Simpson: It was a great honor.

Later we were watching TV and Poromon came to Rainbow Dash.

Poromon: Hey, Rainbow Dash!

Rainbow Dash: What's up Poromon?

Poromon: Check out my head feather.

She saw that it was rainbow color.

Rainbow dash: Now that is AWESOME!

Poromon: Thanks. It's Rarity's new trend she has going around.

Me: Hey R.D.

I came out with Rainbow Hair in a Cronmage.

Rainbow Dash: You look so awesome J.D.!

Me: Thanks.

Camie: You look so awesome withi Rainbow hair J.D.

Misty Tredwell: (Seductively) Boy I'll say pretty hunk.

Me: Oh Rawr.

Poromon: Where's your rainbow colors, Poliwag?

Poliwag: I don't have any hair on me.

Poromon: Oh right. I forgot that some of us don't have hair.

Vignette Valencia: Wow! J.D. your hair looks amazing! I love it!

Me: Thanks Vignette. It was Rarity's trend idea. I think it's amazing that she comes up with these awesome trends.

Rainbow Dash: I'm flattered that she did this from me.

Laney: I agree there.

Laney had a rainbow scarf on.

Me: Nice scarf Laney.

Nico: It sure is nice. Like my clothes?

Nico was wearing a rainbow tie-dye outfit.

Me: That is psychedelic Nico.

Nico: Groovy.

Poromon: (to Manaphy and Horsea) What about you two?

Manaphy: We don't have any fur either.

Horsea: Yeah sorry.

Poromon: Oh right.

We heard a scream and we went and saw Rarity in fright!

Rarity: (Voiceover) Submitted for your approval, a portrait of a school taken over by a trend. Namely a hairstyle rainbow in nature. The calling card of one ROY G. BIV.. So if you choose to enroll in this classwide craze, Hurry up and catch the bus headed for THE RAINBOW ZONE!

Me: Rarity?

Rarity: So many rainbows.

Me: It's okay Rarity. Your trend is amazing.

Maria: This was actually a good idea.

Maria had awesome hair in a ponytail all rainbow color.

Carmen: I sure like it sis.

Rarity: Oh I'm glad you think so guys.

Me: Sorry if we scared you Rarity. But your trend is really awesome for this. Got to admit though it's like something out of the Twilight Zone huh?

(TWILIGHT ZONE THEME PLAYS)

Maria: Isn't there a comet tonight?

Nicole: Let me see.

Nicole looked at the star charts and there was really nothing coming.

Nicole: Well the star charts don't say anything. But we can always take a look in the one awesome place that will tell us. Lets head for the Gotham Royal York Observatory!

We cheered!

We were off to the Observatory.

Horsea: Can I sit on your lap, Maria?

Maria: You bet Horsea.

We later arrived.

Nico: Will we be able to see the stars through the foliage of the World Tree?

Me: Yes we will. The foliage is invisible to those that want to look through it.

Nico: Wow that's cool.

Eli: Yep.

Horsea: By the way, your hair looks awesome.

Maria: Thanks Horsea.

May: So does mine.

Nico: Boy May it looks awesome. Rainbow and Blue are both awesome.

Me: They sure are.

Nicole: I agree guys. And here's where we can see if there's a comet coming.

We saw the telescope.

Nicole: This is the most powerful Optical Reflecting Telescope ever known. Next to the Kit Peak National Observatory Telescope in the Sonoran Desert, this telescope has the most powerful light gathering mirrors and it filters out the daytime sky and looks at the stars in the day.

Nico: Wow!

Nicole: Lincoln you want to look first?

Lincoln: Sure.

Nicole: I'm more than willing to let you all look through the telescope.

Nico: Cool!

Nicole: Okay you guys will love this one.

Nicole pointed the telescope to the constellation of Orion and aimed it at the star Betelgeuse.

Lincoln looked at the star.

Lincoln: Whoa!

Nicole: That's the star Betelgeuse. It's over 600 light-years from Earth and it's one of the largest known stars in the galaxy.

Lincoln: That is amazing! Seeing the star this close with this telescope is incredible.

Chicken: Nice hair, guys.

Nico: Thanks Chicken.

Me: It's a Trend that Rarity has for everyone.

Rarity: It is most amazing darlings.

Nicole: I think it's amazing. Nico you will like this one.

Nicole pointed the telescope to the constellation of Sagittarius the Archer and it was aimed at another object.

Nico looked and it was looking at the Trifid Nebula.

Nico: Wow! That's the Trifid Nebula.

Nicole: Yep and it's located 6,500 light-years away from Earth.

Camie: Wow! Nicole sure knows what she is doing.

Me: Yep. Nicole is not only the goddess of video games but she is also a very well known Scientist. She knows all about Volcanology, Astronomy, Paleontology, Geology, Botany, every kind of science there is.

Camie: Wow! She is really smart.

Laney: That's Nicole for you.

Nico: So, Chicken. Where's your rainbow colors?

Chicken: I'm a chicken and I don't have any hair.

Nicole: Now here is the cool part.

Nicole aimed the telescope at the Galactic Center of the Milky Way.

Nicole: This telescope is equipped with more than just visible light. It can look at anything on the Electromagnetic Wavelength.

Laney: I got to see this.

Laney looked at the Galactic Center.

Laney: Wow! Is that the Galactic Center?

Nicole: Yep. And that's just on the visible light part of the Spectrum. Here's Radio Waves.

Laney saw that it was a glowing purple line.

Laney: Wow! So that's in radio waves.

Nicole: Yep. And here's microwaves.

Laney saw that it was a more vivid neon white, blue and purple line with lots of stars.

Laney: Whoa! That is amazing!

Nicole: Yep. This is infrared next.

She saw all the stars glow with orange and yellow and white.

Laney: Wow! That is a lot of heat coming from the stars.

Nicole: Yep. Here's Ultraviolet light.

Laney saw that it was all blue and dark purple.

Laney: Wow! So awesome.

Nicole: Yep. Here's X-Rays.

Laney then saw the Milky Way as a curtain of green and black.

Laney: Wow! That is amazing.

Nicole: Yep. And here's my favorite. This is what Gamma Rays looks like.

Nicole pressed a button and then she saw what Gamma Rays was like. The Milky Way looked like a line of fire surrounded by blue.

Laney: Wow! That is amazing! Gamma Rays makes it look wild.

Nicole: It sure does.

May: Do you have any rainbow colors, Cow?

Cow: Just this one.

Cow showed that she had Rainbow Nail Polish on her hooves.

Cow: (Laughs) I think it's a great trend.

Nico: It sure is.

Nicole: Let me see here.

Nicole was looking and then she saw something coming.

Nicole: What the?

It was getting closer and we saw that it was A COMET AND IT WAS COMING RIGHT AT US!

Nicole: UH OH! A COMET IS COMING!

We went outside!

Nicole: LOOK!

We saw it coming right at us at an incredible speed!

Me: WHOA! IT'S MOVING REALLY FAST!

Nicole: It's coming in at 116,000 miles per hour!

Nico: Someone, blast it!

The Red Guy came!

Red Guy: YOU GUYS ARE IN BIG TROUBLE!

Nico: Now is not the time Red Guy!

Red Guy: YOU WILL MAKE TIME!

Eli: HIT THE DIRT!

We ducked and covered!

And then…

ZZZZZZOOOOOOOOOOOOMMMM!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

THE COMET SMASHED RIGHT ONTO THE RED GUY AND EXPLODED WITH INCREDIBLE POWER! WHEN THE SMOKE CLEARED WE SAW THE RED GUY A TOTALLY MANGLED UP MESS AND HE WAS REALLY IN A LOT OF PAIN!

Nicole: JUMPING JUPITER CLOUDS!

Nico: WOW! That comet hit him with incredible force!

Eli: Man no kidding!

Nico: What the Hell was that?!

Me: An act of karma I would say.

Vypra and the Masters appeared.

Vypra: Are you guys all right?!

Dark Spicer: We saw the comet hit! Are you all okay?

Nico: We're all okay.

Me: But the Red Guy isn't. Look.

The Red Guy was in a horrible and terrible amount of pain. He was crushed under the comet that was as big as a house.

Red Guy: (Stupid Talk) Did someone get the number of the comet that hit me?

Nico: Whoa.

Eli: Wow!

Vypra: I would call this an act of karma for putting you all through so much over the last 5 days.

Laney: Very fitting too.

Vypra: Wow nice hair guys.

Me: Thanks. It's part of a trend Rarity made.

Me and Nico went down into the crater and I licked my finger and touched the comet and it was SCORCHING HOT!

Nico: WHOA!

Me: It's still too hot to touch.

Nico: Seriously, what kind of comet was that?!

Nicole: Lets cool it down and see.

Maria, Bai Tza and Girl Jordan sprayed it with water and it was cooled down.

Me: Lets see. It looks like a fast moving comet.

Nico: I know that.

But then the comet started cracking.

Nico: Uh oh! Is it an egg?!

But then it broke open and revealed that it had a bunch of incredibly beautiful red rubies in it!

Me: WHOA!

Nico: Wow! Are those kinds of rubies the rubies that we think they are?

Firefly: Mind filling us in?

Nico: Jimmy told us about these rubies once. These are Astrorubies.

Jimmy Neutron: Yes and they are the richest rubies ever. They will make anyone the richest person in the galaxy.

Nico: They are amazing.

Me: Lets see if they are real. They are easily mistaken for Fools Rubies.

I looked at them and saw that they are the real thing!

Me: They are the real thing!

Nico: Whoa!

Eli: Wow! I've never seen Astrorubies before.

Me: But Jimmy and friends have. These are awesome.

Nicole: That is amazing though.

Laney: Yeah no kidding.

Camie: Wow! This is incredible.

Beautiful Gorgeous: Wait. The Space Bandits told me about these before. Don't they make people greedy if exposed for a long time?

Nico: That's right. But we're immune to the power they have.

Eli: That's for sure.

Laney: Yeah.

Jimmy: Maybe we should visit the Space Bandits sometime. Haven't seen them since they ditched Goobot.

Nico: Good idea.

Eli: Yeah.

Nico: That was awesome that they ditched Goobot though.

Laney: Yeah.

Dark Spicer: By the way, Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm gonna hope we meet one that is for Rocks's kind next.

Shanan: That's not a bad idea. A gene-slammer for a Basalt next.

Nicole: A volcanic rock alien?

Shanan: No sis they look like this.

Shanan showed a picture of a Basalt.

Rocks is a lime colored stone humanoid. He has various patterns all over his body and two spikes on each arm and leg. He also has three fingers. He wears the Omnitrix on his chest.

Nicole: Oh wow! So that's their race name. That's cool. So they come the planet Andesite? That is awesome.

Shanan: It sure is.

Nico: Thing can go with me.

Thing: AWESOME! Looking forward to this one Nico.

Nico: I know you are Ben.

Hulk: Hulk happy for you Thing.

Thing: Thanks.

We later went back home and we had an awesome series of adventures with Cow and Chicken. The Red Guy was taught a really harsh lesson these last 6 days. NEVER MESS with Vypra or us or else. The Astrorubies were put in our vault to make sure no one lets greed consume them from the Ruby Madness. All in all, it was a very eventful 6 days for us.

END!

---

Another awesome saga done and the chapter is done.

This was a great saga for Cow and Chicken. Comet is one of my favorite episodes. It was really awesome and funny. A Comet no bigger than a golf ball was heading to Earth and it was cool. Especially with how it smashed Chicken in his face at the end with Dad sending him flying into a golf hole. So funny. The Red Guy was the main bad guy in the chapters for this saga and it was funny. Also this chapter was to make up for me not doing on on the 4th last year. I had to go to my grandmothers funeral. The first part was for the return of Pizza the Kid who came for revenge. The second part was based on the DBZ movie called the Tree of Might where the Z-Fighters had to fight a Saiyan named Turles and destroy the Tree of Might. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Thing, Applejack, Apple Bloom, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Ronnie Anne, Lana, Lola, Lisa and Lily are gonna go to an amazing and really cool BURRITO PLANET! It's a world full of Burritos and they are loaded with beans, meats, cheese, everything. We're going to face THE GIANT LIMA BEAN MONSTER from the Jimmy Neutron episode I Dream of Jimmy and we're going to also meet a Basalt Gene-slammer named Ruth Lincoln. Ruth is Nico's friend from Earth Science and she knows a lot about rocks and minerals and crystals. She also is a gene-slammer for a Basalt. Also for Lincoln's Rescue for Cinco De Mayo we're going to a planet of Tacos and we're going to face Becky from The Casagrandes who is Out for Revenge and Lincoln is going to use a new curse on that unibrowed Helga G. Pataki and Squilliam Fancyson ripoff brat. It's a curse for bullies. Lincoln is also going to meet a Water Magician gene-slammer named Nadine Wendollstein. She is one of Lincoln's Guardian Angels and is an awesome explorer, archaeologist, treasure hunter and adventurer and she took Lincoln on many awesome and perilous adventures that were awesome. She also took on the full force of Lori, Luan, Lynn, Lola and Lisa's evil fury and got them in big time trouble in the worst way ever. Next up for a great Cinco De Mayo chapter tomorrow is gonna be for the awesome movie Encanto. We're going to meet Mirabel and her family and also help them retrieve the magic. Since Encanto is one of the movies that doesn't have a villain we'll make one for it. It'll be Don Rafael Montero from The Mask of Zorro. He'll be back for revenge.

See you all tomorrow.

# ENCANTO CINCO DE MAYO 2022 FUN

Feliz Cinco de Mayo 2022 a todos!

In the early morning hours at 2:53 AM, Lincoln had a dream, and he saw nine figures who was hiding out and living in the streets of Nepal, South Asia. Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Wild Apple-Joe to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Apple Dumplin with her daughter, and she now has a loving, strong, brave, and caring father in her life.

---

Later it was time for Nico's rescue and flying through the vast reaches of space was Nico, Thing, Applejack, Apple Bloom, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Ronnie Anne, Lana, Lola, Lisa and Lily and we got reports of a mysterious planet.

Me: I hope this planet we're going to is just as awesome as the others.

Nico: Same here.

Eli: This is gonna be so awesome.

Nico: Thanks for coming with me, Thing.

Thing: No problem Nico. As long as I get to clobber some villains into pulp this will be fun.

Ronnie Anne: Thanks for letting me come along too.

Lincoln: No problem Ronnie Anne. This is gonna be awesome.

Ronnie Anne: You said it Lame-o.

Camie: It will be awesome.

Applejack: YEEHAW! Always looking forward to this.

We saw the planet and it looked like a desert planet from space.

Me: This must be the planet.

Nico: Yep this is it.

Lana: Wow. It looks like a desert planet.

Thing: It sure looks like a cool place.

Nico: Yep. I think your counterpart and the Yost Fantastic Four are the only ones from the Yost World on the team so far.

Thing: That's right and soon we'll meet the others too.

Me: Yep we have the Yost Avengers and Yost Spiderman and his friends coming soon.

Nico: Yep.

We went down to the planet and we entered the atmosphere and when we landed we were shocked at what we all saw! It was a world where the entire landscape was made entirely out of BURRITOS! They all had beans, meat, cheese, everything!

Me: WHOA!

Eli: Wow! A World of Burritos!

Camie: Oh wow!

Lana: Wow!

Lana ate a burrito and it was DELICIOUS!

Lana: (EATING) SO DELICIOUS!

Nico: Wow! They must be that good.

Thing: No kidding.

Nico: And let's not forget the Yost X Men.

Me: Right I forgot them.

Nico: No worries.

Lola: Yeah.

Sirius: Wow! This is enough food to feed everyone on Earth times ∞.

Thing: Save some for me!

Nico: Now Ben there's plenty to last forever. Also this place is perfect to gather food and prep for our Cinco De Mayo Party.

Ronnie Anne: It sure is. This is amazing!

Nico: Yeah it is.

Me: Boy Lana seems to like it.

Lana ate 3 of the burritos.

Me: Lana you don't want to eat too much before the party.

Lana: Can you blame me?

Nico: Not at all.

Me: Yeah.

Applejack: Hoowee! This here is the most amazing world I've ever laid eyes on.

Lincoln: No kidding! This is so awesome. A world made entirely out of burritos.

Me: If there was a world of Tacos that would be Sonata Dusk's all time favorite and you know how much she likes tacos.

Nico: That's true.

Lola: Yeah.

Lily: Yep.

Nico wasted no time in eating 2 burritos.

Nico: (With his mouth full) Delicious!

May: Don't talk with your mouth full mister!

Nico: (Swallows) Sorry.

Lana: It's really awesome.

But then I saw a figure sneak up behind Lola.

Me: Lola. Don't look now but there is something behind you.

Lola looked and she saw that it was A GIANT LIMA BEAN MONSTER!

---

The Lima Bean Monster debuted in I Dream of Jimmy in Carl's dream. He was "a little pipsqueak" hiding under Carl's bed playing a harmonica. Jimmy was astonished that this lima bean was keeping Carl from sleeping peacefully. Jimmy turned away from the monster and faced towards his friend, questioning him if this little guy is really the source of the nightmares. As he is doing this, the Lima Bean Monster tossed the harmonica in his mouth, swallowed it whole, and started to rapidly expand in height and weight, almost quadrupling his initial size. Carl hinted to Jimmy to turn around.

It started growling and chasing Jimmy and Carl. While running Jimmy tells Carl he's going to prove that the Lima Bean Monster is logically impossible using non-euclidean geometry. While Carl is taking notes, his pen transforms into a worm. This improbability makes Jimmy realize he he needs to do something so unbelievably stupid to make Carl realize he is to make Carl realize he is dreaming.

Cindy appears and Jimmy kisses her. After the passionate act, Carl realizes that he must be dreaming and a portal appears. They have run through that, escaping his dream. Jimmy tries to tell Sheen to wake Carl up, but Sheen fell asleep when trying to get Carl to fall asleep. Once again, he tries to tell Carl it's a dream, but he still won't listen. Realizing that logic isn't working, when Cindy walks in, Jimmy does something that he would not do in real life, to prove to Carl it's a dream, he does the unthinkable: he kisses Cindy on the lips.

Carl finally noticed that it's a dream and wakes up, allowing the portal to open. Jimmy finally escapes from the dream. After Carl wakes up, Jimmy angrily criticizes him for not listening to him.

Suddenly, the Lima Bean Monster walks out of the dream machine and Jimmy warns Sheen its behind him. Sheen doesn't believe it until he turns to see it and the bean attacks the kids and Goddard. However, Jimmy manages to crush it to death with a hammer. The next scene shows them all outside with the close-up of a toasted giant bean. Jimmy shares an agriculture lifehack: Phaseolus limensis perish when they are exposed to dry air and overly nitrous soil. Carl contradicts this by saying that Jimmy struck the Lima Bean Monster with a hammer, Jimmy reluctantly acknowledges this.

* * *

It roared and Lola jumped back.

Me: Whoa!

Nico: WHAT THE FUCKING HELL IS THAT UGLY THING!?

Eli: It looks like a giant lima bean!

Me: EW! I HATE LIMA BEANS!

Thing then put his hand on what he thought was a pile of rocks.

Thing: Don't worry. After I get these rocks in throwing position, IT'S CLOBBERIN TIME!

Nico: LETS MASH THIS BEAN!

The rocks then moved and they formed into a figure.

Basalt: (In a girls voice) Time to smash this bean into mush!

Nico: That voice. Ruth Lincoln?

Basalt: Long time no see Nico.

Ruth smashed the Lima Bean into mush and destroyed it!

Me: YUCK! I HATE LIMA BEANS! Not as much as I ABSOLUTELY LOATHE AND DESPISE BRUSSELS SPROUTS!

Nico: Yeah no kidding.

Ruth reverted back and she was a girl with neon blue clothes and neon blue hair.

Ruth Lincoln: Now that was awesome.

Lana ate the mashed Lima Bean monster all over.

Nico: Whoa Lana is gonna be feeling that for a while.

Lana: (BELCH!)

Thing: Sorry. I thought you were a pile of rocks.

Ruth Lincoln: That's all right. But you look awesome as a rock yourself.

Thing: Thanks. I'm glad you think so.

Lana: That is cool that you are a Basalt now.

Ruth Lincoln: Yeah. But it's awesome facing a giant Lima Bean here on a world of burritos.

Nico: It sure is. We'll call this planet Burritus.

Me: Ooh cool name.

Thing: What's your favorite memory of Nico?

Ruth Lincoln: I have a lot of them but my favorite is when me and Nico were over at an Emerald Mine in Colombia and we found a massive crystal cave full of awesome Colombian Emeralds worth a fortune. I'm a geologist and rock specialist.

Me: You will like my daughter Nicole. She's a Geologist, Volcanologist, Paleontologist, Astronomer and more.

Ruth Lincoln: Cool!

Nico: That was an awesome find back then though.

Nico and Ruth then hugged.

Nico: I really missed you.

Ruth Lincoln: Me too Nico.

FART!

POINK!

They looked at Lana.

Lana: Oops. Sorry.

Nico: (LAUGHS) That Lima Bean is gonna go through you like a lead weight.

Me: It sure will.

Nico: Lana, please don't eat the burritos before we get home.

Lana: I won't.

Me: Lets gather up some burritos before the party.

Nico: Good idea.

We went and did so and we got tons of them and then we teleported back.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, and Donkey Kong are heading to a planet of tacos, and not only is Lincoln going to rescue the eleven girls there, but we got word that unibrowed bully brat, Becky, has come back, and she's out for revenge on us yet again.

Lincoln: Whoa, we're here on a planet of tacos, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we got word that unibrowed bully brat, Becky, has come back, and she's out for revenge on us yet again.

Ronnie Anne: That's right, Linc. I should've known Becky would come back for revenge again, she's way too hard-headed to give up, and I'm going to guess Dodge and the other dodgeball goons busted her out.

Nico: I was just about to say, Ronnie Anne. She's going to get cursed for this.

Me: That little unibrowed brat's just a glutton for punishment, but we're definitely not showing her any mercy this time.

Lincoln: That's right, and thanks for calling us, Donkey Kong.

Donkey Kong: You're welcome, Lincoln. This is going to be one awesome rescue.

Eli: First, we went to a burrito planet, and now, we're on a planet of tacos, and it's perfect since today is Cinco De Mayo.

Lincoln: You said it, Eli.

Me: Boy Sonata Dusk would love this planet and she loves tacos.

?: HELP!

Suddenly, Lincoln heard the sound of eleven girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eleven girls, but they've been cornered by that unibrowed brat, Becky, and she's going to kill them.

Lincoln: Guys, I found the eleven girls, but they've been cornered by that unibrowed brat, Becky, and she's going to kill them.

?: That unibrowed, psychopathic little animal, let's get her.

Suddenly, we saw a Water Magician appear before us.

Lincoln: That voice, I knew it was you, Nadine Wendollstein, but we'll have to talk later, we've got a unibrowed bully brat to pummel.

We rushed on over to stop Becky.

Becky (The Casagrandes): And now, YOU DIE! (LAUGHING MANIACALLY)

Becky threw a barrage of dodgeballs at the eleven girls to kill them and she was laughing maniacally, but Lincoln used the Force to stop the dodgeballs, and he fired powerful rainbow energy balls right at Becky, and that allowed the eleven girls to get to safety. When Becky saw us, she was really pissed off, but so were we.

Lincoln: You just refuse to learn your lesson, huh, you unibrowed brat.

Becky (The Casagrandes): I don't care, you all ruined my life, and it's because of you. I couldn't harm or threaten or intimidate anyone into following me, and it was thanks to Dodge and the others, they busted me out, and now you will all pay, and I will have my revenge!

Ronnie Anne: Not happening, Becky. Let's get her!

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Donkey Kong, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Becky, and we fired powerful blasts of rainbow energy, colored energy, fireworks, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, stars, rainbow flames, and rainbow crystals, and they exploded with incredible power as they hit her.

Then, Lincoln threw the dodgeballs he stopped with the Force, and they ricocheted all over the field, and they hit her all over the place, and she was knocked down and restrained with rainbow energy chains.

Lincoln: Now, to teach you a lesson that you're never going to forget, Becky.

Suddenly, a thunderstorm appeared out of nowhere and rainbow colored super lighting crashed down from the Heavens and Lincoln's massive deep sapphire blue angel wings with stars in the feathers were spread out.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Becky. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song, then, Lincoln fired powerful blasts of blue energy and lightning, and as the blasts hit Becky, she was subjected a painful and brutal electric attack, and it'll felt like she's been to The Electric Chair, but the voltage from this one is infinite-times more painful than ever, and we saw her hitting herself with her own fists, and the worst part came was when she grabbed her own unibrow and ripped it clean off.

RRRRIIIPPPP!

Becky (The Casagrandes): YEOWCH!

We winced at what Becky just happened. Then, Lincoln tied her up in a rainbow energy straitijacket and rainbow energy chains, and she was sent back to the boarding school for good. We cheered wildly as we holster our weapons and power down.

Nico: And what was that curse you used on Becky, big guy?

Lincoln: That was my new curse I call Zeus' Lightning Justice Curse, it's a curse meant for bullies such as that unibrowed brat, Becky. This curse is activated by the same song, and once that happens, I fired blue energy blasts and lightning from my massive deep sapphire blue angel wings with stars in the feathers, and once they hit Becky or any other bully, they'll be subjected a painful and brutal electric attack, and it'll feel like you've been to The Electric Chair, but the voltage from this one is infinite-times more painful than ever, and it caused their muscular system to go haywire and turn their limbs against their owner.

Nico: (Laughs) That's quite the crazy punishment you gave her, Lincoln.

Lincoln: That's it for that unibrowed brat. (To Nadine Wendollstein) And it's so good to see you again, Nadine Wendollstein.

Nadine Wendollstein reverted back to normal, and she's a beautiful 17-year-old girl with short neck-length pink hair, dark blue eyes, she's tall at 6'5" in height, she had the body of a goddess, she has a crossi tattooed on her forehead, she has massive dark blue angel wings, thanks to reigning in the power of Water Magician, and she's dressed in a dark blue sleeveless blouse, dark blue sleeveless dress top, dark blue skirt, dark blue pants, dark blue sneakers, and dark blue sleeveless trenchcoat with ocean waves on the coattails, and Water Magician on the back, and holstered on her back is a large Water Magican-themed sword with a 6'10" massive, wide, double-edged dark blue blade, longer black handle, and large dark blue gem for the pommel.

Nadine Wendollstein: You too, Lincoln, it's been a long time.

Lincoln went up to Nadine Wendollstein and they hugged, and Nadine Wendollstein's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Nadine Wendollstein: Dorington: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Nadine Wendollstein, she's another of my Guardian Angels from Michigan, and she's an awesome explorer, archaeologist, treasure hunter and adventurer, and she took me on many awesome and perilous adventurers, and they were so awesome.

We were really amazed.

Nico: Whoa, that's awesome. Ooh, which treasure did you find on one of your adventures long ago?

Lincoln: One time, we found a treasure chest buried in somewhere in Great Lakes City, and inside it was a king's ransom of gold coins and beautiful gems, and Nadine found out it was the lost treasure of Pancho Villa.

Ronnie Anne: (Gasps) Whoa, Carl, CJ, Abuelo, and Tio Carlos were looking for it throughout Great Lakes City, but you two found it first long ago, and the treasure they found were actually chocolate coins wrapped in gold wrappers and the wrappers were coupons for Pancho Villa's Taco Restaurant. Everyone was so mad at Abuelo, but he made up for it by getting them tacos at Pancho Villa's Taco Restaurant, and he had to pay for them using the coupons.

Nico: Oof, that was a big disappointment.

Nadine Wendollstein: Sorry about that. And what also made me an awesome Guardian Angel was that I took on the full force of Lori, Lynn, Lola, Lisa, and Luan's evil fury, and got them in big time trouble in the worst way ever.

We gasped in shock.

Me: Whoa, we're hearing about that one when we get back.

Lincoln: Trust me, you guys are so going to love this.

Suddenly, a Thunderbird of Eternal Love appeared around Nadine Wendollstein's neck with dark blue gems on the gold thunderbolt links and dark blue crystal links from brand-new Crystal Necklace of the Buddha which merged with their Thunderbird Necklaces of Eternal Love.

Nadine Wendollstein: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Nadine.

Nadine Wendollstein had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Nadine on the lips, and she returned it, and we cheered for them. Then, we went up to the eleven girls, and when Lincoln saw them, he immediately recognized them. The eleven girls are Catarina Claes, Mary Hunt, and Sophia Ascart from My Next Life as a Villainess: All Routes Lead to Doom!, Angelica Rapha Redgrave, Olivia, and Marie Fou Lafan from Trapped in a Dating Sim: The World of Otome Games Is Tough for Mobs, Fa, Kazairo Kotone, Rakira, and Rufuria from RPG Real Estate, and Takanashi Sei from The Saints Magic Power Is Omnipotent.

Lincoln: Oh wow, it's Catarina Claes, Mary Hunt, and Sophia Ascart from My Next Life as a Villainess: All Routes Lead to Doom!, Angelica Rapha Redgrave, Olivia, and Marie Fou Lafan from Trapped in a Dating Sim: The World of Otome Games Is Tough for Mobs, Fa, Kazairo Kotone, Rakira, and Rufuria from RPG Real Estate, and Takanashi Sei from The Saints Magic Power Is Omnipotent.

Nico: Awesome.

Lincoln: Are you girls okay?

Catarina Claes: Yes, we're okay, thanks to you.

Then, when Catarina Claes and the other ten girls saw who it was that saved them from that unibrowed brat Becky, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his

Catarina Claes: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made ten clones of himself, and he and the ten clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Catarina Claes: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eleven Thunderbird Necklaces of Eternal Love appeared on the necks of Catarina Claes, Mary Hunt, Sophia Ascart, Angelica Rapha Redgrave, Olivia, Marie Fou Lafan, Fa, Kazairo Kotone, Rakira, Rufuria, and Takanashi Sei with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone about the rescue, and they were shocked when they found out that the villain we went after was that unibrowed brat, Becky, and she broke out of that boarding school and she was out for revenge on us.

But, when Lincoln showed what we did with pulverizing that unibrowed brat and what Lincoln did in using the Zeus' Justice Curse on that unibrowed brat, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Nadine Wendollstein have a lot of catching up to do, now that she's back in town, and we also put out a bounty on Dodge and the rest of Becky's dodgeball posse when the news came out they also escaped from the boarding schools they were also sent to as well, but we'll also be ready for those bullies.

---

After putting a stop to that unibrowed brat Becky, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Nadine Wendollstein saw Lincoln working out like crazy, she had an atomic red blush on her face.

Nadine Wendollstein: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Nadine, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Nadine Wendollstein: That's incredible.

Nico: It sure is. So, Nadine, how did you take on the full force of Lori, Lynn, Lola, Lisa, and Luan's evil fury and got them in big time trouble in the worst way ever?

Nadine Wendollstein: You're going to like this one, Nico. One day, Lincoln and I were both looking for another treasure located in the north of Royal Woods, it was known as the Rings of Eternal Love, it's a massive set of rings with heart-shaped rose gems inserted in the gold rings. But, as we're heading back, we ran into trouble, Lori, Lynn, Lola, Lisa, and Luan came out, and they all had knives in their hands and they were planning to kill us all in cold blood and destroy the rings. But, I disarmed Lori, Lynn, Lola, Lisa, and Luan of the knives, and I pounced on and brutally pulverized them, and Lincoln tied them up with nylon ropes and we dragged them back to the house, and after Mr. and Mrs. Loud heard what those five did, they were furious, and Lori, Lynn, Lola, Lisa, and Luan got grounded for fifteen weeks and they were forced to do community service by picking up trash in the parks, and I was there to keep them in check.

We cheered for what Nadine and Lincoln did.

Nico: Wow, that's so awesome, and Lincoln, do you still have the rings?

Lincoln went to his room, and he got out the chest, and in it were the Rings of Eternal Love that he and Nadine found, and they were awesome.

Me: Whoa.

Eli: They're amazing.

Lincoln: They sure are, and Lori, Lynn, Lola, Lisa, and Luan were trying to kill us in cold blood and destroy the rings. That's a act of pure heartlessness and it made them enemies of love, and Nadine swore that we'd keep the Rings of Eternal Love safe from thieves out for a quick buck and from Lori, Lynn, Lola, Lisa, and Luan.

Nico: Awesome.

Suddenly, the Rings of Eternal Love merged with our Rings of the Phoenixes, and we saw the heart-shaped rose gems embedded in the center of the colored gemstones of our Rings of The Phoenixes, and they were awesome.

Me: Whoa, that's so awesome.

Lincoln: They sure are.

We then got a shower afterwards, and then, Lincoln and his harem were in the kitchen, and they were going to prepare a Mexican feast for Cinco De Mayo.

Lincoln: Alright, everyone, let's get cooking.

Ronnie Anne: This is going to be so awesome. I've helped Abuela out in the kitchen, and the food she made is so awesome. So, what's on the menu for Cinco De Mayo, Linc?

Lincoln: I've got it all planned out: Tacos, Burritos, Tamales, plates of tortilla chips with salsa and guacamole, Taquitos, Chilaquiles, Molé Poblano, Carnitas, Barbacoa, Fish Tacos, Pozole, Mexican Street Corn, and for drinks, Horchata.

Ronnie Anne: Whoa, that's quite a menu. Let's get started.

Lincoln and his harem got started by making the Tacos, Burritos, Tamales, plates of tortilla chips with Salsa and Guacamole, Taquitos, Chilaquiles, Molé Poblano, Carnitas, Barbacoa, Fish Tacos, Pozole, and Mexican Street Corn. Then, they also made the Horchata drinks, and it was so awesome.

Lincoln: Awesome. Now, then, let's set everything up.

Lincoln and his harem then got the Tacos, Burritos, Tamales, plates of tortilla chips with salsa and guacamole, Taquitos, Chilaquiles, Molé Poblano, Carnitas, Barbacoa, Fish Tacos, Pozole, Mexican Street Corn, and pitchers of Horchata set up on the tables, and they also decorated the room for Cinco De Mayo, and it was so awesome. We then came into the room, and it was amazing, and we also saw the food they made.

Me: Holy moly, this is quite a Mexican buffet you guys set up, Lincoln.

Lincoln: Thanks, J.D., and let me show you all what we made: Tacos, Burritos, Tamales, plates of tortilla chips with salsa and guacamole, Taquitos, Chilaquiles, Molé Poblano, Carnitas, Barbacoa, Fish Tacos, Pozole, Mexican Street Corn, pitchers of Horchata.

Nico: That looks so good!

Ronnie Anne: And I also got something else for the table: Enchiladas and for dessert, I got Churros with chocolate sauce, Mexican Brownies, Tres Leches Cake, Dulce De Leche, and Flan.

Lincoln: Thanks, Ronnie Anne, this is the last part to complete the Cinco De Mayo buffet table. Alright, everyone, dig in.

We tried out the food that Lincoln and his harem made, and it was so awesome, and our taste buds are going into overdrive.

May: Wow, the food you guys made is really delicious!

Nico: Yeah, this is so awesome.

Me: You guys did awesome cooking up the food for Cinco De Mayo.

Lincoln: Thanks, J.D.

Ronnie Anne: Abuela, how do you like the food?

Rosa Casagrande: (Spanish Accent) I love it, mija. You all did amazing with making the food for Cinco De Mayo, and the food is truly amazing.

Bobby Santiago: And you guys did awesome in making Pozole, it's one of my favorites, along with so many of my favorite foods.

Maria Santiago: I still remembered all those times you cooked some amazing food for Cinco De Mayo, Mom, and now, my daughter, Lincoln, and his harem are also carrying on the tradition.

Lincoln and his harem shared a kiss and they also grabbed plates and they also enjoyed the food they made.

---

Later it was time for Applejack's Final Ambassador Mission.

Snoopy barked.

Rodney: Nice to meet you, Snoopy!

Snoopy and Rodney shook hands.

Nico: This is awesome.

Andy Johnson: By the way did you guys find out who beat up Kyle and Salty Mike?

Me: We sure did and you will not believe it.

I told them who Hibiki and Uta were and it was incredible.

Andy Johnson: WHOA!

Rodney: Serves them right.

Me: Yeah hopefully that beatdown Hibiki and Uta gave them brought those two down a few pegs. But if it didn't I have something awesome to show and scare them with.

Nico: I have a feeling this will be fun.

Me: Yep.

Andy: I was thinking we can go relax at the amusement park.

Andy Johnson: That's perfect!

Darlene: It sure is! Thanks guys.

Pinkie Pie: OOHH! Cotten Candy!

Me: Yes plenty of it.

Pinkie Pie went and got some.

Andy Johnson: There's my favorite game.

We went to the bell tower.

Nico: Awesome. Give it a shot.

Andy Johnson: Here goes.

He took the hammer and then smashed the pad that sent the weight up to the bell and it just barely hit it.

Me: Wow! That was great Andy! You almost hit it.

Applejack: You sure did.

Nico: Even if you haven't gained any powers yet, you're still pretty strong.

Me: You sure did. Awesome job.

Andy Johnson: Thanks.

Me: Now just this out.

I went over and then…

KRASMASH!

I punched the pad and sent the weight flying up and then…

BLANG!

I sent the bell flying into the air and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It hit a drone that was built by the Bugster's inadvertently and destroyed it!

Nico: WHOA!

Muscle Man came.

Muscle Man: Hey, guys!

Me: Hey Muscle Man.

Andy Johnson: Wow! Are you Muscle Man?

Muscle Man: Yeah that's right. Awesome to meet you Andy. And you as well Rodney.

Rodney: Same here to you.

Muscle Man: Oh, and if Kyle and Salty Mike show up, leave them to me.

Andy Johnson: Thanks Muscle Man. Show that monster who is boss!

Muscle Man: You know who else will show that dweeb who's boss!?

Nico: We know what's coming here.

Muscle Man: MY MOM!

We laughed at his joke!

Me: OOOOOOOOOOOOHHHH!

Muscle Man: OOOOOOOOOOOOOOOHHHHHH!

But then Kyle and Salty Mike appeared.

Kyle: I don't know what that bubble Kamen Rider was, but he's not here to save you this time!

Salty Mike: All we wanted was to spike your lemonade. But that bozo had to interfere!

Nico: FYI that wasn't a Kamen Rider. It was your downfall.

Me: And also I have this to show you.

I pulled out a special Gashat.

Me: This is gonna be good.

DANTE'S INFERNO!

Me: HENSHIN!

I inserted it into a Transformation Belt for EX-Aid and I transformed into my new DANTE'S INFERNO EX-AID KAMEN RIDER FORM!

Nico: WHOA!

Eli: COOL!

Coloratura: Oh wow!

Me: Now you demons will be absolved.

Nico: A Dante's Inferno Ex-Aid form? That is so cool!

Me: Yep.

Nico: What level is this one?

Me: Level 10,000. More powerful than all the Bugsters in the world combined. My daughter Nicole killed Kuroto Dan and loaded him into her own Kamen Rider Belt. It's now his prison

forever.

Nico: WHOA! That is AWESOME!

Eli: YEAH!

Muscle Man: I'll take care of theses two. As promised.

Me: Go get them! I just wanted to show off.

Muscle Man went up to Kyle and Salty Mike.

Kyle: Who are you supposed to be, fatass?

Muscle Man: Someone who will kick your ugly ass! And you know who else is gonna kick your ass? MY MOM!

Kyle: Well she must be a big dumb moronic bitch!

We gasped when he said that!

Me: Uh oh.

Nico: He just signed his death warrant.

Muscle Man: You two are gonna get it! (ROARS IN FURY!)

He jumped them and pulverized the living shit out of them!

Andy Johnson: Whoa he is mad!

Rodney: Understatement.

Muscle Man grabbed Salty Mike by the beak. He threw him into Kyle and smashed him down.

Nico: YEAH!

Eli: TEAR THEM LIMB FROM LIMB!

Muscle Man pulverized them both all over for 20 minutes.

Muscle Man: Alright. I'm finished.

Nico: Awesome!

Me: I was saving this finisher for the big day with the EX-Aid Kamen Riders but watch this.

I had my scythe ready.

FINISHER! DANTE'S MARTYRDOM SHOT!

I swung the scythe and fired waves of energy and they formed into crystals and smashed into Kyle and Salty Mike and smashed them all over the place.

Nico: WHOA!

Me: YEAH!

GAME CLEAR!

I reverted back.

CLICK AND SAVE!

Andy: Applejack, ever since I met you, I've come to see you as a big sister.

Applejack: Aww Andy. That is sweet!

Applejack and Andy hugged.

Nico: So cool.

Eli: Yeah.

Charlie Brown: This was fun.

Later we came back.

May: Hey guys. How did it go?

Nico: Really awesome. We took Andy, Rodney and Darlene to Phoenix Land.

We told everyone everything and they were amazed.

May: WHOA! Muscle Man gave one awesome beatdown!

Me: Yep he sure did.

May: Will, Animorphs Jake and 3 Rabbids will be going with you on your mission with Eiji Hino.

Will Vandom: COOL! This is gonna be awesome.

Nico: We're going to have our hands full as we collect medals and coins all over.

Eli: No kidding!

Laney: Yeah this is gonna be awesome.

We then got the party underway.

Mascots: HAPPY CINCO DE MAYO EVERYONE!

Nico: Same to you guys.

Me: Cinco de Mayo is so awesome.

Eli: Boy it sure is.

Poison Ivy: That's all the food prepared.

Me: Yep. We have burritos, tacos, mole poblano, chalupas, chilis en nogata, enchiladas and more.

Eli: So awesome. Arrietty do you think it's all beautiful that Cinco De Mayo has all this history and culture behind it?

Arrietty: I sure do. It's so amazing and breathtaking.

Eli: Yeah I agree there.

Camie: That is amazing that you know Arrietty, Eli.

Eli: We met on a mission last year. I became the guardian of the Borrowers.

Me: Just like my friend Henry Bigg is the guardian of the Littles.

Camie: That is so awesome.

Rosa Casagrande: (Speaking in Spanish) Feliz Cinco de Mayo! (Happy Cinco De Mayo)

Me: (Speaking Spanish) Y un feliz Cinco de Mayo para ti también Rosa. (And a good happy Cinco de Mayo to you too Rosa.)

Kameo: There's even the Burritos that you guys brought home.

Nico: That's right. You would be amazed at what we saw on the Burrito Planet.

Me: It was huge. And amazing.

Sirius: Boy that is so awesome.

Eli: It sure was a sight to behold.

Camie: Eli if you don't mind me asking, how did you and Arrietty meet?

Eli: That was a great mission and story.

Me: It sure was bro. You can tell her.

Eli: Sure. It was a really awesome adventure and it happened 3 days after we killed Xehanort.

FLASHBACK - Chapter 1479

Over the deserts of Arizona, me and Kay Tudor were flying over the hot sands.

Kay: Funny that I'm helping you out on a rescue after our visit to Britain the other day.

Kay concentrated and groaned as her hands started trembling.

Me: I know it sure feels cool though.

She turned into hew King Crab Gene-Slammer form, GIANTCLAW!

Me: YEAH!

Then we saw something unusual over a mountain and we flew up and we saw a huge robotic energy vampire machine and it was the monster from the 1957 movie of the same name: KRONOS!

---

Kronos is the titular main antagonist of the 1957 black-and-white sci-fi movie, Kronos (also known as Kronos, Destroyer of the Universe). It is a gigantic, slow-moving extraterrestrial robot that came from outer space.

History

What appears to be a large saucer shaped meteorite crashes into the Pacific Ocean near Mexico, following an unexplained break-in and assault by a deranged man at a secret U.S. research facility. The crashed meteorite soon reveals itself as an even greater menace than first believed, with grave implications for the survival of the human race.

A gigantic machine, Kronos attacks power plants in Mexico, draining them of their energy. In doing so, Kronos grows in size, becoming larger as it consumes more and more energy. Kronos is discovered to be an accumulator sent by an alien race that has exhausted its own natural resources. They have sent Kronos to drain the Earth's power and return it to their own dying planet. A scientist, under control of an unseen alien presence, suggests fighting Kronos by dropping an atomic bomb onto it using a B-47 Bomber, which is done. Kronos only absorbs the bomb's power and grows to titanic size. It threatens to drain the world's cities and starve the Earth of power, but scientists devise a plan to reverse Kronos' polarity, which causes it to feed on itself. Kronos explodes and the Earth is saved.

---

Me: WHOA! That's Kronos!

Giantclaw: What is Kronos?

Me: This is the robotic energy vampire monster from the 1957 movie Kronos. Really unusual movie from my dad's past.

Giantclaw: Oh wow!

?: Let us help you with taking him down!

We saw a girl appear and on her shoulders were a Plusle and a Minun. The Girl was a Thunderbird!

Me: Whoa you're a Thunderbird!

Miannda: That's right. I'm Miannda and it's a pleasure to meet you J.D.

Plusle: Same here. My name is Gina Tamarac and this is my twin sister Mina.

Minun: Pleasure to meet you.

Me: Pleasure to meet you all. Lets get this monster!

We went at Kronos and fired massive blasts of magnetic energy and lightning and blew it apart in a massive fiery explosion.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Kronos was completely destroyed.

Me: Take that!

Miannda: YEAH!

Giantclaw: That was awesome!

Me: Gina, Mina, how would you two like to change at will and use your powers to help people?

Gina: Yeah we would like that!

Mina: Yeah!

Me: Okay.

I put on my blind man glasses and snapped my finished and then Gina and Mina reverted back and they were naked. Then Kay reverted back.

Kay was human again. But topless.

Kay: (covers her boobs) Good thing that wasn't the Titan Kronos.

Gina Tamarac: (Covers herself) Thank goodness. That was brutal and intense.

Mina Tamarac: (Covers herself) It sure was. Wow!

I gave Kay, Gina and Mina new clothes and they put them on.

Miannda: That was amazing though. That was enough energy to destroy it 100 times.

Me: It sure was.

Kay: Thank goodness we destroyed it though.

Me: Yeah. Lets head back to the Estate.

We went back. When we arrived I told everyone everything and it was incredible. Miia was happy that Miannda was back.

After we got back after destroying Kronos, we were outside, and Lincoln was going to show us a little surprise, and it pertained to after his counterpart/ancestor from 250,000,000,000,000 years ago merged with him yesterday.

Me: Alright, buddy, whenever you're ready.

Lincoln was in an old shirt that had holes on it, and it once belonged to his dad long ago. His dad decided to get rid of it, so he gave it to Lincoln for this purpose, and he had his Sword of Taranis holstered on his wide muscular back, his Orange Crystal Saber holstered on his left hip, and Eater of Sins revolver holstered on his right hip.

Lincoln: You got it, J.D. Alright, then, here goes.

Suddenly, we saw a neon blue outline surround Lincoln's body, and we were told by Lincoln 2 that this was the final part of Lincoln's transformation. Then, we saw Lincoln permanently grow from 6'10" back to 7'0", and his large and powerful muscles grew back to his abnormally large and powerful muscles, which shredded the old shirt his dad gave him, showing his permanently bare chest and massive pecs with his lightning bolt cutie mark with the thunderbird and comic books on his right massive pec, eight-pack abs and his Celtic Cross cutie mark tattoo with the Earth surrounded by the ring of mermaids, and sapphire blue kanji on his wider muscular back, and Pisces constellation and Aquarius Zodiac sign on the back of his neck, and his weighted orange bands on his large biceps and thighs stretched out when he underwent that massive muscle growth. Lincoln 2 told us yesterday that Lincoln's hunky form was now his permanent body, but I did give him the ability to change forms, especially his 11-year-old form when he goes to school.

Then, his large blue angel wings surging with powerful super lightning grew back to their larger size for his now permanent 7'0" hunky body with abnormally large and powerful muscles, but the wings now have stars and nebulae reflecting on the feathers, his orange version of He-Man 2002's loincloth with hanging silver lightning bolts reappeared, along with the long orange trench coat coattails with hanging silver lightning bolts, his blue pants with blue lightning bolts on the legs changed back into his blue pants with gold lightning bolts on the thighs, and his large white sneakers had permanently change back to the large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area. He still had on his Thunder Kanji earrings, his Thunder Kanji necklace on his permanently bare chest, his large fingerless black gloves with the symbol of The Loud House on it, and his Orange Buffalo Animal Spirit Ring also grew for his now larger hands.

We also saw Lincoln's deep sapphire blue eyes turn neon deep sapphire blue with the sclera turning into the endless depths of space with stars and lightning, and his massive neon blue energy aura with lightning flare up, and it turned into a massive neon blue vortex, as lightning came crashing down like crazy. Then, when the massive neon blue vortex faded away, Lincoln emerged, and he transformed into SUPER ANGEL-EBONWU 500,000,000,000,000 SUPERCELL LIGHTNING THUNDERBIRD FURIOUS HYPERSTORM OF JUSTICE, and his infinite power and energy levels were just as powerful as mine.

We were stunned with awe and shock at what happened to Lincoln, and the girls in his harem knew in advance that Lincoln's hunky form was now his permanent new body, after his counterpart/ancestor from The Ebonwu Squadron merged with him yesterday.

Me: Whoa, Lincoln, you've acquired a Super Angel-Ebonwu 500,000,000,000,000 form!

Nico: Amazing!

Lincoln: (Divine Echoing Electrical Voice of Justice) **Yeah, this was the surprise that I had in store for you guys, and it was because of what happened yesterday when Lincoln 2 merged with me yesterday.**

Nico: And you're planning on testing it out, right?

Lincoln: (Divine Echoing Electrical Voice of Justice) **Yep.**

Suddenly, Manaphy saw something heading our way. It was more Trump supporters, and they were out for blood again, and they had weapons.

Me: It looks like your opportunity has presented itself, Trump supporters are heading this way. Let 'em have it.

Lincoln: **You got it.**

Trump Supporter: DESTROY THE TRAITORS! MAKE THEM PAY FOR KILLING TRUMP!

The Trump supporters charged at the team, but Lincoln charged at them faster than a bolt of lightning, and punched them with brutal superhuman strength, and sent them flying into a wall. Then, Lincoln fired powerful blasts of super lightning and neon blue energy from his right hand, larger blue angel wings, and from the large eight orange orbs orbiting around his legs, and powerful neon blue energy waves from every swing of his Sword of Taranis, which hit and electrocutes them, and it'd also melted their weapons to molten metal. They had guns, crowbars, aluminum baseball bats, and knives.

Lori: Whoa, now that was really electrifying!

Girl Jordan: You said it, Lori. GO, LINKY! MAKE THEM PAY!

Lily the Mermaid, Lincoln's wife, and the many girls in Lincoln's harem cheered wildly for Lincoln.

Then, Lincoln saw two more Trump supporters heading for them, and with a few swift swings of his Sword of Taranis, he shredded their clothes, and left them in their boxers. As soon as they saw they were in their underwear, they screamed like girls, and we laughed hysterically. TOTAL HUMILIATION!

We then joined in, and pummeled the rest of them, and we tied them up with strong nylon ropes, and called Agent Waco and The FBI in, and they were loading them into armored cars. In total, there were 9,849 members that we dealt with, even more than yesterday. But, we're still bringing their numbers down, and now, the arrested members were heading for prison. Lincoln holstered his Sword of Taranis powered down and his neon deep sapphire blue eyes turned back to his deep sapphire blue eyes, but like Lincoln 2 said yesterday, Lincoln's 7'0" tall, permanently bare chested hunky body with abnormally large and powerful muscles and eight-pack-abs, his larger blue angel wings surging with powerful super lightning with reflecting stars and nebulae in the feathers, and his orange version of He-Man 2002's loincloth with hanging silver lightning bolts reappeared, along with the long orange trenchcoat coattails with hanging silver lightning bolts, his blue pants with blue lightning bolts on the legs changed back into his blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, were now his new permanent clothing.

Trump Supporter: YOU HAVE RUINED TRUMP'S ATTEMPTS TO SAVE THIS COUNTRY, WE WILL KILL YOU ALL IF IT'S THE LAST THING WE DO, YOU FUCKING TRAITORS!

Lincoln casted a stare on him with his deep sapphire blue eyes, just like when Fluttershy uses her stare, and he had a lot to say to him.

Lincoln: **Let me tell you something. Trump has caused a lot of trouble with the crimes that he's committed, and he's not a savior to this country, he was tearing it apart, and don't get me**

**started on the incalculable deaths that resulted from his foolishness. We have no regret for what we did, Trump is a traitor who deserved to be banished to The Warp, but you made the big mistake by following that madman's words, and instigated chaos in the nation by declaring war on us for ridding the world of that stupid madman. YOU'RE NO SAVIOR, YOU'RE JUST A BIG! STUPID! PSYCHOTIC! MADMAN!**

That caused the Trump Supporters to crap their pants nine times, and caused me to jump into Varie's arms and Nico to jump into May's arms in fright.

Me: Man, that was even scarier than when Fluttershy uses her stare on any villains.

Nico: No kidding, but, wow.

This intrigued Fluttershy, only she knows how to use her stare, and the rest of her friends have seen it in action many time, but for Lincoln to use it, this really got their interest.

Fluttershy: Wow, Lincoln, how did you learn how to use my stare?

Lincoln: **I've seen how you use it many times, and I thought I could give it a try.**

Me and Nico climbed down.

Nico: And it worked, bro.

Luna Loud: Yeah, dude, we saw what you did to those morons.

We cheered wildly as we went back home, and the 9,849 members were taken straight to prison to face the ultimate sentence: Life In Prison Without Possibility of Parole, and were put in separate cells in solitary confinement and isolation, with the two things left to haunt them until the end of their lives are the darkness and Lincoln's stare.

Later Nico was getting ready to head to the Aligned Transformers universe.

Nico: (to me) I'm off to the Aligned Universe. I heard Miko and Raf are working on something.

Me: Okay have fun.

Nico: Thanks.

Nico left through a portal and he went to the Aligned Universe.

In the Aligned Transformers Universe, Nico arrived and everyone saw him.

Nico: Hey, guys. Did you miss me?

Aligned Bumblebee: You bet we did Nico.

Miko: You will love what I made.

Nico: Okay.

Nico followed Miko to her room and on a computer she pulled up something.

Miko: You're gonna love what I made with Raf's help!

Nico: Lets see.

Miko pulled up on the computer a funny cartoon and it was me and I was at a bowling alley.

Angry Me: This game is gonna be fun. Now to have some fun.

I rolled a ball and it went into the gutter and I got a gutterball.

DUN DUN!

Angry Me: (INFURIATED) SON OF A FUCKING BITCH!

My head explodes!

DUN DUN!

Nico was rolling on the floor and laughing his head off!

Aligned Sideswipe: (laughs) Now that's funny!

Nico: (Laughing hysterically) THAT WAS HILARIOUS! That's just like the Angry J.D. cartoon that I made.

Aligned Bumblebee: That is really funny.

Nico: It sure is! (LAUGHS)

Aligned Bulkhead: Miko, you know J.D.'s gonna be pissed at you for making this video.

Miko: It's worth it, Bulk!

Nico: Nah. J.D. likes these cartoons and they are so funny. We get a good kick out of all of them.

Miko: I didn't know about that.

Nico: We get a good laugh out of them. Bart made a cartoon about his dad called Angry Dad and then I made one like this called Angry J.D.

Miko: Wow that is coincidental.

Aligned Smokescreen: (grins) And that's why you never get angry while bowling!

Nico: You got that right. That was so funny.

Strongarm: It sure was hilarious.

Nico: We hardly ever play bowling that often.

Strongarm: Oh.

Later Nico came back.

Nico: (to me and the people who know about the Aligned universe) You won't believe the funny video I saw today.

Me: Lets hear it.

Nico whispered into our ears and then we laughed hysterically and rolled on the floor and laughed our heads off.

Me: (LAUGHS) OH THAT IS FUNNY!

May: (LAUGHS) THAT IS HILARIOUS!

William: (to me) Dude, as funny as that was, you have to keep this video a secret since it came from the Aligned universe. Who knows how the Loud Kids might react when they find out Nico's been sneaking out on them?

Me: I know. And I will keep it a secret.

May: Same with me. But that was so funny.

Me: Oh right. I have a special treat for you all. We're gonna go meet my friend Henry Bigg. You guys are gonna love him.

Nico: Cool! That's right Beetle mentioned him in one of our usual battles.

Me: Yep. He lives in just down the street from here. Lets go.

We went down to the surface and we were walking to Henry's house.

Splash Woman: So, we're gonna meet some old friends of yours?

Me: Yep we sure are. And like what Beetle said, we're going to meet my friend Henry Bigg. You guys will love him. He is a really awesome guy.

Nico: Cool it will be awesome to meet Henry.

Me: Yep.

We arrived at the Bigg house and I knocked on the door and then answering it was Henry Bigg.

Henry Bigg: J.D.!

Me: Hey Henry.

We hugged.

Henry Bigg: Wow it's great you're here.

Me: Same here.

Henry Bigg: Wow and you are also the leader of Team Loud Phoenix Storm. So amazing.

Me: I know. Came a long way over the last 5 years.

In Henry's room, Henry was showing us something.

Henry Bigg: Like J.D. knows, he and I both have a special secret. We are the only ones that know about tiny people living in my house called The Littles.

Out came a bunch of little people and they were The Littles. They were no bigger than the palm of your hand and they had tails and elf ears.

Tom Little - The older of the two Little children.

Lucy Little - The younger of the two Little children.

Grandpa Little - The oldest member of the family.

Dinky Little - A cousin of the family (as in the books, where he is always presented as 'cousin Dinky').

Frank Little - the father in the family.

Helen Little - the mother in the family and the daughter of Grandpa Little.

Ashley Little - A second, younger cousin of the family.

Tom Little: Wow J.D.!

Lucy Little: Awesome to see you again.

Me: Same to you guys. Great to see you too. I promised that I would be back after I formed my own team and here they are.

Drix: It truly is nice to meet you all.

Tom Little: Same to you. We heard so much about you.

Lucy Little: It's awesome to see you again J.D. and you are now the leader of Team Loud Phoenix Storm. So cool.

Dinky Little: Yeah that is so cool!

Me: I get that a lot. But as promised, we came to introduce ourselves.

Motormaster: Now I see why you guys are called the Littles.

Tom Little: Yep.

Everyone introduced themselves.

Lucy Little: SO awesome to meet you.

Rodimus Prime: Don't worry. We'll keep you guys a secret. (sighs) Guess there are some secrets that should remain in the dark.

Me: Yep. And there are a bunch of people that would use the Littles in research and we can't let that happen.

Nico: Is there one specific enemy in particular that Henry has?

Me: Yes there is and his name is Dr. Erick Hunter. He is a madman that wants to show the world that The Littles exist.

Nico: Like how Crocker wants to show the world about Fairy Godparents existing even though everyone already knows.

Me: Yep. That's exactly right.

Henry Bigg: And I promised to make sure that the secret never gets out.

Me: And now it's all our secret too. It's best to keep this one hidden in the dark.

Eli: Yep it sure is. And if anyone ever finds out, I'll use the Force to erase their memory.

Anakin: I didn't know the Force was capable of doing that.

Mace Windu: It's an ancient technique of the Force that was thought to have been forgotten ages ago.

Me: That's amazing. My Caveman self must've learned about that technique and taught it to Eli.

J.D. 3: Yes I sure did.

Henry Bigg: Wow that is amazing.

Lucy Little: Yes it sure is.

Nico: It sure is.

We were later back at the estate and we were then getting ready for our next mission.

Sissi Delmas: B.T.W., J.D.? It's your turn to lead today.

Me: I know Sissi and first we're gonna start the mission by watching one of my favorite movies.

I pulled out a case for the movie The Secret World of Arrietty.

Lola: Awesome! That's one of my favorite movies!

Lana: The Secret World of Arrietty is awesome!

Laney: Arrietty as in Arrietty from The Borrowers? Oh wow!

Twilight Sparkle: That sounds like a really interesting one.

Henry Bigg: That's a cool movie.

Tom Little: It sure is. And the Borrowers are good friends of ours too.

Me: Wow that's awesome that you know the Borrowers.

Sakura H.: That is amazing. But what are the Borrowers?

Me: They are tiny little people about the same size as The Littles and they borrow things hence their name. They live in tiny houses underneath homes. Stranger story there. Few people know about them.

Laney: Be right back.

Laney went to her room and went and got a book and she came back with a book called The Borrowers.

Laney: This is the book called The Borrowers. I read it 5 times and it was awesome. You can read it too if you want Sakura.

Sakura H.: Thanks Laney.

Sakura took the book and started reading it.

INSTIGATOR, Zzzax, Electrocutioner, Chemistro, Beetle, Diabolico, Pied Piper, Vulture, Molten Man and Sportsmaster then appeared.

INSTIGATOR: Anytime you guys figure out how to proceed with the next mission, me, Zzzax, Electrocutioner, Chemistro, Beetle, Diabolico, Pied Piper, Vulture, Molten Man and Sportsmaster will join you guys.

Me: You all sure can. First we're gonna watch the movie The Secret World of Arrietty.

Beetle: Cool! That's a great movie and I used to watch the movie the Borrowers a long time ago.

Nico: That was a cool movie.

Me: Lets get the movie started.

Lucy Little: Yeah!

Beetle: Wow! You guys met the Littles. Awesome!

Jabberjaw: Woo woo woo. Amazing people.

Nico: Yeah they are.

We got to watching the movie.

---

A boy named Shawn remembers the week in summer he spent at his mother's home with his maternal great aunt, Jessica, and the housemaid, Haru. When Shawn arrives, he gets a glimpse of Arrietty, a Borrower girl, returning to her home through an underground air vent.

At night, Arrietty's father, Pod, takes her on her first "borrowing" mission, to get sugar and tissue paper. After obtaining a sugar cube from the kitchen, they travel to a bedroom which they enter through a dollhouse. It is Shō's bedroom; he sees Arrietty when she tries to take a tissue from his table. Startled, she drops the sugar cube. Shawn tries to comfort her but Pod and Arrietty leave.

The next day, Shawn puts the sugar cube and a little note beside the air vent. Pod warns her not to take it because their existence must be kept secret from humans. Nevertheless, she sneaks out to visit Shawn in his bedroom. Without showing herself, she tells him to leave her family alone but they soon have a conversation, which is interrupted by the crow. The crow attacks Arrietty but Shawn saves her. On her return home, Arrietty is intercepted by her father. Realizing they have been detected, Pod and his wife Homily decide they must move out. Shawn learns from Jessica that some of his ancestors had noticed the presence of Borrowers in the house and had the dollhouse built for them. The Borrowers had not been seen since.

Pod returns injured from a borrowing mission and is helped home by Spiller, a Survivalist boy he met. Shawn removes the floorboard concealing the Borrower household and replaces their kitchen with the kitchen from the dollhouse to show he hopes them to stay. However, the Borrowers are frightened by this and speed up their moving process. Pod recovers and Arrietty bids farewell to Shawn. Shawn apologizes that he has forced them to move out and reveals he has had a heart condition since birth and will have an operation in a few days. The operation does not have a good chance of success. He is accepting, saying that every living thing dies.

Haru notices the floorboards have been disturbed. She unearths the Borrowers' house and captures Homily. Alerted by her mother's screams, Arrietty goes to investigate. Saddened by her departure, Shawn returns to his room. Haru locks him in and calls a pest control company to capture the other Borrowers alive. Arrietty comes to Shawn for help; they rescue Homily and he destroys all traces of the Borrowers' presence.

On their way out during the night, the Borrowers are spotted by the cat Niya. Thereupon Niya leads Shawn to the "river", a small rivulet, where the Borrowers are waiting for Spiller to take them further. Shawn gives Arrietty a sugar cube and tells her that she will always be a part of him and that her courage and the Borrowers' fight for survival have made him want to live through the operation. In return, Arrietty gives him her hair clip, a small clothespin, as a token of remembrance. The Borrowers leave in a floating teapot with Spiller in search for a new home.

---

We loved the song at the end and it was so cool. We saw the Teapot that Arrietty and her family was in drifting down a river and it went to who knows where. When the movie was done we cheered.

Me: I always love that movie.

Eli: Me too and I would gladly look after Arrietty and her family.

Nunnally: Me too.

Aylene C.: I wonder where they went.

Me: Boy no idea.

Nico: Well you'll figure it out J.D. How about you go outside and get some fresh air?

Me: Good idea. I'll be back in about an hour guys.

Nico: Okay.

I flew off.

## BUTCHART GARDENS, BRITISH COLUMBIA, CANADA

I was walking through the beautiful Butchart Gardens of Brentwood Bay in British Columbia, one of the most beautiful and colorful gardens in all of North America.

Me: You know I've always wanted to come here. It's so serene and beautiful.

I then pulled out my flute and I was playing Arrietty's song from the movie and it was beautiful. I was walking by the beautiful flowers while I was playing and the birds were even singing along with me. All the butterflies were even swirling around me and it was beautiful too. I finished playing and then I got to a small river and then I saw something that was out of the ordinary and I saw the teapot from the movie.

Me: It's the teapot.

I went over to it and saw that it was on the edge of the riverbed. I went over to it and picked it up and then I heard a gasp and saw Arrietty and her mother and father inside it.

Arrietty gasped.

Arrietty: We've been seen.

Me: It's all right, I'm not going to hurt you.

Arrietty came out as I was holding the teapot in my hands.

Me: My name is J.D. Knudson and I'm the leader of Team Loud Phoenix Storm.

Pod: Oh wow! We've heard so much about you.

Me: I get that a lot. And you all must be Arrietty, Homily and Pod.

Arrietty: That's right. How did you know?

Me: Me and my team has many sources. Lots of things have happened to me and my team over the years and it's a long story.

I went to a cliff and Arrietty was sitting on my left shoulder as we were watching the sunset.

Arrietty: It's so beautiful.

Me: It sure is. How did you all get over here all the way from Japan? That's 5,000 miles all the way across the ocean.

Arrietty: Is that how far we floated from home?

Me: Yeah it sure is.

Arrietty: I hope Shawn is doing all right.

Me: I'm sure he is.

Arrietty: How did you become the leader of Team Loud Phoenix Storm?

Me: That is a lot of stories. First I'll start with how I got my powers.

I gave her the low down on how I got exposed to Cosmic Radiation and got all my powers and how my powers got stronger and stronger by the second and more and how many adventures we all did and so much more.

Pod: Wow that's amazing.

Me: It sure is. The adventures we've all been on have been absolutely amazing. We've been to many planets, many galaxies, and even different dimensions.

Homily: That's incredible.

Me: It sure is. I'm sorry you all had to leave because of Haru driving you all away from your home. She is a really delusional old lady.

Arrietty: Yeah. But we can be much safer with you and your team

J.D.

Me: Thanks Arrietty. We live in a huge tree where not even the most skilled of criminals can get to us.

Arrietty: In a tree?

Me: It's a gigantic tree. You'll see when we go home. Shall we head to the World Tree Estate?

Arrietty: Lets shall.

We flew back home.

---

I came back in.

Me: I'm back.

Gilda saw the Teapot in my hand.

Gilda: Is that a teapot?

Me: It sure is Gilda. But you won't believe who is inside it. (To Arrietty) It's okay. These are my teammates and best friends.

Arrietty and family came out and everyone saw them.

Nico: Oh wow it's Arrietty and her family.

Eli: Wow. So amazing.

Me: Yep. Arrietty, Pod, Homily, these are my friends and my entire team.

Pod: Wow. It's such an honor to meet you all.

Eli: Same here Pod.

Nico: It's awesome to meet you all.

Homily: We're nervous about all this.

Me: We're not going to hurt you Homily.

Fluttershy: It's gonna be all right.

Arrietty: That's good.

Flutterfly: The Borrowers and Littles are just so adorable and amazing.

Lincoln: They sure are.

I used my powers and formed a bunch of berries for them.

Arrietty: Thanks J.D.

Me: You're welcome.

They ate the berries.

Nico: Wow.

Eli: Hey I have an idea.

Eli went to the arcade and opened up a bar drawer and in it was a bunch of stuff and he came back with little cocktail swords.

Me: Little cocktail swords. Those are perfect bro.

I gave Arrietty a red Cocktail sword and gave pod a blue one and Homily a green one. I even imbued them with powers of the elements on a cosmic level. Arrietty's had fire, Pod's had water and Homily had nature.

Arrietty: Amazing.

Me: We're going to Japan to meet Sho and face Haru.

Nico: Cool and it's good you found Arrietty and her family J.D.

Me: Thanks Nico. Arrietty, it's time for you guys to make a stand.

Diabolico: J.D.'s right. It's time for you guys to stop hiding from Haru.

Arrietty: I agree. We need to stop hiding.

Me: I know it's not right but we can show her that you exist and then we can have her guard the secret too. But with someone at her age it's gonna take a lot of persuasion.

Lucy Little: But we can do it if we all work together.

Arrietty: I agree Lucy.

Pod: Yeah.

Me: Lets head out everyone. Arrietty, Pod, Homika, hold on tight.

Arrietty: Okay.

We were off to Japan.

SHIRAKAWA, JAPAN

We arrived in the beautiful village of Shirakawa in Japan and it was a beautiful and amazing village.

Me: Wow. So this is Shirakawa.

Nico: Never been to this part of Japan before.

Arrietty: It sure is pretty isn't it?

Me: Yes it sure is.

Eli: It's beautiful.

Zenet: (to Arrietty) How does it feel to be back home?

Contestir: Feels good, doesn't it?

Arrietty: It sure does.

We went to Shawn's summer home and we saw that it was in a beautiful forest area.

Me: It's a beautiful forest area. Shawn's summer home is beautiful.

We went into the front yard and it was beautiful.

Me: Wow. Look at all the grass and flowers.

Crysta: It sure is beautiful.

Arrietty: It sure is Crysta.

Lucy Little: It's magnificent.

We went up to the door and I knocked on it and answering it was Shawn.

Shawn: Wow Team Loud Phoenix Storm! It's an honor.

Me: Same to you Shawn. It's awesome to meet you. Arrietty and her family told us so much about you.

Shawn: How do you know Arrietty? She and her family are somewhere else.

Me: I met Arrietty and her family in Canada. Somehow they wound up in the Butchart Gardens in British Columbia, Canada.

Applejack: It's a strange story there.

Arrietty: Good to see you again Shawn.

Shawn: Arrietty. It's great to see you again.

He held out his hand and Arrietty hugged his finger.

Me: Aww.

Electrocutioner: Can we come in? Preferable before Haru finds us?

Shawn: Sure but I'm uncomfortable showing villains in.

Me: It's okay Shawn these are our frenemies. Long story but it's awesome.

We went in and Shō showed us around and the house was beautiful.

Me: Wow your house is nice.

Shawn: Yeah it's a nice summer home.

Onslaught: Have you been bored without Arrietty?

Shawn: Yeah ever since she left, I've thought about her all the time. Haru drove my only friend away.

Me: She has a lot of problems.

Shawn: Yeah she sure does but she can't help it because she is old.

Me: Ah.

Beetle: (to Arriety) You and the Littles are actually very alike Arrietty.

Arrietty: We sure are aren't we?

Lucy Little: Yeah it sure is cool.

Shawn: This is something you are gonna like.

We went into his room and Shō showed us a really beautiful and amazing dollhouse.

Me: Wow look at that Dollhouse.

---

The Dollhouse was made by Jessica's husband. It appears in Studio Ghibli's film The Secret World of Arrietty.

He knew of the borrowers' existence and he decided to make them a home. However, the borrowers lived in fear of the humans, and never lived in it. The dollhouse stands in Shawn's bedroom.

Shawn: This dollhouse was made by my uncle. He actually knew of the Borrowers existence and he made this for them so it can be their home. But because the Borrowers lived in fear, they never lived in it.

Me: Wow. It's very well made.

Nico: Yeah it sure is.

Eli: It would be a perfect home for Arrietty and her family.

Me: And Eli and Nunnally would make great guardians for Arrietty and her family. But if there are anymore Borrowers are out there, we would gladly place them into the protection of Team Loud Phoenix Storm.

Shawn: Wow. You have really good hearts J.D.

Me: Not to brag. But thank you.

Chemistro: (to Stewie) You think you can put Rupert in that dollhouse?

Stewie: In all honesty, he would not fit in there.

Chemistro: Darn.

Rarity: This doll house is simply amazing. It would be a perfect place for any Borrower.

Sweetie Belle: I think so too Rarity.

Me: I'll have to update the satellite systems so that we can find any Borrowers so that we can place them into our protection.

Lana: Good idea.

Lola: There might be many of them.

Nico: Our tree is big enough to house over half a planet.

Varie: That's big.

Celica: That's huge huh?

Runabout: Is the rest of your family home?

Shawn: Just my aunt. Haru is out getting groceries.

Me: Okay. We have to be ready should she pull a fast one.

Sportsmaster: (gets out hockey stick) If Haru tries anything, she's gonna get it!

Lightning: Calm down. She's an old lady.

Me: That's right and we have to respect our elders. Besides she doesn't have powers like we do. She's a normal human.

Sportsmaster: Oh right. Sorry.

Me: It's all right.

Shawn: What are you gonna do with Haru?

Me: Well after what she did to Arrietty and her family she needs to go to a nursing home. But first Shawn what can you tell us about her? We need to know as much as we can about her before we come up with a course of action.

Shawn: I'll tell you all I can about her.

He went over her history.

---

Miss Hara is the paranoid housekeeper of the house Shawn and his aunt move to. She is suspicious of Arrietty and her race and despises them. Miss Hara is intent on showing proof that they exist and kidnaps Arrietty's mother Homily as evidence, trapping her in a glass jar. She tries to keep Shawn from helping the Borrowers by locking him in his room. Fortunately, Shawn escapes with Arrietty, who helps Homily escape just before Hara brings Squeaky Clean Pest Control to the house to capture the Borrowers. Hara is finally foiled and throws a fit when she realizes her proof has escaped, trying to tell the pest control company that she is not crazy.

Personality

In the beginning of the film, Miss Hara at first seems like a loving, caring person. She takes in a young boy named Shawn who is battling a heart disease. Even getting somewhat concerned about Shawn when he's out in the rain, telling him to get inside or he'll catch a cold.

However, her true personality is shown as she gets more suspicious about the "little people" living inside of her home. Her paranoia grows and grows as strange things kept happening in her house, especially with Shawn wondering over the place she stays. However, when she eventually actually finds one of the "little people" who is Arrietty's mother, Homily, she kidnaps her. Hara's greed gets the best of her and even locks Shawn in his room so she wouldn't have her plan foiled, although this fails. It's not for certain what she wanted to do with Arrietty's family, but she calls the "Squeaky Clean Pest Control" so they could be contained.

Hara also reveals to be a bit dimwitted, most likely from her old age. Shawn's Aunt Jessica points out that she accidentally, yet quite frequently, parks her car in the middle of the driveway, despite Jessica having told her many times not to park it there.

---

We gasped in shock when he was done.

Laney: Whoa man. Does that all look familiar to you all?

Nico: Yeah it sure does. She is just like Kent Mansley.

Me: Yeah.

Muscle Man: Hey, guys. You know who else likes to keep important secrets?

Junk Man: (laughs) I know the answer to this one.

Muscle Man: My Mom!

We laughed.

Arrietty: I don't get it.

Me: We don't either but it's funny.

Laney: Yeah it sure is.

Nico: Yeah.

Me: Shawn what time will Haru be back?

Shawn: About 10 minutes.

Me: Okay.

Dirt Boss: No telling what kind of surprises Haru has.

Nico: Yeah.

Me: We must be ready for anything.

Haru: (Offscreen) Shawn, I'm back.

Me: There sure is. Arrietty, Lucy, be ready for anything.

Lucy Little: Right

Arrietty: Right!

Me: Here we go.

We went to the kitchen.

Me: Excuse me?

Haru saw us.

Me: Please excuse our intrusion Ms. Haru.

Haru: J.D. Knudson and all of Team Loud Phoenix Storm. It's an honor to meet you.

Me: Likewise. However we didn't come for formalities. We have some things we would like to talk to you about.

I made some tea for us.

Me: Sorry for coming in like this. We just want to talk to you.

Pied Piper: (taking things slow) You know Shawn hasn't had any friends for a long time, right?

Haru: Yes why do you ask?

Pied Piper: Well is it because you know about certain little people that you think exist right?

Me: Like say The Borrowers right? Like Arrietty here.

I had Arrietty come out onto my shoulder and Haru saw her.

Me: Haru you are absolutely right about the Borrowers existing. But because of people like you, they are living in fear. However we are going to place every single Borrower on the planet under our protection. That way they can live in peace and safety.

Haru: (pales) Well, look at the time. I should be heading to bed now.

Haru went to the door only to find Slash Man blocking it.

Slash Man: Oh, you should stay. We insist. (brings out Slash Claw) We've still got loads to talk about!

I pulled out some tea and we sat down.

Me: Please have some tea. Don't worry it's not poisoned.

I poured her some.

Haru: Thank you.

Me: One or two sugars?

Haru: 2 please.

I put two sugar cubes in her tea.

She drank some.

Me: Haru I apologize for what is happening right now. But there's really a reason why you are being reprimanded like this.

Nico: It's because of your greed.

Me: But because we are respecting our elders and you are a normal human we are going to spare you from a fate that we would normally deal to many of our enemies.

Arrietty: What fates are those?

Me: We have a habit of killing some bad guys. But only those that deserve it. They are the most evil of them all.

Arrietty: I see.

Me: Haru we can't allow you to take the Borrowers to show that they exist.

Haru: Why?

Me: Because they are living in fear because of that ambition.

Zzzax: (to me) "Killing some bad guys?" Do you know how many scumbags we killed during the final battle against Xehanort?

Me: I'm well aware of that Zzzax. But I'm being gentle with Haru to respect my elders.

Zzzax: Oh. Sorry.

Me: It's okay. Haru, we're just telling you this: Don't make mistakes that you will regret for the rest of your life. The Borrowers are people too. They have rights to live just like everyone else does and that's why we're having Arrietty and her family placed into our protection.

Miannda: That's right. Just like us monster girls do too.

Me: Yep.

Luxord: Believe it or not, we know two people who were obsessed with specific types of creatures. We mentioned them before you came in.

Me: That's right and they were Kent Mansley, a former police officer that went mad when he thought a giant robot from outer space was attacking a town in Maine, and Dr. Erick Hunter. They are after certain creatures but look where they ended up. Kent Mansley is in the Neptune Prison.

Twilight Sparkle: What did he do?

Me: Long story on that Twilight.

Arrietty: Must've been a bad one.

Me: You have no idea Arrietty.

I took out a thimble and filled it with Tea and gave it to Arrietty.

Arrietty: Thanks J.D.

Me: You're welcome.

Molten Man: Erick Hunter is actually still at large.

Me: I know I was getting to that.

Molten Man: Sorry.

Me: But yeah. Those two guys are dangerous.

Haru: I… see.

Me: Erick Hunter is trying to prove the existence of another group of people called The Littles. We are making sure that those secrets about both the Borrowers and The Littles stay completely in the dark.

Laserbeak: So, what do you say? Will you not go after Shawn's only friends anymore?

Me: Haru I would choose wisely if I were you. You know what me and my team are all capable of.

Haru then had tears stream down her face and then she broke down crying.

Haru: (Crying) I've been such a fool!

Shawn: Ms. Haru it's never too late for you to do the right thing and leave Arrietty and her family alone.

Haru: (Sniffles) I'm sorry. I let my paranoia and greed get the better of me.

Mr. Krabs went up to her.

Mr. Krabs: It's not your fault lass. Like you I was consumed with an endless love for money. I didn't care about anyone but meself.

Seamia: That's rough Mr. Krabs.

Miannda: Yeah it sure is.

Mr. Krabs: Yeah it was. Haru, don't make the same mistakes that I did when it came to money. It will only ruin you in the end.

Haru: (Sniffles) Okay.

Me: Good.

Vulture: (hears something) Wait. Do you guys hear something?

Me: What is it?

Vulture: Something is outside. It's coming this way.

We went outside and coming up the hill were 3 figures. One of them was OCIOUS P. POTTER!

---

Ocious P. Potter is the main antagonist of the 1997 film adaptation of The Borrowers. He is an arrogant, greedy and evil real estate lawyer who wants to destroy the Lender family's house and build luxury apartments in its place.

He was portrayed by John Goodman, who also played Big Dan Teague from O Brother Where Art Thou, Chuck Long from Evan Almighty, Bones Darley from Death Sentence, Marshall from The Hangover, Howard Stambler from 10 Cloverfield Lane, and Layton T. Montgomery from Bee Movie.

Potter started out as the lawyer of the Lenders, who have inherited a house from Mrs. Lender's aunt Mrs. Allabaster. When the property lease is being called into question whether the Lenders own the house or not, they stated that Mrs. Allabaster wrote a will that will prove their ownership. However, Mr. Potter seemingly states that he can't find the will and has already made plans to demolish their house in order to build condominiums on the land, and the Lenders have until Saturday to move away.

As Saturday hits by, the Lenders have moved away and Potter arrives at the empty house. It later turns out that Mrs. Allabaster never trusted banks and has hidden the will inside the house for her descendants to find, something which Potter deliberately kept from his clients. As soon as he finds the will (detailing the rightful ownership to the Lenders), Potter calls in City Hall to call in the demolition of the house. He then intends to burn the will, but Arrietty Clock (the protagonist of the film) and her brother Peagreen, two tiny people known as 'Borrowers' as they borrow stuff without being seen, recover the will, intending to save the house for both their family and the Lenders. Upon seeing the Clocks' underground home and believing that the house is infested, Potter calls in the local exterminator Jeff, who spays acidic foam into the wall, but Arietty and Peagreen escape from it. An impatient Potter asks Jeff how long will his job take, which startles Jeff so much he accidentally sprays foam in Potter's face and he screams in pain as it boils and bubbles on him. Jeff quickly removes the foam off Potter's face-though Potter loses his mustache in the process and his face is now left sunburnt red.

Potter then finds Arietty and Peagreen in the walls of the house and swings a hammer at the wall. Peagreen gets stuck on the claw of the hammer and is pulled out from the wall and flung across the room. He lands on a hanging light bulb and Potter tries to get him but can't reach. Potter swings the hammer at the lightbulb just as Peagreen manages to escape-leaving Potter electrocuted with his hair sticking straight up. He falls to the floor, and the hammer falls and hits him on the head.

Later, Potter demands Jeff to find the Borrowers, or "make him never work in this town again." Jeff introduces his secret weapon-his bloodhound Mr. Smelly to sniff Peagreen's jacket and track down the scent to a milk factory, where Peagreen is stuck inside a milk bottle after a certain mishap.

During the way, they occasionally bump into the local police officer Oliver Steady, who starts to question Potter's actions regarding the Lender house. Around the same time, Jeff starts to question Potter's intention of killing the Borrowers after seeing how capable they are, resulting Potter to break off with him just as he is doused with liquid cheese by Arrietty and another Borrower named Spud Spiller. As soon as Peagreen is saved by his family, Potter finally arrives at the scene, steals the will, and straps the five Borrowers to the cheese machine, intending to drown them into liquid cheese as revenge for humiliating him. Spiller then insults Potter to the point where Potter dumps him into another machine, apparently killing him. Potter then heads over to City Hall to call for demolition, but not before he taunts the Lenders' son Pete (who is a close friend of the Borrowers) that the Clock family are about to be drowned in cheese.

As soon as Potter leaves for City Hall, Pete saves the Borrowers from being drowned by liquid cheese, and they head over to City Hall (with help from Jeff, who lends in his van to drive Pete there). As soon as Potter reaches City Hall, he is briefly stalled by the receptionist, who gives him confusing directions to the demolition area in response to his rude behavior. Just as he finally reaches the room, Jeff and Pete arrive to stop him. Potter responds by sending them down the elevator before going into the room, only to find out that it's just a stock room (Jeff has deliberately misplaced the 'Demolition' sign on the front of the door) where the Borrowers trap Potter with Sellotape. Out of rage, Potter breaks away from the tape and traps the Borrowers, intending to suck them up in a vacuum. However, Spud (apparently having escaped the machine) arrives to the rescue by bringing an entire army of Borrowers who arrive to trap Potter by using wires and the ceiling fan. Arriety's father Pod then delivers a speech to Potter on behalf of the Borrowers, right before they leave as soon as the door opens. Pete, Jeff, and Officer Steady have arrived at the scene, where Pete recovers the will and shows it to Steady, proving Potter's deceit and his plan to cheat the Lenders out of their house. Having gone crazy about the Borrowers, Potter tries to explain his story, but an unconvinced Steady arrests him for fraud and theft.

With Potter's plans exposed, the Lenders moved back to their house while Pete remains friends with the Borrowers while keeping their existence as a secret. It is also implied that the Lenders are likely to sue Potter for deceit and fraud that he committed against them.

During the end credits, Potter is being seen at the police station trying to explain the existence of the Borrowers, only to be laughed uproariously at by Steady, the entire police force and even the convicts. The film closes with Potter's mugshots being taken, though he actually seems to enjoy it as if he were at a photography studio (most likely due to his sanity slipping from all he's been through). It can be implied afterward that Potter himself is disbarred from his job, and sentenced to either prison or a mental asylum for his crimes against the Lenders and Borrowers.

---

Me: Whoa! Aren't you Ocious P. Potter, a disgraced lawyer that was declared insane because of sightings of The Borrowers?

Mr. Potter: That's right! Those monsters ruined my life!

Me: You brought all that on yourself because of your endless greed!

Maria: Who are your two friends?

They showed themselves and we gasped in total shock!

Me: It can't be!

We saw that they were Bruce Wayne's murdered parents: THOMAS AND MARTHA WAYNE!

Nico: I don't believe it! It's Thomas and Martha Wayne!

Eli: But that can't be right! They were murdered in cold blood!

Arrietty: Who are Thomas and Martha Wayne?

Me: It's a very dark story Arrietty.

I told her and the Littles and everyone that hadn't heard about it everything.

---

Thomas went to medical school with Leslie Thompkins, Matt Thorne, and Anne Luitina. Thomas, Leslie, and Matt were known as "The Three Musketeers" at school, and were considered inseparable. They spent their graduation week at the Waldorf, and pictures were taken at a big AMA mixer. They signed one another's yearbook, "The Caduceus", and remained in touch for several years.

Thomas was a loving husband and father, and would often playfully toss his son in the air. He would always watch the television show "The Gray Ghost" with his son. He referred to Bruce as "stubborn" from the day Bruce was once told his son, "Those who have the most, must give the most".

Thomas Wayne with his wife, Martha Wayne, was killed by a mugger in front of his eight-year-old son in the so-called "Park Row Tragedy".

Legacy

The Waynes' murder would be the single most important event that drove Bruce Wayne to become Batman. Thomas was buried alongside his wife, Martha.

Thomas's son, Bruce, often had nightmares involving his parent's death and this helped continue his crusade as Batman. Bruce would have many photographs and portraits around Wayne Manor and the Batcave of his parents.

While in training for his career as Batman, Bruce "spoke" to a portrait of his parents. Bruce was considering abandoning his nascent crimefighting mission, which he saw as interfering in his social life, particularly with women. He asked Martha and Thomas which they would have considered more important, avenging their deaths as Batman versus finding a woman and marrying her, which is what they would have likely wanted for their son to begin with. A main reason Bruce was posthumously asking his father for guidance was his growing relationship with Andrea Beaumont.

Every year on the anniversary of his parents' death, Batman would put two roses in Crime Alley at the site of their death. He would occasionally place two roses at their gravestone as well.

The Thomas Wayne Memorial Free Clinic in Park Row was named for Thomas. After Matthew Thorne surrendered himself to the Gotham Police Department on charges on aiding criminals and practicing medicine without a license, Bruce Wayne met him to offer moral support, and asked Thorne to tell him about his father, wherepon the two men had a friendly conversation over coffee about Thomas' younger years.

Martha Wayne, along with her husband Thomas Wayne, was killed by a mugger in front of their eight-year-old son. The Waynes' murder would be the single most important event that drove Bruce Wayne to become Batman.

---

When I was done they were shocked!

Twilight Sparkle: That's horrible!

Sunset Shimmer: Who was it that killed them?

Me: A mugger by the name of Joe Chill. It was a murder for hire plot all motivated by revenge. Joe Chill was hired by convicted mob boss and murderer Lew Moxon.

I told them all about it.

---

# Joe Chill

**Joseph Chillton**, also known as **Joe Chill** or just **Joe**, is the general overarching antagonist of the *Batman* franchise. He was a petty thug who had the most severe effect on Bruce Wayne, because he was responsible for killing Bruce's parents: Martha and Thomas Wayne, however he regrets his decision after he discovers he is the reason why the Batman exists.

Not much is known about Chill except that he is, in most versions of Batman, a petty mugger who kills Bruce's parents Thomas and Martha while trying to take their money and jewelry after the Wayne family were walking home from seeing a movie by taking a shortcut in Crime Alley. When he demands Martha's necklace, Thomas moves to protect his wife and Chill kills him; he then kills Martha when she screams for help (In the Golden Age story that named chill, the event was censored to Martha dying from a heart attack brought on from the shock of seeing her husband murdered). Chill panics and runs away when Bruce begins crying and calling for help - but not before the boy memorizes his features.

In at least three versions of the Batman mythos, the Waynes' killer is never identified.

## Golden Age

In the Pre-Crisis era, Joe Chill was revealed to not just be a mugger but a hitman who was hired to kill the Waynes on Lew Moxon's orders. In the present, he has become a small-time crime boss and murdered at least one other man - a partner of his who squealed to the police.

Batman investigates Chill and eventually reveals his identity as Bruce Wayne, the son of the couple that Chill murdered. When Chill goes to his men for help, they angrily turn on him upon finding out he is behind the existence of the hated Batman and fire on him, Batman incapacitates the criminals and rescues Chill. Mortally wounded by the gunshots, Chill admits it's fitting Bruce got him after all and expires from his injuries.

## Post-Crisis

During the Post-Crisis era, Batman continues to watch Chill for many nights until he finally confronted him and provides Chill with the same gun he used to shoot the Waynes many years ago. After realizing who Batman really is and that he was responsible for his creation, Chill proceeds to commit suicide knowing that the entire criminal underworld would want him dead if they ever found out.

## The New 52

In the *New 52* continuity, before becoming Batman, Bruce Wayne confronts Joe Chill on the street with a loaded handgun and demanded why he killed his parents. Chill admits that he didn't even know who the Waynes were when he held them up in the ally and only wanted money to buy more alcohol. Chill's explanation enraged Bruce greatly but he managed to relent himself from killing Chill at the last moment.

## *Batman* (1989 film)

In the original script for 1989's *Batman*, written by Tom Mankiewicz, crime boss Rupert Thorne hires Joe Chill to murder Thomas Wayne because he is running against Thorne for city council. Chill is not mentioned in the final version of the film which was directed by Tim Burton. In that film, a young Jack Napier (who would later become **The Joker** ) is the Waynes' killer. Rupert Thorne is changed to Carl Grissom and the mugger is unnamed.

Joe Chill mugged Thomas and Martha Wayne, and tore away her necklace. The Waynes were then shot and murdered by his partner, Jack Napier, although his reaction implied that he did not anticipate that Jack would actually kill them. Then Chill began to run away in order to escape from the scene of the crime, and urged Jack to follow him.

## *Batman Begins*

Chill appears in the live-action film *Batman Begins* as a minor yet crucial antagonist. Like in the majority of Batman continuity, Chill is a small time criminal who, out of desperation because of extreme poverty (At the time, Gotham City was in the middle of an economic depression that was caused by the League of Shadows) mugs the

Waynes outside of an opera house and subsequently kills both Thomas and Martha Wayne. He is immediately apprehended by the GCPD and is sent to jail, where he shares a cell with mob boss Carmine Falcone.

Fifteen years later, Chill cuts a deal with the GCPD, arranging for his release on parole in exchange for testifying against Falcone in court. Bruce Wayne has returned to Gotham to attend Chill's disciplinary hearing (which the presiding judge, paid off by Falcone, makes public in order to get Chill "in the open") to apparently speak on behalf of his parents. During the hearing, Chill claims to regret his crime. Following the hearing, Bruce attempts to shoot Chill, but he is robbed of his chance for revenge when an assassin working for Falcone guns Chill down first.

After Bruce's revelation to his close friend Rachel Dawes that he wanted to kill Chill, Dawes slaps him and says that his father would have been ashamed of him. Feeling guilty, Bruce hurls the gun into the Gotham Bay and vows never to touch one ever again. During Bruce's confrontation with Carmine Falcone, Falcone claims that when he and Chill were in jail together that Chill bragged that when he murdered the Waynes, that Bruce's father "begged like a dog" for mercy. This, of course, isn't true, as the audience can see that Thomas didn't begged for his life as a dog when Chill went to kill him and his wife in the scene where the Waynes are killed, though it's unknown if Chill actually said that, considering that he was desperate for the money and seemed to regret his actions (most likely, Falcone made up the story to provoke Bruce, knowing that it would hurt him).

As in most Batman continuity, Chill's murder of Thomas and Martha Wayne leads to Bruce's desire to fight injustice, which once again makes Chill indirectly responsible for Bruce becoming Batman.

*Batman v. Superman: Dawn of Justice*

A Bronze Age version of Joe Chill appears in a flashback in the DC Extended Universe film. He is responsible for the deaths of Thomas and Martha Wayne. It's unknown if he acted on his own or was hired to kill them.

## *Joker* (2019)

In the 2019 psychological thriller, an unidentified man in a clown mask kills Thomas and Martha Wayne during riots orchestrated by Joker, feeling they had it coming for their "injustice" towards Gotham City. It was never confirmed if the man is named Joe Chill.

# Lew Moxon

**Lewis "Lew" Moxon** is the overarching antagonist of the Pre-Crisis era of the *Batman* franchise. A small-time gangster, he is most famous for hiring Joe Chill to murder Thomas and Martha Wayne in early versions of Batman's origin story, thus making him indirectly responsible for Batman's existence.

## Golden Age/Silver Age Version

Sometime prior to their murder, Dr. Thomas Wayne and his wife Martha attend a costume party to which Dr. Wayne wears a bat-like costume. Thomas is taken from the party at gunpoint to meet Moxon who orders Thomas to remove a bullet from his shoulder. Thomas does surgery on Moxon before overpowering him and his men.

Lew Moxon is arrested and sentenced to 10 years in prison for armed robbery. As he is taken away, he swears revenge on Thomas. Ten years later, a free Moxon informs Thomas Wayne that he will get someone else to exact that revenge. Soon afterward, Joe Chill kills the Waynes in an apparent mugging.

Years later, Batman learns of Moxon's involvement in the death of his parents, by which time Moxon is running a blimp company. Batman's first attempt to convict Moxon for the murder of his parents fails, as he is now suffering from amnesia and is able to pass a lie detector test. He is then released on bail with his only official crime being assault. Batman determines that Moxon's company must be a cover for illegal activities and continues to trail the gangster.

After discovering Moxon's illegal activities, Batman confronts the criminal dressed in his father's costume. Moxon suddenly remembers what he had done and begins to think that Batman is Thomas seeking revenge. Moxon flees and runs out into the streets, where he is struck by a passing car and killed.

Modern Age

Lew Moxon was reintroduced into modern Batman continuity as an elderly crime lord with failed political aspirations, who returned to Gotham City after several years in exile. In the past, Moxon traveled in the same circle of wealthy socialites as Bruce's parents, and considered the Waynes to be friendly associates despite their disdain towards his immoral leanings. Upon Moxon's return, Bruce is invited to a party, at which he is reintroduced to Moxon's daughter Mallory, his childhood sweetheart. Bruce learns at the party that Moxon is being targeted by Deadshot, which is why Moxon has employed Philo Zeiss as his bodyguard.

During an earlier story, Zeiss killed Bruce's friend Jeremy Samuels. When Bruce confronts Zeiss as Batman, Zeiss reveals that the murder of Samuels was carried out under Moxon's orders as revenge for sometihng that Thomas had done to Moxon many years ago.

Moxon survives Deadshot's assassination attempts (though he is now confined to a wheelchair), and Batman discovers Mallory is an active member of the family's criminal empire. Ultimately Batman discovers that Thomas, Martha and (a very young) Bruce Wayne had attended a costume party (to which Dr. Wayne wore a Zorro costume) which was also attended by Moxon himself. At the party, Angelo Berretti, an 'employee' of Moxon's, told Dr. Wayne that a man's life was in danger. Dr. Wayne made Berretti promise his safe return before departing. Dr. Wayne was informed that Lew Moxon's nephew required a bullet to be removed from his shoulder (following a failed armed robbery). Dr. Wayne performed the operation, but refused to take any money which was why Moxon was angered by this. It is unclear if Moxon ordered the Waynes to be killed.

Lew Moxon and his bodyguard Hellhound are killed by Zeiss at a meeting of Gotham's gang bosses. This event occurs at the commencement of the *Batman: War Games* story line.

Golden Age of Comic Books

He is the man who hired Joe Chill to kill Thomas and Martha Wayne.

## Earth 2

In Detective Comics #50, Batman and Robin are sent to Earth 2 to prevent the murder of Thomas and Martha Wayne's doppelgangers. To accomplish that goal, the superheroes find and question that world's version of Moxon about the whereabouts of Chill. Unfortunately, Moxon had not yet hired Chill to perform the murder and with the attention of this bizarre figure, quickened his plan with a different killer to kill Chill and then the Waynes. Batman discovered that Chill was killed and was able to stop Waynes' murder in Crime Alley.

## Justice League: Gods and Monsters

In this version, Moxon's right hand man is Joe Chill and his best friend is fellow crime boss Rupert Thorne. Moxon also has a wife named Angela and a son named Jeremy. Moxon discovered that Thorne stole money from their prostitution ring and orders him to commit suicide by having him point a gun to his head. Moxon is later killed by Batman despite his attempts to bribe him. Kirk later attends Moxon's funeral, where he meets Moxon's family. Kirk later becomes friends with Jeremy and reveals his secret to him. Jeremy then agrees to help Kirk find a cure for his condition. When Angela is murdered, Jeremy reveals that the other crime lords believe that Moxon had evidence against them and they also believe that he knows where they are. Batman finds out that Angela Moxon's killer is Joe Chill who has become a vampire after Batman bites him. Batman then kills Chill with an axe. When he returns, Batman reveals to Jeremy that he found out that the other crime boss Chill was trying to defeat was Jeremy, who was groomed by Moxon to be a mobster like him and that his innocent, charming image was just an illusion. He then tells Jeremy that he doesn't want a curse anymore. Jeremy proposes that they work together only for Batman to kill him.

## Other Media *Batman* (1989)

In the original draft of the script, Rupert Thorne was going to replace Moxon by hiring Joe Chill to kill Thomas and Martha Wayne.

*Batman: The Brave & The Bold*

He appears in "Chill of the Night" and was voiced by Richard Moll (who also voiced Two-Face in *Batman: The Animated Series* ). Like the earlier appearances, he was the one who hired Joe Chill to kill Thomas Wayne. In this version, he admits to some guilt for leaving Bruce an orphan as the hit was only to be for Thomas Wayne and not his wife Martha. Disguised as a priest, Batman learns of Joe Chill's identity from Moxon as he gives his confession on his deathbed. When The Phantom Stranger brings Batman to the past where he encounters his parents at a masquerade ball, he and Thomas Wayne fend off Moxon's thugs who crashed the masquerade ball to rob it. While in prison, Moxon hired Joe Chill to dispose of Thomas Wayne. When he learns of this, Batman finds a lead on the identity of the man who killed his parents.

---

When I was done everyone was shocked.

Lana: Yeah and I killed Joe Chill and we had Lew Moxon sent to death row.

Eli: Good riddance!

Arrietty: That's terrible!

Nico: It sure was. What those two did was absolutely unforgivable.

Batman fell to the ground on his knees.

May: (to Batman) Bruce. I'm so sorry.

Batman: Mother, father.

Me: Wait! Look!

We saw that Thomas and Martha both had ugly purple blotches on them and that meant only one thing! They were infected with the Aparoids!

Me: The Aparoids brought them back!

Arrietty: Who are the Aparoids?

Me: They are a parasitic race of alien insect creatures that want to enslave all life in the entire universe.

Arrietty: That's horrible!

Lucy Little: Yeah no kidding!

Eli: Hold on Mr. and Mrs. Wayne!

Eli fired a wave of Force Lightning and destroyed the Aparoids on them and then he teleported and brought the unconscious bodies of Batman's parents over to us and they were weak. Varie was looking them over and healing them.

Thomas Wayne: (Weakly) What? What happened?

Me: Mr. Wayne are you all right?

Thomas Wayne: What happened? Last thing I remember was going down that alley and then me and Martha were both shot and killed.

Martha Wayne: Yeah. What happened and where are we?

Me: It's a really ugly story. Joe Chill killed you both.

Eli: He was a mugger that was hired by Lew Moxon to kill you to get revenge.

Me: After you sent him to prison, Moxon hired Joe Chill to murder you both in revenge. Bruce was hellbent on revenge too and he… well it's best that you see it for yourself.

Batman went up to them and took off his mask.

Batman: Mom, Dad?

Thomas Wayne: Bruce? Is that you?

Batman: It is me dad.

Thomas Wayne: Bruce. You've grown so much.

Bruce had tears streaming down his face.

Martha Wayne: My little boy is all grown up.

Batman hugged his parents for the first time in years. It was a touching reunion.

Arrietty: So happy for them.

Me: Me too.

Then Spot, Magneto, Living Laser, Box Ghost, Plastique, Moonstone, Dr. Polaris, See More, Gizmo and Eccentro appeared.

Me: Spot, Magneto, Living Laser, Box Ghost, Plastique, Moonstone, Dr. Polaris, See More, Gizmo and Eccentro.

Living Laser: Just when we thought you guys could take a breather for once, this happens!

William: This isn't a problem. Potter's still going down.

Spot: I hope he does.

Magneto: Unlike Haru, he deserves what you all have in store for him.

Box Ghost: (to me) We also heard that you fought Kronos.

Plastique: Please tell me it wasn't the Titan!

Me: It wasn't thank goodness. This was the robotic energy vampire from the 1957 movie.

Plastique: Wow! That was a great movie. Wait a second. Is that Thomas and Martha Wayne?

Me: That's right. Bruce's parents have been brought back by the Aparoids.

Plastique: Oh man! I heard about what happened with them! That was terrible that they both had their lives senselessly cut short by a man's motivation for revenge.

Me: Yeah and in the end we killed both Joe Chill and Lew Moxon.

?: Well that ornery sidewinder got what was coming to him.

We saw a Digimon come out and it was STARMON!

Me: Starmon!

Nico: Starmon! Been a while pardner.

Starmon: It sure has been a while Nico. How about a glass of milk for you?

Nico: I am thirsty.

Starmon gave him a glass of milk and Nico drank it.

Nico: Ahh I needed that. Thank you.

Starmon: You're welcome.

Me: Weren't you one of the Digimon Emperor's slaves that Nico freed?

Starmon: That's right and I joined the Masters of Evil to test Miannda here.

Me: Wow.

Cody (OC): And Jackie is here to test me for the first time too?

Jackie the Jackal: Yep.

Me: Awesome.

?: Cool huh.

A figure came out and it was HATE MASTER back for round 2!

Me: Hate Master. Back for round 2.

Hate Master: Yep.

We felt our auras flare up.

Arrietty's aura was red.

Arrietty: Wow! Why do I suddenly feel so powerful? I feel incredible.

Me: It's what happens when someone hates us to an incredible level. We have the power to get stronger by absorbing negative energy and turn it into positive energy. It makes us more powerful.

Arrietty: Wow that is amazing.

Pod: So cool.

Hate Master: I know we got off to a rough start last year. But I've decided on who my archenemy will be.

Me: Who did you decide on?

Hate Master: I chose Ma'Ti.

Ma'Ti: (South American Accent) Wow! This is gonna be so cool!

Me: That's 4 Planeteers out of 5. Kwame is all that's left to get an archenemy.

Hate Master: Yep that's right.

Then Bluto appeared too.

Sea: Bluto. You just love getting smacked around don't you?

Bluto: You won't think so when I get through with you.

Sea: We'll see about that.

The Usual battles were on.

Hawkgirl: Yeah and there are lots of people out there that want to prove that they exist.

Rainbow Dash: We have a fear that they would be researched for science and all that.

Scootaloo: It's not awesome at all!

Box Ghost: (to Omi) I certainly didn't expect Potter to show up.

Omi: (Tibetan Accent) Me neither. Especially after everything he did when he saw the Borrowers the first time.

Rarity: Indeed darling. And it's absolutely awful that he would do all that just for a good amount of money.

Sweetie Belle: Yeah what a greedy monster!

Thunder Terror: I've read so much about Ocious P. Potter. He was a greedy lawyer that wanted to turn an entire city into his own.

Mistmane: Yeah and then he was declared legally insane.

Sable Spirit: He was like me all those years ago.

Gill Grunt: Yeah what a monster.

Twinkleshine: Yeah and Batman swore that he would bring all the villainous scumbags to justice. Including all of the supervillains he knows.

Lemon Hearts: They are monsters. Thomas and Martha Wayne were very well known all over Gotham and Thomas got Lew Moxon sent to prison.

Cody (OC): My pleasure, and since I know that you've gotten new powers and abilities, along with your immense superhuman strength, immense size, and control over mystical energies and the wind, I suppose it's time I revealed my little surprise.

Suddenly, Cody was surrounded by a dark energy aura, and it had the Eye of Horus surrounding him. Then, a massive black vortex of dark energy, dark flames, and dark lightning surrounded his body, as he was getting stronger and stronger and stronger still, the vortex also had Egyptian jackals running around, and inside the vortex was a dark blue phoenix and the eyes of Anubis, the Egyptian God of Mummification and the Dead. Then, when the massive black vortex of dark energy, dark fires, dark lightning, and Egyptian jackals faded, Cody emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Cody's body was now much stronger, and his black sleeveless trenchcoat was decorated with Egyptian hieroglyphics, he had neon gold eyes, he had a dark energy aura with black flames surrounding it, his dark blue shirt turned black and the black phoenix on his shirt turned gold, he now has gold weighted bands on his biceps and thighs, his Bracelets of The Champions of The Universe on his wrist, but the gems on the bracelets are black, and he now had his own Belt of Elemental Bravery with a large black gem for the belt buckle, he had his Sword of Anubis unholstered from his back, he had his Eater of Sins revolver holstered on his right hip, and he had on a pair of black fingerless gloves with the Eye of Horus on the backhand. He has large pitch black angel wings with gold tips on the feathers, his black leather combat boots had the Eye of Horus on the ankles, The Eye of Horus along with the Yautja symbol, The Mark of the Warrior, was on the back of his black sleeveless trenchcoat, and it had a gold kanji right below the Eye of Horus that said, "Cody, Champion and Awesome Friend of Anubis, Egyptian God of The Dead, Ambassador of The Egyptian Gods, Powerful Warrior Trained by The Yautja, Awesome Member of Team Loud Phoenix Storm, Master of The Dark Fires of Anubis, and An Expert Swordsman, Sharpshooter, and Weapons Master."

コーディ、チャンピオン、アヌビスの素晴らしい友人、エジプトの死者の神、エジプトの神の大使、ヤウチャによって訓練された強力な戦士、チームラウドフェニックスストームの素晴らしいメンバー、アヌビスの暗黒の火のマスター、そしてエキスパートソードマン、シャープシューター、および武器マスター。

He still had the image of Anubis emblazoned on his forehead, he had on a pair of golden Ankh earrings and the talisman of Anubis with an Ankh on his neck, and he had eight large black orbs with the Eye of Horus orbiting around his legs. Cody has transformed into SUPER ANGEL 100,000,000,000 DARK FLAME ANUBIAN ANGEL OF HONOR AND JUSTICE.

Jackie the Jackal: Now, that's really awesome!

Cody (OC): (Divine Echoing Dark Voice) **Thanks, Jackie, now, let's get's ready to rumble!**

Jackie the Jackal: Bring it on!

Jackie the Jackal fired a powerful blast of red energy at Cody, who dodged it, and took to the air with his pitch black angel wings. Cody fired powerful blasts of dark fire and dark energy at Jackie, which explode with incredible power. Then, they flew at each other and threw punches at each other, and it was causing some powerful earthquakes, because of their immense superhuman strength. Cody then delivered a powerful punch right at Jackie the Jackal, and he knocked him down with his superhuman strength.

Jackie the Jackal got up from the ground, and he had a smile on his muzzle.

Jackie the Jackal: Impressive work, Cody, you're pretty strong.

Cody (OC): **Thank you, Jackie, and you really gave me quite a challenge. Now, I know, I'll enjoy facing you when we have our usual battles.**

Cody powered down, and was back to normal, but his new clothes, jewelry, black angel wings with yellow tips on the feathers, and the eight large orbs with the Eye of Horus orbiting around his legs remained.

They fired waves of lightning and energy and the blasts all smashed Potter down. We went up to him.

Arriety: It's over, Potter.

Nico: (Potter tries to get up) Don't. Just surrender right now and I'll get you some medical treatment.

Potter: (mockingly) Oh, how generous of you. You'll make a good… what? S.H.I.E.L.D. Commander? President?

Nico: You must be joking. You think that's why we fought you just now?

Potter: Oh, but that's right. They don't elect mindless puppets to the White House.

Nico: Don't go there.

Potter: Why? Seems to me like you treat your friends like puppets on days that you lead. Am I right?

Nico zapped Potter with Electro's electricity.

ZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPP

Ed: Zappity Zap Zap!

Eddy: Shut up Ed.

Me: He was nothing but talk.

Nico: Yeah. Also I know that scene. You are under arrest. SPD MORPHER JUDGEMENT MODE!

Nico: GUILTY! CONTAINMENT MODE!

He fired a wave of energy and put Potter in a Containment Card.

Moonstone: Talk about a twist ending.

Dr. Polaris: Tell me about it. At least Potter's down.

See More: And in a Containment Card.

Nico: Yep he sure is.

Nico showed him the card he was in and Potter was pounding on the glass in it.

Potter: LET ME OUT OF HERE NOW!

Eccentro: (to Haru) I hope you learned something from all this.

Gizmo: Just be glad we didn't take you down as originally planned.

Haru: I'm glad.

Gizmo: But this barfbrain Potter is better.

Me: Yeah.

Haru: I'm gonna go to a nursing home to seek help for myself.

Me: Are you sure this is what you want?

Haru: Yes. My Paranoia has gotten bad. I need help.

Me: Well all right.

Varie: Okay.

Arrietty: Thank you all so much for helping us.

Me: Anytime Arrietty.

Shawn: J.D., Eli, can you do me a favor?

Me: Sure Shawn.

His aunt Jessica came with the dollhouse.

Aunt Jessica: Can you please take care of Arrietty and her family and do what me, Shawn and my ancestors and husband failed to do?

Me: Of course we will Jessica. We will do our best.

Eli: You got it.

Shawn: Thank you.

Arrietty: Oh Shawn, we will miss you.

Shawn: I know Arrietty: But it's never goodbye as long as you have me in your heart.

Arrietty: Thank you Shawn.

Me: (Smiles) So awesome.

Arrietty: (To the viewers) This was a great adventure. Potter is now in a prison card and Haru is getting the help she needs. The Littles and us are gonna be in good hands.

Nico: Yes you are.

Me: Lets head home.

We went home and Eli put the dollhouse in his room on a special table he made and he even made his table into an awesome diorama-like land. He made grass, flowers and even used a beautiful fountain he bought to make it more beautiful and scenic. It was also letting in sunlight from a window with a reflector to keep the grass and flowers healthy. It was beautiful. We set up a cool pneumatic tube system for the Borrowers and Littles to go all over the Estate and even come to the table for dinner and meals. The Borrowers and The Littles were now OUR big secret and it's better for some things to be kept in the dark. We then showed Thomas and Martha Wayne around and we told them everything about what happened with Bruce while they were dead and how he became Batman and how he has been helping us in so many adventures. Thomas and Martha were so proud of Bruce and more. Later we had a great dinner and then went to sleep. As for Haru she was put into a really good Nursing Home in Tokyo and she was getting all the best help ever for her paranoia and greed.

FLASHBACK ENDS

Lockdown: Eli will never regret that day.

Eli: I sure won't. Ever since then, me, Arrietty and her family have become great friends and I've been a great guardian angel for them too.

Me: That was so awesome. And I found Arrietty and her family all the way over in the Butchart Gardens in British Columbia.

Nico: That is so cool.

Sirius: Wow. I'm proud of you Eli.

Eli: Thanks Sirius.

Arrietty: It sure was cool. And it's amazing how were able to get across the ocean in a teapot like that.

Nico: It sure is. (Eats a chalupa) Mmm. Muy caliente.

Laney: But delicious.

Lincoln: It sure is.

Huffer: Poromon, don't eat all the food.

Poromon: Sorry it's all so delicious.

Me: Rosa makes really amazing food.

Rosa: Would you like a horchata J.D.?

Me: Si por favor.

She gave it to me.

Me: Muchas gracias.

Rosa: Denada.

Me: We are having a lot of awesome fun in this one.

Arrietty: What is the importance of Cinco de Mayo again?

Me: It's a big holiday in Mexico's history. It's to commemorate Mexico's victory over the French Colonizers that wanted to take over the country in 1862 during the Battle of Puebla.

Nico: That's right. And that all happened on May 5th, 1962. This day is often confused as Mexico's Independence Day.

Me: Yep.

Arrietty: Wow that is amazing.

Carnivac: The celebration might be over. But the day isn't.

Maria: No, it's not!

Me: And it only has just begun.

Nico: Yep. I have just the awesome mission for us. We're going to meet Mirabel from the awesome movie Encanto.

Eli: Cool!

Ronnie Anne: I love that movie! That was a great movie.

Me: Boy it sure was. Mirabel lives in an awesome enchanted casita.

Lana: That is so awesome.

Lola: Yeah it sure is. Who is the villain we're going after in that movie?

Me: Believe it or not that is one of the movies that doesn't have a villain.

Nico: Yep. But I have a feeling we'll meet a villain soon.

Then Cavelier, Stinky Butt, Anti-Wanda, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff appeared.

Artie Ziff: Hola amigos and happy Cinco De Mayo.

Nico: Same to all of you.

Cavalier: May me, Stinky Butt, Anti-Wanda, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff go with you all?

Nico: Yes you all sure can. We're going to meet Mirabel and her family from the movie Encanto.

2016 Morbucks: Wow! I love that movie. It was so awesome.

Me: It sure was.

Ronnie Anne: Yes it sure was great.

Nico: Yep. First we're going to watch the movie and then we're going to head out to Colombia to meet Mirabel.

Me: Yep. That movie takes place in the 1950s. Sora did you ever go to the world of Encanto?

Sora: No I didn't sorry.

Me: Well it's a brand new movie. Came out in November of 2021.

Nico: Yeah.

Spectra Phantom: Nico, which Gene Slammer do you think you'll meet next?

Helios: That's what I want to know.

Nico: Funny you should ask. I'm hoping to meet a Limax Gene-Slammer next.

Me: Whoa.

Shanan: A Limax Gene-slammer would be awesome to see.

Laney: It sure will.

Nico: Well lets get to watching the movie.

We got to watching Encanto

*SPOILER ALERT*

While escaping her home from armed conflict, a young woman named Alma Madrigal loses her husband Pedro but saves her three infant children Julieta, Pepa, and Bruno. Through a miracle, a candle Alma held onto was imbued with magic and creates a sentient "Casita" for the Madrigals to live in, and provide a safe haven for the refugees, who proceed to build a town called Encanto.

Encanto grows under the Casita's protection, and the magic imbues the Madrigal family - for which Alma becomes better known as "Abuela" - with a family of superhuman abilities dubbed "gifts". It is around the nature of the magic's involvement with gifts, however, that Bruno, along with Julieta's youngest daughter, Mirabel, become excluded. Bruno and his gift of precognition are vilified due to the unpredictable nature of his visions, which led Bruno to one day disappear. Mirabel, though, has no gift at all: though not as ostracized as Bruno, she is still treated differently by the family ("The Family Madrigal"). On the day Antonio, Pepa's youngest son, is to receive a gift, Mirabel gives Antonio the courage to go through with the ceremony ("Colombia, Mi Encanto"). Antonio gains the ability to speak with animals and the whole town celebrates while Mirabel, though happy for him, remains saddened for the lack of her own gift ("Waiting on a Miracle").

That night, Mirabel suddenly sees cracks forming around the house and the candle flickering, but when she tries to show everyone, everything is back to normal, leading the family to further doubt her ("En Barranquilla Me Quedo"). She later learns that Abuela does indeed believe her and decides to save the magic. After asking her cousin Dolores, who can hear everything, she confronts her older sister Luisa, who has super strength. Mirabel gets her to confess that she feels overburdened by the family ("Surface Pressure") and reveals that when Mirabel saw the cracks, she felt weaker. Luisa suggests that Mirabel go to Bruno's old room, recalling that he once had a vision about the family's magic. Mirabel enters to see that it is a giant sand-filled cave and discovers a vision that supposedly shows Mirabel being the cause of the house cracking apart. Upon leaving, Luisa reveals that her strength is fading and Abuela tells

Mirabel not to talk to anyone, especially her perfect older sister Isabela, who can make flowers appear, as she is to be engaged that evening to Mariano, a local man.

The family overhears Mirabel asking about Bruno and explains to her how his predictions often caused trouble ("We Don't Talk About Bruno"), such as how his vision about rain led to Pepa, whose mood controls the weather, being married in a hurricane. Dolores then overhears Mirabel talking with her father about Bruno's prediction. The dinner and the proposal are soon ruined as Dolores is unable to keep Bruno's vision a secret, with the house once again beginning to crack and everyone's powers beginning to falter. The family blames Mirabel, despite her pleading she had nothing to do with the incident. That night with the Guzmans, Mirabel notices some rats taking the pieces of Bruno's vision and discovers a hidden passage in the walls behind a painting, finding a cloaked figure that she chases. When she falls through the floor, the figure saves her (though it is then revealed the hole is not very deep), revealing himself as Bruno. He never actually left and instead hid within the walls as he still cares about his family. Mirabel eventually convinces him to have another prediction. Antonio then shows up and offers his room for them to use, as the rats informed him of everything. Mirabel and Bruno's vision starts the same as before, but Mirabel notices a butterfly. They follow it and it eventually leads to them finding a solution that involves Mirabel having to hug it out with Isabela. Mirabel is not pleased with the situation, but Bruno tells her that she, not Isabela, will ultimately decide the Casita's fate before going back into hiding. Mirabel decides to apologize to Isabela for ruining the engagement dinner. After a brief argument, Mirabel learns that Isabela feels burdened by being perfect and that she never wanted to marry Mariano and was only doing so for the family. This causes Isabela to embrace her true self by making more wild, exotic, and carnivorous plants and both sisters forgive each other and hug (fulfilling Bruno's vision), seemingly healing the house and magic ("What Else Can I Do?").

Abuela discovers what has been happening and accuses Mirabel of hurting their family out of spite for not having a gift. Fed up with her mistreatment, Mirabel angrily snaps at her for always seeing her as a disappointment and putting too much pressure on the family to be perfect, revealing that Abuela is the one who has hurt the family and the miracle and she is the reason Bruno left. At that moment, the house begins to break apart; as it tries to get everyone out to safety, Isabela, Camilo, and the rest of the family lose their gifts as the magic quickly fades. Mirabel stays behind to try and retrieve the candle, but it disappears before she can reach it. The Casita uses its remaining magic to shield her from its collapse, and the Madrigals are all left homeless and powerless by the disaster.

Heartbroken and guilt-ridden, Mirabel runs away to the river, where a remorseful Abuela soon finds her. Abuela mentions that the river is where Pedro perished and admits that everything was indeed her fault. She sees that she forgot that what made everyone special was that they were a family ("Dos Oruguitas"), and Mirabel recognizes the burdens Abuela carried having to build up the family alone. Now understanding each other better, Abuela and Mirabel reconcile and share a hug before Bruno appears, attempting to take the blame for what happened to the house. Bruno reconciles with Abuela and the rest of the family (admitting to Pepa that him mentioning rain on her wedding day was not actually a prediction, just him joking about how much she was sweating), and they all decide to fix the house together. The entire village soon arrives to help as thanks for all the family has done for them ("All of You"). After completing the house, Mirabel adds the doorknob her family made just for her to the front door, which causes the house to spring back to life, and the magic returns. The citizens of the town come to see Casita alive again, Dolores and Mariano start a relationship (since it was revealed that she always had a crush on him) and the Madrigals get their gifts back, but instead of using the gifts to be perfect, they are finally able to use them the way they want. Bruno is welcomed back to the family and they all get together for a family picture, this time with all the members, including Mirabel and Bruno ("Colombia, Mi Encanto Reprise").

When the movie was done we cheered wildly.

Ronnie Anne: Muy Bien!

Me: That is an awesome movie.

2016 Morbucks: Just as good as I remember!

Nico: It sure is. And it will be a great movie for many people of Latin American and South American descent.

Me: Yep.

Laney: Bane would love watching this with us.

Sunset Shimmer: So would El Oso.

Manny (El Tigre): (Spanish Accent) They most sure will.

Me: Yeah. So awesome.

Lola: Mirabel is so pretty. Especially in that amazing dress she has.

Rarity: Oh I agree there darlings. It is most gorgeous.

Me: It sure is.

Eli: Very beautiful.

Volt Luster: What are we waiting for?

Brontes: Not for Nico's birthday, since that's still days away.

We laughed.

Me: We still have 4 weeks from tomorrow for that one.

Nico: Yep. But lets head out for Colombia.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than Cassius, the cowardly black magic-using bandit, and he's here to cause havoc. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Lucina, you and the others from your world aren't going to like it one bit: the dark energy signal I sensed belongs to Cassius, the cowardly black magic-using bandit from Regna Ferox.

Lucina and the other Fire Emblem girls gasped in shock.

Celica (Fire Emblem): Cassius, I thought we'd never have to deal with him ever again.

Lincoln: What exactly can you tell us about him, Celica?

Celica (Fire Emblem): You're not going to like this bandit one bit.

Celica proceeded to tell us all about Cassius, and as expected, we weren't going to like him one bit.

---

Cassius (Fire Emblem)

Cassius is a minor antagonist from the video game Fire Emblem Awakening. He is a bandit from Regna Ferox.

Appearance

Cassius is a middle-aged man with pale skin and grey messy hair. Cassius also wears a black robe, some pelt gloves, and wields a staff with a golden skull at the top.

Biography

Cassius and his group of bandits invaded a village somewhere in Regna Ferox. During the invasion, a man challenged Cassius to a duel, but Cassius takes his wife hostage, forcing the man to drop his guard and be murdered by Cassius. Kjelle was angered by this, so he also challenged to a duel. Due to this, Cassius lures Kjelle to a ruin, but then Cassius ends up backing out of the duel, and instead has his subordinates kill her. Kjelle is almost killed, but the Shepherds were informed to the man's wife on where Kjelle is, and at thus, they arrive just on time to save Kjelle, stop Cassius, and avenge her master.

---

When Celica was done, we were disgusted by Cassius' actions.

Nico: That heartless, murderous, cowardly, black-magic using bandit!

Me: What he's done has proven just how dishonorable and evil he truly is.

Zaira the Air Faerie: And that's why Lincoln and I are going to get rid of him for good. But, first things first, Lincoln, remember what you did to General Tsao?

Lincoln: I'm already on it, Zaira.

Lincoln chanted a powerful incantation, and as he made a one-way window, he then fired a blast of rainbow energy into it, and it hits Cassius' staff, and stripped it of the black magic Cassius relied on, and the one-way window closed.

Lincoln: There we go. I stripped Cassius' staff of the black magic he relied on for his thefts.

Me: Awesome job, Lincoln, and I hope you both show him no mercy.

Lincoln: He deserves none because of what he did to Kjelle's master long ago.

Nico: You got that right, Lincoln.

With that we were off to Colombia for the magical village of Encanto.

---

We were flying over northwestern South America.

Professor XXXL: I'll bring snow cones for your birthday, Nico.

Nico: Thanks Professor.

Me: Very refreshing and perfect.

Eli: Wow. This is gonna be so awesome. I've never met Mirabel before in my journeys. This is gonna be a first for me. I hope she likes me as a brother like how Ariel and Elena see me as.

Me: That will be a great bond bro.

Ariel: It sure will Eli.

Elena of Avalor: (Spanish Accent) I think it will be great too.

Eli: Yeah.

Nico: Here we are.

We arrived in the village of Encanto.

Nico: Encanto, Colombia.

Me: Wow. It's magnificent.

Varie: Boy it sure is.

Laney: I wouldn't mind coming here for a vacation.

Ronnie Anne: It sure is beautiful.

We got to walking around and we felt an amazing energy all around the village.

Me: Wow. This whole village is overflowing with a magical energy.

Arrietty: It sure is.

Lana: Amazing.

Nico: Lets find the home of the Madrigal family.

We got to walking around.

Lena Isis: It's really peaceful here.

Phosphos: I hope it stays that way.

Me: Me too.

Lola: It's absolutely tranquil here.

Vinyl Scratch: It sure is amazing.

Rainbow Dash: And really awesome.

Nico: It sure is awesome.

Camie: Yeah it sure is.

May: I like it.

We then arrived at Casa Madrigal.

---

The Casa Madrigal, otherwise referred to as Casita, is a location from Disney's 2021 animated film, Encanto. It is the Madrigal family's house and home, gifted to the family via a magical candle, and since the building is sentient, it is practically a character in itself. Personality-wise, the Casita is described to be "little bit more opinionated and flawed like a family. It's a house that plays favorites, a house that messes with people", and its personality "aligns with the feelings of the family Madrigal", such as being happy if the family is happy, or the house's walls beginning to crack if there's discord among them. Generally, the Casita is kind and very helpful towards the family, using its ability to rearrange its features to suit the family's needs or aid them in their daily routines. The Casita deeply cares about the Madrigals and puts their safety before itself, going as far as getting everyone out when it was falling apart from the loss of the magic, and used the last of its strength to protect Mirabel from harm. Casa Madrigal is a three-story square building that encloses the ceilingless courtyard at its center. There are many small balconies located on the outer walls and the roof of the house is Spanish roof tiles. Adjacent to the courtyard, there is a single staircase connecting the ground floor with the second floor, which is where Pedro's portrait hangs. After being rebuilt, the front door depicts all of the members of the Madrigal family together carved into the wood.

The ground floor consists of recreational rooms, such as the kitchen and dining room. The second floor is basically one long balcony that overlooks the courtyard and it's where all of the bedrooms are located. Each bedroom door depicts its inhabitant using their respective gift carved into the wood, and they emit a golden glow that illuminates the image. The bedroom doors also have the inhabitant's first initial carved on the doorknob. Relative to the front door, Alma's door is in the center in the back with Pepa's door to its left and Julieta's door to its right. Directly across from Alma's door on the opposite side of the house, above the front door, is the Nursery door, which also functions as Mirabel's personal bedroom. Dolores, Camilo, and Antonio's doors are on the left side, adjacent to their mother, Pepa's door. Isabela and Luisa's doors are on the right side, adjacent to their mother, Julieta's door.

The second floor.

Due to the magical nature of the Casita, the bedrooms are bigger on the inside than they are on the outside, and the nature of the inside of each bedroom corresponds to and acts as extensions of its inhabitant's gift: Isabela's bedroom is a garden in the likeness of a princess's palace bedroom, and Antonio's bedroom is a jungle filled with all kinds of animals for him to converse with. Although that is not always the case, as Alma's bedroom is a replica of her old room from her previous town. Among the bedrooms, there is a nursery where the children under the age of five reside before they get their own room during their birthday/gift ceremony, and the nursery functions as Mirabel's bedroom as well. While it was not shown in the film, the Casita has only one bathroom that the whole family shares.

The third floor consists of Bruno's tower and a room with an open window that displays the magic candle.

Casita is able to freely manipulate itself and all the furniture inside it; it can open and close its own doors, windows, drawers, and cabinets, move and flip the tiles and planks that make up its floors, and it can even decorate itself. Casita also has power in the magical rooms, though that power can be cut off if a gifted family member is emotionally disconnected from the family, as seen with Bruno's door in a flashback, due to the fact that everyone doesn't talk about him, including his family, and that they despise his visions. After being rebuilt, Casita also acts the vessel for the family's magic.

* * *

Me: There it is.

Nico: Wow. Just as beautiful like in the movie.

Eli: It sure is.

We went up to the casa and there we saw Mirabel Madrigal.

Mirabel Madrigal: (Spanish Accent) Team Loud Phoenix Storm! It's an honor amigos.

Me: Hola Mirabel. It's a pleasure to meet you.

Mammoth: Sup, Mirabel. Want some tacos?

Nico: We have leftovers.

Mirabel Madrigal: Oh no thank you I already had a huge lunch.

Me: That's okay.

Mirabel Madrigal: But it's an honor to have you all here.

Varie: We're glad we can come.

Mirabel Madrigal: Let me introduce you to my familia.

We went into the Casita and it was magnificent and we met Mirabel's family.

* * *

First Generation

Pedro Madrigal †

Abuelo Pedro was the patriarch of the Madrigal family. He was Alma's husband and father of Julieta, Pepa, and Bruno. When the triplets were born, a civil unrest struck his town, so he was forced to leave his home with his wife, his infant children, and the townspeople. While fleeing the village, Pedro sacrificed himself to the soldiers who were pursuing them, allowing Alma and their children to escape but at the cost of his life. At that moment, the candle his wife was holding onto was imbued with magic, and by a miracle, Alma and her three children were presented with Casa Madrigal in an Encanto. There, she became the matriarch of the Madrigal family, overseeing the passing-down of the candle's magic to her and Pedro's descendants, as well as preserving the town.

## Alma Madrigal

Abuela Alma is the matriarch of the Madrigal family. When she was younger-when Julieta, Pepa, and Bruno were just born, a miracle blessed them from the candle she was given by her husband before his death, creating La Casa Madrigal. From then to this day, every child born in the family is blessed with their own unique gift, except Mirabel.

## Second Generation

## Julieta Madrigal

As Alma and Pedro's firstborn child and eldest daughter, Julieta has the scrumptious ability to channel the power of healing into her food. In the movie, she makes empanadas and arepas, although she can make just about anything that will heal the eater from whatever malady they're suffering. One bite heals broken bones, and, as seen with her husband Agustín, bee stings that swells up the whole body. Her gift makes her a supernatural doctor.

## Pepa Madrigal

As the younger daughter and middle child of Alma and Pedro, Pepa has the ability to control the weather with her emotions. Usually, she is neurotic and frazzled, which results in a dark cloud following her around that can culminate into rain droplets, thunder, and lightning that can shock others. She tries to keep calm, focusing on clear skies, but if she is upset (which is frequent), she can cause hurricanes or snowstorms.

## Bruno Madrigal

As the youngest child and only son of Alma and Pedro, Bruno has the ability to see the future, which the whole village does not take kindly to. He is seen as a doomsayer, with many villagers upset by how Bruno often predicts woeful events. As a result, he becomes an outcast in the family. Bruno's visions can go even deeper, through a sand and fire ritual that will allow him to see potential timelines and the cliffhanging point on which the different futures rest. The vision is then etched onto an emerald green slab, which also happens to be fragile. If the vision has many possible outcomes, they can be seen when the vision is tilted from left to right.

## Second Generation (by Marriage)

## Agustín Madrigal

Agustín is Julieta's husband and father of Isabela, Luisa, and Mirabel. Due to being accident-prone, Agustín often needed to be healed, which led him to fall in love with Julieta, whose magical gift is healing people with her cooking. He eventually married Julieta and had Mirabel, Luisa, and Isabela. Since he married into the family, Agustín has no magical gift of his own, just like Pepa's husband Félix. A running gag is that he keeps getting stung by bees, which his wife Julieta often has to heal him for.

## Félix Madrigal

Félix is Pepa's husband and father of Dolores, Camilo, and Antonio. He is a fun-loving man and does well to balance out his emotional wife Pepa and her mood swings. As he married into the family, Félix lacks a magical gift of his own, just like Julieta's husband Agustin, but he can make funny sounds with his mouth.

## Third Generation (Julieta's Side)

## Isabela Madrigal

Isabela is the eldest daughter and firstborn child of Julieta and Agustín Madrigal, and firstborn grandchild of the Madrigal family. She has the ability to conjure and control plant life, from flowers like roses to vines and trees. Due to expectations of perfection, Isabela behaves like a diva, obsessed with beauty and admiration in her princess-like life, and is also spiteful towards her youngest sister Mirabel. It is later revealed that she craves being herself instead of being "perfect".

## Luisa Madrigal

Luisa is Julieta and Agustín's second daughter and middle child, who is gifted with superhuman strength. She is able to move mountains, shift churches and houses, lift bridges, carry multiple donkeys on her shoulders, and effortlessly smash falling boulders. However, her physical prowess has her family and community take advantage of it, unknowingly putting a great deal of emotional burden on her shoulders as she tries to please her family and the town. She never complains about being the work she is made to do, leading to the pressure fracturing her mental health.

## Mirabel Madrigal

Mirabel is the youngest daughter of Julieta and Agustín, and the only Madrigal child who did not get a gift by no fault of her own. As a result of this phenomenon that she is unable to control, she is frequently shoved away by some members of her family and the villagers, who push her to the sidelines and view her as useless. But when the family's magic powers are in danger of fading away, Mirabel may be the family's only hope for restoring the miracle.

## Third Generation (Pepa's Side)

## Dolores Madrigal

Dolores is Pepa and Félix's only daughter and firstborn child. She has supersonic hearing, and can hear even a pin drop. She's so skilled, in fact, that she can even hear Luisa's eye twitching all night. Her enhanced hearing allows her to hear everything in the village, which causes chaos when she overhears Mirabel and Agustin quietly discussing the family's dying magic but is completely unable to refrain herself from snitching.

## Camilo Madrigal

Camilo is Pepa and Félix's oldest son and middle child. He can shape-shift to take on the appearance of other people. He uses his powers to help out around town, such as shapeshifting into an exhausted new mother and cradling her baby while letting the actual woman rest, or in mischievous ways, such as imitating his sister Dolores so he can get more food at breakfast. He also loves playing pranks, frequently turning into Isabela's hunky suitor Mariano to tease her as the families try to arrange for their marriage.

Antonio Madrigal

Antonio is Pepa and Félix's youngest son and Mirabel's favorite cousin. He is gentle and warm, and from his childlike innocence he forges a close bond with Mirabel, who accompanies him in his rite of passage during the gift ceremony. He is bestowed with the ability to speak to animals. He commands toucans, jaguars, capybaras, and even the rats in the family home, who let him know about his long-lost uncle Bruno living in the walls of Casita.

---

Alma: (Spanish Accent) It's an honor for you all to be here.

Nico: Pleasure to be here Alma.

Tricloid: You have a really nice family.

Mirabel Madrigal: Gracias. It's great.

Me: It sure is.

The Casita then gave me a drink.

Me: Oh muchas gracias.

Eli: That is amazing.

Me: Mirabel your home is so amazing. And it's awesome that you love it as a person.

Mirabel Madrigal: It's home and a great friend.

Poromon: Can I have some?

Eris: I hope this doesn't lead to certain moments.

Mirabel Madrigal: It's only water no worries.

Eris: Oh thank goodness.

The Casita gave him some water.

Poromon: Also no it's not. I only get out beers for special missions.

Nico: Good.

Mirabel Madrilgal: I heard so much about all your adventures. They are some of the best we've ever heard about.

Nico: We have gotten a lot of fun and action.

Me: We sure have.

Hotlink: You guys are lucky you don't have any bad guys.

Mirabel Madrigal: I wish we are. But we got word that there was one wandering around the forest.

Me: Whoa.

Nico: Looks like we are gonna get some action in after all.

Eli: We sure are.

Nico: Mirabel would you like to help us take this villain down?

Mirabel Madrigal: I don't have any powers like you all do or like all my family does.

Me: Mirabel you already do have a special power like all your family does and that is to make people happy and give them love. You are an angel and you have an amazing heart.

Mirabel Madrigal: You really think so?

Me: We sure do Mirabel.

Raven Branwen: Can you describe this villain?

Mirabel Madrigal: Well lets see. He said his name was Don Rafael Montero.

We gasped.

Me: Oh man.

Nico: He was not a nice guy no way. Mirabel you will not like this guy one bit.

Nico went over his history and it was bad news.

---

Don Rafael Montero is the main antagonist of the 1998 swashbuckler film The Mask of Zorro.

He was portrayed by Stuart Wilson, who also played Jack Travisin Lethal Weapon 3 and Walker in Teenage Mutant Ninja Turtles III.

Biography

Montero is the corrupt governor of California who fancied the wife of Diego de la Vega, the original Zorro. When he uncovers de la Vega's identity, he infiltrates his house and de la Vega's wife Esperanza is accidentally killed by one of Montero's soldiers, who is then himself killed by a furious Montero. He then arrests de la Vega and takes his infant daughter Elena and raises her as his own, but de la Vega swears vengeance on Montero.

Twenty years later, Montero returns to California with the intent on purchasing the territory for himself to rule, by any means necessary, including illegal activity. Meanwhile, an aged de la Vega escapes from prison upon knowing that his archenemy has arrived. Knowing Montero will resume his evil deeds, de la Vega realizes he needs an apprentice to finish what he started. Soon enough, finds an apprentice named Alejandro Murrieta, whom he trains to become the new Zorro. Together, the two Zorros confront Montero and his second-in-command, Captain Harrison Love, and Elena discovers that de la Vega is her true father. During the climax, Alejandro battles Love while de la Vega crosses swords with Montero, but he is mortally wounded by Montero during the fight. However, de la Vega manages to kill Montero by dragging him behind a wagon filled with gold bars and over a cliff, where the screaming Montero falls to his death. The wagon also lands on top of Love, who happens to be right below the cliff, crushing him.

When Nico was finished Mirabel was shocked.

Mirabel Madrigal: Aye caramba!

Snarler: We told you that you wouldn't like him one bit!

Bart Simpson: Yeah this guy is bad.

Me: That's an understatement.

Laney: No kidding.

Me: But if it's a swordfight he wants we'll give him one.

Nico: I agree. But it's best that we do the fight far from Encanto. This is such an amazing place.

Mirabel Madrigal: Yes it sure is.

Nico: I know just the spot we can do it on.

Me: Burritus?

Nico: Burritus.

Laney: Awesome. The burrito planet will be perfect for the fight.

Mirabel Madrigal: You guys went to a planet of burritos?

Me: Weird huh?

Condiment King: I would've gone too if I knew you guys went there.

Nico: Same here. And without a doubt, Captain Love will be with him too.

Laney: That will be a good fight.

Me: I'll face Love in an epic swordfight.

Mirabel Madrigal: I have afeeling this will be awesome.

Nico: Oh it will. Mirabel, you may not have powers but like J.D. said, you give love, hope and happiness to many. But the true power you have comes from deep inside your heart to protect those that you love and all that.

Mirabel Madrigal: Really?

Me: Yes. You just got to reach deep down and think about those you love and then the true power of the good in your heart will surface.

Battletrap: We get ready to leave in an hour.

Nico: Plenty of time to prepare.

Me: This is gonna be an awesome adventure.

Eli: For Cinco De Mayo and everyone.

Eli concentrated and used the Force to find Don Rafael Montero. He found him and Captain Love in the forest 5 kilometers to the south.

Artie Ziff: Did you find where he is.

Eli: Yes. Don Montero and Captain Love are both in the forest 5 kilometers to the south.

Mirabel Madrigal: That's on the outskirts of the village.

Nico: We're going to be ready for him.

Mirabel Madrigal: I am ready. I will not let this savage hurt my familia.

Mirabel thought about it hard and then thought about all the good things she did as well as all the friends she has and her awesome family. Then in her mind a light of incredible power exploded out and then she was enveloped in an incredible sapphire blue aura!

Nico: WHOA!

Me: Wow!

Eli: Her power has been tapped into!

Mirabel then sprouted incredibly beautiful blue angel wings from her back and they were glowing with beautiful energy and life power.

Alma: My Mirabel has done it!

Mirabel Madrigal: What happened?

Me: You did it Mirabel! You tapped into your power.

Eli showed her a mirror and she gasped when she saw her wings.

Mirabel Madrigal: Wow! I have wings!

Lync: I'm bringing some water bottles.

Nico: Good idea.

Laney: All right.

Nico: Mirabel, you and your family are one of the most incredibly magical and gifted in all of Colombia. You can make tons of people happy.

Mirabel Madrigal: Thank you Nico. Thank you. I have so much to learn now that I have wings.

Me: Your wings are just the beginning. Your powers will evolve as time goes on.

Anti Wanda: Let's get going, ya'll!

Nico: Lets. We can teach you how to fly along the way Mirabel.

Mirabel Madrigal: Thank you.

We were off and we were teaching her how to fly.

We arrived at the forest.

Finn: (Jackie Chan) Entrance time!

Nico: Lets do it!

Ripping Friends: IT'S RIPPING TIME!

We went at the forest.

Captain Love and Don Montero were loading something into a wagon. But then suddenly in a flash of light they were taken to the Burrito Planet!

Captain Love: What!? Where are we!?

Don Montero: What the hell is this place!?

Suddenly the spirits of the archenemies of the Loud Brothers swirled around them and then they converged and then in a massive flash of red, white and green light that took the form of the Mexico Eagle on the Flag it flew at them and flew around them and then out came us.

Nico: Now that is an entrance worthy of Cinco De Mayo.

I jumped and landed behind Captain Love with my sword in my hands.

Me: Did you miss me?

I kicked him down.

Me: Nice to know that mine and Zorro's marks are still on you.

Captain Love: And I WILL KILL YOU!

He lept at me and I jumped and slashed him on his back! I carved my initials into his back.

Nico: Yeah!

Then Pinky & the Brain, Black Adam, Jet, Kite Man, Mole Man, Golden Glider, Magneto, Melter, Jack O Lantern and Leap Frog appeared.

Nico: Pinky & the Brain, Black Adam, Jet, Kite Man, Mole Man, Golden Glider, Magneto, Melter, Jack O Lantern and Leap Frog.

Me: Pretty awesome facing you all here on a planet of Burritos.

Leap Frog: It sure is cool

Pinky: Having a Happy Cinco De Mayo?

Maria: We sure are.

Me: Really awesome.

Black Adam: That's good to hear.

Jet: It'll be even better after these creeps are taken care of.

Nico: Oh they will be more than just taken care of.

Magneto: (to Nico) So, this is the planet you went to.

Nico: Yep. And after that in Lincoln's rescue he went to a planet of tacos.

Magneto: That is amazing.

Melter: How many burritos did you eat?

Nico: We all ate a lot of burritos.

Me: And they were too. Tasty.

?: They must be good.

A figure came out and it was BLUEFUR from episode 14 of Megaforce!

After Dream Snatcher's death, both he and Bigs plan to upgrade themselves to eliminate the humans and the Mega Rangers once and for all. After Bigs' demise, Bluefur is knocked down by the Knight Dynamic and grown by Vrak's Zombats. Robo Knight changes into the Lion Mechazord and form the Gosei Great Grand Megazord although it is quickly dismantled using by Bluefur's club. However, before he can stomp Robo Knight into scrap, the Gosei Ultimate Command Ship tears through the side of the Aurora Box and obliterates it before shooting him down and forming the Gosei Ultimate Megazord. They easily overwhelm Bluefur and destroy his staff using their Double Sword Spin Attack and then finish him off with the Ultimate Strike. In his final moments, Bluefur is utterly stumped as to how the Toxic Mutants have been destroyed despite the use of the Aurora Box before falling on his side and exploding.

---

Troy Burrows: Bluefur!

Bluefur: Been a while rangers.

Me: I remember you! You and Bigs upgraded to all of us and the Megaforce Rangers for good.

Bluefur: That's right J.D. Good memory.

Me: Thanks. Never missed an episode.

Maria: You know, your Japanese counterpart is named Kinggon of the Bigfoot.

Bluefur: I know.

Maria: It fits since you and Bigfoot look alike.

Me: It sure does.

Nico: Yep.

We got the usual battles underway.

Hal Jordon: Her name is Nadine Wendollstein and she is an explorer and an awesome treasure hunter.

Fluttershy: Her treasure hunts are amazing. But she also revealed how she faced Lincoln's mean sisters.

Tornado Bolt: Yeah it was awesome.

---

Nadine Wendollstein: That's incredible.

Nico: It sure is. So, Nadine, how did you take on the full force of Lori, Lynn, Lola, Lisa, and Luan's evil fury and got them in big time trouble in the worst way ever?

Nadine Wendollstein: You're going to like this one, Nico. One day, Lincoln and I were both looking for another treasure located in the north of Royal Woods, it was known as the Rings of Eternal Love, it's a massive set of rings with heart-shaped rose gems inserted in the gold rings. But, as we're heading back, we ran into trouble, Lori, Lynn, Lola, Lisa, and Luan came out, and they all had knives in their hands and they were planning to kill us all in cold blood and destroy the rings. But, I disarmed Lori, Lynn, Lola, Lisa, and Luan of the knives, and I pounced on and brutally pulverized them, and Lincoln tied them up with nylon ropes and we dragged them back to the house, and after Mr. and Mrs. Loud heard what those five did, they were furious, and Lori, Lynn, Lola, Lisa, and Luan got grounded for fifteen weeks and they were forced to do community service by picking up trash in the parks, and I was there to keep them in check.

We cheered for what Nadine and Lincoln did.

Nico: Wow, that's so awesome, and Lincoln, do you still have the rings?

Lincoln went to his room, and he got out the chest, and in it were the Rings of Eternal Love that he and Nadine found, and they were awesome.

Me: Whoa.

Eli: They're amazing.

Lincoln: They sure are, and Lori, Lynn, Lola, Lisa, and Luan were trying to kill us in cold blood and destroy the rings. That's a act of pure heartlessness and it made them enemies of love, and Nadine swore that we'd keep the Rings of Eternal Love safe from thieves out for a quick buck and from Lori, Lynn, Lola, Lisa, and Luan.

Nico: Awesome.

Suddenly, the Rings of Eternal Love merged with our Rings of the Phoenixes, and we saw the heart-shaped rose gems embedded in the center of the colored gemstones of our Rings of The Phoenixes, and they were awesome.

Me: Whoa, that's so awesome.

Lincoln: They sure are.

FLASHBACK ENDS

Wonder Woman: Their names are as follows:

Genene Tsuchidoro - Aussa The Earth Charmer

Erica Mizusama - Eria the Water Charmer

Honika Honouka - Hiita the Fire Charmer

Kazika Kaziyama - Wynn the Wind Charmer

Noir Wendoma - Dharc the Dark Charmer

Hikari Raindom - Lyna the Light Charmer

Wendy Dorington - Elemental Mistress Doriado

Kite Man: Wow! Those are awesome names.

Wonder Woman: They sure are and they had amazing revelations about our 7 resident jerks.

Pinkie Pie: They sure did and they were amazing!

Featherweight: Yeah they sure were.

---

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Erica Mizusama: That's incredible.

Nico: It sure is. So, girls, what are the 21 revelations that you have about the seven worst jerks in all of Royal Woods, Michigan?

Genene Tsuchidoro: Allow me to go first, and these three are for Flip. The first revelation is that after Flip's previous schemes to kill Lincoln, his family and friends, and J.D. failed, I found out he tried to use arsenic to poison them, but when I found out about it, I blasted the arsenic out of his hands, but Flip ran off before he could be arrested. The second revelation is that he tried to destroy Lynn's Table and kill everyone there with bombs full of you-know-what, but I used those bombs against him, and he now smelled even worse than ever, and the last revelation is that he tried to use a bulldozer to run over Lincoln, his family and friends, and J.D., but I pummeled him and he ran off before the cops could arrest him again.

Erica Mizusama: If you think Flip was bad, you're not going to like hearing about Scoots. The first is that ever since Sue was sent to prison, Scoots has still been causing trouble in Sunset Canyon, and it was driving Varie nuts, so after the restaurant incident, I decided to get Scoots kicked out of Sunset Canyon by sending the evidence of Scoots' troublemaking to the cops and after Mr. Loud kicked Mrs. Bernado, Huggins, and Scoots, Scoots got arrested and she was also kicked out of Sunset Canyon for life and got her sent to The Lansing Maximum Security Insane Asylum, the second revelation is that Scoots tried to run Varie over for kicking her out of Sunset Canyon, but I fired a blast of fire at that crazy old and sent her flying back to the nuthouse, and the third revelation is that she tried to get the local bikers to bust her out, but I busted their heads in and then, I punched Scoots hard in the face and broke her dentures.

Honika Honouka: And now for Bolhofner, I found out that in addition to all the other horrible stuff the other Guardian Angels told you about him along with what you found out on the news, I found out he stole billions of dollars from banks all over from Colorado to

Michigan and it was buried somewhere in Detroit, Michigan, the second revelation is that he's also killed a lot more people than just his ex-wife in a fit of rage, but no one knows where their unmarked graves are, and the third is that he used a lot of intimidation tactics to get a teaching job in both Colorado and Michigan, and any who dared to expose his lie would also get killed by him.

Kazika Kaziyama: And now for Hawk and Hank, if you thought all the other stuff you heard about the bullies of Hazeltucky were bad, here's what I heard. The first revelation is that after you guys ruined their Halloween rampage, they tried to get the rest of their thugs to kill you all, but I went down to Hazeltucky and busted their thugs in their heads and got them sent to jail, the second revelation is that they've actually been in prison before, and they've busted out of prison numerous times mainly by inciting some pretty crazy riots or beating up the guards, and the third revelation is that they've caused millions of dollars in property damage not only in Royal Woods, but also in Hazeltucky, but no one has been able to stand up to them, because they were that dangerous.

Noir Wendoma: And now for Lewis Travolta, if you thought the stuff you heard about that fat tub of lard was bad, wait until you hear this. I first found out that fat tub of lard had tried to extort other restaurants here in Michigan in exchange for free food, but I sent the info to the police, but before he could be arrested, he ran off. The second revelation was that he tried to throw stink bombs at Lynn's Table, but I'd used a hose at full blast and drenched him head to toe in water, and when Mr. Loud found out that fat tub of lard tried to throw stink bombs at his restaurant, he ran after him with a frying pan and gave him a strong hit to the head. The third revelation is that he tried to throw bombs at some of the restaurants to destroy them, but his plan was foiled when I called the cops, but before the police could arrest him, he ran off again.

Hikari Raindom: And now for Pablo, if you thought the stuff you heard about that glasses-wearing heartless psychopathic nerd were bad, wait until you hear this. The first thing I found out that he'd bullied a lot of kids in other schools around Michigan before he came to Royal Woods, the second thing I found out that he'd also committed a ton of crimes such as destruction of property, and he ran off from the cops numerous times, and the third thing I found out was that he also helped out his rotten scumbag dad with some robberies, but I stopped them, and they got sent to jail for what they did.

Wendy Dorington: And finally Anderson, if you thought the stuff you heard about that hard-headed heartless psychopathic dumbass were bad, just wait until you hear this. The first thing I found out that he, like Pablo, bullied a lot of kids in other schools around Michigan, and he got expelled from those schools numerous times, the second thing I found out he also destroyed some properties on a little rampage and he burned a lot of those buildings, and the third thing I found out was really bad, I found out he killed someone, and I had him arrested, but he got away from the cops, thanks to his scumbag dad.

When the girls were finished, we were really shocked and horrified at the revelations at the seven worst jerks in Royal Woods.

Nico: Holy crap!

Me: Jeez, I knew those seven jerks were bad, but those 21 revelations are truly the worst. Linc, you got those pianos levitating over the heads of Flip, Scoots, and Lewis Travolta?

Lincoln: Oh, I think I know what you're about to say.

Lincoln dropped the pianos on the heads of Flip, Scoots, and Lewis Travolta, and they screamed in agonizing pain.

Lincoln: That'll teach them.

TLPS Mr. Wolf: What a bunch of ungrateful, good-for-nothing, insane, greedy, stupid jerks.

Me: You said it, and the crimes they committed could've led to them getting sentenced to death, but since Michigan abolished the death penalty in 1846, humiliations are more than perfect for them.

Lincoln: Along with the curse I put on Scoots.

FLASHBACK ENDS

Kite Man: Oh my goodness! Those guys are just absolute monsters!

Sprocket: Yeah no kidding! They are absolute fiends!

Sailor Moon: No kidding there! They are pure evil!

Mole Man: (to Martian Manhunter) I heard Nico faced Pizza the Kid on his rescue yesterday. Did he eat him?

Martian Manhunter: Yes he most sure did.

Sunset Shimmer: And the good part is that we didn't get hit with cactus balls this time.

Pipsqueak: (British Accent) I'm glad that didn't happen.

Sunburn: Yeah no kidding. That pizza slice really hit us hard last time.

Volcana: But thank goodness that Nico and group learned from the mistakes of the last time.

Lightning Dust: It was awesome to see him get squished like that. Karma for putting us through 6 days in a row of trouble. But that was really amazing to see that it was full of Astrorubies. They are amazing.

Princess Celestia: And it was amazing to see that Jimmy Neutron and friends all have experiences with them.

Amber Morning: Shanan told us all about the Astrorubies when we got back and the kind of power they have on people with incredible greed. But that is amazing that they came in a meteor that squished the Red Guy.

Spotlight: It sure was awesome to see.

Johnny Bravo: It was amazing guys. I'm glad that we didn't succumb to Ruby Madness.

Joan summoned The Fang of Critias and merged him with Magic Cylinder and it formed into a new dragon and it looked more like an awesome jet airplane with Magic Cylinders for cannons under the wings and he also had gun barrels on them too. It was a dragon called MAGIC BATTLEJET DRAGON!

Joan Critias: Meet Magic Battlejet Dragon!

Gina Hermos: Wow! That is a good one! Now for this one. I summon my Dragon Self and merge him with St. Joan!

Gina summoned The Claw of Hermos and merged him with St. Joan and they formed into an awesome and powerful new sword that had an amazing light around the blade. It also had runes on the blade that said "I Am Judgement And Heaven Is Nigh." It was a sword called THE SWORD OF JOAN OF ARC THE MESSENGER!

Gina Hermos: This is The Sword of Joan of Arc the Messenger!

Nico: Whoa! Those are awesome girls!

Joan Critias: Thanks Nico.

Megaforce Rangers: LEGENDARY RANGER MODE! BATTLE FEVER J!

The Megaforce Rangers turned into the Battle Fever J Rangers!

Nico: Perfect theme for Cinco De Mayo.

Me, Nico, Eli, Zarya and Jared pulled out our Zenkai Cannons!

Me, Nico, Eli, Zarya and Jared: (TURNS DIAL) MYSTERIOUS MIRACLE POWER!

We summoned the Goggle V, Ohranger, Magiranger, Goseiger and ToQgers!

Me: YEAH!

I had my sword ready and I faced Captain Harrison Love.

We clashed all over

Me: Only one question.

Captain Harrison Love: Really? What is that?

Me: How would you like your remains displayed?

I clashed more with him and kicked him in the face and knocked him down and he got up and went at me and I kicked him in the stomach and punched him in the face and then I carved the Star of Satan right into the middle of his forehead.

Me: To let the devil know that I sent you back to Hell.

Captain Harrison Love: 2 men, 1 DEAD!

He clashed at me ferociously and roared brutally with each clash of the sword. I punched and clashed with him all over.

Nico and everyone was punching and bashing Don Montero and clashing swords with him all over the place!

Nico then slashed the Star of Satan into Don Montero's forehead.

Nico: Your symbol of eternal damnation!

Don Montero: I WILL KILL YOU ALL!

He went at everyone and they clashed more.

Mirabel then formed a sword of crystal and clashed with Don Montero and she was really good for someone that never wielded a sword before.

Eli: YEAH! Go Mirabel!

Arrietty: She is doing awesome!

Sparks were flying all over the place with our clashes.

Don Montero: I HATE YOU ALL!

Our auras flared up with incredibly powerful force!

Mirabel: Ay caramba! Why do I feel stronger and more powerful?

Nico: It's one of our powers. We get stronger when someone hates us.

Mirabel: Wow.

CLANG CLANGCLANGCLANGCLANGCLANG!

Me and Harrison Love were really going at it and then I kicked his sword out of his hand and caught it and then I stabbed him then…

SQUELCH!

I DISEMBOWELED HIM! Bleeding profusely with his intestines hanging out.

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was knocked down.

Nico: Give my regards to the Devil!

Nico fired a beam of energy high into the sky and the a train appeared. It was a train loaded with 4,000 tons each of gunpowder, ammonium nitrate, fertilizer, nitroglycerin and dynamite, C4 and explosives and it fell to the ground!

Nico: LETS GO FAST!

We ran fast and then as Don Montero crawled to Captain Love who was on his last legs and bleeding bad they saw a shadow and saw the train and then they screamed and then it smashed onto them into the ground and then…

**EXTREMELY MASSIVE FIERY EXPLOSION!**

The explosion was as powerful as a small nuclear bomb and the heat coming off of it was unbelievable! A massive explosion of fire was seen for miles and it was incredible!

We then looked and saw the explosion and it was incredible.

Nico: WOW!

Me: Unbelievable! What was on that train?

Nico: 4,000 tons each of gunpowder, ammonium nitrate, fertilizer, nitroglycerin and dynamite, C4 and explosives.

Eli: WOW! That is what I would call overkill.

Me: Beyond overkill. But that took care of them.

We saw a huge crater and it filled up with a red liquid.

Nico: That's not blood is it?

We went over and I dipped my finger into it and tasted it and it was really hot sauce!

Me: Hey it's hot sauce. Nuclear spicy too.

Nico: Cool!

Mirabel Madrigal: But this was so buena!

Laney: It sure was.

?: I will enjoy killing and robbing all of you of your possessions!

Celica (Fire Emblem): I knew there's no mistaking that voice from anywhere. You can come out now, Cassius.

A figure came out, and it was none other than Cassius, the cowardly and murderous black magic using bandit from Regna Farox.

Celica (Fire Emblem): I should've known you'd show up, Cassius. Looks like you couldn't stay away for long.

Cassius (Fire Emblem): And now, I shall enjoy killing all of you!

Cassius tried to fire a blast of black magic from his staff, but he couldn't.

Cassius (Fire Emblem): What, what's going on?!

Lincoln: I stripped your staff of its black magic, rendering you powerless, Cassius.

Zaira the Air Faerie: And now, you're about to pay the price for what you've done.

Suddenly, Zaira the Air Faerie's sky blue eyes turned neon sky blue, and she was surrounded by a sky blue energy aura with winds, clouds, and air faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Cassius, he left sky blue energy, winds, clouds, and air faeries with every step.

Zaira the Air Faerie: Cassius, I will never forgive you for the crimes that you've committed, and for what you did to Kjelle's master, I will see to it that you finally pay for those crimes with your life.

Suddenly, Zaira the Air Faerie was surrounded by a massive vortex of sky blue energy with winds and clouds surrounding the vortex, there's an air faerie flying around the vortex, and in the vortex is a pale blue phoenix. Then, as the vortex faded, Zaira the Air Faerie emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Zaira the Air Faerie grew to 6'5" in height, she had the body of a goddess and she has sky blue highlights in the bangs of her short neck-length dark blue hair with yellow and light blue streaks, she has neon sky blue eyes and a sky blue energy aura with winds, clouds, and air faeries surrounding her, she has an air faerie with the Wind Kanji in its hands emblazoned on her forehead, she has on faerie earrings with sky blue gems for eyes and holding the Air Kanji in its hands, she has an air faerie with sky blue gems for the eyes and the Air Kanji in its hands for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with sky blue crystal links from her merged Crystal Necklace of the Buddha and sky blue gems on the gold lightning bolt links. Zaira the Air Faerie has on a purple short-sleeved shirt with clouds on it and a sky blue phoenix on it, dark blue pants, purple ankle-high boots, and long sky blue sleeveless trenchcoat with clouds, winds, and air faeries on the coattails, and on the back is an Air faerie with winds and clouds surrounding it. Zaira the Air Faerie's sky blue fairy wings with grew much bigger for her new body, and they have an Air faerie, a Thunderbird, a Phoenix, and an Angel in them, Zaira the Air Faerie has on a Ring of The Phoenix with sky blue gem and heart-shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Zaira the Air Faerie has her massive Neopia's Magic Staff of Magical Justice in her right hand, she has on her new large gold cuff Bracelets of the Champions of The Universe with sky blue gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with sky blue gems for eyes and a large sky blue gem in its open mouth for the belt buckle, large sky blue Spellbook of The Gods and The Universe and large sky blue Spellbook of The Elemental Gods on her left hip and Eater of Sins revolver holstered on her right hip. There's a white kanji below the Air faerie that said, "Zaira the Air Faerie, Apprentice at the Neggery, Vanquisher of The Darkest Faerie, Dear Friend of Neopia's Many Heroes, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Air and Air Faeries"

ザイラエアフェアリー、ネガリーの見習い、最も暗い妖精の先駆者、ネオピアの多くの英雄の親愛なる友人、リンカーン・ラウドの愛する未来の妻、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生エアフェアリーとエアフェアリーのマスター

Zaira the Air Faerie has transformed into SUPER ANGEL INFINITY HURRICANE AIR FAERIE OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Zaira the Air Faerie's Super Angel Infinity transformation, when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Cassius saw it, he fell into a rage and tried to attack, but Zaira the Air Faerie fired a powerful sky blue energy blast with winds and air faeries at Cassius, hitting him, and as he hit the wall, he drops his staff which shattered to pieces on the floor.

Nico: Whoa, Zaira the Air Faerie's transformed. This is going to be awesome.

Me: And Cassius is going to pay big time.

Lincoln: Wow, Psellia, you look beautiful. How do you feel?

Zaira the Air Faerie: (Divine Echoing Cosmic Voice of The Hurricane

Air Faerie and Divine Love) **I feel incredible, Linky. Now, shall we administer this bandit his punishment?**

Lincoln: (Smiles) With pleasure, Zaira.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Zaira the Air Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's get that murderous bandit.**

Lincoln and Zaira the Air Faerie went after Cassius, and they fired powerful blasts of rainbow energy, sky blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Air Faeries at Cassius, and they exploded with incredible power as they hit him. Then, Lincoln attacked him with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and left painful scars on him and Zaira the Air Faerie fired powerful sky blue energy blasts from her staff, and it hit him.

Then, Lincoln grabs Cassius and he tossed him into the air with his immense and brute superhuman strength, and he and Zaira the Air Faerie fired powerful beams of energy, and as they hit Cassius, the two energy beams exploded with incredible power, killing the murderous bandit. Then, as his spirit appears, Zaira marked his forehead with a kanji and Cassius was erased by The Black Gates forever, along with his crew of bandits. We cheered wildly for what Zaira the Air Faerie and Lincoln did as they holster their weapons and power down, and Zaira the Air Faerie's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Zaira the Air Faerie: That's it for that evil murderous bandit. Thank you for helping me take down and kill Cassius, Linky.

Lincoln: (Smiles Warmly) You're welcome, Zaira.

Suddenly, Zaira the Air Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Zaira the Air Faerie's face, they kissed passionately as Zaira the Air Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Air Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with a gentle breeze blowing and clouds forming right behind them and the display of the elemental forces behind them, and we cheered for them.

Nico: Wow, that's so awesome, and the breeze that blew in from their display feels so nice.

Me: You said it, this sure feels amazing.

Lori: Literally.

Celica (Fire Emblem): And we got rid of Cassius for good.

Lincoln: Which means Kjelle's master has been avenged.

Nico: You got that right, Linc. What Cassius did to Kjelle's master long ago can never be forgiven, and Cassius had gotten away with his crime for far too long.

Lincoln: That's right, and we don't take kindly to those who've gotten away with murder.

Nico: As long as they have the blood of the innocent on their hands, we'll be there to stop them and bring them to justice once and for all.

Me: Yep.

Jack O Lantern: And that's the end of a good Cinco De Mayo.

Mirabel: Of course it is.

Gia: When I said we would end it with a bang I meant it.

Kite Man: And Don Rafael Montero is gone for good.

Me: Same with Captain Harrison Love too.

Mole Man: Damn straight!

Nadine Wendollstein: I think I'm gonna love it here with you guys.

Golden Glider: Of course you will.

Leap Frog: I wonder if there's still food left at the party.

Nico: We have plenty. Both from here on this planet and in the world of Tacos.

Sonata Dusk: Looks like I'm gonna get more tacos after all.

We laughed.

Nico: But you all did a great job today. Happy Cinco De Mayo to you all!

Mirabel Madrigal: Gracias Nico. This was the most fun I've ever had!

Me: We're glad you had a lot of fun.

Nico: Yep.

Mirabel Madrigal: (To the viewers) Have an amazing and buena Cinco De Mayo to you all and may you have lots of great fun on this awesome day.

Me: Yep.

Nico: Yeah. Lets go home. We officially have seen a world of meat, chili, limburger cheese, donuts and now burritos and tacos. How awesome.

Chicken: It will be amazing if we saw a world made of Pork Butts and Taters.

We laughed.

Nico: Yeah that would be cool. Lets go home.

We went back home and we had the village of Encanto beamed to Gotham Royal York and the whole town was placed into our protection. We had an awesome day and a great Cinco De Mayo. And then we went to sleep.

LOUD FART!

Lola: LANA!

Lana: Sorry!

We went to sleep.

Another awesome fanfic done.

HAPPY CINCO DE MAYO EVERYONE! Hope you all liked this adventure for the holiday. It was for the awesome 2021 movie Encanto. I thought that movie was really awesome. But it wasn't that big of a hit and it was because of the COVID-19 Pandemic that Encanto didn't do well. But it was really awesome! Encanto was perfect for this whole day. The first 2 parts were for planets made of burritos and tacos and they were really awesome. And I LOVE BURRITOS AND TACOS! NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Matau, Applejack, Apple Bloom, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Lana, Lola, Lisa and Lily are gonna be in for a really gassy rescue as we go to a planet made entirely out of baked beans! The islands are all gonna be made of hot dogs and wieners and little smokey sausages and we're going to eat some of the beans and some of us are gonna be on the toilet for a while. We're also going to meet a Limax gene-slammer named Lily Limeroth. Lily Limeroth is one of Nico's friends and she is a really awesome and amazing master of espionage. She and Nico are also amazing partners in the worlds of spies. She is also his friend from computer tech club. For Lincoln's rescue we're going to a planet made entirely out of pizza and we're going to battle evil pizza monsters as well as eat some pizza. And we're going to meet a Harpie Lady Gene-slammer named Willowmina "Willow" Emillston. Willowmina "Willow" Emillston is one of Lincoln's Guardian Angels and she is a true angel and has amazing power over wind and can even call birds from anywhere. She also has incredible speed and strength and has amazing sight that can see anything from over 300 miles away. She also took on the ultimate fury of Lori Loud's wrath at her worst and got her sent to a looney bin for 7 months. Plug your noses everyone because this next chapter is gonna be a gasser and a stinky one! Fartor is back and he is going to give everyone ketchup that makes you fart REALLY BAD! But this time instead of having us kill him to put him out of his misery, we're going to have him recruited into the M.O.E.

See you all tomorrow.

# FARTOR RETURNS - THE STENCH IS BACK

Flying through the voids of space was Nico, Matau, Applejack, Apple Bloom, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Lana, Lola, Lisa and Lily and we were flying to another planet that we think is gonna be a really amazing and awesome food planet.

Me: I have a feeling that this next planet is gonna be a cool one.

Nico: Me too. I hope it's a planet of cheese. (DROOLS)

May: You and your cheese Nico.

Himiko: Nico sure loves cheese doesn't he?

Varie: He can't get enough of the stuff. He practically loves every kind of cheese ever known.

Eli: Yeah no kidding.

Nico: Thanks for coming with me, Matau.

Matau: Anytime Nico. This is gonna be awesome to go on one of your awesome rescues.

Lincoln: It sure is always awesome.

We then came to the planet and from space it looked like a mountain world.

Me: This is it.

Eli: Wow it looks like a mountainous world.

Lana: Yeah it sure does.

Nico: Like I told Lewa, Matau, I'm sorry you're feeling left out of Ambassador missions.

Matau: Ah it's all right Nico. Like Lewa said, I can always wait till next time for mine and Lewa's turns.

Nico: That's true.

Lola: Yeah and I hope it's an awesome Kamen Rider ambassador mission for you and Lewa.

Matau: That would be awesome!

Nico: Even if it isn't the case, like I also told Lewa, I'll make sure your missions involve flying.

Matau: Awesome. Shall we head down to the planet/

Nico: Lets shall.

We entered the planet's atmosphere and then we flew over the ocean and we saw that it was a planet with oceans made entirely out of baked beans and the islands were made out of hot dogs!

Me: WHOA!

Eli: Wow! It's a planet made entirely out of Beans and Weenies!

Lana: WOW!

Lola: (DROOLS) SO DELICIOUS LOOKING!

Nico: I got the ketchup!

Me: Oh wow! The oceans are entirely out of baked beans and the islands are all made of hot dogs and little smokey sausages.

Nico: Boy a Beanie Weenie Planet! Hey yeah! Beenusweenum Prime. That's what we'll call this planet.

Me: Nice name Nico!

We went over to an island and Lana pulled out a flag.

Lana: We hereby call this planet, Planet Beenusweenum Prime!

She planted the flag.

We got to having some of the hot dogs and beans and they were really awesome and delicious.

Lola: I'll heat some up!

Lola did so with her fire powers and they were delicious.

Me: Boy we have seen a lot of amazing food planets now.

Applejack: Boy howdy we sure have.

Apple Bloom: They are all really amazing to see.

Me: You know what the one kind of planet I would not want to see would be?

Nico: Let me guess. Brussels Sprouts?

Me: Yep. I HATE BRUSSELS SPROUTS!

Lana: YUCK! ME TOO!

Matau: Even though they're my color, I don't like them either.

Nico: That's good.

Me: I don't know how anyone can like those vegetables. They are absolutely repulsive and disgusting.

Lola: Yeah I HATE BRUSSELS SPROUTS too!

We ate a lot of hot dogs and beans and they were awesome and tasty.

But then, Nico spotted someone in the distance.

Nico: Me and Matau will be right back.

Me: Okay. I'll go with.

We went off to the figure.

We landed on an island and we saw that the figure was Kate Lloyd? What the?

Nico: Kate Lloyd?

Me: How did she wind up here?

Matau: Wait. Something is fishy. How would Kate Lloyd get here so quickly?

Nico: (chuckles) Kate, if you wanted to come, all you had to do was ask.

But after we passed by a few trees, we then saw that Kate was gone. In her place was what appeared to be Kamen Rider OOO

Nico: Eiji Hino? What are you doing here? Have you seen our friend Kate?

Me: What the!?

But then Eiji turned into EMPEROR YODON!

Nico: EMPEROR YODON!?

Me: Whoa! This is one creature that is of many faces!

Emperor Yodon?: (In a girls voice) GOTCHA!

It reverted to a Limax!

Me: A Limax!

Nico: I knew it! And wait that voice! Lily Limeroth!

The Limax changed to a girl with neon green hair and neon green clothes and she had no shoes.

Nico: Awesome!

Matau: Wow! That was really clever!

Me: A true master of disguise.

Lily Limeroth: That's right and it's awesome to see you again Nico.

Nico: Same here.

Matau: What happened to your shoes? Did they rip when you got Gene Slammed?

Lily Limeroth: No I was in my bare feet when I got slammed and I like it.

Nico: Lily is also a great master of espionage and she can transform into anyone and anything.

Me: Like Mystique. That is really cool!

Lily Limeroth: It sure is.

Nico: Lets head back to the group and talk.

We headed back to the group and we introduced Lily to everyone.

Eli: Awesome to meet you Lily.

Lily Limeroth: Same to you Eli.

Nico: We actually do meet the real Eiji Hino tomorrow.

Me: That's right we sure do. Also Nico during today's usual battles I have some special guests joining us for the,

Nico: Who?

Me: You'll see. It's a surprise.

Nico: Ooh!

Matau: I have a feeling this will be awesome.

Eli: It sure will.

Matau: What's your favorite memory of Nico?

Lily Limeroth: My favorite was where me and Nico infiltrated the evil organization S.U.S.P.E.N.S.E. after the defeat of the Millers the first time before Nico joined the team and we got all their plans to the C.I.A. the FBI, INTERPOL, Scotland Yard and big law enforcement agencies.

Nico: That was a daring spy mission.

Camie: What is S.U.S.P.E.N.S.E.?

Me: It's actually an Acronym. It stands for Secret Underground Society of Peach Entrepreneurs Nixing Sour Exports. It's an agricultural terrorist organization that wants to destroy the entirety of the country's food supply so that peaches can reign supreme. But it will also destroy the entirety of the global economy.

Nico: That's right. It was a big organization that we were busting.

Lily Limeroth: I am glad they were taken down forever. I heard during the 20 Days of Darkness that they were defeated once and for all.

Eli: You heard right.

Me: Yep.

Lily and Nico hugged.

Nico: I really missed you.

Lily Limeroth: Same here Nico. Same here.

Nico: This was an awesome rescue here.

Maria: Boy it sure was awesome.

May: I'll say.

Nico: Lets head home.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, and Lewa are heading to a planet made entirely of pizza, and not only is Lincoln going to rescue the twelve girls there, but we're also going to battle evil pizza monsters as well as eat some pizza.

Lincoln: Whoa, we're on a planet made entirely of pizza, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we're also going to battle evil pizza monsters as well as eat some pizza.

Me: That's right, big guy.

Nico: (Drools) Wow, this is so awesome and tasty, and I'm already drooling.

Lincoln: This is a planet that many of us would love living on, and we also love pizza as well, but that could be a bad idea since we'll just eat our homes made of pizza.

We laughed.

Me: Yeah, that's true.

Lincoln: But, this is so awesome, and thanks for joining us, Lewa.

Lewa: You're welcome, Lincoln.

?: HELP!

Suddenly, Lincoln heard the sound of twelve girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the twelve girls, but they've been cornered by an army of evil pizza monsters, and they're going to kill them.

Lincoln: Guys, I found the twelve girls, but they've been cornered by an army of evil pizza monsters, and they're going to kill them.

?: Let's get those evil pizza monsters.

Suddenly, we saw the Harpie Queen Duel Monster appear before us.

Nico: Harpie Queen, whoa.

Lincoln: And I recognize that voice from anywhere, I knew it was you, Willowmina "Willow" Emillston, but we'll have to talk later, we got an army of evil pizza monsters to take down and devour.

We rushed on over, and Lincoln fired powerful rainbow energy balls at the army of evil pizza monsters, and that allowed the twelve girls to get to safety. When the army of evil pizza monsters saw us, they roared in anger at us, but we got out our weapons.

Lincoln: Alright, everyone, who's up for some pizza?

Everyone: We are.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's

Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Lewa, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after the army of evil pizza monsters, and we fired powerful blasts of rainbow energy, colored energy, fireworks, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, stars, rainbow flames, and rainbow crystals, and they exploded with incredible power as they hit them.

Then, Lincoln's hair, along with our hair turned purple as we activated the Berserker Wisp's power, and we went right at the army of evil pizza monsters, and devoured them all. Then, we each let out a loud and massive belch, but Lincoln let out a really massive, loud, and monstrous belch.

EXTREMELY LOUD, MASSIVE, AND MONSTROUS BELCH!

And it was so loud, everyone on Earth heard it, including everyone in the World Tree Estate and The Masters of Evil at their base in Montana.

Dark Spicer: Holy crap!

Me: (Stunned) Lincoln.

Lincoln: (Embarrassed) Heh, excuse me.

We then holstered our weapons and powered down.

Lincoln: That's it for those evil pizza monsters. (To Willowmina "Willow" Emillston) And it's so good to see you again, Willow Emillston.

Willowmina "Willow" Emillston reverted back to normal, and she's a beautiful 17-year-old girl with long flowing light green hair, light green eyes, she's tall at 6'5" in height, she had the body of a goddess, she has massive light green angel wings, thanks to reigning in the power of Harpie Queen, and she's dressed in a light green sleeveless vest, light green sleeveless blouse, light green skirt, light green pants, light green high-heeled knee-high boots, and light green sleeveless trenchcoat with winds on the coattails, and Harpie Queen on the back, and holstered on her back is a large Harpie Queen-themed sword with a 6'10" massive, wide, double-edged light green blade, Harpie Queen's wings for the crossguard, large light green gem embedded in the rainguard, longer black handle, and large light green gem for the pommel.

Willowmina "Willow" Emillston: You too, Lincoln, it's been a long time.

Lincoln went up to Willowmina "Willow" Emillston and they hugged, and Willowmina "Willow" Emillston's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Willowmina "Willow" Emillston: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Willowmina "Willow" Emillston, she's another of my Guardian Angels from Michigan, she's known as a true angel, and she has amazing power over wind and can even call birds from anywhere. She also has incredible speed and strength and has amazing sight that can see anything from over 300 miles away.

We were amazed.

Nico: Whoa.

Me: Now, that's really incredible.

Lincoln: It sure is, and long ago, she took on the ultimate fury of Lori's wrath at her worst and got her sent to a looney bin for 7 months.

We gasped in shock.

Nico: Yikes, sent to the looney bin for seven months?! Oh, we're definitely hearing about this.

Lincoln: Trust me, you won't like what happened during that incident, Nico.

Suddenly, a Thunderbird of Eternal Love appeared around Willowmina "Willow" Emillston's neck with light green gems on the gold thunderbolt links and light green crystal links from brand-new Crystal Necklace of the Buddha which merged with their Thunderbird Necklaces of Eternal Love.

Willowmina "Willow" Emillston: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Willow.

Willowmina "Willow" Emillston had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Willow on the lips, and she returned it, and we cheered for them. Then, we went up to the twelve girls, and when Lincoln saw them, he immediately recognized them. The twelve girls are Suzumi Hiyori, Hattori Juri, Setoguchi Hina, and Takamizawa Arisa from Heroines Run the Show: The Unpopular Girl and the Secret Task, Holt, Ross Christus, Albus, and Zero from The Dawn of the Witch, Aliceliese Lou Nebulis IX, Elletear Lou Nebulis IX, Mismis Klass, and Nene Alkastone from Our Last Crusade or the Rise of a New World.

Lincoln: Oh wow, it's Suzumi Hiyori, Hattori Juri, Setoguchi Hina, and Takamizawa Arisa from Heroines Run the Show: The Unpopular Girl and the Secret Task, Holt, Ross Christus, Albus, and Zero from The Dawn of the Witch, Aliceliese Lou Nebulis IX, Elletear Lou Nebulis IX, Mismis Klass, and Nene Alkastone from Our Last Crusade or the Rise of a New World.

Me: Awesome.

Lincoln: Are you girls okay?

Suzumi Hiyori: Yes, we're okay, thanks to you.

Then, when Suzumi Hiyori and the other eleven girls saw who it was that saved them from the army of evil pizza monsters, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Suzumi Hiyori: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eleven clones of himself, and he and the eleven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Suzumi Hiyomi: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eleven Thunderbird Necklaces of Eternal Love appeared on the necks of Suzumi Hiyori, Hattori Jur, Setoguchi Hina, Takamizawa Arisa, Holt, Ross Christus, Albus, Zero(The Dawn of the Witch), Aliceliese Lou Nebulis IX, Elletear Lou Nebulis IX, Mismis Klass, and Nene Alkastone with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone about the rescue, and they were shocked when they found out that the villains we went after were an army of evil pizza monsters.

But, when Lincoln showed what we did to them by eating them, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Willowmina Emillston have a lot of catching up to do, now that she's back in town.

---

After dealing with the pizza monsters, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Willowmina Emillston saw Lincoln working out like crazy, she had an atomic red blush on her face.

Willowmina Emillston: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Willow, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Willowmina Emillston: That's incredible.

Nico: It sure is. So, Willow, how did you take on the ultimate fury of Lori's wrath at her worst and got her sent to the looney bin for seven months?

Willowmina Emillston: You're not going to like it, Nico. One day, I was out for a jog throughout Royal Woods, but then, I heard the sound of screaming coming from Franklin Avenue. And with my sight, I saw who it was that made that scream: it was Lincoln, and it meant he was in trouble, and I saw who it was that caused the scream to come from Lincoln: it was Lori, and she went completely insane and I saw her eyes turn red with hatred and she had a knife in her hand and she was going to kill him. I was so mad, I flew towards The Loud House, and I kicked the door down, and I fired a blast of wind at Lori, and disarmed the knife out of her hand. Then, I pounced on her and I brutally pulverized her and then, I tied her up to a chair in nylon rope. Then, I went to Lincoln to check for any bruises or lacerations, but he did have severe bruises on his body and a black eye, and he then explained to me that he wasn't going to do her chores or her bidding anymore, and he said to her that she was acting like a tyrannical dictator and he called her a fun-sucking leech who doesn't care about anyone except for herself and her phone, and that's when she went insane. Then, he broke down and he cried hard on my chest, and I hugged him and he hugged me. Everyone came out, and they saw Lori tied up and Lincoln crying and we're hugging, and Lisa got her robots to fix the house, and I talked with Mr. and Mrs. Loud, and we decided to send Lori to a looney bin for seven months, and after that, Lori was completely horrified during that time in the looney bin.

We gasped at the revelation.

Me: My God, that's just horrible.

Nico: And you made the right choice to send Lori to that looney bin for seven months, that should've scared her straight.

Lincoln: It did, and Lori was left with nothing but nightmares of what she went through in the looney bin for seven months.

Luna: Yeah, it was really bad, dude. But, we still harbored anger towards Lori for what she almost did to Lincoln and for trashing the house on another violent rampage, but after the seven months passed, we forgave Lori, Lincoln was the first to forgive Lori a few days after Lori came back from that looney bin.

Luan: Then, we forgave her after Lincoln gave us a talking to, his forgiving nature put a stop to our anger towards Lori.

Me: Nice.

Willowmina Emillston: But, Lori wasn't the only one to have nightmares, even after that day, Lincoln's had some bad nightmares of Lori breaking out of the looney bin and finishing what she was about to do and not only kill him, but everyone else in the family, along with his friends.

Nico: Yikes, that's horrible. But, you stayed with him to comfort him, right?

Willowmina Emillston: Yes, that's right. It took a few days, but Lincoln was freed of those nightmares.

Me: Nice one.

We then got a shower afterwards, and suddenly, a bright light suddenly descended on the World Tree Estate and we covered our eyes to avoid the bright lights. Then, as the bright lights faded, we then uncovered our eyes and to our surprise, we saw that the world of Fire Emblem has merged with ours.

Lincoln: Wow, Lucina, Bernadetta, Dorothea, Petra, Mercedes, Annette, Ingrid, Lysithea, Hapi, Hana, Sakura, Camilla, Elise, Tharja, Lyn, Mia, take a look.

Me: You too, Celica and Byleth.

The Fire Emblem girls saw that their world has now merged with our world.

Bernadetta: Wow, our world's merged with ours, awesome.

Celica (Fire Emblem): Which means, you guys are going to meet Marth, Roy, Chrom, and Ike.

Lincoln: That's right, and it'll be our first time meeting them face-to-face.

Suddenly, we saw something coming up in the elevator, and when the doors opened, we saw who it was in the elevator, it was Marth, Roy, Chrom, and Ike.

Celica (Fire Emblem): Marth, Roy, Chrom, Ike.

The Fire Emblem girls reunited with Marth, Roy, Chrom, and Ike, and they also met us face-to-face at last, and they knew I had Celica and Byleth in my harem, since I rescued Celica from quicksand and Byleth from falling to her death because of that evil violent psychopath, Leena Klammer, and Lincoln rescued Lucina, Bernadetta, Dorothea, Petra, Mercedes, Annette, Ingrid, Lysithea, Hapi, Hana, Sakura, Camilla, Elise, Tharja, Lyn, and Mia on his rescues, and they offered their congratulations, and they knew of Lincoln from the Super Smash Universe, but now, they saw he grew from an 11-year-old boy into a 17-year-old 7'5" tall and extremely muscular man and extremely powerful warrior.

Roy: And this is our first time meeting all of you.

Lincoln: Celica mentioned us to all of you long ago, and you've all seen our adventures. Plus, you've also seen that.

Chrom: That you're among the roster of the Super Smash Universe, Lincoln, yes, we have.

Nico: And it still stunned us even to this day.

Lincoln: Plus, we've been taking down some of your old enemies who came into our world, but now that your world's merged with ours, all of your enemies are now ours, but we're ready for them when they show up.

Ike: I'm glad to hear it, Lincoln.

We then welcomed Roy, Chrom, Ike, and Marth into the team, and it was definitely a big-time reunion for the Fire Emblem girls in my harem and Lincoln's harem.

---

Later it was time for Musa's 3rd Ambassador Mission.

William: Anyone else want to go with Musa? Besides 2 Rabbids, Diabolico, and Otto Rocket?

Musa: I was thinking of having all the Winx Club come with next.

Bloom: Cool idea!

Laney: Yeah it'll be awesome.

Diabolico: I have a feeling this is gonna be a good one.

Me: It sure will.

Stacy: Yeah!

Nico: Lets head out.

We were off to Atlanta.

We arrived.

Sunny Bridges: Hey guys!

Nico: Team Loud Phoenix Storm is back in the house!

Musa: Guys, meet my archenemy.

Diabolico: An honor to meet you guys. I'm Diabolico, former enemy of the Lightspeed Rescue Power Rangers.

Musa: And these are my friends of the Winx Club.

Bloom: Awesome to meet you all. I'm Bloom of Domino and Fairy of the Dragon Flame.

Flora: I'm Flora of Linphea and Fairy of Nature.

Layla: I'm Layla of Andros and Fairy of Waves.

Tecna: (British Accent) My name is Tecna of Zenith and Fairy of Technology.

Stella: I'm Stella of Solaria and Fairy of the Shining Sun.

Roxy: And I'm Roxy of Earth, last of the Earth Fairies and Fairy of Animals.

Tamika: Wow! Awesome to meet you all.

Otto Rocket: Same here and the name's Otto. Otto Rocket.

Sunny Bridges: Wow! It's an honor.

Tamika: (to Diabolico) That was a very gutsy move giving yourself up to take down your former boss.

Diabolico: It was. Bansheera got what she deserved.

Me: Absolutely. She paid big time for double-crossing Vypra like that. But if she ever comes back from the Warp, She is getting the Black Gates for sure.

Bloom: That is for sure.

Otto Rocket: That is for sure!

Nico: I see the place still looks dry even after the attempt to sabatoge it.

Sunny Bridge: Thanks to you guys for cleaning it up.

Nico: Aw it was nothing.

Me: But those kids of the East School kids crossed the line doing that.

Musa: They sure did and bringing Aurico on the second mission was a really great call.

Diaobolico: It sure was.

Nico: Because Aurico loves water.

Me: Well he is from Aquitar and his people live in the ocean.

Nico: True.

Me: Yeah.

Sunny Bridges: But you guys helped us be rid of the Eastley Kids.

Me: No problem. To quote a teacher "That kind of behavior will ever be tolerated."

We laughed.

Tamika: That is true!

Nico: (LAUGHS)

Me: Yeah but that was a good truth and imitation.

Nico: If that's the worse we have to expect from any of your enemies, then that just proves they're not worth killing

Musa: I don't think any of them ever will be.

Me: Besides it goes against our code to kill kids. We would be as bad as the barbarians of the 10th Century if we did that.

Bloom: That is true.

Flora: We don't want that to happen.

Musa: Anyway, how about you guys hear our personal song?

Tamika: Awesome! We would like to hear it.

Musa: Cool!

Sunny Bridges: Yeah. By the way J.D. I love your hair. Did you dye it rainbow color?

Me: I sure did. It was part of a trend that Rarity made. Rainbows look awesome.

Nico: Rainbows are awesome.

The Winx Club got the song underway.

Winx Club: (Singing)

Close your eyes

We saw the great battles of the Winx Club and they were awesome! When the song was done we cheered wildly!

Nico: WOOHOO!

Musa: THANK YOU!

Nico: Ever since the day Bloom met Stella, the Winx Club's adventures have been awesome.

Me: They went all over the universe and did all sorts of awesome adventures. And the number of bad guys they faced were awesome. Many of them are enemies that I have known before and after the team was formed.

Tamika: Wow! That is incredible.

Musa: Yeah it sure is. Who were those 3 girls they fought?

Me: They were the Trix and they were Malevolent Delinquent Witches with evil attitudes that would make Charles Manson look like a saint.

Nico: Yeah.

Musa: They were bad and big time trouble.

Nico: But recently, we forgave them and we're now thinking of who can be the archenemy for each of them.

Me: That's right.

Diabolico: We'll have to decide on that soon.

Nico: Yeah.

Sunny Bridges: That is gonna be awesome.

Me: Yeah.

Diabolico: We do have time for one more song.

Nico: Awesome. And I have just the song. It's to honor the OOO Kamen Riders.

Sunny Bridges: Nice! Another Japanese Song?

Nico: Yep.

Nico got the song underway and it was awesome.

Nico: (Singing in Japanese)

We saw the OOO Kamen Riders kicking Greeed Butt and it was epic!

When the song was done we cheered wildly!

Musa: YEAH BABY!

Me: Awesome man!

Nico: Tomorrow, Will and Jake are visiting them.

Me: Yep and so is me, you and Eli.

Nico: Yep. Darn shame Eiji Hino didn't help us during the 20 Days of Darkness.

Me: Yeah no kidding. But we still owe the Kamen Riders big time for helping us out during that time.

Diabolico: That's true.

We later came back.

May: How did it go guys?

Me: Really awesome.

We told them all everything and it was awesome.

William: Next time, Ish should go with you.

Ish: Only if Rainbow Dash goes with me too.

Rainbow Dash: Fair enough and that is gonna be awesome!

Me: It always is awesome. Will you start your Ambassador Missions tomorrow and it's gonna be awesome.

Will Vandom: It sure will be awesome!

Nico: I'm looking forward to this one too.

---

Later Nico and some of the team was facing a man with a huge sack of money in his hands.

Plant Man: So, you thought you could make a withdrawal, huh?

Man: What's going on here?

Nico: Simple, dude. We saw that bag of money in your hands. So now, we've gotta throw you in jail.

Man: Wait. I was just walking when I saw that bag of money lying around. I just picked it up to return it. I swear!

ZZZZZZZZZAAAAAAAAAAAAAAAAAPPPPPPPPPP!

Lincoln: (zaps him with electricity) Tell it to the judge, dirtbag!

As the cops take the man away, Nico got a look of doubt on his face.

Me: I believe him Nico. I saw that he was just doing the right thing and returning it to the right people.

Eli: He was telling the truth.

Sweet Leaf saw Nico in doubt.

Sweet Leaf: Something wrong, Nico?

Nico: I was just thinking. What if that man wasn't the bank robber after all?

Lincoln: Oh, c'mon! It's obvious that guy robbed that bank! Can't you just appreciate some good fucking fortune?!

Maria: Lincoln, it might not be good fortune if that real robber is still out there.

Lincoln: (growls) Whatever! I've honestly had enough of bank robbers to last an eternity. Maybe we should consider using the superlaser on all of them! (storms upstairs)

Me: Believe me we all have had enough with bank robbers to last a lifetime but something about this robbery seemed unjust.

Eli: Nico, if it makes you feel better, I think that man is innocent as well

Nico: Thanks, Eli. At least some of you guys believe me.

Me: I believe you too Nico. Lets head down to the police station and talk this over.

We arrived at the police station.

Tom Lair: Hey guys.

Me: Hello Officer Lair. Pinkie Pie's big mission is tomorrow and we're going to have a really fun time on this one.

Tom Lair: I can see that. Tell her we wish her the best from us.

Me: Will do.

Tom Lair: Hey, Nico. Something you need?

Nico: Yeah. Eli bonking me and J.D.'s heads together if it turns out we just arrested the wrong guy. Can you bring up his rap sheet?

Tom Lair: Certainly.

He pulled up the RAP Sheet of the man arrested and it turns out he had NO ARREST RECORD AT ALL!

Eddy: Anyone else feeling sick to their stomach right now?

Maria: (Stomach grumbles) Uh oh! COMING THROUGH!

Maria went into the bathroom and then everyone heard loud farts and explosive diarrhea.

Eddy: Ooh sorry I asked.

May: It's the beans from the Beans and Weenies planet we went to.

Lana: But that was still cool though.

Matau: It sure was. Especially the Pizza Planet we went to as well.

Laney: That was my favorite.

Shaggy: Like yeah. It sure was. That was the biggest pizza I've ever seen!

Scooby Doo: Yeah it was!

Eddy: You guys sure love your pizza. But anyway we're feeling upset that we arrested the wrong guy.

May: No kidding.

Soundwave: Operation: Real Robber Retrieval.

Nico: Initiate.

Soundwave was off to find the real robber and instantly he came back with the real robber.

Eli: Wow that was fast!

Tom Lair: Why I don't believe it! That's Scapegoat Stanley! The most notorious Bank Robber in the country. He was known for stealing millions of dollars from banks and then he pins the blame on someone else so they would take the fall.

Arrietty: Wow! That is one elusive bad guy.

Tom Lair: That is a mere understatement.

Nico: Oh wow! (To the man) Sorry we falsely accused you like that.

Man: Ah it's all right Nico. I forgive you.

Nico: To show how sorry I am, you can take my watch or kick me square in the crotch.

Blaster: We were just doing out jobs. And what's your name?

Nick Laurence: Oh Nick. Nick Laurence.

Me: Pleasure to meet you Nick.

Nick Laurence: Same to you.

But then…

CRUNCH!

Nick Laurence kicked Nico square in the crotch!

We winced!

Me: (WINCES) OOOH!

Eli: AI YI YI!

Nico: (SQUEAKING VOICE) HE NEVER GOES FOR THE WATCH!

Tom Lair: Ouch.

Nick Laurence: Sorry Nico. But it's all water under the bridge now.

Poromon: Nico, how about we bake some fresh cookies to help you get over this guilt?

Fellbat: Might as well. It's gonna be a while for the next mission to start.

Nico: I could use some cookies. Is Maria okay?

Maria came out and she was holding her stomach in pain and farting like crazy.

Nico: Geez Maria.

Me: I saw her ate a huge amount of beans on the planet of Beans and Weenies.

Laney: Wow.

Maria: But I'm okay.

Tom Lair: Sorry about the Mistaken Identity there Nico.

Nico: No worries.

We went back to the estate and we made Vanilla Orange Rum Cookies.

Nico: Oh boy. Those smell great.

Me: Nothing like freshly baked cookies to get your mind off of stuff.

Nico: You said it. What kind are they?

Me: Vanilla Orange Rum. Recipe I learned off the internet.

Nico ate a cookie and it was delicious.

Nico: (Eating) MMM! Delicious!

Me: Me and Pinkie made all of them with love.

Pinkie Pie: You bet we did.

Nico: Thanks guys. These really were awesome.

Me: Anytime.

Then Pinky & the Brain, Black Adam, Jet, Kite Man, Mole Man, Golden Glider, Magneto, Melter, Jack O Lantern and Leap Frog appeared.

Leap Frog: Hey guys. Wow! What is that fantastic smell?

Me: Fresh baked Vanilla Orange Rum cookies. Me and Pinkie Pie made them for Nico.

Magneto: Can we have some?

Me: Sure. We made them for everyone.

They got to eating them and they were all good.

Melter: Mmm! So good.

Jet: These are delicious. Where did you learn these?

Me: From a recipe I found on the internet.

Jet: Neat.

Brain: Can me, Pinky, Black Adam, Jet, Kite Man, Mole Man, Golden Glider, Magneto, Melter, Jack O Lantern and Leap Frog hang out with you guys?

Pinky: Sorry you accidentally sent the wrong man to jail.

Nico: Yes you all sure can.

Eli: (FARTS) Oops sorry.

Me: Jeez Eli not you too!

Nico: (GAGS) Man Eli what did you eat!?

Eli: A turkey sandwich with ketchup on it. The Ketchup tasted really weird though.

Me: Hmm. Let me see that.

I went to the fridge and pulled out a bottle of ketchup.

Flamewar: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: This is an interesting one. I'm hoping to meet an Alicorn Gene-slammer next.

Me: Wow! An Alicorn Gene-slammer. That would be awesome.

Sunset Shimmer: It sure would be cool to see one of those.

Laney: It sure would.

Lana: Yeah. (FARTS) Oops.

Lola: Lana! (FARTS) Oops!

Nico: Geez!

Me: I think I found the culprit.

I showed Nico the ketchup.

Nico: Flat-chup?

Nico looked at the ingredients. AND THERE WAS A TON OF THEM!

Nico: WHOA! Look at all this. Bran, Broccoli, Cauliflower, Beans, Onions, Apples, holy shit!

Me: Wow! That is explosive diarrhea in a bottle!

Eli: No kidding! That stuff is lethal.

Me: This isn't the only bottle however. Someone put in 5 bottles of it.

Jet: Okay, someone put these here.

Me: Hmm. Mr. Lynn did you buy all this?

Lynn Sr.: Yeah I thought it was ordinary ketchup.

Me: Hmm. This looks like a job for the Grossology department.

Lynn Sr: Where's Lincoln anyway?

Flamewar: Mr. Happy? He's in his room.

Eddy: (LAUGHS) And I thought I was the only one that called Ed that when he got mad.

Me: We better go see him.

We went up to his room. But then we smelled REALLY BAD FART GAS!

Me: (GAGS) OH MAN! Lincoln did you eat the beans from the Beans and Weenies planet?

Lincoln: Well yeah and I also had French Fries with ketchup.

LOUD FART!

Me: JEEZ!

Magneto: Lincoln, I hope you realize that you zapped an innocent man and got him sent to jail.

Eddy: In Lincoln's defence- (tries to think of something) -I've got nothing.

Lincoln: He was innocent?

Nico: Yeah the real culprit was this man.

Nico showed a wanted poster of Scapegoat Stanley.

Lincoln: Scapegoat Stanley?

Me: Yeah.

We told him everything and it was really strange and more.

Lincoln: Oh man! I had no idea! (LOUD FART) Oops sorry.

Me: GEEZ! That ketchup is ravaging you.

Lincoln: The ketchup is doing this?

Me: It's not just ketchup. It's called Flat-chup.

Nico showed him the bottle and Lincoln looked it over and he was shocked.

Jet: That is some really lethal ketchup!

Ed turned into Edzilla and picked Lincoln up.

Anemone: Ed, what are you doing?

Edzilla: Ed help Lincoln. (pats Lincoln's tummy as he farts)

FAAAAAAAAARRRTTT FFFFFFFFFAAAAAAARRRRRRTTT! FAAAAAAAARRRRRRTTTTTT!

We smelled the gas and IT WAS DISGUSTING!

Nico: (VOMITS ALL OVER ME!)

Me: OH SICK! THANKS A LOT NICO!

Nico: Sorry man. But I guess we're even for you vomiting on me at Alcatraz.

Me: You still aren't going to let me live that down aren't you? But I couldn't help it Nico! Those toilets stopped working 60 years ago.

Nico: True.

Girl Jordan: I got this.

Girl Jordan cleaned me off with water.

Me: Thanks.

Lincoln was farting like crazy!

Me: Whatever you guys do don't light a match.

Edzilla: Ed help Lincoln outside.

Golden Glider: Good idea! Ed help Lincoln outside!

Lincoln: Thanks Ed.

Edzilla: Ed happy to help.

We went down to the surface and Lincoln was farting bad outside.

Nico: GEEZ!

Omaima Lexington: Wow! Not even my farts are that bad. (LOUD FART) Oops sorry.

Nico: You're excused Omaima.

Camie: How come Omaima farts like that?

Me: She can't help it. She was born with 2 stomachs and it gives her uncontrollable flatulence.

Sirius: Is that even possible to be born with 2 stomachs?

Lana: I asked the same thing.

Me: It's a defect but yeah it sure is possible.

Jean Bison: Okay, something fishy's going on.

Chicken: Yeah no kidding there.

Me: And I think I know what it is. Abby, Ty, I think this is the work of our enemy Fartor.

Abby: I have that same feeling too.

Ty: Yeah no kidding.

Camie: Who is Fartor?

Me: You would really feel sorry for this guy.

I went over his his history.

---

Fartor (voiced by Sean Cullen) - Fifteen years ago, he was just an ordinary kid named Larry. That was until his older brother Gary tortured him by stuffing his brother under the bedsheets and farting in there. During those fifteen years, he became adapted to breathing the gases in farts. Like a fish is out of the water, clean air is toxic for him, so he breathes the gases in farts in a dome that he wears on his body. Fartor wants revenge on Gary. He was last seen stranded on the moon in the episode 'The Fart Side Of The Moon'. There, he had tried so hard to ensure that his meteor would hit earth, ensuring that the Earth's air would be full of methane gas (CH4) and other substances in which it is habitable for him. Like any other villain, his plan had failed because The Director had eaten too many beans and farted, Therefore, redirecting the meteor to hit the moon. Fartor is seen to be happy in the moon, though being lonely.

---

When I was done everyone was shocked!

Nico: So Fartor's back!?

Laney: I thought we were rid of him forever after how we lit him on fire.

Me: Yeah.

Eli: I sense it. The Aparoids brought him back!

Me: We haven't faced the Aparoids in a long time.

Mole Man: So all these ingredients are from him?

Nico: Yep.

Twilight Sparkle: Boy hard to imagine. Many of us weren't with you all when you faced Fartor.

Eli: Yeah.

Me: Right it was a little over a month before we faced Thanos.

I went over what happened in the events of Chapter 890 and it was both gross and funny.

FLASHBACK - Chapter 890

In the Jupiter Prison, we were gathered for another ran session with the most hated babysitter in the history of humanity: Icky Vicky.

Muscle Man: I heard a lot about Icky Vicky. She was the worst babysitter ever.

Mordecai: She gives all babysitters everywhere a really bad name.

Nico: You have no idea guys. Vicky is pure evil. She hates all kids everywhere and wants nothing more than to see the whole world burn.

Qin: Yeah. She's a monster.

Lola was there and she had the Mega Babies in her arms.

Lola: (Older voice) I would never want her as my babysitter. One time guys, before I got my powers, I got a psychopath as a babysitter that was wanted for busting out of prison.

Me: I remember that.

---

Me: (Narrating) **It was before the pageant where she and Lana got their powers. Mr. Lynn and Ms. Rita hired a babysitter for Lola. But what they didn't know is that he was a psychopathic criminal that busted out of prison recently. When I saw a bruise on Lola because of him, I made the scene.**

Me: HEY! HANDS OFF HER! (grabs psychopath and punches him in the stomach and ties him up and gags him) Lola, it's okay. I'm here.

Lola: (hugs me as she cries) J.D.! Thank you!

Me: (hugs back) It's okay. Everything is going to be alright.

Lola: We should call the cops on him.

Me: They're already on their way here. I came prepared and I got him abusing you on tape.

Lola: You did?

Me: I sure did. After last night, when I saw you with bruises on your face, I knew something was wrong. So, with the help of Varie, the other sisters and Lincoln, we set up video cameras to catch him in the act. I'll be showing those tapes to the judge and the cops tomorrow.

Lola: (smiles) Thank you, J.D.

Me: (wipes her tears) Don't mention it. Come on, let's fix up that bruise.

Lola: Okay.

We went to the sofa in the living room and Varie was healing Lola.

Varie: Hold still, Lola. This'll sting a bit.

Lola: (flinches from the pain) Ah!

Varie: Told ya.

Me: It's gonna be all right Lola.

The rest of the family then walks into the house.

Rita: We're hom-. (sees Lola's bruise) Oh my God, Lola!

Siblings: (shocked) LOLA!

Lynn Sr.: (shocked) OH MY GOSH!

The family surrounds Lola with worried expressions of concern.

Rita: Oh, sweetheart! What happened to you?!

Me: I'll show you the tapes. Also, don't go upstairs.

Lynn Sr.: Why?

Me: (whispers into his ear)

Lynn Sr.: [goes pale] You caught him!?

Me: I sure did. He is a monster.

I showed them the tapes. What they saw was awful! They saw horrifying acts of abuse caused by the psychopath.

Lori: O-M-G! That is literally too much!

Leni: I can't believe we left Lola with someone like that!

Luna: That was a HUGE mistake!

Luan: Make that a MASSIVE mistake!

Lynn: Where is he?! I'm gonna beat him up with my baseball bat!

Me: He's already tied up Lynn and the cops are almost here.

Varie: Yep.

Lynn: Oh. Okay.

Lucy: How could let this happen?!

Lisa: Only simpletons would let it happen! [realizes, then feels uneasy] Which might've been us…

Me: It's not your fault guys. You didn't know that this would happen.

Lana: (hugs Lola) Why did I let this happen to my twin?!

Lily: (hugs Lola) Sorry Lola.

Lincoln: I still can't believe we almost lost a family member!

Rita: Oh, my poor baby! Lola, we're so sorry for not listening to you about that monster!

Lola: It's fine, Mom. Really…

Lynn Sr.: No, it's not! We never should have hired that monster!

Lana hugs her twin tighter and starts crying.

Lola: (returns the hug) It's okay, Lana. Other than this bruise, I'm fine.

Lana: (crying) But I almost lost my twin sister! Life wouldn't ever be the same without you! (cries harder)

Lola: It's okay, Lana. Thanks to J.D., it's gonna be okay.

Leni: What did he even do to him?

Me: I beat him up and tied him up.

Sirens were heard and the police arrived.

They came in.

Officer: Where is he!?

Me: Right here officers.

I went upstairs and brought the psychopath down and put him on the floor. I took his mask off.

Officer: Well I'll be. It's our old friend Kenneth Baxter, also known as the Masked Babysitter Killer. He's a psychopathic pedophile murderer that was wanted in 4 states. But he busted out of prison last month.

Me: I remember this guy. I busted him before over a year ago before I moved here to Michigan. His crimes were nothing short of ultimate evil. He killed 6 people.

Everyone gasped.

Laney: So we had an escaped serial killer babysitting Lola!?

Lola: Whoa!

Varie: I heard about this guy.

Me: Yeah. I busted him in Colorado before I moved here. His case was so high profile that they couldn't let him stay in a Colorado prison. So they decided to move him out of state to a more powerful Maximum Security Prison. And I'm not surprised that they moved him here. Here officer. (Hands him the tapes) These tapes show the abuse he inflicted on Lola.

Kenneth: And I would've gotten away with it if it weren't for your meddling J.D.! You will pay for this!

Me: Next time it will be death.

Officer: You deserve a big thanks J.D.

Me: You're welcome Officer.

Me: (Narrating) **After they took him away, they moved him to an even higher security prison facility where he was placed into Solitary Confinement. They gave him 5 more life sentences on top of the 6 life sentences plus 7,212 years he was already serving.**

FLASHBACK ENDS

Lola: It was good that J.D. arrived.

Derek: Thank goodness you're all right Lola.

Buck: Yeah.

Meg (Mega Babies): But thank goodness we never have to see that monster again.

Nico: That freak has failed this universe.

Me: He sure has.

Elec Man was serving hot dogs, pizza, snacks and more to the prisoners.

Elec Man: Get you snacks here!

Me: Lets start the rant.

Nico: Lets get ready to (Fire Hair Flares Up) (Echoing) RUMBLE!

Muscle Man: Let me at her!

Icky Vicky: Muscle Man!? I heard a lot about you! Your mom is a dumb whore!

Muscle Man: Are you making fun of my mom?! You're making fun of my mom! No one makes fun of my mom!

Man Boy: Did she just make fun of your mom?

Muscle Man: Yeah, she did, bro!

Me: Oh she did not just go there!

William: Oh no, bro!

Muscle Man: I know, bro!

Snake Man: (to Icky Vicky) You're about to wish you were never born!

Me: If there's one thing that Muscle Man never likes above all others, it's someone insulting his mother.

Muscle Man: You hurt my mom's feelings! (lifts up picture) Pay her a compliment, tell her she's beautiful! TELL HER!

Icky Vicky: Uh, you're beautiful, Muscle Man's mom.

Muscle Man: Now, kiss the photo and tell her you're sorry! (holds photo to Icky Vicky's face)

Icky Vicky: Sorry. (kisses photo)

Muscle Man: Fire up the grill, Lea.

Lea: Got it memorized, Muscle Man. (Lea puts a grill on the ground, lights it ablaze with his Keyblade, and Muscle Man comes up to put the photo on the grill. Lea flips it, and then hands it to Muscle Man)

Hoot Loop: Eat this picture of Muscle Man's mom, or you'll be sorry!

Icky Vicky: Please, don't make me eat the picture!

Muscle Man: EAT IT!

Icky Vicky ate it and it was disgusting.

Me: Yuck! That would taste like puke.

We laughed.

Benson: I think I want to get a shot in.

Me: Benson are you sure?

Hound: Won't your anger destroy everything around you?

Benson: It would if I repress it for several hours. It'll be like how Elec Man did it.

Elec Man: Okay.

Manboy: This is gonna be good.

Benson walked up to Icky Vicky and he was red with anger. He fired a powerful beam of energy from his mouth and it hit Icky Vicky. It's power was massive!

BENSON: **AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA YOU'RE A LAZY FUCKED UP MOTHERFUCKING NO-GOOD FUCKING BABYSITTER AND YOU FUCKING DRIVE ME FUCKING NUTS YOU MOTHERFUCKING SON OF A FUCKING BITCH! CAN'T YOU JUST LISTEN TO KIDS EVEN ONCE IN YOUR FUCKING WORTHLESS MISERABLE FUCKING LIFE?! 'CAUSE IF YOU DID, YOU'D FUCKING RATHER WANT TO KILL KIDS WHENEVER YOU GET THE FUCKING CHANCE! (Voice breaks a little) BUT YOU WOULDN'T KNOW HOW TO FUCKING LOVE SOMEONE IF YOU GOT PAID ALL THE FUCKING MONEY IN THE FUCKING WORLD, (Tears of water and blood are STREAMING and steam is blowing off his face) AND EVEN THEN YOU'D SCREW IT ALL FUCKING UP ON THE ACCOUNT THAT YOU CAN'T EVEN FOLLOW THE SIMPLEST OF**

**INSTRUCTIONS, HURTING INNOCENT PEOPLE THAN DOING YOUR MOTHERFUCKING JOB!**

We felt that powerful yell and everyone on Earth back at the estate heard it.

Varie: Whoa! That was loud!

Aylene C.: Benson has a nasty temper and a powerful yell.

Brawl: That's actually more colorful then how Elec Man did it.

Lana: No kidding.

Back at the prison everyone was cheering for Benson.

Me: Way to go Benson.

Manboy: That was a good show Benson.

Benson: Aw thanks guys.

Elec Man: That was a much better rant than the one I did here.

Benson: That's true.

---

At the Antarctica Prison, Maria and Nico were visiting John Corben, formerly Metallo in his prison cell. He actually got a good laugh out of the rants.

Maria: What'd you think, John?

John Corben: (laughing) I liked it! Never stop doing these rants!

Nico: Oh, we won't!

---

Back at the estate we were showing Qin our special museum of all of Mystery Inc's achievements.

Qin: Wow! So this is the museum of Mystery Inc?

Me: Yep. We built it to commemorate all the achievements of Mystery Inc.

Syd: This is so cool! I heard you all went into that awesome video game they have and saved them.

Me: We sure did Syd. That was one of our most amazing adventures.

Laney: When we got word about our friends on Mystery Inc getting zapped into Eric's game, we hooked it up to the training simulator and went into the game to help free them.

Syd: That is so cool!

Me: Yep.

We showed Syd and Qin all the monsters and villains that Mystery Inc faced on a daily basis.

Syd: Wow! There's so many monsters they faced!

Qin: We saw some of them with Scooby Doo and the gang and they were awesome!

Me: And take a look at this.

I showed them a bunch of mugshots of all the criminals that were behind the mask of all the monsters we faced. Below them was the information of their crimes and the sentences they got.

Syd: Wow! Look at all the bad guys they busted.

Me: Yep. And they all nearly killed my friends in order to get revenge. Me and Lori found out that there was a massive plot for all the villains to get revenge on all of Mystery Inc. I reported the Scooby Doo Revenge Social Network to the FBI and the United States Department of Defense and the Federal Communications Commission. I told them about it and they seized the website. But in doing so, the United States Attorney General extended all the prison sentences of all the villains that were busted to Life Without Parole.

Syd: Wow! They deserve it. That's attempted murder.

Qin: Just what I was thinking.

Me: Yep. They deserve to spend the rest of their worthless lives behind bars.

Then the alarm sounded.

Me: Uh oh.

We went to the computer in the living room. We looked up what was going on and we saw that the evil gross toilet humor fart villain Fartor was out to cause problems! He was an ugly guy.

Me: Fartor? I never heard of this guy.

Lincoln: What does it say about him?

Me: Lets see.

I pulled up his information and what it showed me was awful.

---

Fartor (voiced by Sean Cullen) - Fifteen years ago, he was just an ordinary kid named Larry. That was until his older brother Gary tortured him by stuffing his brother under the bedsheets and farting in there. During those fifteen years, he became adapted to breathing the gases in farts. Like a fish is out of the water, clean air is toxic for him, so he breathes toxic gases in a dome that he wears on his body. Fartor wants revenge on his older brother Gary. He was last seen stranded on the moon in the episode 'The Fart Side Of The Moon' where he had tried so hard to ensure that his meteor would hit earth ensuring that the Earth's air would be full of methane gas (CH4) and other substances in which it is habitable for him. Like any other villain, his plan had failed as the stowaway director had eaten too many beans and released his nuclear gas, Therefore, redirecting the meteor to hit the moon. Fartor is seen to be happy in the moon, though being alone.

---

Me: This is sick! Because of his brother he needs to live on farts in order to survive.

Teresa: Why don't we introduce Fartor to Lori and Lynn's farts?

Lori: I do not fart! It's my shoe!

Me: Lori, now is not the time for your bouts of denial. Your farts to him would be too poisonous for him and Lynn's Dutch Ovens are terrible.

Lincoln: But why would his brother do that to him?

Me: He was a total jerk.

Nico: That really makes me mad! I'm an older brother myself, but even I would never be that cruel to my siblings.

Me: Me neither. My sister is not like that.

Laney: Thank goodness. We should give this guy a mercy killing. Wait a second. I remember this guy. He's one of the enemies of a major ultra secret organization called Grossology.

Me: I've heard about them. They are called the Bureau of Grossology. They are a secret government organization that uses cutting edge technology and prevents gross crimes and disgusting things from happening.

Laney: That's right. And I have 2 friends that work for them. Their names are Ty and Abby Archer. They're brother and sister and they do amazing things. We can help them beat Fartor.

Me: Good idea. Lets get him!

We were off to the city.

## GOTHAM ROYAL YORK CITY BUSINESS DISTRICT

In the middle of the Gotham Royal York City Business District, the entire area was completely covered in a thick blanket of fart gas and boy did it smell horrible! Fartor was using a deadly condiment called Flatchup, a ketchup made of all kinds of fiber loaded vegetables and meats that will make anyone fart for weeks without stopping.

Ty and Abby were facing Fartor.

Ty: Fartor, listen to us! We're sorry about what happened to you. But that's no reason to give up on yourself!

Fartor: (bitterly) The world's changed, Ty. You guys apparently changed with it. So why get upset about someone like me, huh?

But then a massive explosion of fire appeared in the sky and a phoenix cry was heard and the fart gas ignited and exploded into a huge wall of fire!

KRABBBBOOOOOOMM! KRABOOOM! KRABBOOOOOM! KRABBOOOOOOM! KRABOOOOOOOM! KRABOOOOOOMM!

We landed by them.

Me: Sorry to drop in like this.

Abby: Boy are we glad to see you guys.

Laney: Same to you Abby and you too Ty.

Fartor: So the mighty Team Loud Phoenix Storm has arrived.

Me: To put you out of your fucking misery Larry. But first.

I reached into my pocket and pulled out some nose plugs and gave them to everyone.

We put them on.

Me: (Nasally) Lets burn his stench!

The Megaforce Power Rangers turned into the S.P.D. Power Rangers. Troy Burrows was the Red S.P.D. Ranger, Noah Carver was the Blue S.P.D. Ranger, Jake Halling was the Green S.P.D. Ranger, Gia Moran was the Yellow S.P.D. Ranger, Emma Goodall was the Pink S.P.D. Ranger and Orion was the Omega S.P.D. Ranger.

We went at him and I punched Fartor in the face and cracked his dome. Nico kicked his pod and sent him flying into the air and Laney sent vines and tied up Fartor.

Maria: (Nasally) Lets see if water will get you clean!

Maria fired a powerful blast of water and drenched Fartor.

Lori: (Nasally) Lets see you handle my farts from my shoes!

Lori farted in his face and her farts smelled so horrible that they were too much for Fartor to handle and he was coughing and gagging. Troy Burrows punched Fartor in the face and fired red energy blasts from his S.P.D. blaster. The blasts hit Fartor and exploded all over. Noah Carver fired blue blasts from his Delta Blaster, Gia Moran kicked Fartor in his face and fired energy lasers, Jake Halling fired green energy lasers and Emma Goodall fired powerful pink lasers. Both blasts hit him and exploded. Orion as the Omega Ranger fired a powerful blast of lightning and electrocuted Fartor.

Me: I will say this though Fartor, when your brother made you like this, he turned you into a fucked up fart gas breathing freak.

Fartor: Fuck you! You freak!

Me: Do you kiss your fucking mother with that mouth? Lets show him some teamwork.

Brawl: You got it boss! Good think us robots can't smell things. We don't breathe anyway. CYBER KEY POWER!

The Earth Cyber Planet Key went into his back and enhanced his Megavolt Gun 100-fold.

Snake Man: Time for the venom of the Sssnake to poissson you. EARTH CYBER KEY POWER!

The Earth Cyber Planet Key went into Snake Man's right arm and it enhanced his Search Snake 100-fold.

Brawl and Snake Man: LIGHTNING HOMING SNAKE BOMB!

Brawl fired a powerful blast of lightning and Snake Man fired a powerful snake and the lightning merged with it and turned it into a snake of pure lightning. It hit Fartor and electrocuted him.

Hound: Time for some serious firepower! CYBER KEY POWER!

The Earth Cyber Planet Key went into his back and enhanced his turret gun firepower 100-fold.

Hoot Loop: Lets Ruffle Some Feathers! ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into Hoot Loop's right arm device and it enhanced his powers 100-fold.

Hound and Hoot Loop: MAGIC RING TELEPORT FIRESTORM!

Hoot Loop had his ring form over in the opposite direction and Hound fired bullets through it. The ring sent the bullets through it and it hit Fartor in the back.

Me: Lets give this fuckpot the ultimate Dutch Oven!

Lynn: Now you're speaking my language J.D.

Lynn went up to Fartor and jumped onto him.

Lynn: SUPER DUTCH OVEN FART STORM!

Lynn farted right in Fartor's face and it was a nasty one that smelled so bad and so terrible that it made Fartor gagged.

FAAAAAAAAAAAAAAARRRRRRRRRRRRRRRRRTTTTTTTTTTTTTTTTTT!

Lori: Lets see how he likes the smell of my shoes! MEGAFART STENCH STORM!

Lori farted so bad and made a stench so terrible that it went into Fartor's face and he coughed and gagged.

Me: Lets see how he likes the stench of Dino Gas!

Tyler Navarro: This is gonna be a stinky one!

Tyler Navarro activated the Oviraptor Dino Gas charge and fired a powerful blast of Fart Gas.

FFFFFFFAAAAAAAAAAAAAAAAARRRRRRRRRRRRRRRRRRTTTTTTT!

It smelled so horrible that it made Fartor gag and puke.

Derek: Lets get this freak!

Buck: With you all the way.

Meg (Mega Babies): Lets give it a terrible smell!

Mega Babies: SUPERFART FARTWIND HURRICANE!

FAAAAAAAAAAAAAAAAAAAAAARRRRRRRRRRRRRRRRRRRRRRRRRR

The Mega Babies fired a powerful blast of fart gas at Fartor and he was really coughing and gagging.

Abby: Time for you to see how dangerous farts can be! FART STENCH BOMB!

Abby farted a ball of fart gas and it hit Fartor and exploded.

KRAAAFFFFFFFFAAAAAAAAAAAAAAAAAAAARRRRRRRRRRRRRTTTT

Fartor was down and still in his pod.

Abby: Alright, Fartor. Time to take you to jail.

Fartor: Don't give me that bullshit, Abby. We know that I won't survive in any prison. There's only one way to deal with me.

Nico: I know. But we don't like it.

Fartor: It's ok. I had a good run. But promise me you'll make sure my brother pays for this.

Heatblast: (solemnly) We will. (launches fireball)

Me: No Heatblast. I got this.

I walked up to him.

Me: Gary will pay for this Fartor. We're going to make him pay by throwing him in prison.

Lola was absorbing all the fire around her.

I pulled out a match.

Me: We'll grant you a swift death Larry. You didn't deserve this.

Fartor: I understand.

I used my thumb to strike the match and light it.

Me: Give my regards to the devil.

I threw the match into his pod and left and then Fartor's gas ignited and he exploded into a massive fireball with the power of 8,000 tons of nitroglycerin!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was so powerful that it hurled me into the air and sent me flying and I crashed into a fruit cart.

SPLAT!

Me: Wow! That was powerful!

Nico: Are you all right J.D.?

Me: Yeah. Thanks man.

Udonna: We've done it once again, everyone. This day is ours!

Lynn (sadly): Yeah? So how come we feel so bad about it?

Me: Well it's a mercy killing. We had to put him out of his misery because of all his pain that he had to go through.

Lynn: That's true. (To the viewers) Farts are a natural part of life. Natures whoopee cushion. We fart 50 times a day. Let the gas out.

Me: You said it Lynn.

We found Gary and told him what happened to Larry. We had him arrested for assault and battery and turning his brother Larry into a freak. But he never intended for that to happy. It was all because of brotherly love taken too far. He was sentenced to 35 years in prison.

FLASHBACK ENDS

Eli: WHOA! That is rough.

Sunset Shimmer: And all because his own brother would Dutch Oven him all the time!?

Pinkie Pie: What a party pooping jerk!

Rarity: So disgusting and uncouth!

Lusamine: I'm sorry you all had to mercy kill him.

Me: Well we had to. In my opinion his brother cursed him with a fate worse than death.

Nico: That's true.

Laney: Yeah it was awful. He couldn't breathe normal air anymore.

Lana: Yeah it was awful.

Black Adam: And I don't think you enjoyed killing him either.

Me: NO we didn't.

Laney: Yeah it wasn't right but we had to.

Eli: Poor guy.

Twilight Sparkle: Yeah no kidding.

Nico: Yeah.

Ransack: Well, until we get word of him actively causing trouble, we can't go after him.

Nico: Right now it's only a few of us on the team that is in trouble.

Lincoln was farting bad.

Nico: GEEZ!

Me: That is nasty gas.

Melter: There's got to be a strong way to get the farts out.

Me: Well from what I remember you just have to let it come out naturally or do it like how Edzilla is doing.

Laney: Yeah that's true.

Lincoln was farting like crazy.

Nico: Geez!

Laney: Lincoln sure has really bad gas.

Blackarachnia: Tell me they're nearly out!

Edzilla: Ed doing best Ed can.

Lincoln: But he does have good hands for an awesome massage. (TINY FART) Ahh. What a relief.

Nico: Good.

Eli: Awesome.

Leap Frog: Good thing it's outside

Nico: Thank goodness.

Lana: I think it's best we find Fartor now.

Nico: Agreed.

Blitzwing: I think the farts are out.

Nico: Yeah. Lets go find Fartor.

Lola: And we will.

Kite Man: I'll fly to where he's at.

Nico nodded and Kite Man flew to find him.

While that was going on we waited.

Eli: Fartor sure is a damaged soul.

Kite Man came back and he told us that Fartor was in the Park.

Magmon: Time for our entrance.

Nico: Lets do it!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed

a dark energy signal, and he saw who the figure was in the vision: it was none other than Darius, the most feared and battle-hardened leader of the Hand of Noxus, and he's here to cause havoc. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Ahri, you and the others aren't going to like it: the dark energy signal I sensed belongs to Darius, the most feared and battle-hardened leader of the Hand of Noxus, and he's here to cause havoc.

The League of Legends girls in Lincoln's harem gasped in shock.

Ahri: Oh boy, I should've known Darius would one day show up, and this guy is one dangerous and ruthless monster. Let me tell you guys about him.

Ahri proceeded to tell us about Darius, and we weren't going to like him one bit.

---

Darius (League of Legends)

Darius, also known as The Hand of Noxus, is a villainous playable character in the multiplayer online battle arena game League of Legends. The most feared and respected general in Noxus, Darius earned his place as leader of the Trifarian Legion through his brute force and unending loyalty to the empire's cause, and remains the public face of Noxian might. While generally portrayed as a villainous character, he is the main protagonist of the Darius: Blood Of Noxus comic.

The 98th champion added to League of Legends, Darius was released on May 23, 2012, and is one of the most popular characters to play in the top lane.

He is voiced by Chuck Kourouklis.

Lore

An orphan in the port city of Basilich, Darius had to fight for survival from a young age, protecting his younger brother Draven from the local gangs and even the city guard. Draven would often get into trouble with the older urchins, forcing Darius into numerous fights and gave him multiple battle scars. During his time as an orphan, the brothers also met Quilletta Varn, a girl they accepted into their group. Darius and Quilletta became very close and fell in love, but things soon changed when the Noxian army arrived to conquer Basilich.

## The Hand of Noxus

To avoid bloodshed, Basilich opened their gates to the empire, surrendering to Noxus without a fight. Angry at the elders' cowardice, Draven attempted to assassinate the Noxian commander, Cyrus, though Darius tried to stop him. When the attempt failed, Cyrus was impressed with the orphans, welcoming them into the Noxian military, where he believed their violent efforts would be better spent.

In Cyrus' warhost, Darius was the perfect soldier and embraced Noxian ideals with vigor. In Basilich, Darius was a lowly urchin, but as a Noxian, Darius was able to ascend the ranks with nothing but his sheer loyalty and strength. In battle, Darius refused to retreat, beheading his own generals whenever they displayed cowardice and winning many victories even when he was sorely outnumbered. It wasn't long before Darius was awarded with his own warband, earning a reputation as one of the fiercest and deadliest warriors in all of Noxus.

Darius fought in campaign after campaign with more discipline than Draven and more fervor than Quilletta, which eventually grew into a rift between the three former companions. Draven left the Noxian army for the gladiatorial pits of Noxus Prime, and during the Ionian invasion, Quilletta was disgusted at Noxus' use of Singed's chemical weapons, leaving the army to become steward of Basilich. But nevertheless, Darius remained at the head of Noxian forces, having been named the Hand of Noxus by the emperor Boram Darkwill himself.

## Trifarix Leader of Might

As Darkwill's top general, Darius was commanded to lead the campaign against the Freljord, and the Ionian war left the forces in the far north stretched thin. As a result, Darius fought the barbarian tribes to a bitter stalemate, and after many years he marched back to Noxus in hopes that Darkwill would reconsider his strategy.

But when Darius returned, he was surprised to find that Darkwill was dead, having been killed in a coup by disgraced general Jericho Swain, who had been aided by a dark demonic power and was already supported by numerous allies, including his brother Draven. Confused as to what he should do next, Darius knew that the noble houses would want him to avenge Darkwill's death against the usurper. But Darius greatly respected Swain, and realizing his oaths were to serve Noxus (not the emperor), Darius gladly accepted Swain as the new Grand General.

Swain had a new vision for the Noxian leadership, reorganizing the empire so it would not be ruled by a single emperor but instead the Trifarix, a council of three based on the Noxian princles of strength: Vision, Might, and Guile. Darius would represent Might, and raised a elite military order known as the Trifarian Legion, the enforcers of the Trifarix itself. As one of the empire's new leaders, Darius has pledged to lead Noxus into a new age of glory and conquest.

Gameplay

In game, Darius is a juggernaut-type champion, using his durable armor and mighty battle axe to slice through anyone who gets too close. Darius' passive, Hemorrhage, means his attacks make his enemies bleed for 5 seconds, which deals damage over time depending on how much they were hit. Darius can use Decimate to swing his axe in a circle to hit enemies, Crippling Strike to slow enemies as they bleed out, and Apprehend to pull enemies toward him with his axe's hook. Darius' ultimate, Noxian Guillotine, has him jump in the air and hit an enemy with his axe, dealing more damage for each stack of Hemorrhage, and if the target dies, the ultimate's cooldown is refreshed for a short time.

Personality

A battle-hardened military leader, Darius is renowned as one of the most brutal and fearless warriors in all of Noxus. Completely devoted to the empire, Darius obeys his orders without question, even when they are morally-reprehensible, such as when he excused Singed's use of chemical warfare as a necessary evil for the Ionian war. Though he fell in love once, Darius was forced to separate himself from Quilletta when she defected, and after her death, Darius once again completely dedicated himself to the empire.

Like most Noxians, Darius values strength above all else, and follows a "might makes right" ideology. As a result, Darkwill was overthrown, Darius was more than willing to swear loyalty to Swain, as the new Grand General had earned his respect for his many years in battle. A warrior intent on fulfilling his empire's goals, Darius believes in victory by any means necessary, even if he must sacrifice his own honor to do so. While a war leader, Darius is not a sadist and carries out his orders with cold-blooded efficiency, seeing the empire's goals as the most effective reason to use his might over personal goals or bloodlust. Having been an orphan, Darius despises the monarchs and nobles across Runeterra, as he sees them as weak and unfit to rule over their much more hard-working slaves and soldiers. As seen in the "Darius: Fear" cinematic, Darius believes that fear is the single greatest weakness in humanity, and seeks to eliminate all his own fears to become a great warrior. When others display fearlessness, such as the slave girl in "After Victory", they can earn Darius' respect, allowing them to ascend the ranks of his own army. He even has a begrudging respect for Tryndamere, the Avarosan barbarian king in the Freljord who fights his own battles.

---

When Ahri was finished, we were horrified.

Nico: Whoa, this guy is a brute.

Lincoln: And he's incredibly dangerous and he fights only with brute force.

Aethia the Battle Faerie: If it's battle he want's, it's a battle he'll get. But, he'll be at a disadvantage.

Lincoln: That's right, we'll both be fighting him.

Nico: Yeah, that's right, and you two will make sure Darius pays for all the suffering he's caused.

We went to face Fartor.

In the park, Fartor was waiting and then the spirits of the Justice League swirled around him and then they converged and then a massive thunderstorm erupted out and lightning struck all over the place and then a thunderbird cry was heard and we came out.

Nico: Long time no see Fartor.

Me: Stink up the fires of Hell lately?

Fartor: Oh hardy har har.

Nico: Seiya! (punches Fartor, knocking him down)

Magmon: Nice shot!

Fartor: (gets up) Don't you mean, "see ya"?

Nico: How should I know? It just came out of my mouth all of a sudden!

Colleen: (British Accent) Sounds like a kind of phrase I would use.

Blitz: (Arnold Schwarzenegger Accent) I love it when you do that.

Colleen: Have we been introduced?

Blitz: I need a nametag.

Me: I think that was a phrase from OOO.

Nico: I guess.

But then BlackWarGreymon, Machinedramon, SkullMeramon, Puppetmon, Thundermon, MetalSeadramon, Seadramon, Mercurymon, Etemon, Harpymon, Piedmon, Ranamon, Arbormon, Myotismon, Grumblemon and Duskmon appeared.

Nico: BlackWarGreymon, Machinedramon, SkullMeramon, Puppetmon, Thundermon, MetalSeadramon, Seadramon, Mercurymon, Etemon, Harpymon, Piedmon, Ranamon, Arbormon, Myotismon, Grumblemon and Duskmon.

Me: Wow! A Digimon theme this time.

Seadramon: It sure is.

Ranamon: It's great that y'all are facing all Digimon this time.

BlackWarGreymon: How long was Lincoln farting?

Maria: I honestly lost count.

Machinedramon: At least he's not farting anymore.

Skullmeramon: I can imagine that was very stinky.

Me: Yeah no kidding!

Puppetmon: (to Nico) We heard you visited a bean and hot dog planet?

Nico: Boy did we ever and it was incredible.

Seadramon: How many hot dogs did you eat?

Nico: 800.

Me: Yep I counted.

Laney: Nico has a big appetite like Coup does.

Coup (Megas): Yeah I'm proud of the guy.

?: That was a huge appetite.

A figure came out and it was ZAIEN from episode 30 of Gokaiger!

---

A scientist in the employment of the Zangyack, he was a specialist at modifications, using his abilities to turn beings into cybernetic beings with no memories or concept of their former life or identity, save for their skills. Once complete, their transformations were irreversible.

Zaien was the one who originally performed the operation that turned Sid Bamick, Joe Gibken's friend, into the deadly Zangyack cyborg Barizorg. He comes to the Gigant Horse to check up on his progress. With Barizorg's master Warz Gill, his plan to assist the Zangyack with their conquest was to capture the greatest athletes of Earth and modify them into similar cyborgs, creating an army that would crush the Earth forces.

Though capturing several athletes, his attempt to capture a boxer was stopped by Joe, Ahim de Famille, and a depowered Jou Ohara. He drops the Barizorg blueprints which Jou uses to learn how Zaien's cyborgification works. While Barizorg can't become Sid again, Jou convinces Joe that he can still save his soul by destroying the new body.

At the time this is happening, the entire plan was completely stopped by the rest of the Gokaiger team. While he does gain the upper hand on them, Joe appears to turn the tables in order to prevent Zaien from making any more Barizorgs from people. After the full Gokaiger team uses the Liveman keys (with Gokai Silver in Gold Mode), Joe takes him out with Sid's specialty move.

After grown by the rival scientist Insarn alongside a Sugormin trio, he is first attacked with the Greater Power of the Liveman, and brought down by the combined forces of Hurricane Gokai-Oh's Gokai Wind-Thunder Attack and GoZyuJin's GoZyu Triple Drill Dream.

---

Eli: Zaien I remember you! You were a great scientist that made beings into cyborgs. How awesome.

Nico: That was awesome.

Zaien: It sure was and good memory on you Eli.

Eli: Thanks.

Zaien: Too bad I wasn't adapted in America.

William: I guess it was because Liveman wasn't adapted either.

Me: Yeah what a ripoff.

Nico: Yeah.

Me: Before the battles begin. Here's the surprise I have for you all. (WHISTLES)

In a flash of light appeared the Gaim and Saber Kamen Riders!

Nico: WHOA! The Gaim and Saber Kamen Riders!

Kouta Kazuraba: It's an honor to meet you guys.

Touma Kamiyama: We are honored to meet the great Team Loud Phoenix Storm.

Kento: Glad you're doing good.

We got the usual battles underway.

BlackWarGreymon was first.

BlackWarGreymon: (to Nikiya) I hope Nico liked the beans and Hot Dog planet he went to for his rescue. He probably ate lots of them!

Nikiya: You wouldn't believe what it was like! The oceans were made entirely out of baked beans and the islands were made of hot dogs and little smokey sausages.

Applejack: It was incredible!

Apple Bloom: These food planets we're seeing are absolutely amazing!

Flashwing: They sure are. If it was a planet made of apples and apple trees that would be paradise for the entire Apple Family.

Applejack: YEEHAW! It sure would be amazing to see.

Kameo: Yeah it sure would.

They laughed.

BlackWarGreymon: It would be cool to see a planet of apple trees. Lets do it!

They fired waves of energy, earth, rock, apples and crystal and smashed him down.

Pinkie Pie: It was really amazing! It was a planet made of cheese, sauce, toppings, everything!

Featherweight: It was really amazing and we battled pizza monsters and we ate them.

Mizore Shirayuki, Rarity, Sweetie Belle, Water Skylanders, Ed, Edd, Eddy, Thetis and Driscoll VS SkullMeramon - Meeting a Harpie

SkullMeramon was next.

SkullMeramon: (to Mizore) I heard you guys met a Harpie Queen Gene-Slammer. What's her name?

Mizore: Her name is Willowmina Emillston. But everyone calls her Willow.

Rarity: Oh I really she is most amazing darling and she has amazing powers too.

Sweetie Belle: She is a true angel and can see anything from over 300 miles away.

SkullMeramon: Wow! That is incredibly powerful sight!

Sweetie Belle: It sure is! And you won't believe what she did to Lori.

Willowmina Emillston: That's incredible.

Nico: It sure is. So, Willow, how did you take on the ultimate fury of Lori's wrath at her worst and got her sent to the looney bin for seven months?

Willowmina Emillston: You're not going to like it, Nico. One day, I was out for a jog throughout Royal Woods, but then, I heard the sound of screaming coming from Franklin Avenue. And with my sight, I saw who it was that made that scream: it was Lincoln, and it meant he was in trouble, and I saw who it was that caused the scream to come from Lincoln: it was Lori, and she went completely insane and I saw her eyes turn red with hatred and she had a knife in her hand and she was going to kill him. I was so mad, I flew towards The Loud House, and I kicked the door down, and I fired a blast of wind at Lori, and disarmed the knife out of her hand. Then, I pounced on her and I brutally pulverized her and then, I tied her up to a chair in nylon rope. Then, I went to Lincoln to check for any bruises or lacerations, but he did have severe bruises on his body and a black eye, and he then explained to me that he wasn't going to do her chores or her bidding anymore, and he said to her that she was acting like a tyrannical dictator and he called her a fun-sucking leech who doesn't care about anyone except for herself and her phone, and that's when she went insane. Then, he broke down and he cried hard on my chest, and I hugged him and he hugged me. Everyone came out, and they saw Lori tied up and Lincoln crying and we're hugging, and Lisa got her robots to fix the house, and I talked with Mr. and Mrs. Loud, and we decided to send Lori to a looney bin for seven months, and after that, Lori was completely horrified during that time in the looney bin.

We gasped at the revelation.

Me: My God, that's just horrible.

Nico: And you made the right choice to send Lori to that looney bin for seven months, that should've scared her straight.

Lincoln: It did, and Lori was left with nothing but nightmares of what she went through in the looney bin for seven months.

Luna: Yeah, it was really bad, dude. But, we still harbored anger towards Lori for what she almost did to Lincoln and for trashing the house on another violent rampage, but after the seven months passed, we forgave Lori, Lincoln was the first to forgive Lori a few days after Lori came back from that looney bin.

Luan: Then, we forgave her after Lincoln gave us a talking to, his forgiving nature put a stop to our anger towards Lori.

Me: Nice.

Willowmina Emillston: But, Lori wasn't the only one to have nightmares, even after that day, Lincoln's had some bad nightmares of Lori breaking out of the looney bin and finishing what she was about to do and not only kill him, but everyone else in the family, along with his friends.

Nico: Yikes, that's horrible. But, you stayed with him to comfort him,

right?

Willowmina Emillston: Yes, that's right. It took a few days, but Lincoln was freed of those nightmares.

Me: Nice one.

FLASHBACK ENDS

SkullMeramon: Whoa! Poor Lincoln. I'm glad he's all right. Willow is a great angel for him.

Ed: Pull my finger.

Eddy: Shut up Ed!

Edd: But she sure is a most amazing girl.

Eddy: I'll say.

SkullMeramon: She is really cool. Lets do it!

They fired waves of ice, jewels, water and light and smashed him down.

Yae: It sure is hard to tell. It looks like ordinary ketchup but that stuff is all roughage and gas in a bottle! Look at all the ingredients it has.

Yae showed him a bottle and he read the ingredients and there was a lot of them!

Seadramon was next.

Seadramon: (to Poromon) Don't be too upset that Nico arrested the wrong guy. Like he said before, he's not a perfect leader.

Poromon: It was a common case of mistaken identity. Besides we got the right guy in the end thankfully.

Sunset Shimmer: We sure did and he was using Nick as a scapegoat.

Pipsqueak: (British Accent) Yeah he sure was.

Sunburn: He was really crafty too. The Real Criminal that is.

Johnny Bravo: Boy he sure was crafty.

Seadramon: No kidding there. Lets do it!

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning from his head crest.

The group fired waves of fire and smashed him down.

Sage: No thank goodness for that. Farting is natures whoopee cushion.

Rainbow Dash: It sure is and it's amazing how much gas we produce.

Scootaloo: Yeah it sure is funny too.

Whirlwind: I agree there.

Thundermon: Me too. And wow Touma wow it's awesome to finally meet you and your friends. J.D. showed some of your fellow Kamen Riders his Saber form.

Touma Kamiyama: He sure did and it was awesome. It was really awesome.

Kento: We thought it was cool that J.D. can turn into a Hokuto Phoenix Kamen Rider.

Thundermon: It sure is cool! We're going to have a lot of potential members for the Redemption Squad from Saber.

Rintaro: We sure are and it's gonna be cool.

Thundermon: Yep. Lets do it!

They transformed and they were ready!

Touma Kamiyama: His name is Storious and he is bad news.

Touma told everyone all about him.

---

**Storious** is the leader of the Megiddo and one of the two main antagonists alongside Master Logos, of *Kamen Rider Saber* . He is the one that is responsible for summoning the Story Megid. He serves as the central antagonist of the first quarter, a major antagonist of the second quarter, a supporting antagonist in the third quarter and the main antagonist of the final quarter, thus serving as the final antagonist of the entire series.

He seeks to create the Alter Ride Books in order to bring forth the Great Book, in order to destroy both Earth and the Wonder World. To this end, he manipulated both Legeiel and Zooous in order to further his own plans. He has an alliance with Master Logos, so he could obtain all the other Wonder Ride Books and as well as use them to recreate the Great Book, so he could use its power in order to destroy both the Earth and the Wonder World, and as well as recreate them in his own image.

After gathering the five powers of the First People and obtaining the Grimoire Alter Ride Book, Storious becomes **Kamen Rider Storious** .

He is portrayed by Robin Furuya.

Storious was originally one of the five followers of a mysterious woman who linked the Earth with the Wonder World, thus people could enter and exit the Wonder World. Once a poet and great writer, Storious loved nothing more than to create great epics, always being praised with how he can come up with great original stories. Upon setting foot in the Wonder World, Storious and his two comrades sought out the Great Book to use its knowledge for a better world. However, upon finding and reading it, Storius' ego and pride would forever be wounded; within the contents of the book, he learned everything that has happened and will ever happened is predestined, including his own writing. Seeing himself as nothing more than a puppet with no free will now, Storius came to the conclusion that his new purpose is to bring about the end of the world as it's written in the Great Book, and conspired with Legeiel and Zoous in secret, with the promise they can remake the world in their own image. The three tore pages from the Great Book, in which they used to become the Megid and began building up an army of monsters, thus resulting in their former ally, the first Master Logos, founding the Sword of Logos in order to fight against them and the monsters they have created.

Storious and his fellow Megid seek to use the said monsters in order to trap several people on Earth into the Wonder World, so they could be transformed into Alter Ride Books. The Megid seek to use these books in order to use the power of the Great Book to give them control over the current world, enabling them to use its power to remake the world into their own. However, Storious has his own plans, in which it involves gaining control of the Earth and the Wonder World, and to this end he plans to steal both of his companions' Alter Ride Books so he can merge them with his own. In addition, Storious also has an alliance with Isaac, the current Master Logos that betrayed the legacy of his predecessors, in order to collect the remaining Wonder Ride Books in order to recreate the Great Book, so he could succeed in his master plan.

After seeing to the deaths of his two comrades, Storious murdered Tassel, in order to obtain the last piece of the Great Book, in which he wanted to grab it in order to succeed in his plans. Storious then turned several people into books and fed them to the Charybdis Megid alongside a clone of Sophia that he created, before letting it devour all five books along with himself in order to merge them together in order to create the Grimoire Alter Ride Book, in which he uses its power in order to become Kamen Rider Storious. With his newfound power, Storious sought to merge both the Earth and Wonder World in order to destroy both of them, so he could see to the end of the story in his very own image.

2000 years prior to the present day, Storious was a poet who wrote numerous stories and delighted in reading them to others.

At some point, Storious became part of a group of five travelers alongside Victor, Legeiel, Zooous and the man who would become the first Master Logos. The five sought to find the Wonder World in the hopes that its power could be used to give humanity a better life. They eventually found a mysterious woman from the Wonder World with the power to link the worlds and became her followers, becoming the first humans to set foot in the Wonder World after she enabled them to pass over. There, the five bore witness to the source of the Wonder World's power, the Book of Omniscience.

While Victor wanted to use the vast array of knowledge stored inside to give humanity a better life, Storious soon discovered that every poem he had ever written was already in the Great Book and that what he had thought he had come up with on his own he had in fact received from the Wonder World, leading him to believe his work was meaningless as he nor the rest of humanity could create anything original that wasn't already written down in the Great Book. With that revelation, Storious sought to obtain the Great Book's power for himself, teaming up Legeiel and Zooous, who had also been corrupted by the Book's power, to do so. The three soon attempted to steal it and each tore a page from it, embedding the pages into themselves to become the very first Megid. The three were opposed by Viktor and his other companion, who founded the Sword of Logos to safeguard the Book of Omniscience and prevent the Megid or anyone else from abusing its power. The Megid would soon use the pages they had collected to create the Alter Ride Books and use them to build a vast army to fight against the Sword of Logos, triggering the War of the Wonder World. To ensure the Book of Omniscience's power would be less concentrated should it ever fall into anyone's hands, the mysterious woman split it up into dozens of pages, forming the Wonder Ride Books that the swordsmen of the Sword of Logos used to transform into Kamen Riders. The three largest portions of the Book were given to Viktor and Master Logos, with Victor taking one portion to safeguard himself while the first Master Logos took two to place in Northern and Southern Base. Victor would also become the Wonder World's new guardian, taking up the name "Tassel".

The war between the two sides would rage for 2000 years. Eventually, the successor to Master Logos, bored of his duty to safeguard humanity when he saw them as a foolish and stagnant species, made a secret alliance with Storious to reassemble all the pages of the Book of Omniscience so they could use its power for their own ends. He would also at some point experiment with creating a hybrid of all three Megid classes, resulting in the birth of Desast. Unbeknownst to Legeiel and Zooous, who sought to use the Book to grant themselves unlimited power, Storious sought not to use the completed book to remake the world, but simply to end it, as he had grown to believe the world to be meaningless since all of human invention came from the Great Book.

As part of their conspiracy, the current Master Logos manipulated Hayato Fukamiya into kidnapping Luna, a mysterious girl from the Wonder World who had the power to bridge the worlds, and using her in a ritual to bridge the Earth and Wonder World. The other

Riders of the Sword of Logos soon arrived to stop him, only for the Storious and the other Megid to appear to fight them. In the end, Hayato was defeated by his former comrade Daichi Kamijou and the ritual was left incomplete, though Luna was lost. Having learned that Hayato was coerced by a traitor within the Sword of Logos, Daichi took up the Kurayami blade to become the next Calibur and sided with the Megid in order to find the traitor, unaware of Storious' involvement with him.

At some point following the Golem Megid's destruction, Storious created both the Ari Megid and Kirigirisu Megid and sent them to entrap a portion of a city to rewrite reality. However, the two monsters were soon met by Kamen Riders Saber and Blades, who arrived to stop them. As the Riders fought against the Megiddo Mamono, Storious and the other Megiddo observed them from their base. The two Riders eventually triumphed over the Megiddo, destroying them both and returning the city to normal.

After Kamen Rider Calibur expressed a desire to travel to Avalon, Storious decided to help him get there. Posing a victim of a Megid attack, Storious was able to get close to Touma and steal his power to transform into Saber. After returning to the Megid's hideout, Storious and Calibur used the power taken from Touma to open a portal to Avalon.

Eventually, Storious and the other Majin put their plan into motion with help from Kamen Rider Calibur. They created giant books at six points in the city that formed a ring and used them to create a portal connecting Earth to the Wonder World, summoning the book that contained the Table of Revelation. While Calibur flew inside the portal to obtain the page, the three Majin assumed their Megid forms to hold off the Kamen Riders of the Sword of Logos. However, they were unable to stop Saber from entering the portal after Calibur.

Ultimately, Saber would thwart Calibur's attempt to obtain the Table of Revelation and Calibur would die after being stabbed through the back by Desast. Zooous was frustrated that all the Megid's work had been undone, but Storious assured him that it was not for nothing as there were now numerous humans who were linked to the Wonder World that could be used for creating Megid.

Sometime after Zooous created the Neko Megid from Mei Sudo, Storious met with Master Logos in his throne room to discuss their next move. Storious noted that Sophia had returned to Northern Base, though Master Logos was unconcerned and stated that she might even help with gathering all the Wonder Ride Books needed to recreate the Book of Ancients. He then declared that their next move would be to claim Northern Base's power and informed Storious that Northern Base had a portion of the Book of Ancients not unlike the one in his possession.

Storious then teleported away to check up on Zooous, leaving the scene just before Reika and Ryoga Shindai arrived in the throne room. Reika informed Master Logos that the traitor and the Megid had gotten away, but Master Logos told her not to touch them and instructed them to leave them alive before teleporting away himself.

After Zooous was defeated by Touma and Rintaro, Storious swooped and retrieved the key Zooous had dropped before bringing Zooous back to their lair.

Right before the attack on Northern Base, Storious met with Master Logos to discuss their plan of attack. Storious noted that the base had a barrier around it to protect it from attack, but Master Logos declared that breaking it would be mere child's play. Storious then offered to provide support for the attack, noting that he had a "wild beast" ready to rampage.

After this, Storious departed, Master Logos went out to the balcony of Southern Base and fired a magical arrow all the way to Northern Base, shattering the barrier and allowing Storious and Zooous to break in alongside the Shindai siblings. While the Northern Base Riders were able to fend off the Shindai siblings and destroy Zooous, Storious was able to get away with the objective of his attack, a Wonder Book that would allow him to create artificial humans to connect the worlds.

Returning to his lair, Storious was later seen using the book to create a new human resembling Sophia.

Storious watched from afar as Master Logos assembled all the Wonder Ride Books and Sacred Swords to recreate the Great Book.

After Master Logos obtained the incomplete Omniforce book, Storious departed from the scene.

As Desast watched the confrontation between the swordsmen Riders and Master Logos, eager to join in, Storious suddenly appeared and told him to hold off.

Storious would later meet with Isaac again in Southern Base, only for Touma and Rintaro to enter to confront the Master. After Isaac was defeated by Xross Saber, Storious swooped in and teleported them both to the Megid lair. Storious asked the Master what his next move would be, to which he responded it was to capture Luna again.

Isaac remarked that if they captured the girl, they could easily use her to recreate the Book of Omniscience. Storious, seemingly disinterested, remarked that Saber's new holy blade was a sight to behold, to which Isaac retorted by saying "his god" had not given him permission to speak. Later, after Isaac was badly defeated by Xross Saber and had the Omniforce book broken, Storious, watching from his lair, let out an uncharacteristically maniacal laugh. He would then come across Isaac as the pieces of the book forged back together. As Isaac proclaimed his tale would continue, Storious told him that in fact his tale ended here, finishing him off after Isaac declared himself god one last time and claiming the Omniforce book for himself. With the Omniforce in his possession, Storious, addressing the audience, proclaimed that he would spin the tale from then on, and that the story was nearing its conclusion.

Returning to the Megid lair, Storious examined the Alter Ride Books of each of the Megid and noted that he had gathered the powers of four of the original five, with the only power he still needed to collect being that of his old companion Viktor/Tassel. Desast then appeared and took note of Storious' change in wardrobe, asking him what he was really planning. Storious simply answered that it was time for him to write an ending to the tale. The two then ventured out outside the lair, where Storious revealed to Desast he intended to claim his book next. Desast refused to hand his book over, saying he still hadn't had enough fun yet, and pulled out the Mumeiken Kyomu to transform into Kamen Rider Falchion as Storious assumed his Megid form to fight him. The two battled on even footing at first, until

Storious summoned the Charybdis Megid to assist him. The Charybdis Megid bit off half off Desast's body, damaging his core Book and leading Desast to retreat to recuperate. After the Charydbis Megid absorbed Desast's power to become Charybdis Hercules, Storious had it begin eating away at the barrier between the Earth and Wonder World.

Storious would then make his move to claim Tassel's portion of the Book of All, approaching him while he was searching his cottage for Luna. Storious chased Tassel through the forest and attempted to seize his portion of the book, but Tassel could not bring himself to strike his old friend. Tassel asked Storious to remember why they sought the Wonder World in the first place in an attempt to reach him and stated that he did not wish to fight his old friend, commenting that the both of them were the only ones remaining out of the original five who had sought the Wonder World. Tassel then stated it was time for them to entrust the future to Touma and Luna, only for Storious to then stab Victor through the chest and proclaim that entrusting it to anyone else was foolish. A dying Tassel then apologized to Storious for how corrupted he had become, saying it was his fault for leading them all to seek the power of the Wonder World in the first place. Hearing this caused Storious to hesitate before pushing Victor's body to the ground and claiming his portion of the Great Book.

With the Wonder World's guardian gone it soon became corrupted and began to encroach on Earth. As Touma and the other swordsmen Riders went out to stop the Wonder World's encroach, Storious appeared to personally confront Touma. Touma demanded to know why Storious had killed Victor, his own friend, but Storious simply replied that his death was another crucial scene and that the story was nearing its conclusion. He would further say that he intended to write an ending to the story filled with despair, but Touma responded that the stories which were passed down through human history were ones that gave people hope. Desast would then interrupt their conversation and attempt to attack Touma, leading Storious to ask that Touma eliminate Desast as he wasn't necessary to his story. Touma however kept his attention focused on Storious. Storious would then say that he made Desast on a whim and that he had no true purpose for living, leading Desast to attempt to attack

Storious only for Storious to summon Caladbolg and block the attack. Storious would then depart from the scene, leaving Touma and Desast to fight it out. He would then return to a secret location, where he was keeping the artificial clone of Sophia he had made.

With all five pieces of the Great Book in his possession, Storious made preparations to combine them. His lair was soon stormed by Touma, Reika and Ryoga, who found that Storious had turned hundreds of people into books, who could now do nothing but writhe and scream in agony. The three were then confronted by the Charybdis Megid and the clone of Sophia Storious had made, followed by Storious himself. Storious had Charydbis devour the Sophia clone along with all of the people books he had made to empower it before sending it to attack the three swordsmen. After Touma and the Shindai siblings beat it back however, Storious stepped into the field himself and had the Charybdis Megid devour him along with the five pieces of the Great Book. After a few seconds, Storious burst out of the Megid, with the five pieces of the Great Book having now been forged into the singular Grimoire Alter Ride Book.

With the Grimoire Alter Ride Book in his position, Storious moved to the next phase of his plan. He traveled to the place containing the tombs of the four Lords of Wise, who had previously been killed off by Master Logos, and revived them as his undead puppets. Storious then broke the barriers the Sword of Logos had put in place to temporarily stop the Wonder World's encroachment and allowed the Wonder World to continue seeping onto Earth, with giant books being opened up all over the place that caused Shimito spawn and terrorize those caught in them. The Sword of Logos Riders soon arrived to confront Storious again and stop his evil plan, at which point Storious used the Grimoire Rider book and unveiled his Kamen Rider form. He then summoned the Lords of Wise and had them attack the Riders. With their knowledge of all the guild's fighting techniques, the four sages were able to easily outmatch the Riders and force them to retreat. Before Touma departed, Storious summoned a massive tower and instructed Touma that he would be waiting for him in it. With the Riders gone, Storious created a magical barrier all over the Earth and began building up a massive army of Shimi for the final stage of his plan.

While the Kamen Riders of the Sword of Logos fought their way through his army of Shimi, Storious was visited by the spirits of his two former comrades, Legeiel and Zooous. The two asked Storious how they had ended up as monsters when they had only wanted to create a world free of hunger and poverty. Storious plainly replied that their hopes had been twisted into a bottomless lust for power. Legeiel then asked Storious if the same was true of him, to which Storious answered that it was not and that he had lost his desire to help the world upon experiencing the truth they had learned 2000 years ago. Legeiel then asked Storious what had happened to his love for poetry, only for Storious to snap back and directly address Luna, who had conjured the spirits of his two former friends. Storious asked Luna what she was trying to do by summoning them and mocked her for thinking that doing so would change his mind. Storious then revealed he knew of Luna's true nature as not only the embodiment of the Wonder World but an aspect of the Omniscient Tome itself, and proclaimed that it was him learning the truth of the Omniscient Tome, that it was the thing that had created everything in the world and that everything made by humans was really a manifestation of what was written in the Tome, that had caused his nihilism. Storious further stated that the world's conclusion was inevitable and had already been written in the Book, but Luna protested and told Storious that there were still people who wished to save it, only to suddenly find herself in pain. Storious then revealed that he knew of how Luna had linked Touma to the Wonder World and that the Riders would play an integral role in the "final chapter" of the story he intended to write, which would see their attempt to save the world crushed in order to bring about a despair-filled ending. However, Luna responded by calling Storious a pitiful person and proclaimed that Touma was capable of inventing new things which either of them knew nothing about, prompting Storious to cast Luna's apparition away.

While the Riders held back the remaining Lords of Wise, Touma rushed to the top of the tower to confront Storious. In their confrontation, Storious revealed to Touma that everything that had ever been invented was already in the Great Book, including the stories he had written, but his words did not sway Touma into giving up. Storious then explained his own past to Touma, how he was once a poet who became disillusioned upon reading the Great Book and finding out that everything he had written came from it, but Touma still remained committed in his mission to stopping him, saying that even if his own stories came from somewhere else, they had still brought joy to dozens of people. Storious then transformed into his Kamen Rider form as Touma became Xross Saber and the two did battle. Despite Touma trying his hardest to hold his own against Storious, Storious was able to knock him out of his transformation before kicking him down a hole in the center of the room.

However, Touma was saved and lifted out of the hole by the Primitive Dragon boy. Touma then transformed into Kamen Rider Saber Primitive Dragon and attacked Kamen Rider Storious, flinging him against a wall. Despite overpowering the evil Rider initially, Saber was beaten back by Storious and knocked out of his transformation. It was then that Rintaro arrived and clashed with Storious, followed by Kento. Luna then appeared and used her power to draw forth the Wonder Ride Books and Seiken. Storious attempted to stop her, but Touma blocked his attack from reaching her. Luna used the Wonder Ride Books to create a new Wonder Ride Book containing all of their power and passed it to Touma. Touma, Rintaro and Kento then assumed their Kamen Rider forms using the book and took on Storious together. The three battered Kamen Rider Storious with the powers of various Wonder Ride Books before flinging him in the air and taking turns slashing him. They then executed a combined slash on Storious and finished him off, knocking him out of his transformation. Defeated, Storious reflected on his time as a poet and how he had made people smile with his stories. He then looked up and saw Touma with his new Wonder Ride book, contemplating how he had created a new story only to solemnly say the world would end soon before disappearing with the rest of the world. Because of Storious' earlier machinations, the entire world faded into darkness, but Touma was able to undo Storious' plan and restore everything to as it was with the power of the world's stories.

After Storious' plan was averted, all of his victims reappeared perfectly normal. Storious' spirit later appeared in the Wonder World alongside the spirits of Tassel, the first Master Logos and his former Megid allies, having made peace with his former friends, to greet

Touma after he became the Wonder World's guardian. While his friends wished Touma good luck as the Wonder World's guardian, Storious remarked that the world was made of stories and that Touma was the hero he needed.

Ahri: I knew there's no mistaking that voice from anywhere. You can come out now, Darius.

A massive figure came out, and it was none other than the bloodthirsty leader of The Hand of Noxus, Darius.

Ahri: I should've known you'd show up here, Darius.

Darius (League of Legends): I shall destroy all of you and this entire world will belong to the Empire!

Aethia the Battle Faerie: That's not going to happen.

Suddenly, Aethia the Battle Faerie's purple eyes turned neon purple, and she was surrounded by a purple energy aura with fire, ice, and faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Darius, she left purple energy, fire, ice, and faeries with every step.

Aethia the Battle Faerie: Darius, the crimes that you've committed against humanity and in the name of the Noxian Empire have gone unpunished for far too long, and now, you shall pay the price for your crimes.

Suddenly, Aethia the Battle Faerie was surrounded by a massive vortex of purple energy with fire and ice surrounding it, there's a faerie flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Aethia the Battle Faerie emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Aethia the Battle Faerie grew to 6'5" in height, she had the body of a goddess and she has orange and blue highlights in the bangs of her long flowing purple hair, she has neon purple eyes and a purple energy aura with fire, ice, and faeries surrounding her, she has a faerie with the Fire and Ice Kanjis in its hands emblazoned on her forehead, she has on faerie earrings with orange and blue gems for eyes and holding the Fire and Ice Kanjis in its hands, she has a faerie with orange and blue gems for the eyes and the Fire and Ice Kanjis in its hands for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolt links. Aethia the Battle Faerie has on a light green sleeveless midriff top with fire and ice on it and a blue phoenix on it, light green pants, purple ankle-high boots, and long light green sleeveless trenchcoat with fire, ice, and faeries on the coattails, and on the back is a faerie with fire and ice surrounding it. Aethia the Battle Faerie's purple fairy wings with grew much bigger for her new body, and they have faerie, a Thunderbird, a Phoenix, and an Angel in them, Aethia the Battle Faerie has on a Ring of The Phoenix with light green gem and heart-shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger, and she has on green bands with silver phoenixes on her biceps.

Aethia the Battle Faerie has her massive Neopia's Magic Staff of Magical Justice in her right hand, she has on her new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with light green gems for eyes and a large purple gem in its open mouth for the belt buckle, large purple Spellbook of The Gods and The Universe and large purple Spellbook of The Elemental Gods on her left hip and Eater of Sins revolver holstered on her right hip. There's a purple kanji below the faerie that said, "Aethia the Battle Faerie, Battle Faerie of Neopia, Owner of The Weapons Shop, Vanquisher of The Darkest Faerie, Dear Friend of Neopia's Many Heroes, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Fire, Ice, Weapons, and Battle"

Aethia バトルフェアリー、ネオピアのバトルフェアリー、武器屋のオーナー、最も暗いフェアリーのヴァンキッシャー、ネオピアの多くの英雄の親愛なる友人、リンカーンラウドの愛する未来の妻、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、素晴らしい驚くべき強力な教師の強力な学生、そして火、氷、武器、そして戦いのマスター

Aethia the Battle Faerie has transformed into SUPER ANGEL INFINITY FIRESTORM AND ARCTIC STORM BATTLE FAERIE ANGEL OF ARCTIC JUSTICE AND FIERY LOVE!

We were amazed by Aethia the Battle Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Darius saw it, he fell into a rage and tried to attack her with his axe, but Aethia the Battle Faerie fired a blast of purple energy with fire and ice, and it hits the bloodthirsty Darius, and he hits back first into the wall.

Nico: Whoa, Aethia the Battle Faerie's transformed. This is going to be one epic battle.

Me: Big time, and Aethia's not called the Battle Faerie for nothing, as we're about to see.

Lincoln: Wow, Aethia, you look beautiful. How do you feel?

Aethia the Battle Faerie: (Divine Echoing Cosmic Voice of The Fire and Ice Battle Faerie and Divine Love) **I feel incredible, Linky. Now, shall we deal with Darius once and for all?**

Lincoln: (Smiles) With pleasure, Aethia.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Aethia the Battle Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's put that bloodthirsty and ruthless warmongering animal down once and for all!**

Aethia the Battle Faerie and Lincoln went after Darius, who tried to attack them with his axe, but they dodged the swings of Darius' axe, and they fired powerful blasts of rainbow energy, purple energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Faeries at Darius, and they exploded with incredible power as they hit him. Then, Lincoln attacked him with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and he left painful scars on him, and Aethia the Battle Faerie fired powerful purple energy blasts from her staff, and it hit him.

Then, Lincoln grabbed Darius by his neck, and he tossed Darius into the air with his immense and brute superhuman strength, and he and Aethia the Battle Faerie fired powerful beams of energy, and as they hit Darius, the two energy beams exploded with incredible power, killing the murderous and bloodthirsty warmonger. Then, as his spirit appears, Aethia marked his forehead with a kanji and he was erased by The Black Gates forever. We cheered wildly for what Aethia the Battle Faerie and Lincoln did as they holster their weapons and power down, and Aethia the Battle Faerie's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Aethia the Battle Faerie: Reap what you have sown, enemy of mankind. Thank you for helping me take down and destroy Darius, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Aethia.

Suddenly, Aethia the Battle Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Aethia the Battle Faerie's face, they kissed passionately as Aethia the Battle Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with soldiers marching out into battle, along with the display of the elemental forces behind them, and we cheered for them.

Nico: Now, that's so awesome. Plus, we saw why Aethia's known as The Battle Faerie.

Me: That's right, Nico. Aethia's a formidable opponent and she's trained a lot with the weapons in her Weapons Shop.

Lincoln: That's right. Now, to take care of one last piece of unfinished business: destroying the Noxian Empire, so it never hurts anyone ever again.

Rainbow energy and elemental forces formed around Lincoln's large right hand, and we knew what he was going to do.

Lincoln: NOXIAN EMPIRE GENOCIDE BLAST!

Lincoln fired a massive barrage of rainbow energy and elemental forces, and they were directed right at the hideout of the Noxian Empire, and as they hit, the blasts wiped out every last member of The Noxian Empire, and their spirits were also sent to The Black Gates, and they were also erased from existence for good.

Nico: Whoa, I just sensed numerous energy signals fading. Linc, did you just…?

Lincoln: Yeah, I wiped out the Noxian Empire using my Noxian Empire Genocide Blast technique, and it's why I don't want any trouble from them ever.

Me: You did good on that one, big guy.

Nico: J.D.'s right, if what Darius did in the name of the Noxian Empire was bad, the same can be said of all those in The Noxian Empire. So, you made the right decision to wipe all of them out for good, that way, they won't come after us looking for revenge.

Lincoln: That's right, Nico.

Just then, the League of Legends girls in Lincoln's harem jumped him and he wound up with kissy marks on his body, and a lovestruck look on his face.

Me: And it looks like the girls gave you a big reward, big guy: kissy marks all over your body.

Lori: This is just literally way too cute not to ignore.

Lincoln: And I've gotten used to it, Lori.

Lincoln then struck back by kissing the girls who jumped him, and he also gave kisses to the rest of his harem, and they also had the same lovestruck looks on their faces.

Ty: (To the viewers) Remember this everyone, farting may be natural but it's what we do with it that counts. Just be careful where you break wind.

Nico: That's for sure. But great job today everyone! Now we have to prepare for tomorrow.

Pinky: What are we going to do tomorrow?

Nico: The Same thing we do every day Pinky. Try to take over the world!

Chorus: (Singing) They're dinky, they're Pinky and the Brain Brain Brain Brain Brain!

We laughed!

Nico: No I'm just kidding! That's something Brain would say usually.

Pinky: Sorry about that. Force of habit.

Nico: No worries. But it was funny.

Me: Yeah it's true.

Nico: But still great job everyone. We're actually going to get ready for Pinkie Pie's big mission tomorrow.

Pinkie Pie: That's right! It's gonna be amazing!

Nico: Yep.

We went back home and enjoyed the rest of the day before going to sleep.

Meanwhile in Dirt, Nevada a certain Chameleon Sheriff was getting ready for our arrival and it was gonna be awesome.

Rango: Now these things are gonna be awesome as we have Team Loud Phoenix Storm with us.

Beans: It sure will Rango. I can't wait to kick Tortoise John in his shell.

Rango: Me too everyone. Lets get ready!

He pointed the gun at the camera and then…

BANG!

The screen turned red like blood!

TO BE CONTINUED…

Another awesome fanfic done.

This is a sequel to chapter 890 and it was awesome! But Fartor was a strange and really gross but sad villain that I feel sorry for. His own brother made him this way. What a heartless and total jerk! Now Fartor is gonna be in the M.O.E. P.U.! THIS WAS A REALLY STINKY CHAPTER! The first chapters were for planets made of beans and weenies and pizza and those were two really awesome and delicious adventures. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Luster Dawn, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily are gonna be in for a really sweet and awesome rescue as we go to a swamp planet made entirely out of chocolate pudding and the trees and islands are made of nilla cookies and chocolate bars and chocolates of all kinds! We're going there to have an awesome rescue as we face the ICE CREAM MONSTER From the very first episode of Codename Kids Next Door. And we're going to meet an awesome gene-slammer named Allison Nouveux and she is an Alicorn Gene-Slammer. In her Alicorn form she is known as Firestorm Flare! Allison Nouveux is one of Nico's friends from Math and Metalworks classes. She is very skilled with fire and knows all about how to sculpt with metal. She is also very smart and skilled and has a really awesomely high IQ at 600. She is also an Alicorn Gene-slammer and when she is in her Allicorn form she goes by the name Firestorm Flare. She has a very skilled and extremely powerful mastery over Equestria Magic and she is said to be 600 billion times more powerful than all the major villains of Equestria combined. For

Lincoln's Rescue he is gonna go to an island planet made of Vanilla pudding and the islands are gonna be made of Nilla Wafer cookies and this is the sister planet of the chocolate pudding swamp planet. It's the sister planet of the chocolate pudding swamp planet. This rescue is gonna take place right after Nico's rescue and us meeting Allison Nouveux. We're also going to face the Pound Cake from the episode Operation CAKED TWO and we're going to also to meet a gene-slammer for a Giant Germ named Fern Kemmington and she is one of Lincoln's Science Partners. She is also a powerful fighter and has a power unlike anything we have ever seen. She has a deadly bite that can cause people to get the stomach flu and explosive diarrhea as well as make people look like they had drank too many beers. She used this power many times on Lori and made her soil all her pants and got her in trouble bad. As you all saw, the next chapter is gonna be for the awesome 2011 movie Rango and that is gonna be awesome and cool. We're going to face Tortoise John and turn that turtle into some turtle soup. To quote The Shredder from 1987 "TOMORROW WE DINE ON SOME TURTLE SOUP!"

See you all tomorrow!

# THERE'S A NEW SHERIFF IN TOWN!

HOWDY Y'ALL! LETS GET READY FOR AN AMAZING SHOWDOWN AT HIGH NOON!

Flying through space yet again on another awesome rescue was Nico, Luster Dawn, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were going to be in for an awesome thrill on another food planet.

Me: I have a feeling the next food planet we're going to is gonna be a cool one.

Nico: It sure will be.

Laney: This is gonna be so awesome. I hope this planet is just as amazing as the planets we all went to.

Lincoln: Me too Laney.

Nico: Thanks for coming with me, Luster Dawn.

Luster Dawn: Anytime Nico. This is such an honor to go on a great rescue with you all. Especially since Pinkie Pie is having her big mission later today.

Nico: Yep.

Pinkie Pie: It's gonna be amazing to see Rango and everyone in Dirt again.

Applejack: YEEHAW! I hope we face lots of bad guys there.

Me: And if my predictions are correct we're going to face the Moogers in the footsoldiers. Quite frankly I would have picked the ToQger Footsoldiers for this one because we're in an Old West type

town.

Nico: That would make it much more fun.

Me: It sure would.

Nico: Luster Dawn, is it an honor to be Twilight's student?

Luster Dawn: It's a really great honor Nico. Twilight Sparkle is not just the Princess of Friendship and Ruler of Equestria, she is also a great teacher, my mentor and an awesome role model for many people and ponies.

Twilight Sparkle: Wow Luster. I'm so honored you think so highly of me.

Sunset Shimmer: That is true. It's so awesome.

Eli: Wow. Just like how J.D. is my teacher, mentor and my brother.

Me: Yep.

Nico: That is a powerful bond between student and teacher.

Laney: Yep. So awesome.

Pinkie Pie: It sure is. Just like Pumpkin and Pound Cake are my students under me at Sugarcube Corner.

Me: Wow! Lots of great teachers.

Fluttershy: Yes it's so amazing.

Rarity: It sure is darlings and it is most amazing.

We later arrived at the planet. It was a brown planet with an amazing landscape from space. It was a swamp planet.

Nico: This must be the place.

Me: Yep. The coordinates are right. From space it looks like a dark mountain planet.

Nico: Yeah. I don't have a student officially. But I did take pride in teaching Young Ben how to switch forms.

Me: Well someday you will get a student Nico. If Master Goku can take me on as his student, you can too.

Nico: Thanks man. That means a lot.

Me: You're welcome.

We went down to the planet and we landed in an amazing swamp!

Nico: WHOA!

But this was not just a swamp. It was a swamp where the water was made of chocolate pudding, the trees were made of chocolate and the islands in the swamp are made of Chocolate Nilla Wafer cookies!

Me: WHOA! It's a swamp planet where EVERYTHING is made of chocolate!

Laney: (DROOLS) OH WOW!

Lola: OH WOW! THIS IS AN AWESOME PLANET!

Twilight Sparkle: This is incredible!

Me: Wow! Camie do you love chocolate?

Camie: Oh you bet I do!

Twilight Sparkle: Who DOESN'T like chocolate?

Me: Eustace's mom that's who. She is not human.

Nico: CHOCOLATE! ALL MINE! YOU HEAR ME?! FUCKING MINE!

Me: NICO!

I held him back!

Me: NICO HAS CHOCOLATE CRAVING INSANITY!

Eli: I've seen this before.

Luster Dawn: We have to eat some chocolate before Nico eats it all!

Camie: Right!

Nico: (LAUGHS MANIACALLY)

Lily: Man I haven't seen chocolate mania like this since the time me, SpongeBob and Patrick found a guy that goes crazy around chocolate.

Me: (GROANS) Jeez! That was crazy!

Nico: [screaming] Chocolate?! Chocolate! Chocolate!

Me: Girls fan out and get as much chocolate as you can! I'll hold Nico back!

Lola: (grabs Nico's and Lana's heads) Excuse me you two but I need to discipline the nanny goats!

Lana: What did I do?!

Lola: Nothing! But I need another head to bonk against Nico's head.

Lana: Oh. This is gonna hurt!

Nico: CHOCOLATE! CHOCOLATE!

BONK!

Nico and Lana got their heads bonked together.

Nico and Lana: OUCH!

Nico: Ow! Thanks Lola. Man sorry you had to see that.

Me: Boy Nico you REALLY LOVE chocolate don't you?

Nico: You have no idea. I love chocolate as much as I love cheese.

Lola: Nico, please calm down. There's enough chocolate to go around.

Nico: Sorry Lola. Chocolate and cheese are two of my favorite foods ever.

Laney: Boy I can see that Nico.

Fluttershy: Wow Nico you really love chocolate.

Pinkie Pie: (Eating chocolate) Mmm! This is delicious! Want some Lincoln?

Lincoln: Sure.

We got to eating the chocolate and it was REALLY AWESOME!

Nico: I haven't forgotten that Will's missions are gonna start today.

Me: I know and I'm really excited about it too. We get to meet Eiji and the OOO Kamen Riders and kick Greeed ass.

Nico: Me too and it was awesome that we got to meet the Gaim and Saber Kamen Riders yesterday.

Me: That was an awesome honor. And we start meeting the Gaim Kamen Riders on Lillian's Ambassador missions after Applejack's and I think Megan starts her ambassador missions with the Saber Kamen Riders next week.

Eli: Yeah.

Nico: This is gonna be so awesome.

Me: Eiji and his team can help me out with my OOO Kamen Rider form. I'm still getting it all down.

Nico: No worries. But still seeing your OOO form was really cool.

Me: Yes it sure was. And I have a feeling that our laboratory is gonna be overflowing with Cell Medals and I'm going to be collecting Core Medals all over the place.

Nico: This is gonna be awesome though. Eiji may be an airhead but he knows how to get the job done.

Me: Yep.

Eli: But he was awesome in all those forms with the medals.

Laney: He sure was. Darn shame he didn't help us during the 20 Days of Darkness though.

Me: No kidding.

Everyone was eating chocolate.

Nico: So, how's everyone enjoying their chocolate?

They were giving Nico the thumbs up and it was good.

But then…

ROAAAAAARRR!

We heard a roar and then we saw a huge monster come and it was AN ICE CREAM MONSTER!

---

The Ice Cream Monster is a minor antagonist in Kids Next Door. It is a giant ice cream-comprised beast made of vanilla, strawberry and chocolate created by the Delightful Children From Down the Lane against Sector V of the KND (Kids Next Door).

Appearance

The Ice Cream Monster resembles a giant turtle-like monster made of mostly of vanilla, strawberry and chocolate ice cream, while it's shell and horns are made of ice cream cones. Though it's eyes are green, it is currently unknown if it's eyes are made of ice cream or something else.

Biography

In the episode "Operation I.-S.C.R.E.A.M.", The Ice Cream Monster was made by the Delightful Children From Down the Lance to destroyed the Kids Next Door, namely Sector V. Firstly, the creature stomps on Numbuh 2. Secondly, shoot ice cream cones to pin Numbuh 1 against a wall. Thirdly, spitting cream (with a cherry) on Numbuh 5. Finally, dipped Numbuh 4 into melted chocolate, causing him to be immobilized. The Ice Cream Monster prepares to finish off Numbuh 1. Fortunately, Numbuh 3 couldn't stand the coldness in ice cream factory, so she triggers the heater to billion degrees. As result, causing the monster to be melted.

* * *

Lola: WHOA! IT'S THE ICE CREAM MONSTER!

Me: WHOA! It's a monster made entirely out of soft serve ice cream!

Laney: Wow!

Nico: ICE CREAM! MUST EAT!

Nico then took a huge bite out of the ice cold monster's leg and swallowed. But then he got a REALLY NASTY COLD HEADACHE!

Nico: AAAAAAGGGGHH! BRAIN FREEZE!

May: Nico you shouldn't eat ice cream too fast like that!

Me: WHOA! He looks a lot like Bowser from Mario.

Laney: WOW!

But then a massive fire blast hit the monster and it roared in pain as its arm was melted off!

Nico: WHOA! Nice one Lola.

Lola: That wasn't me Nico! It's from her!

We saw an orange Alicorn with a fire color mane and tail and a sun and flame cutie mark appear!

Twilight Sparkle: Whoa! Firestorm Flare!

Firestorm Flare: I didn't expect to see you all here.

Nico: Wait that voice. Allison? Allison Nouveux?

Firestorm Flare: Nico? Wow!

Twilight Sparkle: Allison Nouveux?

Firestorm Flare changed into a girl with golden orange hair and she had orange clothes and she was in bare feet and she had orange and pink fire angel wings and her sun cutie mark was on her arm.

Twilight Sparkle: Wow!

Me: You're the Alicorn Gene-Slammer? WHOA!

Twilight Sparkle: That is amazing! My friend is also the Alicorn Gene-Slammer.

Luster Dawn: That is amazing!

Nico: And now, I'm back to being not crazy.

Allison Nouveux: That's my friend. He always had such an incredibly powerful insanity for sweet food.

Nico: Yeah.

But then the Ice Cream Monster went at us and then a huge jar appeared and formed around it and Vypra, Dark Spicer and Waffle Woman Appeared.

Nico: Wow! You guys sure know how to arrive just in time.

Vypra: We sure do. Wow! This planet is amazing.

Me: We were shocked ourselves and our Ice Cream Monster friend here made Nico go nuts for ice cream. Also the entire planet made Nico go bonkers for chocolate.

Vypra: It sure do.

Allison Nouveux: That's my pal. Oh sorry. Allison Nouveux. I'm an Alicorn Gene-slammer.

Dark Spicer: Wow! That is awesome.

Vypra: Cool to meet you.

Allison Nouveux: Same here. In my Alicorn form I'm known as Firestorm Flare.

Twilight Sparkle: That is awesome that Allison and Firestorm Flare are both one in the same.

Allison Nouveux: It sure is. Sorry about the deception Twilight.

Twilight Sparkle: It's all right Allison but this is really amazing that you are also an Alicorn Gene-Slammer too.

Nico: It sure is. Wow.

Vypra: The Ice Cream monster will make a great addition to the M.O.E.

Me: It sure will especially with how Nico ate a chunk of its leg off and he got brain freeze.

We laughed.

Vypra, Dark and Waffle Woman teleported back with the monster.

Allison Nouveux landed.

Nico: That was so awesome.

Laney: It sure was.

Nico: Usually, my old friends don't name their transformations.

Allison Nouveux: In my case I did. I wanted to blend in and learn how to be a pony and an angel too.

Twilight Sparkle: I have seen Allison in action many times before and she is amazingly smart and has magic and powers that are just as strong as all the princesses combined. Not even Chrysalis would stand up to her.

Nico: That is cool! And Allison was born with a powerful IQ of 600.

We were amazed!

Me: WOW! 600 IQ? That is incredible.

Allison Nouveux: It sure is. √1254.21 is 35.4148274032!

Me: Wow! That is smart and amazing. What is the mass of neutron?

Allison Nouveux: It has no electric charge and a rest mass equal to 1.67493 × 10−27 kg-marginally greater than that of the proton but nearly 1,839 times greater than that of the electron.

Nico: Wow!

Me: (SPARKING)

Eli kicked me in the butt.

Me: (BLUBBERS) Wow! That is amazing that you know all that.

Laney: You and Lisa will get along great.

Lisa Loud: Indeed and it's an honor that you are going to be with us. I am most impressed with your quantum physics and science accomplishments.

Allison Nouveux: Thanks Lisa.

Luster Dawn: So, what's your favorite memory of Nico?

Allison Nouveux: My favorite would have to be where I helped Nico in an incredibly advanced trigonometry test in 4th grade and he got a perfect score on it. I also helped him in metalworking class too. Me and Nico made an amazing piece of art. We made an awesome sun shaped metal table and it had this awesome image of a thunderstorm over the Grand Canyon with lightning striking a tree. It also had a thunderbird over the canyon too. We got a triple A+ on it and our table was so popular that we made many of them and they sold big time for $90,000.00 each.

Nico: Yep.

Everyone: WOW!

Me: I wondered where me and my family got that table. That is awesome that you made that Nico.

Nico: Yep but you never asked.

Me: Touche.

Nico and Allison then hugged.

Nico: I really missed you.

Allison Nouveux: Me too Nico. Me too.

Me: But this was a really awesome rescue though. And on a swamp planet of chocolate too.

Lincoln: Yep it sure is. (Sapphire Eyes glow) Uh oh. There's trouble brewing on the planet not far from this one.

Nico: Looks like your next rescue is after mine right now.

Me: This is gonna be awesome.

Nico: Well lets head over there.

We were off.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, and Silverstream are heading to an island planet made of vanilla pudding and the islands are made of Nilla Wafer cookies, and not only is Lincoln going to rescue the seven girls there, but we're also going to face the Pound Cake, a cake creature created by The Delightful Children from Down The Lane, and another enemy of The Kids Next Door.

Me: WHOA! It's a planet made of Vanilla Pudding! Wow!

Nico: PUDDING!

Twilight Sparkle: PUDDING!

Nico snapped out of it.

Lincoln; Wow, we're here on an island planet made of vanilla pudding with islands are made of Nilla Wafer cookies, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're also going to face the Pound Cake, a cake creature created by The Delightful Children from Down The Lane, and another enemy of The Kids Next Door.

Nico: That's right, big guy, and if I remember correctly, didn't we face off against that cake monster years ago?

Lincoln: Yeah, we did. But, now, we're going to face off against him once again.

Me: Yeah, and you're now doing even more better than yesterday, big guy.

Lincoln: Thanks, J.D., and you guys are going to be in for a surprise: the reason why I was angry like that yesterday is because we found out I had a Rage Demon inside me.

TLPS Mr. Wolf: A Rage Demon, are they like the Nightmare Demon?

Lincoln: Exactly, but Rage Demons are the embodiment of rage and fury, and any person they infect will have bouts of anger and rage. Nicholette removed it from me before we all left for the chocolate pudding swamp planet, and when I drove my sword through it, I absorbed all of its negative energy, and I also found out something disturbing: I found out that it didn't escape from The Netherworld, it was summoned to our world by Damian Alaister and his Church of Necrom cronies.

We gasped in shock.

Nico: What?! So, it was Damian Alaister who summoned that Rage Demon yesterday and it infected you?!

TLPS Mr. Wolf: Why, those rotten, black-hearted, demonic Goths, they'll pay for what they did.

Nicholette Torrington: That's right, and after Lincoln absorbed all that negative energy from The Rage Demon, Brittney tossed it back into The Netherworld, and he applied a little more strength to the seal on the doors of their lair, and it prevented them from using their black magic to torment us.

Eli: Those monsters, have they no sense of decency?!

Lincoln: No, they don't, Eli, and now, that just gave me all the more reason to send them to a special prison for black magic-using evil Goths and heretics, after we also strip them of their dark magic. And thanks for joining us, Silverstream.

Silverstream: You're welcome, Lincoln, this is going to be awesome.

?: HELP!

Suddenly, Lincoln heard the sound of seven girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the seven girls, but they've been cornered by Pound Cake, and it's going to kill them.

Lincoln: Guys, I found the seven girls, but they've been cornered by Pound Cake, and it's going to kill them.

?: That overgrown confectionary abomination, let's apprehend this beast!

Suddenly, we saw the Giant Germ Duel Monster appear before us.

Nico: Whoa, the Giant Germ Duel Monster.

Lola: Gross.

Lana: Awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Fern Kemmington, but we'll have to talk later, we got a giant cake monster to deal with, and I'd watch what you say, Lola.

We rushed on over, and Lincoln fired powerful rainbow energy balls at the Pound Cake, and that allowed the seven girls to get to safety. When the Pound Cake saw us, it roared in anger at us.

Lincoln: Alright, guys, anyone up for dessert?

Everyone: We are!

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Silverstream, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Pound Cake, and we fired powerful blasts of rainbow energy, colored energy, fireworks, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, stars, rainbow flames, and rainbow crystals, and they exploded with incredible power as they hit him.

Then, Lincoln swung his massive sword many times at Pound Cake, and cut him up into several slices which we put onto plates, and we ate him. We cheered wildly as we holstered our weapons and power down.

Lincoln: That's it for that cake monster. (To Fern Kemmington) And it's so good to see you again, Fern Kemmington.

Fern Kemmington reverted back to normal, and she's a beautiful 17-year-old girl with long flowing dark pink hair, dark pink eyes, she's tall at 6'5" in height, she had the body of a goddess, she has the Poison Kanji tattooed on her forehead, she has massive dark pink angel wings, thanks to reigning in the power of Giant Germ, and she's dressed in a dark pink sleeveless vest, a dark pink scarf with hearts on it, purple sleeveless top, purple skirt with flowers, purple pants with flowers, purple sneakers, and purple sleeveless trenchcoat with germs and darkness on the coattails, and Giant Germ on the back, and holstered on her back is a large Giant Germ-themed sword with a 6'10" massive, wide, double-edged pink blade, purple wings for the crossguard, large pink gem embedded in the rainguard, longer black handle, and large pink gem for the pommel.

Fern Kemmington: You too, Lincoln, it's been a long time.

Lincoln went up to Fern Kemmington and they hugged, and Fern Kemmington's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Fern Kemmington: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Fern Kemmington, she's another of my Guardian Angels from Michigan, she's one of my Science Partners in school, she's a powerful fighter and she's also really smart. And get ready for this extra surprise: Fern Kemmington has a power unlike anything we have ever seen: she has a deadly bite that can cause people to get the stomach flu and explosive diarrhea as well as make people look like they had drank too many beers. She used this power many times on Lori and made her soil all her pants and got her in trouble bad.

Our jaws hit the Nilla Wafer floor when Lincoln told us of Fern Kemmington's power.

Nico: Whoa, a deadly bite that causes people to get the stomach flu and explosive diarrhea, as well as make people look like they drank too many beers?! Dang, that's awesome.

Me: And when you said she used that power many times on Lori, I'm going to take a wild guess and say that Lori did something to earn Fern's wrath.

Lincoln: Yep, and you'll hear about it later.

Suddenly, a Thunderbird of Eternal Love appeared around Fern Kemmington's neck with pink gems on the gold thunderbolt links and purple crystal links from brand-new Crystal Necklace of the Buddha which merged with their Thunderbird Necklaces of Eternal Love.

Fern Kemmington: Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Fern.

Fern Kemmington had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Fern on the lips, and she returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Alicia, Kisaragi Reona, Mizarisa, Yuuki Kaede, Cathy, and Melissa from Full Dive: This Ultimate Next-Gen Full Dive RPG Is Even Shittier Than Real Life!, and Kaede from Gal & Dino.

Lincoln: Oh wow, it's Alicia, Kisaragi Reona, Mizarisa, Yuuki Kaede, Cathy, Melissa, and Kaede.

Nico: From Full Dive: This Ultimate Next-Gen Full Dive RPG Is Even Shittier Than Real Life! and Gal & Dino, awesome.

Lincoln: Are you girls okay?

Alicia: Yes, we're okay, thanks to you.

Then, when Alicia and the other six girls saw who it was that saved them from Pound Cake, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of

Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Alicia: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made six clones of himself, and he and the six clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Alicia: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Thunderbird Necklaces of Eternal Love appeared on the necks of Alicia, Kisaragi Reona, Mizarisa, Yuuki Kaede, Cathy, Melissa, and Kaede with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The

Buddha. We returned to the TLPS World Tree Estate and we told everyone about the rescue, and they were shocked when they found out that the villain we went after was Pound Cake, the cake monster enemy of The Kids Next Door.

But, when Lincoln showed everyone what we did to that cake monster, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Fern Kemmington have a lot of catching up to do, now that she's back in town.

Maria: And I can't believe that Damian Alaister and the rest of those Demon Goth punks were the ones who summoned that Rage Demon and it infected Lincoln.

Lori: They're still willing to stoop that low and seek revenge on Lincoln for what he did to Necrom, but now they've crossed a serious line.

Pinkie Pie: Yeah, those party poopers are going straight to jail for this.

Twilight Sparkle: Using black magic on our future husband to torment him and us, that's just going way too far.

Lily the Mermaid: Yeah, and they're going to pay for this, big time!

Nicholette Torrington: And it'll be by our hands. They're going to learn that if they piss off Lincoln's Guardian Angels, there's going to be H-E-Double Hockey Sticks to pay.

Lincoln: That's right.

After dealing with Pound Cake, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Fern Kemmington saw Lincoln working out like crazy, she had an atomic red blush on her face.

Fern Kemmington: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Fern, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Fern Kemmington: That's incredible.

Nico: It sure is. So, Fern, how did you use that power of yours many times on Lori and got her in trouble bad?

Fern Kemmington: Oh, you're going to like this. As Lincoln's Guardian Angel, I took my job seriously in keeping Lincoln safe, and that meant dealing with the mean Loud Sisters, but the one who's more than once earned my wrath was Lori, she's been mean to Lincoln many times, and I wasn't going to let her get away with it, so during the times I've been with Lincoln, if Lori tried to order Lincoln like a slave, I bit her and it caused her to soil her pants, and I've done that so many times, Lori had gotten a lot of teeth marks on her and she soiled all of her pants, and got her in big trouble, especially when I told Mr. and Mrs. Loud about what Lori had done trying to order Lincoln around, and they knew I'd used my power on Lori. So, I was thanked by Mr. and Mrs. Loud for what I did in defending Lincoln, and Lori got grounded for thirteen weeks, and to make it even more bad, Lori had to triple wash all of her soiled pants, and she had to wear her mom's clothes from back in her youth.

We wound up getting grossed out, but we also cheered for what Fern did.

Me: Not going to lie, but you've got one deadly bite that'll give even the worst of the worst a bad case of the stomach flu, Fern.

Nico: And Lori learned her lesson big time. But, man, that power of yours is really something, Fern, and I can guess Lynn, Lola, Lisa, and Luan also got out of the way?

Fern Kemmington: Yep.

Eli: That is really awesome.

Lana: I like this awesome power.

Lincoln: Lisa tried to find ways to neutralize her and take away Fern's power, but I warned Lisa that if she did that, I would personally sell all of her science equipment and she'd be next to suffer Fern's bite.

Lisa Loud: I didn't want to risk angering my elder brother or getting a nasty case of diarrhea and the stomach flu, so I decided to steer clear of Fern.

Nico: That's good.

We then got a shower afterwards, and then, Lincoln and his harem were getting ready for their beach date, this time, it's at Aquatic Ruin Zone in Sonic's world.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered, in case of trouble, and Lincoln's harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble.

Lincoln: Alright, ladies, are we ready?

Pinkie Pie: We're ready, Linky.

Lincoln and his harem left the World Tree Estate, and when they arrive at Aquatic Ruin Zone, it was a very beautiful series of Roman ruins on the outskirts of a forest. The background shows various fields covered in tall grass, with tall, brown mountains behind them and a blue sky above. The top and bottom of the Zone are covered in green flora that bear red fruit. The overall ground here is made of peach bricks covered in grass on the top, although crumbling, yellow platforms appear here as well.

Paige: Wow, is this the Aquatic Ruin Zone?

Lincoln: That's right, Paige, and Sonic and Tails have been here numerous times when they had to deal with Eggman, and now, it's a peaceful place without those bots running loose, and I figured we can have a bit of relaxation before your special mission today, Pinkie Pie.

Lincoln and his haremdived right into the waters, and they really enjoyed it. Plus, Lincoln got a deep tissue massage from the girls in his harem, and he returned the favor and he gave the girls a deep tissue massage in return. Then, they had some lunch that Lincoln packed, and they sat in a picnic area that Lincoln made. Then, as the sun was about to set, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion. Then, they came back home to the Estate, and they were in their original clothes.

Nico: Hey, Lincoln, how was your beach date?

Lincoln: Awesome, Nico. We went to the Aquatic Ruin Zone in Sonic's world.

Pinkie Pie: It was so amazing! We had so much fun there, and we also saw the ruins there as well.

Me: That's awesome.

Pinkie Pie: And we gave Linky another deep tissue massage to help him relieve and get rid of any tension he still had, and he really enjoyed it so much, he also gave us a deep tissue massage in return.

Lincoln: Their deep tissue massages really did the trick whenever we went to the beach.

Minerva Mink: (Seductively) And don't forget we also gave you more deep tissue massages when we were… alone, and we knew how much you like it, tall, muscular, and handsome.

Lincoln's face had a deep atomic red blush on his face. But, he had a sly smirk on his face, and he gave the girls in his harem a deeper kiss, which caused their faces to get a deep atomic red blush on their faces and hearts in their eyes.

Nico: Oh boy, Minerva, you'd better be careful when being seductive around Lincoln.

Lily the Mermaid: And that includes the rest of us, because our man will also turn the tables on us as well when it came to love.

Nico: Yep.

Later it was time for Will's first ever Ambassador mission to visit the Kamen Riders of OOO. This was gonna be so awesome to finally meet Eiji and friends. And kick some Greeed Ass!

Me: This is gonna be so awesome!

Nico: It sure is!

William: Anyone else want to go with Will? Besides Jake and 3 Rabbids?

Irma: Me and the girls can go too if that's all right?

Will Vandom: Sure girls! It'll be awesome.

Me: I can't wait to have some fun on this one.

Eli: Yeah me too!

Allison Nouveux: Who was the main villain of OOO?

Me: You guys will not like this asshole one bit. He was Kiyoto Maki.

Nico: He was one dangerous motherfucking mad scientist.

Nico went over his history.

---

Kiyoto Maki (真木 清人 Maki Kiyoto) is a researcher for the Kougami Foundation who leads the Greeed in the present day and the main antagonist of the Kamen Rider OOO series.

He was portrayed by Yu Kamio as an adult and Hayato Watanabe as a child.

As a young boy, Maki greatly loved his older sister Hitomi despite her abuse towards him. Hitomi told Kiyoto that the true value of something is only known when it ends, which became Maki's personal philosophy. Before the day of her wedding, Hitomi gave Maki a doll named Kiyo-chan so that he could have someone to talk to as a surrogate for her due to his difficulty of talking to others. However, jealous of his sister spending time with someone else, Maki set a fire in Hitomi's bedroom that killed her and burned Kiyo-chan's hair off. Some time after, Maki suppressed all memories of the event and Hitomi's cruelness, instead believing the fire was an accident and that Hitomi was kind.

Maki was later employed into the Kougami Foundation by Kougami. In the foundation, Maki studied the Cell Medals and developed many of the Candroids along with the Birth Driver. Maki first appeared to Eiji, Kamen Rider OOO, and Ankh when one of his assistants, a bomber named Tadano, was targeted by Mezool to use his desire to blow things up to nuture her Yummies. When Eiji learned that he knew, Maki finds himself leaving in panic after Eiji caused the puppet on Kiyoto's shoulder to fall off. Maki then continues his work and research on OOO before changing his study to the Greeed the effects of Core Medals on them, forming a partnership with Kazari to achieve what seemed to be a mutual agreement to evolve Kazari through the other Greeeds' Core Medals. When Akira Date became Kamen Rider Birth, Maki finds himself in a situation when Akira moves into his lab that further worsened when he learned that Kougami knew of his partnership with Kazari and threatened him to end it.

However, while protecting Chiyoko from the Shachi-Panda Yummy, the embodiment of his unfulfilled desire for maternal affection, Maki's repressed memories of Hitomi resurfaced as he reaffirmed his belief that the world should be ended, while it could still be remembered as something good and pure. Destroying all traces of his research, Maki left the Kougami Foundation to work with the Greed while he also stole the ten purple Core Medals that destroy desire. Placing half of the purple Core Medals in his body, Maki gains the ability to create Yummies while eventually transforming into a Greeed. Wanting to complete the Greeedification, Maki needs the rest of the purple Core Medals that are inside Eiji.

After making a deal with Ankh to make him house all the Core Medals, willing to follow his plan if it means completing his own, Maki steals the Core Medals in Kazari's body after he is heavily injured by OOO and leaves him to die. He then gives the pilfered Medals to Ankh, and is disappointed when the bird Greeed expresses more ambition than just the desire to be complete. Eventually, Maki mortally wounds Ankh and decides to make the last other remaining Greeed, Uva, the vessel of the Core Medals. As Maki leaves Kiyo-Chan to Chiyoko, no longer needing it for mental support, he oversees Uva's transformation into the Medal Vessel as his orchestrated apocalypse begins. However, the Kyoryu Greeed finds himself facing Ankh and Kamen Rider OOO in his PuToTyra Combo. Surviving OOO's attempt to destroy him, the Kyouryu Greeed finds himself fighting OOO in his Tajador Combo as they take their fight into Medal Vessel. Dealt the deathblow as a black hole manifests on his chest, the Kyouryu Greeed delights in his demise as he collapses on himself.

However, Maki did not truly die, ironically. The pieces of his body, and possibly the sinister pieces of his mind that drove him to kill his sister and try to destroy the world, found their way to the future alongside the rest of the Cores and Cell Medals, and into the body of Michal Minato. Because of the Medals he was equipped with, Maki's body and mind formed a new Greeed around these Cores; Poseidon.

---

When Nico was done we were shocked!

Eli: Whoa!

Me: So when the big day comes we might be killing him.

Laney: Wow!

Me: Just what the universe needs, Another fucked up lunatic running amok.

Nico: Yeah. Lets head to Japan.

With that we were off.

In Japan, Eiji Hino was walking around and he then saw Will.

Eiji Hino: Excuse me, Miss. I don't think I've seen you around here before.

Will Vandom: Oh I've been here many times before. My name is Willhemina Vandom. But you can call me Will. You must be Eiji Hiro.

Eiji Hino: That's right.

Will Vandom: Awesome to meet you. I'm with Team Loud Phoenix Storm. You guys can come out now.

We came out.

Me: (Speaking in Japanese) 仮面ライダーオーズのリーダーに会えて光栄です。チームラウドフェニックストストトームの指揮官で2番目のジェームズディーンナドソンです。(Eiji Hino it's an awesome honor to meet the leader of the OOO Kamen Riders. I'm James Dean Knudson, 2nd in command of Team Loud Phoenix Storm.)

Eiji Hino: Wow! It's an honor to meet you too J.D. and you too Nico! It's an honor to meet you.

Nico: Same to you Eiji.

Will Vandom: And these are my friends too.

Irma: I'm Irma Lair.

Taranee: I'm Taranee Cook.

Cornelia: I'm Cornelia Hale.

Hay Lin: And I'm Hay Lin.

Eiji Hino: It's an honor.

Eli: Also my name is Eli Winston Bullock. I'm J.D.'s little brother.

Me: We're not related by blood. It's a long story.

Jake: Yeah and also my name is Jake, leader of the Animorphs.

Eiji Hino: Wow! It's an honor.

Me: The Animorphs are shapeshifting superheroes that were given powers. They can turn into anything just by touching them.

Eiji: Wow!

Jake: Watch.

He concentrated and morphed into a Spitfire Bird and he landed on Eiji's shoulder.

Eiji Hino: Wow! That is awesome!

Me: Yeah they have the power to transform into anything whether it's on Earth or an alien from another part of the galaxy.

Eiji Hino: So awesome!

Jake reverted back.

Nico: It sure was cool.

Eiji Hino: Let me show you where the base is. Shintaro's there too.

Me: Awesome.

We followed him.

Nico: Oh and little guys, (Sighs) Are the Rabbids.

Rabbid: (Gibberish)

Me: (Whispers to Eiji) They are cute but they are dumber than a sack of diapers. They are not the brightest light bulbs in the closet if you catch my drift.

Eiji Hino: I see what you mean.

We were walking and we got to the base.

Shintaro Goto: Hey there. I'm Shintaro Goto, the second person to be Kamen Rider Birth after Akira Date.

Me: 後藤慎太郎お会いできて光栄です。チームラウドフェニックスストストームの指揮官で2番目のジェームズディーンナドソンです。お会いできて光栄です。(Shintaro Goto it's an honor to meet you. I'm James Dean Knudson, 2nd in command of Team Loud Phoenix Storm. It's an awesome honor to meet you.)

Shintaro Goto: Same to you and it's an honor to have you all here.

Nico: Pleasure is ours.

Will Vandom: I'm here on my first ever ambassador mission for you all.

Me: It's part of a special diplomatic mission program we made for future upcoming missions.

Nico: Yep.

Eli: It's to help out and get ready for the future big day missions as we call them.

Shintaro Goto: That's amazing.

Eiji Hino: It sure is.

Nico: Eiji, you might have the powers of a greedy king. But you use them to do good around the world.

Me: That's right Eiji.

Eiji Hino: But is true. But this power is dangerous. It was evil before.

Me: That's right but you pulled that power out of the darkness and into the light.

Nico: That's right.

Me: But also I showed off my new Kamen Rider OOO powers to Lord Drakkon during my usual battle with him and I'm still learning how to use it.

I showed him the Core Medals and my Sengoku Belt.

Me: It's all so awesome how you can turn into so many awesome combinations with each medal. But I'm still new to this.

Eiji Hino: I can gladly help teach you.

Shintaro Goto: Same here.

The Rabbids got some O medals to try and pay for some Kitkat bars in some nearby vending machines.

Shintaro: No! Those are not coins! And I don't think they're the right size either.

Me: Hmm.

I pulled out a Yen Coin and compared it.

Me: No these are too big to be Yen Coins. Nice try though.

Nico: (Laughs) It sure is.

Me: Eiji what can you tell us about the Greeed?

Eiji: Well they are not nice guys.

He told us that they are monsters that feed off of humans selfish desires and they are dangerous as hell.

Cornelia: So, the Greeed attack humans to feed off of their desires?

Eiji Hino: Yep. Some desires of humans can be selfish at times.

Nico: Whoa.

Me: That is horrible. And they do say that Greed is one of the Cardinal sins and is punishable by being melted alive in a molten vat of gold in the 4th Circle of Hell.

Eli: As well as being buried in a massive mountain of gold coins.

Irma Lair: That's right.

Eiji Hino: How did you know that?

Me: We've seen things that no human can even fathom.

Eiji: (to Will) So, what's it like being leader of the Guardian team?

Will Vandom: It is really awesome! We go to an amazing place called Candrakar and we are the guardians that govern the elemental forces and we use our powers to save the world from the most dangerous enemies we have.

Nico: That's right and we destroyed many of those enemies. The most ruthless one of them all was Prince Phobos.

Eiji: Who is he?

Me: You would not like this guy one bit Eiji. He was one of the most ruthless and honorless motherfuckers we've ever faced and he wanted to rule over the entire kingdom of Meridian with an iron fist.

I went over his history.

* * *

Prince Phobos (simply known as Phobos) is an evil prince and the most recurring antagonist in the comic book W.I.T.C.H. and the animated series of the same name.

In the comic book, he serves as the primary antagonist during the first story arc, and returns in the 4th story arc. In the animated series, he serves as the primary antagonist during the first season, and returns shortly before the end of the second season.

He was voiced by Mitchell Whitfeld.

Prince Phobos took the throne of the kingdom of Metaworld (known as Metamoor in the W.I.T.C.H. comic book series and Meridian in the W.I.T.C.H. TV series) after his parents' disappearance some time prior to the opening chapter of the first story arc/season, and began to drain the life force of the people in order to fuel his own magical powers with the aim of becoming strong enough to take over other worlds. However, realizing that Phobos posed a great threat, the Council of Kandrakar, a realm at the center of the universe, raised a magical shield, known as the Veil around Metamoor, sealing Phobos inside and cutting it off from the rest of all other worlds.

During the first story arc/season Phobos' primary concern is finding his long lost sister Elyon Brown, whose powers are equal to his own (In the comic book, according to both Phobos and the Oracle, Elyon is even stronger than Phobos himself) and was spirited away to Earth approximately 12 years prior, so that he can drain her life force and add it to his own. With her power, Phobos would be able to break through the Veil and begin his conquest of other worlds.

At first, Phobos is unaware of his sister's identity, and sends his minions to find her, first by searching through birth records, and then using a magical talisman known as the Star of Threbe. After finding her and successfully poisoning her mind against her friends and family, Phobos brings his sister to Metamoor and attempts to gain her trust for long enough to drain her of her powers. Despite successfully draining some of his sister's power, Phobos' plans are foiled by the Guardians during the final installment of the Metamoor story arc/Season one. He is exposed as a villain, and is imprisoned by Elyon after a heated magical duel over the control of Metamoor and the kingdom's fabled Crown of Light which is belongs only to the female rulers as the laws of Metamoor decreed.

Following his defeat in Season 1 of the animated series, Phobos was briefly released by the Knights of Vengeance early in season 2, but was defeated while attempting to retake the Royal palace of Metaworld/Meridian from Elyon. He returned again late in Season 2, when the Guardians realized that, as a heir to the throne of Meridian, he was able to break the rule that "A Heart cannot be taken by force", and release him in order to deprive Nerissa of her Seal (which incorporated the Heart of Meridian), on the condition that he surrender the Seal to them afterwards. However, Phobos breaks his vow and instead uses the Seal to reconquer Meridian. After retaking Meridian, Phobos sets his sights on Kandrakar, and is on the verge of taking it when he is betrayed by Lord Cedric, who swallows him whole, thus gaining his powers for his own. After Cedric's defeat, Phobos is returned to Elyon's dungeon. In the episode "V is for Victory", Phobos causes much confusion by glamouring Matt, Caleb and Blunk as himself such as when Blunk/Phobos eats crickets and when Caleb/Phobos holds Cornelia's hand.

In the comic story arc "Trial of the Oracle", he became the new Oracle, as he was found to have used his negative emotions to switch minds with Endarno, who was the guardian of the Tower of Mists, the tower in Kandrakar where Phobos, Cedric, Frost, and many other villains were imprisoned in. Once he is restored to his rightful body by the Guardians, he realizes he has lost and leaps off of a balcony into the never-ending void beneath Kandrakar, declaring that he will "never be imprisoned again".

However, even he is unable to create portals that would link Earth and Meridian, as he himself stated in one episode, though he was able to create a portal to the enchanted painting the Guardians were trapped in, in hopes that his minions would go into the painting and finish off the Guardians (in the comic book, certain facts differ, such as the portal to the painting was an opening in the Veil, and Cedric was the one who opened the portal, though this leads to confusion, for if Cedric could make openings in the Veil, then it is surprising that Phobos cannot, and the Veil erected by Kandrakar is quite useless, and confusion is merely increased by more puzzling facts).

In the final confrontation against the Guardians, Phobos transforms Cedric into a red, more beastly monstrous version that is able to rival the combined strength of all five Guardians, though Will's quick thinking tricked Cedric into wearing the Crown of Light, thus draining the magic infused into him by Phobos away. Phobos also traps his sister Elyon in energy rings after using trickery to overpower her.

He has on numerous occasions proven to be a formidable opponent, wielding powers at least equal to those of his sister, Elyon. For example when he fought the Guardians of the Veil in the final episode of the Meridian story-arc he quickly defeated them and would have destroyed them, had Elyon not intervened. However he had stolen all of the power of Meridian and most of Elyon's powers. When he fought them again in the Nerissa story-arc he no longer possessed the power he had stolen from Elyon or Metamoor and still appeared to be more powerful than all of the Guardians put together.

He appears to be immortal as he has existed since the creation of the Veil which was created soon after the dawn of time. He is hinted to be the source of all evil in creation. Whilst he ruled Metamoor his power appeared to be so great that his moods affected the landscape of Metamoor and to a lesser extent Earth, because Earth and Metamoor are connected by Portals.

When I was done they were shocked!

Eiji Hino: Whoa!

Nico: Yeah. And we killed him 3 times.

Sintaro: That is crazy and horrible!

Me: Yeah. But there was one enemy that I helped redeem. Her name is Nerissa and she was Will's predecessor Guardian.

Eiji: What can you tell us about her?

Me: She was one of our most dangerous enemies and the battle we had with her threatened to rip the entire planet apart. But she was a rogue Guardian that wanted to destroy everything.

I told him everything.

Nerissa is a major antagonist from the obscure Italian Disney comic book W.I.T.C.H. and the animated series of the same name. Her aliases made several appearances during Season One, but her true nature was not revealed until Season Two.

In the English dubbed version of the animated series, she was voiced by the veteran voice actress Kath Soucie in one of her very few villainous roles. In the Italian version, she was voiced by Cristina Giolitti.

Nerissa was once the holder of the Heart of Kandrakar and the Guardian of Quintessence, but it was taken from her because she was corrupted by its power. Mad with jealousy, she turned on her fellow Guardians and accidentally killed Cassidy by shooting her off a cliff with lightning during a fight for the Heart of Kandrakar. For this crime, she was sentenced to be sealed in Mount Thanos until she was freed by a portal (in the comics the occurrence of all elements combined in one evanescent being). She went trough the portal to Meridian where she met the Mage, who had hoped that she would reform if shown compassion.

After the Mage's death, Nerissa took over her identity and manipulated events in Meridian from behind the scenes. She also disguised herself as a red-headed lady named Trill during the reign of Prince Phobos. Taking up work in Phobos's castle in order to feed information back to the rebels, and to become close to Elyon once she was returned to the throne. In season two, she successfully siphons all Elyon's power into a jewel, which becomes the jewel version of the Heart of Meridian.

As the former holder of the Heart of Kandrakar, Nerissa has the same powers as the current holder and Guardian of Quintessence, Will Vandom.

Old-aged Nerissa holds both her beloved sceptre (the Seal of Nerissa), and the stolen Heart of Meridian.

Some 40 years prior to the events of W.I.T.C.H., Nerissa served as the leader of the Guardians of the Veil and as the Keeper of the

Heart of Kandrakar. She was the Guardian of Quintessence. However, the Council of Kandrakar feared that the power of the Heart was corrupting her, and took it from her believing that doing so would save her from her newly discovered lust for power.

Desperate to regain the Heart, the ambitious Nerissa confronted the new holder of the Heart, Cassidy, the Guardian of Water. The pair fought, and Nerissa accidentally sent Cassidy plummeting to her death from the top of a mountain. As punishment for Cassidy's death, Nerissa was sentenced to a lifetime of imprisonment in an ice cave on Mount Thanos. When the Veil was raised, a portal opened in Mount Thanos and Nerissa used it to escape to Meridian. Later, the Mage helped her, hoping that her guilt and an act of compassion would reform her.

Nerissa laid low during Phobos' reign (before and during season 1). She created a new identity that of a good natured red-headed lady called Trill, and used her cunning and magic to gain employment in Phobos' castle, from where she helped the resistance by smuggling people into/out of the castle and by passing on information. Her true nature was not revealed during this time.

During this period she also took over the identity of her former protector the Mage (who had since died), and became the lover of the future rebel leader's father, Julian. Together they had a child, Caleb, who became the leader of the resistance. Nerissa later revealed that she had given birth to Caleb specifically for the purpose of him becoming the rebel leader (In the comic book continuity, Nerissa did not take on the identity of the Mage who only appears in the animated series, and is not related to Caleb who was created rather than born, and has no parents). Caleb did not learn of his relationship to Nerissa until season 2.

After Phobos' downfall, Nerissa became the primary antagonist and began to move against the Guardians. She freed some of Phobos' minions as she forms her new minions the Knights of Vengeance and set them against the Guardians. Also, she attempted to subvert and disrupt their daily lives on Earth.

In her identity as Trill, Nerissa also befriended Elyon, giving her a necklace that she said had once belonged to Elyon's birth parents.

Unbeknownst to Elyon, the necklace was slowly siphoning her powers, and when she was tricked into hating her parents and throwing away the necklace they had left for her, her powers went with it. (Nerissa could not have taken Elyon's powers by force, but was able to steal them as they were given away freely.) Nerissa then revealed her true identity, and trapped Elyon inside the necklace, which was now the physical embodiment of the Heart of Meridian.

With the power of the Heart of Meridian, Nerissa became far stronger. She ceased using Phobos's minions and fashioned her own out of fire, ice, rock, and the forms of Matthew Olsen and Mister Huggles, naming them the Knights of Destruction.

While the Knights kept the Guardians busy, Nerissa set about reforming the original Guardians: Halinor, Yan Lin, Kadma, and the revived spirit of Cassidy. She found the weaknesses in their characters and exploited them in order to take control of their minds. Aided by her magic scepter known as the Seal of Nerissa (formed by combining the Heart of Meridian with the Heart of Zamballa), she then drained her Knights of their power (destroying two of them in the process) and used it to re-energize her Guardian mind slaves, restoring their youth and power.

Nerissa used the former Guardians to fight the current Guardians in an element versus element battle in which Will had promised not to retreat. At first, Nerissa's Guardians, powered by two Hearts, had the upper hand, until Will realized that the former Guardians were strong when fighting their opposite elemental number, but lacked the free will necessary to diversify their attacks in order to fight against a different element. This change of tactics allowed the Guardians to defeat Nerissa and force her to retreat.

When the current Guardians next fought Nerissa, they were able to break her spell of control over the former Guardians. Once Cassidy was freed by Irma (she was thrown in a pool, and Irma used her skill to influence minds to dispel Nerissa's brainwashing), the others soon followed. However, before they could press home their advantage, Nerissa absorbed the former Guardians into her Seal, allowing her to access all of their powers. Only the intervention of the newly-freed Phobos prevented her from turning her new elemental powers against the Guardians, and she was forced her to retreat once more.

Nerissa's final defeat came on Halloween, when she attempted to steal the power of the Heart of Earth, Cornelia's younger sister. After cornering and capturing Napoleon the cat, one of the Regents of Earth, Phobos (disguised as Napoleon) drained Nerissa of her powers and took the Seal of Nerissa, later the Scepter of Phobos, for his own. He then trapped Nerissa in the Seal along with Elyon, Yan Lin, and the other former Guardians. The former of whom had since learned to reabsorb enough of her powers from the Seal to allow her to exact punishment on the trapped Nerissa for her treachery.

Nerissa remained trapped in Weira's jewel, which was the jewel version of the Heart of Meridian, and was passed into the hands of Julian and Caleb. Nerissa remains trapped inside, living out her dream of conquering the universe with her husband and son by her side, not realizing that it is an illusion.

* * *

When I was done they were shocked.

Eiji Hino: My god! That is incredible!

Nico: It sure was.

Me: Yeah. And the battle we had with her was intensely powerful. We face Nerissa 3 times. First was in the Mediterranean, then against Team Magma and lastly in the Battle with the evil Lich Queen, Necrafa. The first battle was one of the most epic.

I went over what happened in the events of chapter 575.

* * *

It starts in an abandoned apartment complex in the middle of the city. It was an old apartment complex that was scheduled to be demolished right now. An explosion blasted half of the building. We were facing the bug guy Clancy, one of Ben's most dangerous enemies. He was half man, half insect and he has the mysterious power to communicate with insects and he has all the powers of the insect world at his command.

Me: You are one ugly freak of nature Clancy.

Clancy: Well if you think we're bugging you now, you haven't seen anything yet.

Venom: And we thought we were the only ones that say we.

Ben turned into Spitter.

Ben: SPITTER!

Me: So that is a Spheroid from the planet Scalpasc.

Spitter: That's right.

Spitter fired a blast of water at Clancy.

Bai Tza: You really need to have a better life style.

Bai Tza fired a blast of water at Clancy and Rhino charged

Bai Tza and Rhino: MAELSTROM RHINO STAMPEDE!

The water covered Rhino and he turned into a rhinoceros of pure water and he rammed Clancy and sent him crashing through the walls of the building. Then the whole place was gonna collapse!

Me: The building is collapsing! Hold on everyone!

I protected us in a force field bubble and the whole building came down and was reduced to practically nothing.

Me: Is everyone okay?

Megan: We're fine J.D.

Bai Tza: It'll take more than a collapsing building to bring me down boss.

Rhino: A-okay.

Poison Ivy: But he's not finished yet.

Clancy came out of a bunch of cockroaches.

Spitter: You just don't know when to quit.

Megan fired her blue hyperbeam at Clancy and it exploded by him and sent him flying towards us and Spitter fired a torrent of water from his mouth.

Spitter: Lets use our combo on him Megan.

Megan: You got it Ben.

Spitter fired a blast of water and Megan fired a hyperbeam blast.

Megan and Spitter: HYPER WATER DELUGE!

The blasts combined and turned into a blast of radioactive water. Clancy tried to shield himself with cockroaches but it wasn't enough as the blast blew him out of the shield and sent him crashing into the wall of the destroyed building.

Me: You are in for a very bad and long time in prison Clancy. You will be the first inmate in our newest prison.

Clancy was sent to our newest prison: the Titan Prison for Freaky Villains. It's on Saturn's largest moon Titan. It's only reserved for the most dangerous of criminal freak shows.

Me: Another criminal monster in prison.

Ben: Yep.

Venom: That guy was making us look bad.

Shocker: Tell me about it.

Me: I can't believe that he was one of your most dangerous enemies Ben.

Ben: Yeah.

Me: We're gonna head to the mall and meet up with everyone else.

Rhino: Good idea.

---

At the Gotham Royal York Mall a group of kids was walking around. But these weren't any ordinary kids. They were the Guardians of Candrakar: Will Vandom, Irma Lair, Tarenee Cook, Cornelia Hale, Hay Lin, Caleb and Matt.

Taranee: Will, let me just say that this plan of yours is crazy!

Will: It's the only way to stop Nerissa.

Matt: Yeah, but what if Phobos betrays us after we take Nerissa down?

Caleb: Good call, Matt.

Will: Well, if anyone has a better idea, I'm all for it.

Cornelia: I have a better plan. We can call J.D. and Team Loud Phoenix Storm for help.

Hay Lin: How do you know that they'll help us?

Cornelia: Trust me. They always help people in need.

Irma: Good point. But that still doesn't change the fact that the Heart of Meridian can only be retrieved by Phobos.

Cornelia (Smirks): True. But I know that J.D. will find a way to bypass that rule.

At the entrance we met up with everyone.

Lori: You guys made it.

Me: We sure did Lori.

Ben: But we had a run in with my enemy Clancy the Bug Guy.

Lana: Cool!

Laney: I don't think I would like this guy.

Me: I was repulsed by his appearance also Laney.

Megan: But fighting him was awesome.

Riley: I'll bet.

Leni: Lets go shopping guys.

Me: Lets do it.

We walked around the mall and then Megan's phone rang. It was Cornelia.

Megan: Hey, Cornelia.

Cornelia: Megan! I've been wanting to talk to you today.

Megan then noticed something. Cornelia's voice sounded… more louder.

Megan: Are you alright? You sound… close.

Shocker (looks behind Megan): She is close, Megan. Hang up and turn around.

Megan hung up and turned around. And that's when she saw Cornelia Hale in person.

Cornelia (smiles): Hey, Megan!

Megan (smiles): Cornelia! (hugs her)

Cornelia: It is so awesome to meet you in person.

Me: Cornelia Hale. It's an honor to finally meet you in person. And the Guardians of Candrakar it's truly an honor.

Will: You too J.D. We all were told so much about you all on Team Loud Phoenix Storm. I'm Will Vandom, Guardian of The Heart of

Kandrakar.

Irma: I'm Irma Lair, Guardian of Water.

Taranee: I'm Taranee Cook, Guardian of Fire.

Cornelia: You know me. I'm the Guardian of Earth.

Hay Lin: I'm Hay Lin, The Guardian of Air.

Caleb: I'm Caleb, leader of the rebels that brought down Phobos.

Matt: And I'm Matt. It's a pleasure.

Me: It's a pleasure to meet you all. Megan told us story after story about your adventures in Candrakar.

Irma: I'm sure she did.

Taranee: We heard and saw all your adventures and they were awesome.

Me: We get that all the time wherever we go.

Will: Ok. Let me see if I got this correctly. Aleksei Sytsevich is-

Rhino: Rhino.

Will: And Louise Lincoln-

Killer Frost: Killer Frost

Caleb: Pamela Isley -

Poison Ivy: Poison Ivy.

Caleb: And Eddie Brock-

Venom: We are both Venom.

Hay Lin: Harleen Quinzel-

Harley: Harley Quinn.

Matt: Terry Mcginnis-

Terry: Batman 2039.

Matt: Herman Schultz-

Shocker: Shocker.

Matt: And Flint Marko-

Sandman: Sandman.

Will (to the Winx Club): You girls are basically like us but with fairy forms?

Bloom: That's about right. But we come from different planets and we were raised on Earth.

Irma (to Maria): You used be a metahuman criminal named Aquamaria, right?

Maria: Yep. I can still use my water form. But I don't call myself Aquamaria anymore.

Irma (to Bai Tza): And you're actually a demon sorcerer, right?

Bai Tza: Correct. My human form is named Aquas.

Taranee (to Lea): You used to be this bad guy named Axel, right?

Lea: I was a Nobody. But yeah.

Taranee (to Shego): And you used to work for Dr. Drakken?

Shego: Don't remind me.

Hay Lin (to Arpeggio): And you used to work for two bad guys named Dark Neyla and Clockwerk, right?

Arpeggio: (British Accent) That's right. But I was shown the error of my ways just in time.

Hay Lin (excited): Best. Team up. Ever!

Me: They are called the Redemption Squad. They are former villains and supervillains that are on the path to redemption.

William: That's right and I'm the Leader of the Redemption Squad.

Hay Lin: That is so cool!

Megan: Shall we head shopping guys?

We all cheered.

We did so.

---

We were shopping until we dropped. But Megan got another surprise. She got a visit from Hay Lin's grandmother "Yan Lin."

Megan: You're Hay Lin's grandmother, aren't you?

"Yan Lin": Good to know that I've made an impression. Have you made any attempt on my Mistress yet?

Megan: No.

"Yan Lin": Good. I'd like to keep it that way. The last thing I need is for me to hurt you. Megan, you've given my granddaughter and her friends good advice that's helped them. And I'll never forget that. So I'm gonna give you one chance. You ready? (Megan nods) Walk out of this mall, forget anything you might've learned about Kandrakar and Meridian, and don't you ever try and interfere with my Mistress' business again. Because if you do, I'll kill you, and everybody you love. That's the lengths I'll go to serve Nerissa.

Megan: That's good to know.

"Yan Lin": Hey. I just spared your life. Now, what do you say?

Megan (hesitantly): Thank you.

"Yan Lin" (smirks): You're welcome. Enjoy your shopping. (leaves the store)

Megan: (In her mind) Nerissa will pay for everything she has done.

As we continued shopping we were telling the Guardians about our exploits and adventures on Earth and across the universe.

Will: Wow! You guys have done it all!

Me: We don't like to brag but we have done all kinds of adventures that would put even the greatest of explorers to shame. No offense Gabrielle.

Gabrielle: (British Accent) None taken J.D. But all the adventures we had were quite enjoyable.

Me: They sure were. And we fought the most dangerous and most fearsome of villains that would make even the mightiest of armies look like child's play. No offense Caleb.

Caleb: None taken J.D. but yes I know what you mean.

Will: Nico are you really a Saiyan?

Nico: I sure am. I was born on the planet Vegeta, but I was raised here on planet Earth. My Saiyan name is Bokrua but everyone calls me Nico. I was named Nicolas Chan but everyone calls me Nico.

Irma: That is so cool.

May: And he's the most awesome boyfriend in the world.

Nico: And May is the most awesome girlfriend in the world.

Hay Lin: You two were sure made for each other.

Luan: Just like me and Eddy bear here.

Leni: Most of us have a lot of people that are totes perfect for each other.

Lisa: Indubitably 2nd born eldest sibling.

In the food court we were having lunch.

Wili: Ok. Since we know we're going to kill Nerissa, we'll need ideas on her death. Any suggestions?

Hay Lin: I say we snap her neck for brainwashing my Grandma!

Taranee: I say we stab her with a knife until she bleeds out.

Irma: I say we save tons of money on car insurance by switching to Geico! (everyone looks at her) Sorry. I was watching a Geico commercial last night.

Luan: (Laughs) Good one Irma. That is a thing that has the Gecko. (Laughs to rimshot) Get it?

Most of laugh but everyone else sighs.

Me: (Laughs) That was a good one you two.

Irma: Luan your jokes are hilarious!

Me: Luan is a kick in the butt.

Eddy: (Laughs) That was funny.

Me: Lets just focus on the matter at hand.

Will: Is there any other suggestion out there besides recklessly killing Nerissa and saving money on car insurance?

Cornelia: C'mon, guys! We need more creative ways to kill Nerissa.

Me: I am gonna be the one that faces Nerissa. I vowed to make her pay for everything she has done and I swore that I would kill her.

We can up with more ideas when suddenly we heard a woman yell.

?: Wilhelmina Vandom!

We saw the parents of the Guardians.

Me: Are they your parents?

Irma: They sure are.

Me: Are you the parents of Will and her friends?

Susan: We certainly are J.D. I'm Susan Vandom.

Tom: I'm Irma's father Tom Lair and this is my wife Anna.

Theresa: I'm Theresa Cook and this is my husband Lionel.

Elizabeth: I'm Elizabeth Hale and this is my husband Harold and Cornelia's little sister Lillian.

Joan: And I'm Joan Lin and this is my husband Chen.

Me: Pleasure to meet all of you.

Tom: You too J.D. We saw all your adventures all over the world on the news. Team Loud Phoenix Storm is amazing.

Me: Thank you. Not to brag but it's a force to be reckoned with.

Rhino (sees who just came in): Don't mind us! We're just eating Chinese food!

Will: Mom? What are you all doing here?

Susan: Will, enough's enough. It's time for you all to tell us about what you've all been hiding.

Harley (takes out hammer as Rhino cracks his knuckles): Back off, lady. We just took down Clancy this morning! You getting angry at us doesn't scare-

Tom: That's not gonna intimidate us, Quinn. We're getting to the bottom of this little secret that you've apparently been keeping from us.

Theresa: And if you don't tell us, you'll all be grounded.

Shego (powers up hands with green fire): You're more then welcome to try!

Bai Tza (turns into her demon form): But you won't succeed!

Cornelia: What makes you think that we're hiding something?

Elizabeth: Because you would never go to J.D. and his friends for help unless it was something life threatening.

Chen: And we have not seen Yan Lin for the last few weeks!

Poison Ivy (makes venus flytrap appear from the ground): If I were you, I'd watch your tone!

Me: Everyone stand down! Lets let them talk. Will, I think it's time that they all know the truth.

Will: You're right J.D. The reason we've been so secretive is because we have a huge responsibility to protecting the world. Not just Earth but another world as well.

She pulls out the Heart of Kandrakar.

Will: Guardians Unite!

Will, Irma, Taranee, Cornelia, Hay Lin, Me and Megan were enveloped in spheres of light and we turned into our Guardian forms.

Will: The Heart!

Irma: Water!

Taranee: Fire!

Cornelia: Earth!

Hay Lin: Air!

Me: Lightning!

Megan: Space!

Will: So it is true! You are the first ever Male Guardian J.D.

Me: That's right. You see everyone. This is what they have hidden. We were chosen to be the Guardians of a realm called Candrakar. It was plunged into total darkness and despair by an evil tyrannical prince named Phobos and he ruled over the land with an iron fist.

Will: We have a huge and major responsibility to both Earth and to the realms of Candrakar.

Irma: It's a major responsibility and an endless task we were given.

Taranee: And as Guardians we have to make sure that our worlds are safe from evil.

Me: They managed to take down Phobos and imprison him and all his minions and end his reign of terror. But there's an even greater threat out there that's now going to destroy the entire universe if we don't stop her. She's a rogue Guardian named Nerissa. She has been terrorizing all of Candrakar and even Earth and she has been sowing chaos and dissension through different ways. She wants to destroy everything. She has all the previous Guardians under her control through brainwashing and she will stop at nothing until she kills us all. You see, we were chosen to protect the Universe for a reason and with great power comes great responsibility.

Shocker: It was actually web head that invented that saying but it fits you all perfectly. But J.D. is right.

Megan: And we have to kill Nerissa before she destroys everything we have including our planet.

Susan (tears in her eyes): So all this time, I tried to move us back to Fadden Hills all because you were saving the world? What kind of mother am I?!

Will: The best mother I ever had.

Rhino: It's not your fault. You were just looking out for Will.

Me: That's right. You were just doing what a good mother would do.

Irma: Dad, please don't be mad.

Tom (smirks): Oh, it's not you I'm mad at. I'd like to have a word with Miranda later for getting you into trouble.

Bai Tza: I think that can be arranged.

Theresa Cook: Oh, Taranee! I'm very proud of you for everything you've done for the world! And to think I saw you as a troublemaker during the Nigel incident.

Taranee: It's fine, mom. Uriah and his pals were the troublemakers anyway.

Shego: I just hope Taranee can keep seeing Nigel when we kill Nerissa.

Me: I'm sure she can.

Elizabeth: I'm just glad we finally get to see this pen pal of yours, Cornelia!

Cornelia: Don't worry, Mom. I have a feeling that Megan will grow on you.

Poison Ivy: Also, we need to talk later about your younger daughter, Lillian. Nerissa was after her a week ago because of a hidden power that she had.

Me: It's a long story Mrs. Hale.

Chen Lin (angry): I WILL MAKE THIS NERISSA PAY FOR BRAINWASHING MY MOTHER!

Hay Lin: Dad, no! You go after her and she'll kill you!

Harley: If it makes you feel any better, we're coming up with ideas on how to kill Nerissa.

Me: It's true Mr. Lin. Nerissa is incredibly dangerous and she will kill anyone that stands in her way. I vowed that I would be the one to kill Nerissa and I will make sure that she pays for her crimes and I intend to see that vow fulfilled.

Susan: I have a feeling you can do it guys. Go make Nerissa pay for everything she has done.

Me: With pleasure Mrs. Vandom. Let me see if I can find her and her minions and the previous Guardians.

I concentrated and found them in a warehouse on the Lake Huron Wharf.

Me: I found them. They're hiding out in a Lake Huron Warehouse. Lets head out guys.

Susan: Will. Be careful out there.

Will: I will mom.

Tom: Show no mercy on her.

Irma: With pleasure dad.

Me: Nerissa has plagued our worlds for far too long! We're gonna save our planets or die trying! Lets roll!

Everyone cheered wildly as we headed out. They heard us talking and knew that we could do it.

---

We arrived at the warehouse down by the wharf.

Will (sees the warehouse): I've been waiting a long time for this, Nerissa. Tonight, your reign of terror ends!

Me: And it will. Nerissa your time has come. (My eyes glowed red with righteous fury) Lets go.

We went to over to the warehouse. Inside the warehouse Nerissa was waiting for us.

Nerissa: The Guardians haven't made a move for a while. Perhaps they've realized the futility of attempting to stop me. They know that their fates will be sealed soon. I will make sure of that.

A cloud of sand appeared.

Nerissa: Nice to see you again, Sandpit. But I no longer have a use for you.

Kadma (sand reforms into a familiar Redemption Squad member): Mistress, that's not Sandpit.

Sandman: You're right. I'm not.

Cassidy: That's Flint Marko aka the Sandman. A former member of the Sinister Six and current member of the Redemption Squad.

Halinor: Did you really think you could take us all on by yourself?

Sandman: Kinda. But on the off chance that I was wrong…

"Yan Lin": Shriek, you managed to put security outside, right?

Shriek: Of course. Trust me. Nothing's getting in or out.

Then a fiery explosion blasted a hole through the roof of the warehouse and Nerissa and the previous guardians shielded themselves and we came in.

Me: Now that's how you make an entrance.

Nerissa: So you all came.

Me: Nerissa. Last time we met you looked like a 200-year-old hag.

Nerissa: Yes but I shed 175 years.

Me: I see you also have Walter Shreeve A.K.A. Shriek with you.

Nerissa: Yes. You won't live long enough to see me take over this world.

She fired a blast of lightning and Shriek fired a blast of sound.

Nerissa and Shriek: SUPERSONIC LIGHTNING WAVE!

The blasts combined and turned into a deadly wave of supersonic lightning. I formed a force field and blocked the attack.

Shriek: (punches me) Little J.D.'s falling down. (punches me again) On the ground. (punches me again) Mind unsound. (punches me again) Little J.D.'s falling down (punches me again) I'm so happy!

He punched me and sent me crashing into the wall. But I got up and I had blood dripping from my mouth.

Me: Nice try. But it's gonna take a lot more than that to beat me you freak.

I wiped the blood off my face and stood ready.

Nerissa: Oh, please! Don't even try to teleport us to another planet. This time, you'll all battle on places that I've provided.

6 folds open up. Before I could snap his fingers, Nerissa tackles Will and Caleb through one fold, Cassidy tackles Irma through the second one, Halinor tackles Taranee through the third one, Kadma tackles Cornelia through the fourth one, "Yan Lin" tackles Hay Lin through the fifth one, and Shriek tackles Matt through the final one.

Me: Oh no you don't! You're mine Nerissa! Lets go!

We go into each of the 6 folds and the battle that will decide the fate of the entire universe had begun!

Maria deflected the water and went at Cassidy and they clasped hands.

Maria: No Cassidy! That's a lie! Nerissa is using you! You are just a slave to her and a pawn with no free will. She is the true evil and you have to fight her control.

Cassidy hugged Maria and she cried hard.

Cassidy: (Crying hard) Maria! I'm so sorry! Nerissa made me…

Lola slapped Halinor in the face.

Lola: Get ahold of yourself woman!

Lola: He's right Halinor. This is all Nerissa's fault! Right now J.D. Knudson and our friends and siblings are fighting her and they are gonna make sure she pays for everything she has done.

Lea: She's right Halinor. Nerissa will pay for everything she has done to the universe and we'll make sure that she does. You still have a chance to set things right and help us take down Nerissa once and for all. So don't throw away everything you were given because of Nerissa. She will pay.

Kadma: Yan Lin gave you a choice, Megan. But you chose wrong. (notices her Guardian attire) It seems you've become a Guardian as well. That's fine by me. I wasn't looking forward to fighting your Dark Samus Suit anyway! (summons vines to attack Megan and Venom)

## Battle 5: Shriek

The fight with Shriek was right in the middle of Gotham Royal York.

Matt/Shagon: So this is Gotham Royal York, huh?

Terry: It is. (to Shriek) Shriek, you maniac! This fight is going to get innocent people hurt! Don't you care about that?!

Shriek: Of course not! They never cared about me! (to Sandman) You helped defeat a Revenge Squad member here, Sandman. Care to guess which one? I'll give you a hint: it's not one of your fellow Sinister Six members.

Sandman: It's Shiv, isn't it?

Shriek: Bingo! Now, enough talking. I haven't fought your pointy eared friend in a while. (fires Sound Blast at Terry)

In the Dakota City Prison Shiv was having lunch in his cell when he sneezed.

Shiv: Someone must be talking about me.

Shocker appeared and absorbed the sonic blasts. It was making him stronger.

Nico: You will pay for hurting my friend J.D.

Shriek: He deserves to die for everything he is.

Nico: You don't know what you are saying you freak. Now it's time for me to show you my newest transformation. I found a new transformation when I was training.

He flared up his Super Saiyan Aura and in a massive tornado he was forever changed. When the dust cleared Nico now had a well muscled body with red fur covering it, his hair was longer, his eyes were now orange and he had red lines under them, he had an orange sleeveless battle shirt and his Saiyan Monkey tail was out and it was red. He was now a SUPER SAIYAN 4!

Naruto: Wow! Look at Nico!

Nancy: He looks incredible!

May was so infatuated with Nico's new transformation that she had blood dripping from her nose.

Naruto: Wow! The level of power I'm sensing off of him is completely unreal! It's far more powerful than that of Super Saiyan 3.

Nico: (Deeper Voice) That's because this is my newest transformation bro. This is what I call Super Saiyan 4.

Naruto: Super Saiyan 4!? Incredible!

Stephanie: It's unbelievable!

Terry: No kidding.

Matt/Shagon: It sure is. I didn't know you had so much power Nico.

Nico: Well Shriek is gonna have a hard time dealing with me.

Nico looked at Shriek with incredible hate.

Nico: Shriek I will never forgive you for any of your crimes.

Shriek: I wouldn't be caught dead asking for your forgiveness you wretched monkey!

Shriek went at Nico and he dodged all his attacks and Nico teleported and Shriek fired a blast of sound and when it hit him it didn't even phase him let alone scratch him. Shriek punched Nico and much to his shock his Super Saiyan 4 body made his left arm completely shatter into a million pieces.

Shriek: (In shock) What the!?

Nico: (Chuckles) I'm quite surprised myself. Surprised at how strong I have become.

Shriek: What do you mean?

Nico: Your punches and attacks only tickled like a tiny feather.

Shriek fired another sound blast at Nico at maximum power and it hit him and he was in a cloud of dust. But when the dust cleared Nico was still standing and the blasts didn't even make him flinch.

Shriek: That blast should've turned him into dust and it did absolutely nothing!

Nico: Shriek you can never defeat me. My powers have grown far beyond yours you powerless human and you know it.

Shriek: DIE YOU FOOL!

He continued to fire sound blasts at Nico but all he was doing was just amusing him.

Nico: Listen to me Shriek, I can't allow you to get away with all the trouble you caused to innocent people. You've gone too far. Now you got to deal with me and my friends.

Nico flared up his aura to an incredible level and he flew at Shriek with incredible speed and punched him in the stomach and punched him in the face and kneed him in the stomach.

Nico formed his fingers into a sign.

Nico: WHIRLWIND SPIN!

He formed his fingers away and a powerful razor-wind tornado formed and the wind cut Shriek's armor all off. All that was left of him was his helmet on his head.

Nico: Lets get him with our combos guys.

May: You got it Nico!

Nancy: Lets get him guys!

Nancy, Stephanie, Ruby and Mariah turned into their wereshark forms and Naruto formed a powerful ball of water.

Nico: Go for it May.

May: ICEFIRE SNOWFLAKE LASER!

May formed a giant snowflake and she fired a huge blast of ice fire at Shriek and completely encapsulated him in pure ice.

Nico: Nice job May.

Jean Grey appeared and she had the Phoenix Force on.

Jean Grey: Let us help too.

Nico: Go for it Jean.

Jean Grey: PHOENIX WING FIREBALL SHOWER!

Jean Grey spread her Phoenix Force Wings and fired numerous fireballs from them and they not only melted the ice but also burned him really badly.

Nico: Now lets see how you like this. May lets use our combo on him.

May: Right Nico.

May fired a blast of Ice Fire and Nico formed a fireball in his hands the size of a soccer ball.

Nico: NUOVA STAR!

Nico threw the fireball.

Nico and May: COLD FIRE PRISON!

The blasts combined and turned into a blue fireball made of burning cold fire and it hit Shriek and froze him in a block of ice and everything but his head was completely frozen.

Nico: You're looking at spending the rest of your miserable life in one of our most dangerous maximum security prisons for your crimes. But that would be too good for you.

Shriek was sent to our newest prison. It was called the Planet Nine prison for Terrorists and he was placed in the Supermax Terrorist wing. This zone of the Planet Nine prison was reserved for the most dangerous of criminals that have terrorized the world. We would've killed him but because he is deaf that would be completely barbaric.

Nico: Lets head over to J.D. guys. It's time take down Nerissa once and for all.

They did so.

---

Battle 6: Nerissa.

---

We were all the way over in Greece.

Nerissa: Look around, Killer Frost. Know where we are?

Killer Frost: I remember what happened here. Greece is Hercules' turf. We also killed Vexen here!

Nerissa: Of course you did. Now it's your turn to be killed! (fires lightning at her)

I appeared and deflected the lightning.

Me: No Nerissa. Your fight is with me. I vowed to face you when we first met remember?

Nerissa: Very well.

Me: Now it's time to pay Nerissa. You are going to face up to your crimes. Time for me to unleash my full power.

Killer Frost: So the beast is about to be unleashed.

Me: That's right. This is a very rare occurrence for me. This is the absolute pinnacle of my power and Nerissa will be the first person to face it.

(Goku's Super Saiyan theme plays)

I go Super Angel 10,000 and flare up my power and my aura was getting more powerful. The earth was shaking extremely violently and red lightning and blue lightning mixed in my aura and rocks lifted up into the air. The skies darkened with storm clouds and lightning was striking everywhere. Tornadoes of water were sucked up into the sky from the Mediterranean. It was getting extremely intense as my power was rising rapidly at an accelerated rate. Then I released the full extent of my power.

When it faded my power was stronger than ever before and lightning was striking all over my aura.

Me: There. Now this is my full power. Ready Nerissa?

Nerissa: Lets dance.

I teleport and punch her in the stomach and she flew away and fired a blast of lightning and we went at eachother and we were exchanging blows at a rapid pace and it was getting powerful. Nerissa fired a blast of lightning and I dodged it and I fired a blue energy wave and she dodged it and fired a powerful blast of lightning and I deflected it and fired a powerful red energy blast and she dodged it. We were really going at it and our battle was shaking the very foundation of the entire planet to the core. We stopped and we were facing each other.

Me: I don't understand you Nerissa. You were a Guardian of Candrakar and you did so many good deeds for both worlds. You became consumed with powerlust and became a heartless monster bent on conquering the universe. Why did this happen?

Nerissa: Because they took my power away from me!

Me: Your mind was considered too weak for the Heart and you will never get its power ever again.

Nerissa: (Growls) Just for that one I will blow you to pieces!

Me: I would like to see you try. I vowed to make you pay for causing problems to both of our worlds!

I flared up my power to an incredible degree.

Me: NOW DDDDIIIIIIIIIIIIIIIIIIIIIIIIIIIIIIEEEEEEEEEEEEEEEEEEEEEEE!

My aura flared up to an incredible level and the skies had lightning strike everywhere at a rapid level.

Me and Nerissa went at each other again and it was a powerful fight that not only shook the entire planet to the core, but it also shook the very fabric of the entire universe to the very brink. On planets all over the universe people were sensing the sheer viciousness and ferocity of our battle.

I fired 4 more energy blasts at her as she was flying and she stopped 2 of the blasts with her feet and the other two with her hands and she was struggling to hold them back. I fired another blast and she saw it coming and I flew up to her as the blasts hit and exploded. In the cloud of smoke I punched her and then we clasped hands and we flared up our auras. Mine was yellow and Nerissa's was pitch black. Our hands were locked together and our auras mixed and lightning clashed and formed in them. The storm clouds above us intensified and lightning struck at an incredible level at 400 bolts every half a second and the ground was shaking violently at an incredible level. Suddenly from out of no where an energy blast hit Nerissa in the back and exploded and I head butt her and kick her in the stomach and send her crashing into the ground.

CRASH!

I land by her as she got up and I saw everyone arrive.

Me: You all came. Good. I've had my fun with her.

Nerissa saw that her slaves in a sense have been freed.

Nerissa: Impossible! How did you get set free!?

Irma: That's none of your business Nerissa!

Will: Now you will pay for everything you've done!

Me: She sure will and Nico wow! Your power is unbelievable!

Nico: I call this form Super Saiyan 4.

Me: It's incredible man. And it looks awesome on you. Lets take down this monster together everyone.

Everyone: YEAH!

Goku: Lets get her guys!

Goku, Vegeta, Gohan and Trunks went Super Saiyan.

Piccolo went Super Namek.

We all went at Nerissa and hit her with everything we had at her.

Piccolo: Special Beam Cannon!

Piccolo fired an orange and purple energy beam and Nerissa dodged it and went at him. Tien appeared in front of her and placed his hands on the edges of his eyes.

Tien: SOLAR FLARE!

Tien released a blinding flash of white light that was brighter than 100 suns and it blinded Nerissa temporarily.

Nerissa: MY EYES!

Tien held his hands in a triangle shape.

Tien: TRI-BEAM! HA!

He fired a yellow energy blast at Nerissa and it hit her and exploded.

KRABBOOOOOOOOMMMMM!

Nerissa was sent flying and she stopped.

Superman fired a laser vision blast and burned her leg and he punched her in the face.

Goku: You got it. (Cups hands to Side) KAAAA! MEEE! HAAA! MEEE! HAAAAAAAAAAA!

Goku fired a Kamehameha Wave and Superman fired his laser vision.

Goku and Superman: LASER PRISM KAMEHAMEHA!

The laser vision caused the Kamehameha Wave to split into the 7 colors of the rainbow. One blast for each color and they hit Nerissa and exploded and sent her crashing into the ground.

CRASH!

Will: I will never forgive you for everything you've done Nerissa!

Will fired a blast of lightning and electrocuted her.

Yamcha formed a Spirit Ball.

Yamcha: Spirit Ball!

Will and Bloom: DRAGON HALO FIRESTORM!

The dragon fire and lightning formed into a halo of pure fire with lightning coming out of it. It hit Nerissa and exploded.

Rachel: SONIC BLAST!

Star B.: NARWHAL BLAST!

Rachel fired a sound blast and it hit Nerissa and she dropped her staff. Star fired a blast of Narwhals and they hit Nerissa and knocked the wind out of her. Marco fired a blast of fire and burned her in the leg.

Vegeta: FINAL SHINE ATTACK!

Vegeta fired a green energy blast from his hand and it hit Nerissa and exploded with incredible power.

KRABBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Nerissa was sent flying but she stopped.

Me: Wow! What power! Will, Taranee lets use our combo on her!

Taranee: You got it J.D.

I charged up an Electro Eclipse Bomb.

Me: ELECTRO ECLIPSE BOMB!

I fired a black energy ball with red lightning around it.

Taranee and Will fired fire and lightning.

Me, Taranee and Will: SOLAR ECLIPSE DEATH BOMB!

Our techniques combined and the energy ball turned into a black flaming sun and it hit Nerissa and exploded with incredible power.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was so powerful and so devastating that it shook the area.

When the smoke cleared Nerissa got up and she was on her last legs.

Me: She is a very formidable adversary, I will give her that.

Flora: She sure is.

Cassidy had Nerissa's staff.

Cassidy: I got her staff. Now lets free Elyon.

She freed Elyon from the staff.

Elyon: Thank you so much Cassidy.

Cassidy: You're welcome Elyon.

Cornelia: Elyon!

They hugged again.

Nerissa looked at Will and she had a look that made it look like she was begging for mercy. But we weren't fooled one bit.

Maria: You know, for a moment, you had me fooled. Until you looked at Will. (Nerissa's face twitched in anger) And there it is again. The anger and jealousy in your eyes. You're good. I'll give you that. For a moment, I really believed that you could be saved. That we could reach you. But you're just like Ebon was. A manipulator. A liar. A murderer. A psychopath. (Nerissa narrows her eyes at her) You sell that "frightened girl" act well, I must admit but I see right through you. We were never gonna reach you, were we?

Me: No we weren't.

Rachel kicked Nerissa in the face and fired a sound blast at her.

Starfire fired numerous starbolts at Nerissa and they exploded when they hit.

Rachel: Lets use our combo Starfire.

Starfire: This is gonna be fun!

Rachel: SONIC BLAST!

Rachel fired a blast of sound and Starfire fired laser vision and starbolts.

Rachel and Starfire: SONIC STAR LASER!

The blasts combined and turned into a sonic laser and it hit Nerissa and burned her in her leg.

Then we got help from Captain Atom. He fired an energy blast at Nerissa. It exploded when it hit her.

Me: Nathaniel Adams A.K.A. Captain Atom. It's an honor to meet you.

Captain Atom: You too J.D. We got word that you all might need some help.

Me: We need all the help we can get since Nerissa is a deadly adversary.

Red Tornado then appeared and he spun Nerissa around in a powerful tornado blast.

Me: Red Tornado. It's an honor.

Red Tornado: You too J.D.

We saw the entirety of the Justice League ready to fight. They launched a massive full scale assault on her with a variety of powers and abilities. They were hitting Nerissa with everything they got at her.

Then we got an unexpected surprise. It was Raven's TTG counterpart turned into the DEMON OF AZARATH!

Raven: You're my counterpart turned evil. And you are nothing more than a major idiot.

Demon of Azarath: There was nothing wrong with just goofing off now and then! Sure, we might have been incompetent heroes but at least we fought crime now and then. But you couldn't handle that, could you?!

Raven: Let me give you a reality check, "Me"! You were never a hero. You're rude, you beat people up for every stupid little thing, you ruin everyone's fun for no reason, you insult people and put them down, you make jokes at the expense of others, you whine whenever you don't get your way, and you became obsessed with colorful talking ponies a bit too much. That last part actually isn't bad but to you, it's an addiction!

Dr. Strange: Lets destroy her with our combo Raven.

Raven: You got it.

Raven fired a blast of dark energy and Dr. Strange fired a blast of magic.

Raven and Dr. Strange: CELESTIAL MAGIC FIRE!

The blasts combined and turned into a blast of purple fire and it hit the Demon of Azarath and completely obliterated her.

I slashed at Nerissa with my sword and cut her face.

Caleb: Lets use our combo on her J.D.

Me: You got it Caleb.

We went at Nerissa and we had our swords ready.

Caleb: This is what you get mother!

I gasped in shock but focused on the combo.

Me and Caleb: THOUSAND SWORD SLASH!

We slashed Nerissa with 1000 slashes.

She was down and bleeding profusely.

Rhino charged and Killer Frost fired a blast of ice.

Rhino and Killer Frost: FROZEN RHINOCEROS STAMPEDE!

The ice covered Rhino and turned him into a rhinoceros of pure ice. He rammed Nerissa and sent her rolling.

Me: Caleb, I didn't know that Nerissa is your own mother!

Caleb: I was shocked myself but I realized that being the son of a heartless monster would not look good on my reputation.

Me: Good thinking Caleb.

As the fight with Nerissa was raging on something evil was brewing in the dungeons of the Meridian castle. The Green Goblin came into the dungeon.

Vathek: Halt! Who goes there?!

Green Goblin (throws pumpkin bombs at him and the other guards): Don't mind us! We're just passing by!

The bombs exploded and knocked the guards unconscious.

A man came and it was LOKI - THE GOD OF MISCHIEF!

Loki: (British Accent) Everyone out on bad behavior! (uses his magic on the bars, destroying them)

Loki just used his sceptor to free Phobos and his minions.

Phobos: I assume that we have you to thank for freeing us.

Loki: Of course you do. I am Loki, the God of Mischief.

Green Goblin: And I am Norman Osborn, the Green Goblin!

Cedric: We don't care who you two are. As long as you get us out of here!

Loki: Very well. Our leader would like to speak to all of you anyway. (teleports them all out)

Back in the battle Elyon was in deep thought.

Gwen (Total Drama): You ok, Elyon?

Elyon: Well, I'm still thinking about what led to me being imprisoned in that staff. I have all these powers but they were weaker compared to Nerissa's. That was how she managed to capture me. And now, I find out that two of your enemies broke out my brother and his forces. Right now, I'm been wondering what my place on the team is. If [chuckles] I even have a place, you know?

Lightning: So, you feel like an outsider, right? (Elyon nods)

Duncan: Being an outsider is a good thing. No, scratch that. It's a great thing. I've been an outsider my whole life. The best part is that you get to tell people to go shove it.

Elyon chuckled and then she was enveloped in a sphere of yellow light. When it faded she was now in Guardian Attire.

Elyon: I'm a Guardian now!

Cornelia: Elyon this is incredible! I think you have the powers of Time.

Elyon: I know I do. Now it's time to stop Nerissa.

I punched Nerissa into ground and Krillin formed an energy disk.

Krillin: DESTRUCTO DISK!

He threw the disk and it slashed Nerissa in the face.

Me: It's over Nerissa. You're finished!

I flared up my aura.

Nerrisa got up and she was building up her power to incredible levels and she was incredibly enraged.

Nerissa: IF I CAN'T HAVE THIS (CENSORED) PLANET, THEN NO ONE CAN!

Me: You will pay for everything Nerissa! (Cups hands to Side)

SOLAR KAAAA! MEEEE! HAAAA! MEEEE!

Nerissa: NOW YOU ALL DIE! QUINTESSENCE!

She fires a massive stream of pitch black energy from her hands and I fired a massive Red Solar Kamehameha blast.

Me: HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a massive red Kamehameha Wave of incredible power.

Krillin sensed the incredible amount of power coming from the blasts.

Krillin: That's way too big! Lets go!

Everyone flew away from the blast area. The blasts collided and a massive power struggle began. Once everyone got to a safe distance they saw the struggle that was taking place.

Krillin: They're gonna change the shape of the whole planet!

Piccolo: Nerissa!

Varie: What power! Come on guys! Lets help J.D. out!

Goku: Right!

Everyone went to distract Nerissa so I can finish her off once and for all.

(DBZ Calling The Dragon theme plays)

They landed on different sides.

Piccolo: SPECIAL BEAM CANNON!

He fired his Special Beam Cannon and it hit Nerissa in the back.

Tien: TRI-BEAM!

He fired a yellow energy blast and the rest of the Z Fighters fired energy blasts.

Sailor Soldiers: PLANET ETERNAL POWER!

The Sailor Soldiers combined their power and fired a massive white energy blast.

Nico fired a powerful blast of fire energy and it hit Nerissa. The blasts hit Nerissa and it provided some form of distraction.

Me: I've got to reach deeper! (Intensifies blast)
HAAAAAAAAAAAAAAAAAA!

Nerissa was being pushed back and she intensified her blast.

Me: I'VE HAD ENOUGH OF YOU NERISSA!

Nerissa: You're all so anxious to die aren't you? Well all you had to do was ask!

She fired a blast of energy wind and blew them all away.

Me: I HATE YOU NERISSA! (INTENSIFIES BLAST)
HAAAAAAAAAAAAAAAAA!

Nerissa intensified her blast. Lightning struck all over the area from the blast.

Everyone fired back at Nerissa!

Nerissa: WHY CAN'T YOU PEOPLE JUST STAY DOWN!?

She fired more energy wind and blew them away again.

But they kept getting up and fired more blasts.

Nerissa: They just keep lining up to die!

They fired more blasts at her.

Nerissa fired more wind.

Nerissa: NO CHANCE! YOU HAVE NO CHANCE!

She intensified the energy wind even more and blew them away.

Will: We have to combine all our Guardian Powers on Nerissa. Vegeta we have to help J.D.!

Vegeta: You know it Will!

They flew above Nerissa and Vegeta charged up his blast.

King Kai felt the enormous power of our blasts and something was gonna happen!

King Kai: OH NO! THE EARTH IS GONNA BLOW!

The power of our blasts was so strong and powerful that it was threatening to tear the entire planet apart!

The ground was shaking apart and earthquakes were going on all over the place!

Lincoln: The Planet is gonna explode!

The parents of the Guardians were rooting us on.

Susan: YOU CAN'T TAKE MY WILHELMINA AWAY FROM ME! SHE'S MY BABY AND NO ONE CAN TAKE HER AWAY! (CRYING)

Tom: Right! J.D. Won't let that happen because he is unbeatable! He won't let our babies be taken away!

Elizabeth: Right! YOU CAN'T TAKE HER BECAUSE J.D. WON'T LET HER! HE CAN'T BE BEATEN!

The effects of our battle were being felt around the whole planet.

Lillian: Come on J.D.! Save the planet!

Goku: (To me telepathically) Release it J.D.! Release everything! Remember all the pain she has caused, the people she has hurt, now make that your power!

Me: I will Master Goku!

Vegeta: FINAL FLASH!

He fired his energy blast and the Guardians fired their blasts.

Vegeta and the Guardians: ELEMENTAL FINAL DESTROYER!

The blasts combined and hit Nerissa. It exploded and it provided a distraction. She saw them and it was the moment I was waiting for.

Goku: NOW'S YOUR CHANCE!

Me: GO TO HELL NERISSA!
HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I intensified the blast to an incredible level of power and it overtook Nerissa's blast and destroyed it. The blast was so powerful and so devastating that it was more than enough.

(Death of Frieza, Cell and Buu theme plays)

Nerissa was being destroyed because of it.

Nerissa: I AM INVINCIBLE!

Nerissa was completely obliterated by the sheer power of the blast in an instant and there was nothing left of her. The blast went out into space and it dissipated harmlessly.

I powered down and I wasn't even in the least bit exhausted.

Me: It's finally over.

Piccolo: (Gasps) He did it. Nerissa's energy has completely vanished!

Will: At last. It's finally over!

Krillin: But you mean we're really safe again?

Tien: Yeah bud. It looks like it.

Yamcha: Oh man. Its been a few years since the last time I heard someone say that.

But then Nerissa's spirit appeared.

Nerissa (now a spirit): Now I know how Cassidy felt. At least things can't get any worse for me.

Nicole (takes out the Book of Vile Darkness): Oh, yes they can!

Nerissa: Me and my big mouth.

Nicole: (Chants an Incantation) ALDURON ENLENTHRANEL VOSOLUN LIRUS-NOR!

Nerissa was sucked into the Book of Vile Darkness and she was sealed into it for all eternity.

Me: Enjoy Hell, Nerissa.

Caleb: Goodbye "Mother".

Everyone all over the world cheered wildly for us and they all cheered for me.

Me: The war is finally over. Nerissa is dead and she is in the Book of Vile Darkness where she belongs for all eternity.

Nico: You said it man.

Me: I couldn't have done it without all of you.

Goku: I'm so proud of you J.D.

Me: Thanks Master Goku. We all worked together and took Nerissa down for good.

(Ending song of Long Distance Good-Bye from Armageddon plays)

I was standing on a cliff looking over the entirety of the Mediterranean Sea and people all over the planet were cheering wildly. The world and the entire universe had been saved from Nerissa's evil ways. The wind blew my hair around as I had my wings spread. It wasn't just the people of Earth cheering for us. People on countless planets all over the Galaxy were cheering as well.

I gave everyone the victory fingers.

---

We went over to Candrakar and we stood before the Oracle.

Oracle: It seems that I've missed a lot. Thank you, J.D. Knudson, for putting an end to Nerissa's reign of terror.

Me: (bows) You're welcome and thank you, Oracle. I hope you don't mind that some of my friends used our technology against her.

Oracle: Of course not. After all, I'm not a technophobe.

Me: I'm glad.

Elizabeth Hale: So we can't tell Lillian that she's the Heart of Earth yet?

Oracle: Not yet. That will only make her worried about her future. She does not know about the dangers of the world.

Maria: The Oracle's right. Right now, Lillian's still a kid. So why not let her enjoy her childhood? After all, it won't last forever.

Me: I promise she will know of her powers in time but lets let her enjoy her childhood while it lasts.

Cornelia: Good idea.

We did so.

In the dungeons, Francis, Thor and Spiderman were with Vathek investigating how Phobos and his cronies got out.

Thor: Vathek, can you tell us who broke Phobos out of prison?

Vathek: I didn't get their names. But one of them had a helmet and a scepter. The other was on a flying device and threw bombs that looked like pumpkins.

Francis: Isn't Hobgoblin dead?

Spidey: He is. I think Vathek is talking about the Green Goblin.

Thor: And Loki. He and Osborn must have gotten Phobos and his forces out of their cells.

Spiderman: We'll have to worry about them later. But I have a good feeling I know where they're at.

We all did.

* * *

At the Slaughter Swamp headquarters of the nefarious Legion Of Doom, Gorilla Grodd was welcoming Phobos and his minions into the Legion.

Grodd: I have to say, Osborn. I'm impressed. I heard about you and Loki's reputation as the most dangerous villains out there but this takes it to a whole new level.

Dr. Polaris: They managed to bust Phobos and his gang out of jail while the heroes were busy with Nerissa.

Loki: Why, thank you for the compliment, gentlemen.

Green Goblin: Too bad we lost Nerissa and Shriek. But Phobos over here makes up for that loss.

Phobos: Trust me, Grodd. I won't let you down.

Grodd (smirks): Welcome, Prince Phobos, to the Legion of Doom!

We have another fight in store for us.

* * *

Back on Earth we celebrated with a great party. Luan and the Eds are using their Ponce De La Eds restaurant scam but they made some adjustments to it. They are now using real food.

Kevin: I have to tell you, Eddy. This former scam really improved. You guys are even serving real food.

Eddy: Thanks, Kev. J.D. and Chowder's been giving me cooking lessons.

Double D [to Jonny]: And here you go, one Ed Turkey a la King!

Jonny: Oh boy, I'm starving!

Double D: Bon appétit. [He lifts the lid.]

Jonny: FOR CRYING OUT LOUD!

Double D: Ed! You said you were going to use an actual turkey!

Ed has cooked himself. He lies naked on the plate, surrounded by fixings and an apple in his mouth. Ed pours a ladleful of gravy onto the "turkey dinner."

Ed: Stuffing anybody?

Kevin: Dude, that was only gross the first time.

Cornelia then came in to see what was going on.

She came in and saw this. She was appalled at first but then she was laughing herself silly.

Cornelia: (Laughs) Of that is so funny!

I came out with the REAL food for everyone.

Me: Here's the real Ed turkey A La King Jonny. Ed go put some clothes on.

Eddy: Idiot!

The restaurant was a success and they got a lot of quarters.

Jonny: That was so delicious Eddy!

Nazz: Thanks guys. The salad was awesome.

Me: You're welcome guys.

Eddy: That was awesome! Jawbreakers Luan? My treat.

Luan: You know it Eddy.

They went to the Candy Store.

Everyone was enjoying the party.

Cornelia: Hey, Buzz.

Buzz: Yeah?

Cornelia does a throat slash gesture with her finger across her throat, making him pale.

Megan: Was that necessary? I already made up with him, Linnie, and Jeff.

Cornelia: I know. I just wanted to do that to him since I first heard about him.

Megan: Oh yeah.

I was talking to Irma in my room.

Irma: J.D. how did you know that using those combos would break them out of Nerissa's control?

Me: That is part of a plan we formed. Cassidy told me that she was willingly going to get herself brainwashed by Nerissa and she told me that the only way to break them out of her control is with our combo attacks. I put a special seal on Cassidy that would activate when we did our combos and destroy the brainwashing. Same with the other Guardians.

Irma: Wow! That was really genius!

Me: You have to know your enemy and what they can do before you take them down.

Irma: That's true.

Yan Lin: And I feel amazing J.D. Look at me. I have my youth again.

Me: The battle made you 50 years younger Yan Lin. You look awesome.

In the Living Room, Lincoln and Matt were singing a song. They were singing Tainted Love by Soft Cell. The room changed into a beautiful ancient Greek temple.

Lincoln and Matt: (Singing Divinely)

Sometimes I feel I've got to

Run away, I've got to

Get away from the pain you drive into the heart of me

The love we share

Seems to go nowhere

And I've lost my light

For I toss and turn, I can't sleep at night

Once I ran to you (I ran)

Now I'll run from you

This tainted love you've given

I give you all a boy could give you

Take my tears and that's not nearly all

Tainted love (oh)

Tainted love

Now I know I've got to

Run away, I've got to

Get away, you don't really want any more from me

To make things right

You need someone to hold you tight

And you think love is to pray

But I'm sorry, I don't pray that way

Once I ran to you (I ran)

Now I'll run from you

This tainted love you've given

I give you all a boy could give you

Take my tears and that's not nearly all

Tainted love (oh)

Tainted love

Don't touch me, please

I cannot stand the way you tease

I love you though you hurt me so

Now I'm gonna pack my things and go

Tainted love (oh)

Tainted love (oh)

Tainted love (oh)

Tainted love (oh)

Touch me, baby, tainted love

Touch me, baby, tainted love

Tainted love (oh)

Tainted love (oh)

Tainted love

Tainted love

We cheered wildly for them both.

Matt: Lincoln that was awesome buddy.

Lincoln: Thanks Matt. It's a hidden talent. But everyone knows I can sing now.

Will: They sure do.

The Guardians of Candrakar now live in the estate and it was a grand time for them. Turns out that the Guardians and the Loud Siblings all have a lot of things in common. The parents of the Guardians now live with us in the Estate. We all came together to destroy a very dangerous threat to the entire universe. I kept Nerissa's staff as a trophy and it was a reminder of this terrible battle that nearly destroyed the planet. Blunk, the troll friend of the Guardians now lives in a tree in the backyard.

---

When I was done everyone was amazed.

Eiji Hino: Wow! That is incredible.

Me: Yeah but back then in 2018 I wasn't nearly as powerful back then as I am now.

Nico: And J.D. resurrected her last year and freed her of the darkness that poisoned her mind. Dangerous but very commendable choice.

But then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

Eiji: (hears explosion) You are about to see some Greeed right now.

Nico: Time to kick some Greeed ass!

Me: Lets get them!

We went to find the Greeed.

Nico: Eiji, Shintaro you guys will love this.

Me: Also I forgot to mention that like Will and her friends, I'm a Guardian of Candrakar myself.

Will: (takes out Heart of Candrakar) Guardians, Unite!

Me and Will and her friends were enveloped in flashes of light!

Eiji and Shintaro: Henshin.

Eiji's device: Taka! Tora! Batta! Ta-to-ba! Tatoba, Ta-to-ba!

WE TRANSFORMED!

Will: (ENERGY SURGES) THE HEART!

Irma: (WATER SPLASHES) WATER!

Taranee: (FIRE BURNS) FIRE!

Cornelia: (PLANTS GROW) EARTH!

Hay Lin: (WIND BLOWS) AIR!

Me: (LIGHTNING STRIKES) LIGHTNING!

We were ready!

Eiji Hino: Wow! That is cool!

Shintaro: It sure is!

Shintaro: Now, which Greeed have been revived somehow?

We then saw a bunch of Incomplete Greeed and 6 Gamel Greeed!

Nico: Incomplete and Gamel! Nice! (GOES SUPER SAIYAN 2!) This is gonna be good!

Eli: (GOES SUPER HUMAN 3) YEAH IT WILL!

Eiji charged at some of the Incomplete Greeed. And I went with him.

I Formed a sword of lightning and Eiji had his sword ready and we slashed the Greeed all over the place and medals poured out from each hit!

Eli: Good thing Lisa made this for us too.

Eli pulled out a special tank.

Eli: Cell Medal vacuum on!

Eli activated it and it sucked in all the Cell Medals!

Shintaro: Wow! Eli is that a Cell Medal tank?

Eli: It sure is and it has an infinite capacity. Lisa Loud made it for us just for this.

Shintaro: Very awesome and Lisa is really smart.

Shintaro brought out his Birth Buster. And then, he used it to shoot several Greeed like Eddy and Dark do with their blasters

He blasted them all over and medals poured out and they were sucked into the tank.

Nico: Wow!

Taranee: That is so awesome!

Eli: It sure is. Also watch this one. I invented this variation of the Sword of The Darkness Flame.

Eli formed 2 Swords of the Darkness Flame. One in Each Hand.

Eli: DOUBLE SWORDS OF THE DARKNESS FLAME!

Eli went at the Greeeds and slashed them and piles of Cell Medals poured right out of their fiery corpses and they were sucked into the tank.

Taranee fired blasts of fire and blasted the Greeeds all over and more Cell Medals came out and they were sucked into the tank.

Eiji Hino: Man, I missed fighting Greeed just like the old days!

Me: Man this is awesome! Wow! Good thing Eli and Lisa built that Infinite Cell Medal Tank for us.

Will fired blasts of lightning and they hit a bunch of Greeed and blasted them into Cell Medals all over.

Will Vandom: It really works amazingly well too.

Eiji Hino: It sure does.

Eli: Time to bring out the heavy artillery! DRAGON OF THE DARKNESS FLAME! 炎殺黒龍波

Eli fired a blast of pitch black fire as hot as the sun and it slammed into numerous incomplete Greeeds and 3 Gamel and incinerated them into oblivion and destroyed them and out came a flood of Cell Medals and a bunch of Core Medals. They got sucked into the tank.

Nico: Nico one Eli!

We destroyed them all!

Nico: (POWERS DOWN) That's it.

Eiji Hino: Okay, that should be the last of them.

Shintaro: Good job, Will.

Will Vandom: Thanks. This was awesome!

Eli: Yep. The tank counted 423,283 Cell Medals. And it got 8 Core Medals too.

Me: Wow! That is awesome bro.

Irma Lair: It sure is.

Cornelia: This is awesome though.

Me: It sure is.

We later came back.

May: How did it go guys?

Me: Really awesome!

Eli: Lisa your Cell Medal Vacuum tank worked like a charm.

Lisa Loud: Excellent! I'm glad it did Eli.

Nico: It was really awesome and we really kicked Greeed ass.

We told everyone about it and it was awesome.

Hiei: That's great! Eli well done with the Double Swords of the Darkness Flame move.

Eli: Thanks Hiei.

May: Next time, Leo Corbett should go with you.

Leo Corbett: It'll be an honor.

Me: Awesome! In Japan the Lost Galaxy Rangers are called the Gingaman.

Eli: Yep.

---

In the estate I was looking at something on the table. We all were looking at something actually.

Boarmon: What are we looking for again?

On the table we saw that we were looking at A SOLID GOLD SHIT TURD WITH JEWELS IN IT!

Me: Believe it or not guys, it's a solid 24K Gold Shit turd with jewels in it.

Nico: Wow! That is amazing!

Laney: I've never heard of something like this.

Eli: Me neither.

Varie: How can a piece of shit be made of gold with jewels?

Me: No idea.

Sailor Mars: This is just silly. We're looking at a literal golden piece of shit!

American Dad Roger Smith came in.

Roger Smith (AD): What are you all looking at?

Me: Hey Roger. Does this look familiar to you?

Roger saw the Golden Shit and he gasped!

Roger Smith (AD): OH MY GOD! That is one of mine! Guys this turd is from me! I made this and terrible things happened because of it to some people.

Crumplezone: Well, I'd like for it to cause some bad things to happen to us!

Nico: Crumplezone don't. J.D. see if you can find out what happened.

Me: Right.

I looked up what happened on the computer and it analyzed the Golden Turd and what it showed us was Shocking!

---

It starts in "Homeland Insecurity", when Roger reveals that he poops golden, jewel encrusted turds. Mikey and Jim discover the gold left by Roger, and Jim kills Mikey. He hides the dead body in the back of his truck and drives away. He is stopped by a police officer, and fears he may have been discovered, but the police officer simply talks to him for a while and drives away. Then Jim stops at a gas station to call his fiancée, Abby, to let her know that they're now rich. The phone is answered by another man, and he learns that Abby is having an affair. The scene ends as Jim sobs in anguish.

In "Failure is not a Factory-Installed Option", we see Jim, who agonizes over the fact he killed his best friend for just a golden turd, then found out that his fiancée was cheating on him. He drives his truck onto the railroad tracks and gets hit by a train. Lt. Eddie Thacker and his partner come to investigate the accident and when Eddie sees the gold turd, he hides it from his partner and takes it home to his wife. They begin to speak of how it will pay for a great retirement and a house in Boca Raton, but Eddie regrets his decision and wants to take it back and face the consequences. He's a week from retirement and afraid that he might get fired if found out. They argue until Eddie starts to believe the gold is affecting them. The wife apparently accepts his decision, but when she starts making tea, she adds rat poison to his cup. Of note, in Spanish "Boca Raton" means rat mouth, a nod to the rat poison Eddie Thacker drinks.

The story continues in "Blagsnarst: A Love Story" where Marylin Thacker is executed for the murder of her husband. Her son, Vincent Edmonds returns to the family home in sadness as he prepares for an election as attorney general. As his son is hit by a car outside, he discovers a secret hiding place under the floorboards containing the Golden Turd. Ignoring everything else in his life, he calls Wyatt Borden, a wealthy chemical dumper that pledges to help him and even make him president one day.

As the political primary takes place in "Father's Daze", Vincent, now going by his family name of Thacker, continues his obsession with the Golden Turd until his campaign manager confronts him over his behavior. Spying the gem, they tussle and Vincent is killed. But just as the campaign manager lifts it in victory, two secret service agents enter. He lurches at them, but they fire multiple rounds and he is killed, as the Golden Turd slips from his hand and rolls under a chair. It is found by a cleaning woman who bundles it up and takes it to the Vatican where she presents it to The Pope. He presents it before a board of religious leaders who ponder how to return it to its rightful place, as the camera pans in on a stone tablet of Roger astride an Egyptian pyramid.

The Golden Turd returns in "300" when the religious leaders plan a way to get rid of the Golden Turd by returning it to its source. However, they too fall under its spell and kill each other. The 'Knights Turdlar', protectors of the turd, observe a delivery girl is immune to its spell and charge her with delivering it to Roger, and shoves it up his anus. This results in Roger falling into 300 pieces, turning the world into a utopia. When Roger's mouth is delivered to the Smith's house and tells of the situation, they set on a worldwide mission to find all his missing pieces and put him back together. They find the last piece is at the Family Feud game, so the Smiths must play to win the butthole. Roger wins and inserts it and the Golden Turd falls out, and Steve Harvey steals it until Stan knocks him out and takes it away, claiming intent to destroy it. Twenty years later, it has been revealed the Smiths have been separated as their only goal was to keep the Golden Turd for themselves. However, their fighting results in all of their deaths, and Roger and Klaus find the Golden Turd. Roger is able to see the moment he pooped out the Turd and proceeds to tell his past self to hide it, so no one can get it. With past Roger still keeping the Turd along with Steve, sets out on a road trip to Boca Raton. In the epilogue, a boy tries desperately to win the turd in an arcade crane game, until his mother pulls him away, but not without a look of avarice as they walk.

---

When we were finished reading we were all shocked, horrified and beyond disbelief!

Laney: That is absolutely crazy!

Skids: Funny. Eiji told Will and the others about how the desires of some people are selfish. And sure enough, we're learning about the Golden Turd, which was owned by people with selfish desires.

Me: Because of the spell it cast onto them.

Nico: I wonder why it hasn't affected us?

Me: Because of our powers. They are protecting us from it.

Nico: Good. But we got to make sure it doesn't get into the hands of anyone else. Greed is a nasty and deadly force.

Eli: Yeah. Lets put it in our vault for safety.

Me: Good idea.

Rage Mage: Funny how the Golden Turd story relates to Will's mission today.

Bombshell (Skylanders): (British Accent) Jolly good perfect timing on that one.

Me: No kidding.

Nico: Where did you find it J.D.?

Me: It's a funny story. I was out on a jog and I heard loud crying coming from an alley and I saw a homeless man crying his eyes out and he had the Golden Turd in his hands and he was yelling about how it made him kill his best friend. He was so racked with guilt and remorse over it. I went over to him and then I saw him pull out and gun and then I knew he was going to kill himself and I snatched the gun away and told him to seek help and I took the turd back to the estate. And the rest is history.

Nico: Wow!

I put the Golden Turd in a compartment in the vault and the compartment had a special anti-greed spell around it and the compartment said "DO NOT OPEN EVER!"

Nico: There.

Me: Now lets get ready.

Nico: Right. Pinkie Pie's big mission starts now.

Pinkie Pie: WOOHOO! This is gonna be amazing!

Then BlackWarGreymon, Machinedramon, SkullMeramon, Puppetmon, Thundermon, MetalSeadramon, Seadramon, Mercurymon, Grumblemon and Duskmon appeared.

BlackWarGreymon: Can me, Machinedramon, SkullMeramon, Puppetmon, Thundermon, MetalSeadramon, Seadramon, Mercurymon, Grumblemon and Duskmon go with you guys this time?

Nico: Yes you all can. This is gonna be so awesome.

Laney: It sure is.

Me: We owe Rango big time for helping us out last week in the Live Action Transformers Universe.

Lana: We sure do.

Lincoln: You said it.

Metal Man: Nico, which gene slammer do you think you'll meet next rescue?

Nico: This one might sound interesting. I'm hoping to meet one for a Smurf.

Me: Cool!

Laney: A Smurf Gene-Slammer? Wow!

Arrietty: That will be interesting to see.

Eli: It sure will. So it'll be someone as small as the Smurfs going next. Like Arrietty, Thumbelina, Wasp or anyone their size.

Nico: Yep. Anyway lets head out.

Me: First…

I spun around and I donned my Clint Eastwood Cowboy outfit.

THE GOOD THE BAD AND THE UGLY THEME PLAYS

Me: (Cowboy talk) Time for us to hogtie a rogue turtle pardners.

Applejack: YEEHAW! This is gonna be great!

Pinkie Pie: OOH! This is gonna be great!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, along with an army of energy signals, and he saw who the figure was in the vision: it was none other than the twisted version of Nala, and she's here to cause havoc. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and none of us are going to like it one bit: the dark energy signal I sensed belongs to the twisted version of Nala, and she's here to cause havoc.

We gasped in shock.

Nico: So, another Twisted Princess has shown up, and it's the twisted version of Nala. Oh, this isn't good.

Me: You said it, Nico.

Nala: What happened to her to make her like this?

Simba: I was just wondering the same thing myself.

Helena Knudson-Nicos: Trust me, you guys aren't going to like it one bit, and there's only one person to blame for this one: Scar.

Helena Knudson-Nicos proceeded to tell us about Twisted Nala, and as expected, we're not going to like it one bit.

Story: Upon returning to Pride Rock, Simba confronts Scar in order to regain his kingdom. The fight between Scar and Simba takes a turn for the worse. Nala notices that Simba is in trouble and leaves the hyenas to the other lionesses. She rushes to the top of Pride Rock just in time to see Scar land the finishing blow to Simba. In a fit of rage, Nala attacks Scar viciously, ultimately throwing him off the edge of Pride Rock, avenging Simba's death. However, the hyenas have overwhelmed the other lionesses, leaving Nala as the only surviving lion in the Pride Lands. The hyenas see their chance to finally rid the land of the lions once and for all and begin to pursue Nala without hesitation. With the help of Timon and Pumbaa, the injured Nala makes her escape. The three of them continue to fight the hyenas at every chance they get in order to win back the Pride Lands while preserving the beliefs of Mufasa and Simba.

When Helena Knudson-Nicos was finished, we were horrified.

Nico: My God, so it was because of Scar killing Simba, it drove Nala into a fit of rage and she avenged Simba's death.

Me: But, the hyenas of that world killed all of the other lionesses, and Nala was forever twisted and driven by revenge, despite that she wants to preserve the beliefs of Mufasa and Simba.

Nala: Lincoln, is there a way to save her?

Lincoln sensed Twisted Nala's energy, but all he could find is nothing but rage, sorrow, and anger, all the love Twisted Nala once had was all gone when her world's Scar killed Simba.

Lincoln: No, Nala, all I could find in Twisted Nala is nothing but rage, sorrow, and anger. All the love she once had in her heart is all gone when her world's Scar killed Simba.

Nico: So, that means…?

Lincoln: Yes, Nico, I'm afraid this is one Twisted Princess who has to die, and we need to keep Shenzi, Banzai, and Ed safe from Twisted Nala.

Me: Lincoln's right, she'll go after them thinking they're the hyenas from her world.

Nico: And without a single thought, she'll kill them.

TLPS Mr. Wolf: So, we got to put a stop to Twisted Nala, right after we put a stop to Tortoise John and end him for good.

Lincoln: Yeah, let's hogtie that ornery tortoise and run him out of town on a rail.

We were off to Dirt, Nevada.

---

## DIRT, NEVADA

---

We arrived in the town of Dirt, Nevada.

Live Action Jetfire: When I suggested Earth be named Dirt, I didn't mean it like this.

Puppetmon: Funny how thing turn out, huh?

Nico: It sure is. But wow the people of Dirt are doing really well.

Varie: Much better than some of the people in Green River, Utah.

Fieval: Yeah no kidding.

Me: I have a feeling our hombre Rango is close.

Nico: J.D. you got to lay off the Cowboy movies.

Me: 1,000 pardons pardner.

Stickybeard: I hope me candy doesn't get melted in this heat.

Nico: Don't worry it won't.

Then we saw a lizard stealing water.

Nico: Looks like a water thief.

Me: I got this nasty varmint!

I formed a lasso and I swung it and threw it and tied the lizard up!

Applejack: YEEHAW! Way to hogtie that varmint!

Rango came.

Rango: Nice job pardners.

Me: Howdy Rango!

Nico: Howdy Rango. Awesome seeing you again.

Thundermon: We want to thank you for taking Dylan Gould down last week.

Rango: It was my pleasure pardners.

Me: Mighty fine shooting there pardner.

Pinkie Pie: Yeah it was great!

Nico: Yeah it was great.

Sam Witwicky: I honestly expected you to kill him. Especially after what he did to Carly.

Rango: He was just a sad little man who wanted to follow his daddy's footsteps in selling out the human race. He wasn't worth killing.

Dirge: You're right about that.

Nico: Very well said.

Me: Now he is locked up in the stellar lonesome till he is buried up on Dead Man's Bluff.

Nico: (Snickers) Stellar Lonesome until dead on Dead Man's Bluff. I like that.

Me: (Clears throat) It was my way of saying locked up in the

Neptune Prison till the day he dies.

Nico: That does make sense but it fits perfectly.

Eli: It sure does.

Rango: I like that.

Poromon got out a beer bottle.

Rango: Oh, don't tell me that's-

Poromon: One bottle of beer!

Seadramon: (laughs) You sure like your beer, Poromon!

Poromon: Yes I do.

Nico: Yeah.

Poromon: Want one J.D.?

Me: No thanks Poromon. Brought my own.

I pulled out a bottle of root beer and I popped the bottle cap and drank it.

Me: Ahh.

Gluko: Is there a bar here?

Rango: Right this way.

We followed Rango and we went to a saloon.

Nico: Nice Saloon.

Eli: Very nice.

Bartender: Well howdy Sheriff Rango and Team Loud Phoenix Storm. Honor to have y'all here in these parts.

Nico: Thank you kindly.

Bartender: What's your pleasure.

Nico: Your finest Sarsaparilla and Root Beer please.

Bartender: Y'all got it.

SkullMeramon: I can see why water is considered money here.

Nico: Yep.

Me: Y'all have prospered a lot.

Rango: Yes we have.

We got the Sarsaparilla and Root Beer and drank the soda.

Blade Man: Rango, after this mission, there are a lot of cowboy movies that you'lll like.

Rango: Such as?

Blade Man: The Searchers.

Nico: The Good The Bad And The Ugly, For a Few Dollars More, A Fistful of Dollars, many more.

Eli: Yeah. It sure will be awesome.

Man: (Drunk) Hey you freaks get out!

He threw a bottle at me and then I caught it.

Me: Better watch who y'all are throwing at hombre.

I threw it back at him and it smashed into his face and knocked him down.

Nico: Nice throw.

But then the entire saloon minus us erupted into a massive Old West style fight. Just like in the movies.

One man tried to punch Machinedramon only to hurt his hand.

CLANG! OUCH!

Machinedramon: (laughs) Congratulations. You managed to punch a robot Digimon!

The man got dogpiled on by another man.

Nico: These guys are not very smart when they are drunk.

Bartender: Yeah but it's funny for a laugh.

Rango: It sure is.

I was punching a bunch of men as I was drinking Sarsaparilla.

Magnet Man used his magnets on some guns of a few men shooting at him.

The guns flew over to him and they stuck to him.

Eli fired blasts of Force Lightning and electrocuted them men and knocked him down.

Nico: Boy serves those jerks right.

Me: Y'all said it pardner.

Then one guy pulled a gun out at me and then…

BANG!

I fired with lightning fast speed like how Clint Eastwood did it and knocked the gun out of his hand.

Nico: Nice shot.

I fired more shots and one hit a light fixture and it smashed onto a man's head and knocked him out.

Moe Howard: (Laughs) Now there's something that brings back memories.

Laney: That was funny

Nico: That always cracks me up.

BANG!

I fired another shot and it hit a man with a knife behind Nico and killed him.

Nico: Thanks man.

Me: (Tips hat)

Grumblemon: Who else wants some?!

Nico: YEAH!

The men in the Saloon all ran like cowards.

Me: Stupid cowards. (Blows smoke from gun, spins and holsters it)

Nico: Yeah.

Brawlrus: You think Tortoise John hired them?

Nico: I have a feeling he did.

Eli: Yes he did. The Force is telling me that he did.

Applejack: Why that two timing sidewinder!

Moe Howard: Yeah it would be great if he croaked right now!

Larry Fine: Like you Moe.

Moe Howard: Yeah. (Realizes) Why you…

POW!

Moe hit Larry in the face.

Moe Howard: Why don't you shut up!

Larry Fine: Didn't you make a mistake!?

Moe Howard: Yeah I hit the wrong eye.

POW!

He hit him again in the other eye!

We laughed.

Nico: Next time he should get his eyes poked out.

Moe Howard: Good idea.

POINK!

Larry got poked in his eyes!

Nico: Well now that we got the Saloon fight out of our system, Rango how would you like to see a demonstration of our power in our usual battles?

Rango: I would be honored.

Laney: Awesome.

Lana: This will be awesome for you to watch.

MetalSeadramon: Let's finish out drinks first.

Nico: Good idea.

We drank our drinks and then belched!

Me: Pardon.

Nico: That was good.

Eli: Now that was good drinkin.

Poromon: Yep.

Nico: Now we can get started.

Then Mumbo Jumbo, Fixer, Electrocutioner, Knightbrace, Robo

Blaze, Dr. Light, Skulker, Vortex, Gentleman Ghost and Johnny 13 appeared.

Nico: Mumbo Jumbo, Fixer, Electrocutioner, Knightbrace, Robo Blaze, Dr. Light, Skulker, Vortex, Gentleman Ghost and Johnny 13.

Me: Howdy y'all. What are good people like you doing in these here parts?

Electrocutioner: You talked like that in Appleoosa too.

Me: Lets not forget at Maggie's ranch too.

Laney: Yeah.

Nico: He watches way too many cowboy movies.

Mumbo: A fight already?

Maria: It was just a small bar fight. Nothing serious.

Fixer: Well, don't overdo it.

Eli: It was like one of those fights like in the Western movies.

Nico: Yep.

Knightbrace: But I do admit that must've been funny to see.

Electrocutioner: (to Nico) So, I heard you went on a sugar rush.

Skulker: That's one way of saying it.

Nico: Yeah I sure did.

Laney: Nico's sugar rushes are nowhere near as brutal as Mac's. When he eats sugar he goes crazy!

Bloo: Yeah he sure does. It's why his mom never lets him have any.

?: Boy that makes Mac a sugar demon!

A figure came out and it was RYJACK from episodes 10 and 11 of

Ryjack is a wanted intergalactic criminal being hunted by Captain Chaku who he eventually tracks down to Earth after fleeing across seven galaxies. In desperation, Ryjack flees to the Crystal Dimension where he meets Scrozzle and Evox who are worried because their previous scheme has failed to acquire the rapidly diminishing Morph-X. His entire motive is killing powerful alien beings and taking their weapons to stockpile as trophies and wishes to know the location of a base full of weapons. Evox offers to help him but only if he kills the Beast Morphers Rangers or at least gets them the Morph-X tha they need. He is given Vargoyle's blaster (which they have somehow found and kept despite it being involved in his explosion) as a sidearm but he instead uses his reanimator to recreate Vargoyle in a golden body. However, the resurrected villain is equipped with a mind control collar that makes him a completely powerless slave to Ryjack's will. He and Vargoyle then attack a quarry and stea; a barrel of Morph-X but the Rangers arrive and they are forced to fight. He resurrects some Putty Patrollers and Vivix to fight for him and fights the Rangers. He is kicked down hard by Zoey after Ravi throws him into the air but takes them out of commission with a devastating poison blast. He then leaves with Vargoyle after the latter takes Nate and Steel's Striker Beast Blast.

At around the same time, Robo-Blaze and Robo-Roxy are resurrected by Scrozzle after being obliterated by the Striker Beast Blast whilst riding a Morph-X Tanker in the previous episode and are horrified to learn of Vargoyle's return. Ryjack demands the details of their base from Evox, but is again denied so Vargoyle is sent to destroy the remaining Rangers whilst Scrozzle deploys a Gigadrone to steal Morph-X in the hope that it will either be successful or that the divided team will allow Vargoyle to destroy the one that goes after him. The scheme fails but Ryjack remains with Evox. g TV STORY-Intruder Alert!

Using Ryjack and his foot soldiers, sometime later, Ryjack gives Evox and his army all of the Morph-X that they need to power their systems. In the meantime, Ryjack uses some Putties, Triptoids, and Vivix to break into the Ranger vault but he is ambushed by the

Rangers and Captain Chaku who obliterate his foot soldiers. He goes into combat against the six of them, overwhelming them with his sword and shield but is easily overwhelmed when Chaku brings out his Laser Blade. The Rangers then summon their Beast-X Sabers to form the Beast-X Cannons whilst Chaku charges up his weapon. They triy to destroy Ryjack with a combination of the Enforcer Strike and Beast-X Cannon Blast but he survives and manages to escape.

Back in the Crystal Dimension, Evox suggests bringing his arsenal to Earth in order to use against the Rangers but it is hidden in his spaceship (much to Robo-Blaze and Robo-Roxy's delight). Evox still tries to convince him but he refuses, claiming that he will "crush them like the vermin they are" and leaves. He goes to a rooftop where Chaku and the Rangers confront him and he tries to bring to life some support but Chaku knocks away his Reanimizer with an energy slash from his Laser Blade. Equipping his sword and shield, he overwhelms the Rangers until Chaku kicks his shield far away from him. Devon then grabs his arm and disarms him before cutting him down but Ryjack uses a device sourced from the remains of Andresia to make himself grow into a giant. The Rangers deploy in their Beast-X Ultrazord to confront Ryjack but are easily overwhelmed and he takes out its systems. Doing this forces the Ultrazord to completely reboot since he shorts out everything which leaves them completely exposed. Luckily, Chaku calls upon his Reptillobeast which overwhelms Ryjack with its Enforcer Inferno. During this time, the Ultrazord recovers and allows him to buck them into the air but wae ready this time and shoot him with their Ultra Beam. With the monster having now dropped his shield, they are then able to take him down with a massive drop kick. Devon then calls for his Cheetah Beast Blaster and they finish off Ryjack with the Beast-X Ultra Strike, the monster cursing them as he face-plants and exploded.

---

Devon: Ryjack!

Ryjack: Been a while rangers!

Nico: I remember you! You were hunted by Captain Chaku and you were sent by Evox to kill the Beast Morphers and take their weapons as trophies.

Ryjack: That's right. Good memory Nico.

Nico: Like J.D. I never missed an episode.

Maria: What's Captain Chaku like?

Ryjack: He's like the Power Rangers. Only with metal.

Nico: Nice.

Mumbo Jumbo: And here are your archenemies Rango and Kermit.

3 figures came out and 1 was Man Man and the other was Abner and Ewalt!

Crag: Man Man!

Ren Hoek: And the 2 farmers Abner and Ewalt!

Man Man: Well it's nice to see you all.

Me: Y'all know each other?

Crag: Yeah we found out that Man Man was putting a kid on danger as an unlicensed vigilante.

Rip: Man Man is not really evil. He's a dimwitted vigilante.

Nico: Oh and the other 2?

Ren Hoek: We worked on their farm and they were bad parents and worked us to the bones.

Nico: Yeesh.

Abner: You made fine younguns.

Nico: No they didn't.

We got the usual battles underway.

They gasped.

Princess Luna: That's incredible!

Knightbrace: It was. The kid was hailed as a hero for it. But after that incident. The government was capturing the kids that have it to dissect for research and to use as weapons. They all died in rapid succession and rumors have been flying around that one of those kids, a girl, escaped.

Moondust: And Fern is that girl! Wow!

Blackout: I had no idea you were a witness to this power!

Knightbrace: Yes. But this power is now so rare that my fellow villains and the heroes hardly ever talk about it. But that is amazing that Lincoln has the only known girl as his guardian angel.

Rango: I just want to thank you, Girl Jordan.

Girl Jordan: For what?

Rango: If you didn't snap at Nico when you guys were fighting Galcian, he wouldn't have been pushed into having those secret meetings with Bee and his team and that wouldn't have led to the creation of your Ambassador missions.

Mercurymon: And that meant you wouldn't have met Pinkie.

Rango: Exactly. (to Girl Jordan) So, thanks.

Girl Jordan: You're welcome Rango.

Nico: That snap back at me turned out to be a blessing in disguise. Wow. I'm impressed.

Girl Jordan: Nice.

Nico: To stand up to your superior officer like that takes a lot of guts.

Me: Y'all sure did well.

Lincoln: That's G.J. for you.

Nico: Okay now we can get ready.

Freon: To quote most of the Shredders: Tonight, we dine on turtle soup! (disgusted) Blech, I can't believe I said that.

Maria: At least it was for a good reason.

We laughed.

Eli: That is funny.

Me: (Clears Throat) I'll allow that line from the 1987 Shredder. But not any other Shredder.

Maria: Good. Thanks J.D.

Me: Anytime.

Duskmon: Where's Tortoise Join right now?

Eli: Lets see.

Eli concentrated and used the Force and he found him in an abandoned mine pit 20 miles Southwest.

Eli: He's that way. 20 miles southwest of here.

Rango: That's Devil's Gulch Mine. It was a gold mine a long time ago.

Nico: Fitting for him.

Me: Yes it is.

Nico: Get ready Tortoise Bill, (Eyes Glow Red) There's a bunch of new sheriffs in town and we're going to eat you for dinner! Everyone TONIGHT WE DINE ON TURTLE SOUP!

Everyone: (300 SPARTAN GRUNTS)

We were off!

We arrived at Devil's Gulch Mine.

Nico: This is it?

Rango: Yep.

But then we saw a gila monster and it was BAD BILL!

Rango: Bad Bill. I knew Tortoise John would hire you to slow us down.

Bad Bill: Oh, I won't just slow you down, "Sheriff". I'm gonna have you shot so bad you won't be able to walk!

Nico: Bite my shiny fucking metal ass!

Bender: HEY! That's my line!

?: Beyblade, let em rip!

Me: I know that battle cry anywhere!

Tahu: Me too!

Beyblades spun and smashed Bad Bill all over and then out came Tyson and friends.

Tyson: Looks like we got here just in time!

Me: Tyson, Hilary, guys, awesome to see you all here.

Hilary: Same here. We'll hold this guy off while you face Tortoise John.

Me: Thank y'all kindly.

Tahu: Let me help you guys!

Tyson: Thanks Tahu.

We went into the mine.

INSTIGATOR appeared.

Maria: Thanks for coming, INSTIGATOR.

INSTIGATOR: No problem Maria. No one makes turtles everywhere look bad and gets away with it.

We went into the mine.

In the mine, INSTIGATOR went up to TORTOISE JOHN!

Tortoise John: You must be INSTIGATOR

INSTIGATOR: That's me.

Tortoise John: We shouldn't be fighting, you know. If my plan works, the Old West and Dirt is gonna be nothing more then a memory. But you? If you join me right now, you'll be spared from that fate.

INSTIGATOR: Here's what I think of that. Bite my shiny metal ass!

Then the spirits of all 1,400+ Digimon appeared and swirled around Tortoise John and then then converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard and then we came out.

Nico: Tortoise John, your time has come!

Me: You're going to be our dinner!

Tortoise John: My offer to INSTIGATOR applies to you an your friends as well, Sheriff. We may have had a rough tstart before. But if you and your friends join me, we can forget the Old West and Dirt and start fresh. What do you say?

Rango thought about it for a moment.

Rango: (points gun at Tortoise John) Here's what I think of your offer.

Stewie: Whoever we're facing with the Zenkaigers will probably have a more tempting offer than that!

Nico: Stewie don't encourage them.

Laney: Yeah!

Tortoise John: (sighs) Can't say I didn't try to be nice. Moogers, if you would?

An army of Moogers appeared.

Me: Moogers! Awesome!

Nico: Nice!

I fired a wave of lightning and obliterated many of the Moogers. But then the Moogers jumped Rango and friends.

Rango and his friends lay defeated at the hands of the Moogers.

Tortoise John: (chuckles evilly) Should've just accepted my offer, Sheriff. But now, you and your friends will just have to die out with the rest of the Old West.

Randy: (slashes a Mooger) Any idea on what we should do?

Pinkie then got an idea.

Pinkie: Everyone in the audience! Lend Rango and his friends your strength! They get stronger with your support! When I give the signal, share your energy with Rango and his friends! Okay? Ready… go!

Everyone in the audience began sharing their energy with Rango and his friemds. And soon, Rango found the strength to get up.

Rango: Sorry, "Mayor". But I don't go down that easily.

BANG!

Rango then shot a Mooger about to attack him as it fell to the ground dead.

Nico: Take that!

Rango: Thanks for the help, everyone.

Bangs: Good thing Beans stayed behind in the town, huh?

Priscilla: Don't want her to get hurt.

Rattlesnake Jake: Kinda weird being cheered on like this.

Theodore Grank: You'll get used to it.

Doc Kenny: Besides, it's not over yet.

Nico: Nope. Look what J.D. is doing.

(THE GOOD THE BAD AND THE UGLY THEME PLAYS)

Nico: This is gonna be good.

I looked like Clint Eastwood in an awesome showdown.

Tortoise John was looking at me.

Then…

BANG! BANG!

I pulled out my gun and fired and it hit him in his legs.

BAD BILL - THE UGLY!

TORTOISE JOHN - THE BAD!

J.D. KNUDSON - THE GOOD!

Nala: (Gasps) So, that's…?

Nico: Yes, it is.

Lincoln: I understand that you hated Scar for what he did to Mufasa and Simba in your world, Twisted Nala, but you crossed the line when you gave into hatred and rage, despite you had your intentions of preserving the beliefs of your world's Simba and Mufasa.

Twisted Nala: I will destroy all of you!

Then, she threw a confetti bomb at Twisted Nala, and it exploded covering her in confetti and blinding her, and Pinkie Pie kicked her and she hit back first into a wall.

Nico: Wow, Pinkie's transformed into her Super Angel-Alicorn Infinity form.

Me: You said it, Nico, this is going to be one awesome fight.

Lincoln: Wow, Pinkie, you look beautiful. How do you feel?

Pinkie Pie: (Divine Echoing Cosmic Voice of The Hilarious Alicorn and Divine Tech Love) **I feel incredible, Linky. Now then, shall we deliver our punishment on this party-pooping dark lioness?**

Lincoln: (Smiles) With pleasure, my Alicorn Princess of Tech Laughter.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Pinkie Pie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Sorry, Twisted Nala, but you must be stopped here and now.**

Lincoln and Pinkie Pie went after Twisted Nala, who tried to attack them with her claws, but they dodge her claws, and Lincoln and Pinkie Pie powerful blasts of rainbow energy, pink energy, gears, confetti bombs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, stars, rainbow flames, rainbow crystals, Thunderbirds, Buffalo, Phoenixes, Angels, and Alicorns and they exploded with incredible power as they hit Twisted Nala. Then, Lincoln and Pinkie Pie attacked Twisted Nala with their massive swords and they left scars on her, and they weren't healing.

Twisted Nala roared in rage and fury and tried to attack again, but Pinkie Pie threw three confetti bombs, but these had a surprise: they fired chains to chain Twisted Nala up. Then, Lincoln and Pinkie Pie used their new Talisman Cards from the treasure battle long ago, and with their massive swords, they fired blasts of rainbow and pink energy with elemental forces, and they hit Twisted Nala and they exploded with incredible power and killed Twisted Nala. But, then, we saw something appear: it was the spirit of Twisted Nala, but it was completely purified, and she had tears of despair on her face. Lincoln and Pinkie Pie holstered their massive swords on their backs and power down, and Pinkie Pie's new body, clothes, weapons, jewelry, and massive pink angel wings are permanent.

Nala 2: I'm sorry for what I did. I was…

Lincoln: We know. It was because of what your world's version of Scar did to Simba, and when you saw what happened, it left a permanent wound in your heart, and the darkness corrupted you.

Pinkie Pie: And because of it, you crossed a line from which there's no return.

Then, Lincoln and Pinkie Pie went up to Nala 2's spirit, and they hugged her.

Lincoln: But, for what happened, we forgive you.

Those words of forgiveness reached Nala 2's heart, as she finally broke down and cried, as she cried into the arms of Lincoln and Pinkie Pie. The scene really hurt our hearts and we had tears in our eyes.

Me: Scar, you really crossed one line too many.

Nico: And because of what you did, you destroyed the Pridelands, and left Nala 2 suffering from both a wounded and broken heart and rage and despair.

Suddenly, Nala 2 saw a bright light, and she saw her world's Simba appear before her, along with all those that fell victim to her world's version of Scar, and they want her to join them in Heaven. Nala 2 was feeling apprehensive, but Lincoln and Pinkie Pie were still with her, and Lincoln had a warm smile on his face.

Lincoln: It's okay. There's no need to cry anymore, and I promise you: we will fix the damage that your world's Scar did to your world, and maybe one day, we'll meet again.

Those comforting words got to Nala 2, as she went to her world's Simba, and they were reunited and they went to Heaven, but before that happened, Nala 2 said her last few words.

Nala 2: Thank you.

The lights disappear, along with the spirits of those who fell victim to Twisted Nala's version of Scar.

Pinkie Pie: Rest in peace, Nala 2, and we promise, we'll fix the damage your world's Scar did to your world. Thanks for helping me with this, Linky.

Lincoln: (Smiles Warmly) You're welcome, Pinkie Pie.

Suddenly, Pinkie Pie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Pinkie Pie's face, they kissed passionately as Pinkie Pie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Alicorn flying in the air, and we also saw a herd of Buffalo and animals running across the field, along with being surrounded by falling confetti and balloons floating in the air and gears turning, and the display of the elemental forces behind them, and we cheered for them.

Lincoln: And I did make my promise: one day, we're going to fix the damage that was done to Nala 2's world.

Nico: And one day, they'll return to live in peace.

Lincoln: That's right, and it's a promise that I will fulfill, Nico.

Pinkie Pie: A promise that our man will definitely fulfill, and I knew in his eyes, that was a Pinkie Promise he made. I didn't need to hear the words to know it from anywhere.

Me: That's right.

Simba: And I hope you don't mind us coming with you for this one, Lincoln?

Lincoln: Not at all, Simba.

Shenzi: I'm looking forward to reprimanding my counterpart.

Banzai: Same with mine.

Ed babbles and we knew he's going to reprimand his counterpart, as well.

Timon: And I've got a feeling we'll run into the Twisted versions of me and Pumbaa, so this is going to get really messy. But, we'll be ready for them.

Lincoln: I've got a plan for them, but you'll have to wait and see, Timon.

Timon: In the words of you and your family, Lincoln, Dang it.

We shared a laugh.

Nico: This was awesome though. But great job today everyone. Tortoise John is gonna be awesome dinner for us.

Laney: He sure will be awesome.

Rango: (To the viewers) This was an amazing adventure for us folks. Just remember that if you go to a good town like Dirt, be careful with who you meet.

Nico: Amen to that. Lets go home everyone.

We later had Dirt beamed to Gotham Royal York and we used the gold from the mine to make the town bigger. We had awesome turtle soup and Tortoise John was awesome and tasty. Later we went to sleep after having an awesome adventure.

THE END

---

Another awesome fanfic done.

Rango from 2011 was a really awesome movie and Johnny Depp did a great job in that movie back then. It was really funny too! I loved how Rango went from common pet Chameleon to a sheriff to a destitute town like Dirt in Nevada. It was really awesome. The first 2 parts of the chapter were for planets made of chocolate and vanilla pudding and Nico as you all saw has an incredible sweet tooth. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Noah Carver, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily head over to another awesome and amazing food planet. We're going to a planet made entirely out of

Gushers Fruit Snacks and some of us are going to try out turning into fruits. We're also going to meet an awesome Smurf Gene-slammer named Callie Ginger Lorenzo. She is from Nico's gardening friend and she knows so much about gardening, flowers and everything. She even has awesome plant powers. Lincoln's next rescue is gonna be where we go to the world of The Lion King that was ravaged by Twisted Nala and we're going to cleanse that world of all the things that Twisted Nala did. We're also going to meet a Guardian Elma Gene-slammer named Serena Elma and she is a really powerful master of nature and has the abilities to control plants, butterflies, flowers, trees and all things in nature and she has wings made of pure flowers and she is a really awesome guardian angel for Lincoln. She is amazingly powerful too. Also she took on Luan during some of the pranks she did in April Fools. Also she is going to reveal how she sent Leni Loud's driving teacher Marybeth Oliver to the nuthouse after she lost her mind from Leni getting her in trouble. Tomorrow is Mothers Day everyone and for the awesome chapter where we give appreciation to our moms we are going to have a great humiliation on Icky Vicky, Amy, Scoots, Lewis Travolta, Billy McLean and Flip. See you all tomorrow and get ready for a funny laugh.

See you all tomorrow!

# MOTHERS DAY HUMILIATION

HAPPY MOTHERS DAY 2022 EVERYONE!

In the early morning hours at 2:53 AM, Lincoln had a dream, and he saw two figures who was hiding out and living in the streets of Miama, Florida. But, they were no ordinary two figures, their were Nyx Midnight, the daughter of Lincoln's future wife, Twilight Sparkle. And Gilbert-Iago the Gargoyle, The Hot-Headed Gargoyle. Lincoln woke up from the dream, but he wasn't the only one, Twilight Sparkle, Thunder Sparkle, Phyllis the Florauna, Lori Loud, Nico, and I also had the same dream.

Lincoln: Twilight Sparkle, Thunder Sparkle, Phyllis, Lori, J.D., Nico, did you guys have that same dream as me?

Lori: We sure did, bro.

Twilight Sparkle: And it also means that we found out where our daughter is at.

Thunder Sparkle: Along with a Hot-Headed Gargoyle.

Phyllis: But the question is, Where?

Me: they're at Miami, Florida.

Nico: Oh no, that's not good. Out on the streets in Miami, Florida, is not a safe place for them.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate. Nyx Midnight is my daughter now, and I'm not letting kids like her suffer life on the streets. They needs to be home again in the arms of her mother and her new father.

Lori: You got that right, bro.

Lincoln, Lori Loud, Twilight Sparkle, Me, and Nico were heading to

Miami, Florida. Then, Lincoln saw a 10-years-old black little girl who has dark purple hair with cyan handband, cyan dragon-like eyes, round glasses over her her, and alicorn wings on her back. She wears a purple T-shirt, a short sleeveless dark purple jacket, a navy skirt with a dark blue shield and crescent moon on it, and a pair of knee high sock and black mary jane flats. And a dark purple-colored gargoyle. He has a mane of wild white hair, an enormous beak, two long horns, and pterodactyl-like wings. He wears a long black coat with three dark purple buttons and pockets, a black belt with a rectangular belt buckle, and a dark purple cape that covers his shoulders and is held closed at the neck. He also wears black boots and black gloves. Lincoln saw who they was, it was Nyx Midnight and Gilbert-Iago the Gargoyle.

Lincoln: Excuse me, are you Nyx Midnight?

Nyx Midnight: Yes, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Twilight Sparkle came out, and when Nyx Midnight saw her, She were stunned.

Nyx Midnight: Mommy, is that you?

Twilight Sparkle: Yes, sweetie, it's me.

Nyx Midnight ran up to Twilight Sparkle, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with Thunder Sparkle, Phyllis the Florauna, me, Nico, and Lori.

Lincoln: And there's something you should know, Twilight Sparkle, your mother is one of my many future wives.

Nyx Midnight: That means… you're my daddy.

Lincoln smiled, and that filled Nyx Midnight with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes. and Gilbert-Iago the Gargoyle join the hug as well, despite his hot-headed attitude.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Nyx Midnight to the rest of his siblings, who are now her aunts. We were proud of what Lincoln did in reuniting Twilight Sparkle with her daughter, and she now has a loving, strong, brave, and caring father in her life.

Later it was time for Nico's rescue. Flying through space yet again was Nico, Noah Carver, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and it was gonna be a really awesome rescue this time.

Nico: I hope the next rescue is gonna be on a planet of sweets like the chocolate planet and the Vanilla Pudding Planet.

Me: Those were 2 of the most awesome planets ever.

Laney: (Drools) And some of the most delicious.

Eli: Boy they sure were.

Arrietty: I'm honored to go with you guys on a rescue too.

Eli: It's gonna be awesome having you with us Arrietty.

Me: Like in my rescues before.

Camie: Those rescues were really cool.

Nico: They sure were and they were fun.

Noah Carver: Boy I'll say.

Nico: Thanks for coming with me, Noah.

Noah Carver: No problem Nico and this is gonna be so awesome going with you on an awesome rescue.

Momo: Next time we should bring Toru with us. She will love the rescues.

Me: That's a great idea Momo.

Noah Carver: I think we're here.

We arrived at the next planet and it was a rainbow colored one.

Me: Wow! This one is pretty.

Sirius: From space it looks like it's a world of flowers.

Nico: Noah, I have a feeling that your team, both Regular and Super, will be playing a big part in the next two special missions.

Noah Carver: Well J.D. has been keeping track of which footsoldiers are coming. And like in the usual battles, the next footsoldiers will be the ones that the Megaforce Rangers faced.

Me: That's gonna be the Loogies.

Laney: That's right and this will be really awesome.

Arrietty: It sure will be awesome.

Nico: Yep. Beyblade for Megaforce and Zenkaigers for Super Megaforce.

Eli: Really awesome too. And it's really fitting as well. Zenkaigers celebrates 45+ Years of Sentai Teams.

Lana: That's true.

Noah: The Zenkaigers are gonna be an awesome addition after May 21.

Nico: You got that right.

Me: It was so awesome to meet them during Zarya's Ambassador Missions. And it was really awesome facing Daikon Radish World on April 22nd for Earth Day.

Nico: That was really cool!

Laney: Yeah first Zenkaiger Monster of many.

Lola: That was so awesome.

Me: The funniest one I remember was High Noon World and that one made the Zenkaigers stay up way passed their bedtime.

We laughed at that.

Nico: Yeah it was like 4:00 AM when they destroyed it.

Laney: Wow! No kidding!

We laughed some more.

Sirius: Boy I would never stay up that late.

Camie: Me neither.

Me: Yeah we had to learn all that the hard way too.

Nico: Well lets head down to the planet.

We went down to the planet and we landed in a beautiful forest. But it wasn't an ordinary forest. It was a forest where EVERYTHING was made of Gushers fruit snacks! Everything on the whole planet was made of Gushers!

Me: Oh wow!

Eli: A planet made entirely out of Gushers Fruit Snacks! Wow!

Twilight Sparkle: This is amazing!

Lana: Wow! It's like having our heads turned into fruits all over again.

May: Wow! This is awesome.

Maria: Noah, don't you want to eat Gushers with us?

Noah Carver: Sorry. But I have to be prepared to go Super Mega just in case a villain shows up.

Nico: That's all right.

Twilight Sparkle: What did Lana mean by having our heads turn into fruits all over again?

Me: Well this is a funny thing we discovered. We saw these really funny commercials on TV where kids would eat Gushers fruit snacks and they would turn their heads into fruit and it was really awesome.

Lincoln: Yeah we had many of us do that and it was really cool.

Me: Yep. Watch this.

I picked a blue gusher and ate it and I laughed hysterically as my head turned into a blue raspberry!

Rarity: Oh that is really funny darlings!

Pinkie Pie: That is amazing!

Me: Yep and after 10 minutes pass we revert back. But it leaves behind a very fruity aftertaste.

Nico: It's true.

Maria: (sighs) I can't believe I'm saying this. But… I'll try one.

Nico: Go for it.

Me: Also girls it doesn't hurt at all. It tickles.

May: It's true. Jen, Tara and many of us got a good laugh out of all of it.

Maria: Well if you put it that way May.

Maria tried a purple one and then she laughed as her head turned into a bunch of grapes!

Nico: Oh wow!

Twilight Sparkle: Your head is grapes!

Maria: Cool!

Twilight Sparkle tried a red one and she laughed and her head turned into Strawberry!

Nico: Boy the Gaim Kamen Riders would really love this planet!

Eli: They sure would Nico.

Arrietty: I think it would be awesome for them.

Me: Man Nico I can't remember the last time we did something like this.

Nico: I know it sure has been a while.

May: Time to try a Gusher once again.

May tried a green one and she laughed hysterically and her head turned into a cherry!

Sunset Shimmer: Wow! Your head turned into a Cherry.

May: Nice!

Applejack: Ah why not I'll try one.

She picked a yellow one and Applejack laughed hysterically and her head turned into a wouldn't you know it? A Red Apple.

Nico: Now that is cool!

Me: It sure is. Applejack had her head turned into an apple!

Apple Bloom: That is amazing sis!

Nico: Yeah!

Maria: That's actually to be expected.

Applejack: (Laughs) I think it's cool to have my head be an apple.

Pinkie Pie: Yeah! (Eats a pink one)

Pinkie Pie laughed hysterically and her head turned into a big whole watermelon!

Pinkie Pie: Wow!

She fell to the ground with a thud!

Nico: Whoa! Pinkie your head turned into a heavy watermelon.

Pinkie Pie: (LAUGHS) This is amazing!

Fluttershy tried one and then laughed hysterically and her head turned into a banana!

Nico: This is turning into a FRUITY Rescue! (LAUGHS) That was a good one.

Maria: (laughs) Luan would be proud!

Nico: Yes she would. I think this is one of the planets where we don't face a villain.

Me: It feels like it.

Then we heard a voice.

?: GNAP GNAP GNAP GNAP!

We looked down and we saw A PURPLE SMURF!

---

A Purple Smurf is basically a Smurf who has been infected with the "purple disease" by either a purple fly or by another Purple Smurf, usually by biting him or her in the tail. A Purple Smurf usually hops around with gritted teeth, making "gnap gnap gnap" noises, and searching for his or her next victim. A Purple Smurf can be cured by inhaling the pollen of a tuberose blossom, causing him or her to sneeze and restoring him or her back to normal.

The Purple Smurfs made their first appearance in "The Purple Smurfs". They are based on the original comic books' Black Smurfs, who first appeared in the comic book story "The Black Smurfs". It is probably due to the nature of the characters that they were made purple for the racially cautious English-speaking audience, both for the cartoon show episode and for the English translation of the original story.

The comic book story "The Egg And The Smurfs" suggests that Grouchy's behavior has come from being the first Smurf turned into a Black Smurf and somehow some of its effects stuck with him when he was cured. This explanation does not appear in the 1981 cartoon show since "The Purple Smurfs" took place after "The Smurfette" in its history. However, the explanation does appear in the 2021 cartoon show episode "Unsmurfable Smile" as canon in that universe. In the story book version of "The Black Smurfs", Lazy Smurf is identified as the first Smurf infected with the disease.

A second appearance was later in a one-page gag where Jokey Smurf painted himself black and went around the village in full black smurf fashion causing panic with the others who believed that a second epidemic was about to break out. The joke however was on him as Handy Smurf started asking around who had taken his black paint, remarking that the paint will never come off. In the version that appears in the "Romeo And Smurfette" comic book, the black paint was changed to green, and in the Papercutz version that appears in "The Return Of The Smurfette" it was changed to purple.

The Black Smurf also appears in the 1994 The Smurfs video game released for multiple game systems, while the Purple Smurf version appears in the fan-created Flash game Day Of The Purple Smurf, which was created as an unofficial sequel to Smurf: Rescue In Gargamel's Castle, as well as in the Smurfs' Village game app.

Me: A purple Smurf!?

Eli: Whoa! Papa Smurf told me and Arrietty about them. They are Smurfs that were bitten by a purple fly.

Nico: Purple fly? That is weird.

Purple Smurf: GNAP GNAP GNAP!

Noah: I knew it. Time to go Legendary!

Nico: Go for it!

Noah: LEGENDARY RANGER MODE! LEGACY FORCE!

He turned into the Blue Zenkaiger!

Nico: YEAH!

I picked up the purple Smurf.

Purple Smurf: GNAP GNAP GNAP GNAP!

Me: You know you look awesome as purple as a grape.

We laughed at that one.

Nico: Yeah he does.

?: Don't let him bite you!

We looked around and we saw a girl Smurf with blue hair!

Laney: A blue haired Smurf? Wow!

Female Smurf: That is a dangerous Smurf when he is bitten by a purple fly.

Nico: That voice. Callie Ginger Lorenzo?

Callie Ginger: Nico wow!

She reverted back and she was a girl with blue clothes, blue hair and had the kanji for Little in the middle of her forehead.

Callie Ginger: Good thing we found this little guy.

Callie blew a gold powder onto the smurf and it was tuberose blossom pollen.

The Smurf sneezed and it was Grouchy Smurf!

Grouchy Smurf: I HATE BEING CURED!

Me: Grouchy Smurf? Wow.

Grouchy Smurf: Where am I? And why are your heads like fruits?

Me: Funny story on that.

Grouchy Smurf: And why's Vroon from the Zenkaigers here?

Noah: Oh, I'm not really him.

Grouchy Smurf: Noah? Oh right! I forgot you guys have the power to change into rangers from over the years.

Nico: Yeah.

But then we laughed hysterically and then we had our heads revert back.

Me: Whoa! That was fruity.

Nico: Yeah. See it's only temporary.

Grouchy Smurf: I Hate fruit! But that was really cool though.

Me: The fruit snacks did this.

Callie Ginger: But thank goodness that Grouchy is all right. The purple fly is a dangerous creature. I caught it in this jar.

She pulled out a jar and in it was a Purple Fly.

Nico: Good job Callie.

Noah Carver: Thank goodness.

Eli: Yeah.

Noah: What's your favorite memory of Nico?

Callie Ginger: I have a lot of them. But my skills mostly live around me and Nico's times in our Gardening classes. It's how I know so much about flowers. Me and Nico went to Borneo one time and we discovered a really amazing and rare flower. It was called the Purple Amethyst Crystal Orchid. It's a really rare daffodil that is so incredibly hard to find that is made entirely out of purple crystal and it is said to produce a very powerful and enchanting purple light rainbow when it is under the sunlight. But the flower comes around once ever 65 years.

Eli: Wow! That must be a really rare flower.

Callie Ginger: It sure is.

Nico: Yeah I remember that.

Grouchy Smurf: I hate flowers! But that was a great memory.

Laney: It sure was.

Nico: Yeah.

Nico and Callie hugged.

Nico: I really missed you.

Callie Ginger: Me too Nico. Me too. But you all looked really awesome with fruit heads.

Nico: That was really.

Callie then shoved an orange gusher into Nico's mouth and he ate it and he laughed hysterically and his head turned into a PINEAPPLE!

Nico: WHOA!

Me: You're a pineapple Nico!

Nico: What the!? Callie you sneaky girl.

Callie Ginger: Sorry Nico. I couldn't resist.

We laughed and later went back home.

---

Lincoln: Whoa, so this is the world of The Lion King ravaged by Twisted Nala and her world's version of Scar. This sure is scary.

Nico: No doubt, this place has fallen into chaos and darkness.

Me: My god. This is horrible.

Eli: How can Twisted Nala cause so much damage all because of Scar?

Lincoln: But, I still know what we're going to do here, not only am I going to rescue the five girls here, but we're also going to cleanse that world of all the things that Twisted Nala and her world's version of Scar did.

Me: That's right, big guy.

Simba: Same here, Orion.

?: HELP!

Suddenly, Lincoln heard the sound of five girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by the hyenas, and they're going to kill them, and he also saw something else fast approaching: it was the Twisted versions of Timon and Pumbaa, and they're heading for the hyenas.

Lincoln: Guys, I found the five girls, but they've been cornered by the hyenas, and they're going to kill them, and I also saw something else fast approaching: it was the Twisted versions of Timon and Pumbaa, and they're heading for the hyenas.

?: We've got to put a stop to this conflict once and for all, and restore The Pride Lands.

Suddenly, we saw a Guardian Elma Duel Monster appear before us.

Nico: Wow, that's the Duel Monster, Guardian Elma.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Serena Elma, but we'll have to talk later, we got to end this chaos once and for all.

We rushed on over, and Lincoln fired powerful rainbow energy balls at the Twisted versions of the hyenas, and Lincoln tied Twisted Timon and Twisted Pumbaa up with vines, and that allowed the five girls to get away. When the Twisted versions of the hyenas saw us, they growled in anger. But, the Twisted versions of Shenzi, Banzai, and Ed's anger turned to shock when they saw Shenzi, Banzai, and Ed of the team.

Shenzi: Scared, you three should be.

Banzai: And you should all be ashamed of yourselves, you believed in your world's Scar's twisted lies, and look at what happened. Now, it's high-time we taught all of you a lesson.

Lincoln: Yeah, let's get them.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Rita Loud, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Orion turns into his Silver Ranger form, Simba, Nala, Timon, Pumbaa, Zazu, Rafiki, and The Lion Guard unholster their Keyblades, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after the Twisted versions of the hyenas, and we fired powerful blasts of rainbow energy, colored energy, fireworks, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, stars, rainbow flames, and rainbow crystals, and they exploded with incredible power as they hit them.

Then, Lincoln tied them all up with vines, so they can't escape, and our friends from The Pride Lands kept an eye on them, along with Twisted Timon and Twisted Pumbaa. Then, we holster our weapons and power down.

Lincoln: Now, to bring life back to The Pride Lands and end the chaos. PRIDE LANDS PURIFICATION!

Lincoln fired a ball of green energy into the center of The Pride Lands, and as he clenched his large left hand, it burst open and the green lights shined on every part of The Pride Lands, and suddenly, we saw plants and grass growing once again, the trees were returning back to life and leaves then sprouted, and then, it began to rain, and it put out all of the fires started by the lightning. Then, we also saw something happen to Twisted Timon and Twisted Pumbaa, as their pale appearances then changed back to what they were before this whole nightmare, and light came back into their eyes.

We were amazed by what Lincoln just did in restoring life to The Pride Lands, and what happened to Twisted Timon and Twisted Pumbaa.

Me: Whoa.

Nico: You said it, Lincoln's new technique restored The Pride Lands and cleansed it of all the chaos that engulfed it, it's as though Twisted Scar and Twisted Nala's evil has been cleansed for good.

Lincoln: That's exactly what's happened, Nico.

Suddenly, lights from Heaven shined down, and then, we saw a miracle happen: Nala 2 along with all those who died in the chaos have all been resurrected, and we were amazed and stunned with awe.

Eli: Wow.

Lincoln: This truly is a miracle. Not only have we cleansed The Pride Lands of this chaos, but all those who died in the chaos, along with Nala 2, have been brought back, just like I said yesteday.

Nala: That's right.

Nala 2: We saw what you all did, and we can't thank you enough for what you've done to save our home.

Lincoln: You're welcome.

Simba 2: So, what'll happen to the hyenas of our world?

Shenzi: I've got just the punishment for them. S.P.D. MORPHER! JUDGEMENT MODE!

Shenzi took out a black and purple S.P.D. Morpher, and activated Judgement Mode, and when the Red "X" shined, the hyenas of Twisted Nala's world were found guilty, and then, Shenzi fired a laser from the morpher, and the hyenas of Twisted Nala's world were imprisoned in Containment Cards, and she put them in a special box, so they can't ever get out.

Lincoln: Nice one, Shenzi.

Shenzi: Thanks, Lincoln, and I got to thank Jack Landors for giving us the S.P.D. Morphers.

Eli: And now, The Pride Lands are finally at peace, and life and order has been restored.

Lincoln: That's right, Eli. (To Serena Elma) And it's so good to see you again, Serena Elma.

Serena Elma reverted back to normal, and she's a beautiful 17-year-old girl with short neck-length pink hair and a green flower in her hair, pink eyes, she's tall at 6'5" in height, she has the body of a goddess, she has the Flower Kanji tattooed on her forehead, she has massive pink wings made of pure flowers, thanks to reigning in the power of Guardian Elma, and she's dressed in a pink midriff top, purple short skirt with the dagger of Guardian Elma holstered on her right hip, pink shoes, and pink sleeveless trenchcoat with flowers, plants, trees, and butterflies on the coattails, and Guardian Elma on the back, and holstered on her back is a large Guardian Elma themed sword with a 6'10" massive, wide, double-edged pink blade, green wings for the crossguard, large pink gem embedded in the rainguard, longer black handle, and large pink gem for the pommel.

Serena Elma: You too, Lincoln, it's been a long time.

Lincoln went up to Serena Elma and they hugged, and Serena Elma's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Serena Elma: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Serena Elma, she's another of my Guardian Angels from Michigan, and she's an amazingly and powerful master of nature, and she has the abilities to control plants, butterflies, flowers, trees, and all things in nature, and as you saw, she has massive wings made of pure flowers.

We were really amazed.

Nico: That's so awesome.

Serena Elma: And I've also got some revelations to tell you guys:

one was how I took on Luan during some of her wild pranks she did on April Fools Day, and the other is how I sent Leni's driving teacher, Marybeth Oliver to the nuthouse after she lost her mind from Leni getting her in trouble.

We gasped.

Nico: We knew about many stories from Lincoln's Guardian Angels of how they took on Luan during April Fools Day, but not a revelation concerning Leni's former and insane driving teacher, Marybeth Oliver, this is something we're really going to hear.

Lincoln: Same with us.

Suddenly, a Thunderbird of Eternal Love appeared around Serena Elma's neck with pink gems on the gold thunderbolt links and pink crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklaces of Eternal Love.

Serena Elma: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Serena.

Serena Elma had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Serena Elma on the lips, and she returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Hodaka Natsumi, Yuuki Kuroiwa, Makoto Oono, Hina Tsurugi, and Sayaka Kotani from Diary of Our Days at the Breakwater.

Lincoln: Oh wow, it's Hodaka Natsumi, Yuuki Kuroiwa, Makoto Oono, Hina Tsurugi, and Sayaka Kotani.

Nico: From Diary of Our Days at the Breakwater, awesome.

Lincoln: Are you girls okay?

Hodaka Natsumi: Yeah, we're okay, thanks to you.

Then, when Hodaka Natsumi and the other four girls saw who it was that saved them from the hyenas of Twisted Nala's world, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Hodaka Natsumi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Hodaka Natsumi: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Hodaka Natsumi, Yuuki Kuroiwa, Makoto Oono, Hina Tsurugi, and Sayaka Kotani with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone about the rescue, and they were shocked when they found out that the villains we went after were the hyenas from Twisted Nala's world.

But, when Lincoln showed what we did to them, and Lincoln restoring life to The Pride Lands, which caused the resurrections of Nala 2 and all those who died in the chaos, and Shenzi imprisoning the hyenas of Twisted Nala's world in Containment Cards, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Serena Elma have a lot of catching up to do, now that she's back in town.

Then, Pinkie Pie went up to Lincoln and she hugged his waist, and she picked up her head and they kissed.

Pinkie Pie: You did it, Linky. You fulfilled your Pinkie Promise.

Applejack: She's right, Lincoln, and not only that, but you also restored life to The Pride Lands from Nala 2's world and that also meant everyone who died in the chaos came back.

Lincoln: I always fulfill a promise that I made, girls, and as an added surprise, there's this.

Lincoln merged the restored Pride Lands of Twisted Nala's world with The Pride Lands of our world, and the counterparts of Twisted Nala's world except for the imprisoned hyenas merged with Simba, Nala, Timon, Pumbaa, Kovu, Kiara, Rafiki, Zazu, and The Lion Guard.

Jeri Leogun: Linky, you really did an awesome job in what you did.

Lincoln: Thanks, Jeri.

Simba: And now, The Pride Lands are now truly at peace.

Nico: That's right.

Lincoln fulfilled his Pinkie Promise, and cleansed the world that Twisted Nala came from, and now, life and peace has finally returned, and Scar's legacy of destruction has finally been brought to an end.

---

After putting an end to the chaos in Twisted Nala's world, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Serena Elma saw Lincoln working out like crazy, she had an atomic red blush on her face.

Serena Elma: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Serena, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Serena Elma: That's incredible.

Nico: It sure is. So, Serena, how did you take on Luan during April Fools Day and how did you send Marybeth Oliver to the nuthouse after she lost her mind?

Serena Elma: You'll like what I'm going to tell you about those two memories. First, on April Fools Day, I was heading to The Loud House: hours earlier, I was called by Lincoln, and he told me that Luan was on the rampage again, since today's April Fools Day. Knowing Luan's a prank-crazy maniac, I went prepared. I busted the door down, and then, I met up with Lincoln, and as we travel through the house, I summoned vines and they dismantled all of Luan's pranks and tied up the racoons she used in her pranks. Then, we confronted Luan, and she saw we ruined all of her pranks, and she was so mad, she wanted to attack us. But, I tied Luan up with vines, and everyone came out, and they all cheered for me and Lincoln for stopping her, and Luan got grounded for five weeks and she had to clean the whole house from top to bottom.

Nico: Awesome job, you guys, and Luan made the big mistake messing with you and Lincoln, Serena.

Serena Elma: And now, for how I got Marybeth Oliver sent to the nuthouse. I knew from Lincoln that Leni's not a good driver and she's failed her driving test so many times. But, when he told me that Leni's constantly failing her driving test has driven Marybeth Oliver insane, I had to do something to stop her or she was going to kill Leni. So, when I found out that Leni's driving test was on the next day, I headed down to find out what Marybeth Oliver was planning, and I took out a audio recorder, and when I found out she was planning on blowing up the car with Leni inside it, I was horrified. I showed the recording to Lincoln and his family, and they were horrified. They went upstairs to warn Leni, but she was already gone to the DMV. I rushed down there, and when I saw Marybeth Oliver's eyes turn red with insanity and rage, I called the cops, and when I handed them the audio recorder of Marybeth Oliver's plan to kill Leni, they were about to arrest her, but she was about to run off. But, I tied her up with vines I summoned, and she was sent to the nuthouse for the rest of her life.

We cheered for what Serena Elma did to Marybeth Oliver, and saving Leni's life from that murderous and insane former driving instructor.

Nico: That was an awesome job you did, Serena.

Me: And thanks to you, Marybeth Oliver's revenge has been foiled for good.

Lincoln: And we sent her to The Saturn Insane Asylum after she broke out to take revenge on Leni again years ago, and now, she's never coming out ever.

Eli: That's right.

We then got a shower afterwards, and then, Lincoln, his harem, and his kids are heading for Resort Island in Sonic's World, and Lincoln had the girls in his harem cover their eyes, since he and his kids had a surprise for them on Mother's Day.

Lincoln: Okay, girls, open your eyes.

When the girls opened their eyes, they saw they were at Resort Island, and Lincoln and his kids had in their hands clothes and jewelry for the girls in Lincoln's harem, along with chocolates and flowers, and this really gave them quite a surprise.

Lincoln and the kids: HAPPY MOTHER'S DAY!

This really surprised the girls in Lincoln's harem.

Lily the Mermaid: Whoa, is this for…?

Lincoln: That's right, Lily. Me and the kids got to work on this before we went on Nico's rescue, and Sonic told us about Resort Island, and it's a perfect place for our Mother's Day date.

The girls in Lincoln's harem went up to Lincoln and the kids, and they gave them a hug and kiss, and Lincoln and the kids did the same thing.

Lincoln: Now, then. Shall we dive into the water?

Twilight Sparkle: Of course, Linky.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered, in case of trouble, Lincoln's harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble, and the kids were dressed in swimsuits in their favorite colors.

Then, Lincoln, his harem, and his kids dived right into the waters, and they really enjoyed it. Plus, Lincoln got a deep tissue massage from the girls in his harem, and he returned the favor and he gave the girls a deep tissue massage in return, and they also played with their kids in the water and in the sand. Then, they had a special Mother's Day lunch that Lincoln packed, and they sat in a picnic area that Lincoln made. Then, as the sun was about to set, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion, and the kids cheered for them. Then, they came back home to the Estate, and they were in their original clothes.

Nico: Hey, Lincoln, how was your beach date?

Lincoln: Awesome, Nico. We went to Resort Island in Sonic's world.

Twilight Sparkle: And it was also a special Mother's Day date that Linky and the kids planned for us.

Me: Whoa, that's awesome!

Nico: And you all had a lot of fun there, right?

Lincoln: You bet we did, Nico.

Applejack: It was truly amazing what Linky and the kids planned for us for Mother's Day, it was truly amazing.

Apple Bloom: We're glad you all had fun, Applejack.

Applejack: We sure did, sugarcube. And Linky, we also got a little something to give you.

Then, Lincoln got dogpiled by the girls in his harem, and they kissed him all over, and he had kissy marks on his face and massive muscular body, then, he returned the favor by hugging and kissing all of the girls in his harem on the lips, and that caused their hair to stand, as they gave into the kiss and embrace, and an atomic red blush appeared on their faces.

Applejack: HOOWEE! What a man!

We shared a laugh.

---

Later it was time for Musa's final ambassador mission.

William: Anyone else want to go with Musa? Besides 2 Rabbids and Ish?

Rainbow Dash: I'm going too with Ish.

Nico: Cool cool.

Me: How about Laney and Lincoln come with too?

Lincoln: I would be honored.

Laney: Me too.

Nico: Awesome. Lets head out.

With that we were off to Atlanta.

We arrived.

Sunny Bridges: Hey guys!

Nico: Team Loud Phoenix Storm is in the house!

Me: ROCK ON GUYS!

Musa: Guys, meet Rainbow Dash's little brother.

Ish: Sup. Name's Ish.

Rainbow Dash: We met on my Ambassador Missions and he is a master of football.

Laney: It's true.

Lincoln: Yep. My name is Lincoln and this is my sister Laney.

Laney: Awesome to meet you guys.

Tamika: Same here.

Madison: Love your scarf Laney. (Sees her scar) Whoa Laney what happened to your neck?

Me: Laney did a juggling trick gone wrong. She slashed her neck when a shard of some broken glass cut her.

Madison: Ouch!

Musa: But she doesn't let that stop her.

Nico: That's for sure.

Me: I saw the scar myself back in 2016 when we first met. It was not a pretty sight and before Laney was too afraid to show it. But now she has more courage than ever.

Laney: It's true. I'm glad I now am more courageous than I was years ago.

Nico: Good.

Eli: Laney is a brave girl too. And she is quite the artist.

Tamika: Wow.

Sunny Bridges: That is cool though.

Musa: Why don't you show everyone your art skills before our songs for today?

Laney: I would be honored.

Laney showed a picture she drew and it was a beautiful alien landscape. It was a world made of vegetables and it had 7 moons in the sky and there were 4 suns.

Madison: Wow! Laney that is amazing.

Laney: I call this one Vegetable Heaven.

Nico: It's beautiful.

Lincoln: It sure is.

Musa: Now, some time ago, Lincoln freaked out because of former teammates of one of our frenemies. They got what they deserved but I think Lincoln's still haunted by it. So, this next song's title really sends a message that we need to leave that in the past.

Lincoln: Yep. It's called Move Along by All American Rejects.

Sunny Bridges: Awesome choice!

Eli: Yeah!

The song got to playing and it was a nightmare world.

Lincoln: (Singing Divinely)

Go ahead as you waste your days with thinking

When you fall, everyone stands

Another day, and you've had your fill of sinking

With the life held in your

Hands are shaking cold

These hands are meant to hold

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

Move along

Move along

So a day when you've lost yourself completely

Could be a night when your life ends

Such a heart that will lead you to deceiving

All the pain held in your

Hands are shaking cold

Your hands are mine to hold

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

Move along

(Go on, go on, go on, go on)

When everything is wrong, we move along

(Go on, go on, go on, go on)

When everything is wrong, we move along

Along, along, along

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

When all you got to keep is strong

Move along, move along like I know you do (Know you do)

And even when your hope is gone

Move along, move along just to make it through

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

The nightmare world turned into a beautiful world of love and hope to show all that there is always hope!

When it was done we cheered wildly!

Nico: That's also a Bionicle song.

Me: It sure is. That was a great one.

Laney: Very motivational too.

Me: It sure is.

Musa: But that was a great song.

Nico: Yep.

Eli: That was a great song too.

Nico: Bionicle forever, bitches!

Me: WOO! YEAH!

Eli: BIONICLE STRONG! BIONICLE PROUD!

Nico: YEAH!

Musa: J.D., what song do YOU have in mind?

Me: Well I do have one song that I want to do here. It's called Adventure of a Lifetime by Coldplay.

Nico: Awesome choice! I love that song.

Me: Me too.

We got the song underway and it turned the room into a jungle.

Me: (Singing divinely)

Turn your magic on, umi she'd say

Everything you want's a dream away

We are legends, every day

That's what she told him

Turn your magic on, to me she'd say

Everything you want's a dream away

Under this pressure, under this weight

We are diamonds

Now I feel my heart beating

I feel my heart beneath my skin

I feel my heart beating

Oh, you make me feel

Like I'm alive again

Alive again

Oh, you make me feel

Like I'm alive again

Said I can't go on, not in this way

I'm a dream that died by light of day

Gonna hold up half the sky and say

Only I own me

Now I feel my heart beating

I feel my heart beneath my skin

Oh, I can feel my heart beating

'Cause you make me feel

Like I'm alive again

Alive again

Oh, you make me feel

Like I'm alive again

Turn your magic on, umi she'd say

Everything you want's a dream away

Under this pressure, under this weight

We are diamonds taking shape

We are diamonds taking shape

(Woo-ooh, woo-ooh)

If we've only got this life

This adventure, oh then I

And if we've only got this life

You'll get me through, oh

And if we've only got this life

And this adventure, oh then I

Wanna share it with you

With you, with you

Sing it, oh, say yeah

Woo-hoo (woo-hoo)

Woo-hoo (woo-hoo)

Woo-hoo (woo-hoo)

Woo-hoo (woo-hoo)

Woo-hoo (woo-hoo)

Woo-hoo (woo-hoo)

Woo-hoo (woo-hoo)

Woo-hoo (woo-hoo)

Woo-hoo (woo-hoo)

Woo-hoo (woo-hoo)

Woo-hoo (woo-hoo)

Woo-hoo (woo-hoo)

It was awesome and amazing. When it was done everyone cheered wildly.

Nico: YEAH BABY!

Me: THANK YOU!

Sunny Bridges: Musa, don't think this is weird. But ever since I first met you, I've seen you as the little sister I've always wanted.

Musa: Sunny I'm so honored you think that.

They hugged.

Nico: Aww. So awesome.

Laney: Yeah.

Me: Another awesome series of Ambassador Missions in the books.

Lincoln: Yep.

Later we came back.

May: Hey guys. How did it go?

Me: Really well and awesome.

We told everyone all about it and it was awesome.

May: Wow! You guys had a lot of fun and that is another awesome mission in the books.

Musa: It sure is.

Laney: It was awesome meeting Sunny and friends.

Lincoln: Yep.

May: Lillian, on your first mission, Shane and 4 Rabbids should go with you.

Lillian Hale: I'm so excited to meet the Gaim Kamen Riders!

Nico: We all are. Especially after going to a planet made of Gushers.

We laughed at that one.

Lana: That was a fun adventure.

Callie Ginger: Boy it sure was cool.

---

In a local condiment factory, me, Nico, May and Lincoln's class were taking an awesome tour of the factory.

Me: Boy this is awesome seeing this factory.

Nico: Boy last time we were here Cornelia fell into a vat of hickory flavor barbecue sauce.

May: That was funny though.

Laney: It sure was.

Lincoln: I thought it was awesome though.

We saw how they made and bottled the sauces and more. But then May saw something in a room on the top floor and went and climbed a ladder. She then saw a chicken there?

May: A chicken? What are you…

SNAP!

The ladder broke.

May: Uh oh.

It tipped and May fell right into a huge vat full of nacho cheese sauce!

SPLORF!

Me and Nico and everyone came.

Nico: MAY!

May came out gasping for air and we flew up and saw her covered all over in nacho cheese!

We helped her out and she was dripping nacho cheese sauce all over.

May: OH YUCK!

Me: You're all covered in nacho cheese sauce.

Nico tasted it.

Nico: MMM! We need some chips to go with this.

May: (Sarcastic laughter) This is not funny Nico!

We went to take May back.

Back in the estate, 2012 Slash was getting ready for a spar.

2012 Slash: I'm gonna go spar with Raph. You two don't click on anything bad, alright?

Poromon: You got it!

Poliwag: Okay!

2012 Slash: Okay.

He left and they looked at some stuff on the computer.

Suzi was playing with her dolls.

Suzi: (hears Poromon and Poliwag scream in terror) Uh oh! Did a bad guy attack them just now?!

She ran in and saw Poromon and Poliwag sitting in the corner with their eyes burned out of their sockets!

Suzi: What's wrong!?

Poromon: (Shaking in fright) We saw things that we shouldn't have.

Everyone came.

Demolishor: What's wrong, guys?

Poliwag: (rocking back and forth) It was awful. So awful.

Lola: C'mon. I'm sure whatever it is, it's not that bad.

Poromon: WE ACCIDENTALLY SAW PORN ON THE INTERNET!

With that, Poromon puked on Lola while Poliwag puked on Lynn.

Lola: WHAT!? YOU SAW GIRLS NAKED ON THE INTERNET!

Poromon: WE THOUGHT IT WAS A GAMING SITE!

Lynn: OH MAN!

Nico, me and May came back.

Me: Lets get you to the bathroom so you can take a bath.

Manaphy: Mama you're a mess!

Maria: Holy mackerel! May you're all covered in nacho cheese sauce!?

May: What else is new.

Maria: I'll get you cleaned up.

Nico and Me saw Poromon and Poliwag puking.

Nico: Oh no!

He went over.

Nico: Are you guys sick?

Eli: It was crazy.

They told us everything and it was horrible.

Nicole: Did Poromon and Poliwag see that stuff?

Demolishor: Yeah.

G1 Inferno: Nicole, they saw it accidentally. So, please don't punish them.

Nicole: Easy Inferno. From the way they reacted I can tell that it hurt them. But I would never hurt the mascots like that. They are too cute to beat up. They mistook it for a gaming site and that was a simple case of misreading.

Laney: Oh.

Camie: Homer you better use bleach on their eyes.

Homer: Good idea.

Leozack: I remember you guys not freaking out when Homer and Bart showed you that porn video back in 2020.

Poromon: That was simple porn! What we saw went beyond that!

Poliwag: And you don't want to know what came out of the bodies of the women that we just saw! It was-was-

Poromon and Poliwag puked all over Nico and me.

Me: EW!

Nico: Oh poor guys.

Me: Boy seeing images like that is something no one will ever get out of their heads.

Nico: No kidding. Poor guys.

Manaphy: Poor Poromon and Poliwag.

Horsea: Yeah.

May was in the bathtub with bubbles popping all over.

May: Geez what has Poromon and Poliwag really scared?

Maria: They saw porn on the internet and it scared them really bad.

May: (GASP) Oh man! That's awful!

Brian: No wonder they reacted bad to Quagmire's magazines. There's no simple porn on there.

Me: And Peter Griffin has that fancy vault to hide his unmentionables.

Nico: I got to admit that is genius.

Lily: Poor guys.

Brian: Yeah. J.D., Nico if I were you I would get that puke off before it sets.

Nico: Okay.

We went to our showers and threw our clothes in the laundry.

Lori: C'mon, you two. You're safe from that nasty porn. No need to be literally terrified.

Poromon: it was horrible Lori! It was horrible!

Poliwag: YEAH!

Eli: Poor guys. We got to erase that image from them. Wait Dexter your memory eraser gun?

Dexter: Sure.

Dexter gave it to Eli and set it to erase the memories of what they saw 25 minutes ago.

Eli fired it into Poromon and Poliwag's eyes.

Poromon: Whoa! What happened?

Poliwag: And why are some of you guys covered in throw up?

Lola: It was Lana. She did it.

Lana: Uh yeah!

Then Mumbo Jumbo, Fixer, Electrocutioner, Knightbrace, Robo Blaze, Dr. Light, Skulker, Vortex, Gentleman Ghost and Johnny 13 appeared.

Mumbo: Can me, Fixer, Electrocutioner, Knightbrace, Robo Blaze, Dr. Light, Skulker, Vortex, Gentleman Ghost and Johnny 13 go with you guys?

Nico and me came out.

Nico: Yes you guys can and your timing couldn't be better.

Eli: I can't wait to give Scoots a swirly as well as string her up by her underwear.

Laney: Me too! I've had enough of that scooter riding jerk to last an eternity.

Me: Me too. Especially after everything we learned from many of Lincoln's guardian angels.

Fern Kemmington: I can't wait to bite Flip in his arm and make him so sick that he shits himself all the way to the moon.

We laughed!

A figure came out and it was Spell Digger from episode 8 of Dino Charge!

---

Spell Digger is a hybrid outlaw with the head of Gold Digger and the body of Spellbinder minus the cape. He was created by Fury and Wrench who combined Spellbinder's pendant with Gold Digger's coins through the Reanimator. Heckyl used Spell Digger to spread greed to anyone who comes in contact with his gold coins, as his magic allowed him to curse them and make them detrimental. His mentality is a merge of both outlaws and he has access to both of their weapons. Because of his unusual creation, he was initially confused on what his abilities were in the first place, but eventually figured them out. Though he puts up a good fight, he is eventually defeated by T-Rex Super Charger Red Ranger Tri-Ankylo Formation. Spell Digger gets enlarged before being destroyed by the Plesio Charge Megazord Pachy-Rex Formation.

---

Tyler Navarro: Spell Digger!

Spell Digger: Been a while rangers.

Me: I remember you! You were sent to spread greed to everyone who comes into contact with your coins.

Spell Digger: That's right. Good memory J.D.

Me: Thanks.

Shiro told them about Deadman Wonderland and want it was like and it was horrible.

---

Deadman Wonderland, often abbreviated as DW, was a privately-run prison located on an island in Tokyo that doubled as an amusement park. It was opened in the year 2017 with the beginning of the Tokyo Recovery Project and is the only fully privately operated prison in Japan.

Deadman Wonderland was supposedly built for the revival of Tokyo, pulling a lot of tourists to the prison's special attractions. In reality, its true purpose is the containment of Deadmen, and in particular, to seal the Wretched Egg.

The prison is built on the Mother Goose System, a device created to seal the Wretched Egg's powers. It has six normal wards (labeled A-F) and one special ward (G Ward) for containing Deadmen. The prison has a special system called the "death sentence rule". That is that every prisoner on death row wears a collar that constantly injects poison into their bodies. The only way to avoid being killed by said poison is to eat Candy(an antidote) every three days. However, Candy is very expensive.

Deadman Wonderland was built after the Great Tokyo Earthquake with Hagire Rinichirō in control being left in control after taking over Tsunenaga's father's body. The warden was, in fact, sick, and it was the promoter who was pulling the strings. For ten years, Deadman Wonderland sought Deadmen and imprisoned them. The Carnival Corpse was also one of the first events held in the prison.

Hagire's body was defeated by the Wretched Egg which resulted in Tamaki becoming the head warden. In the year 2024, Scar Chain attempted a prison break, though it failed. They later made another successful attempt, but only Karako Koshio and a handful of others escaped. While on the outside, Karako revealed Deadman Wonderland's secrets to the media. Tamaki, needing an excuse for the truth within the prison, depicted the Deadmen as being inhuman animals. Due to this, Tamaki was able to continue his work with the Deadmen. The prison even began broadcast the Carnival Corpses.

Around this time, the Forgeries were introduced. The Chief Guard, Makina discovered Tamaki's plan and attempted a coup d'état. She succeeded with the help of Ganta Igarashi and the other Deadmen. Tamaki commits suicide and the prison was closed for good. Toto Sakigami later surfaces and assumes complete control over Deadman Wonderland. All Deadmen were later retried and the regular prisoners were transferred to another prison. After Makina's explanation, a mission to return to infiltrate Deadman Wonderland was installed though they all perished at the hands of Hagire and the Wretched Egg.

Makina and Karako later establish a plan to return to Deadman Wonderland alongside other Deadmen with the purpose of defeating Hagire and stopping the Wretched Egg. The mission succeeds and Deadman Wonderland was destroyed in a battle between Ganta and Shiro.

Allison Nouveux: I have a feeling the archenemy for me will be someone we know before the ambassador missions.

?: You're right.

A figure came out and it was HIDEYASU JONOUCHI!

---

Hideyasu Jonouchi is the scheming and manipulative leader of Team Invitto and a major antagonist in the first arc of Kamen Rider Gaim. He uses the Donguri Lockseed to transform into Kamen Rider Gridon. During Gridon and Kurokage's debut, Ryoji Hase named Hideyasu's Armored Rider form "Gridon", having himself disliked the name at first but he eventually accepted it as his name. Before Ryoji battles Team Gaim, Hideyasu warns him that he couldn't win against Team Gaim. Sometime later, Kaito forms an alliance with Teams Raid Wild and Invitto as he gives them Lockseeds to win against Gaim. After Team Gaim finish dancing, Hideyasu appears as he battles the team with the Ichigo Lockseed Kaito gave him; however Mitsuzane got his own Sengoku Driver as he transformed into Armored Rider Ryugen and ended up being defeated by the new rider. After he loses his Lockseed to Armored Rider Ryugen, Hideyasu goes to Kaito's place for a new Lockseed. As he gains a Lockseed from him, Kaito started to mock him as he is weak, which made Hideyasu question the alliance. After getting a Donguri Lockseed from Kaito, he then went to Drupers and finally understands what Ryoji says before telling him how foolish they were in allying with Baron, thus telling him that they will be Baron's slaves. Refusing to let that happen, they would need to have a chance to be on the same level as Kaito, and thus gaining Sid's attention as they received Sengoku Drivers from him. After Baron's Inves are defeated, he and Ryoji appear as they transform into Armored Riders Gridon and Kurokage respectively, which surprises Team Gaim. Shortly after transforming, Ryoji announces his name as Kurokage. Realizing that they need names for their Armored forms, Hideyasu tried to think of a name only for Ryoji to name him Gridon (Much to the amusement of Team Gaim) Despite his own dislike of the name, Gridon became his official name thanks to DJ

Sagara. After they transform, they easily beat up Baron, but Team Gaim's Armored Riders finish them off, also gaining their Lockseeds. Sometime later, Hideyasu and Ryoji buy replacement Lockseeds as he notices one member of Red Hot got a Sengoku Driver and a Lockseed from Sid. Later, Kurokage and Gridon were doing some training until some people arrive, thinking that there will be a battle. Oren then reveals that he announced the battle as he transforms into Armored Rider Bravo to fight Gridon and Kurokage. However, Gridon was later easily defeated by Bravo. While Hideyasu was doing his job along with Ryoji during the holidays, Ryoji got a call from Kouta about the new game that Team Gaim have created. The team leaders approach Sid and ask him for Lockvehicles, but he tells them that the device won't be finished until Christmas. The next day, the team leaders have gathered, including Oren, however Inves start to attack them. As the team leaders were wondering if the Inves are part of the game, Mitsuzane tells them that the monsters are not in the game. So they transform and enter the forest one by one. Before Gridon entered the forest along with Kurokage, he gives Ryugen a "present" by throwing a Lockseed to an Inves, so they would have a chance to leave. As he enters the forest, Gridon is already hiding from the Armored Riders, until Kurokage scared him. Kurokage tell Gridon to gather many Lockseeds as possible while he fights the Riders. As Gridon found a bunch of premature Lockseeds, Inves started to attack him, but he manages to fight back. Out of nowhere, the white Armored Rider overpowers Gridon as he tells his troops to sent Hideyasu back to the real world. After Team Baron beats Team Raid Wild, Ryoji demanded him to fight them, but Hideyasu tells him that he originally wanted the stage where Team Raid Wild are dancing and since Ryoji's team no longer have an Armored Rider, his team have no chance of winning as Hideyasu leaves while feeling sorry for Ryoji. It is revealed that Hideyasu does really want to help Ryoji, but his fighting skill is not good enough, so he might not win against Baron. In order to train, he went to Charmant and begged Oren to teach him how to fight, which he accepts. However before that can begin, Hideyasu must work for Oren at his shop as payment, in which later during an Inves outbreak when the citizens blames on the Beat Riders for the incidents of having their relatives and friends infected and during Oren's latest interview, Hideyasu later sees this as a mixed blessing as he is not subject to threats like the other Beat Riders, which made him lucky to be under Oren's wings. After Oren becomes a Yggdrasill member, as well as Hideyasu by association, they are called by a mystery guy to set a trap on kidnapping Kouta's sister, Akira, in order to retrieve his Sengoku Driver. As he tries to torture Akira while she's eating a plate of desserts, he tries to transform, but was tricked by Oren for trying to hurt his "customer", and does so by switching Hideyasu's Donguri Lockseed with an fake that contains Oren's image, before Hideyasu, Yoko, and a mystery guy finds out what Oren up to, thus leading him to be knocked out by a frying pan. Hideyasu tries to figure out which Lockseed is his own and when he chooses, it reveals to be the fake and coincidentally multiple cans fall onto him from a nearby garbage man. Oren surprises him and kicks him to the ground, where Hideyasu notices a flier for the all-team dance show, which prompts Oren to knock him down to the ground believing he has betrayed him. He later helps Oren with his propaganda against the Beat Riders. At the dance show, Hideyasu helps Oren disrupt the show with summoned Inves. When all the other teams arrive to support Team Gaim and Team Baron and begin to dance, Hideyasu turns the music off but the Beat Riders resume their dance with his own team noticing he is present and push him to the stage and put the music back on. With no choice, Hideyasu joins in with the rest of the teams to dance. After sometime, he and Oren appeared to try to turn the public against Zack and Peco by insisting that giving up their Inves Game is just a propaganda. However, their speech was interrupted by a swarm of Elementary Inves, which are later finished off by Oren. After Hideyasu witness the Armored Riders' battle against the Inves, he finally realize that the Inves Game ended. He sees his teammate, but she hangs out with Team Gaim's teammate as they started to make fun of Hideyasu. He started to feel bad of himself as Oren decides to take Hideyasu on a training. However Hideyasu stormed out of Charmant as he doesn't see the purpose of the training. Later, he hangs out in Drupers by himself until Kouta appears. Feeling jealous of him, Oren manage to find Hideyasu as he blames the Beat Riders. Hideyasu quickly hide as Oren reveals that he was preparing for his greatest moment of his life. He then arrive where Bravo and Gaim were fighting the Inves as Hideyasu decides to join the fray. However, Gridon blocks the attack from the Inves to protect Bravo before he faints. As he gain conscious, Hideyasu inform Oren that the Inves Game actually ended.

Fern Kemmington the Giant Germ Gene-Slammer, Pig Pen and Sakura Haruno VS Dr. Negative

---

Fern and her group were looking for Fern's archenemy.

Then they saw a figure come out and it was Squidward's Villain persona: DR. NEGATIVE!

---

**Doctor Negative** is an enemy of Mermaid Man and Barnacle Boy whom Squidward cosplays in the episodes "Mermaid Pants" and "Appointment TV". He wears a white coat with a red circle-backslash symbol, a black eye mask, and a head mirror.

He is voiced by Rodger Bumpass.

## History

Dr. Negative is first mentioned in "Mermaid Pants" by SpongeBob and Patrick during their game of pretend superhero, with the duo calling themselves Mermaid Pants and Barnacle Star. They notice Squidward and call him Dr. Negative, much to Squidward's annoyance. After Mermaid Pants and Barnacle Star destroy Squidward's garden and eat his vegetables, he threatens to clobber them, but SpongeBob reminds Squidward that he's about to be late to work.

Later, at the Krusty Krab, Squidward asks SpongeBob to take out the trash. Instead, however, SpongeBob and Patrick become Mermaid Pants and Barnacle Star again, and they destroy the garbage bags, sending trash flying everywhere which causes all the customers to leave in disgust. Mr. Krabssees all the chaos going on and pulls Squidward into his office, where he tells Squidward that the only way to get Mermaid Pants and Barnacle Star to snap out of it is to play along with their game. Mr. Krabs dresses up as a supervillain named Captain Tightwad, and makes Squidward dress up as Dr. Negative.

Captain Tightwad and Dr. Negative challenge Mermaid Pants and Barnacle Star to a duel, but after a short while Mermaid Pants realizes that the villains haven't committed any crimes, so they have no reason to fight. Mermaid Pants forces Captain Tightwad and Dr. Negative to "rob" a bank, so they go to the First Nautical Bank to pretend to rob it, but get beaten up by an overzealous security guard. Mermaid Pants and Barnacle Star let it slide, though, and they move the game into the next phase. They bring Dr. Negative and Captain Tightwad to a store to buy props for their evil lair. About an hour later, Captain and Tightwad have the Krusty Krab converted into an evil lair, with Mermaid Pants and Barnacle Star hanging over a vat of boiling oil. Mermaid Pants says that this is the scene where the heroes and villains have a climactic battle, but Dr. Negative hijacks the game and tries to destroy Mermaid Pants and Barnacle Star for real by dropping them into the oil. Captain Tightwad tries to talk Dr. Negative down, but Dr. Negative declares that this is his chance to get revenge on SpongeBob and Patrick for years of aggrivation. However, Mermaid Pants and Barnacle Star manage to escape, and Captain Tightwad and Dr. Negative fall into the oil the episode "Appointment TV", Squidward cosplays as Dr. Negative once more as part of a Mermaid Man-themed musical play SpongeBob's friends made for him.

Camie: Oh boy.

Himiko Toga: That guy must have been one nasty monster to cause that much damage.

Me: Damage is an understatement Himiko. What Cletus Kasady wants is nothing more than to see the entire planet burn.

Nico: The weapons Stewie's working on use a Symbiote's weakness.

Toru: Which are?

Me: They are vulnerable to fire and sound.

Toru: Wow.

Laney: Yep.

Mera: Poor Girl Jordan.

Sirius: Yeah. But how dangerous is Cletus Kasady?

Me: You'll see soon. But I'll gladly tell you all about his history.

I went over it.

---

Cletus Cortland Kasady, also known as Carnage and later Dark Carnage, is a major antagonist from Marvel Comics, serving as a major antagonist in the Spider-Man comic series and the central antagonist of the Venom comic book series as a whole. as well as the titular main antagonist of many story lines such as Venom vs. Carnage, Carnage, U.S.A., and Absolute Carnage, as well as the secondary antagonist of Go Down Swinging, and a posthumous antagonist of King In Black. He is a deranged serial killer who bonded with a symbiote, turning him into a vicious supervillain. He is the primary archenemy of Venom and one of his archenemies (along with Knull and Riot).

Background

Even when he was a toddler, Cletus Kasady was already a deeply disturbed person with a dark past; born at the Ravencroft Institute for the Criminally Insane, he died a few minutes afterward, before he was revived by the primordial entity Knull to be the one free him from the Klyntar. As a child, he killed his grandmother by pushing her down a flight of stairs, tried to murder his mother by throwing a hair dryer into the bathtub, and tortured and killed the family dog Fifi with a drill. When his father caught his wife trying to kill Kasady in a mix of self-defense and rage for what their son had done to her beloved pet, he beat her to the brink of death and received no defense from Kasady during his trial.

Kasady was then sent to the St. Estes Home for Boys, where his antisocial behavior made him the target of abuse from both the other orphans and the staff. Brutal years he endured at St. Estes only further shaping the killer inside the young man, subsequently giving him him his philosophy where life was essentially meaningless and futile, that "laws are only words", and that the spreading of chaos through random, unpatterned bloodshed was "the ultimate freedom". Kasady eventually gained his revenge by murdering the disciplinarian administrator, pushing a girl in front of a moving bus after she laughed at him when he asked her out on a date, and eventually burning down the orphanage.

## Becoming Carnage

Eventually, Kasady was captured and convicted of eleven murders; he bragged about a dozen additional killings while in custody, which the police presumably could not find sufficient evidence for. Now imprisoned for eleven consecutive life sentences, Cletus Kasady shared a cell with Eddie Brock, who had lost his Venom symbiote thanks to the toxic touch of the supervillain Styx. Learning of Brock's grudge against Spider-Man, Kasady tried to convert him to his nihilistic philosophy, mocking Eddie over his claims to have once been the supervillain Venom. Repeatedly rebuked, Kasady decided to murder his cellmate, but before he could the Venom symbiote entered the cell and rebonded to Eddie. Venom broke free, leaving the terrified and jealous Kasady behind.

Sensing his desire for the power Eddie possessed, a scrap of the symbiote left behind, none other than Venom symbiote's offspring, dripped onto Cletus' hand and bonded with him, transforming him into the monstrous Carnage. A security guard who witnessed his transformation was subsequently killed with his body somehow "pulled through the bars of his cell" before escape, and commit around a dozen of murders in far more extreme methods.

As Carnage, Kasady proved stronger than Spider-Man and Venom combined, and his symbiote was not only less susceptible to sonics than its progenitor, but infinitely more difficult to remove, having bonded to his bloodstream. In his first appearance, Carnage forced Spider-Man and Venom to call a temporary truce to defeat him.

## *Maximum Carnage*

Following his defeat, Carnage was sent to The Vault, a prison for supervillains, and later to the Ravencroft Institute; a facility for criminally insane superhumans. Hoping to find a cure for Kasady's madness, a doctor drew blood from him, unknowingly allowing him to transform back into Carnage. After bursting out of his restrains, Carnage freed fellow inmate Shriek from her confinement and escapes from Ravencroft with her. Carnage and Shriek then go on a killing spree and recruit Doppelganger, Demogoblin and Carrion into an army of psychopathic supervillains bent on taking over New York. Despite declaring himself the "father" of the group, the other members in fact hated Carnage and only stayed in devotion to Shriek.

As the death toll increases, Spider-Man, Venom, Captain America, Black Cat, Nightwatch, Cloak and Dagger, Iron Fist, Deathlok, Morbius, and Firestar all join forces to defeat Carnage and his gang, although they are polarized by Venom's desire to stop Carnage at all costs and Spider-Man's refusal to use violent methods, leading to Spider-Man abandoning Venom to Carnage's mercy. To make matters worse, Carnage uses Shriek's psychic channel powers to turn the populace of New York bloodthirsty and violent, allowing them to continue their killing spree without hindrance.

Eventually, Carnage turns on his "family", causing Shriek to become distracted from using her psychic power in the ensuing battle. Taking advantage of this, the heroes use a device acquired from Stark Industries to project feelings of love and hope into the villains, overwhelming them. While the others are captured, Carnage fakes his death by covering one of his victims in a mock Symbiote costume and flees. Once the heroes have dispersed, Carnage ambushes Venom, although, due to being left frantic and disoriented from the previous fight, he is relentlessly beaten and then tackled into an electrical generator. After being knocked senseless, he is arrested soon afterwards.

## Later life

Despite supposedly being irremovable, the Carnage symbiote left Cletus twice of its own volition, once to bond to Spider-Man's clone Ben Reilly, and the second time to bond to the Silver Surfer, but both times returned to its original host. Fed up with Carnage, Venom once devoured the symbiote, leaving Cletus powerless for a time, though the serial killer somehow managed to obtain an exact duplicate of it in the Negative Zone that has since merged with the remnants of the original.

When Cletus realized the Carnage symbiote was about to give birth, he passed the offspring on to a police officer named Patrick

Mulligan, exhausted from trying to suppress the process and intending to kill them both later. This backfired when the offspring Toxin, teamed up with Spider-Man and Black Cat to defeat him and Venom. While imprisoned on the Raft, Carnage participated in a breakout but was apprehended by the Sentry, flown into orbit, and torn in half.

Presumed dead, Cletus was actually cocooned by the symbiote, but missed out on the Civil War, SkrullInvasion, and Dark Reign. His body was eventually recovered by Hall Industries, which extracted the symbiote from him and used it to engineer unique prosthetics. Equipped with a new pair of legs, Cletus was eventually reunited with the symbiote and stronger than ever, but was repelled by Spider-Man and Iron Man with help from the symbiote's new offspring, Scorn.

Traveling to Doverton Colorado, Kasady took over the town by creating copies of the symbiote, even parasitizing the Avengers, but was defeated by the Life Foundation symbiotes, Scorn, and Agent Venom. Imprisoned, he was freed by servants of Marquis Radu, a tyrant in the Microverse who intended to use the Carnage symbiote to create an unstoppable army. Pursued by Agent Venom and the Scarlet Spider, Carnage betrayed Radu's forces but was captured and his symbiote cloned and fused to copies of the Venom symbiote. Intrigued by this, Carnage attempted to assimilate the Venom symbiote to become even more powerful, but was stabbed through the head by the Scarlet Spider's stingers and lobotomized.

Comatose and under the control of the symbiote, Cletus was eventually broken free by Klaw and the increasingly psychotic Wizard, who wanted to turn him into his own version of Agent Venom. Unable to do so due to Cletus being brain-dead, the Wizard has Klaw subdue the symbiote and transfers it into his old friend Karl Malus, blowing up his base with Kasady still in it. The Wizard's control over Malus proved tenuous at best, and during a fight with the Superior Spider-Man he lost control, allowing the symbiote to take over and go on a rampage, destroying Klaw's corporeal form in the process.

The resulting shockwave blasted the symbiote off Malus and onto the Wizard, who the symbiote promptly took control of and resumed its rampage. Superior Spider-Man learns Kasady survived the explosion, albeit badly injured, and has his body recovered to exploit the symbiote's preference for him. The symbiote eluded Spider-Man's attempts to capture it and rebonded to Kasady, curing him of his coma, but the reunion was short lived before Klaw directed a bolt of lightning towards Carnage, separating Kasady and the symbiote once more. Spider-Man takes the symbiote into custody while Kasady is incarcerated again and revealed to have made a full recovery from his lobotomy.

Cletus undergoes psychotherapy and is integrated into the mainstream prison population, while without a host, the symbiote begins to die and escapes containment, seeking to reunite with him. Upon learning of the symbiote's escape, Kasady's psychologist, Dr. Jenner, hires a thug to shank him and then smothers him to death, offering himself to the symbiote as its next host. The symbiote refuses and resuscitates Kasady, rebonding to him, and the reunited Carnage returns the favor by smothering Jenner.

Carnage decides that his ambitions of conquest and transcendence have caused him nothing but grief and decides to get back to basics with another randomized killing spree. This attracts the attention of psychotic anti-hero Deadpool, who inadvertently comes to believe that it is his destiny to hunt Carnage down. Tracking him down, much to his confusion and outrage, Deadpool gains an upper hand over Carnage until Shriek arrives. Carnage and Shriek escape, but Deadpool tracks them down and tricks Carnage into badly injuring Shriek. Broken from almost killing Shriek, Carnage allowed himself to be arrested and placed in an unlocked cell, swearing revenge on Deadpool.

## AXIS

Carnage would later be one of the villains recruited by Magneto to confront Red Onslaught, the former having convinced him to help out by promising that he'll cause more chaos by becoming a savior. As a result of the morality-altering magic used by Doctor Doom and Scarlet Witch during the fight, Carnage was filled with the urge to become a hero and returns to New York to "save" people, mostly oblivious to how his actions are causing more harm than good. At the same time, a new Sin-Eater begins murdering journalists, which leads to Carnage saving attention-seeking reporter Alice Gleason from him, and abducting her so that she may teach him how to become a great hero. Carnage later defeats and kills the Sin-Eater with the overwhelming force of his old sins, and Alice turns on him by convincing the police that he'd been attacking her. Carnage concludes that Alice is trying to teach him that to be a true hero he must be alone and escapes.

Carnage would then team up with Spider-Man, Steve Rogers, Magneto and the other morally-inverted villains to form the "Astonishing Avengers" to stop the threat of the Avengers, X-Men and Apocalypse. To stop the X-Men from destroying all humans within radius with their gene bomb, Carnage sacrifices himself to contain the blast-Spider-Man describing this act as the worst man he ever knew doing the most noble thing he'd ever seen. Following the inversion of all the heroes and villains, the Astonishing Avengers would take the fall for the Avengers and X-Men's actions, this being confirmed through a video released to the public, in which Carnage served as the group's spokesperson.

### Post AXIS

Carnage somehow managed to cheat death again and decided to track down and kill a friend he had made while his morality was reversed; Sam Alexander, the teenage superhero Nova, as he wanted to erase all history of his good deeds, including anyone who remembered him being a hero. After first proving that he had reverted to his old ways by murdering a random bystander, Carnage took Nova's mother hostage at the local diner she works at in order to lure him out, and escapes after being wounded by the Nova Force.

He then attacks Sam at his school, only to find that Nova is flying around in the area (in reality, Sam's mother wearing his helmet), thus making him drop the idea that Sam is Nova and chase after his mother. He soon looses track of the false Nova and starts attacking people to lure him out, which he succeeds in doing. Nova manages to stun Carnage by setting off various car alarms, and, realizing the Symbiote's weakness to high frequencies, he throws him into an Anthrax concert nearby, sending Carnage fleeing for the road. The fight soon ends as Carnage is ran over by a truck and Nova restrains him, dropping him off at Ryker's Island.

## Red Goblin

Later, following HYDRA's takeover of America, Norman Osborn steals the Carnage Symbiote from and abandoned S.H.I.E.L.D. storehouse and decides to use it for himself. While initially overpowered by the Symbiote's desire for violence and destruction, Norman manages to convince it to be used for something more than "boring" mindless slaughter. Norman then uses the Symbiote to begin a crusade as the terrifying Red Goblin, combining his tech and powers with the Symbiote's own abilities, thus granting the both of them all of their strengths with none of their weaknesses.

He uses his new form to easily beat Spider-Man and his allies, assimilate his grandson Normie into a miniature Red Goblin, and target Spider-Man's friends and loved ones when the latter abandons his promise to give up heroics, even killing Flash Thompson/Agent Anti-Venom. After donning the Venom Symbiote once again to fight his archenemy, Spider-Man convinces Norman to abandon the Carnage Symbiote to prove he doesn't need it to finish him, and subsequently blows the Symbiote up with an exploding gas tank. The resulting feedback seemingly destroys the remains Norman's mind, leaving him with the belief that Spider-Man is really Norman Osborn and he is Cletus Kassidy (although it is implied that he could be faking his mental state). In the aftermath, it is also shown that a sliver of the Carnage Symbiote is still attached to Normie.

## Poison-X

In the Venomverse sequel Crossover, Cletus becomes Poison Carnage, feigning loyalty to the Poisons and doing battle with Spider-Man and Venom once more. The fight ends with Carnage being jettisoned out into the vacuum of space.

## Carnage Reborn

In the latest Venom series, Cletus Kasady, after becoming Poison Carnage, crash-lands onto Earth, losing his symbiote after it burns in the atmosphere trying to protect him, dying shortly afterwards; he is soon found and revived by the Church of the New Darkness, a cult that worships the symbiote god Knull, bonding to an offshoot of the primordial Grendel symbiote in the process. After killing a corrupted Scorn and consuming her codex, the reborn Cletus assumes leadership of the cult and decides to harvest as many codices from former and current symbiote hosts as he can in order to free Knull from his prison on planet Klyntar.

## 2021 Carnage

**Cletus Kasady** is a major antagonist in Sonny's Spider-Man Universe, serving as a minor antagonist in *Venom* and one of the two main antagonists (alongside Carnage) of *Venom: Let There Be Carnage* .

He is a notorious and deranged serial killer who was locked away in San Quentin Prison, where reporter Eddie Brockinterviewed him. However, Kasady eventually managed to break out of prison so he can unleash carnage upon San Francisco.

He was portrayed by Woody Harrelson, who also played Carnage in the second film, Mickey Knox in *Natural Born Killers*, Charles Costello in *Seven Psychopaths*, Harlan DeGroat in *Out of the Furnace*, Colonel McCullough in *War for the Planet of the Apes* and Tobias Beckett in *Solo: A Star Wars Story* . As a child, he was portrayed by Jack Bandeira.

Early Life

Much of Cletus Kasady's past remains in mystery, but what is given suggests a dark, twisted and traumatic past. He was born in Brooklyn, New York, where his heart stopped on the day of his birth but he was revived. According to his claims, he was frequently abused by his parents and grandmother. Although he claims he killed his grandmother and mother out of retribution, he also killed his mother's dog afterwards for seemingly no reason, implying he had sociopathic tendencies from the start. He also had a father who beat him, which is presumed to be another reason why Cletus grew up to become a sociopath.

Cletus tried to kill his father to fight back against his abuse but failed and was then sent to a children's home named St. Estes, due to his sociopathic tendencies. While there, other kids mercilessly beat him up. The only one who took pity on him was a girl named Francis Barrison, who bursts the kids eardrums with her sonic scream powers. The two would then bond as they grew up in the children's home, and they would form a romantic chemistry. Cletus then burned down the orphanage, killing the headmistress and everyone else inside. Eddie Brock speculates in his notes that Cletus did this out of revenge.

Cletus then began murdering, cannibalizing and torturing countless people before he and Francis got caught. During their young adult years, Francis was hauled off to the Ravencroft Institute due to her powers, much to Cletus' furious dismay. She was presumed to be shot dead after trying to escape by causing a car crash, although Cletus knew very well that she was alive.

### *Venom*

Following the deaths of Riot and Carlton Drake, Eddie Brock was on a motorcycle trip to San Quentin Prison to do an interview with a mystery convict to see if he will help the FBI identify more potential bodies. After receiving an ominous warning from one of the prison guards, the mystery convict is revealed to be Cletus Kasady. When Eddie enters his cell, Cletus writes "Welcome Eddie" with his own blood. During the interview, Cletus asks Eddie if he can "forgo the whole creepy serial killer thing", claiming he can turn the serial-killer act on and off whenever he wants. Cletus also mentions eating the eyeballs out of victims' heads. Afterward, Cletus tells Eddie to get closer to him, despite the guards warning Eddie not to. Eddie remained cautious, but Cletus told him he wouldn't tell Eddie the locations of his other victims. Finally, Cletus claimed to Eddie that he planned to break out of prison and unleash "carnage" upon society (foreshadowing him becoming Carnage).

### *Venom: Let There Be Carnage*

Two decades after having been separated from his girlfriend, Cletus had Eddie Brock run a coded message in the paper in exchange for his life story; to let Shriek know he intended to keep his promise to marry her. However, Venom quickly figured out the location of

Cletus' victims from his cell drawings and the police exhumed them. With no reason to be kept alive, a dejected Cletus invited Eddie to meet him one last time to guilt trip him. However, this angered Venom, who assaulted him. Cletus took the opportunity to bite Eddie, only to be surprised when he accidentally ate a piece of the symbiote.

Come execution by lethal injection, Cletus' sample awoke as a sentient new symbiote whom he named Carnage. The two escaped and killed/ate numerous people on the way out. Carnage agreed to help Cletus free Shriek, in exchange for killing its parent, Venom. After killing many people, including Dr. Pezzo, the two freed Shriek from her prison and killed the authorities who tried to stop their escape. Shriek used her power during the escape, Carnage threatened her not to do so again, since symbiotes were vulnerable to high sounds to which Cletus warned her about for her safety. The three decide to make a "red wedding" for Cletus and Shriek. After kidnapping "witnesses" for the wedding, they planned on killing Venom, Eddie and Patrick Mulligan, the cop who arrested Shriek.

Venom attacked, resulting in Carnage and Cletus fighting them. During the fight Carnage knocked Shriek around, much to Cletus protests and killed the church priest to get more power. Eventually, Carnage grew tired of Shriek's presence and tried to strangle her to death, which caused Cletus to panic and try to prevent Carnage from doing so. Carnage tried to force Venom and Eddie to watch Anne die but she was successfully rescued by the heroes. As the fight with Venom reached the bell tower, a still-alive Shriek fell to her death below as her scream dislodged the bell and symbiotes, causing Eddie and Cletus to fall. While Venom saves Eddie, Cletus hits the ground and is seriously injured. Before Carnage could merge with Cletus again, Venom ate the offspring. A dying Cletus told Eddie that what he really desired was his friendship; Eddie apologizes to Cletus but an annoyed Venom comes out and declares "F-k this guy!" biting his head off, ending Cletus' reign of terror.

When I was done they were all shocked and absolutely horrified!

Ochaco: He's pure evil!

Sirius: He makes All For One look like a saint compared to him!

Himiko Toga: And I thought I was insane like that! Oh man!

Me: Yeah but Cletus Kasady's crimes don't hold a candle to Thanos the Mad Titan.

Sirius: I've heard about Thanos. That was horrible that he was going to destroy the entire universe an remake it in his own image.

Toru: Yeah that was awesome.

Nico: But thank goodness we destroyed him forever.

Laney: That will forever go down in our history as one of the most devastating battles we've ever had.

Lincoln: Yes it sure will.

Nico: Now, let's see what's going on in the Krusty Krab.

We arrived at the Krusty Krab and was saw that IT WAS AN ABSOLUTE MESS!

[The place is a complete mess and all of the customers are sick to the stomach after eating too much Krabby Patties.]

Me: WHAT HAPPENED IN HERE!?

Nico: Good morning Krusty Crew!

Mr. Krabs: Ahoy lads!

Me: What a mess!?

Eli: Is everything all right Mr. Krabs?

Mr. Krabs: Yes Nico we're okay. Last night's buy one get one 1 third price Krabby Patty sale went great! But the crowds left me restaurant dirtier than usual.

Nico: Whoa! What a mess!

Laney: It's a pigsty!

Lana: Yeah no kidding!

[Squidward rolls his eyes in disgust. Mr. Krabs looks at Squidward and smears a smug of goop off his face.]

Squidward: Hey!

Mr. Krabs: Sorry Mr. Squidward. Eeeh! [smears the goop on SpongeBob's face] So I'm gonna need you to clean until this whole place sparkles!

Lily: May I help too Mr. Krabs?

Mr. Krabs: Sure Lily.

SpongeBob: Ooh, you've got it, Mr. K.

[SpongeBob takes out a vacuum, plugs it in his face, and begins sucking up the garbage.]

Nico: Lets get to cleaning up!

We got to cleaning.

[Lily takes a mop and was polishing the floors. I was using my powers to get everything cleaned up. SpongeBob sucks the garbage from two customers, making one look like a handsome millionaire and one a skeleton.]

Varie: Wow that is powerful cleaning.

Laney: Looking sharp sir.

Millionaire Fish: Thank you kindly.

[Then he sucks the remaining garbage all over the restaurant. He scrubs the cash register clean with a brush. He notices the brush is dirty and scrubs it with the toothbrush. He scrubs the screen with the two brushes, creating a transition to outside. SpongeBob then goes outside, plugs a hose in his head and fills himself up with water. Then, like a outdoor sprinkler, he dances around and sprays water all over the place, making the restaurant sparkly clean inside and out.]

We really made the Krusty Krab Sparkle!

Mr. Krabs: SpongeBob, are you all done cleaning?

SpongeBob: [sprays water in Mr. Krabs' face] Oh, just finishing up now, Mr. Krabs.

Lily: All finished Mr. Krabs.

[Mr. Krabs grabs the hose, ties it in a knot and throws it out. The kitchen is now all sparkly clean.]

Mr. Krabs: This place looks great! Well done, lads.

Me: Thanks.

Nico: Have you guys seen any Gene Slammers around?

Mr. Krabs: Not that we know Nico but we'll keep our eyes out for them.

Nico: Okay.

Lily: Lets get back to work.

Mr. Krabs: [notices the grill is missing] Huh? Oh, where's the grill?

SpongeBob: Oh, I took it outside to air dry.

Lily: Oh! Cool.

SpongeBob: [opens the back door] See?

Mr. Krabs: Hmm. [looks around and sees nothing] See what?

SpongeBob: [crawls over Mr. Krabs and goes outside] The grill. It's right here.

Mr. Krabs: Right here, where?

SpongeBob: Under my arm, silly.

Mr. Krabs: The grill is gone.

Me: What the?

We saw that the grill was gone!

SpongeBob: [laughs] The grill is gone.

Me: SpongeBob he's right! The grill is gone!

SpongeBob: [notices the grill is in fact missing] The grill is gone?! [falls down, screams, and runs in panic] The grill is gone! The grill is gone! The grill is gone! The grill is gone! The grill is gone! [screams and breathes heavily while Mr. Krabs just stand there and roll his eyes] Grill gone! The grill gone! Oh, look, it must be the grill's trail. [licks the sand] There's still some grease flavor here. Come on, Mr. Krabs, I'll taste the trail all the way to the grill.

Mr. Krabs: Um, we could just use our eyes, boy-o.

SpongeBob: Oh, great idea, Mr. Krabs. [walks on his eyeballs]

Me: Lets follow that trail!

Laney: Yeah!

[Mr. Krabs groans and follows SpongeBob. We follow them. SpongeBob follows the trail to an old, abandoned race boat garage. He blinks the sand off his eyes.]

SpongeBob: Look, Mr. Krabs, a race boat garage. But what would a garage need a grill for?

Lily: That's the old Bikini Bottom Racing Garage.

Varie: That place was shut down ages ago.

Mera: Hmm.

Nico: Now, who would steal a grill?

[We go up to the window and peak inside.]

Mr. Krabs: This ain't no garage. [sees four children] This here's a clubhouse for local ragamuffins, urchins, and waifs. [sees the grill] Look, and there's me grill.

Me: And those kids have it.

SpongeBob: What are they doing to it, Mr. Krabs?

[The two twins spray paint all over the grill's sides to look like flames.]

Boy twin: Whoa.

Girl twin: Cool.

Boy twin: Whoa.

Girl twin: Whoop.

SpongeBob: Ah, no!

[The smallest kid hammers a wheel on the lower half of the grill.]

SpongeBob: Why, why?

[The chubby kid with a red hat drills a steering wheel on the grill's surface.]

SpongeBob: No, not the cooking surface! That's where all the flavor is! [cries]

Me: Why those rotten kids.

Lily: That grill is property of the Krusty Krab.

Mr. Krabs: Don't worry, lads, they're just kids. They have to listen to me. [pulls up his pants and goes inside] Hello, children. I'm an adult. This here is me grill, so I'll just be taking it back now.

Hat kid: Hey, what do you think you're doing, mister? That's our racing cart!

Mr. Krabs: Racing cart?! That's no "racing cart." That there is a top-of-the-line Grill King 3000, and it belongs to me. [holds up the documents] See? I brought all the relevant paperwork. [gives the documents to the children]

Hat kid: This looks more like homework. [rips up the document] We don't take kindly to homework around here.

Boy twin: Yeah!

Girl twin: Homework stinks!

[The twins rip up the documents too. The smallest kid eats the document and spits it in Mr. Krabs' face.]

Hat kid: I think you just wanna steal our racing cart.

Mr. Krabs: I can't steal something I already own! [groans] That's it! Out of me way, you imps! [pushes the hat kid] Grown-up coming through!

Hat kid: Hold your sea horses, old man! [winks at the small kid]

[The small kid winks back at the hat kid. The small kid climbs the ladder, holds up a carrot and makes a sea horse spin around. The sea horse activates the drill and pokes a worm underneath, causing it to yelp in pain. The worm pulls on a rope, causing a hammer to remove a nail and forces a plank to hit Mr. Krabs' rear end.]

Mr. Krabs: Whoa! Heh, that's it? Your little kiddie trap doesn't-[gets crushed by two log and the kids laugh]

Me: Why those rotten!?

Eli: No one does that to Mr. Krabs.

Nico: Entrance time guys.

We went at the clubhouse. Then the spirits of the Mysticons, Keybladers and Ghosts all swirled around the kids and they scared them bad and then the spirits converged and then a massive blast of light appeared and the divine singing of angels was heard and we came out!

Me: You kids are in big trouble!

Lily: That grill is property of the Krusty Krab! Give it back now!

Hat Kid: Make us grandma!

Lily: I'm your age you nimrod!

Maria: Lily's not THAT old!

Hat Kid: Well you're no better UGLY!

The kids laughed!

UH OH!

Maria: Ugly? (ENRAGED SCREAMING) NOBODY CALLS ME UGLY!

She jumped the kids and smashed and pulverized them in a fight cloud with incredible brutality!

Nico and me grabbed Maria.

Nico: Easy, sis.

Me: Maria are you nuts!? They're just kids.

Maria: But they called me ugly!

Hat Kid: BECAUSE YOU ARE UGLY YOU WITCH!

Nico: SHUT YOUR PORKTRAPS!

They stopped.

Me: Now we're going to say this nicely. Give us the grill back please.

Hat Kid: Never!

?: He asked you nicely brats!

Then 7 Snorks appeared and they were Snorks of each of the 7 colors of the rainbow and they blasted the kids all over with rainbow lights.

Then the Snorks reverted back and they were 7 girls each with 7 colors of the rainbow for hair and they had clothes for each color and they had Kanjis for each of the seven colors of the rainbow emblazoned in the middle of their foreheads.

Nico: Whoa! Rhonda, Olivia, Yulia, Gretchen, Beverly, Irina and Valentine Lincolnshire.

Rhonda Lincolnshire: Awesome to see you again Nico.

Olivia Lincolnshire: We have a lot of catching up to do after we take care of these grill thieves. We already called their parents and they are not happy about this.

Yulia Lincolnshire: Yep. Now we'll give you one final chance.

Gretchen Lincolnshire: Give the grill back now.

Beverly Lincolnshire: Or things are gonna be ugly.

Irina Lincolnshire: And it won't end well.

Valentine Lincolnshire: We promise you that.

Hat Kid: You can take our cart over our dead bodies!

Kids: YEAH!

Rhonda Lincolnshire: Since you kids won't give back the grill then we'll take it by force.

Hat Kid: Come and try it!

A kid pulled a string and sent logs at them and the girls blasted the logs into dust and destroyed them and then they destroyed the entire garage! The kids parents came and THEY WERE PISSED!

Hat Kid: OH NO! RUN!

Laney: NOT SO FAST!

Laney tied two of the kids up in vines and Ibara did the same with her hair.

Fish Woman: You are in big trouble!

She grabbed the kids.

Fish Woman: We're sorry about all the trouble my son caused you Mr. Krabs. Billy you give the grill back to Mr. Krabs right now!

Hat Kid: Fine!

Me: Thank you.

We took the grill.

Fish Woman: Billy is looking at a long time in a boarding school for this.

Me: Yeah. Kids you need to know better not to take things that don't belong to you!

Lily: Yeah!

Nico: (hugs Maria) Maria, please calm down.

Maria: But Nico!

Nico: I know but they are just kids! They don't know any better!

Maria: Oh you're right. Sorry bro.

Olivia Lincolnshire: Is she your girlfriend?

Maria: (blushes) No! Of course not!

Me: Girls no. Maria is his sister figure. Not by blood but Maria acts like a sister to him.

Nico: It's true.

Olivia Lincolnshire: Oh sorry.

Rhonda Lincolnshire: But Nico it's awesome to see you again.

Yulia Lincolnshire: Yeah you are awesome as leader of the team now.

Nico: Thanks girls.

Laney: I love all the colors of your hair. They match all seven colors of the rainbow.

Me: Wait a sec. R.O.Y.G.B.I.V. - Rhonda, Olivia, Yulia, Gretchen, Beverly, Irina and Valentine. I get it. That's cool.

Beverly Lincolnshire: You catch on really awesomely J.D.

May: He sure does.

Mera: But you did great taking down those kids and giving them a great reprimanding.

Irina Lincolnshire: Thanks Mera.

Mera: What are your favorite memories of Nico?

Rhonda Lincolnshire: We have many of them. But most of them are in Marine Biology.

Olivia Lincolnshire: Like many sets of twins we all are connected and we do stuff together.

Yulia Lincolnshire: We all did a project where we were studying about the trenches of the world and we did projects for the Mariana and the Puerto Rico Trenches.

Me: Those are the 2 deepest trenches in the world. Mariana at 36,036 feet and Puerto Rico at 27,480 feet.

Gretchen Lincolnshire: That's right and we studied about the water pressures are those depths too.

Eli: Mariana has 16,000 pounds per square inch and Puerto Rico has 8,800 pounds per square inch.

Beverly Lincolnshire: That's right Eli.

Irina Lincolnshire: We got an A+ on that project.

Valentine Lincolnshire: And Nico treated us all out to burgers after that.

Nico: Yep.

Lola: That's really amazing.

Lily: It sure is. Thank you girls for helping us get the grill back.

Rhonda Lincolnshire: No problem Lily.

Nico then hugged all seven of the girls.

Nico: I missed you girls.

Lincolnshire Sisters: We missed you too Nico.

Me: Wow.

Maria: The Sisters of The Rainbow. That's an awesome sight.

Mr. Krabs: Aye lass. It sure is.

Eli: So awesome.

Arrietty: It was awesome.

Toru: This was an awesome rescue that was my first one underwater.

Nico: It sure was awesome.

We got the grill back to the Krusty Krab. To be honest, the grill looked awesome with Flame paint on it.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, and Aquaman are heading to New York, and not only is Lincoln going to rescue the six girls there, but we're also going to meet the heroes Andy Baker A.K.A. Fury, Mike Collins A.K.A. Krush, and Liv Baker A.K.A. Myst and Andy's younger sister, along with their boss and founder of Ghostforce, Ms. Jones, and we're also going to deal with Raijin, a level six, electric thundercloud-like ghost who's awakened and is causing havoc.

Lincoln: Wow, we're here in New York, and I know what we're going to do here, not only am I going to rescue the six girls there, but we're also going to meet the heroes Andy Baker A.K.A. Fury, Mike Collins A.K.A. Krush, and Liv Baker A.K.A. Myst and Andy's younger sister, along with their boss and founder of Ghostforce, Ms. Jones.

Nico: That's right, big guy, and we're also going to deal with Raijin, a level six, electric thundercloud-like ghost who's awakened and is causing havoc.

Me: I've heard the news about the Ghostforce, and they're awesome.

Lincoln: You said it, they've been dealing with ghosts that awaken from cursed objects to cause havoc and chaos in New York, and they've also heard about us as well, and they also hated Albedo's former teammates, and they'd never believe their lies ever. So, this is going to be one awesome rescue, and thanks for joining us, Arthur.

Aquaman: You're welcome, Lincoln. This is going to be one amazing

rescue.

Suddenly, we saw storm clouds gathering in New York, and we saw lightning strike the radio tower and we knew there's trouble.

Lincoln: Oh no. Looks like Raijin's activated Booster Mode, thanks to scaring people on the Brooklyn Bridge.

?: Hey, you guys made it.

Suddenly, we saw who we were looking for: Andy Baker A.K.A. Fury, Mike Collins A.K.A. Krush, and Liv Baker A.K.A. Myst and Andy's younger sister, and we saw Ms. Jones, the founder of Ghostforce and their boss, and her little ghost, Glugs.

Lincoln: Wow, The Ghostforce, looks like you guys made it.

Andy Baker: We sure did, Lincoln. So, what brings you guys here to New York?

Lincoln: We're here on one of my rescues, and we also heard about you guys from the news on the internet, and we've been wanting to meet you.

Liv Baker: Same here, and you've heard that we never believed a single word from Albedo's former teammates, and because of what happened, you were still haunted by that.

Lincoln: I know, Liv, and because of that, along with the deaths of Colonel Whitmore and General Morshower, I didn't get any sleep and I lashed out at everyone. But, eventually, thanks to J.D., I learned that I have to learn from my mistakes and move on, and that caused me to break down and cry.

Mike Collins: That's really bad, I can't believe you went through that.

Nico: But, he wasn't the only one, we also were haunted by those events, but we learned that we had to move on from the past and learn from our mistakes.

Ms. Jones: That's good to hear. Now, we better get going, and save New York.

?: HELP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Raijin, and that ghost's going to blast them.

Lincoln: Guys, I found the six girls, but they've been cornered by Raijin, and that ghost's going to blast them.

?: That crazy thundercloud ghost.

?: Let's get him.

Suddenly, we saw the Duel Monsters, Great Moth and Poison Butterfly, land in front of us.

Nico: Wow, Great Moth and Poison Butterfly, awesome.

Lincoln: And I know those voices from anywhere, I knew it was you, Jane Mothra and Megan Kiraton.

Girl Jordan: But, we'll have to talk later, we've got a ghost to capture.

We rushed on over, and Lincoln fired powerful rainbow energy balls at Raijin, and we got the six girls to safety. When Raijin saw us, he was mad.

Lincoln: Sorry, but your little spree of chaos is over.

Andy Baker, Mike Collins, and Liv Baker: LET'S GO GHOSTFORCE!

Andy Baker transformed into Fury, Mike Collins transformed into Krush, and Liv Baker transformed into Myst, and Ms. Jones sent out Globoo to help us out, and Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and

Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Aquaman, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Raijin, and we fired powerful blasts of rainbow energy, colored energy, fireworks, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, stars, rainbow flames, and rainbow crystals, and they exploded with incredible power as they hit the ghost.

Raijin fired blasts of lightning at us, but Lincoln absorbed it and it made him stronger, and then, he made two portals and he and Globoo fired rainbow energy balls and balls of light and hit Raijin and blinded him. Then, Lincoln saw the radio tower, and he knew it was the source of power for Raijin.

Lincoln: Liv, fire a Spectral Arrow and hit the radio tower, it's the source of Raijin's power.

Liv Baker: Got it, Lincoln.

Myst summoned her Spectral Bow, while Fury, Krush, and the rest of us kept Raijin busy.

Myst: Spectral Arrow!

Myst fired a spectral arrow, and before Raijin noticed anything, the arrow hit the radio tower and that caused Raijin to get stunned.

Myst: It's nap time. (Took out her Boocap) OCTOCAT!

Myst twisted her Boocap, and it summoned her tamed ghost, Octocat, and as she fired a spectral arrow, Octocat wrapped its tentacles around it, and it clobbered Raijin, and it reverted back to it's base form.

Myst: Here, Lincoln.

Myst tossed a Boocap to Lincoln, and he tossed it at Raijin, and it captured the thundercloud ghost, and as that happened, the storm clouds over New York disappeared, and everyone cheered for us, as we holster our weapons and power down. Fury, Krush, and Myst changed back to Andy Baker, Mike Collins, and Liv Baker.

Lincoln: We did it, that's another ghost captured. And are your parents okay.

Liv Baker: They're okay, but the truth about us being the Ghostforce is about to come out.

Ms. Jones: Whatever happens, kids, I'll be there for you all.

Nico: Same with us.

Just then, Andy and Liv's parents, Melissa and Jay Baker, and Mike's dad, Michael Collins, arrived at our location.

Melissa Baker: So, is what we saw true, you three are The GhostForce?

Liv, Andy, and Mike couldn't deny the truth any further, so they decided to tell their parents.

Andy Baker: Yes, you're right, Mom. We are the Ghostforce, but we had to keep it a secret, even from you guys, we understand if…

But, Andy's conversation ended with their parents hugging them.

Mike Collins: What, but I thought that…?

Michael Collins: Yes, we were stunned about that revelation, but now that we know the truth, we're so proud of you guys, and we were also told of the fact that Drake Phillip was bullying you guys.

Andy Baker: What, but how…?

Just then, we saw TLPS Mr. Wolf looking secretive.

Lincoln: You told them, didn't you?

TLPS Mr. Wolf: Yeah, I had to, what Drake did in bullying them, that's breaking the rules of school.

Melissa Baker: And thanks to what you told us, we had a talk with Mr. Vladovsky, and as a result, Drake was expelled from school, and he's being sent to a boarding school for what he did.

Ms. Jones: I always knew Drake's been nothing but trouble for the kids, and it was only a matter of time before he got caught.

Then, the parents continued hugging the kids, and they invited Ms. Jones to join in the hug as well, and it was really amazing.

Lincoln: And don't think your adventures are over, guys. In fact, your adventures are just beginning.

Andy Baker: Wait, does this mean?!

Nico: Yep, you guys are now members of Team Loud Phoenix Storm.

Andy Baker: Alright.

Ms. Jones: This is incredible. I've already got my lab ready to go, and ready to move to Gotham Royal York immediately. And I've also got to do some more updates on Glowboo, and I'll need help from the team's geniuses.

Lisa Loud: Looks like I'm going to be busy for a while helping to do updates on Glowboo.

Melissa Baker: And no matter what, we'll always be proud of all of you for what you've done in keeping New York and the world safe from the ghosts.

Liv Baker: Thanks, Mom.

Lincoln: That's it for that crazy thunder ghost. (To Jane Mothra and Megan Kiraton) And it's so good to see you and Megan Kiraton again, Jane Mothra.

Jane Mothra reverted back to normal, and she's a beautiful 17-year-old girl with long flowing green hair and a green flower in her hair and moth antennae on her head, green eyes, she's tall at 6'5" in height, she has the body of a goddess, she has the massive wings of the Madagascar Sunset Moth, and she reigned in the power of Great Moth, and she's dressed in a green sleeveless blouse, green skirt, green pants, green high-heeled knee-high boots, and green sleeveless trenchcoat with moths on the coattails, and Great Moth on the back, and holstered on her back is a large Great Moth themed sword with a 6'10" massive, wide, double-edged green blade with Great Moth etched on it, green moth wings for the crossguard, large green gem embedded in the rainguard, longer black handle, and large green gem for the pommel.

And Megan Kiraton everted back to normal, and she's a beautiful 17-year-old girl with long flowing purple hair and a green flower in her hair, purple eyes, she's tall at 6'5" in height, she has the body of a goddess, she has massive purple butterfly wings, and she reigned in the power of Poison Butterfly, and she's dressed in a purple short-sleeved blouse, purple sleeveless top, purple skirt, purple pants, purple shoes, and purple sleeveless trenchcoat with butterflies on the coattails, and Poison Butterfly on the back, and holstered on her back is a large Poison Butterfly themed sword with a 6'10" massive, wide, double-edged purple blade with Poison Butterfly etched on it, purple butterfly wings for the crossguard, large purple gem embedded in the rainguard, longer black handle, and large pink gem for the pommel.

Megan Kiraton: You too, Lincoln, it's been a long time.

Jane Mothra: Same here.

Lincoln went up to Jane Mothra and Megan Kiraton and they hugged, and the girls are also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Jane Mothra: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know these two girls?

Lincoln: Indeed I do, Nico, the Great Moth is Jane Mothra and the Poison Butterfly is Megan Kiraton, they're two of my Guardian Angels from Michigan. Jane Mothra was born with the wings of the Madagascar Sunset Moth and also has moth antennae on her head. She's also a really awesome fighter too and she's taken down Lola when she was at her worst, and Megan Kiraton has protected me from Lynn at her worst, but she also has a dark secret: she was forced to kill her own mother because her father threatened her life! But, luckily the police caught him 24 hours after the crime. But, the whole experience devastated Megan and she is forever emotionally scarred because of being duped by her so-called dad. Her dad was sentenced to death for the crime. Her whole life had been totally destroyed by her own dad.

We gasped in horror.

Nico: My God, so her scumbag dad forced her to kill her own mother, because he threatened her life?!

Me: And because of it, the experience devastated her and she's forever emotionally scarred because of being duped by her so-called dad, and her whole life's been totally destroyed?! This is something we're not going to like hearing.

Suddenly, a Thunderbird of Eternal Love appeared around Jane

Mothra's neck with green gems on the gold thunderbolt links and green crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklaces of Eternal Love and a Thunderbird of Eternal Love appeared around Megan Kiraton's neck with purole gems on the gold thunderbolt links and purple crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklaces of Eternal Love.

Megan Kiraton: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you and Jane are now part of my harem and one of my many future wives, Megan.

Jane Mothra and Megan Kiraton had a smile on their faces and tears coming from their eyes, as the girls wrapped their arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around them, and he leaned down and kissed Jane Mothra and Megan Kiraton on the lips, and they returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Yu Mira, Dan Ahan, Lee Sujin, Viaochen, Anna, and Uriel from God of High School.

Lincoln: Oh wow, it's Yu Mira, Dan Ahan, Lee Sujin, Viaochen, Anna, and Uriel.

Nico: From God of High School, awesome.

Lincoln: Are you girls okay?

Yu Mira: Yes, we're okay thanks to you.

Then, when Yu Mira and the other five girls saw who it was that saved them from Raijin, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Yu Mira: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Yu Mira: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Yu Mira, Dan Ahan, Lee Sujin, Viaochen, Anna, and Uriel with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone about the rescue, and they also met the Ghostforce, and they were shocked when they found out that the villain we went after was Raijin, a level six, electric thundercloud-like ghost who awakened and was causing havoc in New York.

But, when Lincoln showed what we all did in capping that ghost, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln, Jane Mothra, and Megan Kiraton have a lot of catching up to do, now that they're back in town, and Andy, Mike, Liv, Glowboo, and Ms. Jones are now new members of the team.

Liv Baker: And we'll also have to learn more about Gotham Royal York, so that way, we can get very familiar with the area.

Mike Collins: Might not be easy, Liv, since Gotham Royal York will continue to expand.

Andy Baker: But, at least, Drake's going to be going to a strict boarding school as punishment for all the trouble he's caused us.

Lincoln: Yes, that's true. But, this doesn't mean you're still not getting out of doing schoolwork, Andy.

Melissa and Jay shared a little laugh, along with Liv and Mike.

Andy Baker: Right.

Liv Baker: But, still, Lincoln's right, Andy.

Andy Baker: He's right, I got to concentrate more on my work and pay attention in class more.

Mike Collins: But, we'll still be there to help you, Andy.

Andy Baker: Thanks, guys.

We were definitely going to enjoy having the Ghostforce on the team, but this means, we'll be dealing with any ghosts that spring up.

---

After our little ghostly rescue and meeting the Ghostforce, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Jane Mothra and Megan Kiraton saw Lincoln working out like crazy, they had an atomic red blush on their faces.

Jane Mothra: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Jane and Megan, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Megan Kiraton: That's incredible.

Nico: It sure is. Megan, I know that it's painful to talk about, but can you tell us about that event that led to your life being ruined forever by your scumbag dad?

Megan Kiraton: I'll try. Long ago, I thought that I had a really happy childhood, but as I was growing up, my parents' marriage broke down and I heard them screaming and yelling every time, and it also got violent when I saw Dad throwing objects at us, and he even violently assaulted us. By the time I became 15, my Dad was now a completely unhinged and psychotic madman hellbent on getting rid of Mom, and I was forced to kill her, because he threatened if I didn't kill her, he was going to kill me. One night, he tied up Mom and blindfolded her, and he ordered me to stab her and slit her throat, so she dies horribly, and with a gun to the head, I was forced to do the dirty deed, and it was so horrible that I was covered in my own mother's own blood, and I was so horrified and traumatized by what I just did. Then, 24 hours after the crime, my dad was arrested and he was sentenced to death for the crime, and I was so devestated and emotionally scarred forever because of him, and because of that dark day, my life has been completely destroyed forever! (CRYING HARD)

Eli comforted her.

We had tears in our eyes because of what we just heard, including the Ghostforce and the parents of Liv, Andy, and Mike.

Me: My God.

Nico: That bastard, I can't believe what he forced Megan to do! He's just sick and pure evil!

Lincoln: Yes, what he did was pure evil, and because of it, her life was destroyed forever, and Megan was so distraught, she wanted to kill herself. But, I stopped her from doing so, and then, I hugged her and she hugged me back as she cried really hard. Lynn tried to beat me up for being nice to her, and when Lynn called her the daughter of a murderer, Lori told Lynn she'd better stop or she can say goodbye to every last sports jersey, her sports equipment, and her sports balls for good, Lynn backed off, but Megan swore she'd protect me from Lynn, since she knew Lynn was really bad before we had her dark side removed, especially when Lynn was at her worst.

Jane Mothra: Same with Lola.

Girl Jordan: But, what happened to Megan was really horrible. She lost her mother and her father in one day, and her life was destroyed forever, but Lincoln saved her from committing suicide, and she became his Guardian Angel.

TLPS Mr. Wolf: When's her former dad's execution? This is one execution I'm going to enjoy seeing.

Mike Collins: According to the internet, his execution's first thing tomorrow, and they're going to administer a lethal injection to him.

Liv Baker: Good, he deserves to get his just desserts for ruining Megan's life.

Andy Baker: That really makes me sick, how can someone be so evil and do something like this?

Lincoln: Serial killers are just that, Andy, they have no conscience or compassion, or any emotion whatsoever. They enjoy killing their victims and ruining the lives of others just for their own sick amusements.

We then got a shower afterwards, and then, Lincoln and his harem are heading to Coral Capers in Donkey Kong's world.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered, in case of trouble, and Lincoln's harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble.

Lincoln: Alright, ladies, shall we?

Girl Jordan: Of course, Linky.

Lincoln and his harem headed for Coral Capers, and when they arrived, it's an awesome underwater place with plenty of hidden areas to explore.

Paige: Whoa, is this Coral Capers in Donkey Kong's world?

Lincoln: That's right, Paige, and there's also plenty of hidden areas to explore there, and who knows what we'll find. Shall we?

Then, Lincoln and his harem dived right into the waters, and they explored the hidden areas, and in them, they found some treasure chests in the areas and put them into scrolls. Then, when they got to the surface, Lincoln got a deep tissue massage from the girls in his harem, and he returned the favor and he gave the girls a deep tissue massage in return, and they also played with their kids in the water and in the sand. Then, they had lunch that Lincoln packed, and they sat in a picnic area that Lincoln made. Then, as the sun was about to set, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion. Then, they came back home to the Estate, and they were in their original clothes.

Nico: Hey, Lincoln, how was your beach date?

Lincoln: Awesome, Nico. We went to Coral Capers in Donkey Kong's world.

Me: Whoa, I've heard about Coral Capers, that place is suppose to have plenty of hidden areas there.

Lincoln: That's right, and look what we found.

Lincoln and the girls took out the scrolls, and the treasure chests came out, and when they opened the chests, inside them were a king's fortune of gold coins and gems, and it awestruck everyone.

TLPS Mr. Wolf: Incredible, that's what I call a king's ransom.

Liv Baker: That's so amazing. So, what are you guys going to do with the treasure chests full of gold and gems?

Lincoln: The same thing we've done whenever we find treasure chests filled with a king's ransom of jewels and gold: donate the chests filled with gold coins and gems to the museum, but they'll be put under tight security, so no one tries to steal it.

Ms. Jones: Good thinking, Lincoln. I'd hate to find the sap who tried to steal the treasure you found.

Lincoln and the girls sent the treasure chests full of gold coins and gems to the museum.

---

Later it was time for Will Vandom's second Ambassador Mission to see the OOO Kamen Riders.

William: Anyone else want to go with Will? Besides Leo Corbett and 3 Rabbids?

Megan McCallister: I can go too.

Lillian Hale: Same with me.

Elyon Brown: And me.

Nico: Okay. It'll be awesome for the Guardians to have their friends too.

Me: Awesome. And Lillian starts her Ambassador Missions tomorrow. This will be an awesome warmup for her to get to know how things are done.

Nico: Yep. It sure is.

Megan Kiraton was sitting on the couch still crying.

Nico: Oh man. Poor Megan.

Laney: I don't know how much longer I can stand seeing her like this.

Me: Laney she is going through some rough trauma. Her father made her do this against her will.

Seeing Megan cry like this was making my heart ache. What her father did to her really made my blood boil and at the same time I couldn't help but feel sad for her.

Nico: Oh man. Poor girl.

Lincoln was comforting her and helping her out.

Nico: Come on guys. There's nothing we can do now for her. All we can do is give her some space.

We were off to Japan.

We arrived.

Eiji Hino: Hey guys!

Me: Ohayo!

Will: Eiji, meet the additional members of the Guardians.

Megan McCallister: Awesome to meet you. My name is Megan McCallister and I'm Cornelia's best friend.

Me: Megan and Cornelia met on a Penpal site.

Lillian Hale: My name is Lillian Hale and I'm Cornelia's little sister.

Elyon Brown: And I'm Elyon Brown, Queen of Meridian and the Guardian of Time.

Eiji Hino: Awesome to meet you all.

Cornelia: Megan is the Guardian of the Stars, Lillian is the Guardian of Light and Elyon is the Guardian of Time.

Nico: Yep. We have all the Guardians covering most of the elements. Oh and this is one of the many Power Rangers we have on the team.

Leo Corbett: Awesome to meet you all. I'm Leo Corbett, leader of the Lost Galaxy Power Rangers.

Me: The Lost Galaxy Rangers are known as the Gingaman here in Japan.

Eiji Hino: That's awesome! It's an honor to meet you.

Leo Corbett: Same here.

Shintaro: Will, this is Akira Date. My predecessor who was Kamen Rider Birth before me.

Akira Date: It's an honor.

Will Vandom: Pleasure is ours.

Me: Akira it's an honor.

Akira Date: Same here J.D.

Me: Lillian is with us because she is getting some practice in for her upcoming ambassador missions starting tomorrow. She meets the Gaim Kamen Riders.

Eiji Hino: That's amazing!

Akira Date: Also, these days, I go by the moniker Kamen Rider Birth Prototype.

Me: That's awesome.

Eli: It sure is.

Nico: I think that's amazing myself. Also we saw that you guys have these really awesome motorcycles as well as these awesome soda can creatures.

Eiji Hino: Yeah they are cool.

Nico: Eiji, I have to ask. Why do you always carry a collection of underwear with you?

Eiji: My grandfather taught me that all a man needs is a pair of underwear for tomorrow.

Nico: Well… I guess I can't argue with that.

Me: Very wise saying there.

Eli: Yeah that is true.

Lillian Hale: It sure is.

Cornelia: We heard that you guys know a Greeed named Mezool. She is the Sea creature Greeed right?

Eiji Hino: That's right.

Me: Boy I remember her. She was a tough one. So was Gamel. But he was really screwed up in the head. He needs to get himself a real girlfriend.

Eiji: Will, how would you like to become an OOO Kamen Rider?

Will Vandom: I would be honored Eiji.

Me: Lets also include the Guardians as well.

Eiji: Good idea.

Lillian Hale: This is gonna be awesome!

Me: Yeah!

But then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We heard an explosion!

Shintaro: Let's see which Greeed we're dealing with this time.

Me: Lets go kick some Greeed ass!

We went to find out which Greeed was causing trouble. We arrived at the park and we saw MEZOOL, GAMEL and numerous incomplete Greeeds running amok!

Nico: Mezool and Gamel! We were just talking about them.

Me: Mezool would make a potential member of the Masters of Evil.

Eli: She sure would.

Will: Time for a test run. Henshin!

Eiji, Shintaro, and Akira: Henshin!

TAKA! TORA! BATTA! Ta-to-ba! Tatoba, Ta-to-ba!

Will governed the THUNDERBIRD, PHOENIX AND ROC!

They transformed!

Nico: COOL!

Me: AWESOME! Wow! Will you look great!

Will Vandom: This is really cool!

Time to guardian up girls!

Irma Lair: You got it!

The Guardians transformed!

Irma Lair: (Water Swirls) WATER!

Taranee: (Fire Burns) FIRE!

Cornelia: (Vines Grow) EARTH!

Hay Lin: (Wind Blows) AIR!

Me: (Lightning Strikes) LIGHTNING!

Elyon: (Clocks Tick) TIME!

Megan McCallister: (Stars Glisten) SPACE!

Lillian Hale: (Light Shines) LIGHT!

Nico: This is gonna be good. (Goes Super Saiyan 4)

Eli: I'm going to tear these Greeeds apart. First this.

Eli engaged the Cell Medal Tank.

Eli: There. Ready. (Goes Super Human 3)

Leo Corbett: GO! GALACTIC!

Leo transformed into his Red Lost Galaxy Ranger form!

Irma: Will, what are you calling this form?

Will Vandom: I will call it Myth Flight.

Me: Raitori, Houou, Jinmeiyo. Wow! Good setup. RaiHoJin.

Nico: I like that.

Will Vandom: Cool.

Will charged at Mezool.

She spread her wings and flew into the air.

Mezool: What!?

She flew and went fast and kicked her all over the place with numerous kicks all over and numerous medals poured out of Mezool and they were being sucked into the Medal Tank.

I was facing Gamel.

Gamel: Mezool! You will not take Mezool!

Me: You are seriously fucked up in the head. Get a REAL girlfriend you fuckface.

Gamel: WATCH YOUR MOUTH ASSHOLE!

Me: Bite my electrified shocking ass!

I went at him and slashed him with my sword of lightning and numerous medals poured out of him and got sucked in.

Mezool: Impressive. I didn't expect to fight a female Kamen Rider.

Will Vandom: First times for everything these days. Especially when that Kamen Rider also has otherworldly powers.

Will fired a wave of lightning and blasted Mezool all over the place and medals poured out of her.

I slashed Gamel all over with my sword of lightning and really was destroying him.

Eli, Lillian and the other Guardians were blasting the Incomplete Greeeds all over and medals were pouring out of them like crazy!

Eli: FIST OF THE MORTAL FLAME!

Eli fired the Flame of the Living and incinerated many Incomplete Greeeds and they exploded and metals poured out everywhere!

Mezool: (to Eiji) OOO, it's been a while. How've you been?

Eiji: Busy destroying remnants of the Greeeds.

Will Vandom: Just like we'll be when we destroy the mad doctor that made you all.

Nico: And he will be destroyed forever. But you have potential to be a great member of the Masters of Evil.

Mezool: Not interesting in joining Baron Zemo's cause.

Nico: It's not Baron Zemo's group. It's Vypra's group. She is the leader of the Masters of Evil.

Mezool: I see.

Shintaro: Don't forget about me!

Nico: Oh we wouldn't leave you out of the fun Shintaro.

Shintaro: Thanks!

Shintaro was blasting and slashing numerous Incomplete Greeeds all over.

Me: Gamel you give all loving boyfriends everywhere a bad name. You're just an insane sad little man with a damaged brain pretending to be big in a world where you can never understand what it's like to be with normal people!

Gamel: SHUT YOUR FUCKING HOLE!

Me: Up your fucking nose with a fucking rubber hose!

I went at him and had a big blade of lightning ready and then I slashed him and cleaved him in half and he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded in a massive shower of medals and core medals and they got sucked into the tank.

Eiji: Seiya!

Eiji slashed and destroyed numerous Incomplete Greeeds.

Mezool: I'll take up your offer on joining the M.O.E. But only if I get a good archenemy.

Me: I think I have one perfect for you. But I think you're going to have to wait on her. She is going through some dark times. You'll have to come with us to the estate to see what I mean.

Mezool: Understood.

Eli: Lets finish these guys! SWORD OF THE DARKNESS FLAME!

Eli slashed numerous Incomplete Greeeds with a sword made of pitch black fire and destroyed many of them.

Nico and all of us slashed them all over.

Leo Corbett: QUASAR SABER! FIRE!

He fired waves of fire from his Quasar Saber.

We destroyed them all in an instant.

Nico: Take that!

Mezool walked over to where Gamel was killed and spat on it.

Me: What a loser.

Nico: Gamel you have failed this city.

Eli: Yes he has.

The tank got turned off and it counted 1,232,124 medals and 9 Core Medals.

Eli: Wow what a catch.

Nico: No kidding.

Eiji: That was awesome though.

Later we came backl

May: Hey guys. How did it go?

Nico: Really awesome. And we have someone who would like to talk to Megan here.

Megan was still crying and she has been really upset about what she did.

Mezool went over to her.

Mezool: Megan I'm Mezool and I'm going to be your archenemy in the future. I heard what happened with you and I'm so sorry.

Megan Kiraton: (Crying) It hurts so bad! I killed my mother! I'm a monster!

Laney: Megan you aren't a monster. If you express remorse like that then it means you are not a monster.

Lori: You literally did all that against your will. Your father was pure evil incarnate.

Lola: Yeah Megan. What your father did makes him worse than the devil himself.

Mezool: Megan it's not your fault. Your father is to blame for everything he did to you.

Megan Kiraton: (Crying hard) I know! I just wish I HAD MY MOM BACK! (WAILING HARD)

Jane Mothra and Laney and Lincoln comforted her.

Me: (Tears stream down my face)

Nico: Poor girl.

Eli: She is really broken.

May: Dr. Viktor and Kameo should go with you next time

Will Vandom: Good idea.

Me: I agree. Nico I need to talk to Clyde for a minute. In private.

Nico: Okay.

I went with Clyde to the Briefing Room.

2012 Leatherhead: (to Megan Kiraton) I think you need some fun to cheer you up. And we've got just the thing!

Nico: Leatherhead this is serious. Her father made her murder her mother in cold blood. He broke the entire sacred bond between father and daughter. We just need to give her some space. I'm sorry but we just need to let her be for the time being. She went through a very traumatic experience.

2012 Leatherhead: Oh yeah. You're right.

In the Briefing room I was talking with Clyde.

Me: Clyde I have a very special assignment for you and Syd in a secret mission.

Clyde: You can count on me J.D.! What is it?

Me: Your mission after tomorrow's mission is to piss of these guys.

I pulled up the Time Jackers from Kamen Rider Zi-O.

Me: Our future Ambassador Missions are gonna be for the Zi-O Kamen Riders and we can't afford to have any interruptions from them before the missions, during the missions and leading up to the Big Day. So We need you to strip the Time Jackers of their powers and then give them a really hard time by beating them up. They are our targets on the big day when we all meet the Zi-O Kamen Riders in the future. Like how we went to take down the Black Ghost organization, we'll have you and Syd make Time Jackers have a really bad day.

Clyde: I like it! This is gonna be good.

Me: Yep and your time powers are perfect for this mission. Good luck Clyde. Not that you'll need it but you'll do great. Also this is part of my plan.

Clyde: I get it!

Me: All will be revealed in good time.

---

Later at school while Pickle & Barley Barrel and Lincoln's shadow clone were looking after Megan, we were getting ready for an awesome and amazing.

Nico: I have an awesome treat for everyone in the entire school I put together an awesome festival for us in the gym and the classrooms.

Maria: Wait. You're talking about the Twinkie Festival, aren't you?

Nico: Yep!

Maria: OH WOW! I LOVE TWINKIES!

Me: Me too!

Laney: A Twinkie Festival is an awesome idea!

Me: Yeah! But where did you get the Twinkies for it?

Nico: After I got back from my rescue earlier this morning I found a planet made of Twinkies and it was really awesome! I got lots of Twinkies from it and that's when I decided to put together the Twinkie Festival.

Eli: That's a great idea!

Nico: Yep. And it starts in 30 minutes.

May: Wait. That was the fun you were talking about?

2012 Leatherhead: Of course it was.

Nico: Yeah and as much as I want Megan to get better right away we have to let her calm down first before we can have her be part of the action.

Me: Nico is right guys. Murder is a very terrible thing. I've seen how it affects people physically, mentally and emotionally in crime documentaries and on the news and it's not a very pretty sight. Especially when those criminals use their own flesh and blood do their dirty work for them.

Eli: Yeah.

Laney: I've seen that before too.

Nico: I know.

Rarity: We should at least buy her some Twinkies.

Nico: Good idea Rarity.

Lincoln: Who doesn't love Twinkies.

Laney: Yeah they are a great dessert.

Lana: The best ever. Especially because Nico found a planet made of them.

Laney: That is amazing.

The festival began and WOW WAS EVERYONE IN THE SCHOOL BUYING THEM! Everyone was also having fun with some of the games we made too. They played ring toss, bottle smash, everything. Prizes were stuffed animals and Twinkies and more.

Cutthroat: I'll have 10 Twinkies please.

Vender: Coming right up!

Cutthroat gave him $20.00 and he got 10 Twinkies.

Nico: And we've saved the best for last.

Me: What is it?

Nico: There's a contest in this festival to make the largest Twinkie in the world.

Me: COOL!

Eli: What's the current record?

Me: The current record is that it weighs over a ton and it's the equivalent of 32,300 regular Twinkies.

Nico: Yep. And it took 5 days and 100 hours to make.

Me: WHOA!

Laney: That is amazing.

Lola: Did you already make it?

Nico: Yep. Been doing so for this occasion.

Tracks: I… honestly can't make a Twinkie that big.

Nico: That's why me and J.D. did it in secret. And Applejack is bringing it in now.

Nico pulled out a remote and pressed a button and opened the roof and Applejack lowered a giant table by a crane and on it was a REALLY HUGE AND MASSIVE TWINKIE! IT WAS AS BIG AS A CAR!

Me: Ain't she a beaut?

Eli: OH MY GOODNESS!

Twilight Sparkle: That is a huge Twinkie!

Me: Yep. It took a lot of time to make too.

The Twinkie was weighed in and it weighed 10 tons and we told them that it took 21 days to make and was the equivalent of 750,230 regular Twinkies! We won the contest! We were given a trophy that was in the shape of a solid gold Twinkie! SO AWESOME!

Back at the estate Megan was a little better with Pickle & Barley Barrel helping her out. And Lincoln's clone helping her out too.

Ruckus: (choosing his words carefully) Megan, we got some Twinkies for you. These might not cheer you up all the way. But you should still try them.

Megan Kiraton: (Glumly) Oh Twinkies. I haven't had one in ages since I was with Lincoln the last time.

Lincoln: Megan we just want to try and help you.

Me: Megan we know how you feel too. Lincoln has something to talk to you about when we were dealing with Bank Robbers the last time. Lots of things happened on our adventures.

Megan Kiraton: Like what?

Lincoln: Well we had a lot of great people die for us and for the world.

Lincoln told her what happened with President Whitmore and General Morshower and all those that died heroically for us and more and she was amazed.

Megan Kiraton: All that happened to you guys? I had no idea.

Lana: Yeah it was rough.

Me: But Megan we're sorry about your mom. You will always miss her but she will always be with you as long as you remember all of the things that she taught you. You will never be apart from her as long as you remember the fun things you did together. In a way you are never apart.

?: That's right my darling.

A spirit of a woman appeared and it was Megan's mom Christie!

Megan Kiraton: Mom? MOM!

She went over and hugged her mom and cried again!

Megan Kiraton: (CRYING) OH MOM! I'm So Sorry!

Christie Kiraton: I know Megan. That monster of a husband of mine made you do it. I will never forgive that monster for what he did and it wasn't your fault. But I just want you to know that I will always love you.

Megan Kirafon: (Sniffles) Thank you mom.

Christie Kiraton: You're welcome. (To Lincoln) Lincoln wow its been a long time. You've really grown from that little boy that I remember.

Lincoln: Its been a long time Mrs. Kiraton. I'm so sorry about what happened to you.

Christie Kiraton: It's all right. Just do me one last favor Lincoln.

Lincoln: What is it?

Christie Kiraton: Take care of Megan and love her like you do all your future wives.

Lincoln: I promise I will.

Christie Kiraton: Thank you all.

Megan Kiraton: Goodbye mom.

Christie went back up to Heaven.

Lincoln: I'm glad you got to see your mom again one last time Megan.

Megan Kiraton: I am too Lincoln. But I will never forgive my father for everything he did.

Me: At least he got what he deserved.

Then Amora, Pterodactyl Ghost, 10,000 Volt Ghost, Doc Ock, Count Vertigo, Scorpion, Sportsmaster, Pied Piper, Black Knight Ghost, and Juggernaut appeared.

Amora: Can me, Pterodactyl Ghost, 10,000 Volt Ghost, Doc Ock, Count Vertigo, Scorpion, Sportsmaster, Pied Piper, Black Knight Ghost, and Juggernaut go with you guys?

Nico: Yes you all can.

10,000 Volt Ghost: Megan we heard about what happened from Mezool and we're so sorry about what happened.

Megan Kiraton: I know. Thank you guys. I'm just glad that my mom is still with me.

Me: We're glad.

Trixie Lulamoon: Nico, which Gene Slammer do you think will appear on your next rescue?

Nico: Well I'm hoping to do dinosaur Gene-slammers next. I'm hoping to do ones for a Giganotosaurus, Triceratops, Quetzalcoatlus, Stegosaurus, Spinosaurus, Velociraptor, Brachosaurus, Pachycephalosaurus, Dimetrodon, Ankylosaurus, Parasaurolophus, Plesiosaurus, Ichthyosaurus and Microraptor.

Me: Whoa!

Tyler Navarro: Wow! Lots of Dinosaurs this time!

Laney: Wow!

Callie Ginger: And I know who you are going to meet next. The Dino Sisters.

Nico: Wow! I haven't seen them in a while.

Me: What are their names?

Nico: Tara, Diana, Taylor, Shannon, Molly, Violet, Dawn, Penny, Sally, Eva, Kelly, Belle, Jessica and Yuri.

Naruto: Wow!

Me: Then it looks like all of the Dino Charge Rangers might be going with you on this one.

Nico: Yep.

Count Vertigo: I think the next mission will be on another planet.

Nico: Yep. Our scans show that this is a planet that is not a food planet this time. But it's not close to here unfortunately so we're going to have to take the ship.

Me: Where is it at?

Nico: In the galaxy Centaurus A.

Me: Wow! All the way out there this time.

Eli: Yeah.

Aria Blaze: Girl Jordan, in case another version of Carnage shows up here, Nico got Stewie working on some weapons that will help you out.

Girl Jordan: Really?

Stewie: Indeed we have.

Stewie pulled out a powerful sonic rifle.

Stewie: This is the Sonic Cannon Rifle. It emits a really loud sonic blast that is over 100,000 decibels.

Laney: Wow that is loud!

Lana: Yeah!

Stewie: And it's also a flamethrower too.

Girl Jordan: Wow! Thanks Stewie.

Stewie: Anytime.

Me: Awesomely well done Stewie.

Nico: Yeah. Lets head to the ship.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than Cassiopeia Du Couteau, the youngest and most beautiful daughter of the noble Du Couteau family of Noxusa and a deadly creature bent on manipulating others to her sinister will, and she's here to cause havoc. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Ahri, you and the others aren't going to like it: the dark energy signal I sensed belongs to Cassiopeia Du Couteau, the youngest and most beautiful daughter of the noble Du Couteau family of Noxusa and a deadly creature bent on manipulating others to her sinister will, and she's here to cause havoc.

Ahri: That manipulative evil snake's here?! Oh, I am so going to turn her into a pair of snakeskin boots!

Lori: But, we need to know more about her before we get after her, Ahri.

Ahri: Oh, right.

Ahri proceeded to tell us about Cassiopeia Du Couteau, and we aren't going to like her one bit.

Cassiopeia Du Couteau

Cassiopeia Du Couteau, simply known as Cassiopeia or The Serpent's Embrace, is a villainous playable character in the multiplayer online battle arena game League of Legends, and appeared as the main antagonist in Shurima: Descent into the Tomb and an anti-villain in Rise of Shurima.

Once the youngest and most beautiful daughter of the Du Couteau family, Cassiopeia was cursed in the tombs of Shurima as she searched for an ancient power. Now transformed into a deadly serpent, Cassiopeia preys at night on her unsuspecting enemies as they are petrified by her venomous embrace.

The 66th champion to be added to the game, Cassiopeia was released on December 14, 2010, and is most commonly played in the mid lane.

She is voiced by Karen Strassman, who also voiced Zyra in the same game, as well as ARIA in Killer Instinct, Mileena in Mortal Kombat, Poison in Street Fighter, Rouge the Bat in Sonic the Hedgehog, Suigintou in Rozen Maiden, and Sola-Ui Nuada-Re Sophia-Ri in Fate/Zero.

Biography

Lore

Before her transformation into the half-snake half-human she is now, Cassiopeia was a highly influential temptress noblewoman. The Du Couteau family were a powerful and wealthy noble house under Emperor Darkwill, and as the youngest and most beautiful of her family, Cassiopeia was not different. But while Katarina, her sister, followed in the footsteps of their father, General Du Couteau, Cassiopeia grew ever closer to her mother, Soreana Du Couteau, who was secretly an agent of the cabal known as the Black Rose.

## The Black Rose in Urzeris

When Cassiopeia was still a child, she and her family moved to the city of Urzeris, a Shuriman city that had recently been claimed by General Du Couteau for the Noxian Empire. At their new residence, Soreana survived an assassination attempt and was left in poisoned, bed-ridden condition. Cassiopeia stood by her mother as she recovered, and while General Du Couteau made his way to Ionia for Darkwill's invasion, Soreana told her daughter the secrets of the Black Rose, even inducting her into the secret organization by the time she reached adulthood.

Despite her young age, Cassiopeia would grow into one of the swiftest and deadliest of the Black Rose's agents, with her first task being to hunt down the assassins who sought to kill her mother. As she aimed to help the cabal in their plans for expansion into Shurima, the Black Rose's plans were suddenly interrupted when Jericho Swain overthrow the easily manipulated Emperor of Noxus. To make matters worse, Cassiopeia's father had already pledged the Du Couteau house's loyalty to the new regime, severely hindering the plans of Soreana and Cassiopeia.

Furious, Soreana sent her daughter into the ancient Shuriman lands to find a magical power that could be used to the cabal's advantage. With little choice, Cassiopeia set off on a search for the Tomb of Emperors, where she hoped to unearth the godlike power of the mythical Ascended.

## Journey into Shurima

At market at the edge of the desert, Cassiopeia sought out the mercenary Sivir to lead her to the lost city. Armed with a legendary blade, Sivir seemed to be the perfect guide for such a treacherous journey, and Cassiopeia offered a hefty sum for the services of Sivir and her men. Sivir agrees, and after five days of searching the Shuriman heat, the two located the ancient ruins and descended the underground stairway.

Ancient treasures awaited them beneath the tomb, astonishing Sivir and her men. But the grandeur made them reckless, and Sivir's men were caught and killed in traps. Sivir was horrified, but Cassiopeia was undisturbed, as her eyes were only on an ancient statue of a serpent hanging over the door. They had made it to the Tomb of Emperors.

Realizing that Sivir's blade is the key to unsealing the tomb, Cassiopeia stabbed Sivir in the back and placed the weapon into the door, waiting in anticipation. But before she could make another move, the statue of the serpent came alive and impaled her in its jaws. Cassiopeia's fleshed was seared with acid as she transformed into a hideous creature of scales and venom, leaving her unconscious as Xerath and Renekton escaped the tomb.

## The Serpent in Urzeris

When Cassiopeia came to, she was horrified by her monstrous appearance and locked herself in a crypt to hide. After weeks of weeping, slithering, and enduring the physical torture of her transformation, Cassiopeia eventually accepted her fate when she realized the unique powers she had been bestowed with. While the curse had transformed her into a monster, Cassiopeia had indeed gotten what she came for: ancient power that could prove useful to the Black Rose. Cassiopeia could now spit venom, crush stone, and petrify her enemies with nothing but her poisonous glare. This curse, Cassiopeia realized, could be a blessing in disguise, as she slithered her way into the night to prey on her next victims…

## Gameplay

In game, Cassiopeia takes the role of a battlemage-type character, mainly using poison based attacks. She can fire a toxic explosion with Noxious Blast, spit bolts that turn into clouds of poison with Miasma, launch forward to bite enemies (Healing herself if the foe is poisoned) with Twin Fang, and fire a blast of petrifying magic with

Petrifying Gaze.

Personality

As a Noxian noblewoman, Cassiopeia was born into a life of privilege, which would lead her down a path of arrogance. Cassiopeia loved her mother more than anything, and would follow in her footsteps to become a deadly agent of the Black Rose who used manipulation and seduction to her advantage. Highly intelligent, Cassiopeia was quick on her feet and executed tasks with stealth and efficiency, which in turn bred a treacherous mindset in the young noblewoman, one she would later use in her betrayal of Sivir at the Tomb of Emperors.

After her transformation, Cassiopeia was horrified by her hideous appearance and went into hiding, but eventually her determination led her both to accept her newfound powers. Learning from her past arrogance, Cassiopeia even became capable of heroic deeds in the streets of Urzeris, hunting down child murderers and bringing them to justice. She is always looking for new victims to challenge her newfound powers, and though her life as a noble is over she is excited to see what future her powers will bring.

---

When Ahri was finished, we were really horrified.

Me: Jeez, so Cassiopeia went from an arrogant noblewoman from the Noxian Empire to a powerhungry snake monster. But, we can't help but feel sorry for her.

Lincoln: Same here, so here's what we're going to do: we're still going to destroy her, but she's not going to get the Black Gates nor get sent to The Warp. What happened to her was tragic, so we're going to free her from her cursed existence.

Girl Jordan: True, and perhaps, she could come back to life as a better person, now that she's learned from her childhood past arrogance.

Lincoln: That's right, Girl Jordan.

Liv Baker: And that leaves the question, who's going to face her?

Kari the Negg Faerie: I will, and Lincoln's also going to help me.

Lincoln: That's right.

TLPS Mr. Wolf: And I did mention to you guys that whenever someone in Lincoln's harem transforms, he also helps them out.

Liv Baker: That's so awesome.

Andy Baker: But, wait, doesn't she have powers over poison and toxins?

Lincoln: Yes, but we're immune to poisons, toxins, and all kinds of other things that want to do us harm, Andy.

Nico: That's right. Now, then, shall we get going?

We went to the ship and we were off to the Galaxy of Centaurus A.

---

Flying through space was the U.S.S. Valorous Phoenix.

Nico: Team Loud Phoenix Storm Captain's Log, Stardate 6212.2: Team Loud Phoenix Storm is en route to the galaxy Centaurus A to investigate a planet that is not made of food this

time. Our mission is to see what this planet is and see what it's like.

Rhonda Lincolnshire: Wow this ship is really cool.

Laney: It sure is. It was based on a ship from Warhammer 40000.

Hunter: (German Accent) Ja und it's really cool.

Doctor Octopus: Does it have any other functions?

Stewie: Well, it can also switch to a fire mode.

Nico: We heard that part.

Stewie: Also it has the ability to use elements like William's blaster.

Nico: Cool!

Me: Wow that is really genius.

Nico: It sure is.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the planet and it appeared to be an ocean planet.

Me: Wow it looks like an ocean planet.

Laney: Wow! But uh do oceans sparkle like that?

We saw that it was sparkling.

Me: Wow! It could be a planet made of solid diamond.

Nico: Lets have a look.

We landed the ship and got out and then to our shock and surprise and amazement we saw that it was a planet made entirely out of jewels and diamonds!

Buzzerbeak squawked, looking at all the diamonds.

Nico: WHOA! It's a planet all made of jewels!

Me: (Whistles) This is amazing!

Rarity: Oh these gems are simply magnificent!

Lola: So beautiful!

Sportsmaster: (to Sheila and Lupin) I think you two are gonna get the chance to shine here.

Sheila Loud: I have that same feeling myself.

Lupin III: Me too. This is gonna be awesome!

Laney: Wow! These diamonds are amazing.

Eli: And they formed into forests and all that. It's amazing.

Chompy was in awe at all the jewels.

Nico: There's a lot of them isn't there.

Rarity: Oh do you know how many fashions I can do with all these jewels?

Hinata Hyuga: I don't think you can make that many fashions with all these jewels in your entire life.

Me: That would be an awesome challenge to see though.

Scorpion: It would take forever to make fashions with ALL these jewels.

Nico: No kidding!

Eli: I'm not very good at statistics but it would obviously take till the end of eternity to do that.

Rarity: Oh I agree. But it's just a thought though.

Bone Chompy kept looking around in amazement.

Nico: It's all really awesome and amazing to see a planet like this though.

Lola: It sure is awesome.

Lori: They are literally amazing.

Nico: Yeah.

Juggernaut: Tell you what, Rarity. I'll get many of these jewels to the ship as I can.

Rarity: Oh thank you Cain.

Juggernaut: We'll all help.

Nico: Yeah. Lets get to work!

We got to loading up!

Alister: Man, these are a lot!

Nico: No kidding! Many of these diamonds are as huge as cars.

Laney: Yeah no kidding.

Olivia Lincolnshire: These are huge diamonds.

Lana: Yeah.

But then Eli sensed something.

Eli; Uh oh. I sense something. It's pure evil.

Nico: We are ready for him this time.

Pterodactyl Ghost: I'll fly in the air to find out where he is.

Maria: Gotcha! We'll meet up with you there!

Pterodactyl Ghost flew into the air to find him.

But then a figure came out and it was Frances Barrison A.K.A. SHRIEK!

---

**Frances Barrison**, also known as **Shriek**, is the secondary antagonist in the 2021 film *Venom: Let There Be Carnage* .

She was the girlfriend of Cletus Kasady and an inmate at the Ravencroft Institute who was imprisoned there due to her supersonic powers. She is archenemy of Detective Patrick Mulligan.

She was portrayed by Naomie Harris (in her first villainous role) as an adult and by Olumide Olorunfemi as a teenager.

## Early life

When she was young, Frances Barrison was sent to a children's home called St. Estes Home for Unwanted Children, due to her mutant abilities. After seeing a young Cletus Kasady getting bullied by other kids, she took pity on him and scared the kids off with her sonic scream powers. The two would then bond as they grew up in the children's home, and they would form romantic chemistry.

In 1996, Frances was hauled off to the Ravencroft Institute due to her powers, much to Cletus' furious dismay. On the way, she uses her sonic scream powers to escape and attacks young police officer Patrick Mulligan. He shoots Frances in the eye and suffers an injury to his ear due to her scream. Unbeknownst to Mulligan, who believes he killed her, Frances was taken to the Institute, which is hardened against her powers, and was abused by the head doctor, Camille Pazzo. At that time, she was nicknamed "Shriek" by the staff.

## *Venom: Let There Be Carnage*

Two decades after being separated from his girlfriend, Cletus had Eddie Brock run a coded message in the paper in exchange for his life story; to let Shriek know he intended to keep his promise to marry her. However, Venom quickly figured out the location of Cletus' victims from his cell drawings and the police exhumed them. After the discovery, Cletus was sentenced to death by lethal injection, which made Shriek scream in horror after reading the article.

Back at the Ravencroft Institute, Cletus Kasady breaks out of prison to free Shriek with the help of his new "friend" Carnage, in exchange for killing its parent, Venom. After Shriek used her power during the escape, Carnage threatened to eat her face if she did it again since symbiotes were vulnerable to high sounds to which Cletus warned her about for her safety. The three decide to make a "red wedding" for Cletus and Shriek. After kidnapping "witnesses" for the wedding, they planned on killing Venom, Eddie, and the cop who arrested Shriek.

Later, Cletus takes Mulligan hostage, and Shriek captures Anne Weying after she fails to find Eddie Brock. Shriek then goes on to give Dan Lewis information on Anne's whereabouts, and he, in turn, gives it to Brock. Cletus and Shriek planned to get married at a cathedral with a kidnapped minister, where Venom appears and fights Carnage. Shriek seemingly attacks and kills Mulligan with her sonic powers.

Venom attacked, resulting in Carnage and Cletus fighting them. During the fight, Carnage knocked Shriek around to Cletus' protests and killed the church priest to get more power. Eventually, Carnage grew tired of Shriek's presence and tried to strangle her to death, which caused Cletus to panic and try to prevent Carnage from doing so. As the fight with Venom reached the bell tower, Venom manages to rescue Anne in time and provokes Shriek to use her powers again; her sonic blast causes both symbiotes to separate from their hosts, but then Shriek falls to her death below as her scream dislodged the bell and crushes her.

---

Me: Frances Barrison A.K.A. Shriek!

Nico: Not this bitch!

Triggerhappy: For God's sake, Shriek! We don't have time for this!

Shriek: Make the time! Because if yu want Cletus, you'll have to get by me first!

Suddenly, we heard the ringing of a certain someone's running fork

Gali: I know that ring anywhere!

Out came the Hibiki Kamen Riders!

Me: Awesome to see you guys again! Wow not even a special mission and you guys are already helping out.

Hitoshi Hidaka: I know strange huh?

Nico: Yeah.

Gali: Let me help you guys!

Black Knight Ghost: Be careful, Gali. And make sure to use your Kamen Rider form!

Gali: Oh I plan to!

She pulled out her Hibiki Morpher.

Nico: Yeah! We just saw the development of the weapon just in case!

Terrorsaur: Relax, boss. We're not mad at you two.

Nico: Good. Lets get him! Entrance time!

A massive fiery explosion blasted out above him and fireballs rained down and they hit him all over and then a phoenix cry came out and we were ready!

Me: Kasady you are going to pay for everything you've done!

Carnage: FUCK YOU ASSHOLE!

Me: BITE MY FIERY FUCKING ASS!

Nico: Yeah!

Carnage formed his arms into swords and axes and we clashed and I kicked him down and fired waves of fire and blades of energy and slashed him all over.

Nico: This is our stage now!

2021 Carnage: What kind of a pre battle line is that?

Nico: Hell if I know! It just came out of my mouth!

Pied Piper: And you won't live long enough to find out more!

Once again he appeared at the beach where he's about to eliminate the two traitors along with the ToQgers. He tried to open fire at the team with his red and white beam, but they managed to dodge his attacks. However they didn't expected the Bottle Shadow will be firing a Rosé Beam. He was knocked down and badly burned.

Girl Jordan then walked over to him and she had a look of rage on her face.

Girl Jordan: I've had just about enough of you, you sick, good for nothing, piece of crap!

Suddenly, something within Girl Jordan's mind completely snapped, as her eyes turned neon ocean blue and she's surrounded by an ocean blue energy aura with sea dragons, ocean waves, sea animals, and snow, she unholstered her massive Ler's Sea Dragon Sword of Ocean Justice from her back, and as she approached Carnage (2021), she left ocean blue energy, ice, sea dragons, ocean waves, water, and sea animals with every step.

Girl Jordan: You really make me fucking sick, Cletus Kasady, you and Carnage just don't even know when to quit, do you?! You ruined the lives of so many innocent people just to satisfy your endless thirst for blood. (Getting Very Pissed Off) But, what you did in forcing my mother to disown me when I got my powers and you've continued doing that to so many of the other kids… , YOU'VE

CROSSED ONE FUCKING LINE TOO MANY, YOU FUCKED-UP AND COMPLETELY SCREWED UP PIECE OF CRAP! AND NOW, I WILL DESTROY YOU AND YOUR ENTIRE EXISTENCE IN THE MOST GRUESOME FASHION POSSIBLE, AND I WILL NOT STOP UNTIL I SEE YOU FINALLY LYING DEAD IN A POOL OF YOUR OWN FUCKING BLOOD!

We gasped at the sudden and extremely ferocious anger coming from Girl Jordan.

Nico: (Stunned) Holy Crap!

Me: Oh boy.

Liv Baker: Can someone tell us why Girl Jordan's really that mad at Carnage?

Lincoln: It's because when she got her powers from Ler long ago, Cletus Kasady A.K.A. Carnage had gotten her disowned by her mother, and he did to many of our friends, and all for his own sick and very twisted amusement. We killed him long ago, but Girl Jordan forever has an eternal hatred for him and she won't stop until he lies dead in a pool of blood and is forever erased from existence for good.

Eli: And based on what we just heard from her, she's going to make that come true.

Nico: And in her words, in the bloodiest and most gruesome fashion possible! HIT THE DECK!

We ran for cover behind a crystal cluster, and then, Girl Jordan let out a scream of insane rage and fury and then…

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of energy exploded out around her as she was screaming like a madwoman and the ground shook like crazy! Lightning struck all over the place with incredible power!

Vegeta: (GASP) IT'S UNREAL!

Me: WHAT POWER!

Nico: HOLY SHIT! THAT IS INTENSE!

Eli: Unbelievable!

Trunks: This is it.

Piccolo: Her power is incredible!

She screamed maniacally as she was surrounded by a massive vortex of ocean blue energy with ocean waves, sea animals, sea dragons, and snow and ice surrounding it, there's a sea dragon swimming around the vortex, and in the vortex is a yellow vortex. Then, as the vortex faded, Girl Jordan emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

The massive, wide, double-edged ocean blue blade of Girl Jordan's massive Ler's Sea Dragon Sword of Ocean Justice grew from 6'9" to 6'10" in length with the image of the Celtic God of the Sea, Ler, etched on it, and he was surrounded by a Celtic Knot circle, large ocean blue sea dragon heads for the crossguard, large yellow gem embedded in the rainguard, longer blue handle decorated with ocean blue dragon scales, four sea dragon dragon heads with ocean blue gems in its mouths and a large ocean blue gem below the sea dragon heads for the pommel. There's a yellow kanji right below the sea dragon that said, "Girl Jordan, Loving Daughter of Her Loving Parents, Athletic Dodgeball Angel Queen of Gotham Royal York, Loving Future Wife of Lincoln Loud, Destroyer of Cletus Kasady A.K.A. Carnage, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary of Ler, Member of The Neptune Crusaders, and Master of Water, Snow, and Ice."

Girl Jordan has transformed has transformed into SUPER ANGEL ETERNITY INFINITY ATHLETIC MAELSTROM ARCTIC SEA DRAGON ANGEL OF MAELSTROM JUSTICE AND OCEANIC CELTIC LOVE!

We were amazed by Girl Jordan's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Carnage (2021) saw it, the screwed up symbiote laughed insanely and tried to kill her, but Girl Jordan fired a powerful ocean blue energy blast with ocean waves, sea dragons, sea animals, snow, and ice surrounding it, and it hits the crazed symbiote. Then, she fired powerful blasts of ocean blue fire at him, and really burned him badly.

Lincoln: We're not letting her do this on her own.

Nico: You're right. Come on, gang, let's get that fucked-up psychopath and put him down for good!

We transformed and went after Carnage (2021), who tried to attack us, but we dodged him, and we fired powerful blasts of fire, which really burned him badly. Then, we fired soundwaves at him, and it really gave him an earsplitting headache. Then, Lincoln fired waves of Anti-Venom symbiote slime at Carnage (2021), and it really hurt him badly.

Girl Jordan: (Divine Echoing Cosmic Voice of The Celtic Sea Dragon and Oceanic Celtic Love) **You're going to die in a pool of your own blood. Now, it's your turn to suffer, Cletus Kasady! Linky, tell Luna and the others to pump up the volume on their amps to 50!**

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Right, Girl Jordan. Luna?**

Luna: Already on it. Alright, LET'S ROCK, DUDES!

Luna and the rockstars of the team played their guitars and the booming soundwaves coming from the amps they set up were really hurting Carnage (2021) as he screeched and screamed in so much excruciating pain, and it was weakening him badly and severely. We also added on to the damage by firing soundwaves and the soundwaves were really hurting him badly, as he went down on his knees.

Lincoln: **Let's end him once and for all, Girl Jordan.**

Girl Jordan: **Right. And now, this is where you fucking die, Carnage, and this time, may you never ever come back!**

Girl Jordan and Lincoln: BLACK GATES DRAGON FIST!

Girl Jordan and Lincoln fired dragons from their fists, which turned black thanks to the energy of The Black Gates, and the black dragons pierced through Carnage and Cletus Kasady, and they screamed in excruciating pain, and the energy of The Black Gates erased both Carnage and Cletus Kasady from existence forever!

Girl Jordan holstered her massive Ler's Sea Dragon Sword of Ocean Justice on her back and powered down, and Girl Jordan's brand-new body, clothes, weapons, jewelry, and massive angel wings are permanent. Suddenly, Girl Jordan wrapped her arms right around Lincoln's waist, and her chest was pressed against Lincoln's massive and wide muscular pecs, which brought an atomic red blush to Lincoln's face, and when he felt tears on his bare chest, he knew what it was: she was crying really hard, and Lincoln wrapped his abnormally massive and powerful muscular arms around Girl Jordan's waist and he brought her into a tight embrace, and they didn't let go.

Lincoln: (Soothing Voice) Shh, it's okay, Girl Jordan, it's all over.

Girl Jordan: (Crying Really Hard) Oh, Linky.

This really really hurt us in our hearts, and we all had tears in our eyes.

Nico: Carnage really destroyed Girl Jordan's life really badly, I can't believe that someone could be that evil as Carnage and Cletus Kasady. Lincoln and Girl Jordan made the choice to give them The Black Gates for good.

Me: Yeah, they deserve to be forgotten for good.

Then, we also joined in the group hug, and we comforted Girl Jordan.

Girl Jordan's Mom: Sweetie, what happened to you because of Carnage and Cletus Kasady, I'm so sorry that I…

Girl Jordan: This wasn't your fault, Mom, nor is it anyone else's.

Lincoln: What that monster did proved just what kind of despicable cretin that he really is, and he deserved to die and this time, he deserves to be erased from existence forever.

Nico: You're right about that, Lincoln. Carnage and Cletus Kasady are the worst monsters in the history of the world, and they've killed and harmed so many innocent people for the last time, and they deserve to die.

Then, as Lincoln leans down to Girl Jordan's face, they kissed passionately as Girl Jordan wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, and Angel flying in the air, along with a Sea Dragon behind them surrounded by ocean waves, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Rarity: That monster deserved to die, and the damage he did to Girl Jordan may have left a scar on her and her family, but the scars will eventually heal now that Carnage is finally gone.

Nico: You may be right, Rarity, but those scars that he inflicted on her many years ago were so deep, it left her with anger and rage towards that monster, and she wanted to destroy him and make him suffer for everything he's done.

Me: But, now, those scars will finally begin to heal.

Everyone agreed, including Girl Jordan and her parents.

Lincoln: But, we're not done here yet. There's still the problem of our uninvited guest Cassiopeia to deal with before we head home.

Nico: Yeah, that snake's going to pay.

?: I'd watch what you say about snakes, monkey!

Ahri: I knew there's no mistaking that voice from anywhere. You can slither out now, Cassiopeia.

A figure slithered out, and it was none other than Cassiopeia Du Couteau, the cursed aristocrat from League of Legends.

Ahri: Cassiopeia, I should've known you'd slither on out yet again.

Cassiopeia Du Couteau: And now, I shall enjoy destroying all of you!

Kari the Negg Faerie: Not going to happen, you poisonous snake!

Suddenly, Kari the Negg Faerie's green eyes turned neon green, and she was surrounded by a green energy aura with neggs and faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Cassiopeia, she left green energy, neggs, and faeries with every step.

Kari the Negg Faerie: Cassiopeia Du Couteau, the crimes that you've committed against all those in your path can never be forgiven, and now, you shall pay for everything that you've done.

Suddenly, Kari the Negg Faerie was surrounded by a massive vortex of green energy with neggs and plants surrounding it, there's a faerie flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Kari the Negg Faerie emerged, but she was changed forever.

Kari the Negg Faerie has transformed into SUPER ANGEL INFINITY NATURESTORM NEGG FAERIE ANGEL OF JUNGLE JUSTICE AND DIVINE LOVE!

We were amazed by Kari the Negg Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Cassiopeia saw it, she fired venom at Kari, but she dodged it, and she fired a powerful green energy with neggs and plants and it hit Cassiopeia in the eyes, and really blinded her.

Nico: Wow, Kari's transformed, this is going to be so awesome.

Me: You said it.

Lincoln: Wow, Kari, you look beautiful. How do you feel?

Kari the Negg Faerie: (Divine Echoing Cosmic Voice of The Negg Faerie and Divine Love) **I feel incredible, Linky. Now, shall we administer Cassiopeia's punishment?**

Lincoln: (Smiles) With pleasure, Kari.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Kari the Negg Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's put an end to this cursed aristocrat once and for all.**

Lincoln and Kari the Negg Faerie went after Cassiopeia, who tried to attack them with some blasts of venom, but they dodged them, and they fired powerful blasts of rainbow energy, green energy, neggs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Faeries at Cassiopeia, and they exploded with incredible power as they hit her. Then, Lincoln attacked her with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and he left painful scars on her, and Kari the Negg Faerie fired powerful purple energy blasts from her staff, and it hit her.

Then, Lincoln grabbed Cassiopeia by her tail, and he tossed her into the air with his immense and brute superhuman strength, and he and Kari the Negg Faerie fired powerful beams of energy, and as they hit Cassiopeia, the two energy beams exploded with incredible power, killing her for good and ending her cursed existence. We cheered wildly for what Kari the Negg Faerie and Lincoln did as they holster their weapons and power down, and Kari the Negg Faerie's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Kari the Negg Faerie: That's it for the cursed aristocrat, and she's not coming back. Thanks for helping me with taking care of Cassiopeia, Linky.

Lincoln: (Smiles Warmly) You're welcome, Kari.

Suddenly, Kari the Negg Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Kari the Negg Faerie's face, they kissed passionately as Kari the Negg Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with plants and neggs growing around them, and we cheered for them.

Nico: Wow, that was so awesome.

Me: You said it, Nico. Hmm, I wonder what happens when we eat any of the Neggs.

Lincoln: I don't even know, J.D. To Neopets, it's a food and delicacy, but there's no telling of what'll happen when we eat it.

Kari the Negg Faerie: I haven't actually found out about that as well, Linky. But, still it won't hurt to try one.

Lincoln: Okay then, I'll try one to see for myself.

Lincoln tried out a Power Negg, and when he ate it, we saw his rainbow energy aura with Phoenixes, Thunderbirds, Buffalo, Angels, and elemental forces flare up as we felt his infinite energy and power get a massive increase, and it also tasted good.

Lincoln: Whoa! Now, that's so awesome!

Me: Really?

Nico: Awesome. Let's try one as well.

Nico and I tried out the Fireball Negg, and when we ate it, our energy auras flared up as we gained a massive increase to our infinite energy and power.

Nico: Whew! That was a hot one, awesome!

Me: And pretty tasty too, that's awesome.

Tormund Ellis: You guys have also tried out different foods from all over the world, and now, you're trying out a food that Neopets have loved, that's amazing.

Nico: It sure is, Tor.

Trap Jaw: I hope that's the last version of Carnage we have to worry about.

Merman: Trust me. I hope that's the case as well.

Me: Same here. We've had enough of that deranged fuckup to last an eternity.

Dark Mikey: (to Hitoshi) You guys helped as well.

Dark Raph: And kicked Shriek's ass.

Iori: Of course we did.

Me: We owe you guys big time for it.

Gali: We sure do.

Piledriver: We'll see you guys on July 7, okay?

Hitoshi: Don't worry. We'll be patient.

Bulldozer: Glad to hear it.

Me: Great. See you in Japan in 2 months.

They teleported back to Earth and were in Japan.

Megan Kiraton: I'm gonna love it here with you guys.

Vector: Glad to hear it, Megan.

Me: Yeah it'll be awesome.

Vapor: But let me know if you're still having trauma problems, okay?

Megan Kiraton: I will. Thank you.

Nico: But this was a really powerful adventure. And on a world of jewels too.

Rarity: It sure was amazing darlings. I thought it was absolutely breathtaking that there is a planet with all these jewels and gems.

Me: And we got tons and tons of awesome jewels for Rarity to use for her fashion lines.

Laney: That is for sure. And we found an awesome planet for Rarity to go to where she can get jewels for free next to the Ponyville Gem Mines.

Nicole: That's true.

Rarity: It sure is amazing.

Nico: An endless supply of jewels.

Rarity: Oh it is amazing.

Nico: But you all did a great job today. Especially to you Megan and we're proud of you for coming out of your depression.

Megan Kiraton: Thanks Nico. I am just really happy now that my mom can finally rest in peace.

Vapor: We are too. And that stupid son of a bitch father of yours is gonna get what's coming to him tomorrow morning.

Nico: Yeah.

Megan Kiraton: After everything he did, I don't call him my father anymore.

Nico: Good. I wouldn't either.

Me: Me neither.

Megan Kiraton: Yeah. (To the viewers) Jewels are amazing and so is the beauty of family too. Love them with everything you have and never break your bonds with them.

Me: Well said.

Nico: Lets go home guys.

We went back home and Rarity got the jewels we got from the planet we now call Jewellea to Canterlot Boutique and Carousel Boutique. We later went to sleep after a brutal battle with Carnage 2021. Shriek was sent to the Neptune Prison forever.

THE END

---

Another awesome fanfic done.

Carnage from 2021's Venom 2: Let There Be Carnage was beyond a shadow of a doubt the worst version of Carnage we have ever seen. Woody Harrelson did a really awesome job in those movies from 2018 and 2021. He did a really great job playing as one of the most deranged characters ever made by the great Stan Lee. I SALUTE YOU STAN FOR MAKING CARNAGE! EXCELSIOR! But also can you imagine what it would be like to see a planet made entirely out of jewels? That would make anyone filthy rich beyond their wildest dreams. For someone like Rarity it would be awesome clothes for her. The first part of the chapter was for the awesome SpongeBob episode The Grill is Gone and that was a really funny and awesome episode about kids swiping the grill from the Krusty Krab. That episode aired on October 21st, 2018. It was really awesome! The second part was for the brand new 2021 cartoon called Ghostforce. I never saw that one before but it looked really cool. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Tommy Oliver, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily are going to have another awesome rescue but this time on the planet of Twinkies that Nico mentioned earlier. It's gonna be really awesome to see what this planet is like. And we're going to battle an old foe from our past and it's going to be SHARPTOOTH from The Land Before Time. That Tyrannosaurus is gonna be back for revenge on us for smashing him into the water back in chapter 53. And we're also going to meet The Dino Sisters:

Tara Dino the Giganotosaurus Gene-Slammer

Diana Dino the Triceratops Gene-Slammer

Taylor Dino the Quetzalcoatlus Gene-Slammer

Shannon Dino the Stegosaurus Gene-Slammer

Molly Dino the Spinosaurus Gene-Slammer

Violet Dino the Velociraptor Gene-Slammer

Dawn Dino the Brachiosaurus Gene-Slammer

Penny Dino the Pachycephalosaurus Gene-Slammer

Sally Dino the Dimetrodon Gene-Slammer

Eva Dino the Ankylosaurus Gene-Slammer

Kelly Dino the Parasaurolophus Gene-Slammer

Belle Dino the Plesiosaurus Gene-Slammer

Jessica Dino the Ichthyosaurus Gene-Slammer

& Yuri Dino the Microraptor Gene-Slammer

They are 14 sisters from Nico's science class and they helped Nico in lots of awesome Paleontology Projects and they were amazing. Tara, Diana, Taylor, Shannon, Molly, Violet and Dawn are the eldest sisters and the rest are younger. For Lincoln's Rescue we're going to the city of Riverton in the 1999 movie Inspector Gadget and we're going to take down Scolex who became Dr. Claw! We're going to expose him for his crimes and knock him down and we're going to meet Inspector Gadget's evil self and have him recruited into the Master of Evil. Also we're going to meet an Arcana Force XXI - The World Gene-Slammer named Felicia Terrington and she is a very strong and powerful Psychic Mindreader and Clairvoyant that has the power to see into the future as well as read the minds of those around her and she even has powerful lightning powers too. She also has beautiful blue angel wings. She is Lincoln's guardian angel and she even has the power to predict and stop trouble before it even begins. She stopped Lori from going on a murderous rampage all throughout the school before it even began and got her teacher in big trouble for taking her phone. She is a great guardian angel to Lori and to Lincoln and Laney. After the exercise scene we're going down to San Quentin Prison to witness the execution of Megan Kiraton's evil father and before they kill him, she has a few good choice words to say to him. Hope you all have an awesome and great sweet tooth because we're going to an awesome planet where EVERYTHING is made of dessert and sweets and it's going to be one AWESOME SWEET world! We're going to face Carol Pingrey's evil persona that got her in trouble and forced to live out on the streets and Carol is going to transform into her most powerful transformation ever against her! Get ready Morgana, your days of terrorizing Carol are finished forever!

See you all tomorrow!

Nico: You guys are going to love this Twinkie Planet.

Eli: I can't wait to see what it's like.

Toru: It's gonna be awesome to see after we heard about it during the Twinkie Festival.

Aylene C.: It sure is. We're honored that we're going with you Nico.

Nico: Same here Aylene. This is gonna be awesome for you.

Fu: I can't wait to see what this planet is like. After how awesome the Twinkie Festival went at school it's going to be really cool to see a world like this.

Lily: It sure will be awesome.

Momo: It sure will.

Tommy Oliver: This is gonna be awesome to see.

Eli: Yeah it will.

Nico: Thanks for coming with, Tommy.

Tommy Oliver: No sweat Nico. This is always an awesome adventure whenever we have an awesome rescue.

Me: It always is.

Lana: Yeah I'll say.

We arrived at the Twinkie Planet and it looked like a desert planet from space.

Nico: Here we are.

Me: Wow so this is the Twinkie Planet.

Nicole Knudson: I have a feeling we're going to see an amazing world.

Nico: Tommy, I just want to say that Zordon giving life to the idea of Power rangers was probably the greatest action ever.

Tommy Oliver: It sure was.

Me: And I agree there myself. Without the Power Rangers, Earth wouldn't be here anymore.

Laney: Rita Repulsa would destroy everything.

Me: Yep and that monster had it coming.

Starlight Glimmer: And you have me to thank for destroying her forever.

Lana: That is true Starlight.

Me: But if she ever does return it's the Black Gates for her.

Nico: I agree. And J.D. you still have your fight with Lothor shortly.

Me: I know and this wait to face him is driving me batty.

Nico: I know but just be patient. At least you got some shots in on Venomark when we met Maggie and Herbie.

Me: True. That was so awesome.

Nico: It sure was.

Me: Yeah.

Nico: Sure, the idea of Power Rangers also came from Super Sentai. But that doesn't mean it's a ripoff of that. We've proven that both can coexist peacefully.

Me: That's true and that is awesome.

Tommy Oliver: Yes it is. Power Rangers turns 30 next year.

Lola: That's a huge milestone for the entire series.

Laney: Yeah it sure is.

Lily: I hope we have a really awesome series to commemorate 3 decades of Power Rangers.

Nico: Yeah that will be awesome.

Fu: It sure will be cool.

Camie: Yeah.

Nico: Lets head down to the planet.

We went down to the planet and we landed in a forest and to our amazement we saw a forest made ENTIRELY OUT OF TWINKIES! Everything was made of Twinkies and it was amazing!

Me: OH WOW!

Laney: (DROOLS) This is so amazing!

Lola: (Drools) Wow! No kidding!

Nico: We should've visited this place before the Festival!

Me: (Drools) I know. It looks so awesome.

Pinkie Pie: Wow! This place is AMAZING!

Pinkie Pie ate a whole Twinkie Tree in one bite and she was stuffed!

Eli: Wow! That is amazingly awesome how she did that.

Camie: No kidding. But this is a really amazing planet.

Nico: Let's bring some of these home.

Lincoln: Good idea. This is a really awesome planet.

Laney: Boy you said it bro.

Lana: Yeah.

Me: Nico finding this planet and bringing the Twinkies from here for the Twinkie Festival was a stroke of genius.

Nico: Thanks. That was awesome that I found this planet.

Littlefoot: Boy it sure is.

Cera: Much more fun too.

Spike: Yeah.

Momo: Uh guys look at this.

We went over and to our shock we saw a HUGE TYRANNOSAURUS REX footprint in the ground!

Me: Is that a tyrannosaurus rex footprint?

Aylene C.: It sure is.

Littlefoot: A sharptooth is here?

Cera: Oh no.

Nico: Oh, fuck. I know what this means.

Me: Looks like were about to have company.

Eli: I sense something evil about these footprints.

Me: Wait a second. (GASP) Oh Great Chixulub No! Not him!

Nico: What is it?

Me: I have a feeling that our old enemy Sharptooth is back!

Nico: Sharptooth? Wasn't he the malevolent Tyrannosaurus Rex that you guys beat before the team was formed back in the old days?

Me: That's him and you will not like him one bit Nico.

I went over his history as well as what happened during the events of chapter 53.

---

Sharptooth is the main antagonist of Don Bluth's 3rd animated feature film The Land Before Time and its novelization.

He is a homicidal Tyrannosaurus rex that seeks to cause death and destruction, and seeks revenge on Littlefoot and the others for damaging his eye. He is also the archenemy of Littlefoot and his friends.

His vocal sound effects were provided by Frank Welker, whom also did the sound effects of Max 3000 in Man's Best Friend, Red Death in How to Train Your Dragon, Sabor in Tarzan, Rudy in Ice Age: Dawn of the Dinosaurs, the Harvesters in Independence Day, Ludmilla in Bartok the Magnificent, and Mor'du in Brave.

Sharptooth has four scenes in the film. Sharptooth first appears when he approaches Littlefoot and Cera, who are playing together in a swamp. Sharptooth, who is probably hungry, chases them into a thicket of thorns. He plods through the thorns after them and leans down through the thorns to catch Littlefoot. The young Longneck tries to run but gets caught on a vine. As Sharptooth nears him, he escapes and the thorn-covered vines snap back at Sharptooth's face, severely injuring his right eye and causing him to bellow out in pain. Furious, Sharptooth stands up and resumes his pursuit of the two children, only for Littlefoot's Mother to intercept and face him.

In their ensuing fight, Sharptooth is hit several times with her tail, which doesn't really have much effect on him. Eventually, the menace succeeds in jumping onto the large Longneck's back and tears off some of her flesh. He also slashes her neck as well. She manages to dislodge him and knock him back again, but as the herbivores attempt to escape, a massive earthquake strikes the area. Quickly recovering, Sharptooth charges in the direction of Littlefoot and Cera again, partially trying to dispose of the two youngsters and partly in an attempt to save his own life from the raging earthquake. In their panic, the children are flipped onto Sharptooth's foot, and at that moment the quake tears the ground beneath them apart, and Sharptooth slides down the slope with his would be prey on his back. As the children yell for help, Littlefoot's Mother comes to the rescue; she grabs the children and knocks Sharptooth off the edge, sending him falling into the chasm below. Littlefoot's Mother dies later that night, probably due to severe infections from the wounds on her back and neck inflicted by Sharptooth.

Later, after falling into the big underground herself, Cera finds Sharptooth's apparently dead body. Cera rams her head repeatedly until he suddenly awakes, having only been knocked out. It is revealed that Sharptooth survived from falling into the chasm. The young dinosaur quickly flees in terror as the beast rises behind her. Shortly afterwards, she meets up with Littlefoot and his new friends, Ducky, a Bigmouth, and Petrie, a Flyer. Cera explains her encounter with Sharptooth, but exaggerates it, making it sound as if she bravely fought him. While Ducky and Petrie believe Cera immediately, Littlefoot is convinced that Sharptooth has been killed. He holds this belief until one morning, the fearsome beast himself ambushes the gang (by then including a Spiketail named Spike). The children barely manage to escape from Sharptooth through a small hole in a rock wall, which Sharptooth tries to squeeze through while snapping and clawing at the children, but is too big to fit through and they escape.

The next day, Cera is humiliated and left the group after they escaped a volcanic region she herself lead them into. Littlefoot, Ducky, Petrie, and Spike happen to see Sharptooth nearby while they are swimming in a deep lake. Littlefoot, guessing that Sharptooth can't swim, comes up with a plan to get rid of him for good. Baiting him with Ducky, they set their plan into motion. Sharptooth chases Ducky to the lake, while Petrie stands on a nearby ledge waiting to give a signal to Littlefoot and Spike, who are waiting to push a huge boulder off of a ledge onto Sharptooth. However, even after Sharptooth accidentally helps Petrie master his flight abilities, the plan is seemingly doomed to fail until Cera returns and helps push the boulder down onto Sharptooth. In a final act of rage and desperation, Sharptooth takes Petrie down with him as he plunges into the lake and sinks to the bottom to his watery grave. After moments, the remaining children start to walk away sadly, believing Petrie to be dead. However, the Flyer manages to surface and fly back to his friends, and they all rejoice, having finally avenged Littlefoot's Mother's death.

When I was done everyone was shocked and horrified!

Nico: Whoa man! I remember hearing about that!

Laney: Yeah me, Lincoln, Aylene, Fu and J.D. were there when it happened. It was intense.

Me: Yeah. We were testing out our simulator too.

Nico: We have to kill him before he moves to another planet!

Me: Nico he's a dinosaur. He doesn't have that kind of power like we do.

Nico: Oh right.

Eli: That's not all that's here. Look.

We saw many more Dinosaur Footprints.

Laney: Whoa more Dinosaur Footprint.

Camie: Oh many kinds of Dinosaurs and from the looks of things there was a struggle here.

Fu: I have a feeling these footprints are those of our Dinosaur Gene-Slammer friends.

Nico: Lets go find them.

We heard a roar and it was coming from a hill to the east.

Nico: That way!

We flew to the hill.

Tommy Oliver: Dino Thunder, Power Up!

Tommy turned into his Black Dino Thunder Ranger form!

Me: This situation calls for the Jurassic Rangers.

Me, Nico and Eli pulled out our Zenkai Cannons.

Me, Nico and Eli: (TURNS DIALS) ROARING JURASSIC POWER!

We summoned the Zyuranger, Abaranger, Kyoryuger and Ryusoulger!

Nico: Good call.

We got to the top of the hill and we saw a Giganotosaurus, Triceratops, Quetzalcoatlus, Stegosaurus, Spinosaurus, Velociraptor, Brachosaurus, Pachycephalosaurus, Dimetrodon,

Ankylosaurus, Parasaurolophus, Plesiosaurus, Ichthyosaurus and a Microraptor all fighting SHARPTOOTH!

Nico: WHOA!

Eli: Wow! A battle of Jurassic Proportions!

Me: If only the Dino Charge Rangers were here too.

Laney: Yeah that would be awesome.

Nico: But without a doubt those Dinosaurs that are fighting Sharptooth are the Dino Sisters.

Me: Yep.

Nico: Lets get him!

Tommy Oliver: In a way, the Dino Charge Rangers ARE with us right now.

Nico: That's true with the Zenkai Cannons.

Me: Yep.

Nico: NOW Lets get him!

We went at Sharptooth!

Sharptooth Roared ferociously!

Then a massive blast of lightning hit him in the back and he roared in pain and he looked and saw that it was Fu that fired it!

Aylene C.: I would say Nice to see you again Sharptooth but I would be lying!

Me: Remember us lizard lips!?

Lincoln: You have a lot of nerve coming back!

Nico: These last 6 years haven't been too kind on you haven't they? (To the dinosaurs) And girls it's awesome to see you again.

Giganotosaurus: Wow you too Nico!

Triceratops: You are looking awesome.

Quetzalcoatlus: Yeah you are a hunk.

Nico: We can catch up later. Now we got a dinosaur to turn into a leather skin luggage set!

Tommy Oliver: Brachio Staff!

Tommy fired a wave of fire from his Brachio Staff and it hit Sharptooth and blasted him all over!

Aylene fired waves of fire and blasted Sharptooth all over.

Nicole Knudson: This is awesome!

Nicole fired waves of stars and smashed Sharptooth all over the place.

Laney tied up Sharptooth in vines and smashed him all over.

Lana: Lets make this monster extinct!

Lana fired waves of ice lightning and froze him in a block of ice!

Kaina Tsutsumi: Now to shatter him into dust!

Kaina formed her rifle and fired a blast and then Sharptooth Shattered into a million pieces! HE WAS DEAD!

Nico: YEAH!

Me: Much better than the previous adventure.

Aylene C.: It sure was.

The 14 dinosaurs reverted back to human and they each were 14 girls. 7 older and 7 younger and they each had styles and hair colors for the 7 colors of the rainbow.

They were

Me: Long story on that but it was awesome.

Nico: It sure was.

Nico hugged the Dino Sisters.

Nico: I really missed you girls.

Dino Sisters: We missed you too Nico.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Jia Chong, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, and Andros are heading to Riverton in the world of the 1999 movie Inspector Gadget, and not only is Lincoln going to rescue the seven girls there, but we're also going to expose and knock down Scolex who became Dr. Claw, and we're also going to meet Inspector Gadget's evil self and have him recruited into the Masters of Evil.

Lincoln: Wow, we're here in Riverton, Ohio, and I know what we're going to do here, not only am I going to rescue the seven girls there, but we're also going to expose and knock down Scolex who became Dr. Claw, and we're also going to meet Inspector Gadget's evil self and have him recruited into the Masters of Evil.

Nico: That's right, big guy.

Me: This is going to be so awesome taking down Scolex who became Dr. Claw, and we're also going to expose him for his crimes and knock him down and send him to prison for good.

Lincoln: Yeah, he deserves to go to prison for good. And I want to thank you and the Ghostforce for joining us, Andros.

Andros: You're welcome, Lincoln.

Mike Collins: Let's first gather evidence of Scolex's crimes, and then, once we expose his crimes to all of Ohio, then, we can take him down.

Andy Baker: And send him straight to prison for good.

Liv Baker: Let me open up a Spectral Gate for this one.

Liv Baker opened up a Spectral Gate, and we went through it, and we began to gather up evidence of Scolex's crimes, such as stealing the foot of an android in order to build an army of androids from its technology, and the assassination of Artemus, leaving John Brown for dead by getting blown up in his car by Scolex's Dynamite stick disguised as a victory cigar, and finally, stealing Brenda's technological ideas and designs.

Ms. Jones: Great work, everyone. Now, to expose that tycoon for the fraud that he is.

?: HELP!

Suddenly, Lincoln heard the sound of seven girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the seven girls, but they've been cornered by Scolex who's now become Dr. Claw and Robo-Gadget, and they're going to kill them.

Lincoln: Guys, I found the seven girls, but they've been cornered by Scolex who's now become Dr. Claw and Robo-Gadget, and they're going to kill them.

?: He's not going to get that chance if we attack him and tie up Robo-Gadget and hand him over to The Masters of Evil.

Suddenly, we saw Arcana Force XXI - The World appear before us.

Nico: Whoa, that's Arcana Force XXI - The World.

Lincoln: And I'd know that voice from anywhere, I knew it was you, Felicia Terrington, but we'll have to talk later, we've got a fraudulent tycoon to expose.

We rushed on over, and Lincoln fired powerful rainbow energy balls at Scolex and then tied up Robo-Gadget with magnetic Neutronium chains, and that allowed the seven girls to get away. When Scolex saw us, he was mad.

Scolex: How dare you all get in my way?!

Lincoln: Save it for the judge, you lowlife. Ms. Jones, if you would do the honors?

Miss Jones played the evidence of Scolex's crimes and for everyone to see, and when they saw all of the footage of what he's done, everyone in Riverton, Ohio was horrified, and now, they want Scolex's head mounted on a pike for what he's done, and this pissed Scolex off badly.

Lincoln: (Smirks) Looks like your business has gone down the drain, and now, you're about to spend the rest of your life behind bars.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird

Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Jia Chong, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), and Musashi Miyamoto (Samurai Warriors) got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Scolex, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, steel orbs, throwing axes, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit him.

Then, Lincoln tied him up in a rainbow energy straitjacket and rainbow energy chains, so he can't ever escape, and Lincoln beamed Robo-Gadget to The Masters of Evil's HQ, and as for Scolex, he was then beamed by Lincoln to The Neptune Cryoprison, where he was cryogenically flash frozen and put in a cryogenic cell, and locked up for the rest of his life. We cheered wildly as we holster our weapons and power down.

Lincoln: That's it for that evil greedy tycoon. (To Felicia Terrington) And it's so good to see you again, Felicia Terrington.

Felicia Terrington reverted back to normal, and she's a beautiful 17-year-old girl with long flowing dark blue hair, dark blue eyes, she's tall at 6'5" in height, she has the body of a goddess, she has massive dark blue angel wings, and she reigned in the power Arcana Force XXI - The World, and she's dressed in a dark blue sleeveless blouse, dark blue dress top, dark blue skirt, black pants, blue sneakers, and dark blue sleeveless trenchcoat with lightning bolts on the coattails, and Arcana Force XXI - The World on the back, and holstered on her back is a large Arcana Force XXI - The World themed sword with a 6'10" massive, wide, double-edged dark blue blade with Arcana Force XXI - The World etched on it, dark blue wings for the crossguard, large dark blue gem embedded in the rainguard, longer black handle, and large dark blue gem for the pommel.

Felicia Terrington: You too, Lincoln, it's been a long time.

Lincoln went up to Felicia Terrington and they hugged, and Felicia Terrington's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Felicia Terrington: I knew you have, but whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Felicia Terrington, she's another of my Guardian Angels from Royal Woods, Michigan before it became Gotham Royal York, she's a very strong and powerful Psychic Mindreader and Clairvoyant that has the power to see into the future as well as read the minds of those around her and she even has powerful lightning powers too, and as we also saw, she also has beautiful blue angel wings. She even has the power to predict and stop trouble before it even begins. This one time, she stopped Lori from going on a murderous rampage all throughout the school before it even began and got the teacher in big trouble for taking her phone. She's not only a great Guardian Angel to me, but also to Lori and Laney.

We were amazed.

Nico: Whoa, that's incredible that you, Lori, and Laney have a powerful psychic mindreader and clairvoyant as a Guardian Angel, and she has the power to predict and stop trouble before it even begins. That's so awesome.

Lincoln: That power has prevented trouble whenever it's about to begin.

Suddenly, a Thunderbird of Eternal Love appeared around Felicia Terrington's neck with dark blue gems on the gold thunderbolt links and dark blue crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Felicia Terrington: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're ow part of my harem and one of my many future wives, Felicia.

Felicia Terrington had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her, and he leaned down and kissed Felicia Terrington on the lips, and they returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Naomi Armitage from Armitage III, Nishimura Haru, Nakiami, and Benikawa Ishuu from Xamd: Lost Memories, Edogawa Yuuriko, Ichinotani Midori, and Ingrid Shizuka Gruber from Katsugeki Shoujo Tanteidan.

Lincoln: Oh wow, it's Naomi Armitage, Nishimura Haru, Nakiami, Benikawa Ishuu, Edogawa Yuuriko, Ichinotani Midori, and Ingrid Shizuka Gruber.

Nico: From Armitage III, Xamd: Lost Memories, and Katsugeki Shoujo Tanteidan, awesome.

Lincoln: Are you girls okay?

Naomi Armitage: Yes, we're okay thanks to you.

Then, when Naomi Armitage and the other six girls saw who it was that saved them from Scolex and Robo-Gadget, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Then, Lincoln made six clones of himself, and he and the six clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Naomi Armitage: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Thunderbird Necklaces of Eternal Love appeared on the necks of Naomi Armitage, Nishimura Haru, Nakiami, Benikawa Ishuu, Edogawa Yuuriko, Ichinotani Midori, and Ingrid Shizuka Gruber with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and they were shocked when they found out that the villain we went after was Scolex who became Dr. Claw.

But, when Lincoln showed what we did to him in exposing his crimes to all of Riverton and also putting Robo-Gadget into The Masters of Evil, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Felicia Terrington have a lot of catching up to do, now that she's back in town, and Robo-Gadget is now a member of The Masters of Evil, and Scolex is locked up for life.

---

After getting Scolex thrown in prison for his crimes, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Felicia Terrington saw Lincoln working out like crazy, she had an atomic red blush on her face.

Felicia Terryington: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Felicia, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Felicia Terryington: That's incredible.

Nico: It sure is. So, Felicia, how did you stop Lori from going on a murderous rampage all throughout the school before it even began and got her teacher in big trouble for taking her phone?

Felicia Terryington: I'm glad you asked. One day, while I was in class, I was busy taking notes, but then, I got a vision of Mr. Mason taking Lori's phone just to spite her, and once that happened, Lori went on a murderous rampage throughout the school and started killing everyone, and Mr. Mason was laughing maniacally. Then, I saw what Mr. Mason was about to do, so I blasted him with a blast of lightning, and I showed Principal Rivers the vision of what Mr.

Mason was about to do in taking Lori's phone just to spite her and that would cause her to go on a murderous rampage throughout the school and started killing everyone and Mr. Mason laughing maniacally. When I was done, Principal Rivers was furious at Mr. Mason, along with Superintendent Chen, who was visiting the school, and as a result, Mr. Mason was fired for good, and as a result, he lost his pension and was left on the streets as he lost his home, and his wife divorced him after she found out what kind of jerk he really is.

We cheered for what Felicia Terryington did.

Nico: Holy crap, that was so awesome. What you did was really amazing, Felicia.

Lori: I literally knew Mr. Mason was a mean teacher, but to find out that he's a spiteful jerk who also hated my guts, now I'm really glad Felicia got him fired for good.

Lincoln: Do you know what happened to him on the streets, Felicia?

Felicia Terryington: He was murdered on the streets by a group of thugs two weeks after he got fired, and after the police found him, they also found the thugs who did it, and they got life in prison, and as for Mr. Mason, he was buried in an unmarked grave since he was hated by all of Royal Woods.

Lincoln: Oh, and speaking of being buried in an unmarked grave, today's the day of the execution of Megan Kiraton's evil father. So, we're getting front row seats to see it, and it's at San Quentin Prison.

Megan Kiraton: And before they give him the needle, I've got a few words to say to him for ruining my life, and those'll be the last words he'll hear in his entire miserable life.

Nico: Yeah, that asshole deserves to get the needle for what he did.

Me: You said it.

We got a shower afterwards, and then, we were heading down to San Quentin Prison in San Quentin in California, to witness the execution of Megan Kiraton's evil father, and Megan Kiraton's got a few good choice words to say to him. We were then led to the room where we then saw the person that's about to be executed: Megan's evil father, James Kiraton, the bastard who forced Megan Kiraton to kill her own mother, Christine Kiraton, and ruined her life.

Nico: So, that's James Kiraton.

Lincoln: The heartless monster who forced Megan to murder Mrs. Kiraton. I'll be glad to see him get his just desserts when he gets the needle.

Prison Warden: Ladies and Gentlemen, we gathered here today to witness the execution of convicted killer James Kiraton, for forcing his daughter to kill Christine Kiraton. Is there anyone among those who has a few words to say?

Megan Kiraton: I do.

Megan Kiraton went up and faced her father through the window, and when he saw her, he was now extremely pissed off at her, and before he was about to yell, Megan silenced him.

Megan Kiraton: Not another word out of your mouth, you fucking bastard. For many years, you have tormented and abused me and Mom, and for far too long, you've threatened our lives and we've been forced to live in fear for our own lives. But, you crossed the fucking line when you forced me to kill my own mother because you threatened to kill me if I didn't. Do you have any idea what you caused with that act, I have been haunted by nightmares of that very day and because of what you did, my life and my future was destroyed, and I was driven straight to the point where I wanted to commit suicide because of you!

Then, Lincoln stood with her.

Megan Kiraton: But, it's because of Lincoln and his family, along with all of Team Loud Phoenix Storm, and that one last talk with my Mom, I now have the courage to finally move on from the past, I now have a new future and I'm also going to look forward to being married to Lincoln in the future. But, as for you, you are going to die alone and forgotten. I would say May God Have Mercy on your soul, but as I can see, you have none. You are a heartless, emotionless, nihilistic, selfish, murderous, and evil bastard who doesn't deserve to live or breathe a single second more. Goodbye forever.

Megan Kiraton said her impact statement with strength and conviction, all of which served to piss off James Kiraton even more, and he was trying to break out of his bonds to get out and kill her, but he couldn't, and the prison doctor placed the needle into his arm and administered the lethal injection cocktail into him, and in a few seconds, James Kiraton was dead. Then, Lincoln formed a magic circle with runes, and as it glowed, dark energy chains bound James Kiraton's wrists, and then, a kanji had formed on his forehead, and James Kiraton was then erased from existence forever.

Megan Kiraton hugged Lincoln's waist and Lincoln wrapped his abnormally massive and powerful muscular arms around Megan Kiraton, and we saw that justice has finally been done.

Nico: It's finally done. Now, Megan's nightmares are finally over.

Lincoln: That's right, and like I promised Mrs. Kiraton, I'm going to take care of Megan, and I'm going to love her in the very same way as my many future wives, and she deserves a better life.

Applejack: That's right. What that snake in the grass did to his daughter proved one thing: he's a bad monster and a bad father, and Linky's right, she deserves a better life.

Megan Kiraton: That's right, Applejack, and he's going to honor the promise he made to Mom, and he is definitely a man of his word as always, ever since Mom and I first met him when he was only 11.

Nico: That's exactly who he is, Megan.

Lincoln: That's right. Oh, and now, it's time for us to meet Akko's family.

Akko Kagari: Yeah, and you're going to love meeting them, Linky. Let's go.

We then left San Quentin, and now, Megan Kiraton's nightmares have finally been put to rest for good now that her evil dad has been executed for what he's done.

After the execution of James Kiraton, we were now heading down to meet Akko Kagari's family.

Lincoln: I can't wait to meet your family, Akko, this is going to be so awesome.

Akko Kagari: My parents have been wanting to meet you ever since you guys first came to Luna Nova Magical Academy last year.

We then arrived at the home, and Akko knocked on the door, then, we saw the door open and at the doorway were Akko's parents, and when they saw Akko, they came out and hugged her, and her cat came out and jumped onto her. Then, they met Lincoln, and they know that Akko's now one of his many future wives and he'll take good care of her.

Then, we had Akko's parents moved to Gotham Royal York, so that way, they can see their daughter as often as they want, and also, check in on her to see how she's doing.

Nico: That was interesting, first, we witnessed the execution of Megan's evil father, and we also met Akko's parents, who've now moved to Gotham Royal York.

Lincoln: Yep, but I can't help but get the feeling that on our mission today, we're going to face a dark shadow from Carol's past, and it was from very long ago.

Me: I was just about to say the same thing, Lincoln.

* * *

Now it was time for the Ambassador missions we've been waiting for. It was time for us to meet the Gaim Kamen Riders!

Nico: This is gonna be so awesome!

Lillian Hale: Yeah it sure is! I'm really excited to meet the Gaim Kamen Riders.

Nico: Yep. Yesterday's Ambassador Mission was a perfect warmup for you Lillian.

Lillian Hale: It sure was.

William: Anyone else want to come with Lillian? Besides Shane and 4 Rabbids?

Allison Nouveux: I will go. I am Hideyasu Jonouchi's archenemy.

Will Vandom: And me and the Guardians can go too.

Jared: Can I go too dad?

Me: Sure son.

Nico: Awesome!

Me: I'm looking forward to this one.

Nico: Lets head out then!

We were off to Japan.

We arrived in the city of Zawame, A suburb of Tokyo.

Me: Wow! So this is Zawame City.

Nico: This is amazing.

Jared: Wow look at that big building there.

We saw a huge tower that looked like a small miniature version of our world tree estate! But it was covered in plants and run down and dilapidated.

Me: Whoa! That building must be the old Yggdrasill Corporation building! It looks like a smaller miniature version of our World Tree Estate.

Nico: It sure does. Wow! At only 2,500 feet high.

Me: And that is just a tiny little ant compared to our 528,000 foot high World Tree Estate.

Eli: Yeah.

Then we saw Kouta appear.

Kouta: Lillian, right? Glad you made it here!

Lillian Hale: Kouta it's awesome to see you again.

Me: (Speaking in Japanese) 葛葉紘太さん、またお会いできて光栄です。私たちの冒険でファーターに対して私たちを助けてくれたあなたに大きな時間を借りています。あなたとセイバー仮面ライダーが私たちを助けてくれたのは素晴らしかったです。(Kouta Kazuraba, it's awesome to see you again. We owe you big time for helping us out against the Fartor in our adventure. It was awesome having you and the Saber Kamen Riders help us.)

Kouta: It was our pleasure.

Me: We should introduce some of the team. You know me and Nico.

Eli: My name is Eli Winston Bullock, I'm J.D.'s little brother.

Will Vandom: I'm Will Vandom, leader of the Guardians of Candrakar and I'm the Ambassador for the OOO Kamen Riders.

Irma Lair: I'm Irma Lair, Guardian of Water.

Taranee: I'm Taranee Cook, Guardian of Fire

Cornelia: I'm Cornelia Hale and Lillian is my little sister. I'm the guardian of Earth.

Hay Lin: I'm Hay Lin, Guardian of Air.

Elyon: I'm Elyon Brown, Queen of Meridian and Guardian of Time.

Megan McCallister: I'm Megan McCallister, Cornelia's best friend and Guardian of Space. I'm also the Ambassador for the Saber Kamen Riders.

Allison Nouveux: I'm Allison Nouveux and I'm the archenemy of

Hideyasu Jonouchi. He just joined our frenemies not too long ago.

Jared Knudson: I'm Jared Knudson, J.D.'s son and it's an honor.

Shane: I'm Shane Clarke. The Red Ninja Storm Ranger.

Me: You know the Ninja Storm Rangers as the Hurricanegers.

Kouta: Wow it's an honor to meet you all.

Lillian Hale: Oh sorry I'm also the Guardian of Light.

Kouta: It's an honor to have you all here.

Shane: (sighs) And these are Rabbids.

Rabbid: (Gibberish)

Me: (Whispers to Kouta) Rabbids are really funny guys but they are not the brightest light bulbs in the closet if you know what I mean.

Kouta: Oh I see.

Me: Yeah. They are funny and always make us laugh.

Eli: It's true.

Me: We also heard about what happened to the Peach Gaim Kamen Rider, Yoko Minato. We're sorry about what happened to her.

Nico: Yeah and she is a redeemed hero. She is a perfect candidate for the Redemption Squad.

Kouta: Thanks guys.

Me: But I can do this for you all. (Snaps fingers)

I snapped my fingers and then in a flash of pink light with a ring of peaches and the divine singing of angels being heard came down a figure and it was Yoko Minato! Back from the dead!

Yoko Minato: I'm back? But how?

Me: I brought you back. My name is J.D. Knudson, Second in command of Team Loud Phoenix Storm.

Kouta: Yoko!

They hugged.

Yoko Minato: Kouta? What happened?

Me: You fell off the roof of a skyscraper caused by an bomb that Zack planted and you died.

Yoko Minato: Oh man. That's right! He killed me.

Nico: We're not holding anything against him.

Me: No.

Kouta: Speaking of whom, how about you guys meet him and the rest of my friends in person?

Nico: Sure.

Lillian: We would be honored.

We followed Kouta.

We arrived at Kouta's base.

Kouta: Here we are!

Me: Nice place.

Nico: It sure is.

Mitsuzane Kureshima: Hey guys!

Me: Mitsuzane, great to see you!

Lillian: Awesome to be here.

Takatora Kureshima: Great to have you all here.

Sid: Yeah. (GASP) Yoko!? You're alive!

Yoko Minato: Yes thanks to J.D.

Me: I resurrected her.

Nico: J.D. has the powers of a god and he has the power to do anything.

Me: It's true.

Kouta: Wow.

Zack: Look, Yoko. I owe you an apology. I didn't intend for that bomb to kill you.

Yoko Minato: I know Zack. It wasn't your fault.

Zack: I'm sorry Yoko.

Yoko Minato: It's all right.

Kouta: But you guys are a true force of awesome power.

Me: We just do what we can to protect those we care about.

Nico: It's a big job.

Me: Also You guys are really awesome using those amazing Lock Seeds too.

Jared: Yeah and they are really amazing.

Nico: They sure are.

Me: I picked the Blue Raspberry for me. Also I gave the remaining members of the Yggdrasill Corporation that is in hiding a massive warning a while back. It's a Declaration of War.

Nico: So, Kouta. What was it like to become a god to save the Earth from Helheim?

Kouta: It's incredible! But I know that with great power comes with great responsibility and what Helheim was gonna do was terrible.

Me: I couldn't have said it better myself. But it was really amazing that you all got the powers of an alien planet like Helheim. Let me see here.

I looked up where Helheim was located and I saw that it was located on an alien planet located in the galaxy cluster Abell 2744 located 3.98 billion light-years away from Earth called Femushinmu.

Me: The planet Femushinmu!? Whoa man!

Jared: My sister Shanan told me so much about that planet. It was amazing.

Nico: Yeah and located 3.98 billion light years away from Earth in the Galaxy Cluster Abell 2744. That is incredible.

Will Vandom: Wow it sure is.

Mitsuzane Kureshima: Wow! We had no idea it was that far away.

Kouta: That's incredible!

The Rabbids were atttempting to eat some of the Lockseeds.

Zack: No! Those are only devices that represent fruit. Not fruit themselves!

Me: Rabbids are not the smartest creatures we know Zack. They're not the brightest lightbulbs in the closet if you know what I mean.

Nico: Yeah but they are funny.

Mitsuzane Kureshima: Yeah. (Realizes something) Wait a second. I remember seeing you all destroy Godzilla!

Me: You saw us destroy Godzilla?

Nico: That was 4 years ago in 2018. That was an epic and amazing adventure.

Eli: I was told how that happened and it was great.

Lillian: I wasn't there when it happened but it was really cool.

Megan McCallister: It sure was.

Zack: Can you tell us how it happened?

Me: Sure. But instead I'll show you.

I pulled out a memory hologram ball.

Me: Watch.

It turned on and showed what happened during the events of Chapter 515.

---

It starts in the estate. I was looking up something that happened over in the western Pacific Ocean south of Japan.

Me: This is really unusual.

Lincoln: What is it?

Me: I found a mayday signal being broadcasted from a Russian Submarine. Listen.

I play the signal and it had a distress frequency and suddenly there was an explosion and the signal was gone.

Laney: What do you think caused that?

Me: Whatever it was something is seriously wrong. The satellite scans show that none of our subs and vessels are in that area. However it did find this.

I print a computer enhanced satellite photograph and what it revealed was horrific. It was an image of GODZILLA!

Lincoln: Is that Godzilla!?

Me: It looks like it.

Yuko: Godzilla!? How can that be?

Me: This Godzilla is one that Japan knows. The one we knew from 20,000 years into the future was a whole new different matter. This Godzilla is 75% smaller than the one we fought.

Lincoln: We have another Godzilla to destroy.

Me: Yes. But this Godzilla was created because of Nuclear Radiation caused by us.

Lori: What do you mean J.D.?

Me: Godzilla first attacked and destroyed much of Tokyo, Japan back 64 years ago in the year 1954. Watch.

I pulled up what happened. I show a black and white video of what happened back during Godzilla's attack back then. Most of Tokyo was completely destroyed, burned and leveled. Almost nothing was left.

Me: This was taken 64 years ago. Godzilla appeared for the first time back then and he caught Japan and the entire world completely off guard. Thousands of people were killed and many more were injured and his destructive power was incredible.

I showed his destructive power back then. He fired his atomic breath and turned all of Tokyo into a sea of fire. The destruction was horrific.

Me: Godzilla turned all of Tokyo back then into a sea of fire. Damage back then was estimated to be in the billions. That was 64 years ago. Today it would be worth 10s of trillions.

Lana: That is awful!

Carol: Yeah.

Lucy: How are we gonna kill this Godzilla and make sure that he doesn't come back?

Me: We're going to use what we learned 20,000 years into the future to kill Godzilla and we'll use other methods. Also we're gonna be helping the U.N.G.C.C.

Vince: The U.N.G.C.C.?

Me: It stands for the United Nations Godzilla Countermeasures Center. They are a division created by the United Nations that uses very sophisticated and very advanced scientific technology to counterattack against Godzilla. But also their one goal is to try and find a way to kill Godzilla.

Lincoln: Sounds very complicated and dangerous.

Me: It is. But believe it or not with everything we learned from when we killed Godzilla 20,000 years from now, we have the ability to make sure he stays dead. Computer, call G-Force commander general Takaki Aso. Voice I.D. James Dean Knudson, United States of America, ID# 413421623513 Alpha.

Computer: Voice print confirmed and identified.

I turn my headset into a scrambler and translator.

A holographic screen appeared and it was G-Force commander general Takaki Aso.

Commander Aso: G-Force, Aso here.

Me: Commander Aso it's good to see you again.

Commander Aso: You too J.D.

Me: I'm afraid this isn't a social call. We have a huge problem. 3 hours ago a Russian Submarine was attacked and destroyed by Godzilla.

Commander Aso was shocked.

Commander Aso: Do you have any proof of this?

Me: Yes sir I do.

I hold up the satellite photo.

Me: This photo was taken just shortly after we found out that the Russian Submarine was destroyed.

Commander Aso: So after years of dormancy Godzilla has returned. I thought we had seen the last of him. The last known sighting and attack of Godzilla was back in 1995 when Space Godzilla attacked. He was lying dormant for 23 years and now he is back.

Me: Yes sir. But we have a way we can destroy Godzilla for good.

I explained what happened during our time 20,000 years into the future in an alternate time and what we found out on how to destroy him. Commander Aso was enamored by this new development and called our findings genius.

Commander Aso: Your findings are genius J.D. You all may have saved all of Japan and liberated us from a 64 year nightmare that's plagued us for so long.

Me: Yes. This battle is going to be really rough. To make sure that no one gets caught in the crossfire, have everyone within a 200 mile radius of the Tokyo vicinity evacuated.

Commander Aso: Right. How soon will Godzilla arrive?

Me: Within the next 24 to 36 hours.

Commander Aso: Okay. The evacuation orders are in place.

Me: Were on our way.

The call ended.

Eddy: You think we're gonna get in trouble with Japan for klling Godzilla?

Whenua: Are you kidding? After all the property damage it's caused, they'll give us medals!

Whenua had a brown India style outfit and he had brown hair and orange eyes, his claws are on his hips and are ready to use whenever needed.

Me: I agree with you Whenua. Lets go!

We set out for Japan.

---

We were in Tokyo, Japan. Everyone in the city was evacuated and we were standing ready.

Sergeant: J.D. everyone has been evacuated.

Me: Okay. Godzilla will arrive in 30 minutes.

Sergeant: Roger.

The tanks, Maser Tanks, Super X, Laser Cannons, Missiles and more arrived.

Me: Here we go guys.

We waited and then we saw the oceans move.

Me: We have movement in the area!

Surfacing out of the ocean with a powerful roar was Godzilla!

(Godzilla Theme plays)

Yuko: It's Godzilla!

Ben became Ultimate Way Big.

Ben: ULTIMATE WAY BIG!

Lincoln: This is gonna be awesome!

Ultimate Way Big: I never battled a Kaiju before. I'm really looking forward to the experience!

Me: Fire at will!

Sergeant: FIRE AT WILL!

We all fired our powers and everything we got at Godzilla. The missiles and lasers fired and the Super X fired Cadmium missiles and more. It was a major league and brutal onslaught! I fired energy blasts and energy balls and the explosions were powerful enough to hurt Godzilla as he was being pushed back. Carol fired an Orange Atomic Ray and King Ghidorah's Gravity Lightning and Space Godzilla's Corona Ray. The blasts and attacks were hurting him with powerful fury. Lori and her children fired powerful balls of concentrated wind and blew him back. Lola and Lila fired massive blasts of fire at Godzilla and they burned him. Yuko and Sam did the same and it was a powerful attack. Godzilla fired his atomic breath and Vince and Nico fired energy blasts and the blasts collided. The blasts were struggling and then they exploded with incredible power.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The smoke cleared and Edzilla went at Godzilla.

Edzilla: ED SMASH GODZILLA!

Edzilla jumped onto Godzilla's head and dealt him powerful headbutts. He then bit one of Godzilla's eyes and ripped it clean out of its socket. Godzilla roared in pain.

Edzilla jumped away and landed by Ultimate Way Big. Ultimate Way Big fired a blast of cosmic energy and they burned Godzilla.

Edzilla: Ultimate Way Big lets use combo.

Ultimate Way Big: You got it.

Edzilla charged at Godzilla and Ultimate Way Big fired a blast of Cosmic Energy.

Ultimate Way Big and Edzilla: COSMIC DRAGON OBLITERATOR!

The Cosmic Energy Ray merged with Edzilla and he became a dragon made of pure cosmic energy and when it hit Godzilla it exploded with incredible power and knocked him down.

Edzilla: ED IS STRONGEST THERE IS! (roars to the heavens)

Carol fired Destoroyah's Micro-Oxygen Ray. It hit Godzilla and blew him back as he got up. She then fired Gyaos sonic laser ray and it burned Godzilla in his chest and it was hurting him.

Carol: Pohatu lets use our combo.

Pohatu: You got it.

Carol fired Gamera's fireballs and Pohatu kicked a rock at Godzilla.

Carol and Pohatu: KAIJU FURY METEOR!

The fireballs combined with the rock and became a powerful flaming meteor and it hit Godzilla and exploded with incredible power.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

Laney entangled Godzilla in huge bramble vines and Lewa fired blades of wind at him. They slashed him.

Lewa had United States Army camouflage style clothes, green hair and yellow eyes and black boots.

Laney: Lets use our combo Lewa.

Lewa: You got it.

Laney formed a bunch of plant vines with monster mouths on them and Lewa fired a huge blast of wind.

Laney and Lewa: SULFURIC ACID WINDSTORM!

The mouth vines squirted a huge deluge of Sulfuric acid and the wind turned it into a fine mist and it burned Godzilla badly. He was roaring pain.

Shannon fired a barrage of black crystals with her dark magic and Onua threw numerous rocks and crystals at Godzilla. They hit him and hurt him.

Onua has a black medieval peasant style outfit on. It looks like something from 1,500 years ago.

Shannon: Onua lets use our combo.

Onua: You got it!

Shannon fired black crystals and Onua threw numerous rocks.

Shannon and Onua: MAGIC EARTH KNIFESTORM!

The crystals and rocks rained onto Godzilla and they hurt him bad with a barrage of blades.

It was a powerful onslaught and the number of combos we were using was incredible.

Matau had green hair, yellow eyes, and was dressed like Robin Hood. Nokama had a long sleeved ocean blue battle dress, blue stiletto shoes, ocean blue hair, and blue eyes. Kopaka had a suit similar to Shriek's, etc, etc.

Lana, Kopaka and Nuju then froze Godzilla a massive block of ice.

Me: That'll hold him. Now we can work on the 2nd stage of our plan. We're going to use the very device that killed the first Godzilla back 64 years ago: THE OXYGEN DESTROYER!

THUNDER AND LIGHTNING CRASH!

Lincoln: What is the Oxygen Destroyer?

Me: It's a prototype chemical weapon that was used to kill Godzilla back then.

Lori: That literally sounds incredibly dangerous.

Me: It is and my father and grandpa witnessed it being tested.

* * *

Me: (Narrating) **It was back 64 years ago and Godzilla made his first appearance and went on a rampage that almost completely destroyed all of Japan. My grandpa Major Dean Alvin Knudson**

**had a good friend back then. His name was Dr. Daisuke Serizawa, a chemical scientist and the inventor of the Oxygen Destroyer. After the war ended they became like brothers. Their bond was powerful. Dr. Serizawa gave a demonstration of the Oxygen Destroyer.**

Dr. Serizawa tested the Oxygen Destroyer in a tank filled with fish. It reacted violently with the water and it bubbled up at a powerful rate.

Dr. Serizawa: It destroys all of the oxygen in the water and suffocates the marine life. Then it liquifies it. Making the waters sterile.

Me: **The Oxygen Destroyer reduced the fish in the tank to nothing but skeletons. But this depends on how powerful the reaction is. My father was with him and he was only a child when he saw it happen. Dr. Serizawa said that the Oxygen Destroyer would be ultimately considered as a weapon of mass destruction. My grandpa managed to convince Dr. Serizawa to use the Oxygen Destroyer to kill Godzilla. But to make sure that his research can never fall into the wrong hands he destroyed his research papers. However unknown to him dad got the papers out and hid them. On a boat in Tokyo Bay dad and grandpa witnessed the Oxygen Destroyer being used. The chemical solution reacted violently and the bubbles were so intense that it rocked the boat. In the end, Godzilla was destroyed and Dr. Serizawa made the ultimate sacrifice to save the world. He cut the oxygen line to his diving suit and killed himself.**

FLASHBACK ENDS

Me: After that horrible event, Grandpa Dean was devastated. He lost a best friend that became like his brother.

Leni: That is totes horrible.

Luna: Dude. I'm sorry man.

Me: I know. I wasn't born back then. But the Oxygen Destroyer is our only chance to destroy Godzilla for good and end his 64 year history. My dad gave me the research papers to use for later purposes. Now is that time.

Suddenly out of nowhere an energy portal appeared and out of it came KING GHIDORAH!

Carol: It's King Ghidorah!

Me: It is him but he's is different.

It was true. King Ghidorah now had a mechanical metal head and the other two heads were the same, he had a metal armor chest guard, mechanical wings, and leg guards. He was now known as MECHA-KING GHIDORAH!

He landed behind us and we were amazed.

Me: Wow!

?: J.D. Knudson do you read me?

Me: Yes I read you. Who is this?

Emmy: My name is Emmy Kano and me and Mecha-King Ghidorah came from the 23rd century in the year 2204.

Me: 2204!? That's 186 years from now. That's amazing!

Emmy: Yes. We came to help you stop Godzilla once and for all.

Me: We greatly appreciate it Emmy and we need all the help we can get.

Twin Voices: Let us help you too.

We saw a giant moth flying over to us and it was hovering over the ocean. It was MOTHRA!

Me: Wow! Mothra!

Mothra chirped and she was there to help us.

On a smaller version of Mothra were the world famous Shobijin

Fairies of Infant Island. Very good friends to us.

Me: The Shobijin Fairies.

Shobijin Fairies: It's good to see you again J.D.

Me: You too. How have things been on Infant Island?

Shobijin Fairies: Things have been good.

Lori: Who are they J.D.?

Me: Oh I'm sorry. Everyone these two are the world famous twin Shobijin Fairies of Infant Island.

Shobijin Fairies: Pleasure to meet you all.

Luna: Same here dudes.

Lincoln: It's a pleasure to meet you.

Luan: How do you know them J.D.?

Me: We also have a big history with Infant Island. It dates back to 1966.

FLASHBACK 2

Me: (Narrating) **In 1966 my father was investigating what he suspected was terroristic activity in the Solomon Islands in the Bougainville area. He arrived at the island he was sent to and the island was run by the evil terrorist organization called Red Bamboo. They were making nuclear weapons on the island so they can destroy some of the major cities around the world. Also he made a scary discovery. Red Bamboo was using some of the people of Infant Island as slaves to make a strange liquid that serves as a repellant to ward off the giant shrimp monster Ebirah. The liquid prevents Ebirah from attacking whenever they go or come to the island. My father busted them out and he launched an all out revolt. A guard tried to stop them, but he knocked him out and took his AK-47 gun. It was a savage revolt. Also it turns out that the island was harboring another**

**secret. That island was home to Godzilla as well. Godzilla was lying dormant after his 1st battle with King Ghidorah back in 1964. He destroyed the Red Bamboo camp and was fighting Ebirah during the revolt. The island activated a nuclear time bomb self-destruct device that was gonna blow the whole island to smithereens. Dad and the people constructed a large net made of grass, tree branches and sticks. It was their transport. Mothra took them out of there just in the nick of time after the fight and the island exploded. Also in a sense of poetic justice before my dad arrived, they made a false batch of the liquid and Ebirah killed the remaining members of the Red Bamboo as they fled. Dad is the hero of Infant Island.**

The events of the narratives are shown.

FLASHBACK ENDS

Shobijin Fairies: Yes. J.D.'s father is a brave man that saved our people from a fate worse than death.

Lincoln: J.D. that's amazing!

Linka: I didn't know that your dad was that strong and brave.

Me: Dad's a hero. Next to being a police officer and catching some of the most dangerous criminals in the country, saving Infant Island and destroying the Red Bamboo was the greatest achievement he did.

Lori: Your dad is literally amazing.

Roxanne: He sure is.

Bobby: You said it.

Me: Yeah. But we're getting off track here. We need to make an Oxygen Destroyer. Lisa, you and Nicole come with me. We're going back to the estate to make one. Here's what we do.

I revealed my plan. We went back to the estate and got to work. The rest of us stayed back and held back Godzilla for as long as possible. Mecha-King Ghidorah fired gravity lightning and enhanced gravity lightning and Mothra fired energy beams from it's antennae. More help arrived and it was Super Mecha-Godzilla. It fired rainbow energy from its mouth and an energy blast from its chest and fired blue energy beams from the Garuda machine on it's back.

2 hours later at night we came back with the Oxygen Destroyer. It was a bomb-like device.

Me: Here it is guys. The Oxygen Destroyer.

Lori: It looks like a nuclear warhead.

Me: That was my first thought too.

Varie: Okay here goes.

Varie, Luna and Lily trapped Godzilla in an enormous ball of water. Tara then lifted up a platform of rock and I placed the Oxygen Destroyer on it. Tara lifted the platform and it went into the ball of water through the bottom and we waited. The device filled up and the ball split and bubbled violently. It was a violent reaction and the ball of water looked like it was a ball of pure boiling hot water. Godzilla was being suffocated by the power of the Oxygen Destroyer and he popped out of the ball to get some air but it was too late. He died in the ball of water and was reduced to nothing more than a skeleton. After 64 years, the terror of Godzilla, the King of the Monsters had been silenced forever.

Me: It's over guys. We won! Godzilla the King of The Monsters had been silenced forever!

We all cheered wildly.

Me: We did it for you Dr. Serizawa. We did it for you and avenged everyone killed by Godzilla. Now we have to make sure that Godzilla never returns.

Later at the Prime Minister's building for our heroic actions in ridding the world of Godzilla we were awarded the highest award in Japan: The Order of The Rising Sun for our bravery and more. We were also awarded by the head of the U.N.G.C.C. for it. We did receive medals for our deeds. We later got to work and removed and cleaned up all the nuclear waste and energy to make sure that Godzilla never returns. But there will be other Kaiju out there. So whenever they arrive we'll be ready for them.

Steve Martin: (Voiceover) Nature has a way sometimes of reminding Man of just how small he is. She occasionally throws up terrible offspring's of our pride and carelessness to remind us of how puny we really are in the face of a tornado, an earthquake, or a Godzilla. The reckless ambitions of Man are often dwarfed by their dangerous consequences. For now, Godzilla - that strangely innocent and tragic monster - has gone to earth. Whether he returns or not, or is never again seen by human eyes, the things he has taught us… Remain.

---

When it was done they were amazed.

Zack: Wow!

Yoko Minato: That is so amazing that you all were able to destroy a monster like Godzilla.

Me: That was a really epic battle and back then we weren't NEARLY as powerful back then as we are right now.

Kouta: That is amazing.

Eli: It sure is. And also I know all the Kaiju myself. Godzilla Jr. is one of my friends.

Allison Nouveux: It's true.

Kouta: Wow.

Nico: (an odd look on Nico's face) Odd. I sense another revived life signal.

Zack: Did you snap your fingers again?

Me: No. I didn't.

Nico: Oh no! I sense that it's Kaito Kumon.

We gasped!

Eli: Oh man. Not him.

Me: Boy I remember seeing that epic battle with Kaito. He died by Kouta's hand to get some sense knocked into him. And I'll bet you it was the Aparoids that brought him back.

Kouta: The Aparoids?

Me: A parasitic insectoid alien race. They want to enslave the entire universe.

Eli: They are like the Borg from Star Trek.

Shane Clarke: Yeah.

We went to find him and we looked and we saw a figure.

Cornelia: Alright, buddy! Put your hands up and turn around! Slowly!

The figure put his hands up and turned around, shocking Kouta.

Kaito Kumon: (smirking) Hello, Kouta.

Me: 駆紋戒斗、あなたのことや、こうただけでなく多くの人にとっても大きな問題になっていることをたくさん聞いたことがあります。(Kaito Kumon, I've heard so much about you and how you have been a huge problem not just to Kouta but to many people too.)

Kaito Kumon: That's right J.D. Honor to meet you.

I then saw ugly purple blotches on him and my suspicions were confirmed!

Nico: Oh man! Those ugly purple spots. Those are the Aparoids all right.

Kaito: Yes and they are making me stronger.

Nico: So, you aim for power as well?

Kaito: Only to form a world where the weak are not oppressed by the strong. I'm not like those fools Paul and Shido.

Shane: Is it a bad time to say that Paul was reported to have vanished from his cell this morning?

Nico: Wait. You're just telling me this now?!

Me: Paul is gone!? Oh man!

Eli: That purple haired monster just doesn't know when to quit!

Nico: We'll worry about him later. Kaito what you are thinking about is a world without free will.

Jared: Yeah and where is the honor in that!?

Lillian: Wait. If you're not interested in the Aparoids' goals, why are you here?

Kaito: To see if you are strong as they say.

Kouta: You're about to get your wish! Henshin!

Soiya!

Kaito: Henshin.

They transformed!

Me: Then lets kick this to the extreme!

Will Vandom: GUARDIANS UNITE!

The Guardians Transformed!

Will Vandom: (Energy Surges) THE HEART!

Irma Lair: (Water Splashes) WATER!

Taranee Cook: (Fire Burns) FIRE!

Cornelia Hale: (Vines Grow) EARTH!

Hay Lin: (Wind Blows) AIR!

Me: (Lightning Strikes) LIGHTNING!

Elyon: (Clocks Tick) TIME!

Megan McCallister: (Stars Shimmer) SPACE!

Lillian Hale: (Light Shines) LIGHT!

Nico went Super Saiyan 4 and Eli went Super Angel 3! Jared went Super Angel Infinity!

Nico: Get ready Kaito, It's Buttkicking time!

Me: But not here. Too many people in the area. Lets take this to another planet where we won't cause people to get hurt.

I snapped my fingers and we were on the planet Glaren.

Nico: Glaren is perfect.

Kouta: This is our stage now!

Me: Might as well start it big. (Cups hands) KAAAAA MEEEEEE HAAAAAAA MEEEEEEEE HAAAAAAAAAAAAAA!

I fired a Kamehameha Wave made of Lightning and it hit Kaito and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion sent him crashing into a rock.

I formed a sword of lightning and I clashed with his spear.

Nico punched him in the face.

Despite getting punched, Kaito actually chuckled.

Kaito: I'm not proven wrong. You all really are strong.

Nico: Honestly, so are you. (summons Silver Samurai's sword)

Me: We're actually more powerful than you think.

Jared: (Divine Echoing Firestorm Voice of Honor and Hope) But you need to learn a sense of humility.

Jared kicked him in the face and Nico clashed all over with him.

Sparks were flying everywhere. Nico then teleported and kicked him in the back of the head and sent him skidding into the dirt!

Nico: Take that Banana breath!

Lillian faced Kaito.

Kaito Kumon: (to Lillian) Honestly, I am very uncomfortable with fighting someone as young as yourself.

Nico: Good. The Aparoids haven't erased your honor. But don't worry. Lillian's not a pushover

Lillian Hale: That is right!

Lillian fired a blast of light and it hit Kaito and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion sent him crashing into another rock.

Lillian Hale: Had enough manure face!?

Shane: Ninja Storm, Ranger Form! Ha!

Shane turned into his Red Ninja Storm Ranger form!

Shane: (Echoing) POWER OF AIR!

Kaito Kumon: A Hurricaneger!? What are you doing here?

Shane: Right Sentai Group but wrong country. I'm the American version of them.

Kaito Kumon: That Paul boy you all mentioned. The dark side of one of the Louds. That fool Draco Malfoy. All three having mysteriously vanished from their cells.

Nico: But G1 Starscream hasn't. His spark's with me the whole time.

Me: That's right. It's now Nico's Prisoner.

Kaito Kumon: Even still, someone has plans for the remaining Vengeance 6. I hope you all are prepared for when that storm comes.

Nico: Don't sweat it. We beat them before. We can beat them again.

Me: That's right. Well Lynn and the Masters of Evil beat them all the first time.

Nico: True.

Eli: Also Olympius is dead and Numbuh 363 is permanently decommissioned much to the joy of everyone in the Kids Next Door. You wouldn't believe what a jerk he was to everyone.

Nico: Yeah.

Kaito Kumon: I'm glad he is gone.

Me: Also you got the name wrong. It's the Vengeful 6.

Kaito Kumon: I see.

Despite the Aparoid's influence bleeding out of him and us having him on the ropes, Kaito Kumon remained strong.

Kaito Kumon: (chuckles) You all win.

Me: Say what?

Kaito Kumon: I acknowledge true strength. And you all have shown that to me. Especially after I have seen all your battles from the afterlife even before today.

Me: I'm impressed you were watching us from on high. We're honored you have been following our adventures. Also we may be strong but we are certainly not that gullible to fall for such a ruse.

You were try to lull us into a false sense of security and then have one of us come up to you and then you'll stab us with your lance.

Kaito Kumon: How did you know I was gonna do that?

Me: Saw it many times before.

Jared: Me too dad.

Kaito Kumon: You are very smart and skilled J.D. But also my words were true.

Me: Just being cautious but I believe you too.

Shane: Now, you can choose whether you want to join the Masters of Evil or Redemption Squad.

Kaito Kumon: Well, I think Sid can be one of the Masters of Evil.

Sid: It's true. I was part of the Yggdrasill Corporation.

Kaito Kumon: (chuckles) But me? I've had enough of being the bad guy to last an eternity. I think being in the Redemption Squad will be more suitable.

Nico: (annoyed) You know I'm actually considering on not using those words anymore, right?

Kaito Kumon: (confused) Why? I find nothing wrong with those words.

Nico: Neither did I. Until people outside of our team started using them.

Me: Yeah many of the villains we know and faced turned those words on us.

Eli: It's true.

Kouta: Ouch. That is bad some people were throwing your words back at you.

Me: Yeah.

Yoko Minato: Yeah no kidding.

Kaito Kumon: Wait Yoko? You're alive!? But how?

Me: I resurrected her.

Kaito Kumon: Wow! I've seen you do that many times before.

Me: Yep.

Allison Nouveux: Also Hideyasu Jonouchi is my archenemy in the Masters of Evil. He is a really formidable opponent that gives me awesome sparring sessions in our training years.

Me: Yep and also we're going to have Mitsuzane Kureshima join the Redemption Squad too.

Nico: He was once a double agent for Yggdrasill until he redeemed himself.

Mitsuzane Kureshima: It's true.

We later came back.

Laney: Hey guys.

May: How did it go?

Me: Really well. Lillian did great on her first ever Ambassador Mission.

We told them everything and it was awesome!

May: Wow! That is so awesome.

Lillian Hale: It sure was.

Nico: And now we have Sid in the M.O.E. and Kaito, Yoko and Mitsuzane are in the Redemption Squad too.

May: Wow! So we have 4 members of the Gaim Kamen Riders in the Redemption Squad and the M.O.E.

Lana: That is cool!

Nico: Yep.

May: Next time, Dan Kuso and Drago can go with you.

Me: That's a great idea.

Dan Kuso: It's gonna be cool meeting the Gaim Kamen Riders.

Drago: This will be so awesome.

* * *

Later we were over in England's countryside for reports of a Stasis Pod that was there.

Live Action Optimus: Though the Cybertronian wars are now over, there are still many Cybertronians out there who do not know this. And so-

Dimitri Lousteau: Optimus, you don't have to narrate. We already know.

Nico: Yeah. We have done this before many times.

Live Action Optimus: Sorry it's a force of habit.

Me: No worries.

Laney: But I wonder who will be in this Stasis Pod.

Barricade: I have a feeling this is gonna be interesting to see.

We got to the pod and we activated it and out came Live Action Thrust!

Nico: Live Action Thrust!

Live Action Thrust: And who are all of you?

Nico: We are Team Loud Phoenix Storm.

Live Action Bumblebee: You're not gonna fight us?

Live Action Thrust: Why should I? I lost interest in this war a long time ago. I was just hiding out in this stasis pod until the point where the war blew over.

Sly Cooper: The war HAS blown over.

Me: In fact after 8 million years of fighting the war is over.

Nico: Yeah. Also you are free now. (Shows Decepticon Leadership Medal)

Live Action Thrust: That's a Decepticon Leadership Medal! How did you get that?

Nico: Long story. But the war with the Autobots and the Decepticons is now over and they can live together in peace. I'm leading of the Decepticons on the road to redemption.

Live Action Thrust: So, the war's over, huh? Who won?

Dirtbag: Let me give you a hint. It wasn't the side this world's Megatron was on.

Nico: Nope. It was both Autobots and Decepticons working together as one. Because we fought together.

Nico and Live Action Optimus: TILL ALL ARE ONE!

Live Action Thrust: That is amazing.

Laney: Yeah it sure is. Megatron and Starscream are destroyed forever.

Me: I stabbed Megatron through his blackhearted Spark with Vector Prime's sword.

Nico: That was really awesome.

Live Action Thrust (to his G1 self): So, is Nico really a good leader?

G1 Thrust: The best one, actually. He's a much better leader then

Megatron. And he's more friendly.

Grapple: It's true. Even though you'll probably have Dark as your leader.

Nico: That's true. And Dark is also the M.O.E.'s leader of the Decepticons. He is a much better leader than Megatron too.

Live Action Thrust: I see.

Me: Also the Armada version of you was a backstabbing traitor.

Armada Starscream: It's true. He was a Decepticon traitor.

Wildrider: Don't worry. You can still use your weapon to shoot bad people in the heads!

Live Action Thrust: I like that.

Nico: Now we'll soon find an archenemy for you too.

Live Action Thrust: Cool.

We later came back.

Nico: Now it's time for us to get ready for our next mission. We have another planet out there that is really awesome.

Me: I wonder what this world is this time.

Nico: We'll find out when we get there.

Then The Wrecking Crew, Evilseed, Evil Lyn, Tri-Klops, Beast Man, Trap Jaw, Merman, Dark Turtles, U-Foes, and Roxy Rocket appeared.

Wrecker: Can me, my boys, Evil seed, Evil Lyn, Tri-Klops, Beast Man, Trap Jaw, Merman, Dark Turtles, U-Foes, and Roxy Rocket go with you guys?

Dark Leo: (to Live Action Thrust) By the way, welcome to the team.

Live Action Thrust: Awesome to be with you all.

Nico: And yes you all can come with.

Laney: I have a feeling this is gonna be awesome.

Top Man: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Vector: I hope it's just one this time.

Nico: Actually yes it's just one this time. I'm hoping to do one for one of Evilseed's kind next.

We were intrigued by this one.

Evilseed: A gene-slammer for one of my kind? That will be an interesting sight to see.

Shanan: It sure will be cool. He is the Avatar of Plant Life.

Nico: Yeah.

Laney: That will be interesting.

Lana: It sure will.

Thunderball: Where we headed this time?

Dark Don: I think it's another food planet.

Nico: Yes it is but we don't know what kind of Food Planet this time. It's located in the Sombrero Galaxy. Lets head to the ship everyone.

Me: This will be awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed two dark energy signals with his eyes and the Force, and he saw who the figures are in the vision: it was none other than Alder, a member of the Begnion Occupational Army who served under his commander, Jarod, and he's here to cause havoc, and the other dark energy signal belongs to none other Morgan, Carol's evil persona that got her in trouble and forced her to live out on the streets, and she's returned for one thing: revenge and murder. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, but it's actually two people I sensed, and Ike, you and the others aren't going to like who the first person is: the first energy signal belongs to Alder, a member of the Begnion Occupational Army who served under his commander, Jarod, and he's here to cause havoc.

Ike: Oh no, not him.

Me: And the other dark energy signal, who does it belong to?

Lincoln: You're not going to like it, J.D., and the same with you, Carol, the other dark energy signal I also sensed belongs to Morgan, Carol's evil persona that got her in trouble and forced her to live out on the streets, and she's returned from the dead for one thing: revenge on us for destroying her long ago.

We gasped in horror.

Lori: That murderous evil viper, Morgan, has come back?! I literally thought Carol got rid of her long ago.

Carol: I thought so too, Lori. But, it looks like Morgan's come back from the dead, and now, she wants revenge on us. That's it, I refuse to let that monster get away with what she's done to me in the past, I'm going to end her life when we catch her, and I'll see to it that she never returns to terrorize me again.

Nico: J.D. told me that Morgana, your split personality, got you in trouble and forced you to live out on the streets, Carol. That's horrible.

Lincoln: It sure was, Nico. But, Carol eventually separated herself from Morgan, and during the fight, Carol got her powers from cosmic radiation, and once that happened, she and Lori finished off Morgana for good, and sent her to the abyss.

Lori: I literally thought we were rid of Morgan for good. But, now, years later, she's come back from the dead, and she still wants to destroy me and Carol again, but now, it's gone to full-blown revenge on everyone. I literally refuse to let that viper live a single second further.

Carol: Same here, Lori.

Vince: That monster ruined your life and forced you to live out on the streets, Carol, I will not let that monster get away with that, I will make her pay for what she did to you.

Carla: That's right, Mom.

Nico: That's right, we're all in this together, Carol. Get ready, Morgan. (Eyes glowing red) Your days of terrorizing Carol are finished forever!

Me: And this time, you're never ever coming back, you heartless monster!

We went to the ship and we were off to the Sombrero Galaxy.

* * *

The U.S.S. Valorous Phoenix was flying through space.

Nico: Team Loud Phoenix Storm Captain's Log, Stardate 6254.7: The U.S.S. Valorous Phoenix is en route to another mysterious food planet located in the Sombrero Galaxy. Our mission is to see what this planet is like and take down the villains there.

Vapor: Kaito Kumon being in the Redemption Squad is actually a good call.

Ty Lee: He almost reminds me of Zuko.

Zuko: I agree there.

Kaito Kumon: I do have those kinds of personality quirks don't I?

Nico: You sure do.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a planet that had brown, white and pink lines all over it and it looked like a planet of Neapolitan Ice Cream.

Nico: Wow this one looks amazing.

Laney: Looks like a giant ball made of Strawberry Vanilla and Chocolate Ice Cream.

Me: It sure does.

Lana: Yeah.

Nico: Lets land.

We got to landing and we later got out and we then saw that the entire planet WAS MADE TOTALLY OF ALL KINDS OF AWESOME AND AMAZING DESSERTS! IT WAS AMAZING! Cookies, cake, sweets of all kinds as far as the eye can see!

Me: Oh my god! Wow!

Lana: (Drools) Look at all this!

Laney: (Drools) So many awesome desserts!

Trap Jaw: Look at all the pies!

Dark Mikey: I want one!

Piledriver: Not before me!

Nico: So many desserts. (INSANE DESSERT CRAZE) AND THEY ARE ALL FUCKING FOR ME! MUST EAT!

I held Nico back.

Me: Nico calm down!

Nico: MUST EAT DESSERTS! (LAUGHS INSANELY)

Me: Nico! Sorry about this man!

I hit him on the head and knocked him out.

Lori: Geez Nico sure literally loves all things sweet.

Me: You have no idea. Whenever he sees sweet foods like this he goes bananas.

Nico woke up.

Nico: (groans) What happened?

X Ray: Oh, you went crazy for the desserts.

Commando Man: That seriously freaked us out.

Me: I had to hit you on the head because you were going through one of your dessert craze modes.

Nico: Oh man. Sorry guys.

Pinkie Pie: Ah no biggie wiggie.

Dark Ralph: Let's dig in!

Bulldozer: Me first!

Beast Man: Then, it's my turn!

Eli: Now now there's more than enough for everyone.

Pinkie Pie: Yeah it's all amazing!

I tried a Baked Alaska and it was awesome!

Me: (Eating) MMM! Delicious.

Laney was having some donuts from a bush made of licorice.

Laney: Wow even the plants are made of candy.

Nico was eating a chocolate marshmallow bush.

Slobber Trap: Dibs on the ice cream!

Ironclad: Same with me!

They dove into strawberry ice cream and it was cold and delicious.

Nico: Hey J.D. Take this!

Nico threw an ice cream snowball at me and it hit me in my face!

SPLAT!

I fell back and tripped on a gumdrop and then I fell face first into a chocolate stream and got covered in chocolate. Then it hardened and I busted out of it and I was chewing the chocolate.

Me: Whoa! Nice one Nico. Right into a quick hardening chocolate stream. How funny!

Nico: That was really funny.

Eli: Yeah.

Chef Pepperjack: Think of what I could make with all this!

Maria: I can imagine.

Nico: Lots of awesome Cajun Desserts.

Laney: Uh guys we got a situation with Mac!

We saw Mac in a pool of fruit punch laughing maniacally and he was REALLY GOING CRAZY!

Nico: UH OH!

Eli: I got this!

Eli held him in place with the Force.

Mac laughed maniacally!

Eli then spun Mac around all over the place and then wore Mac out till he was knocked out.

Nico: Nice one Eli.

Tri Klops: Any chance we can cure Mac of that?

Bloo: I'm afraid there isn't. He has a condition where even the tiniest bit of sugar makes him crazy. It's why his mom never lets him have any.

Nico: Oh boy.

Eli: Maybe coming to a planet like this was a bad idea.

Me: Hey we didn't know this world was like this.

Lola: Yeah it's really awesome seeing this.

Teen Titans Lightning: Honestly, I forgot about that.

Nico: Yeah. Me too.

Eli then sensed something evil.

Eli: Uh oh. We're not alone here. I'm sensing an evil presence.

Nico: What is it?

Eli: (Concentrates) It's Carol's evil persona Morgan!

We gasped in shock!

Carol: Oh man! I thought I was rid of that demon forever!

Camie: Who is Morgan?

Carol: She is the evil side of me that made me into an evil heartless monster.

Lori: Yeah she is literally a monster.

Carol told everyone about her and it was horrible!

Merman: Maria, I bet you're feeling good about giving her a thrashing!

Maria: Oh you bet I am Merman. That bitch is going to get what's coming to her for ruining my sister!

Carol: YEAH!

Thorax: I don't think that she's alone either.

Me: I have this feeling too.

Eli: And I think I see them coming.

We saw 4 figures coming and they each had GLOWING EVIL RED EYES! They came out and we saw THE EVIL VERSIONS OF DANA, WHITNEY, BECKY AND FIONA!

Nico: The Evil versions of Dana, Whitney, Becky and Fiona too!?

Me: I thought we were rid of them 3 years ago!

Roxy Rocket: Fancy seeing you bitches here!

Evil Becky: Well this time we're going to destroy you all!

Evil Whitney: We're not letting you get to the boss!

Eli: How is this you frauds!?

Eli fired a blast of Force Lightning and electrocuted them all over.

Nico: Nice one!

Camie: Take that you clods!

Toru snuck up on the Evil Becky and then…

HOING!

She gave her an Atomic Wedgie!

Toru: Never underestimate a girl with Invisibility powers.

KROW BIFF SMASH!

She kicked and punched the Evil Fiona, Dana and Whitney down!

Evil Dana: Want our boss? You go through us!

Cynder: That won't be a problem!

CHANGE: BEETLE!

Nokama: I know that computer anywhere!

Out came the Kabuto Kamen Riders!

Souji: You guys go ahead. We'll face these 4 bitches.

Nico: Thanks Souji. We owe you guys one.

Hiyori: This is gonna be good.

Nokama: I'll help you guys!

Evilseed: Good luck, Nokama! And make sure to Use your Kamen Rider form too!

Nokama: With pleasure. HENSHIN!

She transformed!

We went after Morgan.

Nokama: Cast off.

Computer: CAST OFF! CHANGE SPIDER!

She went Spider!

Evil Dana: We're not afraid of you guys!

Nokama: You should be!

We found Morgan in a clearing by a Vanilla Pudding pond.

Nico: There she is.

Sunny Tennyson: Entrance time!

Nico: Lets get her.

We went at her.

Morgan: (Eating) Mmm! Those fools are dead here. But this is great pudding.

But then the spirits of Skeletor's Horde, Marvel Groups and Roxy Rocket appeared and they swirled around her as she ate the pudding fast and then the spirits converged and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above her and a phoenix cry was heard and then we came out.

Carol: Hello Morgan. Miss me?

Me: You have a lot of nerve returning here.

Izuku: This is me and Nanette's time to shine today.

Nanette: So, we'll hold her off while the usual battles are going on.

Vector: Don't forget to include Maria.

Nico: Yeah you got it.

Maria: (Cracks Knuckles) You are never going to torment my sister again!

Morgan: Maria Rockell. Nice to see you again.

Maria: I would say the same thing but I would be lying.

Then Zzzax, Pyro, Aqueduct, Stonedozer, Hsi Wu, Riddler, Brain Freezer, Diabolico, Man Boy, Chalmers, Zexion and Toiletnator appeared.

Nico: Zzzax, Pyro, Aqueduct, Stonedozer, Hsi Wu, Riddler, Brain Freezer, Diabolico, Man Boy, Chalmers, Zexion and Toiletnator.

Aylene C.: Oh hey B.F.

Brain Freezer: Hey babe. Nice seeing you here on a planet of desserts.

Zzzax: Is it wrong for me to say that this planet's yummy?

May: Not at all.

Pyro: We'll, it's true.

Me: One helluva deliciously sweet planet.

Aqueduct: We tasted it before coming here.

Stonedozer: (to Nico) We heard you faced Sharptooth.

Nico: We sure did.

Hsi Wu: Is he gone for good this time?

Me: Yes he sure is. And on the Twinkie Planet too.

Nico: But we're going to have an awesome battle on a dessert world too.

?: This is gonna be awesome.

A figure came out and it was WOLVERMEAN from episode 6 of Super Ninja Steel!

---

The Galactic Ninjas are introduced by Cosmo Royale amidst much fanfare as they introduce themselves and thier attributes. Wolvermean is the first to fight the Rangers and goes to Earth where he steals Hayley, Preston, Sarah and Brody's memories but Calvin and Levi trick him and get the memories back. He battles the Rangers with the Foxbots but is destroyed by Calvin's Whiplash Slash and Lion Fire Red's Lion Fire Slash (the attack collectively known as the Lion Fire Whiplash Strike). He gets gigantified by Cosmo but is defeated by the Ninja Steel Ultrazord after his laser attack fails. However, Wolvermean survives and changes back to normal size where he vows revenge before retreating. However, his medallion also survives and Madame Odius takes it whilst stating that it might come in handy.

---

Brody Romero: Wolvermean!

Wolvermean: Been a while Rangers.

Me: I remember you! You were sent to fight the rangers and then you stole Hayley, Preston, Sarah and Brody's memories except Calvin and Levi's memories. And They tricked you into giving them back.

Wolvermean: That's right. Good memory.

Me: Yeah.

Wolvermean: Megan do you want me to erase the memory of how your Mom died? That way, you can move past your pain

Megan Kiraton: No I'm good.

Nico: Her evil father was executed earlier this morning and we sent his corpse down to the bottom of the Mariana Trench.

Wolvermean: Good riddance.

Mollie: Yeah that is really amazing!

Rainbow Dash: Boy it sure is! The Twinkie World is just as amazing as this one.

Rainbow Dash: Both worlds are really awesome. They sure have a lot of sweets for everyone.

Scootaloo: Boy they are really awesome and delicious.

Whirlwind: They sure are cool!

## Vakama, Sunset Shimmer, Pipsqueak, Fire Skylanders, Disney Robin Hood, Top Man and Shadow Man VS Pyro - Lincoln's Rescue

Pyro: (to Vakama) I heard Lincoln's rescue was in the city of Riverton. How was it?

Vakama: It was really awesome! We took down that malevolent business crook Scolex and we exposed his lies and crimes to everyone. And we recruited Robogadget into your ranks.

Sunset Shimmer: Now we just got to find him an awesome archenemy for him.

Pipsqueak: (British Accent) It will be amazing to see who he gets for one.

Sunburn: It sure will. And we're looking forward to that.

Robin Hood (Disney): It sure will be awesome and that guy is a walking war machine.

Pyro: Boy he sure is. It's really amazing that Scolex built him with so many weapons and everything. Lets do it!

## Raiden, Starlight Glimmer, Undead Skylanders, Vanellope, Cozy Glow, and Ty Lee VS Aqueduct - Meeting an Arcana Force XXI - The World Gene-Slammer

Aqueduct was next.

Aqueduct: (to Raiden) I heard you guys met an Arcana Force XXI - The World Gene-Slammer. What's her name?

Raiden: Her name is Felicia Terryington and she is a really amazing psychic.

Aqueduct: Wow! She must be really skilled.

Starlight Glimmer: She sure is. You wouldn't believe what she can do with her powers. She got Lori's evil teacher in trouble big time.

Cozy Glow: It was really awesome. She has the power to see into the future and stop bad things before they happen.

Nico: It sure is. So, Felicia, how did you stop Lori from going on a murderous rampage all throughout the school before it even began and got her teacher in big trouble for taking her phone?

Felicia Terryington: I'm glad you asked. One day, while I was in class, I was busy taking notes, but then, I got a vision of Mr. Mason taking Lori's phone just to spite her, and once that happened, Lori went on a murderous rampage throughout the school and started killing everyone, and Mr. Mason was laughing maniacally. Then, I saw what Mr. Mason was about to do, so I blasted him with a blast of lightning, and I showed Principal Rivers the vision of what Mr. Mason was about to do in taking Lori's phone just to spite her and that would cause her to go on a murderous rampage throughout the school and started killing everyone and Mr. Mason laughing maniacally. When I was done, Principal Rivers was furious at Mr. Mason, along with Superintendent Chen, who was visiting the school, and as a result, Mr. Mason was fired for good, and as a result, he lost his pension and was left on the streets as he lost his home, and his wife divorced him after she found out what kind of jerk he really is.

We cheered for what Felicia Terryington did.

Nico: Holy crap, that was so awesome. What you did was really amazing, Felicia.

Lori: I literally knew Mr. Mason was a mean teacher, but to find out that he's a spiteful jerk who also hated my guts, now I'm really glad Felicia got him fired for good.

Lincoln: Do you know what happened to him on the streets, Felicia?

Felicia Terryington: He was murdered on the streets by a group of thugs two weeks after he got fired, and after the police found him, they also found the thugs who did it, and they got life in prison, and as for Mr. Mason, he was buried in an unmarked grave since he was hated by all of Royal Woods.

FLASHBACK ENDS

Aqueduct: That is incredible! Felicia is really gifted with her powers and she literally knows when trouble is coming. Her own mind is an amazing force to be reckoned with.

Hex: It sure is! It was really something.

Vanellope: And that fartfeathered teacher had it coming.

Aqueduct: He sure did. Lets do it!

GONG SOUND!

Raiden: Flawless Victory.

Thing, Applejack, Apple Bloom, Earth Skylanders, Donkey Kong, RD Lynn, and Commando Man vs Stonedozer - Executing Megan's father

---

Stonedozer was next.

Stonedozer: (to Thing) I heard Megan's father was executed today. The douchebag deserved it!

Thing: You got that right. His death was pronounced at 11:26 AM. It was really amazing and courageous of Megan to do that before that pumped him with the lethal cocktail.

Applejack: Yeah that snake in the grass had it coming to him.

Apple Bloom: I even made a video of it for y'all to see.

Apple Bloom showed it on her phone.

We were then led to the room where we then saw the person that's about to be executed: Megan's evil father, James Kiraton, the bastard who forced Megan Kiraton to kill her own mother, Christine Kiraton, and ruined her life.

Nico: So, that's James Kiraton.

Lincoln: The heartless monster who forced Megan to murder Mrs. Kiraton. I'll be glad to see him get his just desserts when he gets the needle.

Prison Warden: Ladies and Gentlemen, we gathered here today to witness the execution of convicted killer James Kiraton, for forcing his daughter to kill Christine Kiraton. Is there anyone among those who has a few words to say?

Megan Kiraton: I do.

Megan Kiraton went up and faced her father through the window, and when he saw her, he was now extremely pissed off at her, and before he was about to yell, Megan silenced him.

Megan Kiraton: Not another word out of your mouth, you fucking bastard. For many years, you have tormented and abused me and Mom, and for far too long, you've threatened our lives and we've been forced to live in fear for our own lives. But, you crossed the fucking line when you forced me to kill my own mother because you threatened to kill me if I didn't. Do you have any idea what you caused with that act, I have been haunted by nightmares of that very day and because of what you did, my life and my future was destroyed, and I was driven straight to the point where I wanted to commit suicide because of you!

Then, Lincoln stood with her.

Megan Kiraton: But, it's because of Lincoln and his family, along with all of Team Loud Phoenix Storm, and that one last talk with my Mom, I now have the courage to finally move on from the past, I now have a new future and I'm also going to look forward to being married to Lincoln in the future. But, as for you, you are going to die alone and forgotten. I would say May God Have Mercy on your soul, but as I can see, you have none. You are a heartless, emotionless, nihilistic, selfish, murderous, and evil bastard who doesn't deserve to live or breathe a single second more. Goodbye forever.

Megan Kiraton said her impact statement with strength and conviction, all of which served to piss off James Kiraton even more, and he was trying to break out of his bonds to get out and kill her, but he couldn't, and the prison doctor placed the needle into his arm and administered the lethal injection cocktail into him, and in a few seconds, James Kiraton was dead. Then, Lincoln formed a magic circle with runes, and as it glowed, dark energy chains bound James Kiraton's wrists, and then, a kanji had formed on his forehead, and James Kiraton was then erased from existence forever.

Megan Kiraton hugged Lincoln's waist and Lincoln wrapped his abnormally massive and powerful muscular arms around Megan Kiraton, and we saw that justice has finally been done.

Nico: It's finally done. Now, Megan's nightmares are finally over.

Lincoln: That's right, and like I promised Mrs. Kiraton, I'm going to take care of Megan, and I'm going to love her in the very same way as my many future wives, and she deserves a better life.

Applejack: That's right. What that snake in the grass did to his daughter proved one thing: he's a bad monster and a bad father, and Linky's right, she deserves a better life.

Megan Kiraton: That's right, Applejack, and he's going to honor the promise he made to Mom, and he is definitely a man of his word as always, ever since Mom and I first met him when he was only 11.

Nico: That's exactly who he is, Megan.

When it was done he was shocked and amazed.

Stonedozer: Wow! That is incredible! Megan standing up to her own evil father like that took a lot of courage. Justice has been served.

Flashwing: Yes it has and we're proud of Megan.

Donkey Kong: We sure are. I'm glad Megan's mom can rest in peace knowing that James Kiraton is dead.

Stonedozer: Amen to that. Lets do it!

Thing: IT'S CLOBBERIN TIME!

Donkey Kong: HERE COMES DONKEY KONG!

Carol went up to her and she was pissed!

Carol: I've had it up to hear with you to last an eternity, Morgana, you heartless bitch!

Suddenly, something within Carol's mind really snapped as memories of what Morgan did to her came back to her and her purple eyes turned neon purple, and she was surrounded by a purple energy aura, along with Gravity Lightning from King Ghidorah and the other elemental forces of the Kaiju from long ago, she unholstered her Sword of The Kaiju from her back and the skies turned dark with lightning crashing down from the heavens, and as she approached Morgan, she left purple energy, the gravity lightning of King Ghidorah, and the other elemental forces of the Kaiju with every step.

Carol: Morgan, I will never forgive you for getting me into constant trouble in the past, you ruined my life and my friendship with Lori long ago, and it's all because of that bitch, Chloe and her posse. (Getting Very Pissed Off) But, what you did long ago in trying to force me to kill Lori, and because of it, I got into serious trouble and I was forced to live out on the street… , YOU'VE CROSSED ONE FUCKING LINE TOO MANY, MORGAN, AND YOU'VE TERRORIZED ME FOR THE LAST TIME, AND NOW, I WILL SEE TO IT THAT YOU DIE ONCE AND FOR ALL, AND YOU SHALL BE ERASED FROM EXISTENCE FOREVER!

We gasped at the sudden and extremely ferocious anger coming from Carol.

Nico: (Stunned) Holy Crap!

Me: Oh boy. I knew Morgan really fucked up Carol's life, but now, karma's about to come full circle for that heartless snake.

Lincoln: She deserves it for what she did to Carol.

Lori: She literally does, bro. But, I literally didn't expect her to explode with such rage at her. HIT THE DECK!

We ran for cover behind a giant cupcake, and then, Carol let out a scream of insane rage and fury! And then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion blasted out from around her as the ground shook like crazy! The skies darkened with lightning striking everywhere and she was surrounded by a massive purple vortex of energy and it was accompanied by a circle of blue flame made by Godzilla's Atomic Breath and King Ghidorah's Gravity Lightning crashing down from the heavens, Mothra was then flying around the vortex, and inside the vortex was a glowing blue phoenix. When the vortex faded, Carol emerged, but she was changed forever.

We were amazed by Carol's Super Angel Eternity Infinity transformation, including her kids, and when Vince saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Morgan saw it, she went completely mad and berserk with demonic rage and rushed over to try and kill her, but Carol fired a powerful purple energy blast with the elemental forces of the Kaiju monsters, and it hits Morgana and she crashed back first into a giant vanilla wafer, and she got up and she was really mad at Carol.

Lori: Whoa, Carol's literally transformed into her Super Angel Eternity Infinity form.

Nico: And it's really pissed Morgan off big time.

Eli: So awesome Carol!

Vince: Wow, Carol, you look beautiful. How do you feel?

Carol: (Divine Echoing Cosmic Atomic Voice of The Atomic Kaiju Angel and Eternal Love) **I feel incredible, Vince, and now, let's make that monster Morgana pay for everything she's done.**

We transformed and we went after Morgana, and we blasted her and slashed her with our swords, and Lori turned Morgan into a human pretzel, as she screamed in excruciating pain.

Lori: That's for literally turning my friend against me and getting her in trouble long ago, you evil snake!

Then, Carol unleashed all kinds of Hell on Morgan, as she blasted and slashed at Morgana with fury and vengeance, and Morgana couldn't stand it. Then, Carol and Vince blast her with massive energy beams, and obliterated Morgan for good. Then, as Morgan appeared, she tried to destroy Lori again but Carol chains Morgan up with purple energy chains, and then, Carol marked Morgan with a kanji on her forehead, and condemned her to The Black Gates, and she was erased from existence forever.

Carol: (Divine Echoing Cosmic Atomic Voice of The Atomic Kaiju Angel and Eternal Love) Reap what you've sown, bitch.

We cheer wildly as we holster our weapons and power down and Carol's new body, clothes, weapons, jewelry, and massive angel wings are permanent. Then, Carol and Vince shared a hug and kiss, and we saw tears come from Carol's eyes: a big sign that the days of Morgan terrorizing Carol are now finally over, and Morgan's never coming back again.

?: Soon, this place will be your grave!

Ike (Fire Emblem): I knew there's no mistaking that voice from anywhere. You can come out now, Alder.

A figure came out, and it was none other than Alder, the member of the Begnion Occupational Army.

Celica (Fire Emblem): Lincoln was right that you were also here, Alder.

Alder (Fire Emblem): I shall destroy every last one of you, Team Loud Phoenix Storm.

Chishiki the Library Faerie: That's never going to happen, Alder.

Suddenly, Chishiki the Library Faerie's purple eyes turned neon purple, and she was surrounded by a purple energy aura with library books, magic, and faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Alder, she left purple energy, magic, library books, and faeries with every step.

Chishiki the Library Faerie: Alder, the crimes that you've committed against Daein can never be forgiven, and now, I shall make sure that you pay the price for all of your crimes.

Suddenly, Chishiki the Library Faerie was surrounded by a massive vortex of purple energy with library books and magic surrounding it, there's a faerie flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Chishiki the Library Faerie emerged, but she was changed forever.

Chishiki the Library Faerie has transformed into SUPER ANGEL INFINITY MAGICSTORM LIBRARY FAERIE ANGEL OF MAGICAL JUSTICE AND DIVINE LOVE!

We were amazed Chishiki the Library Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Alder saw it, he tried to run her through with a spear, but Chishiki fired a purple energy blast with library books, magic, and faeries at Alder, and it hit him and destroyed his spear and he got knocked down, but he's not out.

Nico: Whoa, Chishiki's transformed, and Alder's in big trouble if he tries to attack the Library Faerie of Neopia.

Me: You said it.

Lincoln: Wow, Chishiki, you look beautiful. How do you feel?

Chishiki the Library Faerie: (Divine Echoing Cosmic Voice of The Library Faerie and Divine Love) **I feel incredible, Linky. Now, shall we deal with Alder once and for all?**

Lincoln: (Smiles) With pleasure, Chishiki.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Chishiki the Library Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's put an end to Alder once and for all.**

Lincoln and Chishiki the Library Faerie went after Alder, and they fired powerful blasts of rainbow energy, purple energy, library books, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Faeries at Alder, and they exploded with incredible power as they hit him. Then, Lincoln attacked Alder with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and left painful scars on him, and Chishiki the Library Faerie fired powerful purple energy blasts from her staff, and it hit him.

Then, Lincoln grabbed Alder by the neck, and he tossed him into the air with his immense and brute superhuman strength, and he and Chishiki the Library Faerie fired powerful beams of energy, and as they hit Alder, the two energy beams exploded with incredible power, killing him for good and he was erased from existence as he was condemned to The Black Gates. We cheered wildly for what Chishiki the Library Faerie and Lincoln did as they holster their weapons and power down, and Chishiki the Library Faerie's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Chishiki the Library Faerie: That's it for that evil soldier and he's never coming back. Thanks for helping me with taking down Alder, Linky.

Lincoln: (Smiles Warmly) You're welcome, Chishiki.

Suddenly, Chishiki the Library Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Chishiki the Library Faerie's face, they kissed passionately as Chishiki the Library Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with library books floating around them and we cheered for them.

Nico: Wow, that was so awesome.

Me: You said it, Nico. And that's another enemy of Fire Emblem put down for good.

Lincoln: Yeah, but there's more of them out there, but we're more than ready for them when we face them.

Eli: Or when they show up uninvited.

Nico: You got that right, Eli.

Riddler: Riddle me this, Maria. Are you happy you got to help Carol defeat her dark side?

Maria: I sure am!

Man Boy: Good to know.

Diabolico: You earned the right to do so.

Me: Absolutely.

Felicia Terryington: I'm really gonna love it here with you guys.

Brain Freezer: You won't regret it.

Chalmers: Though a fortune teller job is still open for you.

Felicia Terryington: (Laughs) I'm happy with just using my powers to watch for trouble when it comes.

Chalmers: All right then.

Nokama: Souji, I want to thank you for helping us today.

Souji: It was no problem Nokama.

Me: We owe you guys big time for helping us in this mission.

Laney: Yeah it was awesome having you all help us.

Souji: It sure was.

Nico: But we'll see you on July 14th.

Carol: (hugs Maria) Thanks for helping me today, Maria.

Maria: No problem Carol. It was awesome punching your evil persona's lights out.

Carol: It sure was. Now I'm finally free of that monster.

Maria: Thank goodness.

Izuku: (To the viewers) Hope you liked this buttkicking adventure on an awesome world of desserts. Now we have seen the last of Carol's evil persona.

Nico: Yes we sure have. Great job today everyone. she is now a forgotten memory.

Me: Yep.

Nico: Lets head home and get some dinner.

Sunset Shimmer then fell over in a sugar crash she fell asleep with a grumbling stomach.

Lincoln: Sunset!

Me: She's all right Lincoln.

I picked her up.

Me: It's just a crash from all the sugar she ate.

Applejack: This world really made her tired.

Nico: Yeah. Lets head home.

We went back home to Earth and I put Sunset in her bed. Later we enjoyed the rest of the day and went to sleep.

THE END

Another awesome fanfic done.

A planet made of desserts and all that would be an absolutely amazing sight to behold! But it would be enough sweets to give everyone all over the world Diabetes times infinity! But it was really awesome. As you may recall, Morgan is Carol's evil personality that was given to her because of Chloe Santiago and she was redeemed in chapter 77. Chloe was forever cursed later on. Morgan is dead now and is a forgotten memory. The first part was for the planet of

Twinkies and that was a cool one. I LOVE TWINKIES! Also Sharptooth was back for revenge from what we did to him in chapter 53. The second part was for the awesome 1999 movie Inspector Gadget and that was a really awesome and great movie! Matthew Broderick, Rupert Everett and Michelle Trachtenburg all did a really great job in that movie and it was both really funny and action packed! SO AWESOME! NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Mallow, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Skyla, Elesa, Lucy (Pokemon), Flannery, Clair, Erika, Camie, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily are heading to Mikan Island in the Orange Islands and we're going there to meet Cissy, the Gym Leader of the Mikan Island Gym. She uses Water Type Pokemon and we're going there to not only recruit her but we're also going to face Butch and Cassidy that are back and we're going to have them put in the M.O.E. We're also going to meet a gene-slammer for Evilseed's kind named Sierra Logan. She is from Nico's Gardening Classes and is an awesome and an amazing farmer. For Lincoln's Rescue we're going to planet made of RAMEN! Naruto Uzumaki is gonna be in heaven in that planet! Ayame Ichiraku is going with Lincoln and his group. They are also going to meet a gene-slammer for Arcana Force XVIII - The Moon named Sylvia Starron. Sylvia Starron is the Gene-Slammer of Arcana Force XVIII - The Moon and she is a mindwalker and a clairvoyant and has amazing psychic powers as well as the powers of light. She also has the power to see into the future. She is one of Lincoln's Guardian Angels and she is known for standing up for Lucy, Laney and Lincoln when they were being bullied by Chandler. She even beat the living crap out of him and got him in big trouble. And they are going to face Chazz Princeton's brothers and they are back for revenge! But we're not going to kill them, we're going to through them in jail. The next chapter is gonna be an awesome one! We're going to a planet made of Burgers! It's gonna be an awesome and delicious adventure and we're going to face the Teen Titans Go villain VEGETOR! Get ready for a battle between MEAT VS VEGETABLES as Vegetor summons the TTG Titans as his minions to try and slow us down and Fluttershy and Laval are going to help the Den-O Kamen Riders beat them down. Jared is going to love this one!

See you all tomorrow!

# VEGETOR AND THE PLANET OF BURGERS

Flying over the ocean was Nico, The Mascots, Mallow, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Skyla, Elesa, Lucy (Pokemon), Flannery, Clair, Erika, Camie, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were heading over to Mikan Island in the Orange Islands and we were heading over there not just for an awesome rescue but we're also going to meet the Mikan Island Gym Leader of the Orange League, Cissy.

Nico: This is going to be really awesome meeting Cissy. She was the first Gym Leader in the Orange League that Ash faced.

Me: This is gonna be awesome to meet her. I wonder if she heard all about Ash saving the entire planet from the wrath of Articuno, Zapdos and Moltres from their clash with Lugia and the collection spree of Lawrence III.

Eli: We'll find out shortly when we get there.

Mallow: I've never met any of the Orange Island Gym Leaders before. This will be awesome.

Erika: It sure will be cool.

Clair: I agree there.

May: I think this is gonna be awesome meeting Cissy.

Nico: It sure is honey. Thanks for coming with me, Mallow.

Mallow: Anytime Nico. This is gonna be so awesome seeing one of the Orange Islands.

Applejack: It sure will be awesome.

Rainbow Dash: I'll say. I heard that the Orange Islands are really amazing.

Me: And it's also where the epic battle to save the world was at. It was over in the island of Shamouti and with the islands of Fire, Ice and Lightning.

Manaphy: Even though I didn't meet Mama yet, I still sensed that battle.

May: You were still just an egg right?

Manaphy: Yes I was but I felt the energy it was emitting.

Me: Wow that's right. Pokemon are very widely connected with the very delicate forces and the balance of nature.

Camie: What was that battle like?

Me: It was a battle of incredibly cataclysmic proportions. Lawrence III disrupted the balance of Fire, Ice and Lightning and it caused the legendary Bird Pokemon, Articuno, Zapdos and Moltres who live on the islands of Fire, Ice and Lightning to battle and fight and it was a battle that would ultimately destroy the entire planet. There's an ancient prophecy on the Island of Shamouti about it.

Eli: He's right. It went like this:

**Disturb not the harmony of Fire, Ice, or Lightning**

**Lest these Titans wreak destruction**

**Upon the world in which they clash**

**Though the Water's Great Guardian shall arise to quell the fighting**

**Alone its song will fail**

**Thus the earth shall turn to ash**

**O Chosen One**

**Into thine hands bring together all three**

**Their treasures combined tame the Beast of The Sea**

**From the trio of islands, ancient spheres shall you take**

**For between life and death, all the difference you'll make**

**Climb to the shrine to right what is wrong**

**And the world shall be healed by the Guardian's song…**

Nico: I remember that. That was one awesome and epic battle.

Laney: It sure was and thanks to Ash he saved the entire planet from total destruction.

Tsuyu: Wow! Ash is a big hero!

Sirius: That is really amazing!

Me: It sure was amazing.

Varie: A really unforgettable sight.

Mallow: Too bad Ash didn't get a medal.

Nico: That would have been a really big medal though.

Eli: Ash did risk his life to save the world.

Me: Twice actually. He made the ultimate sacrifice to stop Mewtwo and Mew from fighting and save the world from the wrath of Mewtwo and he saved the world from being destroyed during the Cataclysmic Prophecy of Shamouti.

Fu: That is true. That makes him a huge hero.

Lola: It sure does. Melody played the song for the prophecy and that was really cool.

Nico: It sure was. I'll never forget that one.

Me: Me too.

Mallow: There have been several adventures like that one.

Me: There sure have. Many of them you haven't heard about. Ash went to save Molly Hale from the Spell of the Unown.

Nico: Went back in time to stop that Hunter from using Celebi's power to destroy the forest back 40 years ago.

Eli: Met Latios and Latias who Serena got jealous of because of Latias kissing Ash.

We laughed at that one.

Nico: Yeah that was great.

Me: Met the legendary Jirachi the Wish Pokemon from the Millennium Comet.

May: That was awesome! And Jirachi is now one of the Mascots.

Varie: He sure is. And destroyed that Fake Groudon.

Me: Solved the mystery of Deoxys which was really cool!

Nico: And in LaRousse City too. Which was really an amazing sight. And went to meet Lucario in the legendary Tree of Beginning.

Me: Now that one was amazing to see! It looked like a smaller version of our World Tree Estate.

Mallow: Boy it sure did. That was cool.

Manaphy: And defended the Temple of the Sea from Phantom.

Me: That was so epic! It was amazing seeing Simaya.

Nico: Yep and we met Darkrai and stopped Dialga and Palkia from destroying the fabric of Time and Space.

Me: Went to the Reverse World and met Giratina and destroyed Zero.

May: Met the almighty Arceus and save the Jewel of Life.

Me: So many awesome adventure. But there are some we haven't done yet.

Mallow: I'll never forget the song Bastion and Chazz sang.

We laughed hysterically at that.

Me: (LAUGHS) Oh that was funny! The Banana Boat Song by Harry Bellefonte! That was great!

Eli: Yeah it sure was!

Rarity: (Laughs) Oh yes indeed it was funny darlings.

Lincoln: Yeah that was funny!

Nico: Yeah it sure was funny. That provided the perfect distraction for Darkrai to get away from that jerk Baron Alberto.

Eli: And all that just to win Alice's heart. BLECH!

Arrietty: Yeah he has no idea how to earn true love.

Nico: I agree there.

Mallow: Muscle Man was so pissed off at the jerk that he wasn't even laughing at the My Mom joke that he made.

Nico: You know you've pissed Muscle Man off when he's not laughing at one of his jokes.

Mallow: That's true and I'm sorry about that. But those jokes are still funny.

Laney: They sure are. Even though some of us don't get them.

Me: Yeah they are.

Nico: I will never stop laughing at those jokes.

Me: Me neither.

Eli: I think we're here.

We arrived at Mikan Island.

May: Is that it?

Me: Yep. Mikan Island.

Laney: It's beautiful.

Me: And all the way out in the Western Pacific Ocean. Awesome.

We flew and went and landed on the island.

Me: Wow so this is Mikan Island. It's beautiful.

Nico: Boy it sure is.

Poromon: Let's take a look around.

Nico: Sure.

We got to walking around.

Me: Wow it's amazing.

Eli: I wouldn't mind coming here for a vacation.

Lana: Me neither.

Nico: Wow. And it's here that Ash got his first badge for the Orange League. How awesome is that.

Flannery: That is really amazing and cool.

Skyla: It sure is awesome.

Me: Yep. Also I remember that Ash, Misty and Tracey came to an island group here called the Seven Grapefruit Islands.

Nico: Yeah he sure did and a huge Snorlax was eating all the grapefruit there.

Lola: That must've been one Hungry Snorlax.

May: He was from what I heard.

Me: I don't like grapefruit that much. Too sour for me. But that is amazing that there was a group of islands that had a huge grapefruit orchard on each island.

Applejack: That is really amazing.

Apple Bloom: It sure was and I heard that Pikachu got squished flatter than a pancake by Snorlax.

Nico: Yeah and Snorlax is the heaviest Pokemon in the Kanto Region.

Poromon: Too bad Brock didn't come with them.

Nico: He was with Professor Ivy at the time.

Me: (SHUDDERS) I just can't believe that Brock was traumatized by her.

Eli: Yeah.

Camie: What happened?

I whispered into her ear what happened and she gasped.

Camie: Oh man! That's awful!

Nicole: Yeah no kidding. Poor guy.

Poromon: Now, everytime Brock hears her name, he gets depressed.

Me: Yeah but that was a long time ago. Now he moved on.

Lucy (Pokemon): Thank goodness and he has me now as well.

Eli: That's true.

We arrived at the Mikan Island Gym.

Nico: This must be the Mikan Island Gym. Nice place.

Elesa: It sure is.

Poliwag then smelled something.

Nico: What is it Poliwag?

Poliwag: I smell Pokemon brethren.

Nico: Lets go inside.

We went in and we saw a view of the beach and Cissy and her Pokemon were by it.

Me: Wow!

Nico: What a view of the ocean.

Cissy saw us.

Cissy: Oh wow Team Loud Phoenix Storm!

Nico: Cissy I presume?

Cissy: That's right.

Nico: It's a pleasure to meet you.

Eli: Yeah they are neat.

Nico: May's also my wife.

May and Nico showed their wedding rings.

Cissy: Wow! Congratulations to you May.

May: Thanks.

Nico: It was an awesome wedding.

Me: Yeah it sure was cool.

Cissy: By the way J.D. did you an all of Team Loud Phoenix Storm destroy every Villain Pokemon Team there is?

Me: We sure did and they really put up one amazing battle. First we took down Team Rocket. Jessie, James and Meowth are no longer part of the team so they are in our Redemption Squad.

Nico: They got canned before we torched the whole barrel full of rocket fuel so to speak.

Me: Yep. And you won't believe who their boss was. It was Giovanni, the Gym Leader of the Viridian City Gym.

Cissy: Oh wow! I had no idea!

Nico: And we're in the process of cleaning up their mess.

Me: We've been finding Gene-Slammers made by them all over the universe.

Laney: Yeah it's a really awesome series of adventures.

Me: Did you happen to see anyone like that?

Cissy: Lets see. I found one that was a plant creature. Like your archenemy Evilseed, Mallow.

Mallow: Oh man!

Nico: An Avatar of Plant Life is here? Whoa.

Eli: Was it chasing anyone in particular?

Cissy: Yes 2 Team Rocket Members and a Raticate.

We gasped.

Nico, me and Eli: BUTCH AND CASSIDY!

Laney: That duo of dimwitted idiots just won't take a hint.

Mallow: We better start looking for them.

Unknown to us, the mascots started drinking beer bottles they brought with them.

UH OH!

Eli: (Concentrates) They went this way!

We followed Eli to where Butch and Cassidy are and they were in an alley in the middle of the town square.

Eli: They are in that ally.

Nico: I'll flush them out. WHIRLWIND SPIN!

The 6-Star Dragonball lit up on Nico's bracelet and a tornado formed from Nico's fingers and it blew Butch and Cassidy out of the alley and they landed into the fountain!

SPLASH SPLASH!

Nico: Nice splash landing!

Cassidy: Prepare for trouble!

Butch: And make it- (sees the mascots drunk) Whu the Hell are you guys drunk?!

Poromon: (slurred) This is my beer! Get your own!

Nico: Oh great! We usually don't expect this until the special missions. Also yeah yeah yeah cut the motto bullshit!

Eli: We've heard that motto of yours a least a bajillion and one times too many. And Jessie and James's version is better than yours.

Me: Team Rocket is dead remember? The Flames of Valor incinerated them into ashes along with their plans.

May: That's right.

Me: Also here's an Advanced Notice: We're taking all the Pokemon you stole back and kicking your big ugly asses! BOTCH AND CRASSIDY!

Butch: (Enraged) IT'S BUTCH!

He went at me and threw a punch and I grabbed it and punched him in the face with his own punch and then…

KRACRUNCH!

I smashed him in the crotch with my leg and he sang in a high note Home Along 3 Style.

Cassidy: Okay, you've had enough to drink! Give me that!

Horsea: (slurred) This beer's mine!

She fired a Bubblebeam blast and it hit Cassidy in her face and she screamed.

Nico: Nice one.

Poliwag: (HIC) You like that witch!?

Poliwag slapped her all over the place with brutal fury with his tail!

Nico: Nice one.

Eli: This is too funny.

Me: How did you like that you ugly old fucking witch!?

Cassidy then gasped!

Cassidy: DID YOU JUST CALL ME AN UGLY OLD WITCH!?

Me: Yeah I did and what are you gonna do about it!?

Cassidy roared in ferocious fury! AND THEN BREATHED OUT FIRE LIKE A DRAGON!

Raticate, realizing that this is a losing battle, decides to start drinking from one of the beer bottles.

Nico: Welcome to the party Raticate.

Raticate was drunk too.

Cassidy: Raticate kill that maniac!

I smirked.

Raticate, drunk flipped the bird at her.

May: Nice!

Poromon looks at Butch and threw up on him.

Poromon: (VOMITS)

Butch: (GAGS AND VOMITS ON CASSIDY)

We laughed!

Butch: At least we're safe from that plant girl.

Nico: Oh, we almost forgot. We'll give you a reduced sentence if you tell us where she is.

?: No need for that!

We saw the Avatar of Plant Life!

Nico: Whoa!

Avatar of Plants: (In a girls voice) Awesome to see you again Nico.

Nico: Sierra Logan! Wow!

The Avatar of Plants reverted back and she had green hair, green eyes and green clothes on.

Sierra Logan: We an catch up later Nico. Now it's time I settle some things with these two blockheads about how to respect Pokemon.

Eli: Go get those clods!

Sierra Logan: With pleasure.

Sierra formed a scythe of vines and the blade had leaves and flowers on it as well as a fragrant scent coming from the blade. Then she slashed Butch and cut his pants and they fell down and revealed his heart boxers!

Nico: I see London, I see France, I see Botch's Underpants!

Sierra then formed a rope of bramble vines and then tied up Cassidy and Butch.

Me: We already killed you twice so we're going to let our frenemies deal with you.

Nico: Happy trails UGLIES!

We teleported them to the M.O.E. Prison.

Sierra Logan: That was awesome!

Nico: Sierra it's awesome to see you again.

Sierra Logan: Same here Nico.

Mallow: What's your favorite memory of Nico?

Sierra Logan: My favorites are all in Gardening class. But I have a lot of them. My favorite is when Nico and I made a cross pollinated flower. We mixed a Blue Rose with a White Orchid.

Laney: Wow! That sounds like a beautiful flower.

Cissy: It sure is.

May: That is a beautiful flower.

Nico: It sure is.

Nico and Sierra hugged.

Nico: I really missed you.

Sierra Logan: Me too Nico. Me too.

Nico: This was an awesome and funny rescue.

Me: It sure was.

The Mascots and Raticate were drunk.

Me: You guys have had enough.

I snapped my fingers and they were back to normal.

Cissy: This happen to them a lot?

Me: You have no idea.

Varie: Some of us get a good laugh out of it but others not so much.

This was an awesome rescue.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Naruto, Ayame Ichiraku, and Tara are heading to a planet made of ramen, and not only is Lincoln going to rescue the six girls there, but we got word that Chazz Princeton's brothers are there as well, and they're back for revenge.

Lincoln also called the Duel Academy alumni for the rescue, since they also had unpleasant dealings with Chazz's brothers.

Lincoln: Whoa, we're here on a planet of Ramen.

Naruto: This is so awesome, and knowing how much I love it, this is one planet I've wanted to see.

Ayame Ichiraku: Same with me.

Salazar Twins: Same with us.

Lincoln: And I know what we're going to do here, not only am I rescue the six girls here, but we got word that Chazz Princeton's brothers are also here as well, and they're back for revenge.

Nico: That's right, big guy.

Me: I should've known those two jerks would come back for revenge again. How did they even break out of prison?

Chazz: I talked with the warden, and he told me Slade and Jagger started a riot in the prison, and they also had help on the inside: one of the guards in the prison, who had a deep hatred for us, for constantly stopping villains, decided to help those two in starting the riot, and he allowed them to get out of prison.

We were shocked.

Nico: That stupid… !

Jaden: And there's no need to worry, Nico. The guard who did this has been arrested and thanks to the President's new law, he's now been sentenced to Life in prison for good, and he was thrown into Slade and Jagger's old cell in federal prison.

Me: Good, he's scum.

Lincoln: You got that right, and I want to thank you, Naruto, Ayame, and the Duel Academy Alumni for joining us, Tara.

Tara: You're welcome, Lincoln. This is going to be so awesome pulverizing those jerks once again.

?: HELP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Slade and Jagger Princeton, and they're going to kill them.

Lincoln: Guys, I found the six girls, but they've been cornered by Chazz's brothers, and they're going to kill them.

?: Those heartless, good-for-nothing bastards! Let's get them.

Suddenly, we saw Arcana Force XVIII - The Moon appear before us.

Nico: Whoa, that's Arcana Force XVIII - The Moon.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Sylvia Starron, but we'll have to talk later. We've got to deal with Chazz's evil brothers once again.

We rushed on over, and Lincoln fired powerful rainbow energy balls at Chazz's evil brothers, and that allowed the six girls to get to safety. When Slade and Jagger saw us, they were pissed, but so were we.

Lincoln: You just couldn't stay locked up in prison and far away from us, could you, you jerks? Well, now you two are heading right back to prison for good, and this time, you're never ever getting out of prison again.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, Tara, The Duel Academy Alumni, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Slade and Jagger Princeton, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they exploded with incredible power as they hit him.

Lincoln then tied them both up in rainbow energy straitjackets and rainbow energy chains so they can't escape, and he beamed them to a new prison far from Earth. We cheered wildly as we holster our weapons and power down.

Lincoln: Now, that's the last time we ever deal with Chazz's brothers, what a bunch of jerks. (To Sylvia Starron) And it's so good to see you again, Sylvia Starron.

Sylvia Starron reverted back to normal, and she's a beautiful 17-year-old girl with long flowing yellow hair, yellow eyes, she's tall at 6'5" in height, she has the body of a goddess, she has a crescent moon on her forehead, she has massive yellow angel wings, and she reigned in the power Arcana Force XVIII - The Moon, and she's dressed in a yellow sleeveless blouse, yellow sleeveless dress top, yellow skirt, yellow pants, yellow sneakers, and yellow sleeveless trenchcoat with light on the coattails, and Arcana Force XVIII - The Moon on the back, and holstered on her back is a large Arcana Force XVIII - The Moon themed sword with a 6'10" massive, wide, double-edged yellow blade with Arcana Force XVIII - The Moon etched on it, yellow wings for the crossguard, large yellow gem embedded in the rainguard, longer black handle, and large yellow gem for the pommel.

Sylvia Starron: You too, Lincoln, it's been a long time.

Lincoln went up to Sylvia Starron and they hugged, and Sylvia Starron's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Sylvia Starron: I knew you have, but whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Sylvia Starron, she's another of my Guardian Angels from Royal Woods, Michigan before it became Gotham Royal York, she's a mindwalker and a clairvoyant and has amazing psychic powers as well as the powers of light. She also has the power to see into the future, and she's known for standing up for me, Lucy, and Laney when we were being bullied by Chandler, and she even beat the living crap out of him and got him in big trouble.

We were amazed at what Lincoln told us about Sylvia Starron.

Nico: Whoa, that's incredible, and like Felicia, she also has the power to see into the future.

Sylvia Starron: That's right, Nico, the thirteen of us are known as clairvoyants and we have psychic powers, as well as the powers of the individual elemental forces, and we also have the power to see into the future.

Me: Whoa.

Suddenly, a Thunderbird of Eternal Love appeared around Sylvia Starron's neck with yellow gems on the gold thunderbolt links and yellow crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Sylvia Starron: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Sylvia.

Sylvia Starron had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her, and he leaned down and kissed Sylvia Starron on the lips, and they returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Mera Chisato, Teruhashi Kokomi, and Yumehara Chiyo from The Disastrous Life of Saiki K., Kawahara Azusa, Sayaka, and Tomoko from Ano Ko Ni 1000%.

Lincoln: Oh wow, it's Mera Chisato, Teruhashi Kokomi, Yumehara Chiyo, Kawahara Azusa, Sayaka, and Tomoko.

Nico: From The Disastrous Life of Saiki K. and Ano Ko Ni 1000%, awesome.

Lincoln: Are you girls okay?

Mera Chisato: Yes, we're okay, thanks to you.

Then, when Mera Chisato and the other five girls saw who it was that saved them from Chazz's evil brothers, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Mera Chisato: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Mera Chisato: (Seductively and rubs her right hand on Lincoln's

massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Mera Chisato, Teruhashi Kokomi, Yumehara Chiyo, Kawahara Azusa, Sayaka, and Tomoko with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and they were shocked when they found out that the villains we went after were Chazz Princeton's evil brothers, Slade and Jagger, who came back for revenge on us.

But, when Lincoln showed what we did to those jerks, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Sylvia Starron have a lot of catching up to do, now that she's back in town, and as for Slade and Jagger Princeton, they were sentenced to Life in Prison in The Neptune Cryoprison, where they were frozen and put in separate cryogenic cells in Maximum Security Solitary Confinement for the rest of their lives.

---

After getting Slade and Jagger Princeton thrown right back in prison, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Sylvia Starron aw Lincoln working out like crazy, she had an atomic red blush on her face.

Sylvia Starron: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sylvia, and now, I can also defend

myself, and in addition to getting stronger, I've also gotten smarter as well.

Sylvia Starron: That's incredible.

Nico: It sure is. So, Sylvia, how did you beat the living crap out of Chandler and got him in big-time trouble when he was bullying Lincoln, Lucy, and Laney?

Sylvia Starron: Now, that I still remember to this day. One day, I was taking notes in class, but I saw that Chandler was throwing paper balls and spitballs at Lincoln, Lucy, and Laney, and acting like a big-time jackass jerk, and I was really getting mad at that jerk. But, the worst came at lunch when he and his goons smashed Lincoln, Lucy, and Laney's faces with trays full of food, and that's what did it: I immediately rushed in and I started beating the living crap out of Chandler, along with his two goons, and I told Principal Huggins about it, and Chandler got in big time trouble with his mom and the school, and he got a three-week suspension from school and he was grounded for three months, and his two goons got suspended for three weeks.

We cheered for what Sylvia Starron did in defending Lincoln, Laney, and Lucy from Chandler.

Nico: Whoa, now that was awesome in what you did, Sylvia.

Me: And I don't think Chandler's former goons are going to like seeing Chandler now on the side of good.

Lincoln: No, they're not, J.D., in fact, they'll try to get revenge on us for removing Dark Chandler from Chandler. I'm hoping they do come after us for revenge, because I've got a special kind of punishment for them for all the stuff they did to us.

Laney: I hope it's really painful, Lincoln.

Lincoln: It will be.

We then got a shower afterwards, and then, Lincoln and his harem are heading out to space to explore Aqua Star in Kirby's world.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered, in case of trouble, and Lincoln's harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble.

Lincoln: Alright, ladies, shall we?

Girl Jordan: Of course, Linky.

Lincoln and his harem headed for Aqua Star, and when they arrived, most of Aqua Star's surface is water, so most of its land is made up of small tropical islands and sandy beaches, although there's at least a small forest surrounding a large river here as well. Many of the islands here are linked together by small wooden bridges. There's also many waterfalls found on some of the larger islands. The sea of Aqua Star is so vast that there are underwater caverns and large mountains in the water.

Paige: Wow, so this is Aqua Star.

Lincoln: That's right, Paige, and it's perfect for our date and exploration. Shall we?

Then, Lincoln and his harem dived right into the water, and they explore the islands, rivers, beaches, oceans. Then, when they got to the surface, Lincoln got a deep tissue massage from the girls in his harem, and he returned the favor and he gave the girls a deep tissue massage in return. Then, they had lunch that Lincoln packed, and they sat in a picnic area that Lincoln made. Then, as the sun was about to set, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion. Then, they came back home to the Estate, and they were in their original clothes.

Nico: Hey, gang, how was your date?

Lincoln: It was awesome, Nico, we went to Aqua Star in Kirby's world.

Me: Aqua Star, wow, I've heard about it, and it's an awesome place for a beach date.

Lincoln: It sure is.

Girl Jordan: And we explored the islands, rivers, beaches, and forests there as well.

Nico: Awesome.

---

Eli and Arrietty were in Eli's room. Eli was playing video games while Arrietty was watching.

Eli: Now things are good.

But then Arrietty had a mysterious glow around her.

Arrietty: Eli I feel weird.

Eli: What's wrong?

But then Arrietty started to grow in size!

Eli: Oh my goodness.

Hunch went to check on Eli.

Hunch: Everything okay in here? I heard some weird sounds.

Eli: Hunch get everyone in here quick!

Hunch: GUYS COME INTO ELI'S ROOM!

We ran and we went into Eli's room.

Me: What's wrong guys?

Eli: Check out Arrietty!

We saw that she was now as tall as Luan!

We gasped

Luan: Oh wow!

Me: Arrietty!

We went over.

Me: Wow! Arrietty you are now our size!

Laney: This is amazing!

Arrietty: Wow! But how in the world did this happen!?

Eli: Whoa! The Force is telling me that this is the work of a cosmic presence. It's a good force too.

Me: Wonder what it is.

Arrietty: Wow! This is amazing!

Songbird: Arrietty, try shrinking again.

Arrietty: I'll try.

Arrietty concentrated and then she glowed and reverted back to her Borrower size.

Arrietty: Wow! I have the power to shrink and grow at will!

Eli: This is awesome!

Nico: Wow!

Lana: That is so awesome!

Nico: It sure is

Arrietty then grew to human size.

Arrietty: This is really amazing. I have been given size control powers.

Laney: Yeah!

Wildrider: Now, to go outside to check one last thing.

We went out to the training yards.

Wildrider: Lets see if you can grow giant.

Arrietty: Okay.

Arrietty concentrated and then grew to 100 feet tall!

Wildrider: WHOA!

Ginormica: Wow! That is really awesome!

Laney: It works both ways!

G1 Smokescreen: Just like Goliath.

Goliath came.

Goliath: Someone call? (Sees Arrietty) WHOA! Arrietty!? Is that you?

Arrietty: Yeah I just got new Size Control powers.

Goliath: Just like me and Ginormica.

Ginormica: It sure is awesome.

Runabout: I didn't expect this at all.

Nico: None of us did Runabout.

Arrietty reverted to human size.

Eli: I'll gladly teach you how to be our size Arrietty.

Arrietty: Thanks Eli.

Nunnally: This is really amazing though.

Nico: Well it's time for our next mission.

Me: Another planet made of food?

Nico: Yep and it's in the Andromeda Galaxy.

Then Man Boy, Zzzax, Pyro, Aqueduct, Stonedozer, Hsi Wu, Riddler, Brain Freezer, Diabolico, Man Boy, and Chalmers appeared.

Man Boy: Can me, Zzzax, Pyro, Aqueduct, Stonedozer, Hsi Wu, Riddler, Brain Freezer, Diabolico, Man Boy, and Chalmers go with you guys?

Nico: Yes you all can.

Zzzax: Sweet Uncle Joseph! Arrietty is that you?

Arrietty: It's still me. I'm just now taller.

Nico: She has the power of size control now.

Riddler: That is amazing.

Zzzax: Let's get going.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed two dark energy signals with his eyes and the Force, and he saw who the figures are in the vision: the first dark energy signal Lincoln sensed belonged to Barbatos, a monster who's one of Psaro the Manslayer's top generals and guards one of the four towers that maintain the barrier surrounding Castle Nadiria, and he's here to cause havoc, and the other dark energy signal that Lincoln sensed belonged to the Teen Titans Go villain, Vegetor. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, but it's actually two people I sensed, and Jessica, you and the others aren't going to like the first one I sensed: the first dark energy signal I sensed belonged to Barbatos, a monster who's one of Psaro the Manslayer's top generals and guards one of the four towers that maintain the barrier surrounding Castle Nadiria, and he's here to cause havoc.

Jessica and the Dragon Quest girls who are in Lincoln's harem gasped in shock.

Jessica Albert: Oh great, I was hoping never to see him ever again.

Nico: Uh oh, that's not good.

Jhudora the Dark Earth Faerie: That's right, Linky. And from what we heard, he's a powerful magic user, well, wait until he gets a load of us.

Nico: A battle of magic, oh, it's not going to end well for Barbatos.

Me: A battle of magic against us never ends well for any villainous magic user, Nico, it never does.

With that we went to the ship and we were off to the Andromeda Galaxy.

* * *

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 6259.5: Team Loud Phoenix Storm is en route to yet another awesome food planet and it's located in the Andromeda Galaxy. Our mission is to investigate this world and find the villain responsible and destroy them.

Me: I have a feeling this is gonna be a good planet.

Beastbox: I wonder what food will be present this time.

Nico: We're about to find out.

Lisa Loud: We arrived at our destination.

Nico: On Screen.

We saw on the view screen that we were at a planet that looked like a desert planet and it had red, yellow and white spots on it.

Nico: Wow this planet looks cool.

Eli: It sure does.

Nico: Lets land.

We got to landing and we got out and then to our shock, amazement and surprise we saw that the planet was a planet where everything was MADE OF BURGERS!

Me: Oh my god!

Laney: Oh wow!

Nico: IT'S A BURGER PLANET!

Chalmers: Look at all that!

Me: (DROOLS) Look at all these burgers.

Homer: Mmm Burgers. (Drools)

Lisa Simpson: This planet is a hellhole!

Bart Simpson: All right! Now we're going to chow down on burgers!

Overbite: Now, now. There's plenty enough for everybody.

We got to eating the burgers. They were awesome and really delicious!

We also saw that the lakes were ketchup, mustard and mayonnaise!

Laney: This is so awesome!

Lana: DELICIOUS!

Pyro: Let me heat some of those up.

He went and did so.

Me: SO DELICIOUS!

Lola: Yeah it is!

Vakama: Boy this is all really awesome.

Gantu: Look at this 50/50 burger that I found.

Nico: Oh boy! Beef and Bacon together.

We all had 50/50 burgers and they were delicious.

Laney: YUMMY!

Aqueduct: Man, these are delicious!

Poromon: Yummy yummy!

Nico: YEAH!

Lola: SO DELICIOUS!

Sunset Shimmer: Boy they sure are!

Eli: This is awesome too! (Senses something) Uh oh. I sense something evil here.

Energon Scorponok: Eli, you can be paranoid later. Right now, we've got burgers to eat!

Maria: He's got a point, Eli.

Me: Guys not now. Go ahead Eli.

Eli: I sense a strange yet evil force here on this very planet.

Nico: I believe him guys.

Eli: Yeah. It's the TTG Titans and they have Vegetor with him.

Jared gasped.

Jared: Vegetor the God of Vegetables? Oh man.

Nico: And the TTG Titans are here too!? Oh man!

Me: Those incompetent turds that call themselves heroes just don't know when to quit.

Riddler: Riddle me this: Who exactly is Vegetor?

Jared: The God of Vegetables and the true deity of the Cult of Vegetor.

Robin (Teen Titans): Oh boy, this isn't good, and I've got a feeling that he's going to summon the TTG Titans as his minions to slow us down.

Lincoln: I was just about to say, Robin.

Me: Lincoln, do you have any information about Vegetor? I've got a feeling Jared's going to love this one.

Lincoln: You're in luck, J.D. Here's the info on him.

Lincoln pulled up the information on Vegetor, and as expected, Jared's going to love beating this bad guy.

Vegetor

Vegetor is a minor Teen Titans Go! villain that appears in the episode "Vegetables". He is the king of all veggies, and the Teen Titans (Beast Boy exempt) temporarily serve him as their master. He is voiced by Khary Payton.

Biography

Because Beast Boy decided to eat an apple (the other Titans, who were at the time strict vegetarians, thought this was a form of meat), they kidnap him and take him to Vegetor. The mighty carrot king vows to destroy all meat in the world, starting with Beast Boy. As he levitates a giant eggplant-shaped boulder to squash Beast Boy, Beast Boy gets Cyborg to have one of his meat parties. Vegetor is then seduced by the nearby smell of some barbecue ribs (from Cyborg's meat party). He decides to try some meat, and he gets hooked on the stuff immediately. He grows tremendously fat, which causes him to get the meat gut. All the Titans are about to run away from Vegetor, but he explodes everywhere, spraying meat and carrot everywhere.

Physical Appearance

Vegetor has the appearance of a gigantic carrot with hands. He usually has an angry face on. Because he is the ruler of vegetables and all who eat them, he is adorned in a regal, pink cape with a gold trim on the end of it. It also is equipped with a gold clasp, along with a brass belt. The emblem on the buckle appears to be a drop of honey surrounded by the sun (perhaps a reference to the type of sweat the Titans had when they ate vegetables).

When Lincoln was done telling us, we don't like this guy one bit, and as expected, Jared's going to love beating this guy down.

Jared: Oh, I'm so looking forward to beating this guy down, I love veggies, but this guy trying to destroy all meat on Earth is going too far.

Me: You said it, that's just going too far.

Lori: Mess with meat, will he? Oh, he's going to get turned to carrot pulp for that one.

Lincoln: And as expected, he'll summon the TTG Titans as his minions to try and slow us down.

Fluttershy: Leave them to me and Laval, Linky.

Laval: Yeah, it's our turn to have a little bonding and beating down those disgraceful bunch of bad heroes. But, we're not going to have them put in The Masters of Evil, right?

Lincoln: No way, Laval. They're going straight back to prison after we strip them of their powers, that is. And after we deal with Vegetor, Jhudora and I will deal with the monster, Barbatos, and see to it he never returns.

When he was done we were shocked.

Laney: WHOA MAN!

Lana: Yeah!

King Dedede: Are we really gonna let perfectly good burgers go unfinished?

Me: We already ate ours.

Nico: Yeah. Besides there's enough food here on this planet to last forever.

Eli: You're right.

Nico: Yep.

Hsi Wu: So while you guys have more time to eat some burgers, I'll fly and find where Vegetor is.

Nico: Okay.

He flew off.

Chomp Chest: I still feel like eating some more!

He ate and ate and ate.

We all were eating all over.

We then were stuffed.

Stonedozer: Now that we've eaten enough, let's go after Vegetor.

Hsi Wu came back and he told us that he and the TTG Titans are over a hill 6 kilometers east.

We were off and then we saw the TTG Titans! They were green because of vegetables.

TTG Robin: you want Vegetor? You'll have to get past us!

Kerchak: That probably won't be a challenge, you sorry excuse for Titans.

SWORD FORM!

Takanuva: I know that voice anywhere.

Out came the Den-O Kamen Riders!

Takanuva: Ryotaro! You guys made it!

Ryotaro: Yep. You guys head out and face Vegetor. We'll hold them off here.

Me: Thanks Ryotaro. We owe you one.

Takanuva: Let me help you guys!

Diabolico: Good luck, Takanuva! And make sure to use your Kamen Rider form as well!

Takanuva: Right. HENSHIN!

He turned into his Den-O Light Angel Form!

We were off.

Ken Ichijouji: Entrance time!

Stingmon: Just what I was about to say!

We went at Vegetor and he was waiting and then the spirits of the Elemental Forces of Nature and the Winx Club Swirled Around him and then converted and then out of a wave of fire came us.

Nico: Time for some buttkicking!

Vegetor: The Famous Team Loud Phoenix Storm! Nice of you to visit.

We saw that Vegetor was really a giant carrot god.

Nico: You're Vegetor? You look like a giant carrot.

Vegetor: Why yes I am a carrot.

Jared: Awesome.

Vegetor: (to Jared) You're a vegetarian too. I'm not going to destroy the entire universe. Just the meat loving parts. Why are you trying to stop me?

Brain Freezer: Because Jared doesn't force his ways on people. And just because he's a vegetarian doesn't mean you and him are best buds.

Jared: That's right!

Then Plastique, Touch & Go, Firebrand, Girder, Biowulf, Vulkanus, Control Freak, Trumbipulor, Grodd, Lythos and Stratos appeared.

Nico: Plastique, Touch & Go, Firebrand, Girder, Biowulf, Vulkanus, Control Freak, Trumbipulor, Grodd, Lythos and Stratos.

Firebrand: Wow this is an awesome one.

Plastique: I had a feeling a burger planet would be next.

Mr. Touch: I wasn't hoping on a specific one.

Girder: Me neither.

Biowulf: (to Nico) We heard you visited the Orange Islands.

Nico: Yep

Vulkanus: Meet anyone specific there?

Nico: The Mikan Island Gym Leader, Cissy.

Laney: She is the first Orange League Gym Leader that Ash, Misty and Tracey met.

Vulkanus: Cool!

?: That is neat.

A figure came out and it was ILLUSION from episode 22 of Zyuohgers!

---

Illusion is the main antagonist in episode 22 of the 2016 TV series Doubutsu Sentai Zyuohger. He is one of the Players of Team Quval. His Blood Game is to convert inanimate objects into bombs that explode when a person comes into contact with them. He may also use these objects as weapons by throwing them at his opponent.

He is voiced by Kappei Yamaguchi who previously voiced Thousanian Gineka from Dekaranger and Ain-I of the Neutralfrom Goseiger.

History

Illusion made his first appearance outside of a local Japanese restaurant where a couple civilians ran in terror due to his appearance. However instead he used Bomb Stick to transform inaminate objects into bombs. However he was stopped by the arrival of Amu, Sela and Leo. So he used his Mantle to summon the Moebas to attack them.

A while later he appeared at the steps as he confessed that it was him using his combo transform ordinary objects into bombs like he did to the bike that Misao touch. Once the explosive objects that Illusion cast was over he told the group that he transformed one more object into bomb that will wiped out the whole town within a couple of minutes. After that he left the area by floating away.

A while later when Misao found out that Illusion transformed a parking garage into a giant bomb they were about to use the Wild Zyuoh King, but Illusion won't allow them to do it. So they transformed and battle him while the bomb counts down until it explodes. So with girls faith in him Misao used his fishing rod and strength tossing the bomb to explode harmlessly in the air.

With the bomb out of the way Misao then battles Illusion. After that he was then defeated while being tied up by Yamato and Misao.

However thanks to Naria she inserts a continue medal into Illusion's right shoulder to enlarge him and with his magical abilities he fused himself with the Triangulars, so that he can gain an armor during the fight with Wild Tousai King. After that he was then destroyed by this finisher called Zyuoh Direct Straight.

In episode 30 Bangray manage to steal the memory from Tusk as he revived Gaburio, Hanayaida and an enlarged armored Illusion. After that Illusion was then destroyed by ZyuohWild Special using this finisher called Wild Rocket Knuckle.

In episode 34 an enlarged and revived Illusion appeared alongside Amigard and Trumpus as they caused more destruction to the city in order to lure out Cube Whale, so the team brings out their three megazords to battle them. After the intro the battle still rages on. They manage to send the three players to a building after that they were then destroyed by Wild Tousai King's finisher called Zyuoh Direct Straight.

---

Yamato: Illusion!

Illusion: Been a while rangers.

Me: I remember you! You were sent on your blood game to make objects into bombs that explode on contact. That was epic.

Illusion: Thanks. It sure was. Good memory.

Me: Never missed an episode.

Maria: Is it possible for you to make illusions of past monsters?

Illusion: Not really. But I can do this!

Illusion used his bombing stick to make his head vanish.

Maria: WHOA!

Me: Prestidigitatious!

We got the battles underway.

Triple Berry: Her story was cool too.

---

Sylvia Starron: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sylvia, and now, I can also defend

myself, and in addition to getting stronger, I've also gotten smarter as well.

Sylvia Starron: That's incredible.

Nico: It sure is. So, Sylvia, how did you beat the living crap out of Chandler and got him in big-time trouble when he was bullying Lincoln, Lucy, and Laney?

Sylvia Starron: Now, that I still remember to this day. One day, I was taking notes in class, but I saw that Chandler was throwing paper balls and spitballs at Lincoln, Lucy, and Laney, and acting like a big-time jackass jerk, and I was really getting mad at that jerk. But, the worst came at lunch when he and his goons smashed Lincoln, Lucy, and Laney's faces with trays full of food, and that's what did it: I immediately rushed in and I started beating the living crap out of Chandler, along with his two goons, and I told Principal Huggins about it, and Chandler got in big time trouble with his mom and the school, and he got a three-week suspension from school and he was grounded for three months, and his two goons got suspended for three weeks.

We cheered for what Sylvia Starron did in defending Lincoln, Laney, and Lucy from Chandler.

Nico: Whoa, now that was awesome in what you did, Sylvia.

Me: And I don't think Chandler's former goons are going to like seeing Chandler now on the side of good.

Lincoln: No, they're not, J.D., in fact, they'll try to get revenge on us for removing Dark Chandler from Chandler. I'm hoping they do come after us for revenge, because I've got a special kind of punishment for them for all the stuff they did to us.

Laney: I hope it's really painful, Lincoln.

Lincoln: It will be.

Nicole Knudson: I knew there's no mistaking that voice from anywhere. You can come out now, Barbatos.

A muscular humanoid demon with wings, horns, a beard and haired legs and hooves came out, and it was none other than Barbatos.

Brittney Knudson: So, that's Barbatos. From the looks of this guy, he's definitely a dangerous demon that deserves to be destroyed for good.

Jhudora the Dark Faerie: You said it, Brittney, and I'm going to enjoy beating this demon into the ground.

Suddenly, Jhudora the Dark Faerie's purple eyes turned neon purple, and she was surrounded by a purple and green energy aura with darkness, dark magic, and dark faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Barbatos, she left purple and green energy, darkness, dark magic, and dark faeries with every step.

Jhudora the Dark Faerie: Barbatos, I will never forgive you for the crimes that you've committed against mankind and under the orders of Psaro, and now, I will see to it that you are destroyed here and now.

Suddenly, Jhudora the Dark Faerie was surrounded by a massive vortex of purple energy with darkness and dark magic surrounding it, there's a dark faerie flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Jhudora the Dark Faerie emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Jhudora the Dark Faerie grew to 6'5" in height, she had the body of a goddess and she has green highlights in the bangs of her long flowing purple hair with green streaks, she has neon purple eyes and a purple energy aura with darkness, dark magic and dark fairies surrounding her, she has a dark faerie with the Dark Kanji in its hands emblazoned on her forehead, she has on dark faerie earrings with green gems for eyes and holding the Dark Kanji in its hands, she also has a dark faerie with green gems for the eyes and the Dark Kanji in its hands for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and green gems on the gold lightning bolt links, along with her green choker necklace with green gem pendant. Jhudora the Dark Faerie has on a long long-sleeved purple dress with green phoenix on it, she has on purple high heels, and a long purple coat with darkness and dark faeries on the coattails, and on the back is a dark faerie with a crescent moon above its head. Jhudora the Dark Faerie's purple bat-like fairy wings grew much bigger for her new body, and they have a dark faerie, a Thunderbird, a Phoenix, and an Angel in them, Jhudora the Dark Faerie has on a Ring of The Phoenix with purple gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Jhudora the Dark Faerie has her massive Neopia's Magic Staff of Magical Justice in her right hand, she has on her new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with green gems for eyes and a large purple gem in its open mouth for the belt buckle, large purple Spellbook of The Gods and The Universe and large purple Spellbook of The Elemental Gods on her left hip and Eater of Sins revolver holstered on her right hip. There's a green kanji below the dark faerie that said, "Jhudora the Dark Faerie, Powerful Good Dark Faerie of Neopia, Vanquisher of The Darkest Faerie, Dear Friend of Neopia's Many Heroes, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Dark Faeries, Dark Magic and Darkness."

ダークフェアリーのジュドラ、ネオピアのパワフルなグッドダークフェアリー、ダークフェアリーのヴァンキッシャー、ネオピアの多くのヒーローの親愛なる友人、リンカーンラウドの愛する未来の妻、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な学生驚くべき強力な教師の、そしてダークフェアリー、ダークマジックとダークネスのマスター

Jhudora the Dark Faerie has transformed into SUPER ANGEL INFINITY TRUE LOVE DARKNESS MAGIC FAERIE OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Jhudora the Dark Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Barbatos saw it, the demon fell into a rage and fired a blast of magic at her, but Jhudora the Dark Faerie fired a powerful barrage of purple energy blasts, darkness blasts, dark magic, and dark faeries at Barbatos, and it hits the demon and he hits the wall.

Nico: Whoa, Jhudora's transformed, this is going to be one awesome fight.

Lucy Loud: Gasp, Jhudora the Dark Faerie has become a true Angel of Darkness and Dark Justice, and not even a demon like Barbatos stands a chance against her.

Lincoln: Wow, Jhudora, you look beautiful. How do you feel?

Jhudora the Dark Faerie: (Divine Echoing Cosmic Voice of the Dark Faerie and Divine Love) **I feel incredible, Linky. Now then, shall we deal with Barbatos once and for all?**

Lincoln: (Smiles) With pleasure, Jhudora.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Jhudora the Dark Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's put an end to this demon once and for all.**

Lincoln and Jhudora the Dark Faerie went after Barbatos, who fired blasts of magic at them, but they dodged them, and they fired powerful blasts of rainbow energy, purple energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Dark Faeries at Barbatos, and they exploded with incredible power as they hit him. Then, Lincoln attacked Barbatos with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and left painful scars on him, and Jhudora the Dark Faerie fired powerful purple energy blasts from her staff, and it hit him.

Then, Lincoln grabbed Barbatos by the neck, and he sucked out all of Barbatos' magic and abilities, and he made them his own, and Lincoln tossed the powerless demon into the air with his immense and brute superhuman strength, and he and Jhudora the Dark Faerie fired powerful beams of energy, and as they hit Barbatos, the two energy beams exploded with incredible power, killing him for good and he was erased from existence as he was condemned to The Black Gates. We cheered wildly for what Jhudora the Dark Faerie and Lincoln did as they holster their weapons and power down, and Jhudora the Dark Faerie's new body, clothes, weapons, jewelry, and massive bat-like fairy wings are permanent.

Jhudora the Dark Faerie: That's it for that evil monster, and thank you for helping me with taking care of Barbatos, Linky.

Lincoln: (Smiles Warmly) You're welcome, Jhudora.

Suddenly, Jhudora the Dark Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Jhudora the Dark Faerie's face, they kissed passionately as Jhudora the Dark Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Dark Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with creatures of the night flying around the place and we cheered for them.

Nico: Hah, we always knew Barbatos never stood a chance against Jhudora the Dark Faerie and Lincoln.

Me: That's right.

Jhudora the Dark Faerie: And this was quite an awesome day, first, on Nico's rescue, we put those two pinheads, Butch and Cassidy into the Masters of Evil after we pummeled them, and on Lincoln's rescue, we pulverized Chazz's evil brothers and sent them back to prison, then, we took down Vegetor along with the TTG Titans, and saved the meat from being destroyed by that veggie maniac, and to close the day, we took down Barbatos and sent that demon to The Black Gates for good.

Lincoln: That's right, and who knows how many more food planets we're going to find in the Solar System?

Me: No one knows, but we're still getting started, Lincoln.

Nico: You said it.

Control Freak: So, Jared. How does Vegetor taste?

Jared: Pretty good, actually.

Grodd: Glad to hear it.

Ed: Carrots are good for your eyes but can it dial a phone?

Eddy: Shut up Ed.

Trumbipular: And we still got plenty of burgers to carry back home.

Lythos: (to the Den O team) You guys did a good job too.

Ryotaro: We sure did.

Stratos: See you guys in July.

Me: We owe you guys big time for this.

Ryotaro nodded and the Den-O Kamen Riders teleported back to Japan.

Nico: This was an awesome adventure. Great job today everyone.

Laney: This was so cool seeing a planet made of burgers. I hope the next planet is awesome.

Me: Oh it will be. Food or normal or anything like that it will be awesome.

Nico: Yeah.

Laval: (To the viewers) Burgers are awesome and delicious but Vegetables are just as good too. But don't force anyone to be a vegetarian.

Jared: That's right Laval.

We later went back home and we had a lot of burgers leftover for many meals. We later went to sleep after enjoying the rest of the day. The TTG Titans were all sent to the Neptune Cryo Prison for all eternity.

THE END

Another awesome food theme fanfic done.

This was awesome and burgers are one of my favorite foods. WHO DOESN'T love burgers. They are awesome. The villain for this is Vegetor from the TTG Episode called Vegetables. That was a crazy and funny episode. Cyborgs Meat Parties are really cool and awesome though. It was a funny one. The first part was for Mikan Island from the Pokemon Orange Island League saga and that was so awesome. The second part was for a Planet made of Ramen and that is awesome! I love Ramen and that was awesome. But it was really salty for me. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Yu Takeyama, Ant Man, Capital G, Ax, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily are heading to New York City and we're going to the world of the 1997 movie The Borrowers and we're going to stop Ocious P. Potter from killing the Borrowers and destroying the Lenders house. And we're also going to meet Ariana Montenegro and she is a Borrower Gene-Slammer and like Arrietty just now she has the power to change size at will too. The next rescue for Lincoln is gonna be on a planet made of Red Licorice! We're going to see an amazing planet made of red licorice and we're going to face BLACK JOHN LICORICE! But we're going to put him in a jail where he will never reform. We're also going meet a gene-slammer for Arcana Force XV - The Fiend named Sophia Starron. Sophia Starron is Sylvia Starron's twin sister and she is a goth girl and she is also a mindwalker, psychic and clairvoyant and also has the ability to see into the future and has the powers of darkness. She has pitch black angel wings, an incredibly powerful scythe of darkness and has the Kanji for Fiend emblazoned in the middle of her forehead. She is also one of Lincoln's Guardian Angels and she saved Lincoln from bomb that was thrown at him, Lucy, Lana and Laney by Scoots. She is a true angel of darkness. During the Exercise scene, Sophia is going to reveal her revelation first and also Hailey Timaeus has a really dark secret. So brace yourselves for that one. Get ready for a nuclear hot spicy adventure as we go to a world made entirely out of chili peppers and hot sauce and its going to be home to some of the spiciest chili peppers and hot sauces in the world and we're going to face Johnny the Gangster Corrupt cop from Home Alone and we're going to have one one helluva bad mouth swear and killing fest with him! Also he is not going to be alone as he will have all the high school kids of Quahog with him and THEY ALL ARE OUT FOR REVENGE!

# JOHNNY AND THE PLANET OF PEPPERS

IN MEMORY OF RALPH FOODY -

KEEP THE CHANGE YA FILTHY ANIMAL

---

In the early morning hours at 1:23 AM, I was fast asleep in my bed with Varie and my harem, and I was having a really awesome dream. I was walking through an amazing city that looked like it took place really far into the future. I saw that it was a beautiful and amazing city.

Me: Wow! Look at this city. It looks like it takes place in the distant future.

I walked around and saw an awesome tower and on a beam was a girl and she was looking down. I then saw that it was starting to become familiar to me.

Me: This is really familiar somehow.

But then I saw the girl jump and everyone gasped and I then saw a boy go for her and he fired a gun and broke a cable and swung on it and went and grabbed the girl in mid air and saved her life!

Me: WHOA! That was awesome!

But the celebration was short-lived as the cable snapped and the boy and girl fell down through a hole in the city!

Me: OH NO!

I spread my wings and flew after them.

(IMPERATRIX MUNDI PLAYS AT 1:35 TO 2:34)

I flew fast at them. But they were falling very fast.

Me: Whoa this city goes on forever.

I had to think of something fast!

Me: Princess Luna if you can hear me, Lend me your strength and power to save these two people from doom!

The moon appeared in the sky and then it glowed a powerful neon dark blue and then a beam of light shined down onto me and then my wings turned into those of Princess Luna's and I had a moon symbol with my cutie mark and my clothes turned neon dark blue and I had the ability to help out in dreams like Princess Luna can!

Me: What!?

I looked at my hands and I felt the powers of the dream world surging through me!

Me: Whoa! Princess Luna? Is this your power?

Princess Luna: (Through my cutie mark) Yes J.D. you have been given the same powers as Princess of the Night and you now have the power to be active all day and night without the need to go to sleep.

Me: But I still have to sleep anyway.

Princess Luna: I understand. But hurry J.D.

I flew down and went fast and then the boy and girl saw me and I fired a beam of energy and formed a big pillow under them and it caught them like a safety pad!

I flew over to them.

Me: Are you guys all right?

Zephyr: Thanks to you. Wow you're J.D. Knudson.

Me: That's right. And you are?

Zephyr: I'm Zephyr.

Leanne: And I'm Leanne. I was supposed to die today.

Me: What!? Who the hell told you that?

Leanne: I was an experiment and I was told that I was gonna die on my 20th birthday.

Zephyr: Why would they tell you that!?

Leanne: Because it was part of a test to promote Zenith's life enhancing capabilities.

Me: That is the stupidest thing I've ever heard. I would call that more like throwing you away like yesterday's garbage.

Zephyr: Yeah I agree there!

Me: You don't have to be treated like that anymore Leanne. You and Zephyr can stay at the estate with us and not have to be treated like garbage again.

Leanne: Really?

Zephyr: You would do that?

Me: I sure can.

Natilee: DAD!

Natilee flew in.

Natilee: I saw what happened! That was so awesome!

Me: Thanks Natilee.

Zephyr: Wow! J.D. saved our lives.

Me: It was nothing. Me and Princess Luna merged and she lent me her powers as Princess of the Night.

Natilee: Wow that is awesome.

Princess Luna: It was the least I can do to help J.D. out.

Me: Yeah. Lets head home.

Later at 8:09 AM I woke up.

Me: Whoa! That was an awesome dream.

I looked at my cutie mark and saw that it all REALLY DID HAPPEN!

Me: Whoa! It really was real.

I went and got dressed and had breakfast and I told everyone what happened and it was incredible.

Nico: Whoa! That is amazing!

Leanne: He saved both our lives.

Zephyr: Boy he sure did and we're so grateful.

Princess Luna: It was amazing to do so to help J.D.

Me: It sure was.

Later in New York City, it was time for Nico's rescue and Nico, Yu Takeyama, Ant Man, Capital G, Ax, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily were walking through the streets of the city.

Me: So the next rescue is in New York City. How awesome.

Laney: It sure is. I have a feeling we're going to a Dairy Factory for this one.

Lana: I have a feeling this will be awesome.

Arrietty: I sense that some of my Borrower Brethren are in trouble and that must be the reason why we're heading there.

Eli: I have that same feeling too Arrietty.

Kaoruko: But this will be so awesome going with you all on this rescue.

Ochaco: It sure is.

Toru: I have a feeling that it's Ocious P. Potter that is causing some trouble.

Me: I have that same feeling myself.

Nico: Thanks for coming, Ax.

Ax: No problem Nico. I'm the first ever Andalite to ever go with you on a great rescue like this.

Nico: Boy you sure are.

Me: I'll never forget the day we met you and the Animorphs. That was so awesome.

Nico: I remember when you and the other Animorphs did combos alongside the Stunticons.

Ax: That was really amazing.

Me: And we brought an end to the Yeerk War.

Nico: We sure did.

Camie: What is a Yeerk?

Me: An ugly parasitic slug alien that controls people. They have been a major problem all over the galaxy.

I told them everything about the Yeerks and the dangers they have caused to the Galaxy as well as go over the events of chapter 627.

---

Yeerks are the primary antagonists of Animorphs novel series. They are a species of slug-like parasites from a planet which having a sun that emit Kandrona rays, light that is their natural food. These small but foul, megalomaniac creatures require host bodies to see, walk and verbally communicate. They try to invade Earth by infiltrating its population's society, only to be failed by Animorphs, the titular heroes of the series.

While not possessing someone, Yeerks' normal form are greatly resembles large slugs with four fin-like limbs and greenish-gray skin. They lack eyes, though they possess optical and sensory tentacles on their head. However, once they enter a host's ear and brain, their body shifts into near-liquid form so they could pass through orifices within ear canal and possesses the host's brain, effectively controlling their body and mind.

## Hierarchy

Once they sought for world domination after stealing various resources from Andalites, they formed hierarchy among themselves, which are:

### Council of Thirteen

The Council of Thirteen is at the top of the Yeerk hierarchy. One of the members of the Council is the Emperor, but only the Council members know which one. There are a variety of hosts on the Council including Hork-Bajir and Taxxons. There are no humans on the Council, and no Andalites as Visser Three/One was never appointed to the Council.

### Visser

Just below the Council of Thirteen are the Vissers, generals of the Yeerk empire. The lower the number the higher ranking the Yeerk, therefore Visser One is the highest, and this goes on down until Visser 47 or so.

### Sub-Vissers

Below Vissers are Sub-Vissers. They are the colonels of the Yeerk empire, having subordinates but still taking orders from a superior officer. The same applies to Sub-vissers as Vissers, the lower the number the higher the ranking.

Controllers

The lowest ranking members of the Yeerk empire are the standard controllers. However, there are high ranking controllers such as Chapman, and there are low ranking controllers such as Tom. Serves Yeerk Empire as soldiers, workers, spies, etc.

It starts in the estate. We were having breakfast. Miranda was making omelettes.

Miranda: (To the Viewers) It's my first time making breakfast for everyone. I'm making omelettes for everyone.

Mine was ham and bacon.

Me: Mmm. Delicious omelette Miranda.

Laney: It sure is tasty.

Nico just tried an omelette that Miranda made.

Miranda: So? What do you think?

Nico: Miranda, you have failed this omelette.

Miranda (pouts): Aw!

Me: She did do her best.

Nico: That's true.

Lola: I think her omelettes are really tasty.

Miranda: Thanks Lola.

Jared: I agree Lola. She can keep trying.

Me: That's true son.

After breakfast we were watching TV and reading books. I was scanning the country for anything out of the ordinary. I then came across something unusual going down in Corvallis, Oregon.

Me: This is unusual. The satellites are picking up unusual brainwave activity in Corvallis, Oregon.

Lincoln: What do you think it might be J.D.?

Me: Lets see. The satellites say that the brainwaves are extraterrestrial in origin.

Nick: Alien brainwaves?

Ben: That's not a good sign.

The doorbell rang.

Shocker: I'll get that.

Shocker went and got the door and to his shock he saw HOBGOBLIN back from the dead!

Shocker: Hobgoblin? How are you still alive?! You're supposed to be inside the Book of Vile Darkness!

Hobgoblin: Did you really think a stupid book would be enough to keep me down? If you want more answers, then come catch me! (flies away)

Me: After him!

We took off and followed him to Corvallis, Oregon.

We arrived and ran after him on foot. But there were a lot of people.

Shocker and Nico tried locating Hobgoblin but lost him in a crowd of people.

Shocker: He's gone?!

Nico: He couldn't have disappeared without teleportation! Something fishy's going on here.

Me: Yeah. I can sense it. Whatever is going on here it's not good.

We walked to a nearby barn

Suddenly a parasitic slug creature jumped out and just as it was about to land on me my lightning electrocuted it and killed it.

Me: What in the name of?

Lisa picked up the creature.

Lisa: This is the most unusual type of slug I have ever seen.

Me: I have never seen a slug like this before.

Shanan: It looks familiar. But I can't remember where I saw it.

Then we saw 4 kids and a hawk was with them.

Rachel (Animorphs): Team Loud Phoenix Storm?! It's an honor to meet you guys!

Jake: Hold on, Rachel. How do we know that they're not Controllers?

Marco: Dude, if any Yeerks tried to infest them, then they would've failed badly.

Me: Wait a second. (Gasp) I know you guys. You're the famous Animorphs!

Varie: The famous shapeshifting science-fiction hero teens!

Me: You guys are awesome.

Lana: Oh wow! I love your books "Animorphs". They are so awesome!

Jake: I'm glad we have some fans. I'm Jake, the Leader of the Animorphs.

Rachel (Animorphs): I'm Rachel, the enforcer.

Tobias (As a Hawk): I'm Tobias and I can't change back and I'm the free spirit.

Cassie: I'm Cassie, The animal brains.

Marco: And I'm Marco, the Comic relief.

Me: It's a pleasure.

Lola: What exactly are these Yeerks?

Me: Yeerks. (Gasp) I remember now! They are an ugly race of slug-like parasitic creatures that crawl into a host and goes into their brain and controls it.

Shanan: The Yeerks pose an incredibly dangerous threat to the entire universe.

Jake: That's right and they are the enemy of everyone in the entire universe.

Lincoln: These creatures sound like they're incredibly dangerous.

Shanan: They come from the planet Yeerkus on the very distant edge of the galaxy 95,000 light-years from here. Yeerkus was a swamp planet that was destroyed by a giant rogue comet eons ago and their one goal is to enslave all life in the universe to their will.

Jake: That's right Shanan. The entirety of the universe is at war with them and the Andalites are helping us out.

Me: The Andalites of Andos IV? Amazing.

Nick: What are the Andalites?

Me: They are a race of blue centaur-like aliens. They are friends to many creatures all over the universe.

?: That's right.

We saw an Andalite.

Me: Wow!

Lola: So that's an Andalite.

Ax: That's right. I'm Aximili-Esgarrouth-Isthill. But my friends call me Ax.

Me: It's a pleasure to meet you.

Lori: How is he talking without a mouth?

Me: They only speak telepathically. That's how they communicate.

Lisa: Very fascinating.

Me: So the Yeerks are here and that explains the extraterrestrial brainwave activity that we found here in Corvallis.

Jake: Yes. The Yeerks want to enslave the Human Race.

Me: We can't let that happen.

Cassie: J.D. can you help out Tobias? He can't morph back for some reason.

Me: Let me see here.

I look at Tobias as a hawk and used my light magic to return Tobias to his human form.

Me: There.

Tobias: I'm human again!

Me: I used my magic to revert you back.

Tobias: I owe you one J.D.

Me: You're welcome Tobias.

In Cassie's barn the Animorphs told us what was going on and what the Yeerks are gonna do, where their base of operations is located and more and we were being shown what the Animorph's can do.

Me: Can you show us how you become animals like this?

Rachel: Sure.

Rachel was now in a black leotard.

Leni: O-M-Gosh! That Leotard is totes trending on you Rachel!

Rachel: Thanks Leni.

Nico is blushing like mad as he saw Rachel in her black leotard.

Rachel (Animorphs) (strikes a pose and smirks): Like what you see, Nico?

Nico (blushing): I think you look nice, Rachel. But I already have a girlfriend.

Rachel (laughs): I know. I'm just messing with you!

Me: (Chuckling) Funny.

Nico: Sorry May.

May: It's all right Nico.

Rachel (Animorphs) was demonstrating her morphing abilities. Her shoes strained as she had a look of pain on her face.

Sonia (concerned): Rachel, you don't look so good. You need us to take you to a hospital?

Rachel (Animorphs) (groans): No. No hospital. Just keep watching!

All of a sudden, her shoes ripped off to reveal grizzly bear feet!

Rachel turned into a Grizzly Bear!

Me: Wow! You're now a Grizzly Bear!

Lana: Oh that is so cool!

Rachel (As a Grizzly Bear): Yeah. We can become any animal or any person by touching them.

Me: That is so awesome.

Lincoln: It sure is.

Rachel changed back.

Nico (to Rachel): You're actually ok with us helping you guys kill the Yeerks? I thought for sure that you'd be against it.

Rachel (smirks): Of course not. You know that the Yeerks infested Jake's brother Tom along with Principal Chapman? Of course, there's going to be some stealth missions involved.

Wildrider (laughs): I think you and I are going to get along great!

Me: Okay. First we have to get Tom out of there. Also this is a very identical situation to the movie The Thing. We have shapeshifting aliens here that look like us perfectly and we can't tell who is human.

Wolverine: I think I can help you guys out with this "who's got a case of alien slugs in them" business.

Jake: Tell us what you have in mind.

Wolverine: When I detect one of these freaks, I'll point them out, then you guys knock some sense into them.

Rachel: We'll give it our best.

Me: Good idea Logan. Me and Ben can use our Omnitrix's to mark who's human and who is not.

Nico: Think of our powers as antibodies to combat the Yeerk viruses.

Me: That's a very good way to put it Nico.

Ben: This is also very similar to where me and my friends and family had to fight the DNAliens and the Highbreed.

Gwen T.: That was a terrifying situation.

Me: I'll bet. We have a big day ahead of us tomorrow. Lets get some rest.

Jake: J.D. how are we gonna kill the Yeerks?

Me: We're gonna put them all in a giant jar and through them into the Sun.

Varie: The Sun will obliterate all traces of the Yeerks.

Tobias: That's good thinking.

Me: Thanks.

Suddenly we felt the ground shake and we saw a Dugtrio and a Persian.

Nico: A Dugtrio and a Persian!

My Omnitrix beeped and showed that they have Yeerks in them.

Me: The Yeerks are controlling them.

Nico: I got this.

Nico fired a blast of black and purple lightning and electrocuted them and out of the Dugtrio and Persian came two Yeerks and Lana grabbed the Yeerks. Nico caught the Dugtrio and the Persian.

Lana: I wonder what these little guys taste like.

Lana ate a Yeerk and almost immediately she projectile vomited all over the place.

Me: Oh that is completely disgusting.

Lana: (Vomiting) That was the most foul thing I ever had! I'll just stick with earthworms.

I unsealed a giant jar and put the Yeerks in.

Me: Well, three down and who knows how many to go.

The Animorphs had a nice conversative with the Transformers.

---

Wildrider and Rachel (Animorphs)

---

Rachel (Animorphs): Wildrider how did you get your name?

Wildrider: I'm the wild racer of the Stunticons. I am a Decepticon and I raced wildly all over the place. I always had this nasty habit of running cars off the road and causing mayhem. Until J.D. and his friends set me straight.

Rachel (Animorphs): That is cool. I'm glad he did.

Wildrider: I'm glad he did too.

---

Motormaster and Jake

---

Jake: Hey Motormaster. Why were you so mean on the road?

Motormaster: Well lets just say that my ways of fighting were merciless and brutal. I was often called the King of The Road and I didn't care about many things.

Jake: I see. But I'm glad J.D. and his friends helped you.

Motormaster: I am too Jake.

---

Drag Strip and Marco

---

Marco: Drag Strip how come you want to see Victory to the end?

Drag Strip: Well lets just say that I had some qualities that many sports lovers wouldn't like. Whenever I would fight I would want to see Victory all the way to the end no matter what.

Marco: That's not a pleasant deal.

Drag Strip: No it's not. Good thing J.D. and his friends set me straight.

Marco: Yeah.

---

Breakdown and Cassie

---

Cassie: How come you're always so scared all the time Breakdown?

Breakdown: I can't really help it Cassie. I've always been called the most paranoid of the Stunticons.

Cassie: That's unusual. But fear helps us get over the things we are afraid.

Breakdown: That's true. But things are oftentimes not all that easy.

Cassie: Yeah.

---

Dead End and Tobias and Ax.

---

Tobias: How come you're always so fascinated with doom and death Dead End?

Dead End: I have always been paranoid to some kind of extent Tobias. I can't really help it.

Ax: It's unusual for a Cybertronian.

Dead End: It is but for me it's kind of a way of life. Working for the evil Megatron has made me who I am. But J.D. and his friends saved me from myself.

Ax: I'm glad they did.

---

Now the time has come for the fight. We were walking over to Jake's house to get some answers. We went in and saw Tom working hard on his homework.

Tom: Oh, hey, Jake. Rachel. [the two of them are at the door with angry expressions on their faces along with Wildrider] What can I do for you guys? [they lock the door, making Tom look nervous] Heh-heh, why did you lock the door? [becomes more nervous as they slowly and menacingly approach him] Why do you have that rope? Wait, why is Wildrider of the Stunticons with you guys?! [shot of outside Jake's house where loud crashing and screaming can be heard. Back in the room, Rachel ties Tom to a chair as Motormaster and Venom enter] Jake! Rachel What's going on?! Untie me right now!

Motormaster: Shut up! [slaps Tom]

Tom: Sweet Hamburgers, what the heck is going on?!

Motormaster: I said "shut up!," you parasite! [slaps him again] No offense, Venom.

Venom: None taken.

Wolverine smelled him.

Wolverine: He has a Yeerk in him.

Me: I had a feeling. Nico?

Nico: I'm on it.

Nico fired a blast of lightning and electrocuted him and a Yeerk fell out of his ear. Lana sent it into the jar.

Tom: (Groans) Jake, Rachel. It made me.

Jake: I know Tom. But we're gonna get everyone back to normal.

Me: Tom we're gonna save this town from destruction. Lets go guys. It's time to save this town and the world.

We went into town after untying Tom.

---

We were standing in the middle of town.

Me: This is it guys. Omnitrix, send out an aura energy field around the town to detect who is human and who is not.

My Omnitrix: Affirmative.

I held my Omnitrix up and it fired a powerful energy dome. All the people that were human were glowing in a green energy aura and all the people that were glowing in a red aura were marked as not human.

Nico: Wow! That is so awesome! I got this!

Nico fired Galvatron's Purple Lightning and it electrocuted the people controlled by the Yeerks and the Yeerks left their hosts and fell to the ground. They're hosts had tremendous splitting headaches and Lana and Lisa threw the Yeerks into the jar. Surprisingly they all remembered what they were doing when the Yeerks infected them.

Man 1: (Groaning) Wow! What a headache.

Me: Everyone!

Everyone saw us.

Me: You have to evacuate this city immediately! You're all in terrible danger. Evil aliens have come to enslave the planet and we came to make sure that this never happens.

Everyone believed us and they ran in fear. Taking their cars and belongings with them. Once the town was evacuated we went into the school. We snuck in quietly. Jake was a tiger, Cassie was a wolf, Marco was a gorilla, and Rachel was a bear.

We saw the principal Hedrick Chapman getting soldiers ready with Controllers.

Wolverine: (Sniffs) Those guys all have Yeerks in them.

Me: Lets get them.

Nico snuck in using Randall's invisibility and bashed Yeerk infected people out cold.

We busted in and Nico fired a blast of lightning at them and their Yeerks fell out and Lisa threw them into the jar.

Me: Get out of here guys. This is gonna be rough.

The kids ran.

Principal Chapman: Hey! Those are our soldiers you're assaulting!

Jake (as a tiger): They're not your soldiers! They're human beings.

Wildrider (points gun at Chapman's face): You ain't talking so much now! Not when you've got Team Loud Phoenix Storm on your butt!

Chapman: Go ahead. Show us your true colors, once and for all. Show everyone the monsters that you all are.

Rachel (as a grizzly bear): Just give me the word, I'll slash him apart.

Chapman (to Jake): Why don't you tell grizzly bear here that this is all the spoils of war? Human beings are disposable! What we do here is for the next step of evolution for this planet. Because if we don't do it, somebody else will. Because you cannot stop evolution!

Cassie (as a wolf): EVOLUTION!? THIS IS SLAVERY!

Breakdown (getting close to blasting Chapman): Let me put him out of his misery.

Chapman: Visser Three's Dark Orb granted us the power to match you fools. Making all of you obsolete.

Roxy: The world will know what you're doing here.

Chapman: The world? The world will be ours in about a week. Don't you get it, Animorphs? We don't need you anymore.

Drag Strip: That was cruel.

Jake (defeated): C'mon, guys. We're done. (walks away and out of the building)

Marco (as a gorilla): We're done? We're not gonna kick a little bit of butt?

I ran to Jake and grabbed him by the shirt.

Me: Jake we're not giving up until every single Yeerk on this planet is dead.

Jake: He's already won.

Me: No he hasn't. He's messing around with your head. And I never quit! We never quit!

Jake: You're right J.D.! Lets get him!

Me: With pleasure.

We go back into the gym and confront him.

Me: You will never enslave this planet as long as we have anything to say about it!

Nico fired a blast of dark lightning and the Yeerk he had fell out and Lisa grabbed it and threw it into the jar.

Me: Get out of here Chapman. This is gonna get ugly.

Chapman ran.

Me: We're not done. Lets find the Yeerk Pool.

Rachel lead us to it and we went down into an underground channel and we saw the Yeerk Pool.

Lincoln: I got this.

Lincoln fired a blast of lightning and electrocuted all the Yeerks and fried them and Lisa threw them all in the jar. We then saw Visser Three and he was an evil Andalite!

Visser Three: **Cute trick. But did you really think we wouldn't see it coming?**

Motormaster: It's game over, Visser Three. And your part in this story is now over!

Dead End: You're alone! You can't possibly-

Visser Three: **Oh, I'm not alone. You see, you may have stopped Scorpion, the Xenomorphs, Hobgoblin, Lock Up, Shredder, and the Queen of the Black Puddle. But this Dark Orb has granted me the power to morph into all of them! I only need a fraction of their powers to kill you! And then, I'll free my Yeerks from the prison you call a jar!**

With that, Visser Three morphed into a hybrid monster composed of body parts from Scorpion, the Xenomorphs, Hobgoblin, Lock Up, Shredder, and the Queen of the Black Puddle. He had Scorpion's Tail, Hobgoblin's arms and pumpkin bombs, Lockup's legs and gadgets and he had the Xenomorph Queen's head, Shredder's Blades and the Queen of The Black Puddle's hair and water powers. He was a truly ugly and wicked combination.

Me: That is really ugly!

Francesca: No kidding.

Laney: This is gonna be really ugly!

Motormaster: Stunticons! Merge into Menasor!

They did so.

Me: Lets power up!

We did so and flared up our auras and transformed.

Me: Visser Three, you lack the one thing that we humans have that you don't.

Visser Three: **And what is that?**

Me: You lack humanity and are nothing more than a genocidal psychopath hellbent on destroying the entire universe.

Nico: Visser Three, you have failed this universe! (uses Doc Ock's tentacles to strike him) And this is one ability you didn't copy from the Dark Orb!

The tentacles slammed into him and I kicked him in the face at a blazing speed. I snapped my fingers and the area turned into a mountainous planet. We were on the planet Glaren.

Me: I beamed us all to the planet Glaren to avoid having people get hurt.

Nico: Good idea.

Vince: Lets get him!

We all went at him and punched him all over the place. I grabbed the dark orb and crushed it and got an immense power boost. Visser Three returned to his Andalite form.

Me: Now that's better.

Me and Ben scanned him with our Omnitrix's and got a lot of samples of DNA.

My Omnitrix: 15,253 unknown DNA samples acquired. Scan complete.

Me: 15,253!? That's incredible!

Ben: It sure is.

Visser Three: Lets see you face one of them!

Visser Three turned into a dragonic creature with a bipedal appearance and it can use its hands as legs and it's hair was also its tail. It had a glowing neck and a flame in its right arm and it was orange in color and had glowing yellow eyes.

Shanan: That's a Zaidenian Inferno Beast!

Lola: What planet are they from?

Shanan: They come from the planet Zaid and the planet is the closest to it's parent star. They feed off of fire in the erupting volcanoes of the planet and it makes them stronger.

Lana: That thing is ugly!

Me: It sure is. But you are not the only one who can morph Visser Three!

I use my shapeshifting powers and turned into the CLOUD B4 CARRIER! I appeared as a towering monstrosity. From the middle and lower part I had several tentacles. From the top I had multiple arachnid-like legs and a fanged, gap-like mouth at the center.

Lana: That is so awesome!

Lincoln: It sure is.

Rachel turned into a Lion and slashed the Inferno Beast and I slammed my ugly head into the ugly beast. Lana fired a blast of ice at it and froze its hands.

Visser Three changed again. This time it was an ugly tree-like creature with numerous tentacles and a mouth in the middle with blue lips and razor sharp teeth.

Shanan: That's a Lernean Lerdethak from the planet Xairum IX!

Lola: That thing is really ugly!

Kate L.: It sure is.

Laney: I never even knew he can become creatures like this.

Lynn: Me neither. Lets get him Wheeljack!

Wheeljack: You got it Lynn!

Lynn fired a blast of lava and Wheeljack fired lasers. They burned Visser Three badly.

Lynn: It's combo time!

Wheeljack: You got it Lynn.

Lynn fired a massive wave of lava and Wheeljack fired lasers.

Lynn and Wheeljack: VOLCANIC LAVA STARSTORM!

The blasts combined and turned into a barrage of meteors that rained down on Visser Three and they exploded and burned him. Visser Three then jumped into the air and a Pterodactyl creature with razor sharp claws and porcupine-like quills and a serrated beak.

Shanan: That's a Cereyan Porcudactyl from the planet Cereya.

Luan: It sure is Spiny. (Laughs) Get it? But seriously that is one ugly creature.

Shanan: These creatures are extremely ferocious and they attack anything in sight with infrared vision.

Lana: That is awesome!

I changed back and flew into the air and Blitzwing was in his fighter jet mode. Lori and her children flew with us.

Me: You are even uglier than before.

Blitzwing: He sure is.

I fired blasts of wind and Lori fired blasts of wind at him.

Lori: Lets use our combo.

Me: Right Lori!

Me and Lori fired huge blasts of wind.

Me and Lori: HURRICANE RAZORSTORM SHRED!

The blasts of wind combined and turned into a deadly tornado of powerful razor sharp wind.

Visser Three fell to the ground and he turned into a floating yellow eyeball with a star-shape pupil and multiple tentacle eyelashes.

Shanan: That's an Optoiran from the planet Optus V.

Lola: Ew! That is an ugly eyeball!

Lucy: Wicked.

Blitzwing flew at Visser Three and Cheetah ran fast.

Blitzwing and Cheetah: SUPERSONIC CHEETAH SLASHSMASH!

They ran and flew at a blazing speed and slashed and smashed Visser Three and sent him flying. He then turned into a Stealth Plane-like alien with 24 eyes and a mouth full of razor-sharp teeth and a snake tongue.

Shanan: That's an Avian Spirtexan from the planet Spirtex!

Lana: It looks like a stealth bomber plane.

Laney: It sure does look like one.

Shanan: That's what they're supposed to look like. They are often called Living Stealth Bombers.

Lola: That is interesting.

Lily: It sure is.

I flew at Visser Three at a blazing speed and punched him in the back and sent him crashing into the ground. Visser Three then turned into a purple snake-like leech creature.

Shanan: That's a Vanarx!

Lisa: Fascinating specimen.

Shanan: It's a relative of the Yeerk and is often called the Yeerkbane because it eats Yeerks.

Lana: That is disgusting.

Menasor slashed Vissor Three and then he turned into his most powerful alien form. He turned into a giant 8-headed, 8-legged, 8-armed dragonic creature and it was roaring viciously.

Shanan: That's a Pyronian Hydraxan from the planet Xexta!

Lana: That thing is ugly!

Lola: And it sure is scary!

Luna: Dude! That is really ugly!

Sam S.L.: It sure is dudes!

Shanan: It's a cousin of the Zaidenian Inferno Beast and they are much more ferocious and much more deadlier than their Zaidenian cousins.

Menasor turned back into the 5 Stunticons.

Motormaster: It's combo time!

Rachel: You got it.

Motormaster turned into a Semi-Truck and Rachel turned into a Cheetah.

Motormaster and Rachel: SEMI-TRUCK CHEETAH RAMMER!

They were enveloped in an aura and slammed into Visser Three with incredible force.

Lola and Sam S.L. fired powerful blasts of fire and Visser Three fired blasts of fire and the blasts collided.

Drag Strip turned into his car form and Marco turned into a Gorilla.

Drag Strip and Marco: GORILLA RAMMER SLAM!

Marco and Drag Strip slammed into Visser Three with incredible force and knocked him down.

Breakdown turned into his car form and Cassie turned into a Wolf.

Cassie and Breakdown: WOLFPACK SLAM SLASH!

Cassie and Breakdown went at Visser Three and slammed into him with devastating force and slashed him as well.

Wildrider: Our turn.

Jake turned into a tiger and Wildrider turned into his car form and they went at Visser Three.

Wildrider and Jake: TIGER SLAM CRASH!

They went at Visser Three and slammed into him with devastating force.

Dead End: Our turn.

Dead End turn into a car and Tobias turned into a hawk and Ax charged.

Dead End, Tobias and Ax: HAWKCHARGE RAM!

They rammed Visser Three with incredible force.

Motormaster: Lets get him Jake!

They charged at Visser Three.

Motormaster and Jake: TIGER SEMITRUCK SLAM!

Jake and Motormaster slammed into Visser Three with incredible force.

Sonia, Rocky and Kathy changed into their monster forms and pulverized the living crud out of Visser Three.

Miranda: It's Final Smash Time. I'll start! CANDRAKAR SPIDERSLAM!

Miranda turned into her Spider Form and slammed into Visser Three with devastating force.

Roxy: My turn. ANIMAL KINGDOM WAVEFRONT!

Roxy fired a huge blast of energy and it had animal paw prints and animals in it and it hit Visser Three and exploded.

Me: Now it's time for the grand finale. Animorph's lets get him!

I charged up a Kamehameha Wave.

Me and the Animorphs: ANIMAL KINGDOM KAMEHAMEHA!

The Animorphs fired lasers in the shapes of animals from the Animal Kingdom and I fired a Kamehameha Wave and the lasers combined with it and the sounds of animals was heard all over the blast.

Me: THIS IS OUR UNIVERSE VISSER THREE AND YOU ARE NEVER GONNA BE WELCOME HERE! GO TO HELL AND STAY THERE!

The blast enveloped Visser Three and completely obliterated him in an instant. There was nothing left of him. Not even an atom remained.

We powered down and we were back in the Yeerk Pool.

Me: It's over guys. Visser Three is dead.

Then Visser Three's spirit appeared.

Ax (to Visser Three's spirit): Now, you will be the one helpless as you are trapped in a prison you cannot escape from!

Nicole: And that prison is the Book of Vile Darkness. (Chants an Incantation) ALDRUON ENLENTHRANEL VOSOLEN LIRUS-NOR!

Visser Three's Spirit was sucked into the book and was sealed into it for all eternity.

We had won and saved the entire universe from a horrible fate considered to be worse than death.

Lana: It's bad enough that these Yeerks tried to take over the Earth before. But now they don't even taste good!

Ed: No kidding! I mean, Beast Man might have had fur but at least he was tasty!

Me: I know just the place for all of them.

I gathered them all together in the jar and took it into space.

Me: Into the fires of the Sun with the lot of you.

I hurled the jar with all the Yeerks in it into the Sun and it was vaporized instantly.

Me: Go to Hell Yeerks. That was for causing all kinds of trouble all over the universe.

Nico: Yeerks you have failed this universe!

The world was now free of the Yeerks and we saved many planets all over the universe from their evil rule.

Back at the estate we were resting. I was looking at the aliens that me and Ben acquired and we saw numerous aliens. Some of which we have never even encountered in our travels across the galaxy. But we saved the whole Universe. The Animorphs were now living in the estate and they were now transferred to Gotham Royal York High School. Everyone now knows all about their abilities and how they thought it was all so awesome!

FLASHBACK ENDS

When I was done everyone that hadn't heard about it was shocked and horrified!

Camie: That is terrible!

Arrietty: That is awful! A universe without free will is the ultimate fate worse than death!

Yu Takeyama: Yeah no kidding! That is bad.

Ant Man: That was awful.

Lana: But those Yeerks tasted REALLY HORRIBLE! YUCK!

Nico: They're like the Fold.

Me: Yeah they sure were. But except on a much larger and bigger grand scale.

Nico: Yeah that's true.

Arrietty: How many aliens could these ugly creatures turn into?

Ax: There was a lot of them.

Me: My Omnitrix found out that they had over 15,000 Aliens woven into them.

Kaoruko; 15,000 Aliens!?

Eli: Yeah that was nuts!

Nico: But we saw that Agent Alpha of Men In Black had over 12,000 aliens integrated into him.

Me: That's nothing. You should have seen how many was woven into the Thing. It have over 10,000,000 aliens in it.

Laney: That was horrifying.

Camie: The Thing and Agent Alpha are both crimes against nature! That is awful.

Nico: Not to mention that Visser Three turned into an amalgam of villains that we fought in 2018.

Me: That's true. But I wasn't fooled by it one bit. I sensed they were not of this world.

Nico: That was awesome.

Eli: Smart thinking.

Arrietty: But it was so awesome that you guys destroyed the Yeerks forever.

Kaoruko: How did you get rid of them?

Me: We put them into a jar and threw them into the Sun.

Kaoruko: Very cool.

Sirius: Thank goodness.

Nico: The Stunticons also formed into G1 Menasor to help out in that battle too.

Me: They sure did and it was awesome.

Laney: But the scariest sight was seeing the aliens they turned into.

Me: Yeah. Also Tobias was stuck as a bird and I used my magic to revert him back.

Lana: He was stuck like that somehow.

Laney: Yeah.

Ax: Because he was in his bird morph for more then 2 hours. Before you all met us, he had a hard time having a normal life since then.

Me: That explains it.

Nico: Yeah.

Lola: But still at least we're rid of the Yeerks forever.

Nico: Lets not forget that we also discovered that Shanan can identify all the countless species in the universe out there.

Lily: She sure can.

Yu Takeyama: That is amazing! How can she do that?

Me: She's a walking universe encyclopedia. She knows all about every single lifeform there is all over the universe. She knows what kind of creature they are and what planet they come from.

Nico: Yep.

Kaoruko: That is really amazing.

Ochaco: I think it sure is awesome.

Himiko Toga: She is working on this really huge book in her room about the creatures of the universe.

Laney: I heard that she only is on page 2.

Nico: Wow! She has a really long way to go.

We arrived at the New York City Dairy Factory.

Nico: Here we are.

Me: Yep.

We went into the Dairy Factory and we saw a lot of milk, cheese and more being made.

Laney: Wow!

Me: Look at all this milk, cheese and dairy.

Nico: Wow. I can't imagine how much is produced here too.

Ax: It sure is amazing.

Camie: I agree.

Aylene C.: It's amazing how much milk, cheese and yogurt we eat and drink.

Nico: It makes ice cream too.

Me: Yeah forgot that.

Nico: No worries.

Maria: Boy this place is not for those that are lactose intolerant.

Arrietty: That's true.

Maria: Yep. Nico after this what Gene-slammer are you hoping to go for next?

Nico: I'm hoping to do one for Vicetopus's kind next.

Me: One for Brainstorm's natural predator. Good choice.

Nico: Thanks so it'll be a lightning user that goes with me next.

Llincoln: Cool. But Arrietty how are we going to find some of your Borrower brethren in this place?

Arrietty: Good question.

Eli: Let me see. (Concentrates)

He used the Force to find them and he pointed to a corner.

Eli: That way.

Nico: Anyone there?

Eli: Nico shh. Look.

We saw OCIOUS P. POTTER!

---

Ocious P. Potter is the main antagonist of the 1997 film adaptation of The Borrowers. He is an arrogant, greedy and evil real estate lawyer who wants to destroy the Lender family's house and build luxury apartments in its place.

He was portrayed by John Goodman, who also played Big Dan Teague from O Brother Where Art Thou, Chuck Long from Evan Almighty, Bones Darley from Death Sentence, Marshall from The Hangover, Howard Stambler from 10 Cloverfield Lane, and Layton T. Montgomery from Bee Movie.

Potter started out as the lawyer of the Lenders, who have inherited a house from Mrs. Lender's aunt Mrs. Allabaster. When the property lease is being called into question whether the Lenders own the house or not, they stated that Mrs. Allabaster wrote a will that will prove their ownership. However, Mr. Potter seemingly states that he can't find the will and has already made plans to demolish their house in order to build condominiums on the land, and the Lenders have until Saturday to move away.

As Saturday hits by, the Lenders have moved away and Potter arrives at the empty house. It later turns out that Mrs. Allabaster never trusted banks and has hidden the will inside the house for her descendants to find, something which Potter deliberately kept from his clients. As soon as he finds the will (detailing the rightful ownership to the Lenders), Potter calls in City Hall to call in the demolition of the house. He then intends to burn the will, but Arrietty Clock (the protagonist of the film) and her brother Peagreen, two tiny people known as 'Borrowers' as they borrow stuff without being seen, recover the will, intending to save the house for both their family and the Lenders. Upon seeing the Clocks' underground home and believing that the house is infested, Potter calls in the local exterminator Jeff, who spays acidic foam into the wall, but Arietty and Peagreen escape from it. An impatient Potter asks Jeff how long will his job take, which startles Jeff so much he accidentally sprays foam in Potter's face and he screams in pain as it boils and bubbles on him. Jeff quickly removes the foam off Potter's face-though Potter loses his mustache in the process and his face is now left sunburnt red.

Potter then finds Arietty and Peagreen in the walls of the house and swings a hammer at the wall. Peagreen gets stuck on the claw of the hammer and is pulled out from the wall and flung across the room. He lands on a hanging light bulb and Potter tries to get him but can't reach. Potter swings the hammer at the lightbulb just as

Peagreen manages to escape-leaving Potter electrocuted with his hair sticking straight up. He falls to the floor, and the hammer falls and hits him on the head.

Later, Potter demands Jeff to find the Borrowers, or "make him never work in this town again." Jeff introduces his secret weapon-his bloodhound Mr. Smelly to sniff Peagreen's jacket and track down the scent to a milk factory, where Peagreen is stuck inside a milk bottle after a certain mishap.

During the way, they occasionally bump into the local police officer Oliver Steady, who starts to question Potter's actions regarding the Lender house. Around the same time, Jeff starts to question Potter's intention of killing the Borrowers after seeing how capable they are, resulting Potter to break off with him just as he is doused with liquid cheese by Arrietty and another Borrower named Spud Spiller. As soon as Peagreen is saved by his family, Potter finally arrives at the scene, steals the will, and straps the five Borrowers to the cheese machine, intending to drown them into liquid cheese as revenge for humiliating him. Spiller then insults Potter to the point where Potter dumps him into another machine, apparently killing him. Potter then heads over to City Hall to call for demolition, but not before he taunts the Lenders' son Pete (who is a close friend of the Borrowers) that the Clock family are about to be drowned in cheese.

As soon as Potter leaves for City Hall, Pete saves the Borrowers from being drowned by liquid cheese, and they head over to City Hall (with help from Jeff, who lends in his van to drive Pete there). As soon as Potter reaches City Hall, he is briefly stalled by the receptionist, who gives him confusing directions to the demolition area in response to his rude behavior. Just as he finally reaches the room, Jeff and Pete arrive to stop him. Potter responds by sending them down the elevator before going into the room, only to find out that it's just a stock room (Jeff has deliberately misplaced the 'Demolition' sign on the front of the door) where the Borrowers trap Potter with Sellotape. Out of rage, Potter breaks away from the tape and traps the Borrowers, intending to suck them up in a vacuum. However, Spud (apparently having escaped the machine) arrives to the rescue by bringing an entire army of Borrowers who arrive to trap Potter by using wires and the ceiling fan. Arriety's father Pod then delivers a speech to Potter on behalf of the Borrowers, right before they leave as soon as the door opens. Pete, Jeff, and Officer Steady have arrived at the scene, where Pete recovers the will and shows it to Steady, proving Potter's deceit and his plan to cheat the Lenders out of their house. Having gone crazy about the Borrowers, Potter tries to explain his story, but an unconvinced Steady arrests him for fraud and theft.

With Potter's plans exposed, the Lenders moved back to their house while Pete remains friends with the Borrowers while keeping their existence as a secret. It is also implied that the Lenders are likely to sue Potter for deceit and fraud that he committed against them.

During the end credits, Potter is being seen at the police station trying to explain the existence of the Borrowers, only to be laughed uproariously at by Steady, the entire police force and even the convicts. The film closes with Potter's mugshots being taken, though he actually seems to enjoy it as if he were at a photography studio (most likely due to his sanity slipping from all he's been through). It can be implied afterward that Potter himself is disbarred from his job, and sentenced to either prison or a mental asylum for his crimes against the Lenders and Borrowers.

Nico: Ocious P. Potter?

Eli: Not him again.

Little Arrietty 1997: Don't you dare call us thieves! We don't steal we borrow.

Ocious P. Potter: Well you won't mind if I borrow this.

Nico: HEY!

Nico went up to him.

Nico: How about you pick on someone your own size fatso!?

Ocious P. Potter: You're not stopping me this time!

Me: Oh yes we are! Now you better back away from our Borrower Friends before I rip your spine out and use it to scratch my back!

Ocious P. Potter: Empty threat J.D.

Me: Oh yeah?

POW!

I punched him in the face and knocked him into a cheese machine. SCALDING HOT MOLTEN CHEESE POURED ONTO HIM AND BURNED HIS FACE AND BOY DID IT HURT LIKE A SON OF A BITCH AS HE SCREAMED IN PAIN!

Nico: Think I can lick the cheese off him?

Me: Nico to quote Exile (Russian Accent) "Don't be a weird boy."

Laney: Save that for May.

Nico: Yeah you're right. Sorry.

Lana: Nice try though.

Arrietty got the little version of her and her family up.

Little Arrietty 1997: Are you?

Arrietty: That's right. I am you but different. It's a long story.

Pod Clock: That is amazing that you have become human bean size.

Arrietty: It's part of a power I have now. It's amazing.

Peagreen: I hope you take care of that monster.

Arrietty: Don't worry we will.

Then Potter got up.

Arrietty: Uh oh.

Arrietty formed a basket fanny pack and she put the Borrowers into it.

Arrietty: You'll be safe in here with us while the fight goes on.

Peagreen: Thank you big version of sis.

Arrietty: You're welcome.

Nico: Now it's time for a buttkicking!

Me: Lets get this fat freak!

Nico: Well, I can't lick the cheese off you. So, I'll just settle for kicking your ass!

Nico then kicked him in the stomach and then I punched him in the face!

KROW! SMASH BIFF!

Arrietty then did a drop kick on him and smashed his face in!

SMASH!

Ocious P. Potter screamed in pain from the blow!

Laney: YEAH! Try this!

Laney dealt a deadly roundhouse kick and knocked out some of his teeth.

Ax then bucked him!

KRACLANG!

He was sent flying and he fell right into a vat full of quick drying cement.

He got out and hardened and his mouth and eyes were exposed.

Ocious P. Potter: (Grunts) GET ME OUT OF THIS THING!

Me: Now this is what I call a masterpiece.

Laney: It's a gorgeous work of art.

Ax: And in the most awesome place too.

Lana: The trash!

We laughed!

Ocious P. Potter: Everybody is a comedian in this city.

Then we saw a Borrower that looked like Arrietty pop out on the statue Potter's shoulder and she put a dynamite stick into his mouth and lit the fuse.

Borrower: Time to blow you sky high.

Me: Fire in the hole!

The borrower and us ducked for cover and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion blasted Potter out and he was covered in soot and ash.

Borrower: That was awesome.

Nico: That voice. Ariana Montenegro?

Ariana Montenegro: Nico? Wow you sure look awesome.

Ariana reverted back to her normal size.

Arrietty: Wow you look so much like me.

Ariana Montenegro: That is so awesome.

Yu Takeyama: It sure is.

Potter wasn't done yet.

Nico: Time to finish this off!

Me: I'm going to gouge your eyes out and shove them so far up your butt that you'll see the inside of your ass!

Potter went at us and I kicked him in the stomach! Nico then saw me really go at him. Nico and everyone watches me hitting Potter all over and then twisting him around like a top. When I let go of him, he unwinds and I then drill him with a flurry of kicks. I then had Nico then grab a block of cement and I grab Potter him by the head, stopping his upper body from spinning, and have his legs whirl like helicopter blades. He is picked up and used against the concrete block like a high-speed flail. Which breaks his legs like toothpicks. I threw the cement block into the air and pound Potter all over. The other girls and the team sit on the sidelines of the fight, watching, and Camie files her nails while doing so. When the airborne block comes down, I kick it into Potter's head and give him a nasty concussion. Then I pick Potter up, swings him in a circle, and punched him really hard and knocks him into the police station jail. Inside his cell, Ocious P. Potter cries like a little baby!

Everyone cheered wildly for me.

Camie: YAY! All right J.D.!

Kaoruko: He sure kicked his ass!

Nico: All say!

Eli: Nice job bro.

Me: (Blows on fist) (To the viewers) Don't try any of that at home kids.

Nico: That is for sure.

Me: Believe it or not I did the same thing to some robbers after school on the day you moved in Nico.

Nico: Wow!

Ax: (To Ariana) So what's your favorite memory of Nico?

Ariana Montenegro: I have a lot of them but my favorite is in history and on some of my explorations. Me and Nico one time found a long forgotten temple in the jungles of Cameroon and we saw a really awesome and ancient ruby book. It was called the Ruby Book of Adroa.

Me: That's the God of Death in Africa Myth.

Ariana Montenegro: Yep. We turned it over to a museum for display.

Me: Cool.

Nico: That was awesome.

Ariana Montenegro: It sure was.

Nico and Ariana hugged.

Nico: I really missed you.

Ariana Montenegro: Me too Nico. Me too.

Me: But at least we kicked Potter's butt.

Eli: Yeah we sure did.

Nico: Yep.

Me: That was awesome though.

Nico: We can still get some cheese before you go home.

Eli: I saw a room full of cheese wheels. (Points to it) There.

We went and got tons of cheese wheels and later went home.

Lincoln: Wow, we're here on a planet made of red licorice, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we've got word that Black John Licorice has returned yet again from the dead for revenge on us.

Me: That's right, big guy. That undead black licorice pirate refuses to stay dead, well, this is the last time we ever have to deal with him.

Nico: Big time, and we also got word that The Arcana Force XV - The Fiend Gene-Slammer is also here as well.

Lincoln: And there's only one person I know who'd be the Gene-Slammer for the Arcana Force XV - The Fiend, it's Sophia Starron.

Sylvia Starron: That's right, I have powers of light, and my twin sister has the powers of darkness, since she's a goth girl.

Lincoln: It'll be good to see her again, and thanks for joining us, Optimus.

Optimus: You're welcome, Lincoln.

Catherine Iroh: Oh wow! This is so awesome! I've mentioned during my battle that I would love to see a planet made of Red Licorice. This is amazing!

Me: Wow! It sure is. And that is the best kind of licorice. But not black licorice. I HATE BLACK LICORICE!

?: HELP!

Suddenly, Lincoln heard the sound of eleven girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his

Third Eye, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eleven girls, but they've been cornered by Black John Licorice and his undead black licorice crew, and they're going to kill them.

Lincoln: Guys, I found the eleven girls, but they've been cornered by Black John Licorice and his undead black licorice crew, and they're going to kill them.

?: Those undead black licorice fiends, let's get them.

Suddenly, we saw Arcana Force XV - The Fiend appear before us.

Nico: Whoa, so that's Arcana Force XV - The Fiend, wicked.

Lincoln: And there's no mistaking that voice from anywhere, I knew it was you, Sophia Starron, but we'll have to talk later, we've got a bunch of black licorice pirates to get rid of.

We rushed on over, and Lincoln fired powerful rainbow energy balls at Black John Licorice's crew, and they exploded and were obliterated forever, and they also hit Black John Licorice, and that allowed the eleven girls to get to safety. When Black John Licorice saw us, he was enraged, but we weren't too pleased to see him again.

Lincoln: You don't even know when to stay dead, do you, Black John Licorice? Well, this time, you are heading straight for prison, but it'll be in a special jail where you will never reform again.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, Optimus, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Black John Licorice, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they exploded with incredible power as they hit him.

Then, Lincoln punched Black John Licorice so hard with his immense and brute superhuman strength, Black John Licorice exploded into pieces, and Lincoln beamed him to a special jail cell in the Uranus Prison, where it neutralized the effects of the curse, and prevented him from reforming again. We all cheered wildly, as we holster our weapons and power down.

Lincoln: Now, that's the last time we ever deal with Black John Licorice. (To Sophia Starron) And it's so good to see you again, Sophia Starron.

Sophia Starron reverted back to normal, and she's a beautiful 17-year-old girl with long flowing black hair, red eyes, she's tall at 6'5" in height, she has the body of a goddess, she has the kanji for Fiend emblazoned on her forehead, she has massive pitch black angel wings, and she reigned in the power Arcana Force XV - The Fiend, and she's dressed in a red sleeveless blouse, red sleeveless dress top, black skirt, black pants with red designs, red sneakers, and red and black sleeveless trenchcoat with darkness on the coattails, and Arcana Force XV - The Fiend on the back, and holstered on her back is a large and incredibly powerful scythe of darkness.

Sophia Starron: You too, Lincoln, it's been a long time, and it's good to see you too, Sylvia.

Sylvia Starron: You too, Sophia.

Lincoln went up to Sophia Starron and they hugged, and Sophia Starron's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Sophia Starron: I knew you have, but whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Sophia Starron, she's Sylvia's twin sister, she's a goth girl, a true angel of darkness, and she's also a mindwalker with psychic and clairvoyant powers and she also has the ability to see into the future and has the powers of darkness, and as we saw, she has pitch black angel wings, an incredibly powerful scythe of darkness holstered on her back, and has the Kanji for Fiend emblazoned in the middle of her forehead. She's also one of my Guardian Angels from Michigan and she saved me from a bomb that was thrown at me, Lucy, Lana and Laney by Scoots.

Nico: Whoa, we're so going to enjoy hearing about this later on.

Lincoln: Trust me, you'll love it, and Hailey Timaeus' parents are coming over today so we can meet them, and Hailey has a really dark secret that she and her parents knew about and she told me and the rest of my sisters except for Lisa, thanks to the eye incident.

Suddenly, a Thunderbird of Eternal Love appeared around Sophia

Starron's neck with red gems on the gold thunderbolt links and black crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Sophia Starron: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Sophia.

Sophia Starron had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her, and he leaned down and kissed Sophia Starron on the lips, and they returned it, and we cheered for them. Then, we went up to the eleven girls, and when Lincoln saw them, he immediately recognized them. The eleven girls are Kazuma Eri and Morita Miki from Wannabes, Cindy Shahani, Hou Reika, and Mitsurugi Hina from Dangaizer 3, Amy, Bellows, Mayta, Melty, Ridget, and Saaya from Gargantia on the Verdurous Planet.

Lincoln: Oh wow, it's Kazuma Eri, Morita Miki, Cindy Shahani, Hou Reika, Mitsurugi Hina, Amy, Bellows, Mayta, Melty, Ridget, and Saaya.

Nico: From Wannabes, Dangaizer 3, and Gargantia on the Verdurous Planet, awesome.

Lincoln: Are you girls okay?

Kazuma Eri: Yes, we're okay, thanks to you.

Then, when Kazuma Eri and the other ten girls saw who it was that saved them from Black John Licorice, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Kazuma Eri: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made ten clones of himself, and he and the ten clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Kazuma Eri: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eleven Thunderbird Necklaces of Eternal Love appeared on the necks of Kazuma Eri, Morita Miki, Cindy Shahani, Hou Reika, Mitsurugi Hina, Amy, Bellows, Mayta, Melty, Ridget, and Saaya with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and they were shocked when they found out that the villain we went after was Black John Licorice, who's returned from the dead yet again to get revenge on us.

But, when Lincoln showed what he did in busting him into pieces and sending him to a special cell in the Uranus Prison which neutralized the curse that constantly causes him to reform and resurrect from the dead, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Sophia Starron have a lot of catching up to do, now that she's back in town, and now, we're finally rid of Black John Licorice, and he's never coming back from the dead again, and Lincoln brought some red licorice from the planet to share with all of us.

---

After putting a stop to Black John Licorice and this time for good, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Sophia Starron aw Lincoln working out like crazy, she had an atomic red blush on her face.

And with us was Hailey Timaeus' parents, her mom, Helen Timaeus, a 34-year-old woman with short neck-length blue hair and blue eyes like her daughter, fair skin, she's tall at 5'11" in height, she had the body of a goddess, and dressed in a sleeveless white dress top, blue pants, and blue sneakers, and Hailey's dad, Johnathan Timaeus, a 35-year-old man with short brown hair and hazel brown eyes, tanned skin, he's tall at 7'1" in height, he had massive and powerful upper and lower body muscles and eight-pack abs, and he's dressed in a large red short-sleeved shirt, long black pants, and black boots.

Sophia Starron: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sophia, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sophia Starron: That's incredible.

Nico: It sure is.

Lincoln: And it's so good to see you again, Mr. and Mrs. Timaeus.

Helen Timaeus: You too, Lincoln.

Johnathan Timaeus: It sure has been a long time, you've grown a lot from the little 11-year-old kid into this strong and powerful 17-year-old man, and I'm glad that my daughter's gotten together with you, we always knew she had feelings for you, and we're so glad you're still together with her, even after what happened to her.

Lincoln: That's right, Mr. Timaeus, and Lisa's been rid of her dark side since last year.

Nico: That's right. So, Sophia, how did you save Lincoln, Lucy, Lana, and Laney from a bomb that was thrown at them by Scoots?

Sophia Starron: You're going to love hearing about this. One day, I was walking home with Lincoln, Lucy, Lana, and Laney after a day at Gus' Games and Grub, but then, I had a vision and I saw who it was that's in the vision: it was that crazy, scooter-driving, troublemaking, heckling old bat, Scoots, and she had a bomb that she was going to throw at Lincoln, Lucy, Lana, and Laney and kill them. But, I wasn't going to let that old bat do that, so I unholstered my scythe from my back, and as soon as I saw the bomb heading for Lincoln, Lucy, Lana, and Laney, I cut open a portal with my scythe, and once the bomb fell into it, I opened up another portal, and the bomb landed on Scoots' scooter, and as soon as it exploded, it sent Scoots flying right back to Sunset Canyon, and Varie put her back into a straitjacket and threw Scoots back in the Lansing Maximum Security Insane Asylum, this time, she was put into a padded cell, where she'd never escape.

We all cheered wildly for what Sophia Starron did in saving Lincoln, Laney, Lucy, and Lana from Scoots. But, we were really mad that Scoots tried to kill Lincoln, Laney, Lucy, and Lana with bombs.

Nico: That stupid, pinheaded, scooter-driving, troublemaking, crazy old shrew! Now, she's gone too far.

Lincoln: In fact, I've got just the thing to punish her.

Lincoln put the heavy barbell on the rack, and he aimed his left hand and sensed for Scoots.

Lincoln: This is for trying to kill me, Laney, Lucy, and Lana with that bomb, Scoots. CHILI PEPPER BARRAGE!

Lincoln fired a barrage of chili peppers from his large left hand, and they were sent flying right at Scoots, and as soon as they stuffed Scoots' mouth, she was screaming in pain as she belched and farted out fire like crazy.

Nico: Hey, that's the move I used on the Griffins when I first moved here, and when I first met May. Awesome job, big guy.

Lincoln: Thanks, Nico.

Me: (Laughs) That'll serve her right.

Then, Lincoln went back to working out with the rest of us.

Lincoln: Now, there's a reason why Mr. and Mrs. Timaeus have come here to the World Tree Estate, you see, Hailey has a really dark secret that only she and her parents have known throughout their lives, and me, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lily, and Mom and Dad know about it from them, except for Lisa, thanks to the eye incident.

Hailey Timaeus: Lincoln's right, you see, I've loved my family with all my heart and they also loved me with all their hearts as well, except for three people in my family.

Hailey Timaeus took out three prison mugshots of three tall and muscular boys with the same color hair as their dad, but they have mean scowls on their faces.

Nico: Whoa, who the heck are these guys?

Hailey Timaeus: These are my ex-older brothers, Nico. The first older brother is Joshua Timaeus, he's the leader of the group, the second older brother is Drake Timaeus, and the third older brother is Noah Timaeus, they're known as The Timaeus Boys, or as I like to call them muttonheaded morons and sister haters. Growing up, those three have done all they can to try and make my life miserable, but as I started getting praise for what I did in saving Lincoln from Lisa's wrath, and losing my eye in the process, they went from trying to make my life miserable to trying to kill me.

Every time, they've tried to kill me with either trying to beat me and they thought they were bigger and stronger thanks to going to the gym all the time they had one over me, but I was skilled with strategy and smarts and I outthought those morons, since they used brawn instead of brains. Then, when their biggest attempt to kill me in school resulted in them getting exposed to the entire school district, they were eventually expelled by Principal Rivers. But, they were unaware that I recorded all of their constant attempts to try and kill me, and when I showed it to my parents, they were furious at them. Dad dragged all three of them into the room since he was bigger and stronger than them, and he and Mom called the cops, and the morons were sent to prison. I since cut my ties with them for all their attempts to try and humiliate or kill me, and I'm proud to say I haven't forgiven them ever since.

Me: Jeez.

Nico: I'm sorry to say this, but those three older brothers of yours are real jerks, Hailey.

Lincoln: They think that just because they're bigger and stronger they can bully others for their own amusement, they're wrong. Look at what happened to Pablo, Anderson, and any bully we've met in the past.

Me: Yep, they wound up becoming jailbirds. But, there could be a chance they could break out, and get revenge on Hailey.

Lincoln: That's not going to happen, J.D. If they hurt one hair on Hailey's head, I'm going to flatten those muscle-headed morons and smash them into the ground.

Johnathan Timaeus: (Laughs) And wait until they see you again, Lincoln, they're bound to get quite the shock of their lives.

Nico: Big time, and we'll film the whole thing for you and Mrs. Timaeus to see it, Mr. Timaeus, that is if you still…

Helen Timaeus: No, Nico, like Hailey, we've cut our ties with those three long ago after we had them sent to prison.

Me: That's good, what they tried to do in trying to torment or kill Hailey has proved that they've gone too far.

We then got a shower afterwards, and then, Lincoln and his harem are heading to Everbay Coast in Kirby's world.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered, in case of trouble, and Lincoln's harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble.

Lincoln: Alright, ladies, shall we?

Hailey Timaeus: Of course, Linky.

Lincoln and and his harem headed for Everbay Coast, and when they arrived, it consists of five main stages, Abandoned Beach, Concrete Isles, Scale the Cement Summit, Fast-Flowing Waterworks, and The Tropical Terror and eight Treasure Road stages.

Hailey Timaeus: Whoa, is this Everbay Coast?

Lincoln: That's right, Hailey, and it's perfect for our date and exploration. Shall we?

Then, Lincoln and his harem dived right into the water, and they explore the islands, rivers, beaches, oceans. Then, when they got to the surface, Lincoln got a deep tissue massage from the girls in his harem, and he returned the favor and he gave the girls a deep tissue massage in return. Then, they had lunch that Lincoln packed, and they sat in a picnic area that Lincoln made, and they travelled through the eight treasure routes, and they found eight treasure chests at the end of those routes, and they put them into scrolls to show to the rest of us later on. Then, as the sun was about to set, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion. Then, they came back home to the Estate, and they were in their original clothes.

Nico: Hey, gang, how was your date?

Lincoln: It was awesome, Nico, we went to Everbay Coast in Kirby's world.

Me: Whoa, that's awesome, and I can guess you guys found something to show us, right?

Lincoln: (Smirks) You got that right, J.D.

Lincoln and the girls in his harem took out the eight scrolls and inside them are the eight treasure chests from the eight treasure routes, and inside them are eight kings' ransoms of gold coins and gems. When we saw them, our eyes went wide open.

Nico: Holy crap!

Me: Eight treasure chests and inside them are eight kings' ransoms of gold coins and gems, that's so awesome!

Johnathan Timaeus: This is quite a find, Lincoln, so what do you intend to do with them?

Lincoln: Just like what I've done with any treasure chest we find with gold coins and gems, donate them to the museum and they'll be put under tight security, so no one tries to rob the museum.

Helen Timaeus: That's a good idea, Lincoln.

Lincoln put the eight treasure chests with the eight kings' ransoms of gold coins and gems inside the chests into the museum, and they were put under tight security.

Lincoln: And Hailey, I've got a surprise for you: I've moved your parents here to The World Tree Estate, so that way, they'll be put under our protection, and that'll be in case your former brothers break out to get revenge on them for sending them to prison.

Hailey Timaeus was definitely surprised by the news, and she wrapped her arms around Lincoln's waist, and he wrapped his abnormally massive and powerful muscular arms around her, and he leaned down and kissed her on the lips, which she also returned.

Hailey Timaeus: Thank you so much for the surprise, Lincoln.

Lincoln: You're welcome, Hailey.

Me: That was a good thing you did, big guy.

Nico: Same here, and that's in case those three muscle-headed morons try to get after them if they break out, and you're definitely looking forward to flattening them if they do break out.

Lincoln: That's right, and they'll be sent right back to prison for good. But, they won't be easy to take down. If they've been to the gym throughout their lives, they're going to put up a fight, Nico, so we got to be on our guard, because they don't like to fight fair and they like to fight dirty.

Nico: They don't fight fair and they fight dirty?! Oh, that's just mean!

Lincoln: But, Hailey knows their dirty tricks when they fight, so with her knowledge of their dirty tricks, we'll know what they're going to do, and that's when we strike.

Me: Yeah.

Later it was time for Lillian's next Ambassador Mission.

William: Anyone else want to go with Lillian? Besides Dan, Drago, and 4 Rabbids?

Dan: I was thinking of having Runo come with.

Runo: Aw thanks Dan.

Me: Aw. Megan, Varie, Celica, Hailey, you guys want to come too?

Hailey Timaeus: Sure guys.

Varie: This is gonna be awesome.

Nico: Cool! Lets go!

Megan Kiraton: I can't wait to meet the Gaim Kamen Riders. Next to OOO they are also one of my favorites.

Nico: Nice.

We were off.

We arrived in Japan.

Kouta: Hey guys!

Me: Hey Kouta.

Lillian: Kouta, meet Dan Kuso.

Dan Kuso: Awesome to meet you. Dan Kuso, leader of the Bakugan Battle Brawlers.

Drago: I'm Dragonoid but you can call me Drago.

Runo: I'm Runo Misaki. Dan's girlfriend.

Blade Tigrerra: And I'm Blade Tigrerra.

Megan Kiraton: My name is Megan Kiraton and I'm the Poison Butterfly Gene-slammer.

Varie: My name is Varie.

Celica: And I'm Celica. We're two of J.D.'s fiancés.

Hailey Timaeus: And my name is Hailey Timaeus and I'm the gene-slammer of the dragon The Eye of Timaeus and Legendary Knight Timaeus.

Kouta: Wow! It's awesome to meet you all.

Varie: Same here.

Kouta: I wonder if I can get a Bakugan of my own.

Nico: We'll have to think of something on that one.

Eli: Yeah.

Varie: Is that huge building right there the Yggdrasill Corporation?

Me: That's it. It looks like a small version of the World Tree Estate.

Kouta: Yeah but that building has got to go forever. Its been nothing but a menace to both the Helheim Forest and us.

Mitsuzane Kureshima: Kouta, I'm sorry if me and Kaito have been spending time away from you lately.

Kouta: No worries. You are now part of the Redemption Squad and that shows that you are on the road to redemption.

Nico: That's true. But also Yoko Minato is with the team too.

Eli: That's right.

Kaito Kumon: We should dismantle the Yggdrasill Corporation from the inside next mission. It gives us time to prepare a battle plan.

Me: Good idea and that's gonna be in 2 days. I can't wait to chop that bad building down and make sure that it is nothing more than a forgotten memory.

Nico: Me too. After everything that happened with you all you deserve to have a Yggdrasill Corporation Free world.

Megan Kiraton: That is for sure there.

Varie: We could always blow that entire building up with the superlaser.

Me: No Varie. Too extreme. The blast would not only destroy the building but also destroy the entire city too.

Nico: Yeah.

Me: But before we do that we should gather evidence and documents to show the world what the Yggdrasill Corporation was up too.

Kouta: Lillian, how would you like to become a Kamen Rider for my team?

Lillian: I would be honored!

She was given a Sengoku belt and a Starfruit Lockseed!

Lillian Hale: Wow! The Starfruit Lockseed!

Nico: That's a great fruit.

Me: Starfruit is a delicious tropical fruit.

Eli: It sure is.

Kaito: J.D. how did you suggest that idea to gather evidence?

Me: Well I learned a massive lesson in 150,000 years in the world of shinobi. Before you take any course of action to bring down your enemy you have to have evidence and proof about what they were up to before you take them down.

Kaito: That's very wise thinking.

Mitsuzane Kureshima: It sure is.

Kouta: We should probably go to the building right now to get that evidence.

Kaito Kumon: Either way, we're going to transform to take out one of the guards there.

Me: Good idea.

Nico: This is gonna be awesome.

Eli: I'll use the Force to look for any trouble.

Me: Good idea.

Varie: If there are any prisoners we might as well free them too.

Megan Kiraton: Good thinking.

Nico: All right lets head to Yggdrasill! (Eyes glow red) Get ready Yggdrasill, your days on this planet are numbered.

Kouta: How come his eyes glowed red?

Me: It's what we call the Justice Leader Glare. Whenever we make a vow, our eyes glow blood red.

Eli: It's really cool.

Mitsuzane Kureshima: That is awesome.

We were off.

We arrived at the Yggdrasill Corporation Tower.

Me: WOW! It's huge!

Nico: It IS like a smaller version of our estate.

Celica: Wow this is amazing.

Lillian: No turning back now. Henshin!

LOCK ON!

ZIPP!

She donned the awesome STARFRUIT ARMOR and had a staff of Starfruit!

Lillian Hale: AWESOME! This is so cool!

Nico: Wow! You look awesome Lillian.

Cornelia Hale: You sure do. This is so awesome. My little sister is a Kamen Rider.

Me: Yeah she sure is.

Nico: Lets go.

We went into the building.

Kouta: Our turn, Kaito.

Kaito: (nods) Right!

Kouta, Mitsuzane and Kaito: Henshin!

Soiya! Orange Arms! Hanamichi on stage!

Come on! Banana Arms! Knight of spe~ar!

Hai! Budou Arms! Ryu! Hou! Ha-Ha-Ha!"

They donned their Orange, Banana and Grape arms!

Me: I think I'll join the fun too! LOCK OPEN! FRUIT BASKET HENSHIN!

I turned into my ultimate Gaim Kamen Rider form!

Lock Open! Kiwami Arms! Dai! Dai! Dai! Dai! Dai shogun!

Nico: YEAH!

Lillian: OH WOW!

Kouta: J.D. you're a Gaim Rider too!?

Me: Not just that Kouta. I have the Blue Raspberry Lockseed. But also I somehow got a copy of the ultimate Lock Seed you got.

Celica: That is so awesome.

Megan Kiraton: Wow! Let me see if I can do one.

Kouta gave her a Sengoku belt and a Cherimoya Lockseed!

Megan Kiraton: Cherimoya Lockseed! Wow! Now it's time for me to have some fun.

She put it on.

Megan Kiraton: HENSHIN!

LOCK ON!

She transformed!

CHERIMOYA ARMS!

She was ready!

Nico: Wow! That is cool!

Eli: First for OOO and now for Gaim! How awesome.

Megan Kiraton: This is awesome!

She also had a Cherimoya Macuahuitl.

Megan Kiraton: What is this war club?

Me: That's called a Macuahuitl. It's a war club that the Mayan Civilization used centuries ago,

Nico: We saw many of them before. They are neat.

Megan Kiraton: Wow!

We went into the building and we saw that it was chalk full of stuff that people would call big time crimes against nature.

Runo: I'm getting all of this illegal shit on video camera right now.

Nico: Wow look at all this.

We searched every single lab and found all kinds of horrifying atrocities that they were going to do. Illegal Experimentations, War Crimes, Building missiles, chemical weapons, all kinds of dangerous weapons, everything. We even found numerous Lockseeds for every kind of fruit there is. Even some for tomatoes, peppers and more.

Nico: Whoa look at all this. What they were doing is awful. J.D. you better call Lisa, Nicole, Jared, Tom and Sheila here just in case.

I did so. We told them what Yggdrasill was doing.

Tom Lair: Wow! This is awful that they were doing all this.

Irma Lair: No kidding daddy.

Sheila Loud: When we present all this to the world leaders, Yggdrasill is going down.

We put all the stuff in scrolls for evidence.

Me: The World Leaders are gonna have one helluva field day with they see all this.

Kaito: Prepare yourselves. I hear footsteps.

We then saw THE SEIRYU INVES AND HE HAD A BUNCH OF INVES WITH HIM!

Me: The Seiryu Inves!

Nico: He is definitely no Blue Dragon of The East.

Kouta: This is our stage now!

Me: It's Buttkicking time!

Eli: YEAH!

Nico: Will time to Guardian Up!

Will Vandom: Lets do it! GUARDIANS UNITE!

They transformed!

Will Vandom: (Energy Surges) THE HEART!

Irma Lair: (Water Splashes) WATER!

Taranee Cook: (Fire Burns) FIRE!

Cornelia Hale: (Vines grow) EARTH!

Hay Lin: (Wind Blows) AIR!

Elyon Brown: (Clocks Tick) TIME!

Megan McCallister: (Stars shimmer) SPACE!

We went at them and slashed and pulverized the Inves all over and I fired a blast of energy and obliterated many of them.

Lillian Hale slashed and blasted numerous Inves.

I slashed the Seiryu Inves with the Orange Sword and my Blue Raspberry sword and slashed him all over.

Kaito grabbed the Seiryu Inves by the throat.

Kaito: Sorry. But consider this my resignation from your side.

He stabbed him with his Banana Spear and sent him flying and then Megan Kiraton smashed his head in with her club and he exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: Seiryu Inves you have failed this city! I have always wanted to say that.

We finished the rest of the Inves off and they were dead.

Me: That's it for them. Shall we blow this entire place to smithereens?

Nico: Not yet. Lets save that for when we face Amagi Kureshima. I want him to be buried alive when we do that.

Me: Even better.

Kouta: That is perfect. Here guys.

He gave us lots of Lockseeds and Sengoku belts.

Kouta: Give them to some of your teammates.

Nico: May would like one.

Later we came came home.

May: Hey guys. How did it go?

Me: Really awesome!

We then found a bunch of prisoners in the tower and freed them and let them go.

We told everyone what happened and it was so awesome. We then told everyone what Yggdrasill was planning and more and they were horrified!

Laney: That is sick and inhumane!

Naruto: They are worse than Orochimaru.

Nico: Yeah

William: Next time, Faciliar and Kai should go with you.

Lillian: Cool!

Kai (Ninjago): I'm looking forward to this one.

---

Nico was enjoying a glass of water… when Harley Quinn closed the fridge right in front of him.

Harley Quinn: Alright, Nico. Spill!

Nico: Can you be more specific?

Everyone else came into the kitchen.

Lincoln: (angrily) She's talking about the fact that you've been hiding stuff about Zi-O from us. And now, we just learned about J.D.'s Grand Zi O form yesterday?! You're gonna tell us everything you know about Kamen Rider Zi-O. Or else, you can kiss your leadership goodbye!

Ashi: I'm sorry, Nico. Me, Lori, Lynn, Lola, Lana, Leni, and Lucy tried to stop them.

Nico: (sighs) It's okay. I admit I've been hiding stuff about Zi-O from you guys. But now, it's time to come clean.

Me: Lincoln that's enough! The truth was bound to come out one day. Also Lets head to the briefing room.

Lincoln: Okay.

We went to the briefing room.

Me: Now I have some news I want to say. The Reason I showed the Zi-O stuff is because I gave Clyde and Syd a very important side mission. I was watching Zi-O in secret. As you know it commemorates 20 years of Kamen Riders from 1999 to 2019. Also Clyde and Syd's big mission was very critical to the upcoming ambassador missions for that one.

Lincoln: What is it?

Me: Clyde and Syd's mission is to prevent the Time Jackers from disrupting the Ambassador Missions and help the Kamen Rider Zi-O team get ready for the Big Day we meet them later on. We can't afford to have any interruptions from them at all.

Nico: There's more. (Sighs) I actually have been using the simulator to help Sougo Tokiwa for the past few weeks.

Marinette: Just like when you helped me and my team before, right?

Nico: Exactly.

Me: It's to help us prepare. Zi-O was the most awesome series of Kamen Rider we've ever seen and it was really awesome seeing how Sougo can use 20 years of Kamen Riders too.

Megan Kiraton: Zi-O is also one of my favorite Kamen Rider Series too.

Lincoln: Wow Megan I didn't know you were such a huge fan of Kamen Rider.

Laney: That is really cool.

Megan Kiraton: It sure is. And I'm now a OOO and now a Gaim Kamen Rider too.

Lincoln: We saw that and it was cool.

Nico: But that's not all of the story. Before, Sougo was destined to become Ohma Zi O.

Crankcase: I'm detecting a Drakkon vibe here.

Me: Yes and your vibe is right. But Sougo changed that destiny and became a benevolent Overlord. His dream was to become king and he defied his evil destiny and became a good king.

Armada Hoist: What about the Time Jackers? Did you help the Zi O team fight them?

Nico: Yes. Before Clyde and Syd had their secret mission. But I didn't use any curses or any of our methods with dealing with spirits. I just figured sticking with the old rules just this once wouldn't hurt.

Me: Yeah. It's part of our plan. We're going to have Clyde and Syd hold off the Time Jackers so they won't interfere with any of our missions till the big day with the Zi O.

Lincoln: That's clever.

Me: Remember how we dealt with Black Ghost?

Joe Shimamura: I remember.

Nico: Yep.

Clyde: Me and Syd weren't able to stop Swartz from turning into his Another Decade form. But we WERE able to use our powers to make sure the Zi O team still remembered everything even after Sougo rewrote time with Ohma Zi O's power.

Nightshade: No need to be sorry about that. At least you two made a good change.

Me: That's true. Well done you two.

Syd Chang: Thanks.

Me: Swartz is our primary target on the Big Day. But so far everything is going as we have planned. I want to face Swartz at his full strength as a Decade Kamen Rider.

Nico: Awesome.

Lincoln: Sorry about all that guys. We had no idea it was part of a huge plan.

Me: It's all right. Just so we can all be prepared for anything that comes our way. Also Nico resurrected Tsukuyomi for Zi-O.

Nico: Yep.

Laney: Awesome.

Nico: Anyway time to get ready for our next mission.

Lincoln: I have a feeling it's going to be another awesome food planet.

Nico: Yep.

Then Control Freak, Plastique, Touch & Go, Girder, Biowulf, Vulkanus, Trumbipulor, Grodd, Lythos and Stratos appeared.

Control Freak: Can me, Plastique, Touch & Go, Girder, Biowulf, Vulkanus, Trumbipulor, Grodd, Lythos and Stratos go with you guys?

Mr. Go: And what monster can Control Freak summon?

Nicole: I was thinking of having him summon Mother Brain from Super Metroid.

Control Freak: Good choice.

Nico: Also to answer your question yes you all can come.

Me: And Nico already told us which gene-slammer he is going to go for next.

Nico: I'm hoping to go for a Vicetopus Gene-slammer next.

Shanan: Neat! The natural predator of the Cerebrocrustaceans.

Laney: Awesome.

Nico: Yep.

Princess Rose: Also, Nico revealed what he knew about Zi O

Control Freak: Ah so the secret mission is out.

Nico: Yep. And it's all part of our plan to keep the Time Jackers at bay till the big day mission.

Laney: Clyde and Syd were tasked with this mission.

Me: Yep.

Clyde: It's a big mission but we can do it.

Plastique: I wonder which planet we'll visit this time.

Nico: Lets find out. To the ship!

We went to the ship and we were off. The planet was located in the Pinwheel Galaxy.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 6266.1: We are en route to another awesome planet and it's located in the Pinwheel Galaxy. Our mission is to investigate what kind of planet it is and destroy the villain there.

Laney: This is gonna be awesome.

Lana: Yeah it will be!

Yoko Minato: Yeah. J.D. how did the world leaders react to the crimes of Yggdrasill?

Me: They had one helluva field day just like I said. After we revealed what they were doing the World Leaders pulled their funding and seized all their money. They cut their funding and gave us the okay to destroy them in 2 days.

Nico: Awesome.

Lisa Loud: We also had many of the staff arrested and more. Except for Amagi Kureshima.

Nico: Excellent.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the planet and it was a red world with blood red lakes and oceans.

Me: Wow! This looks like a strange planet.

Nico: Yep. Lets land.

We got to landing and we later got out and then we saw to our shock, amazement and excitement that it was A PLANET MADE ENTIRELY OUT OF NUCLEAR HOT CHILI PEPPERS OF NUMEROUS KINDS!

Laney: WHOA!

Me: Wow! It's a Chili Pepper Planet!

RD Clyde: So, Prime Me. Was Swartz's Another Decade form that ugly?

Clyde: You better believe he was.

Me: He was really scary from what we saw. But he was powerful and dangerous.

Nico: Yeah he was.

Clyde: Yep.

We went out and we saw that the planet all had Chili Pepper forests and the rivers and lakes were all made of nuclear hot hot sauce.

Lythos: Look at all those Chilis!

Nico: This is an amazingly spicy world!

Laney: (COUGHS) The spice is really powerful too!

Me: Wow! It sure is.

I picked a neon red pepper and ate it and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I exploded in a massively explosive pillar of fire and I was made incredibly powerful! Blood was pouring down my arm to show how spicy I was.

Nico: WHOA! That is powerful heat!

Me: Yeah it is! Wow! Chief Wiggum would love getting all these peppers for his chili.

We laughed.

Qin: Since it's probably me and Mike's turn to shine today, I'll try this Dragon's breath pepper.

Blackfire: We're gonna need lots of water.

Qin: Here we go.

Qin took a bite of it and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded into a massive pillar of green and yellow fire and she got a massively powerful power boost from it and more!

Laney: WHOA WHAT HEAT!

Lynn: Awesome!

Qin: Wow! That was intense!

Me: Hey Lynn, I dare you to eat a whole bushel full of 10 Dragons Breath Peppers. Raw.

Lynn: Oh IT IS ON!

Maria: I'll put Lynn out if she needs it.

Mr. Touch: That's probably a good idea.

Lynn ate 10 Dragon's Breath Peppers raw and then…

MASSIVE FIERY EXPLOSION!

She exploded into a massive pillar of fire and she got a massive fiery power boost and she was stronger than ever!

Lynn: WOO! Yeah that was awesome!

Me: WHEW! Lynn you are awesome!

Lightning: SHABANG! That is my awesome girlfriend!

Laney: Yeah!

I pulled out a bucket and filled it up with hot sauce from the hot sauce lake and gave it to Nico.

Me: I dare you to drink this entire bucket of hot sauce.

Nico: This is payback for keeping Zi O a secret, isn't it?

Roscoe: Is it really?

Desoto: If it is, me and Roscoe had no part in it!

Me: No Nico you found this planet out of the blue and it was awesome! And you know how much I love nuclear hot spicy food.

Nico: Well that's true.

Me: Also Nico you were able to eat the Inferno Wings Challenge.

You can easily drink all this.

Nico: True.

Nico took the bucket.

Nico: Well bottoms up.

Nico drank it and then…

EXTREMELY MASSIVE EXPLOSION!

Nico was entombed in a massive pillar of fire and he got a massive power boost.

Nico: WHOA! This is awesome!

Girder: (skin turns to steel) How about I try some while steeled up?

Nico: Go for it!

Girder drank some hot sauce and then he exploded into fire and molten metal and he got a power boost too.

Girder: That was awesome!

Me: We're just full of awesome chili heads here.

Laney: We sure are.

Trolling Thunder: I get it. It's because fire trumps steel.

Me: Fire does melt steel yes.

Trolling Thunder: True.

Laney: But that was intense.

Me: Every chili head on Earth would love coming to a planet like this.

Nico: Especially Chief Wiggum for his chili.

Lana: You got that right.

Me: Yeah!

Stratos: How about I give one a try?

Nico: I'm not sure you can eat anything Stratos because you're made of pure wind.

Stratos: Hmm. Yeah you're right about that.

Laney: Yeah.

Concrete Man: Okay. So maybe Stratos can't eat one. But I bet I can!

Nico: Go for it.

Concrete Man did so and then he started glowing red hot!

Maria: Uh oh!

Maria fired a wave of water and cool him down.

Me: Hey Bender I dare you to eat 2 buckets of hot sauce.

Bender: Oh it's on meat bag!

I gave him 2 buckets full of hot sauce!

Vulkanus: What are you waiting for?

Bender drank them and then he exploded into a pillar of fire! He ran around and Maria drenched him in water.

Bender then got mad at me!

Bender: WHY YOU LITTLE!?

DING!

He KICKED ME SQUARE IN THE CROTCH!

Nico: (WINCES) Bender! That's going way to far!

Me: (SQUEAKY VOICE) SORRY ABOUT THAT!

Bender: But that was good spice.

Me: Cool. Bender if you kick me again I'll use a can opener on you!

Bender: Bite my shiny metal ass!

Me: Already bit it tin can.

Beekeeper: Eli, can you sense if a villain's here before this gets too violent?

Eli: (deadpans) So, NOW, you want me to sense a villain?

Me: Go for it Eli.

Eli sensed something all right.

Eli: Oh no! We got TONS of villains here.

Me: Who are they?

Eli: They are people you aren't going to like.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed two dark energy signals with his eyes and the Force, and he saw who the figures are in the vision: the first dark energy signal Lincoln sensed belonged to Garrosh Hellscream, the son of Grommash Hellscream and the barbaric supremacist from Warcraft, and he's here to cause havoc, and the other dark energy signal that Lincoln sensed belonged to Johnny the Gangster, and he's come back from the dead and he wants revenge on us for killing him last year. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, but it's actually two people I sensed, and

Lola, you and our friends from Azeroth aren't going to like it: the first dark energy signal I sensed belonged to Garrosh Hellscream, the son of Grommash Hellscream and the barbaric supremacist from Warcraft, and he's here to cause havoc.

Lola and our friends from Azeroth gasped in shock, and so did the rest of us.

Me: Oh shit, this isn't good.

Lola: You said it, and I've heard about Garrosh Hellscream, he's one dangerous warlord and barbaric supremacist.

Nico: He's definitely big time trouble alright, and it's too bad that Grommash died a redeemed hero, if he found out his son is here and he's causing havoc, he'd definitely would want to deal with him. And the other energy signal, who does it belong to, Lincoln?

Lincoln: None of us are going to like it: the other dark energy signal belongs to that filthy animal, Johnny the Gangster, and he's come back from the dead and he wants revenge on us for killing him last year.

We gasped even more in shock.

Me: Oh man, so that filthy animal and gangster, Johnny, has come back from the dead?!

Lincoln: Yep, and he'll have help, and I know it'll be from Quahog again. But, I hate to find out who it is that filthy, gun-toting animal has got with him, but since they're from Quahog, there's no doubt they're all out for revenge.

Nico: But, we'll be ready for them as well, big guy.

Biowulf: Is Connie one of them?

Eli: Yes she is!

Nico: Thank goodness Quagmire isn't with them because he got the Black Gates.

Me: I was hoping to give him a massive kick in the crotch too. But okay.

Meg: Awesome now I can give Connie what for.

Eli: I'll hit Chris with a bunch of snapping turtles.

Me: Well lets go get them!

We were off to face them and then we saw the high school kids of Quahog!

Chris Griffin: I WILL KILL YOU ALL!

But then…

CRUNCH CRUNCH!

Eli had a hockey stick and he had hit a couple of snapping turtles and they bit Chris RIGHT ON THE BALLS! OUCH!

Nico: Take that you testicle chinned fat drip!

Blackfire: Yeah what a fat tub of lard!

Me: Now we're going to kill all of you fucked up kids!

Kid 1: I'd like to see you try!

Me: Try this.

I fired a beam of energy and blasted his entire head off!

Mewtwo used his psychic powers and lifted many kids into the air and he force fed them chili peppers and hot sauce and they screamed in pain and farted fire and fire exploded from their mouths.

Mewtwo: Now that was spicy and bitter fun defeat.

Connie: This is the last time you losers make a fool out of me!

Larry Koopa: We were only defending Meg. You did the fool thing all by yourself!

Wake up!

Stella: I know that Wake Up anywhere!

Out came the Kiva Kamen Riders!

Me: Wataru, Guys, awesome to see you all.

Wataru: Same here J.D.

Stella: Let me help you guys!

Grodd: Good luck, Stella! And make sure to use your Kamen Rider form!

Stella: Oh you can count on that. HENSHIN!

Stella turned into her Kamen Rider LIGHT ANGEL FORM!

Nico: Nice!

We went after Johnny.

Ratso: (smirks) Hey, guys! Guess what time it is!

Finn: IT'S ENTRANCE TIME!

We went at Johnny!

Johnny (Home Alone): Hope those fools die.

But then the spirits of the Supernoobs, Life & Games, Kings of The Jungle and Titans appeared and they swirled around Johnny and then converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of fire blasted out and then a phoenix cry was heard and we came out.

Me: Hello Johnny you fucking filthy animal!

Nico: Nice seeing you hear you fucking asswipe!

Johnny: Am I really looking at a motherfucking elephant?

Trumbipulor: Hey! I'm THE motherfucking elephant!

Johnny: Hey J.D. I tell you what I'm gonna give you. (Pulls out Tommy Gun) I'm gonna give you 'til the count of ten to get your ugly, yellow, no-good keester off my planet, before I pump your fucking guts full of lead!

Me: I'd like to see you try fuckwipe!

Johnny Valentine: 1..2..10!

He fired at me and my aura was protecting me and all the bullets were falling down as he was laughing maniacally. But he ran out of ammo.

Me: Keep the change you fucking filthy animal. No good motherfucking asshole!

Then Angel, Red X, Magma, Oculous, Mirror Master, Absorbing Man, The Springfield Bullies, Koragg, Mr. Mittens, Killer Croc and Black Manta appeared.

Nico: Angel, Red X, Magma, Oculous, Mirror Master, Absorbing Man, The Springfield Bullies, Koragg, Mr. Mittens, Killer Croc and Black Manta.

Angel: This sure is a spicy planet, huh?

Maria: It sure is.

Jimbo Jones: I think I'll try some peppers after this is done.

Red X: That's a good idea.

Me: Go for it.

Oculous: (to Nico) We heard you dealt with Potter again.

Nico: We sure did.

Mirror Master: What did you do with him this time?

Nico: J.D. did all the work. He beat him up as rough as Buttercup would do and threw him into the slammer hard.

Me: Yep.

Mirror Master: That is awesome and funny.

Magma: Boy it sure is. Awesome.

?: Wow! That was cool.

Then a figure came out and it was MICROTSUYOINDAVER from episode 31 of Kyurangers!

---

After Balance figured out that the people under Akyanba's control had microscopic-sized Indavers living within their minds, he modified the Genbikyo Kyutama such that it would shrink whoever used it. Using the modified Kyutama, he came up with a plan for him and Lucky to enter the brainwashed Naga Ray's mind while making it seem like the two were apparently defeated.

Once in Naga's mind, Lucky and Balance encountered Microtsuyoindaver, who summoned an iteration of evil Naga to battle Balance while Lucky dealt with the Microtsuyoindaver. Evil Naga would attempt to destroy Naga's true self, but the attack was blocked by Balance as Naga's true self began to reawaken.

Microtsuyoindaver was eventually destroyed by Lucky as Naga's evil self was finally purged, reverting Naga back to normal. The Enlarge Inro later caused Microtsuyoinvader to grow to normal size, this time out of Naga's mind, though he would be defeated again by a twin All Star Crash attack from the BN Team.

Upon Microtsuyoindaver's defeat, the remnants of Naga's dark side within the Daikaan would be channeled to form a gigantic puppet of Hebitsukai Metal, which was promptly defeated by Kyutamajin's Meteor Booster attack.

---

Lucky: Microtsuyoindaver!

Microtsuyoindaver: Been a while rangers.

Me: I remember you! You are the one responsible for brainwashing Naga Ray! And turning him to the dark side!

Microtsuyoindaver: That's right J.D. Good memory.

Me: And you almost got him executed by his own people! They believe that emotions are sinful!

Shanan: Yeah we should just destroy you right now and forget about the battle here!

Nico: Whoa whoa whoa whoa! Calm down. But that was terrible.

May: I wish all monsters could turn tiny like you can.

Microtsuyoindaver: Well, it's a unique ability for me.

Nico: That is cool.

We got the usual battles underway.

## Angel, Rainbow Dash, Scootaloo, Air Skylanders, Luminous and Nightshade VS Angel - My Dream Rescue and getting Princess Luna's powers

Angel was first.

Angel: (to Skyla) J.D. had an awesome dream rescue. And he even got Princess Luna's powers!

Skyla: He sure did and now he has the power to help people out in the Dream World! That is so cool!

Rainbow Dash: That is really awesome! And like Natilee he now has the power to make dreams a reality. How awesome is that.

Scootaloo: That is really cool!

Whirlwind: Boy it sure is awesome.

Luminous: He really will make peoples dreams Light up.

They laughed.

Angel: That was a good one Luminous.

Nightshade: It was indeed my good woman.

Angel: It sure was. Lets do it!

They fired waves of wind, rainbows and lightning and smashed her down.

## Hunter, Sunset Shimmer, Pipsqueak, Fire Skylanders, Princess Rose and Nuova Shenron - Nico's Rescue

Red X was next.

Red X: (to Hunter) So, Nico's rescue was in a dairy factory, huh? Was there lots of cheese?

Hunter: (German Accent) Ja ja. Und lots of milk, dairy, and more.

Sunset Shimmer: It was tons of milk and we got lots of cheese and more.

Pipsqueak: (British Accent) It was really cool!

Sunburn: That was a really awesome rescue too. J.D. punched him into a machine that poured nacho cheese sauce on Potter and boy did it hurt bad.

Nuova Shenron: It was funny.

Red X: Boy that must've hurt too. Nothing hurts worse than being burned by Scalding hot Nacho Cheese sauce. Lets do it!

Hunter: ZENKAI CHANGE!

He turned into his Turboranger Zenkaiger form! It was an orange ranger form!

Hunter: TURBO POWER! ZENKAI SPEED! ゼンカイスピード

Red X: WOW! Hunter you look awesome as a Zenkaiger!

Hunter: WUNDERBAR! This is really amazing!

They fired waves of fire and smashed him down.

---

Tommy, Rarity, Sweetie Belle, Water Skylanders, RD Girl Jordan and RD Clyde VS Oculous - Lincoln's Rescue

---

Oculous was next.

Oculous: (to Tommy) I heard Lincoln's rescue was on a planet of red licorice. How was it?

Tommy: It was so amazing! Seeing a planet made entirely out of red licorice was absolutely amazing!

Rarity: Oh it was so incredible there darlings. It was so amazing seeing it.

Sweetie Belle: Yes it sure was and Catherine Iroh said she wanted to see a planet like that. That was so awesome.

Oculous: (LAUGHS) Looks like she got her wish to see it.

Gill Grunt: She sure did! It was so cool!

RD Girl Jordan: I agree there too!

Oculous: That is really cool that you guys got to see that. Lets do it!

They fired waves of ice, water and jewels and smashed him down.

---

Koji, Princess Celestia, Amber Morning, Light Skylanders, RD Luan and RD Lucy VS Magma - Meeting an Arcana Force XV - The Fiend Gene-Slammer

---

Magma was next.

Magma: I heard you guys met an Arcana Force XV - The Fiend Gene-Slammer. What's her name?

Koji: Her name is Sophia Starron and she is Sylvia's twin sister and she is a goth girl.

Princess Celestia: She sure is and she has a really amazing psychic power like her sister does. She also has darkness powers.

Amber Morning: We also found out that she stopped a massive bombing plot made by Scoots.

---

Sophia Starron: That's incredible.

Nico: It sure is.

Lincoln: And it's so good to see you again, Mr. and Mrs. Timaeus.

Helen Timaeus: You too, Lincoln.

Johnathan Timaeus: It sure has been a long time, you've grown a lot from the little 11-year-old kid into this strong and powerful 17-year-old man, and I'm glad that my daughter's gotten together with you, we always knew she had feelings for you, and we're so glad you're still together with her, even after what happened to her.

Lincoln: That's right, Mr. Timaeus, and Lisa's been rid of her dark side since last year.

Nico: That's right. So, Sophia, how did you save Lincoln, Lucy, Lana, and Laney from a bomb that was thrown at them by Scoots?

Sophia Starron: You're going to love hearing about this. One day, I was walking home with Lincoln, Lucy, Lana, and Laney after a day at Gus' Games and Grub, but then, I had a vision and I saw who it was that's in the vision: it was that crazy, scooter-driving, troublemaking, heckling old bat, Scoots, and she had a bomb that she was going to throw at Lincoln, Lucy, Lana, and Laney and kill them. But, I wasn't going to let that old bat do that, so I unholstered my scythe from my back, and as soon as I saw the bomb heading for Lincoln, Lucy, Lana, and Laney, I cut open a portal with my scythe, and once the bomb fell into it, I opened up another portal, and the bomb landed on Scoots' scooter, and as soon as it exploded, it sent Scoots flying right back to Sunset Canyon, and Varie put her back into a straitjacket and threw Scoots back in the Lansing Maximum Security Insane Asylum, this time, she was put into a padded cell, where she'd never escape.

We all cheered wildly for what Sophia Starron did in saving Lincoln, Laney, Lucy, and Lana from Scoots. But, we were really mad that Scoots tried to kill Lincoln, Laney, Lucy, and Lana with bombs.

Nico: That stupid, pinheaded, scooter-driving, troublemaking, crazy old shrew! Now, she's gone too far.

Lincoln: In fact, I've got just the thing to punish her.

Lincoln put the heavy barbell on the rack, and he aimed his left hand and sensed for Scoots.

Lincoln: This is for trying to kill me, Laney, Lucy, and Lana with that bomb, Scoots. CHILI PEPPER BARRAGE!

Lincoln fired a barrage of chili peppers from his large left hand, and they were sent flying right at Scoots, and as soon as they stuffed Scoots' mouth, she was screaming in pain as she belched and farted out fire like crazy.

Nico: Hey, that's the move I used on the Griffins when I first moved here, and when I first met May. Awesome job, big guy.

Lincoln: Thanks, Nico.

Me: (Laughs) That'll serve her right.

Then, Lincoln went back to working out with the rest of us.

FLASHBACK ENDS

Magma: WHOA! Scoots really sunk low this time! But that was so funny how Lincoln punished her. Ironically with chili peppers because we're on a chili pepper planet.

Spotlight: Yeah that is really awesome and cool.

Koji: It sure is.

Magma: Yeah it is. Lets do it!

They fired waves of light and smashed him down.

---

Zoe Orimoto, D'Arcmon & Kazemon, Fluttershy, Tornado Bolt, Life Skylanders, Strut, Roscoe, and Desoto VS Mirror Master - Hailey Timaeus Dark Secret

---

Mirror Master was next.

Mirror Master: (to Zoe) I didn't expect Hailey Timaeus' Dark Secret to be after Sophia's revelation. But man, it was dark!

Zoe Orimoto: It sure was! We found out that her older brothers were total jerks to her and hated her from day one.

D'Arcmon: Yeah it was a big one.

Kazemon: It sure was. It was huge.

---

Then, Lincoln went back to working out with the rest of us.

Lincoln: Now, there's a reason why Mr. and Mrs. Timaeus have come here to the World Tree Estate, you see, Hailey has a really dark secret that only she and her parents have known throughout their lives, and me, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lily, and Mom and Dad know about it from them, except for Lisa, thanks to the eye incident.

Hailey Timaeus: Lincoln's right, you see, I've loved my family with all my heart and they also loved me with all their hearts as well, except for three people in my family.

Hailey Timaeus took out three prison mugshots of three tall and muscular boys with the same color hair as their dad, but they have mean scowls on their faces.

Nico: Whoa, who the heck are these guys?

Hailey Timaeus: These are my ex-older brothers, Nico. The first older brother is Joshua Timaeus, he's the leader of the group, the second older brother is Drake Timaeus, and the third older brother is Noah Timaeus, they're known as The Timaeus Boys, or as I like to call them muttonheaded morons and sister haters. Growing up, those three have done all they can to try and make my life miserable, but as I started getting praise for what I did in saving Lincoln from Lisa's wrath, and losing my eye in the process, they went from trying to make my life miserable to trying to kill me.

Every time, they've tried to kill me with either trying to beat me and they thought they were bigger and stronger thanks to going to the gym all the time they had one over me, but I was skilled with strategy and smarts and I outthought those morons, since they used brawn instead of brains. Then, when their biggest attempt to kill me in school resulted in them getting exposed to the entire school district, they were eventually expelled by Principal Rivers. But, they were unaware that I recorded all of their constant attempts to try and kill me, and when I showed it to my parents, they were furious at them. Dad dragged all three of them into the room since he was bigger and stronger than them, and he and Mom called the cops, and the morons were sent to prison. I since cut my ties with them for all their attempts to try and humiliate or kill me, and I'm proud to say I haven't forgiven them ever since.

Me: Jeez.

Nico: I'm sorry to say this, but those three older brothers of yours are real jerks, Hailey.

Lincoln: They think that just because they're bigger and stronger they can bully others for their own amusement, they're wrong. Look at what happened to Pablo, Anderson, and any bully we've met in the past.

Me: Yep, they wound up becoming jailbirds. But, there could be a chance they could break out, and get revenge on Hailey.

Lincoln: That's not going to happen, J.D. If they hurt one hair on Hailey's head, I'm going to flatten those muscle-headed morons and smash them into the ground.

Johnathan Timaeus: (Laughs) And wait until they see you again, Lincoln, they're bound to get quite the shock of their lives.

Nico: Big time, and we'll film the whole thing for you and Mrs. Timaeus to see it, Mr. Timaeus, that is if you still…

Helen Timaeus: No, Nico, like Hailey, we've cut our ties with those three long ago after we had them sent to prison.

Me: That's good, what they tried to do in trying to torment or kill Hailey has proved that they've gone too far.

FLASHBACK ENDS

Mirror Master: OH MY GOD! Man I've heard about the Timaeus Brothers and they are bad news!

Zoe Orimoto: You've heard about them?

Mirror Master: I sure have. Joshua, Drake and Noah, are the worst trio ever to terrorize all of Michigan. They had a very terrible reputation and they have practically done every kind of crime there is and it was horrible! But after they were disowned by Hailey's mom and dad and sent to prison, they were the states problem now. They have gotten in trouble more times than anyone else can even count.

Fluttershy: Goodness. I didn't know they were that dangerous.

Tornado Bolt: Yeah no kidding. Those monsters need to be taught a huge lesson.

Stealth Elf: That's right and they will be brought down.

Mirror Master: I agree there. And they have terrorized Michigan for far too long. Lets do it!

They fired waves of wind, leaves, grass and flowers and smashed him down.

---

The Springfield Bullies were next.

Dolph: (to Sam) It must've been painful for Bender to kick J.D. in the crotch.

Kearney: (confused) I thought J.D. was unable to feel pain.

Sam Sharp: He may be all powerful and a god to many but he is still human like the rest of us. But it was funny.

Trixie Lulamoon: Yes that was crazy seeing that.

Triple Berry: It sure was. But the craziest part was that Johnny Valentine had the kids of Quahog come back too.

Mewtwo: That is crazy.

Jimbo: Boy it sure was crazy! Lets do it!

They fired waves of fire and magic and smashed them down.

---

---

Absorbing man was next.

Absorbing Man: (to Marinette) After, Lillian second ambassador Mission, I wouldn't be surprised about the World Leaders tearing Yggdrasill apart right now. And what can I absorb around here?

Marinette: Here.

She pulled out a metal pole and gave it to him.

Absorbing Man: Oh thanks.

Marinette: Not much to absorb here since this entire planet is made of peppers and hot sauce. Also the World Leaders have already tore Yggdrasill apart for everything they did. They already cut their funding and ordered for them do be disbanded. But knowing Yggdrasill they are not gonna go down without a fight and the World Leaders are gonna have us take them down by force.

Starlight Glimmer: Yeah I agree there too. They deserve it for what they did.

Cozy Glow: I agree. But you got to admit though. Yggdrasill did give us a great tool. We can now turn into Gaim Kamen Riders now. This is really awesome.

Hex: It's really cool too.

Absorbing Man: It sure is awesome. And I heard that Lillian and Megan are both Gaim Kamen Riders. That is really awesome. Lets do it!

Cat: It was only a matter of time before everyone discovered the truth. But man everyone catches on really fast.

Dog: Boy they sure do Cat.

Pinkie Pie: They sure do. But that is amazing that Clyde and Syd have their own secret mission.

Mr. Mittens: I agree there and it's a really clever strategy to keep the Time Jackers at bay long enough till the Big Day. That is awesome.

Sprocket: It sure is amazing.

Mr. Mittens: I agree. Lets do it!

They fired waves of metal, gears, lightning and steaks, sushi and bones annd smashed him down.

---

---

Killer Croc was next.

Killer Croc: (to Keiko) Ocious P. Potter really got brutally mangled up by J.D. He even got molten cheese on his face!

They laughed at that.

Keiko Yukimura: That was really cool! But J.D. said that he did the same thing like he did to Potter to three bank robbers on the day Nico moved in. The beating was similar to how Buttercup beat some robbers up.

Killer Croc: Wow! Very coincidental! That was awesome.

Princess Luna: It sure was.

Moondust: Yeah it was cool.

Snowdrop: Yeah that was so funny. Potter was thrown into a cell and he was crying like a baby.

Gari: So funny.

Killer Croc: Yeah it sure was funny. Lets do it!

They fired waves of flowers and darkness and smashed him down.

---

Black Manta was next.

Black Manta: (to Yusuke) I can't believe Nico actually drank hot sauce. It's a miracle he didn't kill himself!

Yusuke: Nico is far too tough to be destroyed by hot sauce like that. It was really cool though.

Twilight Sparkle: He sure is tough and strong like that.

Starshine Sparkle: I agree there too. But it was awesome seeing him do that.

Sunny Starscout: Yeah it was really cool though.

Spyro: Nico can handle the heat really well.

Black Manta: It sure was cool. Lets do it!

They fired waves of energy and magic and smashed him down.

---

Me: Merry Christmas you Fucking Filthy Animal. And a Happy Fucking New Year!

We laughed.

Absorbing Man: That's it for Johnny.

Sunset Shimmer: You said it.

Nico: He had it coming for abusing his power. What a monster.

Koragg: (to the Kiva team) You guys helped too.

Wataru: We sure did.

Me: We owe you guys big time for helping us out.

Wataru: Think nothing of it.

Mr. Mittens: We'll see you guys in July.

Me: Yep.

They teleported back to Japan.

Black Manta: Now, what do you guys say we eat some more peppers?

Killer Croc: That's fine. I'm getting hungry anyway.

Me: Yep.

Alexstrasza: That voice, I knew there's no mistaking it from anywhere, you can come out now, Garrosh Hellscream.

A massive, red-skinned orc came out, and it was none other than Garrosh Hellscream, the dangerous and barbaric orc warlord from the world of Warcraft.

Lola: Garrosh Hellscream, I knew you'd show up here.

Alexstrasza: The blood of so many innocent people have been spilled by your hands, Garrosh, and you realize there's a price to be paid for your selfish warmongering.

Mira the Space Faerie: And that price is your life.

Suddenly, Mira the Space Faerie's red eyes turned neon red, and she was surrounded by a dark blue energy aura with stars, nebulae, and faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Garrosh Hellscream, she left dark blue energy, stars, nebulae, and faeries with every step.

Mira the Space Faerie: Garrosh Hellscream, the crimes you've committed throughout all of Azeroth can never be forgiven, and because of you, so much innocent blood was spilled by your hands, that is truly unforgivable, and I will see to it that you pay the ultimate price for your crimes, and that is with your life.

Suddenly, Mira the Space Faerie was surrounded by a massive vortex of dark blue energy with many gleaming stars and nebulae surrounding the vortex, there's a faerie flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Mira the Space Faerie emerged, but she was changed forever.

(IMPERATRIX MUNDI PLACE AT 1:45 TO 2:14)

Mira the Space Faerie grew to 6'5" in height, she had the body of a goddess and she has red highlights in the bangs of her short neck-length neon blue hair, she has neon red eyes and a dark blue energy aura with stars, nebulae, and fairies surrounding her, she has a faerie with the Space Kanji in its hands emblazoned on her forehead, she has on faerie earrings with red gems for eyes and holding the Space Kanji in its hands, she also has a faerie with red gems for the eyes and the Space Kanji in its hands for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with dark blue crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolt links. Mira the Space Faerie has on a long long-sleeved red and blue science-fiction themed dress with red phoenix on it, leggings that resemble the cosmos, blue knee-high boots, and a long coat resembling the cosmos with stars and faeries on the coattails, and on the back is a faerie with the planets of the solar system surrounding her. Mira the Space Faerie's blue fairy wings grew much bigger for her new body, and they have a faerie, a Thunderbird, a Phoenix, and an Angel in them, Mira the Space Faerie has on a Ring of The Phoenix with dark blue gem and heart shaped gem embedded in it on her right ring finger and Star

Sapphire ring on her left ring finger.

Mira the Space Faerie has her massive Neopia's Magic Staff of Magical Justice in her right hand, she has on her new large gold cuff Bracelets of the Champions of The Universe with neon blue gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with neon blue gems for eyes and a large red gem in its open mouth for the belt buckle, large neon blue Spellbook of The Gods and The Universe and large neon blue Spellbook of The Elemental Gods on her left hip and Eater of Sins revolver holstered on her right hip. There's a red kanji below the faerie that said, "Mira the Space Faerie, Guardian Hero and Protector of Neopians from Space, Vanquisher of The Darkest Faerie, Dear Friend of Neopia's Many Heroes, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Space, Magic, and Space Faeries."

ミラ・ザ・スペース・フェアリー、ガーディアン・ヒーロー、宇宙からのネオピアンの守護者、最も暗いフェアリーのヴァンキッシャー、ネオピアの多くのヒーローの親愛なる友人、リンカーン・ラウドの愛する未来の妻、悪の殺し屋、混乱、殺人、冷酷、そしてサディスティックな野郎、驚くべきそして驚くべき強力な教師の強力な学生、そして宇宙、魔法、そして宇宙の妖精のマスター

Mira the Space Faerie has transformed into SUPER ANGEL INFINITY TRUE LOVE STELLAR SPACE ANGEL OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Mira the Space Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Garrosh Hellscream saw it, he fell into a rage and tried to kill her, but Mira the Space Faerie fired a neon blue energy blast with stars, nebulae, magic, and faeries at him, and it hit the massive orc, and he crashed into a wall of peppers.

Me: Whoa, Mira the Space Faerie's transformed.

Nico: She now looks like a true angel from outer space, that's so incredible.

Lincoln: Wow, Mira, you look beautiful. How do you feel?

Mira the Space Faerie: (Divine Echoing Cosmic Voice of The Stellar Space Faerie and Divine Love) **I feel incredible, Linky. Now then, shall we deal with Garrosh Hellscream once and for all?**

Lincoln: (Smiles) With pleasure, Mira.

Lola: You guys show that monster no mercy.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Mira the Space Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of warmongering and bloodshed are over, Garrosh Hellscream, and now, it's time for you to die.**

Lincoln and Mira the Space Faerie went after Garrosh Hellscream, who tried to cut them down with his axe, but they dodged the axe, and they fired powerful blasts of rainbow energy, neon blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Faeries at Garrosh Hellscream, and they exploded with incredible power as they hit him. Then, Lincoln attacked Garrosh Hellscream with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and left painful scars on him, and Mira the Space Faerie fired powerful neon blue energy blasts from her staff, and it hit him.

Then, Lincoln grabbed Garrosh Hellscream by the neck, and he choke-slammed the tyrannical orc down onto the floor, and Lincoln punched, kicked, and smashed Garrosh Hellscream all over the place with his immense and brute superhuman strength. Then, Lincoln tossed Garrosh Hellscream into the air with his immense and brute superhuman strength, and he and Mira the Space Faerie fire powerful beams of energy, and as they hit Garrosh Hellscream, the two energy beams exploded with incredible power, killing him for good and he was erased from existence as he was condemned to The Black Gates. We cheered wildly for what Mira the Space Faerie and Lincoln did as they holstered their weapons and power down, and Mira the Space Faerie's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Mira the Space Faerie: That's it for that tyrannical orc, and thank you for helping me with taking care of Garrosh Hellscream, Linky.

Lincoln: (Smiles Warmly) You're welcome, Mira.

Suddenly, Mira the Space Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Mira the Space Faerie's face, they kiss passionately as Mira the Space Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with stars gleaming in the skies behind them and we all cheered for them.

Lola: Alright, they did it.

Nico: And that's another Warcraft villain put down for good, but it's been a long time since we've faced off a villain from Warcraft.

Me: I know, we've dealt with Arthas Menethil The Lich King once years ago, then Dreadwing, and then, during Lincoln's rescue last year, Arthas Menethil had the nerve to come back from the dead once again. But, we've put an end to those two and they're never ever coming back.

Lincoln: That's right, J.D.

Ariana Montenegro: (To the viewers) This was a really spicy adventure! It was amazing that we found a planet of peppers.

Nico: It sure is and we love hot food. Also great job today everyone. This was one amazingly awesome adventure.

Me: It sure was Nico. We had a lot of fun in this one.

Nico: Boy did we ever. You rescued 2 people in an awesome dream, we had 2 awesome rescues and an awesome Ambassador Mission and now we had an awesome spicy adventure on a really awesome and spicy food planet. We had a very busy day today.

Laney: It sure was a busy one.

Nico: Yep. After we have more peppers lets head home after we gather many peppers to make hot sauces.

We went and gathered tons of peppers and then we went home. Connie and Chris were sent to the Neptune Prison forever. They will never be welcome on Earth Again.

We later went to sleep and it was gonna be another awesome adventure tomorrow.

THE END

---

Another awesome fanfiction complete.

This was a really awesome and fun adventure and it was a really spicy world that we went to. We had a lot of fun with this one as well as all the food planets we went to this week for the fun adventures we had with them. The Burgers and the Peppers Planets were awesome. And I really love Nuclear Hot Spicy Food. Also I'm going to start doing dream rescues now while we sleep. These are gonna be really awesome. This chapter was made in honor of the late Ralph Moody who played as Johnny Valentine from the Home Alone movies Angels with Filthy Souls and those movies were both fun and awesome.

R.I.P. - Ralph Foody - November 13th, 1928 - November 21st, 1999.

He was 71 years old.

The first rescue for my dream was for the PS4 game called End of Eternity. Never played that one before but it was a cool one from the way it looked. The second part for the rescue with Nico was for the 1997 movie The Borrowers and that was a great movie! I loved that movie from my youth and it was so awesome. John Goodman did a great job as the bad guy in that movie and it was cool! Part 3 of the chapter was for a planet made of Red Licorice and it was awesome and great. Red Licorice is my favorite but I ABSOLUTELY HATE BLACK LICORICE! YUCK! NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. The next dream rescue for me is gonna be a really awesome one as me and Natilee go into my dream and we're going to meet a Siren Mermaid and she is not like all of the other mermaids from the Dark Side of the Legend. Her name gonna be Elonna and she also has amazing water powers. We're also going to face an evil Sasuke in that dream. Nico's next rescue is gonna be a really awesome and cool one as Nico, Sage, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily head to the city and we're going to follow the Arkham Knight scenario where we went after Lazlo Valentin A.K.A. Professor Pyg and we're going to make that ugly pigfaced monster serial killer into porkchops! We're also going to meet a Vicetopus Gene-Slammer named Erin Utakara. Nico's partner from Science Class, she is now a Vicetopus Gene-Slammer. But she now has a scar over her eye. The reason is that during a science experiment she did at school the beaker of chemicals she had exploded and a shard of glass slashed her eye and damaged it to the point where it had to be removed. She now has a scar on her eye. The next rescue is gonna be in the world of the movie Piranhaconda and we're going to turn that ugly snake fish freak into leather luggage. And we're going to meet a gene-slammer for Arcana Force XIV - Temperance named Sonnya Rexxington and she like the previous gene-slammers for the Arcana Force Gene-slammers is a powerful psychic, clairvoyant and master of seeing into the future. And she has awesome Water powers. She also stopped Flip from killing Lincoln and Lana with poison gas and got him up to the top of the FBI's Most Wanted List and sent him on the run. The next chapter is gonna be for the awesome SpongeBob episode Nature Pants and that is gonna be a really crazy one. We're going to try and convince SpongeBob to come home after he goes to live in Jellyfish Fields with the Jellyfish and we're going to stop Patrick from getting him as a trophy. It's a non-combat Calm Before The Storm Chapter as I call it before we go meet Tyson and the Beybladers on the 14th.

See you all tomorrow

# Nature Pants

This chapter is a parody of the SpongeBob episode Nature Pants.

---

In the Early Morning Hours at 1:21 AM, I was fast asleep with Varie and my harem and I was having a really awesome dream. I was on an island that was out in the middle of the ocean and it was in the middle of the eye of a hurricane. It was really scary being in the middle of a storm.

Me: Wow! What a hurricane. It's like being in the middle of a massive swirling wall of thunderstorms.

I looked at my surroundings and I saw that I was on an island.

Me: Wow. This island is amazing.

Natilee then appeared.

Natilee: This island is amazing dad.

Me: No kidding Natilee. This is awesome.

Natilee: It sure is.

Then we heard divine singing.

Me: I know that singing anywhere.

Natilee: The sound of the legendary mermaid.

Me: Lets go see who is doing it.

We went onto the water and traced it and as it was getting louder that meant we were getting closer.

Natilee: It's getting louder.

Me: That means we're close.

We then saw the mermaid and she was a beautiful black hair mermaid and she had blue eyes and she had a black mermaid tail.

Me: Wow. You are beautiful.

Mermaid: Come here.

I went over.

Me: My name is J.D. Knudson, 2nd in Command of Team Loud Phoenix Storm.

Mermaid: It's a pleasure. My name is Elonna. But you have to help me.

Me: What's wrong?

Elonna: I can't control myself. Something is wrong with me. Every time I sing I always kill. (Crying) And I don't want to kill anymore!

I went over and hugged her.

Me: Oh man. I can feel an evil force in you. You are possessed by a demon.

Elonna: You have to help me.

Me: I will.

I put my hand on her back and chanted an exorcism incantation and then a pitch black cloud appeared out of her and faded and went back to hell.

Natilee: Wow! Princess Luna's powers are really amazing for dad.

Elonna: Thank you J.D.

She hugged me and cried.

Me: You're welcome Elonna.

?: YOU MOTHERFUCKING CUR!

Me: I had a feeling you would come here Evil Sasuke!

I then transformed into my Super Angel Xelnaga Infinity Harmony Form.

Me: (DIVINE ECHOING COSMIC ELEMENTAL VOICE) **Nice to see you Evil Sasuke.**

Evil Sasuke then had his eyes glow red with incredible rage!

Evil Sasuke: WHO THE HELL DO YOU THINK YOU ARE YOU MOTHERFUCKING CUR!? YOU ARE NOTHING TO US YOU CUR! WE ARE THE UCHIHA AND WE ARE THE STRONGEST AND THE ELITE!

Me: (To Evil Sasuke) **Hmm. Yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to me in 150,000 years just as I was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father was leading the Uchiha to greatness. But it turns out you're just another lost soul of the run-of-the-mill ninja. And you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic**

**ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the jutsu in the world just to expand your jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why I killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why I killed them all. YOU ALL FUCKING DISGUST ME!**

FORSAKEN BY WITHIN TEMPTATION PLAYS

Evil Sasuke Roared in an incredible amount of rage and fury and he went into his LEVEL 2 Curse Mark Form and he went at me and punched and kicked and brutally fought me all over and tried to smash my head in with indiscriminate fury and he was really determined to make sure that he kills me. I blocked all his punches and kicks and he jumped back and threw numerous kunai and I deflected them all and fired a powerful blast of fire and it hit him in his arm and burned him bad! He was screaming in pain and then he was screaming in agony. But then his screams of pain quickly turned into maniacal and insane laughter. He was laughing like an insane and totally fucked up monster that was fucked up to the core six ways till Sunday and he went at me again and I kicked him in the face and knocked him down and he got up and went at me again and I dodged him and fired a blast of lightning and it hit him in the crotch and electrocuted him all over. He went at me some more and I dodged his strike and kicked him in the back and sent him smashing into a rock and he got up and fired massive blasts of lightning at me and I deflected them back with my sword and he got electrocuted all over and I punched him in the face and he went at me some more and I was making him madder and madder and madder and he was only making me stronger with all his hatred and more. I then punched him in the face and he went at me and I dodged him again and dodged him again and then I kicked him in the back again and sent him crashing into a rock and he got up and went at me some more and fired massive blasts of fire at me and I fired waves of massive fire blasts at him and the blasts collided and exploded with incredible power!

Massive fiery explosions were blasting off all over the place.

I fired elemental blasts at Evil Sasuke and he was firing blasts at me and massive fiery explosions were going off all over and turning the area into a raging inferno.

Natilee: YEAH! GET HIM DAD!

Elonna: J.D.'s power is amazing!

The Entire area around us was turning into a war zone! Evil Sasuke then fired a massive fireball.

Me: **KAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!**

I fired a massive rainbow Fire Kamehameha Wave and it went through the fireball and destroyed it and it slammed into the Evil Sasuke and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Evil Sasuke was smashed into the ground with incredible force and I kicked him in the stomach with incredible power and he belched up a huge amount of blood and then I grabbed him by his shirt and threw him into the air and flew after him and kicked him in the face and knocked out some of his teeth and he jumped away and fired waves of fire and I fired waves of lightning and they overtook his fire and the blasts of lightning hit him all over and electrocuted him and then I fired a wave of wind and entrapped him in a tornado and then I fired a wave of fire and burned him all over in the tornado as it was turned into a fire tornado. When the tornado faded he jumped out and fired more fire blasts and me and I fired waves of crystal at him and they hit him and cut him all over the place and then I fired waves of wood at him and smashed him all over the place with incredible force and smashed him all over. He ran at me with a Chidori and I teleported and fired waves of lava and burned his hands and he screamed in pain as he was burned all over and then I kicked him in the face and smashed him into a rock! Then he popped out of the rubble and threw the rock at me and I smashed it with incredible brute strength and smashed him with waves of rocks and pebbles and smashed him all over the place! I then fired waves of darkness and electrocuted and burned him all over.

Evil Sasuke got up and he was more enraged than ever before!

Evil Sasuke: (ENRAGED SCREAMING) WHAT IS IT WITH YOU!? WHY ARE YOU SO STRONG!? IT'S NOT FAIR! THAT POWER SHOULD BE MINE!

Me: **You will never have my power.**

Evil Sasuke then raised his right arm up and then I threw an energy disk and it slashed his right arm clean off! He screamed in excruciating pain as it was completely severed from his shoulder and he clutched the stub of his arm.

Evil Sasuke: YOU MONSTER!

Me: **I've been called worse.**

Elonna: Geez this Evil Sasuke is full of himself isn't he?

Natilee: You have no idea.

Me: **You don't know how to love anyone Sasuke. All you care about is nothing but yourself.**

I then teleported and stabbed Evil Sasuke all the way through his black heart!

Me: **This is for everything you have done! Go to hell and stay there you motherfucking son of a fucking bitch!**

I then slashed him all the way in half and sliced and diced him into a thousand pieces and then I fired a pitch black energy blast of the Black Gates and he was banished to oblivion forever!

Evil Sasuke was obliterated forever.

Natilee: Take that!

Elonna: WOW! That was amazing!

Natilee: It sure was!

I powered down.

Elonna hugged me and then she kissed me.

Elonna: You are so awesome J.D.

Me: Thanks Elonna. It was awesome facing an evil Sasuke again. You are more than welcome to live with us.

Elonna: I would be honored J.D.

I later woke up at 8:10 AM

Me: WHOA! That was so awesome.

I went and got breakfast and in a ball of water at the table was Elonna.

Varie: Wow you had an other awesome Dream Rescue.

Me: I sure did.

I told everyone all about it and it was amazing.

Nico: That is awesome.

Eli: Way to go bro.

After breakfast it was time for another awesome rescue with Nico. This was going to be a good one though. In the simulator, Nico, Sage, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily Were in the middle of the city at night. And something was telling us that it was gonna be gruesome.

Batman then called us.

Nico: Oh hello Bruce. How's it going?

Batman: Not good. I need your help with something. I found a murder victim on the Merchant Bridge. He was killed and posed and chained on the Merchant Bridge.

Nico: Whoa! We better get over there and check it out. Someone killed, mutilated, and posed a body on Merchant Bridge. If we're going to stop them, then we need to investigate the crime scene for clues.

Maria: This is their day off. Best not to disturb them.

Nico: You're right.

Fu: Who could've done this?

Nico: We better get over there and find out. J.D. put me in charge of this mission on his day off.

Batman: I see. Lets get over there.

Abis Mal, The Vreedles, Touch & Go, Electrocutioner, Onyx and Deker then came.

Abis Mal: Can me, Touch & Go, the Vreedles, Electrocutioner, Onyx, and Deker help you guys out with this?

Nico: Yes you guys can.

Abis Mal: Thanks guys.

Nico: And Lester since you know Gotham like the back of your hand yourself you are perfect for this mission too.

Electrocutioner: Thanks Nico.

We followed Bruce to the Merchant Bridge and there we found a gruesome discovery.

It was a body that was chained, mutilated and posed and he was tied to the Merchant Bridge.

Tsuyu: Whoa! Someone really did a number on this guy.

Nico: No kidding.

Me: Geez! Someone did a really nasty job on this one.

Ochaco: Oh man.

Kaoruko: What have you guys got on the body?

Fu: Let's see. Deformity on the left ear, a wedding ring on the lower intestine, and a hip replacement.

Nico: (uses scanner) According to the scanner, the victim's name is Anthony Lund. Hospital records show he suffered from alcoholism, most probably brought on the by the breakdown of his marriage. The name of the ring is Ophelia, his ex wife. He was last seen in Albuquerque, New Mexico.

Batman: He's one of the patients in New Mexico that went missing.

Nico: Weird.

Me: Whoever did this was really maniacal.

Eli: No kidding there.

Later we went to the Gotham Herald Building and found another body.

Mr. Touch: What have you got on this body, Mr. Go?

Mr. Go: Scar tissue on the upper arm, remnanats of a pacemaker fitted through the right ventricle, and clear signs of bone deformation on the victim's knee.

Nico: (uses scanner) This guy's name is Franklin Accardo. He's committed a lot of drug related crimes. He's been in and out of orison at an early age. He was serving a 20 year prison sentence at Blackgate before being released early on grounds of ill health due to a heart condition. He moved to Little Rock, Arkansas, which is where he was reported missing.

Batman: Looks like the work of someone that is very familiar to me.

Sage: And I have a feeling I know who.

They went to Miagani Island next and found another body.

Lincoln: This is the third victim.

Laney: Now, what's on this body?

Mr. Touch: Irregularity on the victim's chest, a bullet lodged in the upper bicep, and the left foot is missing several toes.

Nico: (uses scanner) This is Robert Kincaid, a microbioligist from Stagg Industries. People believed the shooting was connected to Kincaid's knowledge of controversial research. He took a teaching post in Atlanta, which is where he went missing.

Lily: This definitely is the work of someone that is familiar to the former members of the Legion Of Doom.

Lola: Yeah.

Later at the same location on the southwestern side of the Salvation Bridge was a 4th victim: A female.

Sirius: A female victim. This is the 4th body.

Rhomboid: What about this one, Octagon?

Octagon: A bite mark from a shark, an Ocular prosthesis, and signs of trauma to the upper arm.

Nico: (uses scanner) This is Lisa Mendes. She's an orphan from the age of nine. She's been in foster homes and she's had some drug abuse. She also develooed a talent for surfing. She was working for a Christian charity in Tucson, Arizona when she went missing.

Applejack: She and Bridgette had so much in common. They like surfing.

Apple Bloom: Man that's rough.

Nico: No kidding.

Next at Founder's Island they found another body. A 5th Victim, a female.

Camie: Someone sure knows what they are doing though.

Eli: This is the 5th victim.

Laney: What does it say here?

Eli: Let's see. Signs of a removed tattoo, signs of a removed kidney, and and a plate made of tantalum.

Nico: (uses scanner) Ella Montgomery. The kidney was donated to a twin sister who unfortunately died. That was probably the catalyst for her boxing pursuits. She went missing in Huntsville, Arizona.

Batman: Someone really did all this to a lot of people.

Lola: No kidding.

Nico: Whoever did this either has a deranged mind or is out for the thrill.

Lastly we found a 6th victim on the north side of the island.

Onyx: What's on this body?

Lisa Loud: A chemical burn, a voice box, and an extra finger.

Nico: (uses scanner) This body is Alison Wears, an engineer employed at Ace Chemicals. She moved into a retirement home in Bludhaven several years ago.

Fu: This is the 6th body we found

Electrocutioner: Now I remember! This is the handiwork of our old friend Professor Pyg.

Nicole Knudson: I had a very strong feeling this was his dirty work.

Sirius: You guys know him?

Electrocutioner: Yeah we do. He was kicked out of the Legion Of Doom for his questionable methods.

Nico: Lazlo Valentin A.K.A. Professor Pyg. That deranged serial killer.

---

Professor Pyg (real name: Lazlo Valentin) is a minor antagonist in Batman: Arkham Knight. He appears as the main antagonist of the Most Wanted mission The Perfect Crime.

He is the insane leader of the Circus of Strange and is responsible for several kidnappings in the places where the circus performed. Pyg experimented on his abductees and turned them into mindless puppets known as Dollotrons. However, Pyg only changed those he deemed "perfect"; the others he killed and displayed throughout Gotham City for Batman to find.

He is voiced by Dwight Schultz, who also voiced Aloysius Animo in Ben 10.

Lazlo Valentin was obsessed with making himself and people "perfect" after being berated by his parents that he wasn't "perfect" or "wasn't good enough" to please them. As an adult, he was a gifted scientist, but after suffering a schizophrenic breakdown believed that people must have their uniqueness removed if they are to be perfect the way he envisions it. Taking up the deranged persona of Professor Pyg, he became the ringmaster of the Circus of Strange, where he would tour the country, luring victims of all ages to his show, and surgically turning them into his Dollotrons, "perfecting" them as he sees it. The end results are organic robots with doll masks grafted on their faces, genitals presumably removed and unable to feel or think anything. Those he could not "fix" were simply tossed like trash. Eventually, he conceived a son, Janosz; it's implied that he was born from a rape victim and Pyg had her either killed or turned into a Dollotron when she refused to be with him. At one point, Pyg turned the young son of a rich man named O'Neil into a Dollotron, and when O'Neil brought a suitcase of money to release him, Pyg refused to let the boy go and had his Dollotrons, including O'Neil's son, capture him and prep him for surgery.

## Arkham Knight

Batman finds six victims strung up like a dressed deer in various places throughout Gotham with opera music playing on a loop through speakers placed next to the bodies. Because the process of turning them into Dollotrons had corrupted their DNA and destroyed their fingerprints, Batman has to use his Deep Tissue Scanner to look for any distinguishing features to identify them in the Missing Persons Reports.

After investigating the bodies, all the victims had similar traits: they had troubled pasts, had been through surgery prior to being kidnapped, had scars on them from accidents, genetic deformities and they all went missing at fairgrounds and parks around the country; all of which were where the Circus of Strange had stopped on its route. Alfred finds only one associated name involved with the circus: Lazlo Valentin, who leased a beauty salon in Gotham, the Pretty Dolls Parlor, but the lease expired before construction began on Wayne International Plaza. He also tells Batman to proceed with caution with Valentin, because he was mentally unstable, even by Gotham standards.

Pyg is interrupted in one of his experiments by Batman, who demands that he release all of his prisoners from his Monster Machine. Pyg refuses and turns his Dollotrons upon Batman before joining in the fight, throwing knives at Batman while singing crazy song lines as the Opera music plays on. After Batman defeats them he arrests Pyg and takes him to the GCPD Lock-up, all the while

Pyg bemoans how his mother will be very disappointed in him.

When he was done we were shocked and horrified!

Nico: Agreed. This guy is JUST as dangerous as the Joker but we're not sure he killed as many as he did.

Me: An incredibly nasty fucked up monster and lunatic!

Electrocutioner: The Legion Of Doom had Professor Pyg in their ranks once but he was kicked out for his questionable and gross methods.

Nico: Whoa.

Electrocutioner: Being from Gotham myself, I've seen Pyg in action before. And it usually makes me vomit.

Nico: He is a disgusting monster.

Sage: Boy no kidding.

Nico: Thanks for coming with me, Sage.

Sage: No problem Nico. It'll be awesome to help you out on an amazing Rescue.

Laney: It sure will Sage.

Nico: Sage, I'm sorry that we initially forgot that you and your team helped us in the Friendship War.

Sage: It's all right Nico. That was a great battle back then.

Nico: It sure was a cool one.

Laney: Yeah but you guys really did awesome in that entire battle.

Sirius: That was cool when you hear about it.

Me: And we owe the Ronin Warriors big time for helping us out on April 12th last year.

Sirius: That is so awesome that they helped you all out back then.

Kaina Tsutsumi: It sure is cool.

Nico: Yeah and it was an awesome honor meeting them too.

Eli: That was so awesome.

Nico: But the second time we met you guys, Kairi Yano, Keiichiro, and Right were with us along with their teams.

Me: That was so awesome and epic.

Sage: Boy it sure was. We also had an amazing battle with Emperor Talpa.

Sirius: Who was Emperor Talpa?

Me: He was the leader of the Evil Dynasty and you would not like this guy one bit.

I went over his history and it was horrifying and shocking.

Talpa, also known as Emperor of the Evil Dynasty (also called Youja Teiou Arago; Demon Emperor Arago in YST), is a powerful evil spirit and the main antagonist on the TV series, Ronin Warriors.

He is voiced by Mina E. Mina. (Shigezō Sasaoka in the original Japanese version)

He threatened to conquer the earth-plane a millennium ago. He was defeated by The Ancient One, who was the guardian of the mortal world. Before his defeat, Talpa vowed to exact revenge in a thousand years. While his spirit was sent back to the Nether Realm, his armor remained in the mortal world. Since the armor could not be destroyed, The Ancient cast a powerful spell, and split Talpa's armor into nine separate armors with their own separate powers and Virtues. Talpa eventually re-acquired four of them: Cruelty, Corruption, Illusion, and Venom. He gave them to four humans who became his Dark Warlords.

During the modern era, Talpa follows through with his revenge and takes over the city of Tokyo by capturing its citizens. Talpa would send the Dark Warlords out on missions to destroy the Ronin Warriors who threatened to wreck his plans of world domination. Eventually, the Ronins enter the evil emperor's castle, but Talpa absorbed each of the Ronin Warriors and the Dark Warlords to regain his armor. However, Ryo refused to let down the other Ronin and broke free using the Inferno Armor to defeat Talpa. Talpa was assumed to be dead by the Ronins, but he did survive the battle. In the second TV series, Talpa returns stronger and more determined than ever. He even unleashes a secret weapon against the Ronins that even his own Warlords didn't know about: Lady Kayura, the last of Ancient One's clan, whom he corrupted to serve his own purposes. This time Talpa had his eyes on gaining the Inferno Armor and using its power to destroy the earth. Eventually, he was able to capture three of the Ronin Warriors, but they freed themselves after Anubis sacrificed himself to free Kayura from Talpa's control, and even the Dark Warlords turned on him when they realized that they were only pawns to him, despite their previous seeming fanatical devotion. In the final battle Talpa proved far stronger than before, even overpowering the Inferno armor, but still lost. Ryo managed to possess him, allowing the other Warriors to attack him, leaving him badly injured. Ully's desire to save Ryo causes the Jewel of Life to fire a blast of energy that finishes Talpa and saves Ryo.

Talpa's weapon is six double edged swords formed in a circle on the back of his body. Before re-gaining his armored form, Talpa only appeared as a giant floating helmet.

In episode 2 of Gaiden, Shikaisen's last form against the Ronin Warriors looked eerily like Talpa, but until Message was released a few years after Gaiden, Talpa never made another appearance.

Talpa's origin was told in a book written by a member of the Sunrise staff. It came out around the same time as the novelized versions of the TV series, and a special novel about the Kaos clan.

---

When I was done everyone was shocked and amazed.

Ochaco: Wow! That is incredible!

Kaoruko: That was so awesome!

Momo: No kidding! That was cool!

Me: And we got to demonstrate all the powers of the armors. And Mia and Ully got to use their own awesome armors that they acquired too.

Nico: Yeah one for the Moon and the Sun.

Laney: That was so awesome.

Sage: That is really amazing. Now thanks to all of us working together Emperor Talpa was destroyed forever.

Me: Banished to the Warp. But I have a feeling that one day he will be back. But we're ready for him.

Nico: Yes we sure are.

Eli: Yeah.

Nico: And I really liked going to many food planets these past few days.

Me: Those were awesome. And it was really awesome seeing them too.

Eli: Yeah they sure were awesome.

Arrietty: I'll never forget seeing all those planets.

Fu: They were the most awesome and most delicious we've ever seen.

Aylene C.: Yeah they were. What would really be awesome is if there were planets for each of the times from Prehistoric Eras.

Nico: Now that would be a really cool sight to see.

Me: Prehistoric time planets. They would be something I'm really looking forward to.

Eli: Me too.

Nico: Yeah. But lets worry about that later. Right now we need to kill Pyg and end his reign of carnage.

Rainbow Dash: I agree. I should rip his nose off and shove it so far up his butt that he'll sniff his intestines from the inside!

Nico: I like how you think R.D.

Me: Me too.

Sirius: How do we find him?

Nico: Simple. Just follow the sound of the opera music.

Me: He likes opera music.

Nico: Lets get him!

We went to Pretty Dolls Parlor in Ryker Heights and heard opera music.

Nico: That's opera music all right. Lets go.

We came to a boarded up entrance.

Nico: Here we go.

Professor Pyg was working when suddenly…

The spirits of the Elemental Masters of Deception appeared and swirled around Pyg and then smashed him all over and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and then we came out.

Me: Lazlo Valentin A.K.A. Professor Pyg. So we meet again for the last time.

Electrocutioner: Hello Pyg. Nice to see you again.

Professor Pyg: Lester. Pyg happy to see you and you too.

Batman: You're done here, Valentin. Let them go!

Pyg: Oh no, no, no, no, no! Pyg not ready yet. She's all unique and wrong. All messed up, inside out. Pyg make her better! Pyg make all of us better!

Fu: Just give up, Pyg. It's over!

Pyg: But Pyg can fix you too! Make you perfect! Like the others!

Me: You are totally fucked up in the head you overgrown porkchop!

May: You're insane, do you know that?!

Pyg: And what are all of you?

Nico: We're here to stop you!

Me: And we're going to kill you!

Pyg: Bad, bad, bad. Pyg is like clay. Pyg is like God. Pyg is here to fix us all!

Nico: You are not fixing anything anymore. Today you die!

May: Yeah!

Nico: Seriously, Pyg. Your opera singing's a dead giveaway.

Me: You need a better hobby!

Sage: And we're going to make sure you pay for your crimes!

Laney: Big time! You make me sick!

Tsuyu: Yeah!

Sage: (ECHOING) Armor of Halo, Tao Chi!

In a flash of green light he donned his Armor of The Halo!

Nico: YEAH!l

May: Where you're going, you won't hurt anymore innocent people again!

Me: And it's not going to be the Warp this time.

Pyg: What? Pyg doesn't hurt at all. Pyg fixes people, Pyg heals them. My Dollotrons, my darling girls are works of art.

Fu: Bullshit!

Nico: You are a monster!

Batman: You mean the men and women you kidnapped and mutilated? They're forced to live a fate worse than death thanks to you. If you were expecting a trip back to Arkham, I hope you were disappointed. The rules have changed!

Fu: That's right! Prepare to die!

Pyg: No, not death. Pyg makes life truly worth living!

Maria: And the people that you senselessly slaughtered?

Pyg: They were too broken for Pyg to make better. They were too imperfect, oh no. They made Mother angry, and made Pyg feel sick, very, very sick.

Nico: Funny thing about those things you couldn't change though. That's how we were able to locate the bodies. It's the reason how we were able to find you, and it's why in the end you failed.

Maria: And that makes you just as Fucked up as the Joker. Prepare to die.

Electrocutioner: I don't know what the hell we were thinking letting a twisted scumbag like you join the Legion Of Doom!

The Dollotrons started moving towards us.

?: You'll have to do better than those junkies!

Then a Vicetopus appeared and smashed the Dollotrons to dust!

Nico: Wow! A Vicetopus!

Vicetopus: (Japanese Accent) (In a Girl's Voice) Good to see you again Nico.

Nico: Erin Utakara? Wow!

Me: Cool!

The Vicetopus reverted back and she was a girl with purple hair and she had red and black clothes. But she also had a scar over her left eye!

Me: Whoa man! What happened to your eye?

Erin Utakara: It was during a science experiment that I did at school that the beaker of chemicals I had exploded and a shard of glass slashed my eye and damaged it to the point where it had to be removed.

Laney: Ooh ouch.

Lola: That must've really hurt.

Nico: It did. Let me take care of Pyg and then we'll catch up.

Nico teleported and slashed his chest open and then he ripped his beating heart out of his chest and and ate it!

Nico swallowed it and then used the Black Gates on Pyg and destroyed him forever.

Nico: That's that.

Sage: What's your favorite memory of Nico?

Erin Utakara: I have a lot of them but they mostly are in science class. It's also how I got this.

Erin sprouted purple angel wings and they were amazing!

Me: WHOA!

Fu: AWESOME!

Rainbow Dash: Those wings are really amazing.

Erin Utakara: Chemical explosion did this. It mutated me and gave me angel wings and I helped Nico take down lots of repulsive bad guys with him. The worst of all being the Dead End Brats.

Nico: I remember that. You would not like these guys.

Me: I've heard of those boneheads. They were a gang of brats no older than about 10 years old and they were a bunch of obnoxious bullies that caused a lot of problems for the state of Florida.

Nico: Yep.

Erin Utakara: We sent them to prison for good.

Nico: Yep.

Laney: That is amazing.

Lana: Yeah they give kids everywhere a really bad name.

Lola: You said it.

Nico and Erin hugged.

Nico: I really missed you.

Erin Utakara: Me too Nico. Me too.

Nico: We'll have to see if we can get you an awesome cybernetic eye to replace your old one.

Erin Utakara: I would like that Nico.

Lisa Loud: And you are looking at one of Team Loud Phoenix Storm and Gotham Royal York's top notch medical professionals.

Nico: Lisa is great at it too.

Laney: She sure is.

Camie: This was an awesome adventure though.

Himiko Toga: And Nico got to rip Pyg apart too and eat his heart.

Nico: Yeah.

We later left the simulator and came back and told everyone what happened and more and they were amazed and shocked.

Nico: (Gulps) Yeah, that's right, big guy. I saw that movie long ago, and that thing is both scary and dangerous as hell.

Lincoln put his arm around Nico to comfort him.

Lincoln: Hey, it's okay, Nico. Look, I'm not angry anymore about that secret mission you and J.D. had for Clyde and Syd, because we were going to find out one day. But, next time, don't keep it a secret from the rest of us, okay? You know you can trust us.

Nico: I know that, Lincoln, but it's not that that's got chills going down my spine.

Me: You mean that ugly Piranhaconda? None of us blame you, Nico, that thing scares us as well, but this monster's got to go.

TLPS Mr. Snake: Yeah, and I may be a snake, but a Piranhaconda, that thing's a freak of nature and it needs to be eradicated.

TLPS Mr. Wolf: Big time, Mr. Snake.

Lincoln: You got that right, guys, and thanks for joining us, Stacy.

Stacy Bolton: You're welcome, Lincoln, but I think there may be another Piranhaconda out there as well.

Lincoln: Oh boy, Double Trouble.

Eli: That's not a good sign, but we're ready for them both.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of eleven girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eleven girls, but they've been cornered by the twin Piranhacondas, and they're going to kill them.

Lincoln: Guys, I found the eleven girls, but they've been cornered by the twin Piranhacondas, and they're going to kill them.

?: Those ugly freaks of nature, let's turn them both into leather luggage.

Suddenly, we saw the Arcana Force XIV - Temperance appear before us.

Nico: Whoa, that's the Arcana Force XIV - Temperance, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Sonnya Rexxington, but we'll have to talk later, let's skin those ugly snake fish freaks!

Nico: Yeah!

We rushed on over, and Lincoln fired powerful rainbow energy balls at the twin Piranhacondas, and it allowed the eleven girls to get away and TLPS Mr. Wolf put up a field to protect them. When the twin Piranhacondas saw us, they roared at us and they were pissed.

Lincoln: Yeesh, those things really are ugly, ugly, ugly!

Lola: Agh, yuck!

Lincoln: Let's skin them alive!

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr.

Then, Lincoln covered the massive blade of his massive sword in rainbow energy, and it turned into a massive rainbow energy blade of light, and with one loud roar, he swung his blade down, and he cuts the twin Piranhacondas down, and all that was left of them were remains of them and in large pools of blood, and Lincoln turned them into leather luggage, and we all cheered wildly as we holster our weapons and power down.

Lincoln: That's it for those twin ugly snake fish freaks. (To Sonnya Rexxington) And it's so good to see you again, Sonnya Rexxington.

Sonnya Rexxington reverted back to normal, and she's a beautiful 17-year-old girl with long flowing dark blue hair, light blue eyes, she's tall at 6'5" in height, she has the body of a goddess, she has massive ocean blue angel wings, and she reigned in the power

Arcana Force XIV - Temperance, and she's dressed in a blue short-sleeved blouse, blue sleeveless dress top, blue skirt, black pants with blue designs, blue sneakers, and blue sleeveless trenchcoat with ocean waves on the coattails, and Arcana Force XIV - Temperance on the back, and holstered on her back is a large Arcana Force XIV - Temperance-themed sword with a 6'10" massive, wide, double-edged blue blade with Arcana Force XIV - Temperance etched on it, large blue angel wings for the crossguard, large blue gem embedded in the rainguard, longer black handle, and large blue gem with angel wings surrounding it for the pommel.

Sonnya Rexxington: You too, Lincoln, it's been a long time.

Lincoln went up to Sonnya Rexxington and they hugged, and Sonnya Rexxington's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Sonnya Rexxington: I knew you have, but whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Sonnya Rexxington, she's another of my Guardian Angels from Royal Woods, Michigan, she's a very strong and powerful Psychic Mindreader and Clairvoyant that has the power to see into the future as well as read the minds of those around her and she even has powerful water powers too, and as we saw, she also has beautiful blue angel wings, and she has the power to predict and stop trouble before it even begins. She also stopped Flip from killing me and Lana with poison gas and got him up to the top of the FBI's Most Wanted List and sent him on the run.

We gasped in shock, and Nico was really pissed off and his face turned red like a neon red glowing chili pepper.

Nico: That fat, ugly, three-butt-cheeked, mutant cheapskate tried to kill you and Lana with poison gas?! Oh, if we weren't humiliating him, I'd…

Lincoln: Whoa, Nico, calm down. I know what you were about to say, but J.D. already killed Flip last year, so it's better to have him humiliated for the rest of his life than kill him again. But, you and the others will hear how Sonnya saved me and Lana from getting killed by Flip using Poison Gas on us.

Suddenly, a Thunderbird of Eternal Love appeared around Sonnya Rexxington's neck with blue gems on the gold thunderbolt links and blue crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Sonnya Rexxington: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Sonnya.

Sonnya Rexxington had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her, and he leaned down and kissed Sonnya Rexxington on the lips, and they returned it, and we cheered for them. Then, we went up to the eleven girls, and when Lincoln saw them, he immediately recognized them. The eleven girls are Mai Vlad Transylvania the Vampire, Banba Mitsugu, Konno Kaori, Sumida Jinko, Unten Nami, and Watabe Maki from Vlad Love, Kishimoto Lilith, Camilla, Cammot, Chizuru Makimura, and Aki Sakamoto from Holy Knight.

Lincoln: Oh wow, it's Mai Vlad Transylvania the Vampire, Banba Mitsugu, Konno Kaori, Sumida Jinko, Unten Nami, Watabe Maki, Kishimoto Lilith, Camilla, Cammot, Chizuru Makimura, and Aki Sakamoto.

Nico: From Vlad Love and Holy Knight, whoa, girls of both light and darkness, awesome.

Lincoln: Are you girls okay.

Mai Vlad Transylvania the Vampire: Yes, we're okay, thanks to you.

Then, when Mai Vlad Transylvania the Vampire and the other ten girls saw who it was that saved them from the Piranhacondas, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that

read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Mai Vlad Transylvania the Vampire: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made ten clones of himself, and he and the ten clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Mai Vlad Transylvania the Vampire: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eleven Thunderbird Necklaces of Eternal Love appeared on the necks of Mai Vlad Transylvania the Vampire, Banba Mitsugu, Konno Kaori, Sumida Jinko, Unten Nam, Watabe Maki, Lilith Kishimoto, Camilla, Cammot, Chizuru Makimura, and Aki Sakamoto with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and they were shocked when they found out that the villains we went after were the Piranhacondas, and the others freaked out and screamed like crazy when they saw them.

But, when Lincoln showed what he did in turning them into leather luggage, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Sonnya Rexxington have a lot of catching up to do, now that she's back in town.

After getting rid of the Piranhacondas, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Sonnya Rexxington saw Lincoln working out like crazy, she had an atomic red blush on her face.

Sonnya Rexxington: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sonnya, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sonnya Rexxington: That's incredible.

Nico: It sure is. So, Sonnya, how did you stop Flip from killing Lincoln and Lana with poison gas and got him up to the top of the FBI's Most Wanted List and sent him on the run?

Sonnya Rexxington: You'll love hearing this, but you'll also be pissed at how low Flip has stooped yet again. One day, Lincoln, Lana, and I were walking home from watching another of Bobbie Fletcher's races, but then, I got a vision and it showed that Flip was going to come out and spray Lincoln and Lana with poison gas and kill them as revenge for ruining his scams yet again. I was so pissed off at Flip, I fired a blast of hot water at Flip, and that three-butt-cheeked, ugly, hairy, mutant cheapskate pig came out screaming, and when Lincoln and Lana saw a canister of poison gas, and Flip was going to use it on them, they were pissed, and I called the cops on Flip, and because of what he tried to do, he was put on the top of the FBI's Most Wanted List, and he went on the run.

We gasped in horror and shock, and as expected, we were pissed at how low Flip has stooped yet again.

Me: Why, that butt-sucking, ugly, hairy, mutant, smelly, stupid, three-butt-cheeked… !

Nico: Now, I'm fucking pissed at Flip big time for this.

Lincoln: Flip still doesn't know that poison, gas, and other types of harm won't work on us, he's still completely stupid.

Lincoln put the heavy barbell on the rack, and he aimed his left hand and sensed for Flip.

Lincoln: This is for trying to kill me and Lana with poison gas, which won't work on us, you three-butt-cheeked mutant pig!

Lincoln fired a massive blast of hot water and soap at Flip, and it cleaned him off, and he screamed and freaked out. WHAT A FILTHY SLOB! Then, Lincoln went back to working out with the rest of us.

Nico: Did you just give that pig a bath again?

Lincoln: Yep, but this time, I fired a massive blast of scalding hot water and soap, and I knew he'd freak out and scream, what a pig.

Lori: Trying to kill you and Lana with poison gas, now Flip's gone too far this time, and I swear, if I hear one more nasty revelation about Flip, he's literally going to get my boot up his three-cheeked butt.

Eli: I'll rip him to shreds if I hear one more revelation about him.

We got a shower afterwards, but then, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Kirby's two old enemies, Heavy Lobster and Wham Bam Jewel, and they're causing havoc in Gotham Royal York.

Lincoln: Uh oh, looks like we got trouble, guys: Kirby's two old enemies, Heavy Lobster and Wham Bam Jewel, are here and they're causing havoc in Gotham Royal York.

Maria: What?!

Nicole: Oh, that's not good.

Nico: I should've known we'll have trouble, and it's right before our mission to meet Tyson and The Beybladers.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: the dark energy signal Lincoln sensed belonged to Dark Lord Gaol, an old enemy of Pit and his friends, and he's here for revenge on Pit for destroying him long ago. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Pit, you and the others aren't going to like it: the dark energy signal I sensed belonged to another of your enemies, the dark energy signal I sensed belongs to Dark Lord Gaol, and he's here for revenge on Pit for destroying him long ago.

We all gasped in shock.

Me: Oh, this isn't good.

Nico: You said it, J.D. But, if I remember right, Gaol is actually a young girl trapped inside that dark armor.

Lincoln: That's right, and we need to get her out of it and destroy the armor for good. Let's go.

We flew out of the World Tree Estate, and Lincoln fired rainbow energy blasts at Heavy Lobster and Wham Bam Gem, and it hits them. When they saw us, they were mad.

Emerald Sustrai: We've had it up to hear with you two to the last time.

Dew Gayl: And now, it's high time we taught you two a lesson.

Suddenly, the green eyes of Emerald Sustrai and Dew Gayl turned neon green, and they were both surrounded by green energy auras, but Emerald Sustrai's energy aura is emerald green with emeralds, illusions, and phoenixes and Dew Gayl's energy aura is spring green with flowers, green gems, and doves, and as they approached Heavy Lobster and Wham Bam Gem, they left emerald and spring green energy, emeralds, green gems, illusions, flowers, phoenixes, and doves with every step. Suddenly, they were surrounded by massive vortexes of emerald and spring green energy with flowers and illusions surrounding them, there was a phoenix and dove flying around the vortexes and in the vortexes are green phoenixes. Then, as the vortexes faded, Emerald Sustrai and Dew Gayl emerged, but they were changed forever.

JUSTICE AND DIVINE LOVE!

We were amazed by the Super Angel Infinity transformations of Emerald Sustrai and Dew Gayl, and when Lincoln saw them, he had an atomic red blush on his face and hearts in his eyes, but when Heavy Lobster and Wham Bam Gem saw it, they tried to attack, but the girls fired green energy blasts at the two villains, and it hits them, and sent them flying into a wall.

Nico: Holy crap, Emerald Sustrai and Dew Gayl have both transformed, oh this is going to be good.

Me: Speak of the Devil and he shall come.

Pit: Dark Lord Gaol, I should've guessed you'd be here yet again.

Dark Lord Gaol: And now, I shall destroy you for what you did to me!

Lincoln fired a blast of light at Dark Lord Gaol, and removed Gaol from the dark armor, and got her to safety, but the armor hadn't fallen apart, and Varie brought her to The Infirmary in the World Tree Estate to recover.

Zuppa the Soup Faerie: Alright, Lincoln's separated Gaol from the dark armor, and now, here's our chance to stop him.

Nico: Whoa, Zuppa the Soup Faerie's transformed, and now that Lincoln separated Gaol from the dark armor, they're not going to hold back.

Lincoln: Wow, Zuppa, you look beautiful. How do you feel?

Zuppa the Soup Faerie: (Divine Echoing Cosmic Voice of The Soup Faerie and Divine Love) **I feel incredible, Linky. Now then, shall we deal with that infernal dark armor once and for all?**

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Time to turn that infernal dark armor into scrap metal.**

Lincoln and Zuppa the Soup Faerie went after the dark armor of Dark Lord Gaol, and they fired powerful blasts of rainbow energy, yellow energy, soups of different flavors, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Faeries at the dark armor of Dark Lord Gaol, and they exploded with incredible power as they hit him. Lord Gaol with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and left painful scars on it, and Zuppa the Soup Faerie fired powerful neon blue energy blasts from her staff, and it hit the armor.

Then, Lincoln grabbed the armor of Dark Lord Gaol, and he choke-slammed the dark armor down onto the floor, and Lincoln punched, kicked, and smashed it all over the place with his immense and brute superhuman strength. Zuppa the Soup Faerie: That's it for that accursed dark magic-animated armor. Thank you for helping me with taking down that cursed armor, Linky.

Lincoln: (Smiles Warmly) You're welcome, Zuppa.

Suddenly, Zuppa the Soup Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Zuppa the Soup Faerie's face, they kiss passionately as Zuppa the Soup Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with steaming bowls of soup appearing out of nowhere, and we all cheered for them.

Nico: Wow, now that's one awesome display. (Sniffs) And they also made bowls of hot delicious soup, nice.

We tasted the bowls of soup, and they were awesome.

Me: Now, those are some awesome tasting soups, nice. Oh, do you have a soup that can help Gaol regain her strength, Zuppa?

Zuppa the Soup Faerie: I'm already on it, J.D. Let's head back to the Estate so I can prepare it.

We got back to the World Tree Estate, and Zuppa the Soup Faerie got to work in creating her special soup for Gaol who's in the infirmary, and when it was done, it was a steaming rainbow-colored soup and the smell coming from it was amazing. When Gaol tasted it, she began to regain her strength, and she was finally recovered.

Me: Whoa, now that's some awesome soup.

Lincoln: Zuppa told me about it, this soup is said to help someone who was severely fatigued and/or really injured recover their strength.

Nico: Whoa, now that's some very powerful soup, big guy.

TLPS Mr. Wolf: You said it.

TLPS Mr. Shark: Talk about a quick recovery.

TLPS Ms. Tarantula: But, she'll need more time to recover, who knows how long she's been in that cursed armor?

Lincoln: Well, it's the last time that ever happens, TLPS Ms. Tarantula.

Suddenly, a Thunderbird of Eternal Love appeared around Gaol's neck with blue gems on the gold thunderbolt links and blue crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Nico: (Surprised) Whoa, is that a…?

Gaol: Yes, it's a Thunderbird Necklace of Eternal Love. And I owe you my thanks for saving my life, Lincoln Loud.

Lincoln: You're welcome, Gaol, and we're glad that you're going to be okay.

Suddenly, Gaol wrapped her arms around Lincoln's waist, and Lincoln then wrapped his abnormally massive and powerful muscular arms around her, and he leaned down and kissed Gaol on the lips, and she returned it, and we cheered for them.

Me: Way to go, big guy.

Nico: Now, that I didn't even see coming, whoa. But, that's another girl Lincoln rescued, and now, Gaol's a member of Lincoln's harem and another of his future wives, that's awesome.

Pit: Whoa, Lincoln sure is one awesome ladies' man.

Palutena: Just like J.D., Nico, and Clyde.

---

Later it was time for Will's Final Ambassador Mission.

Will Vandom: This is gonna be so awesome.

William: Anyone else want to go with Will? Besides Yost Reed and 4 Rabbids?

May: I'll go.

Maria: Same with me.

Lincoln: I'll go too and so can my siblings if they want.

Lori: Sure Lincoln.

Leni: This will be totes fun.

Nico: This is gonna be awesome.

Laney: It sure will be cool!

Lola: Yeah it will.

Megan Kiraton: I'll go as well. I want to have another shot at some more Greeeds.

Nico: All right lets head out.

We were then off to Japan.

We arrived.

Eiji: Hey guys!

Will: Eiji, meet the Loud Kids.

Lincoln: It's awesome to meet you all. My name is Lincoln Loud and these are my siblings.

Lori: I'm Lori Loud and I'm the eldest.

Leni: I'm Leni and I'm the fashionista.

Luna: Sup dudes. Names Luna and I'm the Rock Star.

Luan: My name is Luan and I'm the Comedian and Jokester.

Lynn: What up guys? Lynn Loud Jr.

Linka Loud: My name is Linka Loud and I'm Lincoln's female counterpart from another universe.

Liberty: I'm Liberty Loud and it's an honor.

Lyra: My name is Lyra Loud.

Lee: I'm Lee Loud and it's a pleasure.

Lucy Loud: I'm Lucy Loud and I'm the goth of the group.

Laney: My name is Laney and I'm the bookworm and artist and Forensic Psychologist in training.

Lana: I'm Lana Loud.

Lola: And I'm Lola Loud and we're twins.

Lisa: Greetings to you all. I'm Lisa Loud and I'm the genius.

Lily: My name is Lily Loud and I'm the Photographer.

Eiji: Wow! It's so awesome to meet you all.

Me: (Whispers to Eiji) Lincoln and his family come from parents that don't believe in condoms.

Eiji snickered.

May: My name is May Chan and I'm Nico's awesome wife.

Nico: Yep.

Eiji: Awesome!

Maria: I'm Maria Rockell, Second in Command of the Redemption Squad.

Eiji: Awesome to meet you .

Yost Reed: My name is Professor Richard Reed but I go by Mr. Fantastic. I'm the leader of the Fantastic 4 in another universe.

Me: We call that universe the Yost Universe because it's a different version of the Marvel World.

Eiji: I see.

Lincoln: Eiji, you're not the only one who values underpants.

Eiji: Really?

Me: Yeah ever since I met Lincoln and his siblings back in 2016, Lincoln loves to read his comic books in his underwear. I totally respect that because everyone has their own tastes and hobbies and it's awesome.

Eiji: That's true. That's cool too.

Nico: It sure is.

Eiji: Guys, I'd like you all to meet Ankh.

Me: Wow so you are Ankh. I've heard so much about you and how you have helped Eiji on his adventures.

Ankh: That's true and it's an honor to meet you J.D.

Me: You too.

Nico: You helped Eiji out on so much and that is amazing.

Laney: It sure is.

Yost Reed: Tell me. When you first met Eiji, how did you feel about him?

Ankh: Well I felt that he wasn't smart enough to use the core medals that were given to him so I had to help him big time as I gather all the core medals.

Nico: At least you helped train him in all sorts of awesome things.

Me: But it was all for a great reason too. To prepare for when Eiji had to kill Kiyoto Maki.

Nico: Yep. That Mad Scientist has got to get the Black Gates.

Megan Kiraton: He was an absolute monster and he needs to pay for all of his crimes!

Nico: Funny how you grew to bond with Eiji as time went on.

Ankh: That's true and Eiji is the best friend I could have ever have.

Me: That is awesome. But you guys worked together to bring down Maki together.

Lana: That is for sure.

Eli: Yeah.

Lola: I agree there.

But then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: (hears explosion) Sadly, I don't think Maki is part of that explosion.

Me: Lets go kick some Greeed Ass!

We went to face the Greeeds.

We saw KAZARI, Kuro Ageha, Ageha, Itomakiei, Kurage, Piranha, Bison, Rikugame and Uni-Armadillo!

Nico: KAZARI, Kuro Ageha, Ageha, Itomakiei, Kurage, Piranha, Bison, Rikugame and Uni-Armadillo!

Lori: This is literally going to be awesome!

Eli: Lets do it!

Eli engaged the Medal Tank.

Eiji and Will: Henshin!

TAKA! TORA! BATTA! Ta-to-ba! Tatoba, Ta-to-ba!

They transformed and were ready!

Nico: Lets power up!

Me: Lets do it! But I think I will do it like this. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I WAS SURROUNDED IN A VORTEX OF BLUE FIRE AND I HAD ON MY DARK BLUE FIRE WOLF MOON TRENCH COAT AND BLUE FIRE SHIRT AND PANTS AND I HAD MY SCYTHE READY! MY DARK BLUE ANGEL WINGS WERE READY! I WAS NOW WOLF MOON!

Me: YEAH! (HOWLS)

Nico: What to do it that was then. Okay.

Laney: Lets do it!

The Loud Kids went Super Angel Infinity!

Irma Lair: Lets do it! (WATER SPLASHES) WATER!

Taranee Cook: (FIRE BURNS) FIRE!

Cornelia Hale: (VINES GROW) EARTH!

Hay Lin: (WIND BLOWS) AIR!

Elyon Brown: (CLOCKS TICK) TIME!

Megan McCallister: (STARS SHIMMER) SPACE!

Lillian Hale: (LIGHT SHINES) LIGHT!

May and Maria powered up!

Nico: Lets get them!

We went at them! We slashed and pulverized them all over!

Eiji: Now, time for me to kick it up a notch! Time to access Putotyra Combo!

Ptera! Tricera! Tyranno: (Screech) Pu-To-Tyrannosaurus!

I gasped!

Me: Oh man! I remember this form! He is totally feral in that form!

Eiji: J.D. relax. I'm now in full control of it now.

Me: Wow!

Eiji: Yep.

Me: Cool. Might as well start it big! WOLF MOON FIRESTORM STYLE NINJA ART: BLADE DANCE OF THE BLUE FIRE!

I slashed the ground and numerous blades of blue fire exploded out and slashed all the Greeeds all over and numerous medals exploded out as the Tank collected them all.

Ankh: Wow! That was amazing!

Eli: You haven't seen anything yet.

Me: Wait! Eiji I sense someone inside the Bison Greeed!

Yost Reed streched out his arms and used them to restrain the Bison Greeed

Yost Reed: Good thing I came along, huh?

Me: Very good thing! Eiji let me see who is in there. WOLF MOON SCAN FLAME!

I fired a beam of fire from my scythe and to my shock and surprise it was TSUKUYOMI from the Zi-O Kamen Riders!?

Me: OH MY FUCKING SHIT! It's Tsukuyomi from Zi-O!?

Nico: She got turned into a Greeed!?

Me: A minor setback in our plan but at least we'll have Tsukuyomi with us.

I fired a beam of fire and ripped open the Bison Greeed and pulled out Tsukuyomi! Nico caught her.

Tsukuyomi: (weakly) Nico? Is that you?

Nico: Yeah it's me.

Me: (Speaking in Japanese) つくよみ、大丈夫ですか？(Tsukuyomi, are you alright?)

Tsukuyomi: The famous J.D. Knudson? Yes I'm okay.

Me: You're going to be all right. You were turned into a Greeed.

We then saw Clyde and Syd in the distance fighting Swartz and the

Time Jackers.

Me: (In my head) Excellent. The mission is going good.

Nico: You'll be all right.

Tsukuyomi: The Time Jackers ambushed me and turned me into a Greeed.

Me: It's not your fault.

Eiji: Now, let me do the finishing touches.

Nico: Go for it!

He jumped and slashed the Bison Greeed and it exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

Me: One down!

I got the Buffalo Core Medal.

Me: Buffalo. Wow.

Maria and May blasted the Piranha Greeed all over the place.

Tsukuyomi: Let me help too.

Nico: Are you sure Tsukuyomi?

Tsukuyomi: I'll be fine.

She put on her Time Belt.

She activated it.

Tsukuyomi: HENSHIN!

She turned into HER KAMEN RIDER ZI-O TSUKUYOMI FORM! SO AWESOME!

We blasted the Greeed all over the place and got many medals and core medals.

Tsukuyomi: Be warned. Swartz might be out of action by the time of your missions with Sougo. But Ora and Heure might still be active.

Nico: Anything's better then having to fight Swartz before the big mission.

Me: That's for sure. But at least our plan is now in full swing. Look.

I pulled out binoculars and gave them to Eiji and he saw Clyde and Syd battling Swartz.

Eiji: Wow they're holding them off for us.

Me: It's part of our plan.

We blasted the rest of the Greeeds and destroyed them and then there was an explosion and then landing in my hands was a Rider Watch for Gaim!

Me: Awesome! A Gaim Rider Watch.

Nico: Lucky catch.

Irma: Quick question. Did you also get to meet Poromon and Poliwag?

Tsukuyomi: I sure did and they are so adorable and cute.

Laney: We're glad you like them.

Me: Sorry you got turned into a Greeed Tsukuyomi.

Nico: Yeah but it was a minor setback from the plan.

Tsukuyomi: I'll be all right.

Lola: Awesome.

Me: Now all the Greeeds so far have been taken care of here.

Nico: For now.

Laney: But when the Big Day comes in August we'll be ready for them.

Me: Yep.

Eiji: Will, ever since I met you, I've come to see you as the little sister I've always wanted.

Will Vandom: Really? Oh thanks Eiji!

She hugged him.

Lincoln: So awesome.

Eli: I counted 10,000,293 medals in the tank as well as 20 Core Medals.

Lana: Awesome.

Lisa: Excellent to know that the Medal Tank works perfectly.

Lily: It sure does.

Later we came back and we told everyone what happened and it was awesome.

Aylene C.: Wow that was awesome!

Nico: It sure was.

May: Roxy, for your first mission, Jayden and 1 Rabbid should go with you.

Roxy: Cool!

Me: And you're going to like this one. You're going to meet the Decade Kamen Riders. That series commemorated the 10 anniversary of the franchise back in 2009.

Laney: That is gonna be so awesome.

Roxy: I'm really looking forward to this.

Me: Yep and coincidentally the Shinkengers or the Japanese Samurai Power Rangers helped in that one too.

Nico: They sure did. That was so awesome.

Jayden: It'll be an honor to meet the Decade Kamen Riders.

Me: Maybe we can incorporate 20 years worth of them into Decade's Kamen Riders too.

Poromon: Tsukuyomi? Is that you?

Poliwag: It is you!

Tsukuyomi hugged them both.

Tsukuyomi: Poromon and Poliwag. Wow!

Poromon: It's awesome to see you here.

Poliwag: How did Will and the others find you?

Me: Well actually I found her. My Wolf Moon powers found out that she turned into a Greeed. I saved her.

Poromon and Poliwag gasped!

Poliwag: Wow! But thank goodness you're okay.

Tsukuyomi: Thanks to J.D.

Nicole: Wow. Dad's Wolf Moon powers have evolved incredibly ever since he turned into a Dreamwalker.

Natilee: They sure have sis. that is so awesome.

Nico: A Dreamwalker?

Natilee: It's a term that I made for someone that has the ability to walk and do adventures in dreams. Now dad has the power to do that in any dream albeit his or anyone's dreams.

Nico: That is cool!

Tsukuyomi: It sure is. But I'm safe now thanks to J.D. Nico you don't know how lucky you are to have an awesome friend and 2nd in Command like J.D.

Nico: I'm glad he is the best friend I could have.

Tsukuyomi: (to Megan Kiraton) Honestly, me and my team haven't met the Saber Kamen Riders personally. Sougo did fight alongside them once.

Megan Kiraton: That is really awesome. Saber is one of the most awesome ever. And believe it or not I have this.

She pulled out a Wonder Rider Book! It was called Joyo Sylph.

Nico: (Gasp) You have a Wonder Rider Book too!?

Me: Oh that is awesome!

Kenta: It sure is. That is so awesome.

Megan then revealed that she had an awesome new sword. It was called フラワーソード静かな花 or Flowerta - Flower Sword Tranquil Bloom.

Nico: Oh my! You are just full of surprises Megan.

Lincoln: Wow! That is so awesome.

Me: Now she has Gaim, OOO and Saber. What next?

Megan giggled.

Tsukuyomi: That is so awesome.

Megan McCallister: Hey, don't forget that I'm the one who helps Saber out.

Nico: That's right and we met the Saber Kamen Riders during the battle with Fartor and that was so awesome.

Me: We owe them big time for helping us too.

Megan McCallister: We sure do.

Megan Kiraton: This is gonna be so awesome to meet them!

Laney: It sure will be awesome!

Me: And it'll be more awesome when we face Storious and kill that son of a bitch! He makes Sartorious look like a saint compared to everything he is!

Laney: Whoa!

Nico: Yeah.

Twilight Sparkle: That is gonna be awesome.

Apple Bloom: Yeah. By the way Megan how did you meet J.D. and everyone?

Megan McCallister: That is an awesome story.

Megan had us sat down.

Megan McCalister: When I first met J.D. and the others, I didn't have a Dark Samus suit. Or Guardian Powers.

FLASHBACK - During the events of Chapter 562

It starts at the estate. I was looking up some of the latest news stories on the news on our computer.

Me: Lets see. So far nothing has been happening. Wait a minute. "Wet Bandits Still at Large. The notorious bandit thieves Marv Murchins and Harry Lyme escaped from prison on November 27th and police have no clue as to their whereabouts. They are considered to be armed and extremely dangerous." Whoa! These guys look like they are no pushover.

Poison Ivy: You know, Cheetah. The last time we spoke to each other, we were in the Legion of Doom base when you were planning on stealing money to move somewhere.

Cheetah: I know. Funny thing, actually. When I was escaping the police, I ended up in the Louds' basement.

Gwen: So you forgot about what happened to Kevin, Sunny?

Sunny: Yeah. When you removed my dark side from me, you removed my memory about what happened to Kevin back in your old dimension.

Gwen: You know what? I think that might be for the best. Me and Ben will find out what happened to Kevin for ourselves.

Me: Boy a lot of things have gone down huh?

Lincoln: They sure have J.D. We've done so much for the world and on our adventures.

Then our phone rang.

Me: I'll get that. (Answers) Hello Team Loud Phoenix Storm Estate, J.D. Knudson speaking.

A split screen appears and I am on the left and a girl with brown hair is on the right.

Megan: Hello J.D. My name is Megan McAllister and me and my little brother Kevin are at our home in Chicago all alone. We think that the wet Bandits are coming back to get us again.

Me: It's a pleasure Megan. And you guys have dealt with the Wet Bandits before?

Megan: Kevin did and the rest of us haven't.

Me: Wow. And I have a strong feeling that they're on their way to get you again. You called the right people Megan. We're on our way.

Megan: Thank you so much J.D.

Me: You're welcome. Bye. (Hangs up) All right guys we have trouble over in Chicago, Illinois. And Shannon we know of your bad history with Chicago so you can sit this one out.

Shannon: Thank you J.D.

Me: Okay. I need, Rachel, Nico, Lori, Leni, Luna, Luan, Eddy, Lynn, Lincoln, Lyra, Liberty & Lee, Lucy, Laney, Lana & Lola, Lisa and Lily, Harley, Poison Ivy, Maria, Ace, Black Widow, Hawkeye, Dallas, Carlota and Earth to come with me.

Lori: Right.

Me: Lets roll!

We set out for Chicago, Illinois.

FLASHBACK PAUSE.

Me: I remember that. We set out to meet you back then.

Nico: Yeah that was awesome.

Rachel San Diego: Boy it sure was fun.

Megan McCallister: It was. But here's where you all meet me.

FLASHBACK RESUME

We arrived at the McAllister home and it was a nice mansion.

Me: Wow! The McAllister house is amazing.

Lola: I know this house! It's the house in Home Alone!

Lana: Those movies were awesome!

Me: So those movies are real. Awesome.

We go up to the door and knock on it. Megan answered.

Megan: Yes?

Me: Are you Megan McAllister?

Megan: Yes. J.D. Knudson and Team Loud Phoenix Storm. We're glad you all came. Come on in.

We go inside and Megan and her little brother Kevin explained everything.

Megan: So you see the Wet Bandits were after my brother Kevin twice and he arrested them both times.

Kevin M.: That's right. The first time was here at home and the second time was when I was lost in New York City.

Lola: You were in New York City all by yourself?

Kevin M.: Yeah. I accidentally got on the wrong flight when we were supposed to go Miami, Florida and I accidentally got on a flight to New York City.

Me: Whoops. And you wound up 791 miles from home.

Kevin M.: That's right.

Maria: So these scumbags harrass Kevin every Christmas?!

Megan: That about sums it up. I bet my friend and pen pal Cornelia Hale never has to deal with this kind of stuff in Heatherfield.

Me: I'm sure she would. I know Cornelia Hale of Heatherfield and she would be having a field day I'll bet. Christmas is not for 16 to 17 days and they busted out way too early.

Lincoln: Probably because Marv is really stupid.

Laney: My thoughts exactly.

Me: Megan is your family as chaotic as Lincoln's family?

Megan: Chaotic is an extreme understatement. Our family has 15 in it.

Me: 15!? Holy mackerel!

Laney: That's a lot of people for one family.

Lori: It literally is.

Dallas: That is something.

Carlota: It sure is.

Me: I know that feeling. When I moved to Michigan with my family and I met Lincoln and his family I was shocked that they lived in a tiny house.

Kevin M.: How many people do you have in your family Lincoln?

Lincoln: Before J.D. Knudson and my triplet siblings it was 14.

Megan: Wow!

Me: Yep. The Loud Family comprised of Lynn Sr. and Rita and their 15 kids. Lyra, Liberty and Lee disappeared long ago and I found them up in North Pole, Alaska. It's a long story. In a small house as big as it was before it was summed up in 2 words: ABSOLUTE CHAOS!

Kevin M.: Wow.

Megan: That's amazing! I can't believe that you didn't snap from all that pressure with all that.

Lincoln: I was saying exactly the same thing but I wouldn't trade it for the world.

Me: Yep. Before me it was a total nightmare. But as time went by I became like a light at the end of the tunnel for them and made the Loud Family a better family.

Lori: J.D. and his family have made us into better people and we became a great family and a powerful force for good.

Leni: It's been totes wonderful for us.

Luna: It sure has dudes.

Me: Lets not brag about it guys.

FLASHBACK PAUSES

Nico: Boy I remember that one. That was cool.

Laney: I'll never forget seeing your old house Megan.

Tsukuyomi: How bad were the Wet Bandits?

Maria: (seemingly seriously) They were really awful. We barely survived!

Tsukuyomi: Really?!

Maria: (laughs) No. They were idiots.

Megan McCallister: Yeah and here's where it gets great.

FLASHBACK RESUMES

Me: Anyway Megan where is the rest of your family now?

Megan: They're over in Hawaii and won't be back for 3 more weeks.

Lynn: Wow. Your family likes to travel a lot don't they?

Megan: We do. It's part of our tradition. We go on an annual trip to another part of the world around Christmas.

Me: I believe it. We went on a huge global trip 8 months ago and it was awesome. But lets talk about that later. We have some bandits to take down.

Megan: You know what, J.D.? I think I might have to suggest to Mom about moving to Royal York. After all, Kevin's been there before.

Me: Good idea. We can place your family under our protective custody. Plus Kevin was in New York City. We came from a place called Gotham Royal York. It's a fusion of 3 cities. Gotham, New York City and Royal Woods.

Megan: Oh wow! That must be a huge city!

Me: It's much bigger than New York that's for sure. 46 million people.

Megan: Whoa!

Kevin M.: Megan, thanks for growing so close to me over the last few years.

Megan: No problem, Kevin. Anything for my little brother. Now if only Buzz and the others can follow my example.

Me: We'll set them straight. Now lets get to work.

Kevin M.: I'll be right back.

Kevin went up to his room and he came back with a rolled up blueprint set. He unrolled them and we saw an elaborately placed set of booby traps all over the house.

Me: Wow. These traps are all genius Kevin.

Lisa: Indeed. These elaborately placed incapacitation devices; street name: Booby Traps are all very well set up.

Megan: They sure are Lisa.

Me: Yeah. Ace you can use your powers to make some of the traps real without damaging the house right?

Ace: I can do that J.D.

Me: Okay. Megan, Kevin we're also going to be demonstrating some of our fighting techniques as well so you may want to be ready just in case.

Megan: Okay. We saw you guys on the news all the time. You guys are incredible.

Me: Thank you. Lets get to work guys.

We set up all kinds of booby traps all over the house in and out. It took us 2 hours to do it.

Me: All right it's all set. Megan, Kevin, you are about to see Team Loud Phoenix Storm in action.

Megan: We know you all can do it.

Me: And if we cause any damage I'll reimburse you for it.

Kevin M.: No worries.

Me: Lets get em.

Outside we saw a van pull up to the house.

Me: That's them. (Imitating Mr. Incredible) Showtime.

Kevin had a BB gun ready.

We had the door unlocked and they came in and when Harry poked his head in he saw Lola.

Lola: Surprise.

Lola fired a blast of fire and burned the top of his head and he screamed in pain.

He ran out to a snow pile and put his head in and extinguished his head. But his hat was gone.

Marv came in.

Lisa: Greetings.

Lisa had a bunch of nails skewer his feet and he screamed in pain as they went through his foot. He fell back and landed on the concrete steps.

Me: I hope his prison has insurance coverage for tetanus shots.

Lana: No kidding.

Outside Marv and Harry went to the windows and they were slipping and sliding along the way. Lana had turned the whole path into a path of ice with her powers.

Harry: Geez! This path is slippery!

They opened the window and were climbing through it. But Marv had no shoes on because the nails yanked them off.

Marv: Tell me something, Harry. When you said piece of cake, was this even close to what you had in mind?!

Harry: I don't appreciate your tone, Marv! This situation isn't even my fault to begin with!

Marv: Well, it certainly isn't mine!

Harry: Oh no? You're the one who made a lot of noise!

Marv: And you're the one who suggested on killing the kid when there were still people around?

Nico: Ok, do you two want some time alone to finish your argument?

Marv and Harry: STAY OUTTA THIS!

Marv came in and he stepped on some Christmas Ornaments on the floor and screamed in pain.

Marv: I'M GONNA KILL THOSE KIDS!

Lincoln: Try this on though.

Lincoln fired a blast of lightning from his fingers and the lightning got his hands and started electrocuting him badly. Lincoln increased the voltage and Marv's skeleton started showing as he was screaming in pain. He was screaming like a little girl. Lincoln stopped and Marv was twitching on the floor with lightning arching all over him.

Earth: That was awesome Linky.

Lyra: It sure was.

Harry came in and I flipped him over and on his right hand was a burn scar with the letter M on it.

Me: Whoa. That's a nasty scar you have here.

Harry: Yeah that little kid burned me the first time with a red hot doorknob.

Me: He sure left his mark on you huh?

Laney formed a cactus gun and fired cactus balls at their faces.

BANG BANG!

They screamed in pain.

Laney formed a paddle made of a cactus and she handed a bigger one to Poison Ivy.

Laney: This'll cause some serious pain.

Poison Ivy: It sure will Laney.

They went over and slapped them with the cactus paddles and they screamed in excruciating pain.

Poison Ivy: Merry Christmas, darlings! (punches Harry)

Harley: And Happy New Years', chumps! (hits Marv with her hammer)

Black Widow punched Harry in the face and Lola punched Harry in the crotch and he screamed like a little girl.

Lola: Lets use our combo on him Natasha.

Black Widow: (Russian Accent) You got it Lola.

Lola fired a blast of fire and Black Widow fired a blast of lightning.

Black Widow and Lola: FIRE SPIDER CROTCHCRUNCHER!

The blasts combined and turned into a spider with big spiked boxing gloves on 6 of its 8 legs and struck Harry multiple times with a ferocious flurry of fisticuffs on his face and the crotch.

Lola: That was awesome!

Black Widow: It sure was.

Hawkeye bashed Marv with his bow and Lana grabbed Marv's hands and froze them together. Dallas fired two arrows and they pinned him to the wall as his screamed in pain.

Me: Awesome shots Dallas.

Dallas: Thanks J.D. Archery is my strongest weapon. I am a true marksman.

Me: I can see that.

Lana: Lets use our combo on him Hawkeye.

Hawkeye: You got it Lana.

Lana fired a stream of ice lightning and Hawkeye fired a bunch of arrows.

Hawkeye and Lana: SUBZERO ARROW CROTCHKICKERS!

The ice lightning turned the arrows into spiked mace balls of pure ice and they slammed into Marv's crotch with tremendous force.

Me: (WINCES) OOH! Ouch!

Nico: Right where the sun doesn't shine.

Rachel: Ouch! But these two deserve it.

Me: Now it's my turn.

I walk up to them and I have my gun ready.

Me: Kevin, Megan you guys may want to plug your ears.

Megan: Okay.

They did so.

Me: Merry Christmas you Fucking Filthy Animals.

I shoot them in the legs with my gun and paralyze them for life.

Me: And a Happy Fucking New Year.

I blow the smoke out of the muzzle.

Lynn: That was awesome J.D.

Me: Thanks Lynn.

The police arrived and arrested them.

FLASHBACK 1 Ends.

Everyone that hadn't heard about it laughed and some even cheered of our capture of the Wet Bandits. It was awesome and funny.

Nico: That was so awesome.

Twilight Sparkle: How did you guys get convinced to move to the city?

Megan McCallister: That was a fun part.

FLASHBACK 2

Me: What a couple of losers.

Megan: You guys are awesome!

Kevin M.: You guys sure showed them!

Nico: Thanks guys.

Me: Lets fix this place back up before the rest of your family comes home.

We did so and then the following morning everyone got home early.

Megan: Oh they're back early.

Me: Okay.

Peter M.: Megan, Kevin?

Kevin M.: Hey dad.

Peter M.: Thank goodness you are okay son.

Me: Mr. McAllister? Sorry to intrude like this. I'm J.D. Knudson, Leader of Team Loud Phoenix Storm.

Peter M.: Oh wow! You are widely known all over. It's an honor to meet you.

Me: It's a pleasure too. We have quite a story to tell you. Plus on behalf of Team Loud Phoenix Storm we apologize for having you all come home early.

Kate M.: It's all right J.D. But thank you.

Me: You're welcome.

In the living room we told them all about Kevin and his history with the notorious Wet Bandits.

Buzz: Are you serious!?

Me: We're dead serious. Kevin encountered the Wet Bandits twice here in Chicago and once in New York City. They broke out of jail 3 weeks ago and targeted your home twice. Megan and Kevin called us and we came to help out and stop them.

Kate M.: It's good you did J.D. Thank you so much.

Me: You're welcome Mrs. McAllister.

Kate M.: Please call me Kate.

Me: Sorry. But also we have a proposition for you all.

Megan: Mom, Dad, because of the history Kevin has with the Wet Bandits, I want us all to move to Gotham Royal York.

Me: I know this is very sudden for all of you. But because of everything that happened, you will be placed into the protection of Team Loud Phoenix Storm.

Peter M.: We appreciate the offer J.D. Thank you. What do you all think?

Buzz: I think it's a great idea.

Everyone agreed.

Peter M: It's settled. We'll move to Gotham Royal York.

Lori: Also we need to discuss about your treatment towards Kevin.

Me: And I have some visual aids to show you.

Megan cut the lights and I showed them all a slideshow of our exploits in the battle against the Revenge Squad. When it was done the lights came back on.

Me: What you just saw was a slideshow of us fighting against all the villains we faced throughout our adventures. And that was all but just a small sliver of our power. We have done a lot, yes. But this slideshow is not to brag about our adventure. It's to warn you. Your treatment of Kevin has been absolutely deplorable.

Megan: That's right guys! Your treatment towards my little brother is disgusting! When we reunited with him in New York he and I have gotten closer than ever. I can't believe I was like that towards him.

Lynn: And if you keep this up I'll give you guys the biggest and worst ever Dutch Oven you've ever had in your lives!

Me: And we are not bluffing. Trust me guys. Lynn's notorious for her Dutch Ovens and they smell like rotten raw sewage amplified 100-fold.

They shook in fear.

Me: Good. Now I believe that you all owe Kevin an apology and make it a real and sincere one.

McAllisters: Sorry Kevin.

Me: What do you think Kevin?

Kevin M.: It's gonna take me a while to forgive you all but that's a good start.

Me: Okay. They have all the time in the world. Now lets get you all to your new home.

I snap my fingers and the McAllister family and their possessions were beamed into a much bigger house and it had many rooms. Their house was located next door to the estate. Things for the McAllisters just got a whole lot better. The Wet Bandits were locked away in the Uranus Prison for all eternity.

FLASHBACK 2 Ends

Nico: That was awesome.

Lola: It sure was.

French Narrator: (French Accent) Later at the Krusty Krab)

---

[SpongeBob is grilling Krabby Patties in the Krusty Krab kitchen until one of them suddenly levitates up from the grill and turns into a jellyfish. It floats out the window as the rest of the patties turn into jellyfish and do the same. SpongeBob follows them and flies out the window and turns into a jellyfish. He buzzes around Jellyfish Fields when he hears Mr. Krabs voice.]

Mr. Krabs: SpongeBob? SpongeBob!

[Shows reality of SpongeBob at the kitchen. The grill is on fire, smoke clearly coming out of it]

Mr. Krabs: Wake up, boy! You're burning me money!

[SpongeBob wakes up from his dream and screams. Then runs behind Mr. Krabs]

SpongeBob: Mr. Krabs, what do we do?

Mr. Krabs: Here, use this!

[Mr. Krabs hands SpongeBob a fire extinguisher. SpongeBob throws it at the grill and sets the fire larger than before. Mr. Krabs looks at SpongeBob for his stupidity, as he realizes his error.]

SpongeBob and Mr. Krabs: Whoa!

[SpongeBob then tries to blow on the fire to put it out until a fireman comes into the kitchen with a hose]

Fireman: [imitating the sound of a fire truck]

[Fireman sprays SpongeBob with the water. SpongeBob enlarges and falls backwards, which puts out the fire]

Mr. Krabs and Fireman: Hooray! [SpongeBob shrinks and burns into a black sponge while Mr. Krabs scrapes him off the grill and on to a spatula]

Mr. Krabs: SpongeBob, come into me office.

SpongeBob: Can you call the team for me too sir? I want to tell them something.

Mr. Krabs: Of course lad.

We were later walking to the Krusty Krab.

Nico: Why does Spongebob want us here?

Maria: Whatever it is, it sounds serious.

Me: Well we're going to soon find out.

We went into the restaurant after ordering some patties and Lily made them for us and we were eating them.

Mr. Krabs: What's wrong, boy?

SpongeBob: Well, I…

Mr. Krabs: This is the fourth time this week I've had to scrape you off of something.

Me: Really? He must be daydreaming about something.

SpongeBob: Well, I've been thinking.

Mr. Krabs: We need to get you thinking about work. [stretches his eyes out]

SpongeBob: No offense, Mr. Krabs, but I've been thinking about giving up my cold industrial life in favor of a more natural and free life among the jellyfish.

We spit our food out in shock!

All of us: WWWWWHHHHAAAAAAAAAAAAAAAAAAATTTTTTTTTT!?

[Mr. Krabs's eyes suck back in, and his eyes now stick back up as normal]

Mr. Krabs: [laughs a very long time] Ah, SpongeBob, you wouldn't last even one day in the wild. This is your natural habitat. [shows the kitchen] This is your wide open range. [shows the grill] These are your amber waves. [shows the greasy fryers] And this [picks up a spatula from the sink] oh, this is your golden scepter, with which you rule! That's better than nasty old jellyfish, right, SpongeBob? [SpongeBob is gone. Mr. Krabs looks around his head.] SpongeBob?

SpongeBob: [walks out the Krusty Krab] I can too last more than one day. I'll show him. Aw, barnacles! [throws his hat on the ground]

Mr. Krabs: [opens the doors] SpongeBob, wait! [sees SpongeBob's hat on the ground and screams, revealing the hat has been dropped] Oh, he'll be back, alright. He'll be back.

We were sad to see SpongeBob go.

* * *

[Fades to SpongeBob's neighborhood. SpongeBob is now giving his stuff away to his friends. Shown on-screen is SpongeBob, Patrick, and Squidward.]

SpongeBob: And, Squidward, I want you to have my can opener. [gives it to him]

Squidward: And I thought this friendship would never pay off. [walks away]

Patrick: [teary-eyed] Are-are-are-are you sure you want to give me this mayonnaise? [shows him the mayonnaise jar]

SpongeBob: It's all yours.

[Patrick holds up a bunch of phone books]

Patrick: A-a-and these old phone books?

SpongeBob: All yours, old friend. [walks off and comes back with a case] Patrick, there is one more thing I want you to have. [Opens up a rectangular box that has the words "Ol' Reliable" on the front. A glowing jellyfish net is inside. Patrick gasps and pants with excitement as he throws the phone books away and picks up Ol' Reliable]

Patrick: Oh! O-o-ol' Reliable? [cries as Sandy walks up]

Sandy: Howdy, y'all. Hey, SpongeBob, you having a garage sale?

SpongeBob: No, Sandy, I'm giving up my material possessions to live in the wild with the jellyfish.

Sandy: SpongeBob, of all the crazy schemes. Why would you want to live among the jellyfish? They're cold and mean and none too bright.

[SpongeBob pats Sandy's helmet]

SpongeBob: Oh, oh, Sandy. That's exactly the response I would expect from someone who lives the sham of a life I once lived. I'm gonna prove I don't need all this stuff to be happy. [walks away] Maybe someday you'll wise up and join me. Goodbye. [walks behind a bush and takes his pants off] I won't be needing these. [drops his pants] But Sandy just so you know I will always love you. [and runs away] Buzz, buzz, buzz. [His friends see SpongeBob's actions: Patrick clearly upset, shaking himself, Squidward feeling indifferent, and Sandy feeling concerned.]

Squidward: He took off his pants.

Sandy: I'll give him a week. [walks away]

Squidward: I'll give him eleven minutes. [walks away, throwing off the can opener at Patrick.]

Patrick: Patrick sad!

---

Nico later was in Nicole's room and he was sad.

Squidward: Nico, what just happened?

Nico: I just got back a friend in Tsukuyomi. But lost another in Spongebob.

Squidward: Oh Nico I heard about it. I'm sorry.

Nico: It's all right. But I'll miss him.

[At Jellyfish Fields. SpongeBob touches the Jellyfish Fields sign.]

SpongeBob: I'm home. I'm home! I'm home! I'm home, I'm home, I'm home, I'm home, I'm home, I'm home, I'm home, I'm home, I'm home! [jellyfish knock SpongeBob down as they fly by] Brothers and sisters, wait for me! [jellyfish fly into a hive] Buzz buzz. Buzz buzz. Okay, I'm here! [jellyfish fly out of hive] Wait, I just got here. My jellyfish instincts tell me to go… [sticks his finger in his mouth and then in his head]… that way. [points to where the jellyfish went] Buzz, buzz, buzz, buzz. [running after jellyfish all over the fields. Jellyfish devour a bunch of kelp. SpongeBob decides to try it but is disgusted and spits it out from his tongue] This is the life. [jellyfish are floating in the middle of the fields as SpongeBob walks into the middle of the group] Hey, everybody, buzz buzz. Buzz to you. Buzz,

buzz, nice current today. Hey, what's the buzz? [wants to shake a jellyfish's hand] Hello, I'm JellyBob, and you are? [jellyfish stings him and his hand, causing it to start swelling] Uhh… nice to meet you. [hand gets huge and swollen. SpongeBob smells some aroma and goes to check and see that Patrick and Sandy are having a picnic with Krabby Patties]

Sandy: Here, Patrick, have a Krabby Patty! [whispers into Patrick's ear] There he is, Patrick. Say your line.

Patrick: [reading off his script] "Why, thank you, Sandy, I would love one. (take patty)." [takes the patty] "Too bad SpongeBob isn't here. These are his favorites. I sure wish he'd come home. (take bite)." [sniffles. tries to take a bite, but throws the patty and the script away and turns to SpongeBob] I can't do it! SpongeBob! Come back!

SpongeBob: Patrick, I'm not coming home.

Patrick: I miss you! [cuts to Sandy waving hello, but in guilty manner because of set-up] Sandy misses you! Even Squidward misses you!

* * *

In Nico's room, he was showing Squidward and Tsukuyomi a chart of all the Kamen Riders we've met or have yet to meet during Ambassador missions. Eiji Hino's picture was moved to the completed column alongside the pictures of Hitoshi Hidaka, Soji Tendo, Ryotaro Nogami, and Wataru Kurenai. Kouta Kazuraba's picture was in the in progress column. The pictures of Tsukasa Kadoya, Shotaro Hidari & Philip, Gentaro Kisaragi, Haruto Soma, Shinnosuke Tomari, Takeru Tenkuji, Emu Hojo, Sento Kiryu, Sougo Tokiwa, Aruto Hiden, and Touma Kamiyama were in the upcoming column.

Nico: As you two can see here, we still have 11 sets of Kamen Rider missions after the Gaim ones.

Me: And those have yet to be completed.

Squidward: Wow! And that is only 4 we have met so far.

Me: Yep. We have 15 Kamen Rider Teams that we are going to meet. Wow.

Tsukuyomi: That is so cool.

Me: It sure is. And so far out of all of them known. Only Soji Tendo, Ryotaro Nogami and Wataru Kurenai helped us during the 20 Days of Darkness.

Tsukuyomi: (touches the picture of Sougo) Sougo, you and Geiz hang on, okay? I'll come back to you soon.

Squidward: What about Woz?

Tsukuyomi: Well, after the whole mess with Swartz, he went to go traveling the world.

Me: We'll find him someday. But he is out there. I know it.

Nico: But this is so awesome that we have 5 Kamen Riders with us now.

Me: 7 counting the 2 in our Frenemies of the Masters of Evil.

Nico: True. That is so awesome.

Me: Yep. Also we owe Tsukasa big time for helping us out during the 20 Days of Darkness.

Tsukuyomi: So Tsukasa helped out before?

Me: Yes and Nico was in a slump when it happened.

Nico: Whoa so Tsukasa Kadoya helped you guys at Disney Castle?

Me: He sure did and it was on Day 7 of the 20 Days of Darkness. Which was on January 30th, 2021 I think.

Nico: Remind me to thank him when we see him on Roxy's first Ambassador Mission.

Me: Noted.

Later Nico was in Nicole's room again. Nico was sitting in Nicole's room while on his phone. He was currently looking at pictures of all the good times we had of SpongeBob. Nico's thoughts were interrupted when a certain someone in Nicole's belt said my name nearby.

Kuroto Dan: Excuse me. Are you Nico Chan?

Nico: Kuroto Dan, right?

Kuroto Dan: That's God Kuroto Dan!

Nico: Really? Just God?

Kuroto Dan: I'm working my way from the beginning since Nicole defeated me.

Nico: Wow.

I came in.

Me: Nico who are you talking to?

Kuroto Dan: J.D. Knudson right?

Me: Whoa! You're Kuroto Dan from the Ex-Aid Kamen Riders. Nicole told us how she beat you and put you in her belt as a punishment.

Kuroto Dan: That's right.

Me: Awesome. Sorry I thought Nico was going stir-crazy.

Nico: No sorry.

I left.

Kuroto Dan: So, your friend Spongebob left to go live with the Jellyfish?

Nico: Sounds about right?

Kuroto Dan: You're not really going to let him go, are you?

Nico: What choice do I have? It's his decision.

Kuroto Dan: You know, when Poppy was working for the Bugsters temporarily, Emu refused to give up on her. It took a while. But eventually, he was able to convince her to go abck to fighting for the smiles of innocent people.

Nico: I remember that. But why are you telling me this?

Kuroto Dan: You're in Emu's position. And Spongebob is in Poppy's position. Are you really going to give up on him?

Nico thought about it and then he got a look of determination on his face.

Nico: You're right! Emu never quit on anyone and I won't do so again! SpongeBob is a member of the team and we love him just as much as he loves Sandy and us!

Kuroto Dan: That's the spirit!

Nico: Also, I hope Nicole doesn't kill me for this. But we need all the help we can get if we're gonna find Spongebob.

Kuroto Dan: I'll do my best.

Nicole came in.

Nicole: And you have my permission to let him out Nico.

Nico: Really?

Nicole: Sure and as the Goddess of Video Games, I did punish him for his crimes. He did redeem himself in the end. But I locked him in that belt as my form of punishment for him. But he is gonna be under close watch on Supervised Parole from me just to be on the safe side if he tries anything. And if he proves himself he'll be in either the Masters of Evil or the Redemption Squad. It'll be his choice.

Nico: Awesome.

Kuroto Dan: Thank you milady.

Nicole let him out of the belt and she put a seal on him to watch him and he was bound to Nicole to make sure he doesn't try anything funny.

Kuroto Dan: I think the Masters of Evil will have use of my godly talents. But I doubt it'll be that hard to find Spongebob.

Nicole: He's in Jellyfish Fields no doubt.

Nico: Then lets get everyone together.

Nicole: Yep. Also the Masters of Evil is perfect for you. But just remember to keep up your end of the bargain or it's back in the belt.

Kuroto Dan: Yes Milady.

We gathered everyone and we were off.

**SpongeBob:** I'm happy here. This is my home now. *[Sandy drags Patrick away]*

**Patrick:** No! ***SpongeBob!*** *[later, SpongeBob comes in wiggling his arms and legs like the jellyfish]*

**SpongeBob:** Hey, everybody! I'm back! I think I'm getting the hang of this.

*[Jellyfish float away as the net is swung at SpongeBob, which knocks him down. Patrick, breathing heavily in anger, is ready to capture SpongeBob with Ol' Reliable]*

**SpongeBob:** Patrick! What are you doing?

**Patrick:** *[eyes tearing]* If I can't have you as a friend, I'm gonna make you a trophy! *[Violently swings his jellyfish net once, as if to catch a jellyfish. He then shows a jar with a label on the front that reads "SpongeBob - Friend"]* I even picked out this nice jar for you! *[shows SpongeBob the jar]*

**SpongeBob:** Patrick! Go home! I'm a jellyfish now!

*[Patrick swings the net at SpongeBob but SpongeBob runs away.]*

We found Sandy.

Nico: Guys, where's Patrick?

Sandy (nervously): Um… getting ice cream?

Patrick: [war cry]

Me: Uh oh!

Nico: We better get him!

*[After hearing Patrick's war cry, SpongeBob runs away and hides behind a rock but the rock is actually a giant snail's shell.]*

**Rock snail:** Meow. *[slithers away]*

*[SpongeBob flees from the roaring Patrick. Patrick continues making a war cry and then begins chases SpongeBob. SpongeBob then hides behind a rock]*

**Patrick:** I can see you there! *[SpongeBob hides behind a bush]* I still see you! *[SpongeBob hides behind another rock]* You're gonna look good on my mantel! *[SpongeBob continues fleeing from Patrick]* Friends forever, SpongeBob!

*[SpongeBob runs underneath an arch rock and gasps for oxygen. He spots Patrick underneath the rock on the top]*

**Patrick:** I got you now, SpongeBob! *[falls on the ground and misses SpongeBob]*

**SpongeBob:** Patrick! No!

*[Patrick runs after SpongeBob again]*

Me: PATRICK STOP THIS!

We jumped in front of him!

Kuroto Dan: God is in the house!

Patrick: GOD IS AS GOOD AS DEAD! (grabs his throat and snaps his neck)

Sandy: Are you nuts, Patrick?

However, a Warp Pipe similar to Mario's appeared and Kuroto jumped out of it.

Kuroto Dan: Damn, I only have 6 lives left now.

Me: And I thought the Mario Brothers were only capable of doing that.

Laney: Yeah.

Nicole: Good think I prepared for this. (Whistles)

She gave him 10 1UP Mushrooms and they gave him 10 more lives.

Nicole: Keep being good and there will be more where that came from. 10 lives a day for good behavior.

Kuroto Dan: Thanks milady.

We jumped on Patrick and held him and Laney tied him up with vines!

Patrick: (roars) God is going to die!

Kuroto Dan: Well, it seems this is a more silly version of Superman's fight with Doomsday.

Me: It sure is funny.

Nicole: Yeah.

We then jumped him.

Me: Patrick that's enough!

Laney: SpongeBob can't you see that Patrick misses you!?

SpongeBob: But I'm a jellyfish now!

Heidi: You're not a jellyfish SpongeBob. You're a Porifera. That's what you are.

Nico: SpongeBob you are more than just a sponge, you are the best friend ever! Who was the one that helped make the Krusty Krab into the greatest restaurant ever and helped save Bikini Bottom from when Plankton tried to enslave it?

SpongeBob: Uhh me?

Nico: Yeah! And who helped Lily expose Mr. Krabs's crimes and more and helped foil Plankton's plots more than anyone else we know?

SpongeBob: Me?

Nico: Yeah! And also who helped Lily become as great a fry cook as you are!

SpongeBob: I did!

Me: So what are you!?

SpongeBob: I'm A SPONGE!

Me: And what is your name!?

SpongeBob: SPONGEBOB SQUAREPANTS!

Lily: And who is the greatest manager of the Krusty Krab and the greatest boss ever!?

SpongeBob: I AM!

Laney: And who has a Starfish, Squirrel, Squid, Lobster, Pufferfish, Plankton, Whale and Mermaid for awesome friends!?

SpongeBob: I DO!

Me: And who has the most awesome Squirrel Girlfriend under the sea!?

SpongeBob: I DO AND I LOVE HER!

Patrick calmed down.

Plankton: Are you calm now, Patrick?

Patrick: I am now. But SpongeBob?

SpongeBob and Patrick hugged and cried loudly!

SpongeBob and Patrick: (BAWLING LIKE BABIES)

SpongeBob: PATRICK I'M SO SORRY! (CRYING)

Patrick: (CRYING) ME TOO SPONGEBOB! I'M SORRY TOO!

Squidward: By the way, Nico, which Gene Spammer do you think you'll meet on your next rescue?

Nico: I thought you guys were never going to ask me that today. I am hoping to do one that is for a Togruta next.

Shanan: A Gene-Slammer for one of Ahsoka Tano's kind next? Wow that will be interesting to see.

Ahsoka: I'm very flattered that you want to find a gene-slammer for one of my kind next.

Me: Then it's a no brainer that you will be coming with us on Nico's next rescue Ahsoka.

Ahsoka: Yes it sure is.

Anakin: This will be awesome to see Snips.

Nico: Anakin's coming with me too.

Anakin: I'm honored that I'll be going with you Nico.

Laney: This is gonna be awesome. I hope it takes place on one of the many planets we went to during the war with the Empire.

Me: I hope so too. That will be so awesome.

Eli: It sure will be awesome.

One thing is for sure. SpongeBob learned an incredibly big lesson today and it's to never be something you're not especially if it's something that he likes, like Jellyfish.

Meanwhile in Japan, Tyson and his team were getting ready for our arrival. Our target? Voltaire Hiwatari, a ruthless dictator that is in big time trouble with not just us but with the world too. The World Leaders have told us to go get him and destroy him and his regime for war crimes and illegal experimentation. And we're going to help the Beybladers do it.

Tyson: J.D. is not just a Beyblader, he is the ULTIMATE Beyblader and he beat Voltaire before.

Hilary: He sure did and he showed us his awesome skills and Tahu is amazing too.

Tyson: He sure is. It'll be awesome giving everyone Beyblades. Now we have to get ready.

Beybladers: READY! 3… 2… 1… LET IT RIP!

ZOOOOOMM!

Their Beyblades zoomed to the camera and the screen turned blue.

TO BE CONTINUED!

Another awesome fanfic complete!

The SpongeBob episode Nature Pants was a really funny episode and it was really cool and awesome. SpongeBob dreamed of wanting to living with the Jellyfish in Jellyfish Fields. But that was a really stupid dream. SpongeBob gave up everything all for a farfetched dream. The episode aired on September 11th, 1999 and that was a really funny episode too. The dream scene was based on a video that I saw on YouTube and it was really cool. The first rescue was for the Batman Arkham Knight scenario where we go fight Professor Pyg and that was a crazy one! The second part was for the TV Movie Piranhaconda. That was a cool one. Freaky too. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. The next dream rescue for me is gonna be a really awesome one as me and Natilee go into my dream and we're going to meet a Fire Fairy World and it's full of amazing Fire Fairies and we're going to also meet a Human Size Fire Fairy named Rennolla and she will be really beautiful. We're also going to face Crocker who has returned to get revenge on me through his dreams. I'm going to use the Black Gates on him. Nico's next rescue is gonna be a really awesome and cool one as Nico, Anakin Skywalker, Ahsoka Tano, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily head to the planet Naboo and we're going to face Darth Maul and we're going to use the Black Gates on Darth Maul. And we're going to meet a Togruta Gene-Slammer named Selma Lillyton. Selma Lillyton is one of Nico's friends that is from Math Class and she has awesome star angel wings and she is a gene-slammer for a Togruta, Ahsoka's species and she has awesome power and skills in both the Light and Dark Sides of the Force. She also has a strong power like Eli does. She also beat a bunch of bullies and hit them all in massive amounts of trouble. The next rescue for Lincoln is gonna be for the video game Skeleton Warriors and we're going to destroy Baron Dark and his skeleton warriors and we're going to meet Prince Lightstar and destroyed Dark once and for all. And we're going to also meet a gene-slammer for Arcana Force XII - The Hanged Man named Evelyn Francois. Evelyn Francois is the Gene-Slammer for Arcana Force XII - The Hanged Man and she like her fellow Arcana Force Gene-Slammers is a psychic and clairvoyant and master of the force of Gravity. She has a lot of awesome powers and even exposed tremendously dark secrets about Icky Vicky and how she was going to kill every single kid in the world. Also she stopped an attack on Lana, Lincoln, Laney and Lily before it even happened by a murderer and got him sent to death row. Also during the exercise scene, Carly Morgan is going to reveal in detail how her own mother went nuts and tried to kill her after Evelyn's Revelation. So get ready for a dark story on that. Buckle your seatbelts everyone! This is gonna be an explosively awesome adventure as we go meet Tyson and the Blade Breakers and we're going to help them take down Voltaire Hiwatari and we're going to make that monster pay for his crimes.

See you all tomorrow!

# BEYBLADE! LET IT RIP!

BUCKLE UP EVERYONE! THIS IS GONNA BE AWESOME!

---

In the early morning hours at 1:42 AM, I was asleep with Varie and my harem and I was having an amazing dream. I woke up in an amazing and beautiful forest.

Me: Wow this forest is so amazing.

Natilee appeared.

Natilee: Wow this forest is so amazing.

Me: It sure is Natilee. It's filled with an amazing and powerful magical energy. Like everything is overflowing with life.

Natilee: It sure is.

We walked around and then we came across an amazing and beautiful Fire Fairy Village.

Me: Wow!

Natilee: Wow a Fire Fairy Village. This is really amazing.

Me: It sure is.

A bunch of Fire Fairies came and they were really beautiful and amazing. Then a human size Fire Fairy came to me and she had beautiful ruby red hair and had red butterfly wings surging with fire and she had beautiful red clothes.

Me: Wow you are a beautiful sight.

Rennolla: (Giggles) Thank you and it's an honor to have the famous J.D. Knudson here. My name is Rennolla and I'm Princess of the Fire Fairies.

Me: It's a pleasure to meet you.

Natilee: Same here. It's a pleasure.

Rennolla: We are honored you came too. Also there's a problem here.

Me: I have a feeling it's him!

We saw DENZEL CROCKER!

Me: Crockerfucker!

Crocker: (ENRAGED SCREAMING) GAAAAHH! I HATE YOU MORE THAN LIFE ITSELF! YOU MAKE ME SICK JUST LOOKING AT YOU! I HATE YOU MORE THAN ALL OF LIFE ITSELF! (My rainbow fire aura flared up with incredible power) I HATE YOU! I HATE YOU! I HATE YOU! HAATTTEE HAAATTTEEE! HAAAATTTEEE! HAAAAAAATTTTTEEEEE! HAAAAAATTTTTTTTEEEEEEE! HHHHAAAAAAAAAAATTTTTTTTTEEEEEEE! HHHHHAAAAAAAAAATTTTTTTTTEEEEEEEEEE! IIIIIIIII HHHHHHHHHHHHHHHAAAAAAAAAAAAAAAAAAAAAAAAAAAAAATTTTTT
YYYYYYYYOOOOOOOOOOOOOOOOOOUUUUU!

HIS HATRED WAS SO INCREDIBLY POWERFUL THAT IT WAS AS STRONG AS 500 GOOGOOPLEX KISENIAN BLOSSOMS AND MY AURA FLARED UP WITH SO MUCH FORCE AND INTENSITY THAT IT MADE ME STRONGER AND AMAZING! THE POWER BOOST MADE MY AURA LOOK LIKE PURE RAINBOW FIRE!

Me: Thanks for the power boost Crockfuck. Now for this.

I teleported and punched him and drew a kanji on him and use the Black Gates on him and destroyed him forever. A dream version of him. Rennolla then decided to live with us in TLPS Estate and it was cool.

Later at 8:10 AM I woke up and got dressed and told everyone everything that happened and it was awesome. Rennolla was welcome with open arms.

Later it was time for Nico's rescue and Nico, Anakin Skywalker, Ahsoka Tano, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily were on the planet Naboo. It was cool being on Naboo again.

Eli: I had a feeling the next rescue was on Naboo. This is so awesome being here again.

Anakin: It's great being on Padme's home planet again.

Me: It sure is. Last time we were here was during the awesome race we had here last year.

Ochaco: That was cool to see.

Rachel Stavenport: Those races were all really awesome to see on TV.

Toru: Watching them was just as fun as being there.

Laney: Those were so awesome.

Nico: Thanks for coming with me, Anakin.

Anakin: It's my pleasure Nico. Now that Palpatine is dead, he will never terrorize the galaxy again.

Ahsoka Tano: That is for sure. Now the galaxy can forever be in peace and harmony with the Jedi and all of Team Loud Phoenix Storm protecting it all.

Me: That is for sure. What Palpatine did was absolutely unforgivable and awful.

Eli: You got that right bro.

Nico: Anakin, I hope you don't mind your Darth Vader self being in the Masters of Evil.

Anakin: Not at all. Even though it's really creepy seeing myself there I think it's really cool.

Eli: I faced Darth Vader before in many awesome adventures with J.D. and it was an awesome challenge too.

Nico: That's right Eli you learned the ways of the Force and the powers of the Jedi by J.D. and in the Jedi Temple on Coruscant.

Ahsoka Tano: That was really amazing times back then too. Eli learned a massive plethora of techniques with us too.

Me: And I'm proud of him too.

Tsuyu: That is so awesome that you are a Jedi as well as a Gundam Fighter.

Eli: It sure is. But being a Jedi is not all fun and games. It's a huge responsibility.

Me: Yeah.

Nico: Not to mention that the Force has always helped Eli his entire life.

Me: That's right. The Force is awesome and powerful.

Laney: But it's horrible that there are those that want to use it as a weapon of evil.

Me: Those Sith dirtbags all paid the ultimate price for their beliefs and their arrogance.

Sirius: They sure have.

Nico: Though the Seperatists were allies of the Sith too.

Me: That's true.

Ahsoka: And they paid the price too.

Fu: They deserved it too. But Boba Fett now is in the M.O.E.

Ochaco: Wow.

Lola: Yeah he sure is.

Nico: By the way, if we see Riff Tamson, we're having him as food.

Me: From the Planet Karkaris. That would be awesome.

Lana: Yeah!

Anakin: Eating him is not a bad idea.

Eli: It would be awesome to eat him.

But then Eli sensed something.

Eli: Uh oh! I sense something.

Eli fired a blast of Force Lightning and it hit a Naboo Starfighter and out came a figure and it was DARTH MAUL!

Anakin: Darth Maul!?

Me: I've had enough of this dirtbag to last an eternity!

I ignited my lightsaber, Nicole did too, and Eli ignited his and so did Ahsoka and Anakin.

Darth Maul: A shame Kenobi is not here. No matter. When I'm done with you all, he's next. Maybe I'll even kill his beloved Satine in front of him.

Tsuyu: Who's Satine?

Nico: Obi Wan's girlfriend. We'll explain later.

Me: We won't let that happen Maul! Don't you know when to quit? The Sith have lost. The war is over!

Darth Maul: It will never be over! Not while my hatred towards all of you still burns for my revenge!

Anakin: You're deluded Maul! You're hate blinds you!

Me: And it's only making us more powerful!

Nico: Yeah!

Sirius: Why can't you learn defeat?

Fu: Palpatine is dead too!

Me: And I'm his killer!

Nico: You're losing more then your legs this time!

Me: This time you're going to lose your head too! Just like when you lost your planet!

Eli: Dathomir is gone! Its been totally obliterated along with all the Sith Planets! The Sith are gone just like you will be soon!

Death Maul: YOU MONSTER BASTARDS! (ROARS)

We went at him and clashed and sparks were flying all over and then I kicked him and slashed and cleaved his lightsaber in half and we clashed more.

(DUEL OF THE FATES PLAYS)

Sparks were flying all over the place with incredible fury!

Death Maul: YOU WILL DIE A HORRIBLE DEATH!

We clashed more and sparks were flying everywhere and setting the whole area on fire!

Anakin: This is for all the pain you caused Obi Wan!

SLASH SLASH!

He slashed both of Maul's Arm's off!

Ahsoka Tano: This is for killing countless innocent people!

SLASH SLASH!

She slashed both his legs off!

Eli: This is for me! JUST FOR PISSING ME OFF!

SLASH SLASH SLASH SLASH!

Eli carved his initial into his chest!

Nicole Knudson: This is for all the crimes of your people!

SLASH SLASH SLASH SLASH!

She slashed his heart out!

?: And this is for everything you Sith Freaks have done!

A Togruta appeared and slashed his entire head clear off his body with a purple blade lightsaber!

KILLING HIM INSTANTLY!

HE WAS DEAD!

Then his spirit appeared and I drew a kanji on him and used the Black Gates on him and destroyed him!

Togruta: That takes care of him.

Nico: Selma Lillyton? Wow!

She reverted back and Selma was a girl with neon blue hair and had orange and purple clothes.

Selma Lillyton: Nico it's awesome to see you again.

Nico: You too.

Ahsoka: That is so amazing! You are not only an amazing member of my people but also that of Earth too.

Selma Lillyton: Thanks Ahsoka.

Me: Now we've seen the last of Darth Maul. First of the Sith to be given the Black Gates.

Eli: Yeah.

Anakin: What's your favorite memory of Nico?

Selma Lillyton: I have a lot of amazing memories. But this one time I beat up a girl that was giving Nico a wedgie and got her suspended for 4 months. She got sent to a boarding school in another country for her attitude.

Me: Wow that is amazing.

Laney: It sure is.

Anakin: Very well done.

Selma Lillyton: Thank you General Skywalker.

Anakin: Just call me Anakin.

Selma Lillyton: Sorry.

Nico and Selma hugged.

Nico: I really missed you.

Selma Lillyton: Me too Nico. Me too.

Me: Boy this was an amazing rescue and on the planet Naboo too.

Eli: Just like your rescues bro.

Laney: That was so cool.

Lola: It sure was.

Sirius: These rescues are getting more and more awesome each day.

Himiko Toga: They sure are.

We later went back home to Earth and told everyone what happened and it was so awesome.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, and Sabrina Mason are heading to the world of the video game Skeleton Warriors, and not only is Lincoln going to rescue the six girls there, but we're also going to meet Prince Lightstar and destroy Baron Dark and his skeleton warriors.

Lincoln: Whoa, this is so awesome, we're here in the world of the video game, Skeleton Warriors, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're also going to meet Prince Lightstar and destroy Baron Dark and his skeleton warriors.

Nico: That's right, big guy. This is going to be one awesome adventure.

Me: You said it, Nico. I can't wait to make that evil monster pay for what he's done.

Lincoln: You said it, and I can't believe that Crocker returned to get revenge on you through the dreams, J.D.

Me: I knew that fucked-up fairy-obsessed moron couldn't stay dead and gone for good, Lincoln, but he badly underestimated me and he had no idea of how much stronger I've become, and in the end, he got sent to The Black Gates and is now erased from existence for good.

Nico: And this meant one thing, Plankton's former teammates have come back and they still want revenge on us.

Lincoln: That's right, but now, J.D.'s going to send them to The Black Gates for good, and thanks for joining us, Sabrina.

Sabrina Mason: You're welcome, Lincoln.

?: I see you guys have finally made it.

Suddenly, we saw four figures head for us: it was Justin Steele A.K.A. Prince Lightstar, Jennifer Steele A.K.A. Talyn, Joshua Steele A.K.A. Grimskull, and Ursak the Guardian, who've formed The Legion of Light.

Lincoln: Wow, Justin Steele A.K.A. Prince Lightstar, Jennifer Steele A.K.A. Talyn, Joshua Steele A.K.A. Grimskull, and Ursak the Guardian.

Prince Lightstar: That's right, Lincoln, and it's an honor to meet you all.

Nico: Same here, Prince Lightstar, and you've heard why we're here, right?

Talyn: Yes, to destroy Baron Dark and his skeleton warriors once and for all.

Me: We'll make sure that he and his skeleton warriors will pay a terrible price.

Lincoln: In blood, and since you guys have your half of the Lightstar Crystal, now all that's left is to get the other half of the Lightstar Crystal that Baron Dark has.

Me: That's right.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Baron Dark and his skeleton warriors, and Baron Dark's about to turn them into Skeleton Warriors.

Lincoln: Guys, I found the six girls, but they've been cornered by Baron Dark and his skeleton warriors, and Baron Dark's about to turn them into Skeleton Warriors.

?: That power-hungry, merciless, warlord, let's get him.

Suddenly, we saw the Arcana Force XII - The Hanged Man appear before us.

Nico: Whoa, that's the Arcana Force XII - The Hanged Man, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Evelyn Francois, but we'll have to talk later, we got to stop Baron Dark.

We rushed on over, and Lincoln fired powerful rainbow energy balls at Baron Dark and his Skeleton Warriors, and Lincoln got the six girls to our side and TLPS Mr. Wolf puts up a field to protect them. When Baron Dark and his army of Skeleton Warriors saw us, he was enraged.

Baron Dark: How dare you get in my way of conquest, Team Loud Phoenix Storm!

Lincoln: Your days of conquest are finally over, Baron Dark, and now, you and your army of Skeleton Warriors about to pay the price for all of your crimes… in blood.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, Sabrina Mason, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Baron Dark and his army of Skeleton Warriors, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow crystals, and rainbow flames and they exploded with incredible power as they hit them, and we fired black energy blasts of The Black Gates at the army of Skeleton Warriors, and they were destroyed and sent to the Black Gates for good.

Then, Lincoln and Prince Lightstar engaged in a powerful swordfight against Baron Dark, and sparks were flying all over and fires started, but Lincoln and Prince Lightstar absorbed the flames, and it made them stronger than ever. Then, Lincoln disarmed Baron Dark of his sword, and he got back the other half of the Lightstar Crystal and gave it to Prince Lightstar, and Lincoln then slashed Baron Dark down the middle and then he sliced and diced Baron Dark into thousands of pieces, and Lincoln fired a massive black energy blast of The Black Gates, and it hit Baron Dark and he was erased by The Black Gates for good. We cheered wildly as we holster our weapons and power down.

Lincoln: That's another tyrannical warlord destroyed for good. (To Evelyn Francois) And it's so good to see you again, Evelyn Francois.

Evelyn Francois reverted back to normal, and she's a beautiful 17-

year-old girl with long flowing blue hair, blue eyes, she's tall at 6'5" in height, she has the body of a goddess, she has massive blue angel wings, and she reigned in the power of Arcana Force XII - The Hanged Man, and she's dressed in a blue green sleeveless blouse, sleeveless blue green dress top, green skirt, blue green pants, green sneakers, and green sleeveless trenchcoat with stars and gravity on the coattails, and Arcana Force XII - The Hanged Man on the back, and holstered on her back is a large Arcana Force XII - The Hanged Man-themed sword with a 6'10" massive, wide, double-edged blue green blade with Arcana Force XII - The Hanged Man etched on it, large blue green angel wings for the crossguard, large blue green gem embedded in the rainguard, longer black handle, and large blue green gem with angel wings surrounding it for the pommel.

Evelyn Francois: You too, Lincoln, it's been a long time.

Lincoln went up to Evelyn Francois and they hugged, and Evelyn Francois's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Evelyn Francois: I knew you have, but whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Evelyn Francois, she's another of my Guardian Angels from Royal Woods, Michigan, and she, like her fellow Arcana Force Gene-Slammers is a powerful psychic and clairvoyant and she's a master of the force of Gravity. She has a lot of awesome powers and even exposed tremendously dark secrets about Icky Vicky and how she was going to kill every single kid in the world, and she also stopped an attack on me, Lana, Laney, and

Lily before it even happened by a murderer and got him sent to death row.

We gasped in shock.

Nico: Whoa, so she not only exposed tremendously dark secrets about Icky Vicky and how she was going to kill every single kid in the world, but she also stopped an attack on you, Lana, Laney, and Lily before it even happened by a murderer and got him sent to death row. This we're so going to enjoy hearing, and we're also going to hear the full story of how Carly Morgan's own mother went nuts and tried to kill her.

Lincoln: That's right, we only heard a shortened version, but we're going to hear the full version.

Suddenly, a Thunderbird of Eternal Love appeared around Evelyn Francois's neck with blue green gems on the gold thunderbolt links and blue green crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Evelyn Francois: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Evelyn.

Evelyn Francois had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her, and he leaned down and kissed Evelyn Francois on the lips, and they returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Mabel West from Agatha Christie no Meitantei Poirot to Marple, Riku Harada and Risa Harada from D.N. Angel, Mira Yurisaki from Dimension W, Janice Quatlane and Amurii Ruth from the Professor Layton series.

Lincoln: Oh wow, it's Mabel West, Riku and Risa Harada, Mira Yurisaki, Janice Quatlane, and Amurii Ruth.

Nico: From Agatha Christie no Meitantei Poirot to Marple, D.N. Angel, Dimension W, and the Professor Layton series, awesome.

Katrielle Layton: Whoa, so among the group of girls we rescued are Janice Quatlane and Amurii Ruth, incredible.

Lincoln: Are you girls okay?

Mabel West: Yes, we're okay, thanks to you.

Then, when Mabel West and the other five girls saw who it was that saved them from Baron Dark and his army of Skeleton Warriors, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The

Mabel West: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Mabel West: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Mabel West, Riku Harada, Risa Harada, Mira Yurisaki, Janice Quatlane, and Amurii Ruth with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and they were shocked when they found out that the villains we went after were Baron Dark and his army of Skeleton Warriors.

But, when Lincoln showed what we did to Baron Dark's army of Skeleton Warriors and what Lincoln did to Baron Dark, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Evelyn Francois have a lot of catching up to do, now that she's back in town, and Prince Lightstar and his allies are now new members of Team Loud Phoenix Storm.

* * *

After destroying Baron Dark and his army of Skeleton Warriors, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Evelyn Francois saw Lincoln working out like crazy, she had an atomic red blush on her face.

Evelyn Francois: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Evelyn, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Evelyn Francois: That's incredible.

Nico: It sure is. So, Evelyn, how did you prevent that attack on Lincoln, Lana, Laney, and Lily by a murderer before it even happened?

Evelyn Francois: You'll like hearing about this. I was walking home with Lincoln, Lana, Laney, and Lily after a day of fun at Tall Timbers Park, but then, I had a vision and in it, I saw a murderer coming out and about to attack and kill Lincoln, Laney, Lana, and Lily. I sensed where he was hiding and it was in the bushes, and I fired a blast of gravity at it, and it trapped the murderer inside the gravity field and brought him to us. I soon found out that the murderer was none other than Lucas Wyatt, a crazy and deranged serial killer who was wanted in seven states for a multi-state killing spree from California to Michigan. I called the cops and Lucas Wyatt was arrested, and he was taken to California, and after he was found guilty for his crimes, he was sentenced to death and he was sent to death row.

We were amazed.

Nico: Whoa, that's awesome.

Me: And I've heard about Lucas Wyatt, he's one of the most deranged and crazy serial killers that the cops have ever had to deal with, but the good thing is Lucas Wyatt isn't cunning and he's not smart enough to cover his tracks, and he enjoys being covered in the blood of his victims. But, thanks to you, Evelyn, Lucas Wyatt's been caught, and he'll face his day on death row for good and he'll be sent to Hell for good.

Carly Morgan: You got that right. And speaking of which, I think it's time that I give you guys the full version of how my mom went nuts and tried to kill me. It was on a Saturday afternoon, much like any other Saturday afternoon, and as usual, I was sitting in the lounge watching TV. My life was really normal, and nothing really exciting ever happened to me, but then, suddenly out of nowhere, I heard an almighty boom, I look to my right and was shocked to see a car had crashed through a wall and was stopped inches from the chair I was sitting on. For a few seconds, I was frozen in shock, but then, when I saw who was in the driver's seat, the shock turned to panic.

Past Carly: Mom?!

Carly Morgan: Mom opened the car door and crawled out, I jumped up and ran to her, but by the time I reached her, she had already fallen unconscious. What happened next was a bit of a blur, I remembered shaking my mom trying to get her to open her eyes, but she was out cold. The next thing I heard sirens coming to our house, I guessed someone must've called for the police and an ambulance.

Cop: Excuse me, miss, let us take a look at her.

Past Carly: Please, help her! She's my mom!

Cop: Okay, okay, don't worry, we'll take good care of her.

Carly Morgan: I stood there trembling with tears rolling down my eyes, "Please, God, let her be okay" I cried out, the paramedics checked her over.

Paramedic: We have a pulse and she's breathing, but we will need to take her to the hospital for a full check-up. Is there someone who can take care of you?

Past Carly: I'll call my dad.

Carly Morgan: They put my mom onto a stretcher, and took her out to the ambulance. I grabbed my phone and tried to punch in Dad's number, but my hands were shaking too much, I couldn't do it.

Cop: Here, let me do that for you.

Carly Morgan: The policeman took the phone out of my hands and called my dad. I heard him explaining to my dad what happened and where my mom had been taken to.

Cop: We will take your daughter straight to the hospital if you could meet her there.

Carly Morgan: The policeman put the phone down and turned to me.

Cop: Don't worry, your dad will be at the hospital when we get there. Now, what's your name?

Past Carly: Carly Morgan.

Cop: Okay, Carly, you can come with us now and we will take you there.

Past Carly: What about the car in the wall?

Cop: Don't you worry yourself about that, one of our men will make all the arrangements.

Carly Morgan: I followed the policeman out to his car, I was in a complete daze, I heard some of our neighbors call out to me. I didn't answer them, I didn't even look their way, and I didn't say a word on my way to the hospital, I felt numb with shock. How could it have happened, Mom is always such a careful driver. When we arrived at the hospital, my dad came running over to me.

Mr. Morgan: Carly, Thank God that you're alright. I can't imagine what might've happened if you'd been standing by that wall.

Past Carly: I'm okay, Dad, really. I'm fine, it's Mom that I'm worried about, how is she?

Mr. Morgan: The doctors have taken her to surgery.

Past Carly: Did she wake up?

Mr. Morgan: Not yet, but the doctor said that it's normal, her body's in shock, she doesn't have any serious injuries. But, she does need some stitches.

Carly Morgan: With that, I burst into tears. I sobbed and sobbed.

Mr. Morgan: Oh, come on, Carly, everything's going to be all right, don't cry, darling.

Past Carly: But, it's all my fault.

Mr. Morgan: No, it isn't, how can it be your fault?

Past Carly: Because I was sitting there complaining about how nothing exciting ever happened, and then, and then, the next thing Mom came crashing through the wall in the car.

Mr. Morgan: Carly, it was just an accident, that's all. Come here.

Carly Morgan: I let my Dad put his arms around me and I let my head on his chest. As soon as I felt his hug, I began to feel better.

Doctor: Mr. Morgan.

Mr. Morgan: Yes?

Carly Morgan: I turned around and saw a doctor standing there.

Doctor: Your wife is out of surgery.

Mr. Morgan: Oh, thank goodness. Can we see her?

Doctor: I'm afraid she's still in a coma, but you can sit by her side for a while.

Carly Morgan: My dad and I followed the doctor as he led us to the room where Mom's at. When I saw her lying in the bed, I gasped.

Past Carly: Oh, she looks so pale.

Doctor: We're confident she'll make a full recovery. But, it's difficult to know until she wakes up out of the coma.

Past Carly: When do you think that'll be?

Doctor: We have no idea. It could be hours, it could be days, or even, weeks.

Past Carly: Weeks?!

Doctor: Yes, unfortunately, we have no way to control it. It's down to your mom and her body.

Carly Morgan: I couldn't believe how the day had turned out. That morning when I had said goodbye to my mom as she went off to work. I had no idea that it might be the last time I would be able to speak to her for weeks. For the first few days after the accident, my dad and I never left my mom's side, but gradually as the weeks went by, we began spending less and less time with her. There wasn't anything we could do, we just had to wait, and even though the weeks turned into months, we never gave up hope that one day, Mom would wake up from the coma. When I did go and see her, I would sit by her bed and tell her all about the things I had been doing, stuff that I'd done in school and things I have been looking forward to. The doctors had told us that even though she couldn't answer us, they were certain she could hear us. But, by the time she had been in the coma for ten months, I was fed up with going to the hospital.

Past Carly: What's the use, Dad? She's never going to wake up, I can't do it anymore.

Mr. Morgan: It's okay, Carly, I understand.

Carly Morgan: So, after that, I didn't go to visit my mom again. I just needed to get on with my life. At school, I could pretend that everything was normal, my friends all knew what'd happened to my mom, but they stopped asking about her long ago. It was a Monday morning, and I was sitting in class when all of a sudden, the door opened and I saw my dad standing there.

Past Carly: Dad?

Mr. Morgan: She's awake, Carly! Your mom is awake!

Past Carly: What?! Oh my God!

Carly Morgan: My friends all gasped.

Teacher: Wow, Carly, that's excellent news.

Carly Morgan: I looked at my teacher, she just smiled and nodded to me.

Teacher: Go on, Carly, go with your dad.

Carly Morgan: I grabbed my bag, and then, I ran with my dad to his car and we went to the hospital. I was so excited and my face was beaming. When we got to the hospital, we ran into my mom's room, she was sitting up in bed. My dad went over and gave her a hug.

Mr. Morgan: Darling, I've been so worried about you.

Carly Morgan: Then, I went over and hugged her, but instead of her hugging me back, she just sat there. I could sense that she was being really distant with me.

Mr. Morgan: Darling, this is Carly, your daughter.

Carly Morgan: I watched as my mom crossed her arms.

Mrs. Morgan: That's not my daughter.

Carly Morgan: My heart felt like it had been torn out of my chest when I heard her say that.

Mr. Morgan: Of course, she's your daughter.

Mrs. Morgan: No, no she isn't.

Past Carly: Mom, it's me, Carly, don't you remember me?

Doctor: Don't worry, it can sometimes happen with patients when they wake from a coma. They don't always recognize everyone straight away. We will need to keep her in for a few more days to monitor her.

Mr. Morgan: Come on, Carly, let's get home, your mom needs to rest.

Carly Morgan: It was hard leaving the hospital knowing my mom didn't remember me. But, my dad was right, I felt sure that after a few days rest, she would know who I was. But, the next time we went to see her, she still didn't want anything to do with me. I mean she was fine with my dad, she was laughing and joking, but whenever I tried to speak to her, she just bottled up, it was as though she hated me. I felt really sad at the time, all I wanted was for my mom to put her arms around me and tell me that she loved me. But, there didn't seem any likelihood of that happening. Just then, the doctor came in to check on Mom.

Doctor: How are you feeling today, Mrs. Morgan?

Mrs. Morgan: I feel fine. When can I go home?

Doctor: I'm afraid we can't let you go home until we know that you are 100% better. Once you finally recognize that Carly's your daughter, you will be able to leave.

Carly Morgan: Out of the corner of my eye, I saw my mom look at me, her face seemed filled with hatred. But when my dad turned to her, her face changed, she looked happy to see me. I was really confused, I wondered if I had imagined the way my mom had looked at me. The following day when we arrived at the hospital, I was shocked to hear my mom calling my name.

Mrs. Morgan: Carly? Carly, is that you?

Past Carly: Yes, Mom, it's me.

Mrs. Morgan: Oh, darling, I'm so pleased to see you.

Carly Morgan: I couldn't believe it, finally, she knew who I was.

Past Carly: Oh, Mom, do you remember me now?

Mrs. Morgan: Yes, of course I do. You're my daughter.

Carly Morgan: A tear started rolling down my cheek, I was so happy. When the doctor came in and heard what my mom had said, he was really pleased.

Doctor: Well, that's great news. Looks like you'll be able to go home now, Mrs. Morgan.

Carly Morgan: My mom looked so relieved and happy.

Doctor: We will just need to sign the release papers, I'll get one of the nurses on to it now.

Carly Morgan: When we arrived home, my mom went and sat down in the lounge.

Mr. Morgan: I'll make dinner for us, Carly. You can take your mom a cup of tea.

Carly Morgan: It felt so lovely to have Mom back home with us. Finally, life was going to be normal again. But, when we sat down to eat our dinner, I couldn't help feeling a bit strange, is my mom giving me an evil look? But then, Dad came in and she smiled at me. Maybe, I imagined it. Later that night, I was in the middle of a deep sleep, when suddenly, something woke me.

Past Carly: What was that noise?

Carly Morgan: I turned to the door and almost jumped out of my skin. My mom's face was staring straight at me, my dad came running into my room.

Mr. Morgan: What's the matter?

Past Carly: It's Mom.

Carly Morgan: My Dad led my Mom back into their bedroom, and then, came back to speak to me.

Mr. Morgan: It's nothing to be concerned about, Carly. She's just a bit confused, now, go back to sleep, okay?

Past Carly: Okay, Dad.

Carly Morgan: The next day, things were just like they had been at dinner the night before. In front of my dad, my mom was full of smiles and acted really loving towards me. But, whenever he was out of sight, she was spiteful and mean, I was really scared of her change in moods. That night, when I went to bed, I locked the door to my room, I didn't want a repeat performance of the night before. I hadn't been asleep for very long when a noise woke me. I looked towards the door, but there was no one there. Suddenly, I heard the window smash, and glass shattered all over the floor. I turned to look and saw my mom climbing in through the window. She flew across the room and leaped at me.

Past Carly: Oh my God, is she trying to kill me?! Help! Help!

Carly Morgan: I could hear my dad knocking on my bedroom door, but he couldn't get in because it was locked. The next thing I knew, everything went black. When I woke up, I was in a hospital room, I looked to my left, and I saw my dad sitting there beside me.

Past Carly: Dad, what happened?

Mr. Morgan: It's okay, Carly. You just blacked out.

Past Carly: Mom was attacking me.

Mr. Morgan: I know.

Past Carly: The last thing I remember was you knocking at my bedroom door.

Mr. Morgan: I could hear you screaming, but the door was locked.

Past Carly: So, how did you get into my room?

Mr. Morgan: I kicked the door in when I saw what your mom was doing, I grabbed her and pulled her off you.

Past Carly: What did she do?

Mr. Morgan: She just stood there and started laughing.

Past Carly: Laughing?

Mr. Morgan: Yes, like a weird cackling.

Past Carly: Where's Mom now?

Mr. Morgan: I'm sorry, Carly, the doctors said your mom is crazy. They sent her to an asylum.

Carly Morgan: I couldn't believe it, surely my mom wasn't insane.

Past Carly: I want to go and see her.

Mr. Morgan: I don't think that's a very good idea.

Past Carly: I mean it, Dad, I want to see her for myself.

Carly Morgan: Even though my dad wasn't keen, I eventually managed to persuade him to take me to see Mom. When we arrived at the asylum, the nurse took us to the room where Mom was being held. It was like being in a prison, there were bars on the windows and all the patients were locked inside their rooms. The nurse unlocked Mom's door, and we went inside. She looked surprised to see us.

Mrs. Morgan: What are you two doing here?

Past Carly: I want to ask you something, Mom.

Mrs. Morgan: Okay. Go on then.

Past Carly: Why did you do it? Why did you attack me?

Mrs. Morgan: Because, you're not my daughter!

Mr. Morgan: She is your daughter. I thought you said you recognized her.

Past Carly: Yes, I am, Mom.

Mrs. Morgan: No, you're not! You're an imposter! What have you done with my daughter?! Where is…?!

Carly Morgan: Suddenly, the nurse came in and grabbed hold of my mom as she carried on ranting away.

Nurse: I think you better go now. She is getting upset.

Mr. Morgan: Come on, Carly, there's nothing else we can do.

Carly Morgan: As my dad led me out of the room, I realized that everything that my mom had said before had been a lie. It was obvious that she pretended to know who I was, just so she could be released from the hospital, it had all been fake. That was the last time I saw my mom, I tried not to think about how it had been before she came crashing through the wall of our house, when she wasn't crazy, or had she always been crazy and we just hadn't noticed it.

When Carly Morgan was done, we were really horrified by the dark story, and she broke down and she cried really hard, but Lincoln put the heavy barbell up, and he came to her and he hugged her in his abnormally massive and powerful muscular arms, and she hugged him back. This really hurt us badly.

Me: Oh man.

Nico: So, now we know the full story of how Carly Morgan's mom tried to kill her, but the details were really dark.

Lori: Yeah, and when she told Lincoln and all of us about it, we were really scared of what Mrs. Morgan tried to do to her. This really scared us badly.

Me: And I did make the right choice to send her back to the nuthouse for good.

Lincoln: We had no idea Carly's mom suffered from Capgras Delusion, and that she was an escaped patient from an Insane Asylum that she was sent to 20 years ago after being found guilty of murder by reason of insanity and sentenced to Life in Prison without Parole. She covered her tracks when she underwent plastic surgery and went on the run, and then, when she met Mr. Morgan and had Carly, Mrs. Morgan, or whoever she really is, fooled them and fooled everyone in Michigan. But, I'm glad you made the call to have Mrs. Morgan sent to The Saturn Insane Asylum for good. She's a very dangerous person and if left unchecked, she could do some serious harm to anyone who got in her way.

Nico: But, now, she'll be left all alone for the rest of her days, and because of what she almost did to Carly, her own daughter was left with horrible nightmares and trauma of that very night.

TLPS Mr. Wolf: But, Carly's already moving on after that day.

Lincoln: Somewhat, TLPS Mr. Wolf, but the memories and trauma of what Mrs. Morgan tried to do to Carly left deep scars in her mind, and it's not easy to recover from. But, Mrs. Morgan, or whatever her real name is, deserves to be locked away in the Saturn Insane Asylum for the remainder of her days.

We then got a shower afterwards, then suddenly, a bright light descended on the World Tree Estate, and we had to cover our eyes for that. Then, as the bright light faded, we uncovered our eyes and to our surprise, the world where Katrielle Layton, Janice Quatlane, and Amurii Ruth has merged with our world.

Lincoln: Wow, Katrielle, Janice, Amurii, your world has merged with ours.

Katrielle Layton: That's amazing, and I've got a surprise for you, Lincoln, we're going to meet with my father, Professor Hershel Layton, and his apprentice, Luke Triton.

Lincoln: Awesome, and he'll be surprised to know that your old enemy, Jean Descole, was killed by Adam Lyon's hands.

Adam Lyon: Jean Descole deserved to die after what Katrielle told us about him.

We then left the World Tree Estate, and we headed for the place where Professor Hershel Layton, and his apprentice, Luke Triton, were at. Katrielle went up to the door and she knocked, and when the door opened, we saw Professor Hershel Layton and his apprentice, Luke Triton, come out, and when they saw Katrielle, Janice, and Amurii, they hugged. Then, Katrielle, Janice, and Amurii told them that Lincoln's the one who rescued them, and they're members of his harem and among his many future wives, and they offered their congratulations and they know Lincoln will take good care of them.

Lincoln: And there's also something else you should know, Professor Layton. Your daughter's old enemy, Jean Descole, is finally dead and he's never coming back, and the one who killed him was Adam Lyon.

Adam Lyon: Yes, that's right, sir. After what your daughter told us about Jean Descole, he crossed a lot of serious lines, and he had to pay a serious price.

Luke Triton: Good, he was a criminal and a monster.

We then proceeded to move Professor Hersel Layton and Luke Triton to Gotham Royal York, so that way, they'd have a new life here, but this means that Katrielle's enemies are now our own, but we're more than ready for them when they dare to show their faces.

At the computer I was trying to figure out why Carly's mom went nuts.

Me: Hmm. Computer, list known escaped Insane Asylum patients from 2002.

Computer: Searching. Search found. 1 inmate.

I pulled it up and it was a woman named Cora Wellington. She had the same kind of face as Mrs. Morgan but her hair was black.

Me: "Cora Wellington. Married 6 times with 6 children from each of those marriages. Convicted of Capital Murder but found Criminally Insane, Convicted of the murders of all 6 of her children and her 6 husbands because she believed that they were not her kids and her husbands. Sentenced to death in 1998. Resentenced to Life in a Maximum Security Psychiatric Institution for the criminally insane without possibility of parole after being found incompetent to be executed. Diagnosed with severe Paranoid Schizophrenia and Capgras Delusion. Escaped On December 14th, 2002. Considered to be extremely dangerous and extremely mentally unstable. Last known whereabouts: unknown." Oh my god. Computer, cross reference image of Mrs. Morgan and Cora Wellington before and after Plastic Surgery.

I scanned a photo of Mrs. Morgan and it scanned it and matched it up.

Computer: Facial Features identical. Hair and facial appearances altered by cosmetics and facial reconstruction surgery.

I was shocked and horrified.

Me: Oh man. This is gonna be a shocker.

I printed the info and gathered everyone including Carly Morgan. Lincoln was there for support.

Me: Now I hate to further rub salt into the wound but I'm afraid Carly's mom or so-called mom in this case is much worse than we first thought.

I handed Carly the file and she read it and then gasped in shock! She was shocked and horrified! Everyone read it and gasped!

Lincoln: Oh man!

Laney: That's terrible!

Megan Kiraton: Carly we had no idea your mom was that messed up!

Carly Morgan: (Tears stream down her face) My mom is a monster!

(CRYING HARD!)

Lincoln comforted her.

Lori: I had no idea her mom was that dangerous and evil.

Laney: Her own mind became her own worst enemy.

Lana: That is terrible.

Fiona Hernandez: Carly we're so sorry about this.

Laniya Momoshiki: (Japanese Accent) You're mom is so messed up in the head. She had no idea what she was doing.

Carly Morgan: (Crying) OH MOM! (CRYING HARD)

Lincoln hugged her and comforted her and helped her.

Me: I'm sorry Carly.

Nico: That is awful. Her mom is worse than we thought.

Carly cried hard for 30 minutes. It was awful.

---

Later it was time for Lillian's 3rd Ambassador Mission and this time we're going to blow the entire Yggdrasill Tower straight to kingdom come!

Me: Time to chop down that godforsaken tower for good.

Nico: Yeah this is gonna be awesome.

William: Anyone else want to go with Lillian? Besides, Facilier and Kai.

Lillian Hale: I was thinking of having the MHA Girls come with us this time.

Himiko: Awesome! It'll be an honor to blow that tower up.

Megan Kiraton: It sure will. I'm looking forward to this one.

Lincoln: Me too. This is gonna be so awesome. So I'll go too.

Lori: We'll all go this time bro.

Laney: Just like in Will's last mission.

Will Vandom: It sure will be awesome.

Me: Yeah.

Fu: I'll go too. I want to have a shot too.

Nico: Okay. Anyway lets get moving.

We were off to Japan yet again.

We later arrived.

Kouta: Hey guys.

Lillian: Guys, meet my archenemy.

Dr. Facilier: Hello there. Dr. Facilier, the Shadow Man.

Me: You might recognize him from the Disney Movie The Princess and the Frog.

Kota: Oh wow! Awesome to meet you.

Me: And these are the girls of U.A. Academy.

Kaina Tsutsumi: Pleasure to meet you. I'm Kaina Tsutsumi.

Camie: I'm Camie Utsushimi.

Kaoruko Awata: I'm Kaoruko Awata.

Himiko: I'm Himiko Toga.

Ibara: I'm Ibara Shiozaki.

Toru: I'm Toru Hagakure.

Sirius: I'm Sirius.

Tsuyu: I'm Tsuyu Asui.

Ochaco: I'm Ochaco Uraraka.

Momo: And I'm Momo Yaoyorozu.

Kota: Awesome to meet you all.

Lincoln: My name is Lincoln Loud. Awesome to meet you all.

Kota: Awesome to meet you. And these all must be your siblings.

Lori: We sure are. I'm Lori the Eldest.

Leni: I'm Leni.

Luna: Sup dudes. I'm Luna.

Luan: My name is Luan.

Lynn: I'm Lynn Jr.

Linka: I'm Linka.

Lyra: I'm Lyra.

Lee: I'm Lee.

Lucy: I'm Lucy.

Laney: I'm Laney.

Lana: I'm Lana.

Lola: I'm Lola.

Lisa: Greetings. I'm Lisa.

Lily: And I'm Lily.

Nico: Yes their mom and dad all thought it would be awesome if their names all started with the letter L.

Me: (Whispers to Kouta) Also the Loud Family has never been a big believer of condoms.

Kouta snickered.

Fu: And my name is Fu and I'm the 7-Tails Jinchuriki.

Kouta: Awesome to meet you all.

Lori: Same to you.

Kouta: (to Facilier) Aren't you able to summon your Shadowy friends?

Facilier: Not anymore. They are all not my friends anymore after what they did to me in the Underworld.

Me: It's what happens when you mess with forces that are beyond all forms of mortal comprehension.

Nico: Yeah he was really playing with fire on that one.

Eli: Not good at all there.

Me: He was a voodoo master and that is dangerous stuff.

Kouta: Oh I see.

Me: He now has much better powers now.

Facilier: Darkness manipulation.

He formed a ball of shadow.

Kouta: Cool!

Kaito Kumon: Either way, we should still be able to destroy the Yggdrasill Tower.

Nico: With our kind of power that won't be a problem.

Me: Don't worry guys. I made sure no one will be caught in the explosion. I talked to the Prime Minister of Japan and everyone within a 2 mile wide radius of the Yggdrasill tower has been evacuated.

Nico: Good call there J.D.

Kouta: That's good news.

Laney: It sure is.

Lana: Yeah!

Nico: I have the perfect setup for Team Gaim. It'll consist of J.D., Lillian, Kaito, Kouta, and Mitsuzane Kureshima. We just need 1 more.

Megan Kiraton: I'll volunteer too.

Nico: Awesome Megan.

Lincoln: This is gonna be so awesome.

Kai: What are we waiting for then?

Me: Lets turn that tower into Mulch! (Eyes Glow Red)

Nico: YEAH! (Eyes Glow Red) That tower is going into a wood chipper!

We were off to Yggdrasill Tower.

We arrived at the tower.

Me: This is it guys.

Laney: Yep.

Nico: We'll show them an awesome example of teamwork.

?: (Echoing voice) Let me help you all too.

We saw a girl with golden hair and she had white clothes. It was Mai

Takatsukasa.

Me: Mai Takatsukasa.

Nico: Mai Takatsukasa.

Mai Takatsukasa: It's an honor to meet you all Nico and Team Loud Phoenix Storm.

Me: Same to you Mai.

Nico: We're glad you can come to help. We're sorry you lost your life.

Mai Takatsukasa: I'll be all right but thank you.

Nico: You're welcome. Lets do it!

Megan Kiraton, Kouta, Kaito, and Lillian: Henshin!

LOCK ON!

ZIIIPPP!

They donned their awesome Gaim Kamen Rider Forms!

Me: Shall we blow the tower up from outside or the inside?

Nico: Outside.

Kaito: (sighs) I never thought I'd have to use my Lord Baron form again. But right now, desperate times call for desperate measures.

Nico: Sorry Kaito. But here we go. (Cups hands) KAAAAAAAAAA!

Me: MEEEEEEEEEEEE!

Eli: HAAAAAAAAAAAA!

Fu: MEEEEEEEEEEEE!

Me, Eli, Nico and Fu: HAAAAAAAAAAAAAAAAAAAAAA!

We fired a massive Kamehameha Blast and everyone fired a massive wave of elements and energy and the blasts all flew up and curved and went down into the middle of the tower and then…

EXTREMELY MASSIVE AND INCREDIBLE EXPLOSION!

The entire tower was completely obliterated in an incredibly massive and massively powerful fiery explosion! The Massive mushroom cloud was seen from a long ways away!

Tyson and friends even saw the explosion from the park they were at!

Tyson: Holy cow! What was that!?

Hilary: I know what it was! It was J.D. and everyone. They destroyed the Yggdrasill building!

Kenny: Wow! That was awesome!

Tyson: Yeah!

When the smoke cleared all that was left of the entire Yggdrasill Corporation tower was a massive and huge deep hole that filled up with water! It was totally gone!

Kouta: WHOA! What power!

Nico: That was only a small taste of our power.

Me: Yeah but when the big day comes in August you'll see the true extent of our power at full force.

Kaito: Yggdrasill might be gone. But the true battle is just beginning.

Nico: The true confrontation is just about to get started.

Eli: It sure is.

Kaito: And now, to turn into my Lord Baron form to prepare for the inevitable confrontation.

Nico: Yeah.

Kaito then went into his LORD BARON FORM!

Laney: Whoa! So that's Lord Baron!

Me: So awesome.

Kaito: Prepare yourselves.

Then a figure came out and it was DEMUSHU!

Nico: DEMUSHU!

Me: Demushu! I remember seeing him and now I get to have a crack at him!

Demushu: YOU FUCKING APES! YOU ARE GOING TO DIE TODAY!

Me: Bite my shiny fucking metal ass!

Kaito Kumon: Where's your friend Kureshima?

Demushu: None of your fucking business ape!

Nico: Your name calling must be your only attack! Because you're too weak to challenge anyone else any other way.

Demushu: Shut your fucking mouth!

Demushu flew and Nico kicked and punched him all over. Demushu then punched and kicked at Nico and Nico was dodging all his blows and Nico then punched and smashed and pulverized Demushu all over the place.

Demushu got smashed into the ground!

Demushu: WHY YOU FUCKING LITTLE MORON!

Nico: The only moron here is you! I guess you haven't done your homework huh? You obviously didn't do your research on the entire human race here didn't you? There are more creatures here than just humans. And I am one of them.

Nico showed his Saiyan tail.

Demushu: That tail! (GASP) WHAT YOU CAN'T BE!

Nico: That's right! I am a Saiyan.

Demushu: But all the Saiyans were wiped out.

Nico: Not anymore! Now I'm guiding them on the road to redemption.

Kouta: J.D., if Demushu won't tell us where Kureshima is, then you'll need to find him yourself! We'll handle Demushu!

Me: Absolutely. We'll let Nico have his fun. He's right… THERE!

I fired a wave of energy and it hit a tree and blasted it into dust and then out came TAKATORA KURESHIMA!

Me: There you are. Takatora Kureshima.

Kureshima: You are impressive J.D. Knudson.

Me: So I have seen. Didn't expect your buddy Demushu to return like this. But then again he always did have a really terrible reputation.

Takatora Kureshima: That's true. He was never well liked in Helheim because of his insatiable lust for power.

Me: Yeah but what else is new?

Kai: You're not the Kureshima we're after, Takatora. But, will you help us anyway?

Takatora Kureshima: I might as well.

Me: Kai must be talking about the Zangetsu Shin version of our Redemption Squad member Mitsuzane Kureshima.

Takatora Kureshima: That's right.

Me: Then he is right… HERE!

I punched a figure behind me and I grabbed him and threw him into a fire hydrant and it was ZANGETSU SHIN!

Me: That's the one.

Kai: And I was talking about Amagi Kureshima too.

Eli: Oh him.

A figure came out of the crater all burned and mangled up and it was AMAGI KURESHIMA!

Laney: There he is.

Me: Nice to see you survived the destruction of Yggdrasill.

Amagi Kureshima: You lied to me.

Kai: Not exactly. We weren't 100% sure on when the date would be.

Me: So much for Yggdrasill though. Besides you are just a frail old man. You're not even worth killing.

Kaito: Yeah father and it's actually the other way around. You lied to me and Mitsuzane.

Me: You have been using Yggdrasill to destroy peoples lives and destroy the world too.

Amagi Kureshima: I was trying to save humanity!

Me: Bullshit! What you were doing shows that you are destroying humanity!

Eli: Yeah you jerk! You were going to kill everyone!

Fu: What you have done shows that you are a monster!

Me: But you did do one good thing for us.

Amagi Kureshima: What's that?

Me: You gave us the power to use awesome Gaim Kamen Rider

Forms.

Takatora: Do with him as you wish, J.D. I'm gonna help Nico. Henshin!

He donned his awesome Melon Kamen Rider Form!

Me: YEAH! Go for it. Sorry for the mixup.

Takatora: No worries.

He went to help Nico.

Me: Also We have a much better thing for you Amagi.

I went over to him and slapped the handcuffs on him.

Me: I think letting you be judged in a trial by the world leaders is more appropriate for a dirtbag like you.

Amagi Kureshima: You'll wish you had killed me.

Me: Heard that one before.

Laney: Yeah.

Me: Lincoln watch over Amagi and make sure he doesn't try anything. We'll handle Demushu.

Lincoln: Right!

We went over and helped Nico.

Kouta: This is our stage now!

Me: And you aren't welcome on it! (GOES SUPER ANGEL)

I punched and kicked him in the face.

Eli: DRAGON OF THE DARKNESS FLAME!

Eli fired a wave of pitch black fire as hot as the sun and it formed into a dragon and it slammed into Demushu and burned him all over and then melted his arms off.

Kouta: Time to finish this!

Me: Lets!

We fired waves of elements and energy and obliterated Demushu in an instant!

Laney: TAKE THAT!

Nico: YEAH! Demushu you have failed this universe! And Amagi I can finally say this to you.

Amagi Kureshima: What's that?

Nico: (Speaking in Japanese) 呉島天城、あなたはこの宇宙全体に失敗しました。(Amagi Kureshima, you have failed this entire universe.)

Eli: Yeah!

Amagi Kureshima was defeated and disgraced. But thankfully he wasn't our primary target for the big day in August.

Me: Now we can bring him over to the United Nations to face trial and punishment.

Laney: Yep.

We later came back.

Rarity: Oh hey there darlings.

Me: Hey Rarity.

Laney: Boy did we have an awesome time in this one!

Nico: Yggdrasill has been mulched and destroyed.

We told everyone everything and it was amazing.

Rainbow Dash: That was AWESOME!

Pinkie Pie: YEAH! That tower is gone!

Me: And Amagi is now locked up in our newest prison forever. The Supermassive Black Hole Superprison.

Nico: Wow what's that one?

Me: It's our newest prison in orbit around the Supermassive Black Hole at the center of the galaxy. It's only reserved for the Galaxy's worst of the worst. But mostly those of Earth.

Nico: Nice.

May: Next time, 2012 Leo can go with you.

Lillian Hale: Great idea.

Me: Yeah!

But then Leon Loud came and he was frantic!

Leon Loud: Guys we got a situation on TV!

We went and saw Chloe Bourgeois shaking in fright and then we saw ANOTHER CHLOE AND SHE WAS GIVING KINDERGARTEN KIDS WEDGIES!? WHAT THE FUCKING HELL IS GOING ON!?

Something fishy was going on. Nico and a group were called to an alley.

Tarantulas: So, Chloe said to meet her here?

Maria: Something's not right about this.

Nico: I know. I got a bad feeling about this.

May: It's not good.

Nico then sensed something.

Nico: LOOK OUT!

Nico fired an energy blast and blew a bunch of Terrorists apart!

Nico: Terrorists out to Ambush us!?

Tarantulas: Looks like it's time for me to stop them. Tarantulas, TERRORIZE!

He transformed and fired machine gun legs and pumped them full of lead!

Megaforce Rangers: LEGENDARY RANGER MODE! DRAGON BLITZKRIEG!

They turned into the Changeman and blasted the terrorists to dust!

Rachnera: Chloe, have you gone nuts?! You sent Nico and some of the others to a spot where terrorists were waiting for them!

Nico: (keeping calm) Chloe, I know you had a good reason. Make it a good one please.

Chloe?: (Laughs Evilly) That's because… (Eyes glow red) I'm not my goody goody two shoes self!

They gasped and saw that it was AN EVIL VERSION OF HER!

Nico: CHLOE'S DARK SIDE!

May: The one that you met when you first met Marinette!? OH MAN!

Rachnera: Not good.

Dark Chloe: SO LONG SUCKERS!

She left.

* * *

FRENCH NARRATOR: (French Accent) Later.

* * *

Many people were enraged at Chloe.

Ed Edd n Eddy Sarah: What the Hell is your problem?!

Chloe: What do you mean?

Ed Edd N Eddy Sarah: Earlier, you approached Jimmy and beat him up, making him cry!

Manny Armstrong: Not to mention you stole some weapons from the Plumber base.

Runamuck: And just a while ago, me, Adrien, and Marinette saw you rob a bank!

Adrien: (hurt) And here I thought you changed.

Chloe: I have! I was with J.D. and Lincoln the entire time!

Me: She's telling the truth guys. There's absolutely no way she could have doing all that and be here at the same time.

Lincoln: Yeah she couldn't have been in 2 places at once!

Nico and everyone came in.

Nico: That's because it wasn't her. It was an evil version of her! It was her dark side!

We all gasped!

Eli: Oh man! How could this have happened!

Me: It must've happened in the middle of the night!

Nico: But how? And why?

Me: I think I might know. Voltaire Hiwatari! I think he might have done this as a last ditch backup plan because the World Leaders and us are all closing in on him.

Sheila Castille Loud: So he has decided to take drastic measures.

Me: Exactly.

Tahu: Yeah.

Cybertron Red Alert: That was going to be my second guess.

Maria: What was your first one?

Cybertron Red Alert: Amagi as a contingency in case his plans failed.

Me: No he was too old to practically do anything now these days. But that was my first guess as well.

Ed Edd N Eddy Sarah: Oh man. I'm sorry we accused you Chloe.

Chloe Bourgeois: (CRYING) I'm sorry guys!

I hugged her.

Carly Morgan: Chloe it's not your fault.

Tom Lair: Yeah Chloe your dark side is to blame for all this.

Lynn: Yeah remember what happened with me? And the Masters of Evil helped out too? They helped me clear my name.

Nico: Now we just have to help do the same thing for you.

Me: That's right and Lincoln can use the Crystal Dragon Vengeance Curse on Dark Chloe so we can show everyone that you were set up.

Laney: That's right!

Chloe Bourgeois: Just when I thought I left behind my bitch past, it comes back to haunt me!

Snaptrap: And who knows what that Dark Side's doing right now!

Nico: I think I know.

Nico went over to the computer and we saw that she was heading over to Japan.

Rainbow Dash: She's heading over to Japan!

Me: She's no doubt heading for BIOVOLT. Looks like we're going to have another trial after we take down Voltaire.

Laney: But what really shocks me is that Kai's grandfather is doing all this.

Nico: Yeah. Anyway Tahu it's time for your awesome Special Mission.

Tahu: And it'll be awesome to be ready for it my brothers.

Me: Awesome.

Then Oculous, Angel, Red X, Mirror Master, Absorbing Man, The Springfield Bullies, Koragg, Mr. Mittens, Killer Croc and Black Manta appeared.

Oculous: Can me, Angel, Red X, Mirror Master, Absorbing Man, The Springfield Bullies, Koragg, Mr. Mittens, Killer Croc and Black Manta go with you guys?

Dolph: I just hope no dangerous Plumber weapons were stolen.

Me: If they were then we need to get them back now.

Nico: And to answer your question yes you all can.

Koragg: And Chloe just so you know we know that wasn't you from the beginning.

Absorbing Man: Vypra picked up a dark magic disturbance over at BIOVOLT and it was from Voltaire.

Me: I knew it was him.

Absorbing Man: It was emitted in the middle of the night while you all were sleeping and Dark Chloe was let loose at around 10:30 this morning.

Me: 30 minutes before we got back from Lillian's third mission.

Nico: Wow. Talk about perfect timing.

Sonata Dusk: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for an alien from a taco planet.

Sonata Dusk: (Excitedly) Really!?

Nico: (Laughs) No I wish. I'm hoping to do one for Invincible's kind next.

Lola: Who is Invincible?

Ben: This is him.

He turned into INVINCIBLE!

Invincible is a humanoid alien made of small blue orbs. He has a muscular blue body, black legs and arms, and tentacle-like feet. His head resembles a helmet. Invincible does not have a visible Omnitrix symbol.

Nico: WHOA!

Me: That is a cool one!

Shanan: Wow! So you're looking for a Kaipornean next.

Qin: A Kaipornean?

Shanan: Yep. They come from the distant planet of Kaiporna VIII. It's located at the very distant edge of the galaxy and it's a world made of energy. Kaiporneans like Elena's nanochips have the power to transform into different objects like cannons, cars, anything. They are also impervious to lasers. Watch.

Shanan fired a laser and it hit him and didn't faze him.

Nico: WHOA! That is cool!

Shanan: It sure is.

Ben reverted back.

Nico: Awesome!

Red X: We should probably get going.

Kearney: Before Evil Chloe does something else like kill Kool Aid!

Me: That would not be good!

Nico: No way! The last thing we want is for that to happen!

Laney: OH NO!

Lana: OH NO!

Lola: OH NO!

CRASH!

Kool Aid Man: OH YEAH!

The Kool Aid Man smashed through the wall!

Nico: COOL!

Me: Awesome!

I held out a glass and he filled it up for me and I got a drink of Kool Aid.

Me: Ahh. Strawberry Flavor.

Nico: That was cool.

We were off to Japan yet again.

---

We arrived at the bridge Tyson and his friends were at.

Block Man: Is this the place?

Me: This is it.

Tyson and friend saw us.

Tyson: Hey guys!

Me: Tyson what's shaking dude!

We fist bumped.

Tahu: What's happening brothers?

Tyson: Tahu! Awesome to see you here! And it's awesome to see you all here too.

Eli: It sure is.

Hilary: We saw a huge explosion! Are you guys okay?

Me: Yes we're all right. That was us blowing up the Yggdrasill Corporation. It's gone now.

Hilary: Wow that was awesome!

Me: Yeah the Yggdrasill Corporation is now nothing but a water filled Crater in the ground.

Mr. Mittens: And they got T Shirts as well.

Tyson: Were they "I met Kamen Riders" T Shirts?

Maria: (sighs) Yes.

Orion was wearing one.

Orion: I thought it looked really cool.

Me: They are cool.

Poromon got out 2 beer bottles.

Tyson: What are those?

Poromon: 2 Bottles of beer!

Hornet Man: I wonder if there's a version of Kool Aid man but with beer.

Me: I don't think so. But Poromon, Tyson and his friends are too young to drink beer.

Poromon: Oh right.

Nico: But we owe you guys big time for having you all help us last week when we faced Tortoise John.

Hilary: It was no problem.

Kai Hiwatari: That was a fun adventure.

Kai jumped down from a tree.

Me: Awesome to see you Kai.

Kai Hiwatari: Same to you J.D.

Me: The gang is all back together again.

Jimbo: Also, have you seen an evil version of Chloe anywhere?

Tyson: You mean that person who looked like Queen Wasp that I saw an hour ago?

Me: She's here!? Oh man.

Chloe: She's ruining my image.

Nico: A while back after I joined Team Loud Phoenix Storm and I met Marinette and friends, Chloe started out as a snobby queen bee bitch. But as time went on she redeemed herself and she became a good person. That was when Lila Rossi came into the picture.

Hilary: You mean that homicidal insane girl that tried to kill the mayor of Paris!?

Me: That's the very one.

Applejack: That girl was also the same one that I punched in the

face.

X-Squad Lila Rossi: Thank goodness it wasn't me.

Garrett: Yeah thank goodness there.

Laney: Yeah she was totally bonkers in the head.

Nico: Putting it mildly on that one.

Bristleback: Don't tell me Evil Chloe committed crimes here too!

Kenny: No thank goodness. We saw her heading to BIOVOLT tower.

We looked and saw that it was only 3 miles to the north of us.

Me: Thats not that far away. But I know that tower like the back of my hand.

Nico: Good then it'll be easy to breach it.

Me: Kai I'm sorry but your grandfather will be put on trial for his crimes against the world.

I pulled out a piece of paper and it was a contract that was put out on Voltaire.

Me: This is a warrant for his arrest and we were told by the world leaders to bring him in dead or alive.

Kai Hiwatari: I understand guys. Thank you.

Koragg: We should probably get Beyblades of our own.

Tyson: Good idea. In fact for this day we have them all here.

Hilary pulled out a huge box and in it was a bunch of Beyblades.

Me: Whoa! You guys came prepared.

Himiko Toga: You sure have and J.D. got a Beyblade for me.

Me: It's true.

Nico: All right guys choose your Beyblades.

Everyone went to the box and got their own Beyblades! And their own launchers too.

Laney: This is gonna be awesome!

Lincoln: It sure is.

Tara: I can't wait to see what they can do.

Me: You're all going to be in for a thrill when you all see them in action too. But their power is not to be taken lightly guys. Voltaire messed with some of them and made cybernetic Beyblades that was tearing the users minds apart and making them laugh like fucked up megalomaniacal monsters.

Nico: It's true. I remember seeing that on Tahu's 4th and Final Ambassador Mission.

Me: And that was before we went into battle with the Fold in the Marvel Ultimate Alliance universe.

Hilary: That's right. (Sees my Rainbow Hair) Wow J.D. your rainbow hair is awesome.

Me: Oh thanks. It's a trend that Rarity made. I think it's cool because of goes great with my rainbow aura.

Eli: It's true.

Rarity: And it goes amazingly well darlings.

Hilary: That is so awesome.

Trent Fernandez: Anyone want dibs on this Dragoon Beyblade?

We saw an extra Beyblade for a Fire Dragoon!

Me: A Fire Dragoon Beyblade. That's cool. Lets see who doesn't have one.

Rennolla: I'll have it.

She went over and took it.

Hilary: Wow! Your wings are awesome. Oh I don't think we met.

Rennolla: Oh sorry. My name is Rennolla and I'm the Princess of the Fire Fairies.

Hilary: Oh wow! It's an honor your highness.

Rennolla: No need for formalities. Rennolla is fine.

Hilary: Sorry.

Me: Me and Rennolla met in my third dream adventure. I now have this new awesome power where I can have adventures in dreams now. I'm now what's called a Dreamwalker. And I can have adventures and rescues in my dreams now. Including anyone elses dreams too.

Natilee: It's true. Dad now has that awesome power.

Kenny: That is so awesome.

Me: It sure is.

Killer Croc: By the way, I think we punched more than one of the Sore Losers for you.

Me: Oh right. During the Ridonculous Race, I kept my promise and punched Ale-Jerk-Dro right in the face and gave him a nasty black eye.

Lincoln: And I cursed him with the Marzanna's Ice Heart Vengeance Curse and it froze his blood and black heart, and when it was all done, Alejandro was now completely frozen for all eternity, and he was condemned to an eternity in the Ninth Circle of Hell, as his spirit was frozen in the ninth circle of Hell.

Hilary: Whoa! That is a lethal curse.

Nico: It was awesome and fitting for him too.

Me: We cursed all the Total Drama Sore Losers.

Nico: Yeah they are now gone forever.

Pharaoh Man: Max is in the Masters of Evil as punishment. And we've gotten word that he's actually behaving.

Nico: That's good news. At least they reigned him in.

Me: Yeah. And he is going to be the archenemy of this awesome guy.

Johnny Bravo came and flexed his muscles.

Johnny Bravo: Max is now my archenemy. HE! I'm Johnny Bravo, and don't let my buff body intimidate you. I pack a punch.

Hilary: Wow!

Black Manta: The women of Johnny's hometown got rallied together by another of the Sore Losers.

Me: And that is Scott. You wouldn't believe what happened because of that.

Tyson: Don't tell me. Was it Team Buktu?

Me: Yeah. How did you guys know?

Hilary: We saw what happened on the news and we did not by that bunk they said for one second.

Kenny: They were ruining your good names. Bunch of pretender neanderthals!

Nico: Well said guys.

Kai Hiwatari: That was a clever plan you did Nico.

Me: It was both our ideas actually. We both came up with it.

Ember McLain: It's good you guys didn't believe a word Team Buktu said. Except for Albedo. (scoffs) Elemental Darksides my ghostly ass.

Nico: Yeah those were just robots! Mysterio would be proud though.

Me: They really pulled off that awesome illusion very well. And the machinery they used was really well constructed.

Nico: Yeah. But it was all just a ruse.

Laney: It sure was. But in the end they were just pathetic wannabes.

Lola: Yeah!

Hilary: I agree.

Mirror Master: Except for Albedo. He actually turned out to be cool.

Nico: Yeah.

Rika Noralenshikov: (Russian Accent) And he is now my amazing archenemy.

Hilary: That is awesome.

Lola: Albedo looks like an Inverted color flipped version of Ben too.

Ben: Yeah he sure does. That is awesome.

Cheetah: Kai, whatever happens to your grandfather, he brought on himself.

Gabriel: Cheetah's right. Unlike me, who had a good reason to do crimes, your grandfather committed crimes just for the Hell of it.

Me: That's right. What your grandfather did is nothing short of war crimes and unlawful experimentation as well as high treason.

Kai Hiwatari: That's true. After realizing that I was nothing more than a pawn in his plans, I come to realize that he is no longer my grandfather.

Me: Good.

Angel: I'll go spy on your grandpappy while the usual battles are going on.

Nico: Okay. Tyson, everyone, you all get to see an awesome demonstration of our powers in action.

Angel flew off.

Nico: And Tyson, Hilary, Eli Shane you guys are gonna get your own archenemies too. Maria call them in.

Maria: Righto bro!

She did so and then Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf and Weather Wizard appeared.

Nico: Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf and Weather Wizard.

Key: Looks like it's time to get this party started.

Scorcher: You guys got some nice Beyblades.

Maria: We sure did.

Firepower: I actually knew you would.

Me: Yeah.

Evil Star: When it comes to collectibles, you guys will always get some.

Key: (to Nico) We heard you fought Darth Maul.

Nico: We sure did.

Overdrive: Please tell me you made sure nothing remained of him to be turned into an upper half scorpion like monster!

Me: Oh we assure you he is dead. This time forever. We slashed off his arms and legs slashed out his heart and Selma here slashed off his head and then I used the Black Gates on him.

Selma Lillyton: It was awesome destroying him.

Overdrive: Cool! And what vehicles can I use?

Me: I did bring this.

I unsealed a Naboo Starfighter.

Overdrive: A Naboo Starfighter! Awesome choice.

Kunks Butylmercaptan appeared for round two.

Nico: Round 2 Kunks?

Kunks Butylmercaptan: Yep.

Me: Awesome.

Kunks Butylmercaptan: I've got a good feeling a certain anniversary team is gonna show up to take Evil Chloe down

Zarya Moonwolf: And I know who they are.

Me: And we meet them in 7 days.

Kunks Butylmercaptan: Also for Eli Shane, Tyson and Hilary we have 3 awesome archenemies for you.

Out came three figures and they were WILSON FISK A.K.A. KINGPIN, ULYSSES LUGMAN A.K.A. SLUG and MARY JANE AS THE CARNAGE QUEEN!

Me: Kingpin, Ulysses Lugman A.K.A. Slug and the Carnage Queen!?

Mary Jane: Is that me as the Carnage Queen!? Oh man!

Nico: Uh oh! Get ready for a vendetta hate fest.

Girl Jordan: I'm okay with this one.

Nico: Really?

Girl Jordan: Yeah. As long as it's not Kasady here I'm okay with it.

Nico: Good.

We got the usual battles underway.

---

---

Scorcher was first.

Scorcher: (to Jason) Even in his dreams, Crocker can't beat J.D.. Though, why do I get the feeling that we'll face the real thing soon?

Jason Lee Scott: IT'll be awesome to face him again though and this time he will get the black gates for real.

Sunset Shimmer: That guy is one insane lunatic.

Pipsqueak: (British Accent) We've had enough of him to last an eternity.

Sunburn: Yeah he is a monster.

Kimberly Ann Hart: He needs to go away forever.

Scorcher: I agree there too. Lets do it!

They fired waves of fire and smashed him down.

---

Aurico: Yes it is. She deserves to be wih him after everything that happened.

Rarity: I agree there darlings. What happened though was terrible for the galaxy.

Sweetie Belle: Yeah that was awful.

Gill Grunt: The Sith ALL Deserve to be destroyed.

Delphine: I agree there completely.

Sonata Dusk: They are all monsters and are pure evil.

Transquito: Yeah those guys are monsters of pure evil.

Firepower: I agree there. Lets do it!

Transquito: They sure are. Transquito, TERRORIZE!

They fired waves of water, ice, jewels and energy and smashed him down.

---

Tommy Oliver (Zeo), Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Zeo Rangers, Block Man and Search Man VS Guy Pompton A.K.A. Evil Star - Lincoln's Rescue

---

Evil Star was next.

Evil Star: (to Tommy) I heard Lincoln's rescue was in Skeleton Warriors. How was it?

Tommy Oliver: IT was really awesome and amazing.

Twilight Sparkle: It sure was and what Baron Dark did was horrible.

Evil Star: No kidding! I also heard that Carly Morgan's mom is worse than we all thought. That is awful she killed 12 people. I think Carly and her dad were going to be her next victims.

Starshine Sparkle: Her mom is totally messed up in the head.

Spyro: Yeah that was awful! Carly took this news really hard. She cried hysterically for a long time.

Rocky DeSantis: Yeah poor girl.

Kat Hilliard: (Australian Accent) What happened to her was just absolutely awful.

Evil Star: Oh man. I hope she gets better. No one should ever have to go through that. Lets do it!

They fired waves of magic and energy and smashed him down.

## T.J. Johnson, Pinkie Pie, Featherweight, Tech Skylanders, Turbo Rangers, Hornet Man and Magma Man VS Key - Meeting a gene-slammer for Arcana Force XII - The Hanging Man

Key was next.

Key: (to TJ) I heard you guys met a gene-slammer for Arcana Force XII - The Hanging Man. What's her name?

T.J. Johnson: Her name is Evelyn Francois and she is the 4th member of the Arcana Force Gene-Slammers. It was amazing.

Pinkie Pie: It sure was! She even busted a serial killer!

Featherweight: I agree!

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Evelyn, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Evelyn Francois: That's incredible.

Nico: It sure is. So, Evelyn, how did you prevent that attack on Lincoln, Lana, Laney, and Lily by a murderer before it even happened?

Evelyn Francois: You'll like hearing about this. I was walking home with Lincoln, Lana, Laney, and Lily after a day of fun at Tall Timbers Park, but then, I had a vision and in it, I saw a murderer coming out and about to attack and kill Lincoln, Laney, Lana, and Lily. I sensed where he was hiding and it was in the bushes, and I fired a blast of gravity at it, and it trapped the murderer inside the gravity field and brought him to us. I soon found out that the murderer was none other than Lucas Wyatt, a crazy and deranged serial killer who was wanted in seven states for a multi-state killing spree from California to Michigan. I called the cops and Lucas Wyatt was arrested, and he was taken to California, and after he was found guilty for his crimes, he was sentenced to death and he was sent to death row.

We were amazed.

Nico: Whoa, that's awesome.

Me: And I've heard about Lucas Wyatt, he's one of the most deranged and crazy serial killers that the cops have ever had to deal with, but the good thing is Lucas Wyatt isn't cunning and he's not smart enough to cover his tracks, and he enjoys being covered in the blood of his victims. But, thanks to you, Evelyn, Lucas Wyatt's been caught, and he'll face his day on death row for good and he'll be sent to Hell for good.

FLASHBACK ENDS

Key: My goodness! I've heard about Lucas Wyatt and he has a REALLY Nasty and foul disposition as well as a terrible reputation.

He got what he deserved. Awesome job to Evelyn.

Sprocket: That was really amazing she caught him.

Justin Stewart: It sure was awesome. We're glad he is in prison and on death row.

Key: You got that right. Lets do it!

They fired waves of lightning, metal, gears and energy and smashed him down.

---

Andros: No that would not be good. We love Kool Aid.

Connor McKnight: It was really awesome! They destroyed the entirety of the Yggdrasill building. Blew the entire building to dust.

Princess Celestia: Yeah that was so amazing to see.

Amber Morning: Tyson and friends felt the explosion from this far away. It was amazing.

Spotlight: That was really awesome seeing it be destroyed. Now it's nothing but a crater in the ground.

Tommy Oliver: Yeah that was cool!

Beetle: Good riddance to bad rubbish. The World Leaders must be grateful that one of the threats to the world is gone. Lets do it!

They fired waves of light and fire and smashed him down.

Villamax: (to Wes) Looks like everyone's getting Beyblades now. What did you get?

Wes Collins: Oh gosh we all got so many of them that we don't even know what we got. But J.D. has so many awesome experiences with these.

Applejack: Yeah he sure does! These are really amazing and that they have such amazing powers.

Apple Bloom: They sure are amazing and great.

Flashwing: They sure are cool.

Jen Scotts: I agree there too.

Villamax: There sure are so many and that really is amazing that J.D. knows so many awesome Beybladers from all over the planet. Lets do it!

They fired waves of energy, earth, rock, crystal and apples and smashed him down.

---

## Cole Evans, Rainbow Dash, Scootaloo, Air Skylanders, Wild Force Rangers, Cheetah and Fuzzy Lumpkins VS Wolf - What Kai's grandfather was unforgivable

---

Wolf was next.

Wolf: (to Cole) What Kai's grandfather is unforgivable. I'm sure Kai won't mind us taking him down.

Cole Evans: Don't worry about that. Kai said he is content with that.

Rainbow Dash: What his grandfather did is all as bad as war crimes.

Scootaloo: Yeah that is so awful!

Whirlwind: It's really bad that he can be that dangerous.

Danny Delgado: Yeah that is awful!

Taylor Earhart: You're not kidding there.

Wolf: That is really bad. Lets do it!

They fired waves of energy, lightning, wind and rainbows and smashed him down.

---

Shane Clarke, Princess Luna, Moondust, Snowdrop, Children of The Night, Dark Skylanders, Ninja Storm Rangers, Silver Banshee and Livewire VS Weather Wizard - Now the World is a much better place without Yggdrasill

Shane Clarke: No they aren't and we still have the big target on the big day with them in August. Whoever it is.

Princess Luna: But we're going to be ready for them.

Moondust: Absolutely.

Snowdrop: It's going to be awesome to make them beg for mercy.

Eli Shane: Wow you are big!

Eli Shane: So I see. This is gonna be awesome.

Eli fired waves of fire and smashed him down.

---

Hilary (Beyblade) VS Mary Jane the Carnage Queen

---

Mary Jane the Carnage Queen was next.

Tyson VS Wilson Fisk A.K.A. Kingpin (Spiderman the Animated Series)

---

Fiona Hernandez the Uria, Lord of Searing Flames Gene-Slammer, Himiko Toga, Apple Bloom, Sweetie Belle, Scootaloo, Diamond Tiara, Silver Spoon, RD Lola and Misty Tredwell VS Kimberly Ann

## Hart the Pink Ranger Slayer

Pink Ranger Slayer was next.

Pink Ranger Slayer: Tyson and his friends went through so much to get where they are now.

Fiona Hernandez: You are not gonna get any argument from me there. J.D. told us so much about all the achievements they did all over the world and how they got to where they are now and it is really awesome. J.D.'s friend Tyson is now one of the most awesome Beyblade Champions ever known.

Himiko Toga: It's awesome how they can use Beyblades like that and it's awesome that J.D. knows so many awesome people that use them.

Pink Ranger Slayer: Boy they must have lots of enemies out there. Voltaire is one of them.

They fired waves of fire and energy and smashed her down.

---

## Marie Hernandez the Gene-Slammer of Hamon, Lord of Striking

Thunder, Ibara Shiozaki, Frozen Fright, Thunder Terror, Magma Gloom, Toxic Horror, Louie PoisonSea, RD Lincoln and Elena VS Weddinmon

---

Weddinmon was next.

Weddinmon: It's hard to imagine that our own target is Kai's own grandfather. That must be quite a shock to him.

Marie Hernandez: Boy no kidding there. If me and my sisters ever found out that our own grandfather was our enemy then we would want some answers ourselves before bringing him to justice.

Ibara Shiozaki: I feel the exact same way myself. What he was doing these last few years is terrible!

Frozen Fright: Yeah no kidding! But he was doing all these terrible atrocities against nature and the Earth. He was destroying kids minds and that shows how evil he is.

Thunder Terror: Yeah no kidding! That is awful!

Magma Gloom: I have a feeling that everything that we're going to find out from Voltaire is going to be shocking beyond all words.

Toxic Horror: Yeah no kidding! What he has been doing these last few years is horrible!

Louie PoisonSea: But it's more than enough for the World Leaders to spring into action and stop his regime by cutting off his funding.

Weddinmon: That's good they did. Saves a lot of effort.

They fired waves of lightning and elements and smashed her down.

---

Nicole Hernandez the Raviel, Lord of Phantasms Gene-Slammer, Star Swirl the Bearded, Rockhoof, Somnambula, Mistmane, Flash Magnus, Mage Meadowbrook, Gusty the Great, Clover the Clever,

Marcel was next.

Marcel: It's hard to imagine that Voltaire has been doing all sorts of terrible things behind the worlds back like this. How did you guys find out he was doing all this?

Nicole Hernandez: After Tahu's final Ambassador Mission, Nico sent a miniature spy camera no bigger than a tiny nanochip to beam back images of what BIOVOLT was doing. And let me tell you it was terrible. He was doing it all, Extortion, Illegal Experimentation, Brainwashing, Murder, Kidnapping, Treason all of it! And no one even suspected a thing!

Marcel was shocked and horrified!

Marcel: Oh man! He makes even my ancestor look like a saint!

Star Swirl: No kidding there! What he is doing makes anyone that's evil look like a saint in comparison.

Rockhoof: (Scottish Accent) Aye. What a horrible man.

Somnamabula: (Egyptian Accent) He has no love for anyone, not even his own grandson. No wonder Kai became a resentful kid.

Mistmane: That's why we have to stop him.

Flash Magnus: We must make sure he answers for his crimes.

Mage Meadowbrook: And the world has to know the kind of monster he is.

Gusty the Great: Yeah he has to pay for his crimes.

Clover the Clever: And it won't be pretty for him too.

Carly Atlas: Yeah he must be stopped and fast or people are going to get hurt. I heard a lot about what Voltaire was doing and it was not pretty.

Marcel: Boy no kidding! And now the cat's out of the bag about what he is doing and everything he worked on is now falling apart.

They fired waves of darkness and energy and smashed him down.

---

Natasha Hernandez the Red-Eyes Zombie Dragon Gene-Slammer, Princess Celestia, Princess Luna, Princess Cadance, Minuette, Twinkleshine, Lemon Hearts, Moondancer, Lyra Heartstrings, Sunset Shimmer, Twilight Sparkle, Brittney Knudson and Misty Tredwell VS Su Yung

---

Su Yung was next.

Su Yung: Did you guys really see a dark version of Chloe?

Natasha Hernandez: We sure did. She was doing all kinds of horrible things not just to tarnish her reputation but to also make her look like a monster. Nico first met Chloe when she was like this and he hated her guts before her redemption. But if I were to surmise a guess, I think this is another one of Voltaire's plans to make one of our teammates look horrible.

Princess Celestia: I agree there. I think he separated her dark side from her not just to make Chloe look bad but also because we also exposed Voltaire's plans to the world and it's his secret weapon.

Princess Luna: I agree there sister. What Voltaire has done makes him one of the lowest monsters we've ever seen.

Princess Cadance: Yeah he may be Kai's grandfather but after today Kai should sever his ties to him forever.

Minuette: I agree there too. What he did was completely unforgivable!

Twinkleshine: This was a last ditch effort to ruin us before we destroyed him by having one of our teammates turn against us.

Lemon Hearts: My guess is he tried to hypnotize Chloe to do that but in the end it backfired and separated her dark side from her and made her his servant.

Moondancer: Those are all very good assumptions.

Lyra Heartstrings: I agree there too.

Sunset Shimmer: But the sooner we take them both down the better.

Twilight Sparkle: I agree there too. He had Chloe's Dark Side do unspeakable crimes.

Brittney Knudson: Yeah we had to deal with Terrorists, Dark Chloe stealing from an abandoned Satellite Plumber Complex, beat up Jimmy to where he cried and then we saw her rob a bank.

Misty Tredwell: Yeah it was awful. But thankfully Sheila and Tom saw it with our Chloe Present.

Su Yung: Thank goodness you guys were on to Voltaire's plan from the get go.

They fired waves of magic and darkness and smashed her down.

---

Catherine Iroh Lan Kai the Firebird Gene-Slammer, Layla MacKenzie, Sakura Avalon, Madison Taylor, Chelsea, Rita, Nikki, Kero, Li, Yue (Cardcaptors), Carly Atlas and Misty Tredwell VS Admiral Zhao

Keiichiro: By order of the GSPO We're taking you down by force!

Nico: And we're going to kick your twisted ugly fucking ass!

They fired waves of elements and energy and blasted him all over and then Nico teleported and opened his safe and it had a bunch of swords in it called The Defenders of The Beyblade, they're a collection of large swords with the Beyblades into etched onto the 6'11" massive, wide, double-edged colored blades, colored angel wings for the crossguards, large colored gems embedded in the rainguards, longer black handles, and large colored gems surrounded by colored angel wings for the pommels. Once in hand, they'll get a massive power and energy increase.

Nico: Cool swords.

Nico teleported back with them.

LupinRangers: LUPIN BLAST!

PatRangers: KEISOU BLAST!

They fired waves of elements and energy and the blasts all hit Kunks and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead! All that was left of him was his safe.

Nico: Kunks you have failed this city.

LupinRangers: With that we bid you a big Adieu.

PatRangers: MISSION ACCOMPLISHED!

Troy Burrows: Rangers that's a Super Mega win.

---

We regrouped and everyone cheered.

Tyson: That was so awesome!

Hilary: It sure was cool!

Me: Yeah we always get a great challenge out of it.

Livewire: Now, let's go after Voltaire.

Nico: Yeah. He has caused trouble for far too long.

Me: Yep.

Absorbing Man: Let's see what happens when I absorb a Beyblade.

Nico: Go for it.

He turned into a powerful metal powered man made of Beyblade Metal!

Nico: YEAH! Get ready Voltaire, (EYES GLOW RED) You mess with the world, you mess with us!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: the dark energy signal Lincoln sensed belonged to Dr. Thaddeus Bodog Sivana, another of Shazam's many enemies, and he wants revenge on us for what we did to Mr. Mind and Team Dark Phoenix Storm last year. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Billy, you and the rest of the Justice League aren't going to like it one bit: the dark energy signal I sensed belonged to Dr. Thaddeus Bodog Sivana, the mad scientist and another of Shazam's many enemies, and he wants revenge on us for what we did to Mr. Mind and Team Dark Phoenix Storm last year.

Billy Batson gasped in horror, and so did the rest of The Justice League.

Billy Batson: Oh man, so the villain who's coming after us after we get rid of Voltaire Hiwatari is Dr. Sivana. I never thought I'd see him again.

Me: And he's not only smart, but he also has magical powers as well, that makes him even more dangerous. We got to stop him.

Nico: Yeah, but instead of killing him, we're going to throw him in prison.

Lincoln: And before you guys call Nico crazy, I understand why he wants to throw Sivana in prison instead of us Black Gating him: I pulled up Dr. Sivana's history, and he was once a scientist who'd wanted to help others with progressive scientific ideas that could revolutionize industry but were rejected by everyone he approached, and I saw he was pushed down that path of darkness, due to the fact that he had an abusive dad and brother.

We then gasped in shock.

Me: Whoa, and hearing about that, it's hard not to feel bad for him.

Nico: Same here, but it still doesn't excuse the crimes that he'd committed when he fully became evil.

Lori: But, that leaves the question of how we're going to strip Sivana of his powers?

Lincoln: I got it, Nico, remember your power stripping curse that you used on Xemnas?

Nico: Hey, yeah, that's right, and since today's Tahu's special mission, he's going to be the one to face and stop Dr. Sivana.

Tahu: That's right, Nico. Don't worry, I'll use the power stripping curse that you used on Xemnas on Dr. Sivana, and then, we'll send him straight to prison for good.

Lincoln: Alright, now let's head on over to Japan to meet Tyson and the Blade Breakers.

Madoka Amano: It'll be great to see Tyson and the others again.

Sophie (Beyblade): Same here.

Hikaru Hasama: And I can't wait to make Voltaire Hiwatari pay for what he's done.

Hilary Tachibana: Same here. What a monster.

Mei-Mei (Beyblade): You got that right.

Nico: Whoa, looks like Madoka, Sophie, Hikaru, Hilary, and Mei-Mei are really looking forward to making that monster Voltaire Hiwatari pay for what he's done, Lincoln.

Lincoln: You got that right, Nico, and the same goes with me. That guy gives all Beybladers a very bad name, and he deserves the full extent of the punishment we've got in store for him.

We were off to BIOVOLT!

We arrived at BIOVOLT Tower.

Me: BIOVOLT Tower. Been a long time since I was here.

At the entrance was EVIL CHLOE BOURGEOIS!

Me: Holy fucking shit! She is more evil up close and personal than on TV.

Evil Chloe: (to Chloe) Hey, Ms. Goody Two Shoes. Having a bad day?

Chloe: You're going to regret trying to frame me!

Just then, we heard a familiar morphing call.

?: Change Zenkai!

?: Change Twokai!

Familiar music began to play as Poromon and Poliwag started dancing.

Poromon: Yay! I love this song!

Poliwag: Me too!

Then out came THE ZENKAIGERS!

Kaito: SECRET POWER! ZENKAISER! ゼンカイザー

Juran: DINOSAUR POWER! ZENKAI JURAN! ゼンカイジュラン

Gaon: HUNDRED BEASTS POWER! ZENKAI GAON! ゼンカイガ

Zocks: PIRATE POWER! TWOKAISER! ツーカイザー

All: The six assembled! Kikai Sentai… Zenkaigers!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Nico: YEAH!

Me: Awesome to see you all here!

Laney: Yeah!

Zocks: Same to you guys.

Zocks went up to Nico.

Zocks: Nico no hard feelings with that reprimanding right.

Nico: None at all Zocks.

Me: Sorry I gave you that nasty black eye Zocks. I hope I did hurt you too bad.

Zocks: No I had it coming. But J.D. you are incredibly strong.

Sorry about that. Super Strength does come with the Job Description.

Zarya: Let me help you guys!

Kaito: Awesome! Thanks sis.

Me: I'll help too. SHADOW CLONE!

I formed a Shadow Clone and he went to help.

Lincoln: You'll need me too for the curse. SHADOW CLONE!

Lincoln made a Shadow Clone too.

We went past Dark Chloe and into the building.

P'Andor appeared with us.

Maria: Thanks for coming, P'andor.

P'Andor: (Russian Accent) No problem Maria. I wouldn't miss this for anything. Tyson it's great to see you again comrades.

Tyson: You too P'andor.

Hilary: This is gonna be good.

Nico: We better take the stairs. We don't want him to know we're in the elevator.

Me: Hope you all are in for some exercise.

We took the stairs and made it to the top floor and P'andor went in.

Voltaire: So, you're the walking toaster oven who's been helping to ruin my plans.

P'andor: Like I told your buddies, I'm more then a walking toaster oven.

Voltaire: Oh yeah? What are you then?

P'andor: I'm a walking nuclear reactor. But my friends are here to stop you.

Then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off at the entrance to his office and a phoenix cry was heard! We came out.

Me: Voltaire Hiwatari. Been a long time.

Voltaire: J.D. Knudson, you sure have grown from that young man that beat me in a Beyblade tournament all those years ago.

Me: Good times. But we didn't come to reminisce. We came to stop you. But first Kai here wants some answers.

Kai Hiwatari came up to him.

Kai Hiwatari: Why grandpa? Why did you do all this to the world and to me!? Am I nothing more than a pawn to you!?

Voltaire: Yes you are. It's benefit my plans for war!

Me: You're insane Voltaire! Now I see what you are. A monster!

Voltaire: Who do you think you all are?!

Nico: We're just passing through heroes. Remember that!

Voltaire: Say what?

Nico: (in realization) Um… forget I just said that.

Voltaire: I don't know if you're all trying to screw with me. But it doesn't matter. Loogies!

An army of Loogies appeared.

Me: I knew it was going to be Loogies!

Nico: Nice!

Troy Burrows: Time for part one of the Megaforce Missions!

Me: Time for some buttkicking!

I fired a blast of lightning and blew many Loogies apart in fiery explosions!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOMMMMMM!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOMMMMMMM!

We blasted numerous Loogies down.

Voltaire: You've gotten so strong and powerful J.D. You would have made a great weapon for me.

Me: Sorry but no deal. I am a human being and not a weapon of war! You are just a warmongering piece of fucking crap!

Nico: That's right! People like you make me sick!

Naruto: Yeah! You're no better than that traitorous monster Danzo Shimura!

Then the Loogie's jumped Tyson and friends.

Tyson and his friends lay defeated at the hands of the Loogies.

Kai: (weakly) You wouldn't kill your own grandson, would you?

Voltaire: As far as I'm concerned, I have no grandson. But for old time's sake, I'll just let the Loogies give you a quick death.

Tyler Bowman: Guys, got any ideas on how we get Tyson and his friends out of this?

Tahu got an idea.

Tahu: (to everyone watching) Everyone out there! Lend them your strength! They get stronger with your support! When I go "Beyblade", shout "Let it Rip"! Okay? Beyblade…

All: LET IT RIP!

Tahu: One more time! Beyblade…

All: LET IT RIP!

Tahu: Louder! 1,2…

All: LET IT RIP!

Jamesdean5842: LET IT RIP!

At these words, Tyson found the strength to get up.

Including strength from the author!

Tyson: Sorry, Voltaire. But we don't go down that easily!

Tyson punched a Loogie attempting to finish him off, knocking it to the ground

KRASMASH!

Tara then blasted the Loogies all over with fire and incinerated them!

Tyson: Thanks for the help, everyone.

Kai: Didn't expect a lot of people cheering for us.

Hilary: Me neither.

Ray Kon: Well, a lot of people here are Beyblade fans.

Kenny: That's true.

Mariah: Let's not get comfortable, guys. It's not over yet!

Me: Time to kick some butt!

Mariam: Yeah!

Megan Kiraton: I think the world has had enough of this dirtbag to last forever!

Laney: Yeah!

Nico: Nice!

Tahu: I've had it up to hear with you to last an eternity, Voltaire Hiwatari.

Suddenly, Tahu's orange eyes turned neon orange, and he was surrounded by a red and orange energy aura with superhot flames and phoenixes, and as he approached Voltaire Hiwatari, he left red and orange energy, superhot flames, and phoenixes with every step.

Tahu: You really make me sick, Voltaire Hiwatari, what you and your several villain teams have done in constantly antagonizing Tyson and his friends has gone on for far too long, and as the Toa Mata of Fire, I refuse to let you live a single second further, you will pay for hurting my brothers and sisters.

Suddenly, Tahu was surrounded by a massive vortex of red and orange energy with superhot flames and phoenixes, there was a Toa Mata and a phoenix flying around the vortex, and in the vortex is an orange phoenix. Then, as the vortex faded, Tahu emerged, but he was changed forever.

Suddenly, Tahu was surrounded by a massive vortex of red and orange energy with superhot flames and phoenixes surrounding it, there was a Toa Mata and a phoenix flying around the vortex, and in the vortex is an orange phoenix. Then, as the vortex faded, Tahu emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Tahu grew from 7'0" to 7'5" in height, his abnormally massive and powerful upper and lower body muscles grew a little bigger and he still had his eight-pack abs, tanned skin and red chin hair, he has long crimson red hair going down to the bottom of his neck with orange highlights in the bangs of his hair, he has neon orange eyes and a red and orange energy aura with superhot flames, Fire Toa, and phoenixes surrounding him, he has a Toa Mata of Fire with the Fire and Eternity Kanjis in its hands emblazoned on his forehead, he has phoenix earrings with red gems for eyes and the Fire, Rage, Brotherhood, and Eternity Kanjis in its claws, and he has on his Crystal Necklace of The Buddha with crimson red crystal links and a phoenix and Fire Toa with red gems for eyes and holding the Fire, Rage, Brotherhood, and Eternity Kanjis in its claws for the pendant on his bare chest, and tattooed on Tahu's wider and more muscular back is a phoenix and a Toa Mata of Fire, and they're surrounded by flames. Suddenly, Tahu felt a very sharp pain on his now wider and more muscular back, and then, his massive crimson red angel wings with orange tips on the feathers that sprouted out of his now wider and more muscular back grew much bigger for his new body. Tahu has on a pair of large black pants with flames on the legs, black ankle-high leather combat boots with flames, large red weighted bands with silver phoenixes on his massive biceps and thighs, and orbiting around his legs are eight large crimson red orbs.

Suddenly, Tahu's massive Destroyer of The Bohrok-Kal sword was suddenly surrounded by a massive kaleidoscope of crimson red energy with superhot flames, Fire Toa, and phoenixes, and it also merged with his Fire Sword, and when it emerged, it's transformed into Tahu's Fire Toa Greatsword of Flaming Justice, it's a brand-new large greatsword with the symbol of the Fire Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged crimson red blade, red Fire Toa heads for the crossguard, large fire-colored gem embedded in the rainguard, longer black handle, and massive fire-colored gem with surrounding angel wings for the pommel. Tahu has transformed into SUPER ANGEL ETERNITY INFINITY FIRESTORM TOA MATA ANGEL OF FIRESTORM JUSTICE AND BROTHERHOOD RAGE!

We were amazed by Tahu's Super Angel Eternity Infinity transformation, but when Dr. Sivana saw it, he fell into a rage and he fired a blast of lightning from his eye, but Tahu fired a powerful blast of neon red hot red energy with superhot flames, Fire Toa, and phoenixes, and it hit Dr. Sivana and it really burned him bad.

Nico: Holy crap, Tahu's transformed into his Super Angel Eternity Infinity form, this is going to be one fiery battle.

Lincoln: You said it.

Vakama: That's right, Lincoln. Tahu, how do you feel, brother?

Tahu: (Divine Echoing Cosmic Voice of The Firestorm Toa and Brotherhood Fiery Rage) **I feel really incredible, Vakama, and now, it's high time for me to take care of Dr. Sivana for good.**

Tahu spreads his massive crimson red angel wings and he went after Dr. Sivana, who continued to fire blasts of lightning from his eye, but Tahu dodged them, and he fired powerful blasts of neon red hot red energy, Fire Toa, and Phoenixes at Dr. Sivana, and they exploded with incredible power as the blasts hit him. Then, Tahu attacked him with powerful slashes of his new large greatsword, and left tears on Dr. Sivana's outfit, and then, Tahu tied Dr. Sivana up in a neon red energy straitjacket and neon red energy chains, so he can't escape.

Dr. Sivana: Curses! So, you intend to kill me?! Go ahead, I don't care anymore.

Tahu: **No, that's not going to happen. We already know the truth**

**and the full story about how you went from a scientist who wanted to help mankind to the mad criminal mastermind who wanted to destroy mankind, and it was also due to your abusive father and brother who led you down that path of darkness, and it led to your transformation into the mad criminal mastermind and scientist, Sivana. But, I'm not going to kill you, and like I said, you're going to spend the rest of your days in prison, and just to make sure you don't try to break out.**

Tahu used the power stripping curse on Dr. Sivana which gave him, Nico, me, and all of us all of Dr. Sivana's powers, and we made them our own. Then, he beamed the now powerless Dr. Sivana to the Neptune Prison for Traitors, where he was then put into a separate cell in Maximum Security Solitary Confinement, and it'll be where he'll spend the rest of his days in prison for good. We cheered wildly for what Tahu did as he holstered his massive greatsword on his wider and more muscular back and powered down, and Tahu's new body, clothes, weapons, jewelry, and massive crimson red angel wings are permanent. We then ran up to Tahu and we hugged.

Nico: That was one awesome and fiery battle you put up, Tahu, and like Lincoln said, you used the power stripping curse on Dr. Sivana which gave you, me, J.D., and all of us all of his powers, and you sent him to The Neptune Prison for Traitors.

Tahu: Thank you, Nico.

Lincoln: And like J.D. said, we can't help but feel bad for Dr. Sivana, he'd wanted to do something to help out mankind, but thanks to the abuse he suffered from his abusive father and brother long ago, not to mention the ridicule he suffered, that caused his descent into darkness, and he went from good to evil, thanks to those unfortunate events in his life.

Me: You said it, big guy.

Nico: Same here. And now, Dr. Sivana will spend the rest of his days in prison.

Tyson: You said it.

Tahu: And now that Voltaire Hiwatari and his villain teams have been dealt with, this means that the world of Beyblade is now safe from people like him.

Nico: That's right, Tahu. But, if any threats spring up again, we'll be ready for them.

Lincoln: Yeah!

Beetle: Sorry about your grandpa, Kai.

Kai: It's okay. That man died a long time ago.

Toyman: And he got what he deserved today.

Me: Yes he sure did.

Villamax: (to the Zenkaigers) You guys helped too.

Kaito: We sure did.

Me: We owe you guys big time too.

Tyson: We'll see you in 7 days.

Kaito: We're full power looking forward to it!

Me: You got that right!

Me, Tyson and Kaito high fived each other.

Wolf: Don't forget we helped destroy Yggdrasill too.

Me: Yes we sure did.

Weather Wizard: So, we should celebrate that as well.

Me: Good idea. But first we have one thing we have to do.

We looked at the big crystal containing Dark Chloe.

Nico: Right we have to clear Chloe's name.

Me: Yep.

Tyson: (To the viewers) This is gonna be awesome being a part of Team Loud Phoenix Storm and now we are going to be in a better world now that Yggdrasill is gone and Voltaire is behind bards.

Nico: We sure are. Great job everyone. Lets go home.

We went back home and told everyone what happened with Chloe's Dark Side and more and everyone was shocked. Amagi Kureshima was found guilty of his crimes and was sentenced to eternity in the Neptune Cryo Prison. Voltaire was found guilty of his crimes too and this time he was sentenced to death. He was given the black gates and banished to oblivion forever. We then enjoyed the rest of the day and later went to sleep. It was a great day for us.

In the Early Morning Hours at 1:26 AM, I was asleep in my bed with Varie and everyone and I was having a really amazing dream. I was flying in the sky and it was amazing. The sky was going on and on forever and it was incredible.

Me: Wow! There's no surface! Just endless sky.

Natilee appeared.

Natilee: Hey dad! Wow! This is really awesome!

Me: Boy it sure is! The sky is so awesome!

Natilee: It sure is. It's perfect to stretch our wings here.

Me: No kidding.

We then saw a beautiful kingdom in the sky and it was incredible.

Me: Wow! Look at that!

Natilee: It's a Sky Kingdom.

We went over and landed and we saw that it was a SKY MERMAID KINGDOM! It was a kingdom for mermaids with wings.

Me: WHOA!

Natilee: A Sky Mermaid Kingdom. This is really amazing.

A blue hair mermaid with wings came and she was beautiful.

Semyona: Wow! The famous J.D. Knudson and Natilee Knudson.

It's such an honor. my name is Semyona and I'm the princess of Aeromaida the Sky Mermaid Kingdom.

Me: Awesome to meet you.

Natilee: This is amazing that you all love so high up in the sky like this. It's amazing.

Semyona: It sure is amazing. Seeing the sky this high up is so cool. But it's boring because there's nothing to do down below where all we do is fly up here.

Me: That is strange. There's no surface but it's all amazing up here this high up.

Semyona: Yeah. But I'm glad you all are here. We have problems.

Me: With him right!?

We saw STORIOUS!

**Storious** is the leader of the Megiddo and one of the two main antagonists alongside Master Logos, of *Kamen Rider Saber* . He is the one that is responsible for summoning the Story Megid. He serves as the central antagonist of the first quarter, a major antagonist of the second quarter, a supporting antagonist in the third quarter and the main antagonist of the final quarter, thus serving as the final antagonist of the entire series.

He seeks to create the Alter Ride Books in order to bring forth the Great Book, in order to destroy both Earth and the Wonder World. To this end, he manipulated both Legeiel and Zooous in order to further his own plans. He has an alliance with Master Logos, so he could obtain all the other Wonder Ride Books and as well as use them to recreate the Great Book, so he could use its power in order to destroy both the Earth and the Wonder World, and as well as recreate them in his own image.

After gathering the five powers of the First People and obtaining the Grimoire Alter Ride Book, Storious becomes **Kamen Rider**

**Storious .**

He is portrayed by Robin Furuya.

Storious was originally one of the five followers of a mysterious woman who linked the Earth with the Wonder World, thus people could enter and exit the Wonder World. Once a poet and great writer, Storious loved nothing more than to create great epics, always being praised with how he can come up with great original stories. Upon setting foot in the Wonder World, Storious and his two comrades sought out the Great Book to use its knowledge for a better world. However, upon finding and reading it, Storius' ego and pride would forever be wounded; within the contents of the book, he learned everything that has happened and will ever happened is predestined, including his own writing. Seeing himself as nothing more than a puppet with no free will now, Storius came to the conclusion that his new purpose is to bring about the end of the world as it's written in the Great Book, and conspired with Legeiel and Zoous in secret, with the promise they can remake the world in their own image. The three tore pages from the Great Book, in which they used to become the Megid and began building up an army of monsters, thus resulting in their former ally, the first Master Logos, founding the Sword of Logos in order to fight against them and the monsters they have created.

Storious and his fellow Megid seek to use the said monsters in order to trap several people on Earth into the Wonder World, so they could be transformed into Alter Ride Books. The Megid seek to use these books in order to use the power of the Great Book to give them control over the current world, enabling them to use its power to remake the world into their own. However, Storious has his own plans, in which it involves gaining control of the Earth and the Wonder World, and to this end he plans to steal both of his companions' Alter Ride Books so he can merge them with his own. In addition, Storious also has an alliance with Isaac, the current Master Logos that betrayed the legacy of his predecessors, in order to collect the remaining Wonder Ride Books in order to recreate the Great Book, so he could succeed in his master plan.

After seeing to the deaths of his two comrades, Storious murdered Tassel, in order to obtain the last piece of the Great Book, in which he wanted to grab it in order to succeed in his plans. Storious then turned several people into books and fed them to the Charybdis Megid alongside a clone of Sophia that he created, before letting it devour all five books along with himself in order to merge them together in order to create the Grimoire Alter Ride Book, in which he uses its power in order to become Kamen Rider Storious. With his newfound power, Storious sought to merge both the Earth and Wonder World in order to destroy both of them, so he could see to the end of the story in his very own image.

2000 years prior to the present day, Storious was a poet who wrote numerous stories and delighted in reading them to others.

At some point, Storious became part of a group of five travelers alongside Victor, Legeiel, Zooous and the man who would become the first Master Logos. The five sought to find the Wonder World in the hopes that its power could be used to give humanity a better life. They eventually found a mysterious woman from the Wonder World with the power to link the worlds and became her followers, becoming the first humans to set foot in the Wonder World after she enabled them to pass over. There, the five bore witness to the source of the Wonder World's power, the Book of Omniscience.

While Victor wanted to use the vast array of knowledge stored inside to give humanity a better life, Storious soon discovered that every poem he had ever written was already in the Great Book and that what he had thought he had come up with on his own he had in fact received from the Wonder World, leading him to believe his work was meaningless as he nor the rest of humanity could create anything original that wasn't already written down in the Great Book. With that revelation, Storious sought to obtain the Great Book's power for himself, teaming up Legeiel and Zooous, who had also been corrupted by the Book's power, to do so. The three soon attempted to steal it and each tore a page from it, embedding the pages into themselves to become the very first Megid. The three were opposed by Viktor and his other companion, who founded the Sword of Logos to safeguard the Book of Omniscience and prevent the Megid or anyone else from abusing its power. The Megid would soon use the pages they had collected to create the Alter Ride Books and use them to build a vast army to fight against the Sword of Logos, triggering the War of the Wonder World. To ensure the Book of Omniscience's power would be less concentrated should it ever fall into anyone's hands, the mysterious woman split it up into dozens of pages, forming the Wonder Ride Books that the swordsmen of the Sword of Logos used to transform into Kamen Riders. The three largest portions of the Book were given to Viktor and Master Logos, with Victor taking one portion to safeguard himself while the first Master Logos took two to place in Northern and Southern Base. Victor would also become the Wonder World's new guardian, taking up the name "Tassel".

The war between the two sides would rage for 2000 years. Eventually, the successor to Master Logos, bored of his duty to safeguard humanity when he saw them as a foolish and stagnant species, made a secret alliance with Storious to reassemble all the pages of the Book of Omniscience so they could use its power for their own ends. He would also at some point experiment with creating a hybrid of all three Megid classes, resulting in the birth of Desast. Unbeknownst to Legeiel and Zooous, who sought to use the Book to grant themselves unlimited power, Storious sought not to use the completed book to remake the world, but simply to end it, as he had grown to believe the world to be meaningless since all of human invention came from the Great Book.

As part of their conspiracy, the current Master Logos manipulated Hayato Fukamiya into kidnapping Luna, a mysterious girl from the Wonder World who had the power to bridge the worlds, and using her in a ritual to bridge the Earth and Wonder World. The other Riders of the Sword of Logos soon arrived to stop him, only for the Storious and the other Megid to appear to fight them. In the end, Hayato was defeated by his former comrade Daichi Kamijou and the ritual was left incomplete, though Luna was lost. Having learned that Hayato was coerced by a traitor within the Sword of Logos, Daichi took up the Kurayami blade to become the next Calibur and sided with the Megid in order to find the traitor, unaware of Storious' involvement with him.

At some point following the Golem Megid's destruction, Storious created both the Ari Megid and Kirigirisu Megid and sent them to entrap a portion of a city to rewrite reality. However, the two monsters were soon met by Kamen Riders Saber and Blades, who arrived to stop them. As the Riders fought against the Megiddo Mamono, Storious and the other Megiddo observed them from their base. The two Riders eventually triumphed over the Megiddo, destroying them both and returning the city to normal.

After Kamen Rider Calibur expressed a desire to travel to Avalon, Storious decided to help him get there. Posing a victim of a Megid attack, Storious was able to get close to Touma and steal his power to transform into Saber. After returning to the Megid's hideout, Storious and Calibur used the power taken from Touma to open a portal to Avalon.

Eventually, Storious and the other Majin put their plan into motion with help from Kamen Rider Calibur. They created giant books at six points in the city that formed a ring and used them to create a portal connecting Earth to the Wonder World, summoning the book that contained the Table of Revelation. While Calibur flew inside the portal to obtain the page, the three Majin assumed their Megid forms to hold off the Kamen Riders of the Sword of Logos. However, they were unable to stop Saber from entering the portal after Calibur.

Ultimately, Saber would thwart Calibur's attempt to obtain the Table of Revelation and Calibur would die after being stabbed through the back by Desast. Zooous was frustrated that all the Megid's work had been undone, but Storious assured him that it was not for nothing as there were now numerous humans who were linked to the Wonder World that could be used for creating Megid.

Sometime after Zooous created the Neko Megid from Mei Sudo, Storious met with Master Logos in his throne room to discuss their next move. Storious noted that Sophia had returned to Northern Base, though Master Logos was unconcerned and stated that she might even help with gathering all the Wonder Ride Books needed to recreate the Book of Ancients. He then declared that their next move would be to claim Northern Base's power and informed Storious that Northern Base had a portion of the Book of Ancients not unlike the one in his possession.

Storious then teleported away to check up on Zooous, leaving the scene just before Reika and Ryoga Shindai arrived in the throne room. Reika informed Master Logos that the traitor and the Megid had gotten away, but Master Logos told her not to touch them and instructed them to leave them alive before teleporting away himself.

After Zooous was defeated by Touma and Rintaro, Storious swooped and retrieved the key Zooous had dropped before bringing Zooous back to their lair.

Right before the attack on Northern Base, Storious met with Master Logos to discuss their plan of attack. Storious noted that the base had a barrier around it to protect it from attack, but Master Logos declared that breaking it would be mere child's play. Storious then offered to provide support for the attack, noting that he had a "wild beast" ready to rampage.

After this, Storious departed, Master Logos went out to the balcony of Southern Base and fired a magical arrow all the way to Northern Base, shattering the barrier and allowing Storious and Zooous to break in alongside the Shindai siblings. While the Northern Base Riders were able to fend off the Shindai siblings and destroy Zooous, Storious was able to get away with the objective of his attack, a Wonder Book that would allow him to create artificial humans to connect the worlds.

Returning to his lair, Storious was later seen using the book to create a new human resembling Sophia.

Storious watched from afar as Master Logos assembled all the Wonder Ride Books and Sacred Swords to recreate the Great Book. After Master Logos obtained the incomplete Omniforce book, Storious departed from the scene.

As Desast watched the confrontation between the swordsmen Riders and Master Logos, eager to join in, Storious suddenly appeared and told him to hold off.

Storious would later meet with Isaac again in Southern Base, only for Touma and Rintaro to enter to confront the Master. After Isaac was defeated by Xross Saber, Storious swooped in and teleported them both to the Megid lair. Storious asked the Master what his next move would be, to which he responded it was to capture Luna

again.

Isaac remarked that if they captured the girl, they could easily use her to recreate the Book of Omniscience. Storious, seemingly disinterested, remarked that Saber's new holy blade was a sight to behold, to which Isaac retorted by saying "his god" had not given him permission to speak. Later, after Isaac was badly defeated by Xross Saber and had the Omniforce book broken, Storious, watching from his lair, let out an uncharacteristically maniacal laugh. He would then come across Isaac as the pieces of the book forged back together. As Isaac proclaimed his tale would continue, Storious told him that in fact his tale ended here, finishing him off after Isaac declared himself god one last time and claiming the Omniforce book for himself. With the Omniforce in his possession, Storious, addressing the audience, proclaimed that he would spin the tale from then on, and that the story was nearing its conclusion.

Returning to the Megid lair, Storious examined the Alter Ride Books of each of the Megid and noted that he had gathered the powers of four of the original five, with the only power he still needed to collect being that of his old companion Viktor/Tassel. Desast then appeared and took note of Storious' change in wardrobe, asking him what he was really planning. Storious simply answered that it was time for him to write an ending to the tale. The two then ventured out outside the lair, where Storious revealed to Desast he intended to claim his book next. Desast refused to hand his book over, saying he still hadn't had enough fun yet, and pulled out the Mumeiken Kyomu to transform into Kamen Rider Falchion as Storious assumed his Megid form to fight him. The two battled on even footing at first, until Storious summoned the Charybdis Megid to assist him. The Charybdis Megid bit off half off Desast's body, damaging his core Book and leading Desast to retreat to recuperate. After the Charydbis Megid absorbed Desast's power to become Charybdis Hercules, Storious had it begin eating away at the barrier between the Earth and Wonder World.

Storious would then make his move to claim Tassel's portion of the Book of All, approaching him while he was searching his cottage for Luna. Storious chased Tassel through the forest and attempted to seize his portion of the book, but Tassel could not bring himself to strike his old friend. Tassel asked Storious to remember why they sought the Wonder World in the first place in an attempt to reach him and stated that he did not wish to fight his old friend, commenting that the both of them were the only ones remaining out of the original five who had sought the Wonder World. Tassel then stated it was time for them to entrust the future to Touma and Luna, only for Storious to then stab Victor through the chest and proclaim that entrusting it to anyone else was foolish. A dying Tassel then apologized to Storious for how corrupted he had become, saying it was his fault for leading them all to seek the power of the Wonder World in the first place. Hearing this caused Storious to hesitate before pushing Victor's body to the ground and claiming his portion of the Great Book.

With the Wonder World's guardian gone it soon became corrupted and began to encroach on Earth. As Touma and the other swordsmen Riders went out to stop the Wonder World's encroach, Storious appeared to personally confront Touma. Touma demanded to know why Storious had killed Victor, his own friend, but Storious simply replied that his death was another crucial scene and that the story was nearing its conclusion. He would further say that he intended to write an ending to the story filled with despair, but Touma responded that the stories which were passed down through human history were ones that gave people hope. Desast would then interrupt their conversation and attempt to attack Touma, leading Storious to ask that Touma eliminate Desast as he wasn't necessary to his story. Touma however kept his attention focused on Storious. Storious would then say that he made Desast on a whim and that he had no true purpose for living, leading Desast to attempt to attack Storious only for Storious to summon Caladbolg and block the attack. Storious would then depart from the scene, leaving Touma and Desast to fight it out. He would then return to a secret location, where he was keeping the artificial clone of Sophia he had made.

With all five pieces of the Great Book in his possession, Storious made preparations to combine them. His lair was soon stormed by Touma, Reika and Ryoga, who found that Storious had turned hundreds of people into books, who could now do nothing but writhe and scream in agony. The three were then confronted by the Charybdis Megid and the clone of Sophia Storious had made, followed by Storious himself. Storious had Charydbis devour the Sophia clone along with all of the people books he had made to empower it before sending it to attack the three swordsmen. After Touma and the Shindai siblings beat it back however, Storious stepped into the field himself and had the Charybdis Megid devour him along with the five pieces of the Great Book. After a few seconds, Storious burst out of the Megid, with the five pieces of the Great Book having now been forged into the singular Grimoire Alter Ride Book.

With the Grimoire Alter Ride Book in his position, Storious moved to the next phase of his plan. He traveled to the place containing the tombs of the four Lords of Wise, who had previously been killed off by Master Logos, and revived them as his undead puppets. Storious then broke the barriers the Sword of Logos had put in place to temporarily stop the Wonder World's encroachment and allowed the Wonder World to continue seeping onto Earth, with giant books being opened up all over the place that caused Shimito spawn and terrorize those caught in them. The Sword of Logos Riders soon arrived to confront Storious again and stop his evil plan, at which point Storious used the Grimoire Rider book and unveiled his Kamen Rider form. He then summoned the Lords of Wise and had them attack the Riders. With their knowledge of all the guild's fighting techniques, the four sages were able to easily outmatch the Riders and force them to retreat. Before Touma departed, Storious summoned a massive tower and instructed Touma that he would be waiting for him in it. With the Riders gone, Storious created a magical barrier all over the Earth and began building up a massive army of Shimi for the final stage of his plan.

While the Kamen Riders of the Sword of Logos fought their way through his army of Shimi, Storious was visited by the spirits of his two former comrades, Legeiel and Zooous. The two asked Storious how they had ended up as monsters when they had only wanted to create a world free of hunger and poverty. Storious plainly replied that their hopes had been twisted into a bottomless lust for power. Legeiel then asked Storious if the same was true of him, to which Storious answered that it was not and that he had lost his desire to help the world upon experiencing the truth they had learned 2000 years ago. Legeiel then asked Storious what had happened to his love for poetry, only for Storious to snap back and directly address Luna, who had conjured the spirits of his two former friends. Storious asked Luna what she was trying to do by summoning them and mocked her for thinking that doing so would change his mind. Storious then revealed he knew of Luna's true nature as not only the embodiment of the Wonder World but an aspect of the Omniscient Tome itself, and proclaimed that it was him learning the truth of the Omniscient Tome, that it was the thing that had created everything in the world and that everything made by humans was really a manifestation of what was written in the Tome, that had caused his nihilism. Storious further stated that the world's conclusion was inevitable and had already been written in the Book, but Luna protested and told Storious that there were still people who wished to save it, only to suddenly find herself in pain. Storious then revealed that he knew of how Luna had linked Touma to the Wonder World and that the Riders would play an integral role in the "final chapter" of the story he intended to write, which would see their attempt to save the world crushed in order to bring about a despair-filled ending. However, Luna responded by calling Storious a pitiful person and proclaimed that Touma was capable of inventing new things which either of them knew nothing about, prompting Storious to cast Luna's apparition away.

While the Riders held back the remaining Lords of Wise, Touma rushed to the top of the tower to confront Storious. In their confrontation, Storious revealed to Touma that everything that had ever been invented was already in the Great Book, including the stories he had written, but his words did not sway Touma into giving up. Storious then explained his own past to Touma, how he was once a poet who became disillusioned upon reading the Great Book and finding out that everything he had written came from it, but Touma still remained committed in his mission to stopping him, saying that even if his own stories came from somewhere else, they had still brought joy to dozens of people. Storious then transformed into his Kamen Rider form as Touma became Xross Saber and the two did battle. Despite Touma trying his hardest to hold his own against Storious, Storious was able to knock him out of his transformation before kicking him down a hole in the center of the room.

However, Touma was saved and lifted out of the hole by the Primitive Dragon boy. Touma then transformed into Kamen Rider Saber Primitive Dragon and attacked Kamen Rider Storious, flinging him against a wall. Despite overpowering the evil Rider initially, Saber was beaten back by Storious and knocked out of his transformation. It was then that Rintaro arrived and clashed with Storious, followed by Kento. Luna then appeared and used her power to draw forth the Wonder Ride Books and Seiken. Storious attempted to stop her, but Touma blocked his attack from reaching her. Luna used the Wonder Ride Books to create a new Wonder Ride Book containing all of their power and passed it to Touma. Touma, Rintaro and Kento then assumed their Kamen Rider forms using the book and took on Storious together. The three battered Kamen Rider Storious with the powers of various Wonder Ride Books before flinging him in the air and taking turns slashing him. They then executed a combined slash on Storious and finished him off, knocking him out of his transformation. Defeated, Storious reflected on his time as a poet and how he had made people smile with his stories. He then looked up and saw Touma with his new Wonder Ride book, contemplating how he had created a new story only to solemnly say the world would end soon before disappearing with the rest of the world. Because of Storious' earlier machinations, the entire world faded into darkness, but Touma was able to undo Storious' plan and restore everything to as it was with the power of the world's stories.

After Storious' plan was averted, all of his victims reappeared perfectly normal. Storious' spirit later appeared in the Wonder World alongside the spirits of Tassel, the first Master Logos and his former Megid allies, having made peace with his former friends, to greet Touma after he became the Wonder World's guardian. While his friends wished Touma good luck as the Wonder World's guardian, Storious remarked that the world was made of stories and that Touma was the hero he needed.

---

Me: Storious! We're going to face him on the big day with the Saber Kamen Riders!

Natilee: At least we're going to make him pay.

Me: Yep.

I went Super Angel Xelnaga Infinity and went up to him!

Storious: You will not stop me J.D. Knudson! I am the only one that will decide how this story will end!

Me: (Divine Echoing Elemental Voice of Infinite Justice and Hope) **I don't think so. I WILL DECIDE HOW THE STORY ENDS! And your end is death!**

I punched him in the face and stomach and then grabbed Grimoire out of his hands!

Storious: NO!

Me: **Grimoire huh? I heard a lot about this. Me and Touma have been keeping in touch.**

Storious then went INTO A BALLISTIC RAGE WHEN HE HEARD ME SAY THAT NAME!

Storious: I WILL KILL YOU! NO ONE SAYS THAT NAME! I HATE THAT MOTHERFUCKING ASSHOLE MORON TOUMA!

He went at me in a massive ballistic fury!

I punched him in the face and kicked him in the stomach and then I unsheathed my sword and the slashed into his forehead the Star of Satan!

Me: **To let the devil know that hell is waiting for you.**

I kicked him in the crotch and slashed him across his face and then the Grimoire glowed and it turned into an awesome and all powerful new book! It was called ETERNAL WONDER OF JOY!

Me: **WHOA!**

Natilee: Dad purified the Grimoire!

Semyona: Wow! J.D.'s power is amazing!

Natilee: It sure is.

I then slashed Storious and banished him right to the Warp!

Me: **Until the big day in September.**

I powered down.

Semyona: That was amazing!

Natilee: Way to go dad!

Me: Thanks girls.

Semyona: I would like to join Team Loud Phoenix Storm if that's all right.

Me: Sure Semyona.

However little did we know that this was going to be the strangest adventure we've had. In Gotham Royal York, an eerie fog appears, and mysterious singing occurs overnight.

At 8:10 AM I woke up.

Me: Wow! What a dream.

I discovered that I still had The Eternal Wonder of Joy book in my hands.

Me: Wow!

I then went to the table for breakfast after getting dressed and then I told everyone everything that happened and it was amazing! I got to reading the book and it was all amazing!

Later it was time for Nico's Rescue.

Flying through space was Nico, Mystique, Orion, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we got reports of another food planet.

Me: I wonder what food planet we're going to see this time.

Eli: I hope it's a really cool one.

Nico: I have a feeling it will be a good one.

Carol Pusateri: Same with me. I hope it's a really awesome one too.

Lily: Same here.

Kaoruko: But J.D. that is so awesome that you got the most powerful book from Saber in your dream.

Me: And me taking down Storious in the Sky Mermaid Kingdom was a great warmup for the big day in September. We go to meet the OOO, Gaim, Decade and W Kamen Riders I think in August.

Eli: I think that's right.

Nico: Thanks for coming with me, Orion.

Orion: No problem Nico. It's always going to be fun going on these awesome rescues with you.

Sirius: It sure is awesome.

Camie: I agree there too.

Arrietty: It sure is awesome.

Nico: Orion, I have a feeliing that when we fight alongside the Zenkaigers, you'll definitely team up with Zocks.

Orion: I have that awesome feeling too. Wow. Gold and Silver Super Megaforce Rangers. That is an awesome team up.

Me: It sure is! That's a darn shame there wasn't a Gold Super Megaforce Ranger in the American Adaptation. Then Gold and

Silver would be perfect.

Laney: It sure would! Just like the Gold and Silver RPM Rangers.

Lana: That would be awesome too.

Nico: Yeah. Except Zocks is for Zenkaigers where Zocks represents the Gokaigers and you Orion are the Silver Super Megaforce Ranger.

Me: That's true.

Lana: Yeah.

Nico: Though Troy will definitely team up with Kaito.

Me: That will be awesome! After the Kiramagers coming up in 3 weeks we'll have 45+ Years of Sentai and Power Rangers with us all.

Rarity: Oh it will be most fun darlings.

Nico: It sure will be awesome.

We then arrived at the planet and it looked like a golden version of a desert planet.

Laney: This it?

Nico: Yeah.

Me: From space it looks like a desert planet.

Nico: It sure does.

Orion: It's not just that. It's gold.

Me: Well we won't know until we see it.

Nico: Lets head down.

We went down to the planet and we arrived in a swamp and to our amazement and shock we saw that we were on a FRENCH FRY

PLANET! EVERYTHING WAS MADE OF FRENCH FRIES! AND THE LAKES, RIVERS AND WATER OF THE PLANET WAS KETCHUP AND FRY SAUCE!

Eli: WHOA!

Me: It's a planet made of delicious French Fries!

Nico: Oh wow! Ben and Albedo would absolutely love this planet! Especially since they both love chili fries.

Laney: Oh boy! This is my kind of planet.

Kaoruko: Mine too. It looks so awesome.

Fu: It sure does.

Orion: Okay. I'll eat a few. And then, I'll morph in case a villain shows up.

Orion ate some and even dipped them in the ketchup river and it was delicious!

Orion: DELICIOUS!

Me: Oh wow!

We got to eating and they were delicious!

Me: MMM! Delicious!

Laney: MMM! YEAH!

Nico: Also, Jorgen called me this morning and said that he's applying for membership in the Masters of Evil. He needs a second job since he's not getting paid enough in his first one.

Me: That is cool! And he is intimidating to lots of fairies in Fairy World. But then again he isn't called the Toughest Fairy in the Universe for nothing.

Lana: That's true and that Arnold Schwarzenegger accent of his is awesome.

Lily: You said it Lana.

Nico: It sure is.

Orion: But he's still a good friend. Even before the battle against Thanos.

Nico: That's true there.

Me: And he did help Timmy and friends many times before.

Laney: He sure did.

Me: Jorgen may be intimidating but he does pack one helluva wallop.

Orion: I'll keep watch in case a villain tries to try something.

Me: Okay.

Orion kept a close watch.

Laney: Boy these fries are all so awesome and delicious.

Twilight Sparkle: They sure are delicious.

Eli: Best ever.

Nico: It could use some ketchup. And I brought some!

He pulled out a bottle of ketchup

Me: Cool. But there's lots and lots of ketchup in the rivers too.

Nico: I know.

Me: Also I hope that's not the Flat-chup.

Eli: Yeah we don't want to go through that again.

Nico: Not to worry. This time, we'll be prepared if more flat-chup comes.

Me: Good. Omaima Lexxington farting all the time is more than enough for us.

Rachel Stavenport: That I can get used to. But not all of us farting like that too.

We laughed.

Orion: (in his head) As soon as a villain pops up, I'll go In Space.

Then a figure appeared and it was BOSS TAU ZANT, The main villain from Hurricangers!

---

**Boss Tau Zant** is the leader of the Jakanja and the main antagonist of *Ninpu Sentai Hurricaneger* . He is a centipede-like alien who seeks to invoke "It" to destroy the universe and recreate it with him as ruler.

He is voiced by Kiyoyuki Yanada, who also voiced Yogosteinand Yogoshimacritein in *Engine Sentai Go-onger* .

500 years prior to the start of the series, Tau Zant learned of "it" and its power to destroy and recreate the universe. Seeking to invoke this so he could emerge as god of the newly-created one, Tau Zant founded the Jakanja and gathered ninjas from all across the galaxy to form the Seven Darkness Spears, an elite team to help him realize this goal.

To this end, Tau Zant sent probes to the far corners of the universe to search for the materials necessary to enact his plan. After one of the probe's landed on Earth and activated, sending a signal back to the Jakanja, Tau Zant and five of the Dark Spears headed to Earth in Parasite Fortress Centipede. To remove any obstacles in their path, Tau Zant ordered the elimination of both the Hayate's Way Ninja Academy and the Ikazuchi's Way Ninja Academy, before having the Jakanja commence their invasion.

Later, Tau Zant recruited the two surviving members of Ikazuchi's Way, the Gouraigers, into the Jakanja, secretly planning to have them kill each other in order to invoke "that". Though this failed, Tau

Zant learned of another way to invoke "that" through his subordinate Manmaruba, the Raging Arrow and Grieving Bow. After Sargain completed the means for the Jakanja to use the Raging Arrow, Tau Zant had Sandaaru kill him in secret, no longer having a use for him.

After obtaining both the items, Tau Zant learned from the Evil Will how to use the two to create a wormhole capable of annihilating the entire universe. To assume a more suitable form to wield both of them, Tau Zant ordered Satarakura to gather energy of anger and sadness from the people of Earth with the Jyakumu Gun so he could use it. After the Hurricanegers, Gouraigers and Shurikenger interfered with Satarakura's task, Tau Zant chose to attach the energy-storing device to Satarakura's arm. However, Satarakura soon began using the energy for himself, prompting Tau Zant to send Sandaaru to go retrieve the energy from him.

After Sandaaru brought back the sack of energy, Tau Zant absorbed it and assumed his Ultimate Form. The Hurricanegers and Gouraigers broke into Parasite Fortress Centipede to stop him, but were too late. The transformation process resulted in the Centipede being destroyed as Tau Zant emerged from it giant-sized, in his Ultimate Form. Tau Zant then used the Grieving Bow to fire the Raging Arrow and create a wormhole to the Evil Will's dimension, allowing it to begin the process of destroying and remaking the universe.

However, anticipating that Tau Zant would eventually dispose of him as well, Sandaaru attacked Tau Zant and struck his weak spot in between his eyes, fatally wounding him and causing him to fall into the ocean. Despite this, this was not the end of Tau Zant.

Tau Zant was later sucked into the wormhole and brought back by the Evil Will to fight the Hurricanegers. Piloting Senpuujin, the Hurricanegers were able to defeat Tau Zant, but the Evil Will emerged from him and summoned the Seven Dark Spears to fight the Hurricanegers again. After the Seven Dark Spears were vanquished, the Evil Will reformed and brought back Tau Zant again, merging with him to take on the Hurricanegers. Tau Zant was finally destroyed by the Hurricanegers and the Gouraigers using the Victory Gadget together to blast him, vanquishing both Tau Zant and the Evil Will forever.

Orion: Trouble! LEGENDARY RANGER MODE! IN SPACE!

He turned into the Silver In Space Ranger!

We came and we saw him!

Eli: Oh my god! That's Boss Tau Zant!

Me: The main villain of the Japanese Operation Overdrive Rangers!

Orion: Shame Shane and his team never fought you. But today will be the first time we fight you!

Boss Tau Zant: Yeah that is a shame.

Me: Yeah what a ripoff that many of the Japanese Main Villains are not part of America.

Boss Tau Zant: That is true. Heard you guys have been killing many of my fellow villains.

Me: Some of them but not all of them.

Nico: Yeah.

Laney: But it will be the first time we face you now.

Nico: Lets get him!

We fired waves of energy and elements and blasted him all over the place!

Orion: Seriously, instead of you, Shane and his team fight Lothor?!

Boss Tau Zant: Yeah that is a shame! I am much better than that dishonorable lowlife Lothor.

Me: Good thing I called dibs on him when I kill him! This wait to kill him is really starting to get to me.

Nico: (Puts hand on my shoulder) I know you're excited about that dude but patience is a virtue.

Me: I know. Just like with Venomark but this wait is really stressing me out.

Nico: I know. Just hold on dude. He'll come.

Boss Tau Zant: The most awesome adaption that I ever got was that Lothorzord!

Me: I remember seeing that and that was so awesome! Packed one helluva wallop.

Nico: Boy it sure did. That was really cool.

Eli: Of sure was.

Nico: Yeah.

Boss Tau Zant: It sure was.

Orion: Sorry if you were expecting me to turn into Cam's Ranger form. But I like to mix it up when I'm by myself.

Nico: That's right. Orion here has over 45+ Years of Rangers in him.

Laney: That's right!

Lana: Yeah!

Applejack: Yeah that is true.

Boss Tau Zant: That is cool.

Nico: Also, before we continue fighting, would you like some fries?

Boss Tau Zant: Oh thank you I already had some earlier and man am I full. This planet is full of them.

?: They sure are good aren't they.

A Kaiporean appeared!

Kaiporean: (In a girls Voice) Thought it would be fun to drop in like this.

Nico: Mira Torvald?

Kalporean: Awesome to see you Nico.

Nico: Yeah!

Then she reverted back and she was a girl with blue hair, blue eyes and blue clothes. She then morphed her hand into a bazooka.

Mira Torvald: Now this is gonna be good.

She fired a blast of energy and it hit smashed Boss Tau Zant and knocked him down.

Boss Tau Zant: Wow! That is powerful! I'm heading back to the M.O.E. HQ.

He teleported back.

Mira Torvald: That was awesome!

Nico: Yeah and it's awesome to see you again Mira.

Mira Torvald: You too Nico.

Orion: What's your favorite memory of Nico?

Mira Torvald: I have a lot of them. But my favorite was in Gym Class. You see, I was made a Kaiporean Gene-Slammer long ago and I have had my powers since I was 2. Me and Nico were partners in dodgeball and I formed my arm into a cannon and fired a dodgeball with the full force of a bullet fired from a gun and it hit a bully right in his face and broke his entire jaw to pieces. It's what he deserved for picking on kids.

Me: Holy crap! That is awesome!

Laney: It sure is! That kick is now going to look like how Roger Ebert did.

We laughed at that.

Me: Karma bit him in the butt big time.

Eli: It sure did.

Mystique: I'll say. That is really cool and awesome.

Mira Torvald: Thanks.

Nico and Mira hugged.

Nico: I really missed you.

Mira Torvald: Me too Nico. Me too.

Nico: Lets gather a bunch of french fries for everyone before we head home.

Eli: Good idea.

We went and did so and gathered tons of fries and went back home.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, Mystery Inc and Young Mystery Inc., and Noah are heading to the Thrill Ride Park and not only is Lincoln going to rescue the eight girls there, but we're also going to help the gang and their friend, Chris, solve the mystery of the Roller Ghoster.

Lincoln also called Nikiya in, since this means another Mystery Inc villain is on the loose again.

Lincoln: Wow, we're here in the Thrill Ride Park, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're also going to help the gang and their friend, Chris, solve the mystery of the Roller Ghoster.

Me: That's right, big guy. From what the gang and Chris told us, the Roller Ghoster is sabotaging the park rides.

Nico: Whoever is doing this is really causing trouble not only for the people here, but they're also aimed at trying to ruin Chris' work.

Lincoln: That's exactly right, Nico. And I want to thank you, Rayman, and Nikiya for joining us, Noah.

Noah: You're welcome, Lincoln. This is going to be one awesome rescue.

Rayman: We're not going to let that Roller Ghoster get away with sabotaging the rides.

Nikiya: That's right. Don't worry, Chris, the Roller Ghoster's as good as caught.

Chris: Thanks, Nikiya.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of eight girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they've been cornered by The Roller Ghoster, and it's about to throw them off the Rocker Coaster.

Lincoln: (Gasps) Guys, I found the eight girls, but they've been cornered by The Roller Ghoster, and it's about to throw them off the Rocker Coaster.

?: That monster, let's get it!

Suddenly, we saw the Arcana Force VIII - The Strength appear

before us.

Nico: Whoa, that's Arcana Force VIII - The Strength, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Roxanne Lowinsky, but we'll have to talk later.

Lynn: Yeah, we got to stop that ugly green monster.

We rushed on over, but then, we saw that the Roller Ghoster already pushed the eight girls off the Rocker Coaster, and they were about to fall to their deaths.

Lincoln: OH NO!

Lincoln rushed on over, but then, we saw something happen: we saw Lincoln's massive deep sapphire blue wings with stars changed colors, changing from deep sapphire blue to white and the white stars turned into rainbow colors, and the sun that's on Lincoln's massive, wide, and muscular left pec was glowing. He created a spherical shield made of sunlight, and the eight girls were safe inside, and he brought them gently to the ground, and they got to safety. When the Roller Ghoster saw us, it was really angry.

Lincoln: Buddy, you just crossed the line with what you just did.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Mystery Inc, Young Mystery Inc, The Ghostforce, Noah, Nikiya, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman had his gauntlets ready and he transformed, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after The Roller Ghoster, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow crystals, and rainbow flames and they exploded with incredible power as they hit him.

Then, Lincoln fired powerful blasts of sunlight from his massive angel wings, and they blinded The Roller Ghoster, and Lincoln knocked it out with a strong punch, and he tied it up in a rainbow energy straitjacket and rainbow chains. We cheered wildly as we holster our weapons and power down. Then, Lincoln's massive white angel wings changed back to their original color, the rainbow stars changed back to gleaming white, and the sun on Lincoln's massive, wide, and muscular left pec stopped glowing.

Shaggy: Like, that was incredible. How did you do something like that, Lincoln?

Lincoln: Remember when Princess Luna lent J.D. her strength and power during the dream rescues? Well, when I saw the eight girls get pushed off and were about to fall to their deaths, I asked for help from Princess Celestia, and you guys saw what happened to me, right?

Nico: That's right. (Realizes something) Holy crap, that means, you've been given the same powers as Princess of the Day, big guy.

Princess Celestia: (Through Lincoln's cutie mark) That's right, Nico, and who knows, he might've also been given the same powers as Princess of The Night and Princess of The Crystal Heart, along with the Princesses of Magic and Friendship, Loyalty, Honesty, Kindness, Generosity, Forgiveness, Humility, Empathy, and Laughter.

Lori: That would literally be so awesome, but we'll have to see that in action later on.

Lincoln: That's right, Lori. (To the Roller Ghoster) It's all over for you, Roller Ghoster, or should I say, Terry.

Lincoln pulled off the mask, and the Roller Ghoster was revealed as Chris' sister, Terry.

Everyone: Terry?!

Chris: But, why?

Lincoln: It's quite simple, Chris: Terry was jealous of you. She may have brought the concepts of your rides to reality, but you wound up getting all the credit and Terry didn't get any credit or even a "Thank You". So, she dressed up as the Roller Ghoster and framed yoy, so she could take over and build whatever she wanted.

Velma: And thinking about what you said about Terry bringing the concepts of Chris' rides to reality, Lincoln, Terry also knew how to break the rides as well.

Me: That's right, Velma.

Terry: I always did all the work for you, Chris, but you took all the credit and never bother to give me any credit or even a "Thank You", and I would've gotten away with it, if it weren't for you Meddling Kids.

Velma: Technically, you did get away with it, you didn't cause anyone any physical harm and she didn't do any illegal, just rude. Not to mention what you did in pushing those eight girls off, since they stumbled onto your plan.

Chris: Not cool, Terry, I'm telling Mom.

Suddenly, the very thought of Chris telling on their mom caused Terry to panic.

Terry: No, wait, Chris. Please, don't tell Mom.

We laughed at Terry's frantically begging of Chris not to tell their mom of what she did and ran after her.

Nikiya: Well, Terry didn't get in any legal trouble, but she's in big trouble when her mom finds out.

Nico: True, what she did wasn't illegal, but it was just plain rude.

Lincoln: And from what we've seen, jealousy's a very powerful emotion, and if you don't find some way of controlling it, it's going to get pretty ugly.

Lola: Oh, big time ugly, big brother.

TLPS Mr. Wolf: And Terry's about to learn that lesson the hard way with a little community service in the park.

Lori: I literally wouldn't be surprised if Terry got grounded for what she'd caused.

Eli: You said it, what a troublemaker.

Lincoln: Yep, but her jealousy is exactly what led to her downfall.

Luna: You said it, dude.

Lincoln: Well, that's yet another mystery solved. (To Roxanne Lowinsky) And it's so good to see you again, Roxanne Lowinsky.

Roxanne Lowinsky everted back to normal, and she's a beautiful 17-year-old girl with long flowing brown hair, brown eyes, she's tall at 6'5" in height, she has the body of a goddess, she has massive brown angel wings, and she reigned in the power of Arcana Force VII - The Strength, and she's dressed in a brown short-sleeved blouse, sleeveless light orange dress top, brown skirt, brown stockings, red sneakers, and brown sleeveless trenchcoat with rocks and earth on the coattails, and Arcana Force VII - The Strength on the back, and holstered on her back is a large Arcana Force VII - The Strength-themed sword with a 6'10" massive, wide, double-edged brown blade with Arcana Force VII - The Strength etched on it, large brown angel wings for the crossguard, large brown gem embedded in the rainguard, longer black handle, and large brown gem with angel wings surrounding it for the pommel.

Roxanne Lowinsky: You too, Lincoln, it's been a long time.

Lincoln went up to Roxanne Lowinsky and they hugged, and Evelyn Francois's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Roxanne Lowinsky: I knew you have, but whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Roxanne Lowinsky, she's another of my Guardian Angels from Royal Woods, Michigan, and she, like her fellow Arcana Force Gene-Slammers is a powerful psychic and clairvoyant and she's a master of Earth. Plus, you guys are really going to like this: Roxanne even destroyed Flip's entire reputation by going undercover and finding out about even more horrible dark secrets about him, and she had a vision about Lynn where she was about to be attacked by the entire Hazeltucky Hawkers Team and she beat them all up before they could lay a finger on her.

We got thrown in for a loop about what Lincoln told us.

Nico: Whoa, so Roxanne destroyed Flip's entire reputation by going undercover and finding out about even more horrible dark secrets about him.

Me: And she had a vision about Lynn where she was about to be attacked by the entire Hazeltucky Hawkers Team and she beat them all up before they could lay a finger on her. That's awesome.

Lynn: And I had no doubt that it was Hawk and Hank who orchestrated the attack, now that's yet another reason why we really hate those two buttfaces.

Suddenly, a Thunderbird of Eternal Love appeared around Roxanne Lowinsky's neck with brown gems on the gold thunderbolt links and brown crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Roxanne Lowinsky: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Roxanne.

Roxanne Lowinsky had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her, and he leaned down and kissed Roxanne Lowinsky on the lips, and they returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Mai Kawakami, Arisu Himeno, Reina Izumi, Kurumi Kumamakura, Koito Minase, and Ruru the Fairy from Myriad Colors Phantom World, and Kazumi and Aya Kishida from Ariel Visual.

Lincoln: Oh wow, it's Mai Kawakami, Arisu Himeno, Reina Izumi, Kurumi Kumamakura, Koito Minase, Ruru the Fairy, Kazumi and Aya Kishida.

Nico: From Myriad Colors Phantom World and Ariel Visual, awesome.

Lincoln: Are you girls okay?

Mai Kawakami: Yeah, we're okay, thanks to you.

Then, when Mai Kawakami and the other seven girls saw who it was that saved them from Terry who dressed up as the Roller Ghoster, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange

Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Mai Kawakami: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Mai Kawakami: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Mai Kawakami, Arisu Himeno, Reina Izumi, Kurumi Kumamakura, Koito Minase, Ruru the Fairy, Kazumi and Aya Kishida with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and they were shocked when they found out that the villain was Terry who was dressed as The Roller Ghoster and tried to frame her sister, Chris, by sabotaging the rides in the park.

But, when Lincoln showed what we did to her, along with what we just saw happen to him, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Roxanne Lowinsky have a lot of catching up to do, now that she's back in town, and as for Terry, she got in big trouble when Chris told their mom everything that Terry did, and Terry got herself grounded and had to community service by cleaning up the park after it closes. She was also forced to fix all the rides she sabotaged.

---

After solving the mystery of the Roller Ghoster and getting Terry busted, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Roxanne Lowinsky saw Lincoln working out like crazy, she had an atomic red blush on her face.

Roxanne Lowinsky: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Roxanne, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Roxanne Lowinsky: That's incredible.

Nico: It sure is. So, Roxanne, how did you destroy Flip's entire reputation by going undercover and finding out about some horrible dark secrets about him and save Lynn from getting attacked by the entire Hazeltucky Hawkers team?

Roxanne Lowinsky: I'm glad you asked. I was asked by both the FBI and The Gotham Royal York Police Department to go undercover and destroy Flip's entire reputation, and this was after Flip's previous plots to have Lincoln, his family, his friends, The Casagrandes, and J.D. killed for constantly ruining his scams were all foiled by Lincoln's other Guardian Angels. They decided that enough was enough with Flip, and I agreed to do so. I went undercover at Flip's Food and Fuel, and what I found out was really shocking and really dark: I'd found out that Flip's now gone too far, and he'd planned to hire a massive army of bounty hunters to kill all of Team Loud Phoenix Storm, he'd also tried to give them a ton of weapons for it, including nuclear missiles. I photographed everything, and then, I told the FBI and the Gotham Royal York Police Department about it, but I also went a step further, and I posted Flip's plan all over the internet, and when they found out about it, they were really pissed at Flip. When Flip saw the angry mob, he screamed and tried to get away, but this time, there would be no escape for Flip as the FBI and the Gotham Royal York Police Department showed up in full force, and Flip was finally taken into custody, and he was sentenced to life in prison without the possibility of parole in The Jupiter Prison far from Earth and society.

We were really horrified, but we went from being really horrified to really pissed off at Flip.

Nico: So, Flip was no longer focused on killing Lincoln, his family, his friends, The Casagrandes, and J.D. for constantly ruining his scams, but now, he tried to have all of Team Loud Phoenix Storm killed?!

Me: That butt-sucking, three-butt-cheeked, ugly, fat, mutant, smelly… !

Eli: I'll kill him for this!

Lincoln: Okay, that's it, now Flip's really gone too freaking far this time.

Lincoln put the heavy barbell on the rack, and he aimed his left hand and sensed for Flip.

Lincoln: This is for trying to hire a massive army of bounty hunters to kill all of Team Loud Phoenix Storm, you three-butt-cheeked mutant cheapskate pig!

Lincoln used his imagination powers and summoned a massive collection of pianos, and Flip let out a string of excruciating painful screams and curse words as the pianos crashed on Flip's head one after another. Then, Lincoln went back to working out with the rest of us.

Nico: That fucking cheapskate pig deserved to get hit by those pianos.

Roxanne Lowinsky: You said it. Now, for how I saved Lynn from getting beaten up by the Hazeltucky Hawkers team. I was walking home from school, but then, I suddenly had a vision: and I saw that Lynn was about to be attacked by the entire Hazeltucky Hawkers team, and even worse, it was on the orders of those buttfaces, Hawk and Hank, who were also with the Hazeltucky Hawkers. I wasn't going to let that happen, so I rushed on over, and I beat them all up before they could lay a finger on her, and I also pummeled Hawk and Hank even more, and then, the police were called and the entire Hazeltucky Hawkers team, along with Hawk and Hank were arrested and sent to jail. Because of this attempted attack, Hazeltucky would suffer a horrible backlash from Royal Woods and gained a bad reputation, thanks to those assholes, Hawk and Hank.

We cheered for what Roxanne did to the Hazeltucky Hawkers and Hawk and Hank.

Lynn: Make no mistake about it, Roxanne's really strong when she pulverized those creeps, and it's because of what she did in saving me from that attack by the Hazeltucky Hawkers and Hawk and Hank, Hazeltucky suffered a bad backlash from the state of Michigan, and they have a bad reputation thanks to Hawk and Hank.

Lincoln: In fact, the Hazeltucky Hawkers now hate Roxanne Lowinsky with a vengeance, and they all swore they'll kill her for ruining their attack on Lynn.

Roxanne Lowinsky: The second they do, I'll rip their snouts off and shove them up their butts.

Lincoln: And she'll seriously do it, guys, Roxanne's really strong, one time, I saw her lift a 2,400-lb barbell with ease and with two hands.

Nico: (Surprised) Really?! That's awesome!

Me: Whoa.

We then got a shower afterwards, and then, Lincoln, his harem, and his kids are getting ready for their date, this time, it's an exploration to Fossil Falls in the Cascade Kingdom in the world of Mario.

Lincoln, his harem, and his kids had on their outfits and they had their weapons holstered, just in case of any trouble.

Lincoln: Alright, everyone, are we ready?

Thunderbird Apple: We're ready, Dad.

Lincoln, his harem, and his kids headed for Fossil Falls in the Cascade Kingdom in the world of Mario, and when they arrived, Fossil Falls is a prehistoric dinosaur-themed area. The main landmark of this kingdom is the huge waterfall flowing down from the skeleton of a Triceratops, while its background appears to be inspired from the real-life Iguazu Falls located between Argentina and Brazil under the spreading blue sky and there's a T-Rex there as well.

Nyx Midnight: Wow, what is this place, Dad?

Lincoln: This, Nyx Midnight, is Fossil Falls. We found out about this place from Mario, and it's the perfect spot for our exploration date.

Lincoln, his harem, and his kids got to exploring, as they saw the huge waterfall flowing down from the skeleton of a Triceratops underneath the spreading blue sky, and it formed a rainbow, thanks to the sunlight. They also saw a real life T-rex, and Lincoln got a photo of it to show us later. Then, they had lunch that Lincoln packed, and they sat in a picnic area that Lincoln made, and Lincoln got a deep tissue massage from the girls in his harem, and he returned the favor and he gave the girls a deep tissue massage in return, and he also helped the kids relax as well. Then, as the sun's about to set, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion, and the kids cheered. Then, they came back home to the World Tree Estate.

Nico: Hey, gang, how was your date?

Lincoln: It was awesome, Nico, we went to Fossil Falls in the Cascade Kingdom in the world of Mario.

Me: Whoa, I remembered Nicole telling us about that place, it's so awesome.

Lincoln: And take a look.

Lincoln, his harem, and his kids showed us the huge waterfall flowing down from the skeleton of a Triceratops underneath the spreading blue sky, and it formed a rainbow, thanks to the sunlight and the photo of a real life T-rex there in Fossil Falls, and we were amazed.

Me: Whoa.

Eli: And you also saw a live T-rex there in Fossil Falls, that's amazing.

Lincoln: But, don't worry, Eli, he's friendly.

Nico: Phew, that's a relief. But, this place looks so awesome.

Lincoln: It sure does, Nico, and it's perfect for exploring, and we also did some climbing as well, so we also got some more exercise as well.

Lily the Mermaid: We sure did.

Nico: Awesome.

---

Later it was time for Roxy's first ever ambassador mission and we were going to meet the Decade Kamen Riders!

Me: This is gonna be so awesome!

Nico: It sure is! I don't think I ever met the Decade Kamen Riders yet.

Me: Well you haven't Nico. Remember? You were in a slump in your room during the 20 Days of Darkness. When there was a huge swarm of Heartless invading Disney Castle, Tsukasa Kadoya of the Decade Kamen Riders helped us out.

Zarya: I remember that.

Nico: Oh right! I wasn't told about it because I was in a slump. Oh man!

Me: All because Oogie Boogie had to open his big ugly fucking mouth! If he ever does come back he is getting the Black Gates for sure!

Eli: Big time!

William: Anyone else wanna go with Roxy? Besides Jayden and 1 Rabbid?

Zarya: I'll go with. I want to tell Tsukasa thank you for helping us too..

Megan Kiraton: Me too. I'll go as well.

Nico: Cool! All right lets head on out!

With that we were off to Japan!

Roxy was walking around and then Tsukasa came.

Tsukasa Kadoya: Hi there, miss. I don't think I've seen you around here.

Roxy: Oh I've been here before.

Tsukasa Kadoya: I see. Wait a second. You look familiar. Have we met?

Roxy: We sure have. Remember at Disney Castle? But I was with everyone under Zarya's command at that time.

Tsukasa remembered that one.

Tsukasa Kadoya: Wow! I remember now! I helped save you from that swarm of Heartless.

Roxy: Same here. Roxy is my name. I'm the last of the Fairies of Earth. You can come out now guys.

We came out.

Me: (Speaking in Japanese) 門矢士、去年お世話になりましたので、またお会いできて光栄です。そのためにあなたに大きな時間を

借りています。どうもありがとうございます。(Tsukasa Kadoya, it's awesome to see you again since you helped us out last year. We owe you big time for that. Thank you very much.)

Tsukasa Kadoya: Think nothing of it and it's awesome to see you again J.D.

Me: You too.

Tsukasa Kadoya: Nico? Wow! I haven't seen you last year.

Nico: It's a weird story.

Zarya: But we owe you big time for helping us out during the 20 Days of Darkness.

Tsukasa Kadoya: It was my pleasure. (To Megan) Oh and you are?

Megan Kiraton: Oh sorry. I'm Megan Kiraton. I'm one of the biggest fans of the Kamen Riders and they are so awesome.

Tsukasa Kadoya: Awesome to meet you. (To Jayden) And you are?

Jayden Shiba: Oh sorry. Jayden Shiba. I'm the Leader of the Samurai Power Rangers.

Me: You know them as the Shinkengers. The Japanese version of the Samurai Power Rangers from America. They helped you guys earlier from what we recall.

Tsukasa Kadoya: That's right! It's an honor to meet you.

Jayden Shiba: Same to you.

Me: That was so awesome.

Jayden Shiba: (sighs) And this is a Rabbid.

Me: Rabbids are funny little guys but they are not the brightest light bulbs in the closet if you know what I mean.

Tsukasa Kadoya: Oh I get it. Would you all like to meet my team?

Me: Sure.

We were introduced to Daiki Kaito.

Daiki Kaito: Daiki Kaito at your service.

Nico: You're a thief, right?

Daiki Kaito: (smirks) I see it, I want it, it's mine.

Nico: You'd get along with all of our resident thieves.

Me: Yeah you would be awesome with Sly Cooper, Arsene Lupin III and Kairi Yano of the LupinRangers.

Eli: You would be awesome with them.

Megan Kiraton: That was so awesome how you always appeared and help people out.

Me: You would make an awesome member of the Redemption Squad.

Daiki Kaito: Glad you think so. J.D. we heard from Tsukasa that you went through a horrible ordeal called the 20 Days of Darkness and Nico wasn't with you when Tsukasa helped you guys. What happened?

Me: It's a really ugly story.

Nico: Yeah.

Me: We went through 20 of the most despair filled days ever in the entirety of our teams history. From January 23rd to February 11th, 2021 we had to go through the 9 levels of hell for 20 days. So to speak. But Nico suffered the full bore of it the most. All because of a douchebag enemy from his past.

I went over everything that happened and it was shocking and horrifying!

Daiki Kaito: That is awful.

Tsukasa: I'm sorry that you guys went though all that. But the only alternative was HIM ruling the world and killing many heroes, including you and Nico. And I don't think any of us want that.

Me: No thank goodness we stopped that before it even happened. But at least we are now rid of HIM forever.

Zarya: Yeah no kidding.

Eli: It was absolutely horrible.

Me: Yeah. But Tsukasa we owe you and your fellow Kamen Riders big time for helping us out during those days and we can't thank you enough for it.

Tsukasa: It was our pleasure.

Nico: Also, Tsukasa, we know that you used to lead Dai Shocker before. But we know you put that behind you. We've got a whole team of people who were villains before.

Me: That's right. We call them the Redemption Squad. We have this awesome power that enables us to sense sparks of good still inside people and we reach deep down and get that spark and bring them back into the light.

Eli: It's what lead them to being redeemed.

Nico: Yep and I also lead the Decepticons and help them on the Road to Redemption myself.

Daiki Kaito: That is amazing.

Zarya: Yes it is.

Roxy: Yeah.

The Rabbid was fanning himself using a Rider Card of W.

Daiki Kaito: It's good that's the only thing you're doing with that. But there are other methods of fanning yourself.

Me: Yeah.

I showed him a fan and he fanned himself with that.

Me: Kamen Rider W. We actually meet them soon on Nuju's Ambassador Missions coming up after Lillian's in 3 days.

Nico: Yep we sure do.

Eli: That is gonna be awesome too.

Roxy: It's fitting that my ambassador mission are with you. I've got the entire animal kingdom at my disposal. And you've got 10 years of Kamen Riders at yours.

Tsukasa: (chuckles) Oh, it's actually become more than 10 years now.

Me: He's right on that. Kamen Rider first began back in 1971 and it was put on a 12 year hiatus from 1988 until 2000. Kamen Rider Decade commemorates the 10th anniversary of the Heisei Kamen Rider series. Also you guys met the Zi-O Kamen Riders we know that. That was cool.

Tsukasa: That's right. And we saw 2 members of your team fighting Another Rider and 2 people with these amazing Time Control Powers.

Me: Those are the Time Jackers.

Nico: And you're talking about Clyde and Syd. We gave them a huge secret mission to keep the Time Jackers at bay till the big day we meet the Zi-O Kamen Riders to destroy the Time Jackers forever.

Tsukasa: Wow! That's gonna be a while.

Me: Yeah.

Nico: Yeah no kidding.
